

## The Return of the God of War [The Protector] Chapter 2261

Anyway!

Let's talk about actual results!

Since Tiance Marshal took charge of Kunlun Industry, Kunlun Industry has indeed taken off.

Without him, there would be absolutely no Kunlun Industry today.

If anyone is in charge, Kunlun Industry will not be as strong as it is now.

Be able to become the world's top power, with the same reputation as Maya Industry and so on.

The main reason is that the young commander of Tiance has strong ability, hard wrists, big background, high status...

No one will have this effect...

Therefore, everyone in Kunlun Industry is convinced of the young commander of Tiance!

Convinced!

Even if the thorns of the unicorns were unwilling at first, they were not easy to be sent under the fence.

Later, they were all convinced by the marshal of Tiance.

This man is really scary!

Even the unicorns can grow to where they are now, and the marshal of Tiance accounts for half of the credit.

Marshal Tiance has never been stingy, giving Kirin ( Qilin ) their top-notch exercises and all the highest medicines.

Will not mind the previous contradiction.

Until now, everyone believes that the boss of Kunlun Industry is the young commander of Tiance.

And Levi Garrison is just the founder.

The two have absolutely different concepts.

“Yes, the boss has one thing to say, Kunlun Industry can now become the world’s top power, it depends on the young commander of the sky!”

everyone said Qiqi.

Levi Garrison sneered, “So Kunlun Industry is now the young

leader of the Tiance strategy?” As soon as these words came out, the atmosphere on the court suddenly became cold.

Everyone was silent all at once.

I dare not say one more word.

The Common Killer didn't speak anymore.

silence!

A long silence.

But Levi Garrison had already got the answer.

Silence is the answer.

"It's okay, everyone doesn't need to be so serious! I just want to ask!"

Levi Garrison smiled, "I'll ask you one more question-the marshal of Tiance is in charge of Kunlun Industry! Do you serve it? Tell the truth! I don't want to see you. Silence!"

"This..." As

soon as Levi Garrison's question came up, everyone looked at each other.

The Common Killer came out first.

"Sir, I am convinced with him! I am convinced!"

Soon, Kirin ( Qilin ) and Azure Dragon (Qinglong) stood up one by one.

“I take it too!”

“Me too!”

...

Wen Lei also stood up, “It can be said that Erudia used to have you, now Erudia has a young strategy!  
We are convinced by him!”

.....

Everyone The marshal of Tiance is convinced.

“Well, since you are convinced, it’s fine! I’m still worried that if you don’t accept him, and then do things under his hand, you will be embarrassed!”

Levi Garrison smiled.

Kunlun’s industry is developing well, and he is also happy.

It’s no problem for Tiance Marshal to take charge.

After all, it was Erudia’s power.

The stronger, the better for Erudia.

He would not care, but would clap his hands in applause.

But his question fell in the ears of everyone but it changed.

Everyone felt that Levi Garrison had lost his position as the helm of Kunlun Industry and was angry, but he was powerless.

After all, it is impossible to fight back from the hands of the young marshal of Tiance.

“Sir, in fact, as long as Kunlun’s industry develops well, it doesn’t matter who is the owner! To get bigger, the owner of Kunlun’s industry is the entire Erudia!”

Bu Yi Sha Shen also took the initiative to comfort.

“Yeah, boss, you have always been tired, it’s time to rest!”

Everyone didn’t want to see Levi Garrison work so hard again.

“I heard someone wants to take Kunlun Industry back?” At

this moment, a shout came.

Next second.

The figure of Marshal Tiance appeared on the court.

Behind him were the capable officers of the young commander of the sky, and the four great gods who came personally.

Kirin ( Qilin ) and the others immediately explained, "Marshal, the boss didn't mean that, he just asked!"

They were afraid of a conflict between Tiance Marshal and Levi Garrison.

After all, there has been before. "Really? I don't feel like it? Does anyone want to take it back?"
