

The Return of the God of War [The Protector] Chapter 2268

How can there be such a coincidence...

Various ancient relics and ancient civilizations have been excavated, and modern technology has developed like a rocket.

The strong are quick.

This obviously has a problem.

Levi Garrison felt more and more that it was a ghost in the Lab of the Gods.

However, according to the current situation, even if he broke the sky, no one would believe it.

...

“I see! It’s time for Levi Garrison and Huoyun Cthulhu to know the cruelty of this era!”

“Yes, only by beating can they clearly understand how weak they are in this era?”

...

Everyone Thinking of doing it.

Suddenly, a powerful breath came.

They stood in front of Levi Garrison one after another.

“If you want to move the evil god, pass our level first!”

everyone shouted.

It turned out to be the seven evil gods under the leadership of Levi Garrison and Huoyun.

Sword evil god, poison evil god and them.

They have also jumped into superpowers, even more obvious than most of the people present.

Because what they originally practiced is “evil ways and crooked ways”, to put it bluntly, what they practice is extremely quick.

Now this era suits them too well.

However, Levi Garrison was very pleased that they stood on his side when they were enemies all over the world.

What does it mean to be a universal enemy?

die!

Once they choose their side, they will face death.

It's nice to have these brothers.

Levi Garrison smiled at the corner of his mouth.

Of course, Kirin (Qilin) Azure Dragon (Qinglong) and Xiao Feng are actually on this side.

It's just that they will quietly open a way for Levi Garrison and Zoey to escape later.

It will not show up on the surface.

"Cthulhu! Don't worry! Unless we are stepping on our corpses, don't want to touch your hair!" The

sword evil spirit swept the audience.

"Let's see, what is called a gang of anger? Things are gathered together? There is a demon wife, and now a group of crooked hands are coming down..."

"But it's too easy to kill you! Everyone should blame Zoey and his family first!"

Ye No way to suggest.

Day policy Marshal nodded "Yes! Before dyeing process plums! I am here to say a word on behalf of government policy day! Plums and stained-day government policy does not matter ah! She is her child is a child!"

"Yes, the days of government policy Regardless, let's rest assured! Kill this female demon first!"

...

Ye Wudao and Marshal Tiance responded with every word.

Hundreds of thousands of people shouted together to punish Zoey .

The terrible sound was like a thunder rumbling on top of the sky.

“Dear brothers, please give me

a lesson!!!” A voice sounded.

I saw everyone from Li and Zhao’s family came.

Li Wenhai these pure energy bodies also came tremblingly.

“Everyone, let me say this-anything Zoey did has nothing to do with our Li and Zhao family! She disappeared three years ago! Never returned to the family again!”

“We didn’t even know that she became like this. We really don’t know! We sympathize with the victims and their families!”

...

They want to have a clear relationship with Zoey .

“We can prove this! Zoey really has nothing to do with the family!”

Tiance Young Master said.

Looking at Levilia’s face, he didn’t want to kill him.

Ye Wudao suddenly stared at Li Wenhai and the others, “Okay, even if you have a clear relationship! So how do you think Zoey should be punished?” The

words came out.

Li and Zhao’s family were dumbfounded.

How do they deal with it?

After all, Zoey is also a family member.

Is it going to be killed directly?

“Didn’t you say that it has nothing to do with her? Give you a chance to prove your innocence!”

Ye Wudao seemed to want to see this kind of family killing each other.

Deliberately leave the problem to them!

“Kill her!” A voice came from the crowd of Li Zhao’s family.
