

## The Return of the God of War [The Protector] Chapter 2271

Ye Wudao and others stared at Levi Garrison, "Levi Garrison, you mean to put the punishment on Zoey on you?"

"Yes! As long as I don't let my wife die, I will accept any punishment!"

Levi Garrison nodded. .

"No!"

Kirin ( Qilin ) and the others as well as the Evil Sword God all stood up.

Don't agree to this!

They all want to kill with their own power.

Kirin ( Qilin ) and the others add the sword evil god, they should unite inside and outside, and it is not a problem to make a way out.

At least temporarily let them escape.

But if they accept punishment, these people will not let Levi Garrison go.

Even the Huoyun Cthulhu looked different.

But he reacted quickly.

He had already felt Levi Garrison's whole person.

"Retire all! Listen to me!"

Levi Garrison shouted loudly.

Kirin ( Qilin ) and the others can only stand aside, but they are ready to take action at any time.

"Okay, did you hear that?"

"Levi Garrison said, as long as Zoey is spared, he is willing to accept all punishments!"

"What do you think?"

Ye Wudao shouted at hundreds of thousands.

At this moment, everyone felt that killing Zoey was not that important.

The anger in front was clearly raging, but now I don't think it's interesting to kill Zoey ...

this is the psychology of most people, it's just a moment of feeling.

It seemed to be between punishing Levi Garrison and killing Zoey , the latter had no meaning at all.

What does it matter whether it is killed or not?

But to punish and torture Levi Garrison, everyone felt full of interest.

The main killing of Zoey was incited by the dark god.

Many people say it bluntly that others are doing what they are doing, and what they say is what they are doing.

It's just being used.

In fact, does he really want to kill Zoey ?

Do not!

It has nothing to do with him!

...

So after Ye Wudao's proposal came out, everyone was silent.

"Also! But, there is a condition-in order to prevent Zoey from continuing to harm others, she must be abolished by force! Let her become an ordinary person!"

Someone put forward a condition.

"Well, this condition must be met!"

Ye Wudao and others said one after another.

Levi Garrison covered Zoey 's mouth, and he nodded, "Yes! As long as you don't kill my wife!"

"You can accept any punishment?"

Someone stared at Levi Garrison and asked.

"Accept! This is an explanation!"

Levi Garrison nodded.

"Think everyone! How to punish him?"

Ye Wudao shouted loudly.

Everyone began to discuss.

The dark God who was watching the dynamics let out a long sigh of relief.

"The test came out! This is definitely not the dark cage that Levi Garrison opened by himself! Otherwise, he will never compromise! I beg others to give a chance to let Zoey go!"

said Dark God.

“Well, that’s right! According to Levi Garrison’s character, if he really had a terrorist force, he would have driven these people home long ago! He has no strength now, so he compromised!”

“Hahaha... scared me to death, I thought he really opened the dark cage!” The

others were also relieved.

“Then someone else should help him open the dark cage... but as long as it’s not Levi Garrison!”

Dark God sighed.

They analyzed everything.

But he didn’t analyze Levi Garrison’s behavior, he is a character who dares to behave.

Wrong is wrong.

Have to bear the consequences.

It doesn’t matter how strong you are.

...

Zoey wanted to say something, but Levi Garrison covered her mouth.

“Leave everything to me! Let them come!”

...

Everyone came up with one method after another, but they almost felt something.

Either the punishment was not enough, or Levi Garrison would be killed directly.

They wanted Levi Garrison to live, and they had to torture and humiliate Levi Garrison.

At this moment, Ye Wudao smiled suddenly

, “Everyone, I think of a way of punishment! Absolutely!” “Ye Shao, what is it?” Everyone looked over.
