

The Return of the God of War [The Protector] Chapter 2413

“Yes, father, you said it at the beginning! You are not invincible, you are not coming back! Father, you are amazing! The world is invincible!”

“My father is invincible in the world!” The

little daughter also said excitedly.

The face is full of pride!

The same is true of Tiance Marshal.

Proud!

The day of dream has finally arrived!

My father is invincible in the world!

He has imagined the scene of walking sideways!

He was still afraid of many people before.

But now that his father came back, no one of him was afraid.

“Puff!”

“Cough cough...”

“Cough cough cough cough...”

Hearing this, Tiance Shenshuai covered his mouth and coughed, his body trembling fiercely, becoming more and more intense!

Every time they say a word of invincibility, the god of heaven will cough.

In the end, I kept coughing and couldn't stop.

The whole person's complexion turned red, and the tears kept streaming.

“Father, what's wrong with you?”

“What's wrong with you, handsome?”

Everyone hurriedly gathered around and looked at him with concern.

“I...I cough cough, I'm fine... cough cough...”

No one thought that there was an existence like an invincible god in the world.

Cough like this?

It's almost like death.

This spread out, it is estimated that people will laugh at death!

Invincible?

Before he was sure to come back, he did think so!

He made a comprehensive analysis based on his own combat power and the strong men of this era.

He is invincible! ! !

After all, the Dark God that he has been holding down is already number one on the god list, and his combat power is on the ceiling.

The list of gods is the most authoritative!

In particular, the Dark God is overwhelming everyone on the list of gods, and there is no opponent in the true sense.

But the Dark God has been suppressed by him for many years.

Then he is invincible!

The hidden world powerhouse in Erudiaa, as well as the powerhouse of the Baolong clan of Tiance Mansion.

He knows everything.

On the bright side, he is invincible!

So he decided to return to Tiance Mansion!

I just heard that the Dark God was haunting Erudiana recently.

He went straight to find the trace of the dark god.

Unexpectedly, I found it.

The result was completely defeated.

Crush yourself in all directions!

Let him have no chance to resist!

He surrendered directly!

This is his most humiliating day!

He has been a Tianjiao since he was a child, and he has high hopes from anyone.

The single purpose is invincible and invincible!

Stand at the top of the planet!

But he lost miserably this time.

That deep sense of powerlessness!

It is beyond words!

Invincible?

Invincible ass!

I almost got killed when I came back!

If it weren't for taking the most precious medicine, I was still seriously injured.

"Well, don't talk about it, I'm fine!"

Tiance Shenshuai, who was slowing down, said quickly.

"Okay, that's good! Come here! Send out the news of my father's return and the invincibility of the world! Let me see who dares to despise my Tiance Mansion for half a minute??"

Tiance Marshal said immediately.

This is the biggest news of Tiance Mansion in decades, and it is also the biggest thing of Erudiaa.

He needs to promote it!

“Puff!”

“Da da da...” It’s

just that when the god commander Tiance heard this, he staggered and almost fell to the ground.

Invincible?

Your mother is invincible!

And let the whole world know that they are invincible!

Angry!

At this moment, Tiance Shenshuai was so anxious that he almost vomited a mouthful of blood.

Rebellious child!

Rebellious child!

Which pot does not open and which pot?

This was the most humiliating and humiliating thing in his life, but he was repeatedly exposed to scars!

Repeatedly!

I also need to inform the whole world...

Tiance, the superintendent, has a feeling of letting go !

I beg you to stop talking!

He is about to cry!

“Well, God handsome, you just played against someone?” At

this time, a voice came from the Tianji Pavilion.

“Puff!”

Tiance Shenshuai’s head was about to explode.

Someone mentioned...

“I...I...”

Tiance God Commander could only admit it.

After all, the seniors of Tianji Pavilion are not simple.
