

# The Return of the God of War [The Protector] Chapter 2417

Young Master Tiance answered puzzledly.

Others also answered: "Yes! Levi Garrison is off! Levi Garrison has been imprisoned for three years!  
After

he comes out, he can't keep up with the times!" "He has been ranked thousands of quasi gods! Now he is starting to practice the new era. after the exercises, progress quickly, God has entered the list, although the end "!!

Tiance God handsome excited:" he himself admitted it is "? "

to Yes, he said that God is darkness off!! He is three years! Because his wife Zoey is the apprentice of the Dark God!"

"I also heard that Levi Garrison persuaded his wife to sever the relationship with the Dark God. He kept saying that the Dark God was using her! He also shut him down for three full years!"

.....

Everyone was talking babbledly.

But after hearing this, Tiance God Commander has already dealt with the matter!

Levi Garrison is now the God of Darkness, the one who broke the dark cage!

The existence of the force value at its peak!

He was also the one who cut off the two fingers of the Heavenly Sword as soon as he appeared on the stage.

He did it just to save his wife.

In fact, the three identities are the same person!

Soon, Tiance Shenshuai sorted out everything.

Now Levi Garrison wears this mask, which means that the real dark god is dead.

Although the Dark God was killed, the god commander Tiance didn't have any waves in his heart, and there was even a hint of relief.

He can't kill Junior Sister, and it's not bad for someone to kill him now.

The wife's grudge is reported!

Confuse!

The audience was very puzzled.

What did Tiance Shenshuai ask this for?

"Father, what do you ask this for?"

Marshal Tiance asked suspiciously.

“It has nothing to do with you!”

Tiance Superintendent asked again: “ Right , Levi Garrison? Isn’t it the former king of the word side by side? Also the father of that little genius?”

“Yes! It’s him!”

Everyone nodded.

“No wonder, his child, it’s normal to have this talent!”

Tiance Shenshuai sighed.

Everyone feels very strange.

“Father, why are you so curious about Levi Garrison? It’s just a cripple! He is talented? I can hit him with one finger!” Tiance

Marshal was dismissive of Levi Garrison.

After all, according to the ranking of the gods, he is one of the top ten, and Levi Garrison is the last.

There is absolutely no comparability between the two!

“It’s you?”

“Can you compare with him?”

Tiance, the superintendent, was about to vomit blood.

Levi Garrison just defeated himself!

He is invincible in the world.

Are you a scum in a scum, compare with others?

“Huh?” The

Marshal Tiance was stunned.

The others were also stunned.

Shen Shuai seemed to be very optimistic about Levi Garrison, and he did not hesitate to demean his son.

“Dad, how does Levi Garrison compare with me? He is like an ant! Your son has made a lot of progress over the years!”

Tiance Marshal argued for reason.

I don’t want to admit that I am worse than trash in front of my father!

Tiance Shenshuai looked at him suspiciously.

It means you can't !!!

“Yeah! Levi Garrison is incomparable to me! But his child, that talent is indeed terrifying! Now it is said that abandoning everything about the religion of several ancestors and breaking out a way by himself! It turned out to be a success! The strength of that child It shouldn't be under me at the moment!”

This is the only time when Tiance Master is jealous of a child.

But no way.

The talent gap is too big.

She can create her own way.

He can't!

Humbled!

“Well, that kid's talent is unparalleled! There is currently no comparable!”

Tiance Shenshuai nodded.

He understands better.

This child is Tiance Mansion and Erudiaa's future!

But we can't talk so far at the moment.

It seems that such a talent is useless in front of her father.

"Where does Levi Garrison usually live?"

Tiance Marshal continued to ask.

"Huh? Father, why are you asking this?"

"I'll apologize!"
