

The Return of the God of War [The Protector] Chapter 2424

“Don’t lie blindly, spill someone dirty on others! Admit it generously! Don’t make me look down on you!”

Zoey cried with anger.

Just as Levi Garrison thought.

Once Tiance Shenshuai said this.

No one would believe what he said.

After all, where is the status of Tiance’s supernatural commander?

With his identity, his fixed mindset is to keep his promises.

Never lie!

Especially for Levi Garrison not to lie!

Does he need to use such despicable means for such trivial matters?

In summary, Levi Garrison was lying.

Even if Levi Garrison shouted the god of Tiance and explained it to everyone, it was useless.

The thinking is set.

No one will believe it.

“Yes, Master, if you have done it all, you just admit it openly! Now everyone knows what’s going on! It’s useless to pretend to be!”

Xiao Feng said in an angry voice.

Others also said one after another, “Yes! I did it, why don’t you dare to admit it?”

“I did it, I admit it!”

Levi Garrison was a little angry.

The key explanation is unclear. “It’s a pity, Levi Garrison, you want to marry someone. But the little princess of Tiance Mansion doesn’t look down on you at all! People said, you have a wife and a daughter, and you think about others, you are shameless! The key is Zoey right in front of you. Promise to marry someone! It’s really shameless

!”

Everyone sneered.

“Brother, you really did not do this thing right! Hurry up and apologize to your sister-in-law!”

Mia didn’t want the matter to make a big deal, and stood up and asked Levi Garrison to apologize.

“Yes, boss, quickly apologize to my sister-in-law! Men will make mistakes! If you apologize, she will forgive you!”

Everyone urged Levi Garrison.

Zoey was very angry.

But she was also waiting for Levi Garrison to apologize.

As long as Levi Garrison apologized, she would forgive.

She was stunned when Levi Garrison.

But Levi Garrison glanced at everyone and said, “I’m right! I apologize!” In a

word, Levi Garrison angered everyone present.

Is he determined to abandon his wife?

Want to marry the little princess of Tiance Mansion?

disappointment!

Full of disappointment!

Refusing to even apologize!

Isn't this more ghostly?

Zoey cried directly...

"Okay, then I'll give you freedom! Why do you want to go?"

Zoey said angrily.

But Levi Garrison left directly. "Okay, I will leave first, and I will explain

when I come back!" Levi Garrison left in front of everyone.

Everyone "...".

Everyone is numb.

Levi Garrison really left?

Let him go?

Isn't this obviously Tiance Mansion?

"How did he become like this?"

Everyone was deeply puzzled.

“Mother, don’t worry! Once he has a different intention, I will stand on your side and cut off relations with him!”

Xiao Feng and the others began to express their opinions.

“And me! If he really does his own way! Then we really have to sever relations with him!”

“We will always be on your side! Don’t worry!”

Everyone should support Zoey.

“Thank you everyone! But it’s okay! The big deal is divorce! What have you never experienced in this era? Are you afraid of divorce?”

Zoey disapproved.

“If this is the case! Divorce is OK! We all support it! Plus Levilia is also big, it doesn’t matter!”

Li Wenyuan and his wife said.

“Yes, get a divorce if it’s a big deal!”

“We all support it!”

Xiao Feng Azure Dragon (Qinglong) and the others also support it.

“Hey!”

Mia stomped anxiously.

Explain things clearly in one sentence.

Levi Garrison had to make such a big noise.

She left immediately and ran to find Levi Garrison.

Let him come back and explain things clearly.

Divorce is absolutely impossible.

It hasn't been long since Tiance's superintendent and his little daughter arrived at Tiance Mansion.

Levi Garrison arrived.

“Let Tiance marshal get out and be beaten!” Levi Garrison's voice resounded in Tiance Mansion!
