

The Return of the God of War [The Protector] Chapter 2427

“Boom!”

The momentum of his whole person went straight into the sky.

As if to tear the day apart.

In a blink of an eye, he returned to normal, and his strength and momentum rose to be stronger than his peak.

He is now like a giant walking mountain.

With every step taken, the land is broken, and the universe loses its color.

“Boom!”

When he lifted the airflow on the wall, the pressure on his body was like Taishan pressing down, slowly spreading towards the entire Tiance Mansion.

Everyone felt the terrible pressure and could barely breathe.

“Strong! Too strong! Worthy of being a handsome man! Worthy of being invincible in the world!”

“It is estimated that the handsome man just wanted to teach Levi Garrison a lesson. He didn’t do it directly, just exuding momentum! Let Levi Garrison understand that Tiance Mansion is not to be messed with! Let him know that Tiance Mansion is a god-like existence!”

“Where is Levi Garrison?”

I'm probably scared off! I don't dare to come to Tiance Mansion again in the future!" "But Levi Garrison left, I'm a bit unhappy, I want to directly He is killed!"

...

"Cough cough cough..."

Hearing the various voices beside him , Tiance Shenshuai coughed violently.

Don't leave soon.

the other side.

Xuanyuan Qingya told her brother everything.

Levi Garrison came too fast before, and he hadn't had time to talk about it.

"What? Marry you to Levi Garrison? Wishful thinking!" The

young commander Tiance was instantly angry.

"Is he Levi Garrison worthy of marrying my sister? What qualifications does he have? Except as a tool for childbirth, what else? What's the use? And there are wives and daughters, such a person allows my sister to marry, I will not agree to a hundred !"

Xuanyuan Qingya looked at her brother moved.

“Yes, he is not worthy! Even if he does not have a wife or daughter, he is not worthy!”

Tiance Marshal nodded fiercely: “Yes, that’s right! He just doesn’t deserve my sister!”

“Bah? Who deserves? Go? Your sister is not good enough!” At

this time, a cold shout came.

Tiance is here.

He had just taken a rare and precious pill, and his body was like a dragon and a tiger, exuding the might of the sky.

The momentum is too strong.

It is like a walking Mount Tai, giving people a suffocating coercion.

This frightened everyone.

At the same time, Tiance Marshal and Xuanyuan Qingya were proud of Tiance Marshal.

This is their father!

Too strong, too strong!

“My boy congratulates my father on the great accomplishment! Just this coercion can crush me!” The

Tiance marshal was full of excitement.

“Father is terrible! No one in the world is your opponent!”

Xuanyuan Qingya also smiled.

“1...”

It’s a pity that Tiance is in pain.

His face twitched fiercely.

In a short period of time, two of the three magical medicines were gone!

It is no exaggeration to say that these two supreme holy medicines are worth more than a big country!

One is enough to cause chaos in the world.

“Father, did you do something with Levi Garrison?”

Xuanyuan Qingya asked Tiance Shenshuai with blood stains, and she quickly asked.

“Huh? Father, did you kill him?”

Asked the marshal Tiance.

Tiance Shenshuai gave his son a fierce look.

There are so many f*cking words!

I really want to sew my mouth!

I'm going to have the damn ability to kill him...

I absolutely ran out and walked sideways now, and if anyone is unhappy, I will just kill him!

Why be so embarrassed and miserable?

The superintendent Tiance quickly skipped this topic, and said to Xuanyuan Qingya: "Daughter, the road for your father has already been paved for you! Next, you will rely on yourself!"

Xuanyuan Qingya said with a dazed expression, "Father, what's the way? "

Next, you need to pursue Levi Garrison by yourself! Let him marry you! It depends on your own ability! I can't help much!"

Tiance Shenshuai said.

Now if he gets involved too much in this matter.

Levi Garrison would really kill him.

I can only rely on my daughter to pursue Levi Garrison and impress him!

“What? Let me take the initiative to pursue Levi Garrison???”

Xuanyuan Qingya and Tiance Marshal both looked incredulous.
