

The Return of the God of War [The Protector] Chapter 2428

“Father, are you sure you made a mistake? Let me take the initiative to pursue him?”

Xuanyuan Qingya asked again uncertainly.

“Yeah! This is your last and only chance! Do it right away! If it’s late! It’s estimated that someone will grab it!”

Tiance Superintendent urged.

“No, father, what is so good about Levi Garrison? Why do you want to marry his younger sister? Do you want to take the initiative to pursue it?”

Tiance asked in a puzzled manner.

“Okay, please shut up! Please get out!”

Tiance Shenshuai directly drove Nizi out.

Now I don’t want to listen to him at all.

Marshal Tiance looked dumbfounded.

I always loved my father before, but after coming back this time, he seemed to be a different person.

“Father, I know your reason! You matched me and Levi Garrison in this way, because his genes are good, and the child born is likely to be a genius! But doesn’t Tiance Mansion use this method to make people laugh?”

“Father, you are not. If you want to cultivate geniuses, why not let Levi Garrison and his wife Zoey give birth to a few more? This won’t affect anyone! It’s a multitude of things in one fell swoop!”

Xuanyuan Qingya came up with an idea.

“Hey!”

Tiance Shenshuai sighed.

Do you really think I want a baby?

“You do not understand my intention daughter! I once heard you okay?”

Tiance God handsome good-naturedly.

This kid really doesn’t understand.

You do not agree.

A great opportunity will be missed.

“It’s not impossible for my father to promise me! But always let me know the reason, right?”

Xuanyuan Qingya still needs a reason.

What did Tiance Shenshuai think of, he couldn't help but said, "Let's do it, you first get in touch with Mr. Garrison, I think you will understand his extraordinariness soon, and then you will know my intentions!"

"Ah? "

This is the task I entrusted to you! Contact with Mr. Garrison for a month! Can this be done? If you don't want to, then forget it!"

Xuanyuan Qingya agreed, "Okay, this Yes!"

"Then you go find him now! Remember to observe carefully! You will get the answer soon!"

Xuanyuan Qingya left Tiance Mansion to find Levi Garrison.

Marshal Tiance still looked confused.

the other side.

Levi Garrison came back.

Hundreds of people looked like murder, staring at Levi Garrison.

That means it seems to say-do you still have the face to come back?

"Let me explain..."

Levi Garrison was interrupted by Li Wenyuan as soon as he finished speaking.

“No need to explain! You divorce Zoey!”

“The times have changed, and none of you can rely on anyone. Since you have a better way out, just get a divorce! We choose to set you free!”

Others said one after another. “Yes! Divorce!”

Azure Dragon (Qinglong), Xiao Feng, Sword Evil God and they all started talking, “Boss, if that’s the case, let’s get a divorce! We respect your choice!”

...

“Boom!”

Everyone divorced themselves, and Levi Garrison was embarrassed. .

These are the people I trusted the most before!

“Hey, hey, calm down! Let me explain! It’s true that Tiance Shenshuai wanted to marry his daughter to me! But I didn’t agree at all! It was Tiance Shenshuai who said nonsense, not to mention his daughter could not agree. There is nothing between us!”

Levi Garrison explained.

But this explanation is pale and weak.

Zoey smiled, "Do you think everyone will believe it? Tiance will lie? His status and status will lie for you? You don't want to think about it, how is it possible?"

"What did you just do?"

"Just now I went to find Tiance Shenshuai! In order to punish him, I wounded him! He is dying now..."
The

words are not surprising and endless.

Levi Garrison said this.

The whole audience was stunned.

"What? You wounded Tiance Superintendent? Stop blowing!"

Everyone didn't believe it. "If you don't believe me, you can follow me to have a look!"
