

The Return of the God of War [The Protector] Chapter 2439

She seemed to be so weak that she could not stand firmly, and the cold sweat penetrated her whole body.

Be timid before fighting!

Xuanyuan Qingya had already lost thoroughly.

Not to mention fighting against Takitani Kuroki, even fighting against Hirai Musashi will undoubtedly lose.

“This...Is this the oppressive feeling that King Kong is not bad for the divine art?”

Xuanyuan Qingya was already trembling, terrified to the extreme.

That’s right.

Takiya Kuroki and his apprentice Hirai Musashi are here.

So that there is no one around Levi Garrison’s villa.

No one even watched the battle secretly.

The magical power of King Kong is not bad has brought too much deterrence to everyone.

Everyone is scared.

And everyone knows the result.

Xuanyuan Qingya will undoubtedly lose!

There is no gold content in the first battle, it is the same whether you look at it.

Everyone was terrified of their ridicule of Erudaa next.

The powerhouses on the Erudaa God List have been swept over again...

and soon the God List will begin to be updated again...

Not surprisingly, Takitani Kuroki will come to the second place on the God List.

He is already the second strength of the gods.

Next, it is estimated that he will challenge the first place in the gods list!

The future is hard to say!

But now it's the second place in the real gods list.

"Boom!"

With a sound, two people equipped by the Toshima samurai arrived.

“Xuanyuan Qingya, the little princess of Tiance Mansion, tenth in the gods list! Higashishima Takiya Kuroki is here to challenge!”

Takiya Kuroki put on a challenging posture.

Levi Garrison was about to speak, but was angrily pushed aside by Xuanyuan Qingya.

“I...I accept the challenge!”

Even though he was afraid, even though he knew that he was invincible, Xuanyuan Qingya still got on.

Under the influence of fear, Xuanyuan Qingya only played half of her strength in this battle.

Was easily defeated by Takiya Kuroki.

Looking at Xuanyuan Qingya who was lying on the ground and vomiting blood, Takitani Kuroki sneered, “Impossible! Rubbish! All rubbish!”

“You are still the little princess of Tence Mansion ! You have Erudiaa’s orthodox magic! Rubbish? Rubbish!”

Hirai Musashi also laughed, “Is there no one in Erudiaa? Really no one! All the strong on the god list have been swept away by our masters and apprentices, and there is no one that can beat! A bunch of rubbish!”

” From now on, when you see Higashishima warriors, you have to call grandpa obediently, and then kowtow to detour! Otherwise, I will fight once!”

Takiya Kuroki also nodded, “Well, I declare that from now on, Erudiaa will be stepped on by me. All the opponents on the god list were defeated by me!”

“Of course, the Baolong clan of Tiance Mansion cannot make a move. If they make a move, they will be shameless! If you compare, we are better than the gods! This is recognized by the world! “

Hirai Musashi also added.

“I just want to use Erudiaa’s magical powers to beat them down and beat them to fear and fear! When they hear my name, Takiya Kuroki, they

feel frightened and piss out of fear!” “I want my name Takiya. Heimu has become the nightmare of the entire Erudiaa! It has become a taboo that they are afraid to mention! As long as I come to Erudiaa in the future, I will be closed from house to door, and there is no one on the street, and the children dare not cry... “

Takiya Kuroki said domineeringly.

“Master, you have done it! In fact, the young master Tiance was here just now! But as soon as they heard that you were coming, they were so frightened that they all ran away! Immediately after the news spreads, you will become Erudiaa’s forbidden master. Devil!”

Hirai Musashi brags beside him.

Xuanyuan Qingya who fell on the ground shed tears of humiliation.

At this moment, all her dignity was trampled on, and she

would lose face in seeing people in the future.

Even less dare to see Takitani Kuroki.

“Leave, Erudiaa is too vulnerable to a single blow, there is not a single one to fight!”

Takiya Kuroki and his apprentice turned to leave.

“Wait!”

“When you are in your kitchen, come as you want, leave as you want?” Levi Garrison’s voice suddenly sounded.
