

## The Return of the God of War [The Protector] Chapter 2443

“Impossible? Levi Garrison’s physique is too defying, right? There is nothing wrong with this kind of smashing!”

“His physique seems to be more terrifying than the undamaged body of King Kong?”

Xuanyuan Qingya came to a conclusion.

What kind of physique is this god?

You won’t die like this?

impossible!

I am dreaming!

There is no King Kong that does not break the body with magical power!

Rao is the immortal golden body of the Vajra Dragon Monk.

That is the ultimate body protection magic that can’t be beaten at all!

The marshal of Tiance possesses the unspoken secret of Tiance Mansion-body protection magic.

Can’t stop it!

Why did Levi Garrison stop him?

impossible!

Before Xuanyuan Qingya was shocked, Levi Garrison uttered a word, and he started.

“Huh?” At

this moment, Takitani Kuroki felt that Levi Garrison was about to attack, and he was already panicked.

Looking at Levi Garrison incredulously.

It turns out that Levi Garrison is also a master of defense!

This defensive physique is no less than the immortal golden body of the Vajra Dragon Monk!

But compared to his indestructible King Kong body, it was more than a little bit worse.

He quickly backed away!

Let's make adjustments!

Golden light bloomed on the body, emitting a dazzling light.

At the same time, the metal clanging sound is endless.

The violent breath swept across.

The seven apertures on the body began to flicker, and the surface of the body was flowing with gold-like air flow!

If this is to superimpose the defense of King Kong's indestructible body to the most terrifying state!

King Kong's indestructible body has come to the top!

Defense first!

The world's invincible shield!

From a distance, it looks like a gleaming golden Buddha!

"Come on!"

"I want to see how you can break my indestructible body?"

Takitani Kuroki laughed.

Xuanyuan Qingya was dumbfounded.

The condition of Takitani Kuroki at this moment is comparable to when his father came back two days ago.

You must know that Tiance Shenshuai just finished taking the supreme holy medicine at that time!

too frightening!

Takiya Kuroki completely ignored Levi Garrison's attack!

Levi Garrison didn't pay attention to it at all!

"Boom!" But

Levi Garrison slammed a solid punch on the seventh-layer King Kong Undestructive.

"Clang!!!" The

immortal body of King Kong is immortal, like a punch on the hardest metal in the world.

"Huh! I just said it's okay? I want to break my King Kong is not bad... um... no..."

Takiya Kuroki suddenly saw his body split apart.

One after another cracks appeared on King Kong's body.

The fine cracks are getting denser and thicker.

... After

several heavy dull sounds, it suddenly exploded with a “bang”.

It’s like popping a watermelon.

It’s gone on the spot...

even worse than his apprentice’s end!

The apprentice is sprayed with blood mist at least.

But Takiya Kuroki’s diamond indestructible body exploded, leaving nothing behind.

Levi Garrison sorted out his clothes, and said faintly, “That’s it. Isn’t it stronger than the dark cage?” You

must know that Levi Garrison is still improving now, stronger than before.

He was not interested in anything that was not as strong as the dark cage.

“Is anyone practicing to the ninth level of the Immortal King Kong body and let me try a punch?”

Levi Garrison was looking forward to this.

Even if Takiya Kuroki had reached the seventh level, the indestructible King Kong body was easily broken by Levi Garrison.

King Kong is not bad and magical defeat!

Takiya Kuroki defeated!

Levi Garrison looked at Xuanyuan Qingya again, "What do you say about this wave?"
