

The Return of the God of War [The Protector] Chapter 2448

Tiance the god commander asked uncertainly.

Now I have seen the true miracle of King Kong's incorruptible power.

He feels his son is unworthy!

Levi Garrison nodded, "Well, I have repeatedly compared the candidate! He should be the most suitable!"

First, the Tiance Master has been practicing the orthodox method of Tiance Mansion, which is not the same as the quick method of the new era. Any relationship.

Second, the exercises he practiced are all masculine and strong! It just fits in with the magical power of King Kong's non-destructiveness, and it gets twice the result with half the effort and the potential is even greater. Can hit the seventh floor, even the eighth floor!

Third, the position of Tiance's marshal is mainly to guard Erudiaa. This kind of exercise works better for him than for others.

...

Thinking about it again and again, Levi Garrison felt that it was the best choice to pass on the power of King Kong not bad to the marshal of Tiance.

"It's great!!!"

Although Tiance Shenshuai felt that his son was unworthy, if he was a son, he would be happy as a father with confidence.

“Then I thanked the king for Inuzi!” Tiance Shenshuai

bowed slightly.

“Go and call people! I have to change my image too! It may not be a good thing for him to recognize me!”

Levi Garrison exhorted.

Shortly after.

Tiance Marshal came here with his son, Tiance Marshal.

At this time, Levi Garrison was the image of a strong man who knocked off the Heavenly Sword with two fingers that day.

“Ah? See predecessors!!!”

Tiance Marshal was so excited, he immediately knelt and saluted.

The heart is even more turbulent!

It really is him!

He had predicted to everyone that it was probably the Takitani Kuroki killed by this senior, but now it seems that it is definitely him!

Being able to meet this existence is really a dream come true.

“From now on, you should be called Master!” Tiance Shenshuai

reminded him next to him.

“What? I heard you right? Father, what are you talking about? Say it again...” The

young commander of Tiance was going crazy.

Almost sat down on the ground.

“You heard that right! The person in front of you will become your master! He will teach you the magical skill that King Kong is not bad! You were chosen by his thousands! Don’t you bow your head and salute?” Tiance Shenshuai

explained.

“What? You want to teach me that King Kong is not bad? You want to accept me as a disciple? I, I, I...”
The

Tiance Marshal was so excited that he was incoherent.

His complexion was flushed, and he coughed again and again.

This is his most exciting moment!

First of all, the existence of this two-fingered Heaven Breaking Sword becomes a master!

Secondly, we must teach the power of King Kong not bad!

Mrs. Surprised!

“What are you doing in a daze? Why don’t you salute?”

Tiance Shenshuai said dissatisfied.

This kid really doesn’t deserve it!

“Pump!” The

Marshal Tiance immediately knelt to the ground.

He saluted Levi Garrison, “Master is here! Please be respected by the disciple!”

Seeing the young master Tiance kowtow to himself.

Levi Garrison feels a little weird...

Is this still the invincible Tiance Young Master before?

Become your own apprentice?

Also kowtowing frantically!

Still excited like this!

“Yeah! Reluctantly accept you as a disciple! Next, I will pass on to you the power of the King Kong is not bad!”

Levi Garrison handed the secret book to the young marshal Tiance.

Marshal Tiance took off his hands.

“I watched it again and I have already reached the ninth level!”

Levi Garrison said lightly.

“Puff!”

Tiance Marshal fell directly to the ground.

The ninth floor?

The realm that no one has reached in the legend?

“I have notes on each layer, so that you can practice better, faster and more efficiently! Avoid a lot of detours! I’ll take a look at the results of your cultivation in a while!”

Levi Garrison left after making arrangements.

It’s just not long after returning to Jiangbei.

Levi Garrison saw the Marshal Tiance coming.

After obtaining the cheats, he did not immediately practice, but ran to Jiangbei to show off.

“Come, come, everyone get together! I have a big thing to say!”

said the marshal Tiance.

Everyone got together and waited for the marshal of Tiance to say something important.

“You got the magical skill that King Kong is not bad!”

Levi Garrison’s voice sounded at this time.
