

The Return of the God of War [The Protector] Chapter 2516

The reaction of this group of people was even more intense than that of Ye Zhantian and the two of them just now!

One face changed wildly!

“Presumptuous! Is the position of the patriarch of the Garrison Clan that his junior covets?”

“Yes! That’s right! It’s the blood of the Garrison Clan who is still living outside! The blood is mixed and muddy! Want to be in charge of the Garrison Clan? Dream, right?”

” No one of the ancient Garrison Clan dared to covet the Garrison Clan so much, right? Is he looking for death?”

...

Levi Garrison’s condition angered many Garrison Clan people.

The patriarch Ye Qingtian’s face also changed, and he could see that he carried a trace of anger.

“Push your nose and face?”

Ye Fengtian asked.

Ye Zhantian said, “I think it can actually be agreed! As long as he joins the ancient Garrison Clan, he will sweep everything!”

“After all, he is too strong! With his joining, the Garrison Clan can be raised to a higher level!”

Ye Longtian He echoed, "Yes! He is too strong! I think this condition can be agreed!" The

words came out.

Everyone is even more angry.

After all, they are not the parties.

I didn't understand Levi Garrison's true strength, everything was heard.

What's more, they are a big family, with unique pride and dignity!

I think I'm only weaker than the sky!

Now it is a shame for the ancient Garrison Clan to give up the position of the clan leader to a junior with impure blood!

In any case it is impossible!

It is impossible to ask a junior to join the family at such a high price.

It's a shame to spread it out!

Garrison Clan will never look up!

So when Ye Zhantian said this, everyone was angry.

“Ye Zhantian what are you doing? How could you give up the position of Patriarch to a little boy? You are sick!”

“What happened to you after Ye Zhantian came out this time? The whole person has changed! I see fear in your face! Is this still you?”

...

Ye Fengtian said several people.

“Hehe, you haven’t seen his strength! When you see it, you are more embarrassed than me! I guess the entire ancient Garrison Clan can’t stop it!”

Ye Zhantian sneered .

Everyone shook their heads, “I don’t believe it! We don’t believe it! How could it be so powerful!”

Ye Qingtian nodded, “Well, I don’t believe it either! If the clubhouse leaves clan one-on-one, we might all lose! But we need all of us. If people add up, he can win? Impossible!”

“Yes! Not to mention the entire Garrison Clan, we are present with nearly a hundred people teaming up and anyone can win?”

Everyone said.

“This Levi came to us to treat people with courtesy, he made such an excessive request! Why not? Let’s join hands to capture him back to the ancient Garrison Clan. If you don’t agree, you have to agree!”

Ye Wangtian said.

“Okay, I agree!”

Ye Qingtian promised to come down, “Lift first and then soldier! If he doesn’t eat etiquette, we will force him to surrender! Big deal, let’s go together!” With

this idea, everyone went to Jiangbei aggressively.

They wouldn’t believe that Ye Zhantian said that Levi Garrison could be a man against Garrison family...

impossible thing!

“Okay, I want to see how you suppressed him!”

Ye Zhantian was happy.

This group of people didn’t believe in themselves.

So just right!

I just took you to...

Ye Longtian didn't say anything.

He knows that persuasion is not good...

no one in this group listens.

One by one, arrogantly dying...

Ye Zhantian led the team and everyone followed.

All arrogantly excited.

Thinking of the way to abuse Levi Garrison...

"Here is someone..."

Levi Garrison felt that he was coming, so he summoned Zoey and them and told them to leave first.

Knowing that it was the Garrison Clan's matter, Zoey didn't say anything.

Leaving with everyone.

soon.

In Jiangbei Villa.

Only Levi Garrison had a few people.

Levi Garrison was sitting there.

Shen Jie hovered in front of him, sending out a series of metallic colors.

Slight energy fluctuations come out. He is waiting for the arrival of the Garrison Clan...
