

The Return of the God of War [The Protector] Chapter 2526

“Why are you daunting?”

When Levi Garrison sat on Ye Wudao’s chair, everyone was shocked.

Everyone was stunned.

Looked at him incredulously.

Ye Wudao stood at the gate of the ancestral hall, just like a fool.

There seems to be something wrong with his mind.

Why did Levi Garrison get on his seat?

Why is this?

Senseless!

Everyone is dumbfounded!

“What are you doing in a daze? All kneel down!”

Levi Garrison shouted.

This made everyone wake up in a shock.

“What are you doing, Levi Garrison? Is this where you should sit? This is the position of the ancestor! Get out of me quickly!”

“You unfilial offspring! You are playing with fire!”

“Levi Garrison, are you brains?” There is a problem? The ancestral hall is so daring to go wild like this? Are you looking for death?”

“You should kneel! You are not qualified to sit!”

...

Everyone who reacted was anxious.

Yelling one by one.

I can't wait to take Levi Garrison alive...

His behavior is to provoke Garrison Clan's majesty!

It looks very serious in them!

Ye Wudao took a deep breath, “Levi Garrison, you have to be clear about your position, you want to participate in the clan ceremony! Not us!”

“This position is mine! You should kneel here! Hurry up and kneel here, I forgive your ignorance! Don’t be conceited!”

Everyone shouted, “Levi Garrison kneels!”

“Levi Garrison kneels!”

...

Levi Garrison smiled, “Who said that the ceremony of joining the clan? This is not what I came to participate in!”

“Ah?”

Now the others became more confused.

I don’t know what Levi Garrison is talking about...

Even Levilia looked at him strangely, not knowing what he meant...

“I obviously attended another ceremony, that is, someone will be expelled from the Garrison Clan!!! “

Levi Garrison sneered.

“Someone will be expelled from the Garrison Clan?”

Ye Wudao said subconsciously.

“Yes, that’s right! Someone will be expelled from the Garrison Clan!”

Levi Garrison nodded.

“Could it be you?”

Ye Lingtian asked.

Levi Garrison smiled and said nothing.

But this smile looks weird.

Also very provocative.

“Bring me down, you!!!”

Ye Wudao directly wanted to make a move.

It’s just that suddenly a voice blasted like a tearing sky.

“Ye Wudao still doesn’t kneel down!!!”

“Boom!!!”

This sound was like thunder, with terrible pressure.

“Puff!”

Ye Wudao knelt to the ground subconsciously.

Under terrible pressure!

At the same time, he also heard that it was Ye Qingtian’s voice!

“And Ye Lingtian, Ye Kuanglan...you all kneel down for me!”

Ye Qingtian’s voice continued to explode.

“Puff!” Unable to

endure the powerful pressure, Ye Lingtian and the others knelt down one by one...

They looked painful and felt terrible oppression.

And the children of the Garrison Clan outside the ancestral hall heard Ye Qingtian’s voice, and they all knelt to the ground one by one.

In the entire ancestral hall, only Levi Garrison was sitting alone.

Levilia stood beside him.

All the others fell to their knees...

This scene was extremely shocking!

Isn't it Levi Garrison's ceremony for joining the clan?

How did it happen?

It was not Levi Garrison who was kneeling, but people like them...

can't understand!

I can't figure it out at all! ! !

Accompanied by the sound of intensive footsteps, Ye Qingtian and other ancestors quickly came to the court.

Everyone looked at them without understanding.

At this time, Zoey outside Ye's ancestors' house and they heard Ye Qingtian's movement.

“

Should something happen? The boss is very likely to have an accident..." "Let's go in and see if something happens, we will try to stop it!!!"

...

Zoey and the others entered madly.

Quickly came to the ancestral hall.

After arriving at the ancestral hall, everyone stopped. Seeing the shocking scene in front of me...
