

## The Return of the God of War [The Protector] Chapter 2778

He was unable to reinforce in time when he was killed in Daxia.

What a conspiracy.

“Yes! Wrong! It’s a conspiracy against you! My purpose is to lead you out of Daxia!”

“You are with my mother-killing enemy! How can I endure it? You can’t avenge my mother! Then I can only rely on the hands of other people!”

The big apprentice suddenly looked up to the sky and laughed.

Tiance Shenshuai’s face changed, and he was a little distressed.

“Didn’t I tell you earlier to give up hope of revenge? You can’t imagine his strength! No one can take revenge!”

Tiance Shenshuai shouted.

That’s Levi Garrison!

“Do not!!!”

“The Lab of the Gods can! They can avenge me!”

The big apprentice shouted.

“Okay, don’t coax, I’m back to Daxia!”

Tiance Shenshuai stopped talking nonsense with him, turned and left.

“Don’t bother in vain! You won’t be able to return to Daxia!!! They won’t let you go back! Haha...”

The big apprentice suddenly laughed.

“what?”

Tiance’s handsome face changed drastically.

Yes!

Since it led him out of Daxia.

It is absolutely impossible to let him go back.

“Tiance Mastermind stay here!”

At this time, another voice suddenly sounded.

Tiance Shenshuai turned around and saw that there were two more people behind him.

And his own flesh and blood has been controlled.

“If you don’t want to die with your own bones, Tiance, the superintendent, just stay here obediently, then don’t go!”

“Of course, if you don’t regard him as a son, you can leave at any time!”

The weapons of the two are already on the neck of the big apprentice.

As long as they exert a little force, the great disciple of the Dark God will die immediately.

The former big apprentice of God of Darkness looked at Tiance Shenshuai with a successful smile.

He seemed very happy to see the embarrassed look of Tiance Shenshuai.

It is an exciting thing to choose between Daxia and her own flesh and blood!

Now he wants to see how he chooses the Tiance Mastermind?

“You despicable!!!”

Tiance Shenshuai gritted his teeth.

He didn’t expect this situation to happen at all.
