

The Return of the God of War [The Protector] Chapter 2789

But at this moment.

The Leviathans in front suddenly stopped attacking.

They began to line up into a team.

A group of one hundred Leviathans, a total of eight groups all stand.

“Buzzing...”

Suddenly, the sound of shaking mountains came.

The sky is shaking!

Everyone was shaken.

As if a magnitude ten earthquake is coming...

I saw the energy of the blue light beams converging on the Leviathan's body, and they passed one by one.

In the end, they all passed to the front Leviathan.

It is equivalent to a Leviathan possessing eight energy light waves at the same time!

The top one hundred accumulate eight hundred energy light waves, and the scene of the earth shaking and the mountain shaking for a time.

“boom!”

“boom!”

“boom!”

...

A hundred Leviathans in the front emitted energy shock waves together.

“Rumble...”

“Rumble...”

In front of the terrible energy wave, the base was instantly destroyed.

Countless weapons and chariots all fell apart.

Under this offensive.

No defense can stop...

Even Xiao Liejun and the others were caught in a sea of flames...

This time the attack directly penetrated the position.

Numerous casualties!

“Save Head Xiao!”

Everyone rescued Xiao Liejun from the sea of flames.

“Withdraw! Quickly withdraw!”

Xiao Liejun shouted.

“Buzzing...”

Sure enough, Leviathan’s second wave of attacks came again.

Still the same way.

“Rumble...”

On the basis of the original, another wave of the strongest attack.

Directly razing the town from the ground, a huge pit appeared in front of him.
