

The Return of the God of War [The Protector] Chapter 2823

At this moment, Levi Garrison finally understood what their plan was.

Since they can't beat these Leviathans, they can be attracted to this place to trap them all.

Walked all the way since just now.

Levi Garrison understood that this is a place isolated from the world, and there is no special road map to get here.

So now Leviathan has disconnected from the Lab of the Gods...

Otherwise, it won't be attracted by the drone.

Everyone else escaped!

Levi Garrison was happy.

Your plan is good.

But I was still inside, so you closed the door?

In fact, Lu Xiong from the outside world couldn't judge the situation inside.

He closed the door after determining the time when a Leviathan was introduced to the base after precise calculations, and he was also betting.

Soon, Levi Garrison discovered that all the Leviathans were looking at him. After all, after entering this base.

Leviathan couldn't find anyone else, those infinite machines were soon crushed by them.

Only Levi Garrison is alive!

They can only deal with him!

Levi Garrison looked helpless: "Look! You closed the door, this is the consequence! It's all against me!"

Levi Garrison was very depressed at first, but then he showed a deep smile.

"Before I was thinking about how to kill you quietly without revealing myself! I didn't have a chance for a long time, but now..."

Levi Garrison smiled even more.

This kind of opportunity came by itself?

They all came to a place isolated from the world?

No one from the outside world knows what you are doing here.

Even the Lab of the Gods would not know.

This is easy to judge.

If the Lab of the Gods can continue to control Leviathan, they will not be caught and trapped here.

Therefore, Levi Garrison must have lost contact with Leviathan!

Never know the situation here!

Even if I kill them all, no one knows.

The Leviathans began to stare at Levi Garrison angrily, trying to tear him apart.

“court death!!!”

Levi Garrison didn't say anything, he pulled out the “Divine Tribulation” directly!

“You are the lackeys of the Lab of the Gods! Let's take your surgery first!”

“Buzzing...”

Shenjie trembled crazily, as if screaming excitedly.

“Rumble...”

Divine Tribulation exudes a surging weather, covering the entire base.

That is the coercion that opens up the world!

Directly suppressed all the Leviathans in front of you!

They have never felt such a strong presence!

This is the first time!

Unbelievably powerful!

All the Leviathans froze in place.

Although they are manipulated, they are also intelligent creatures with their own consciousness.

Now that the instructions of the Lab of the Gods have been “completed”, they will judge affairs through their own consciousness.

Now Levi Garrison made them feel the danger!

“kill!”

Levi Garrison’s sacrifice!

This is the divine catastrophe he prepared for the laboratory of the gods!

Simply unmatched.

“Shit!”

Divine Tribulation shoots out like a missile.

“boom!”

Directly penetrate the front Leviathan through the middle!

First, the film, then the body, no matter what material, no matter what blood gene...

Will not work!

It can't stop the sharpness of Divine Tribulation!

It is as soft as a piece of tofu when it meets the sharp edge of the gods, and it can be easily cut!

Can't stop it at all!

It is no longer like all the attacks encountered before, it can only damage the epidermis, not Leviathan's real body.

We can only rely on everyone to accumulate and continue to chisel...

But this time Leviathan encountered a divine calamity!

Divine Tribulation is not afraid of any defense, it just splits when encountered!

Soon, Divine Tribulation penetrated Leviathan's thick body with a sword penetrated.

“哧!”

Under the power of the divine calamity, Leviathan's energy core was shattered!

“Wow!”

Leviathan let out a roar and fell to the ground with a thud.

But this is the beginning.

The sword aura of Divine Tribulation began to wreak havoc on its body.

“哧!”

“哧!”

...

Its huge body began to burst into pieces, falling apart, and instantly turning into powder...

The energy core has been destroyed again and cannot be recovered at all!

A Leviathan is dead!

...

“Shit!”

Divine Tribulation did not stop, and then penetrated the second Leviathan!

“Shit!”

The third Leviathan was cut through the middle by the gods.

The body next to it is divided into two!

“Shit!”

The fourth Leviathan had no reaction at all, and the divine calamity penetrated from the body.

...
