

# The Return of the God of War [The Protector] Chapter 2891

Judging from the fact that they are calm now, they are mostly so.

Maybe they are so powerful that they don't need to be inserted during the battle between the Lab of the Gods and the Allied Forces.

With great strength, it is absolutely unnecessary.

Because there is no fear at all!

Agent Black Hawk is now glad that Levi Garrison's true strength has not been revealed.

Otherwise, he might be dead.

This will be his life-saving bargaining chip in the future...

The water behind the Eagle Nation was deeper than he had imagined!

But because of his profession and curiosity, he wanted to check it out.

...

On the other side of the battlefield.

The coalition forces have been beaten to retreat and suffered extremely heavy losses.

Ye Qingtian and the others were all injured.

But fortunately, they have miraculous potions and various recovery methods that delay or heal everyone's injuries.

The same is true for the Siberian Star.

Every member inside has a sacred stone, which is the source of their strength and energy. At this moment, the sacred stone is also repairing their injuries.

The guards of the gods in Jerusalem are also recovering with their secret arts.

...

Soon, these super powers of the coalition army recovered one by one.

As long as they don't die, they will soon be healed.

Can continue to maintain combat effectiveness.

Under the blessings of various advanced weapons and armors from all sides.

The coalition forces are tenacious again!!!

One by one, the powerhouses began to attack the kingdom of God ahead.

Mr. X smiled contemptuously: "It's very tenacious! If that's the case, then kill them all!"

The powerhouses of the Kingdom of God started killing.
