

The Return of the God of War [The Protector] Chapter 2895

Tell the kingdom of God your unyielding will!

Face them!

I will not kneel down!

I will stand up!

Face them face to face!

He and "God" are equal!

angry!

Shame!

Angry!

This is an insult to the majesty of God!

Taunting them fiercely!

It seemed that Ye Zhantian stood up alone, but in fact thousands of people stood up.

They don't even treat their kingdom of God as the same thing!

What a shame!

"Don't let him get up!!!"

Mr. X shouted.

The power of a strong man is pressing on Ye Zhantian's body, to crush him.

But Ye Zhantian desperately managed to withstand all the pressure.

It's just that the cracks on his body are getting bigger and bigger!

"Kneel! Kneel me down!"

Mr. X is also crazy.

Constant pressure!

Let Ye Zhantian kneel down in front of him!

"impossible!!!"

"what!!!"

Ye Zhantian roared in a rage, he really stood up.

No fear of any “god” coercion!

Look dumb!

Everyone looked at him incredulously.

The kingdom of God is also silent...

This is an extreme insult to them!

Everyone can't hold back their face.

God Sh*t!

“Boom boom...”

But in the next second, Ye Zhantian's body exploded.

A little bit burst...

Although he stood up.

But he has endured several times, even dozens of times the strength of his body!

I have already surpassed the greatest limit!

It is completely supported by willpower!

Now that the limit is exceeded, the body explodes naturally!

“Zhantian!!!”

Ye Qingtian and others shouted hysterically.

Thousands of allied troops behind him also cried!

Ye Zhantian set a good example for everyone!

I would rather die than succumb to others!

I would rather die than despise God at the sky!

At this moment, everyone was not so scared, and even said they were not scared anymore.
