

# The Return of the God of War [The Protector] Chapter 2901

The strongest among them, can't even deal with a little girl?

This makes people laugh out loud!

shame!

What a shame! ! !

Mr. X was angry and shy at first.

But then he frowned and his expression became serious.

"This, this..."

Seeing Levilia using natural elements and superpowers are completely different.

Levilia's current practice is like transporting things with Qi (natural elements)...

this!

Boom!

What did Mr. X think of? This seems to be the method of practicing Qi in the pre-Qin Dynasty in Daxia legend-the technique of Qi training!

Is she...

A terrible thought popped into my mind-Did Levi Garrison's daughter follow the legendary Summoner?

You must know that the legendary Summon Division is a pre-Qin qi-trainer...

This is the end of my thoughts.

Mr. X was startled in a cold sweat.

Putting this aside, it is impossible to explain how strong Levilia is.

Even if he is against Shang Levilia, he can't grasp it in a short time.

The daughters of ordinary humans are the same as their gods?

Do not!

In their view, Daxia two types of existence are also gods!

That's why I'm afraid!

Mr. X immediately sent this shocking message back to the chief priest.

Waiting for the decision of the main priest.

This time the main gods returned quickly.

The command is simple-capture this kid!

Because it's not sure whether.

therefore.

Let's take down Levilia first.

But Mr. X was embarrassed looking at the situation in front of him, and Superman and Levilia were basically evenly matched.

It is impossible for a single player to win Levilia.

Unless at least two people!

But in this situation, if two people are dispatched.

That detracts from the majesty of their gods!

But soon, he thought of a way.

"Give me a full offense!!!"

He no longer asked other people to stop, but let the army of the Kingdom of God fully attack.

Thus.

Taking advantage of the chaos, they can target Levilia.

soon.

The army of the Kingdom of God fully attacked.

Fight with the coalition masters...

The two sides are extremely confused.

At this time.

Mr. X immediately joined the battle group and confronted Levilia with Superman.

Three more "gods" of almost the same level as Mr. X joined.

Siege Levilia together.

Now the situation is in chaos.

Where can anyone care about how much they bully the less...

Under the siege of five strong men from Mr. X.

Soon Levilia was in danger...
