

Pure Girl 101

Episode 101

As punishment, Yu Ao Tian is asking Yao Yao to perform the "usual" things that lover should do after he asked his men left the living room.

After some times...

"Yao Yao?"

This voice belongs to...

She stopped; her eyes moisten, holding her tears to fall down. She does not dare to turn her back to see the person, she not dare to confirm if the person is...Xia Ren Liang.

"Bao Bei, why are you stopping? Don't you want to show off to your suitor how good your lascivious skills?"

Why? Why Yu Ao Tian must act like this? The anger filled Yao Yao eyes, when she wanted to raise her head, Yu Ao Tian pressed hard down her head.

"Uh." She not even have chance to say anything.

"You are Yao Yao's colleagues, right?" Yu Ao Tian is smiling devilishly to the dumbstruck man. That man is Xia Ren Liang.

"CEO Yu, you and Yao Yao..."

"Oh? It seems that Yao Yao hasn't told you that she is my lover, this matter?"

Paused, Xia Ren Liang felt his eyes numb; he never thought that naïve and innocent girl like Yao Yao could be Yu Ao Tian's lover!

"CEO Yu, did you asking people to kidnap me only to let me see this thing? Or do you want to tell me, the girl that I pursue is belong to whom, that girl? If this is what you mean, perhaps you are doing more than it required (superfluous). I am Xia Ren Liang once I fall in love with one person, it won't be easy for me to change."

Seeing the firm and stubborn Xia Ren Liang statement, Yao Yao could feel her body shaking, cannot! Cannot! Xia Ren Liang, you shall not speak that way to Yu Ao Tian, he can kill you!

"Ha Ha, this brat, your feeling toward my girl is quite deep ah. I really wonder how your father will react when he heard what you say."

"What is the connection with my father?" Xia Ren Liang not understood so he asked.

Yu Ao Tian eyes flashed, but he not answered Xia Ren Liang question immediately, slowly his eyes swept on Yao Yao: "Bao Bei, you see, how big your charm, both of father and son fell for you, what should we do?"

What did Yu Ao Tian meant? What father and son? Xia Ren Liang? Xia Ren Liang's father? Is he...

"Yu Ao Tian, what did you mean?"

"En? It seems that Yao Yao hasn't told you about your father, Xia Yu who also asked her to be his lover."

After Yu Ao Tian said, at sudden Yao Yao expression is turned white pale.

Seeing Xia Ren Liang eyes which showed that he not believed: "I, my father looking... looking Yao Yao as lover?" perhaps everything just too sudden for Xia Ren Liang so that he looked blockhead.

"Aiya, both of father and son really have same taste. If said that both of you are not father and son, I am not dare not to believe. Is it? Bao Bei?"

She is patiently to endure all the humiliation that gave by Yu Ao Tian.

Then, Yao Yao hurried to bathroom, at the time she feels Xia Ren Liang has gained himself, her face has wet with her tears...

"I am so sorry, Xia Ren Liang, thank you that you are always believed on me and also taking care of me. I am sorry, I am sorry..."

And then, Yao Yao not paid attention when her tears falling down, Xia Ren Liang eyes also has already wet.

"Send off Young Master Xia."

"Yes."

After Xia Ren Liang has left with the men in black suit from the villa, Yu Ao Tian slowly pick up his mobile phone: "General Manager Feng."

"CEO Yu. What's matter?"

"Ha Ha, last night the thing that I promised you... I want to change the plan!"

Feng Chen Yi who is in another phone call frowned, another seconds, he coldly laughed: "CEO Yu, if you think that I can't do the thing perfectly, perhaps you can do it by yourself. But, killing someone with other people knife is more convenient, don't you should be happy?"

Feng Chen Yi understood the way of Yu Ao Tian settle things, when Yu Ao Tian said that he did not want that piece of land as exchanged for Xia Yu work collaboration but directly given to him, that moment he had guessed that Yu Ao Tian is using him to cut Xia Yu into pieces."

"Chen Yi, more I know you more I realized that I have huge expectation to be your best friend." When Yu Ao Tian said this, he is extremely excited, he loves this kind strong opponent like Feng Chen Yi lots!

"Ha Ha, thank you for the compliment. It seems this time I must work harder in order to do your part too. In order to taking care that Xia Yu."

"Well then, I trouble you..."

When Yu Ao Tian hung his phone called, Yao Yao has rushed back from the bathroom, her eyes is moisten with tears, angrily: "Yu Ao Tian! Why you must act like this? I always remember my status as your lover every time, but why must you using this kind of way?"

"Bao Bei, perhaps you have misunderstood something, this matter does not have any relationship with you."

"So why did you..." Xia Ren Liang, he was warning Xia Ren Liang, wasn't he?

"But, I don't have anything with him!"

"Hah, don't tell me that you heard nothing what did he said before? If I don't lend my hand, Bao Bei, later the person who hurt must be you!"

"CEO Yu, did you asking people to kidnap me only to let me see this things? Or do you want to tell me, the girl that I pursue is belong to whom, that girl? If this you mean, perhaps you are doing more than it required (superfluous). I am Xia Ren Liang once I fall in love with one person, it won't be easy for me to change."

If this matter didn't bring up to surface, Xia Ren Liang must say this to herself, afraid what could she do when that time comes?"

Will she politely to refuse him or directly telling him that she is actually Yu Ao Tian's lover? If waiting to that day comes, perhaps the person who hurt most must be him?

"I understood what you mean. Sorry..." her emotions has not fully recovered, although she understood Yu Ao Tian intentions, but.

.. he solves it too extreme, she unable to ward off.

"Bao Bei, I really am happy because slowly you have accepted your status as lover, if later someone alike Xia Ren Liang appeared, I might... not simply to let the person knows this thing, understood?" His pair of black eyes gleaming coldly, he spoke so softly no rush but possesses deterrence, whoever heard it must already have big picture about what terrifying things would happen for "the next".

"Under... understood."

"Very good. Since today you move and stay with me."

Staying with him? "No, I stay there quite good, cannot..." when her eyes meet Yu Ao Tian's eyes, her heart shaken, "I, I understand. But if, if Li Mei Yun comes what should I do?"

"Ha, Bao Bei, you are really like to think about other." But who would think about her? "I have another place with Li Mei Yun, normally she would not staying here with me, if you have objection, when she comes here... you just act as my maid."

Maid? It is also good. Yao Yao immediately nodding her head: "Okay."

"Pa, Pa" Yu Ao Tian clasped his hand, all the people who is leaving the living is returned one by one: "Angel, ask someone to help her tour this house."

"Yes, Master." The girl who called Angel looked alike in her twenties, she has very beautiful face shape, she really has extremely hot sexy body shape inside her maid-uniform, especially her slender fingers: "Yang Liu, you go with Miss Luo."

"Yes, Housekeeper Angel."

Unconsciously Yao Yao took a glance from her beside, she realized that all of the maids in this house are having beautiful faces and also young, does here is...Yu Ao Tian's harem?"

"Miss Luo, this is the Master room, in the future you are sleeping in here."

She is looking around, it is really splendid and glamorous room, it looked so warm with the romantic European-style double bed, perhaps this is one of the most beautiful rooms she ever seen in her life, but...

"Yang, Miss Yang."

"Ha Ha, Miss Luo you are too courteous, you can call me Yang Liu." This girl has very warm and has soft voice, she also has a pair of big puppy eyes.

"Yang Liu, you can call me Yao Yao. I want to ask you, is there any other room? I want to sleep at another place."

"Yao Yao, aren't you Master's lover? Sleeping with Master is something so normal."

"Ugh..." how can she know? But no wonder, it perhaps because just now incident, even the idiot might find out. She awkwardly laughed, lowering her head a little.

Yang Liu seems to realize that she had hurt Yao Yao, hurriedly she said: "You don't think too much, I don't mean anything. Even I have been only working here for a few months, I had met so many girls that come here to find Master, most of them are trying to climb into Master's bed, including some of the maids who are working inside this house also have this kind of thought.

But you are the first person who is especially brought by Master to here, so this must be a kind of honor."

"What? Ha, perhaps. It cannot be denied there are many aspects and quality in Yu Ao Tian which able to attract women and fulfill every woman's dream. But for her, this is not an honor.

"Yao Yao, if you really does not want to accompany Master, I can tell you that, Master only stays here for three or four days every week."

"Ah?" it lit her expectation; she happily pulled Yang Liu's hand: "Is it true?"

"En, Master will always goes to Miss Li's place every week, so that..."

Ha, it right, there still Li Mei Yun, Yu Ao Tian still needs to accompany Li Mei Yun, this is too good, so this way she won't have any trouble staying in here. "Thank you Yang Liu for let me know."

"Ha Ha, you are really weird ones, everyone is obviously wanted to have little longer time with Master, but you... besides that you are not even care and bother when Master spend time with Li Mei Yun."

Cih, Yang Liu does not know her special relationship with Yu Ao Tian. Actually if she knows, she might think that Yao Yao climbed Yu Ao Tian's bed because of money, other than that there still many complicated relationship which not shows up in surface.

"This is Master's study room, Yao Yao, you should remember, no matter what happen you are not allowed to enter the room." Said Yang Liu by pointing at the room's door, she seriously said.

"Why?"

"I also don't know. Perhaps Master hates woman to participate in his business. Of course, Miss Mo is exception."

Is Mo Xue Tong? Last time she heard Long Qi ever mentioned about few of their relationship, the relationship that cannot be replaced by anything. Believe that Mo Xue Tong has an important place in Yu Ao Tian's eyes.

After Yang Liu brought her touring the house, Yao Yao has familiarized herself with the villa environment and the rooms. When she back to living room again, Yu Ao Tian has already left, moreover he won't be coming during the night. This is merely big good news for her!

The brand new week is coming, early in the morning Yao Yao has arrived in the office and stupidly standing in front of the Finance Department but not get in.

"Xiao Luo, we are almost in work hour, why are you stupidly standing outside?" the colleagues who passing her said with strange eyesight.

"Ah? I just want to take fresh air, refresh myself for moment, only a moment and then..." actually she is trying to {avoid first day lunar year but cannot avoid 15th day of lunar year} (cannot escape or unavoidable things), but after the yesterday incident she really does not know how to face Xia Ren Liang.

**

"Xiao Luo, why Xiao Xia not coming?"

"Ah? I, I don't know."

"Speak honestly, last Saturday both of you were together, Monday he is not coming, what was happen, confess!" few of the gossipers colleagues curiously asking.

She frowned, does not know how to explain to them. During this time...

"Everyone! I have something to announce." Sun Li walking to in front of people: "Today I got news that Xiao Xia resign, later Ai Mi Li will take Xiao Xia position."

"What? Xiao Xia resigns? Why he resign when everything is okay? Is it..."

"Hey, Xiao Luo, didn't it because he had confessed to you but got rejection so that... he resigned?" some of the colleagues surrounded are guessing.

Yao Yao acted as if she not heard whatever they said and immersed on her own world, not to mention about Xia Ren Liang whether he is second generation of rich people or not, but even if he really a simple man, experiencing that kind of situation he perhaps resign, did she the reason he lost his job? Actually the person who must resign is her.

For the entire afternoon the situation was so tense, until the lunch time.

"Yao Yao, what happen to you? You look sick, do you have trouble with your job, just tell me okay?" Bai Ling anxiously asked her.

Yao Yao helplessly shook her head: "If it is work matters, I must feel much better."

"Does it..."

"Hey, you guys watch in the television, is that person Xiao Xia?" said someone not far from them. Yao Yao and Bai Ling followed to watch.

"Today the ranked four domestic enterprise, chairman of Lan Du group, Mr. Xia Yu officially makes press conference to announce the CEO position is handed over to his eldest son, Xia Ren Liang. As reported his eldest son had graduated from Harvard University, holding Master degree in Business Management, Financial Management, a multiple degrees whether it can lead Lan Du to higher level or not. Could he able to make Lan Du at same level with Feng Group or Berson Group? Next is the complete report...."

"Hey, Yao Yao, is he Xia Ren Liang who is always having lunch with us, a colleague that...in same department with you?" Bai Ling showed her surprised face asking her. Her mouth not even can close.

"En, it is him." Yao Yao helplessly nodded.

"Wo Kao (sounded like fucking damn)! Hiding second generation! If I knew earlier I should win his favor." Bai Ling is regretful.

Not only her, most of the females in Finance Department are regretful. If all of them know earlier that Xia Ren Liang is second generation, they will win his favor.

"Xiao Luo, Xiao Luo, I asked you, do you know that Xia Ren Liang is second generation, this matter?" her colleagues in Finance Department are excited asking her.

She awkwardly smiled: "I, I know it just now."

"Ah? On Saturday both of you were together, on Monday Xia Ren Liang suddenly resigned and took CEO position in Lan Du group, maybe..." when spoke half, some of the female colleagues secretly laughing.

"Stop it, you guys stopped to upset Xiao Luo, perhaps Xiao Luo... has already regretted by now? Hahahaha"

Regret? What should she regret for? Did they think Xia Ren Liang is trying to woo her and then because she ignore Xia Ren Liang and reject him, so that Xia Ren Liang angry and then he get back to his original identity?

Ha, they really have good imagination.

"Bai Ling, I feel full, I take my leave." At the moment when Yao Yao stood up, in front of her there is familiar figure that suddenly blocked her vision line: "Xia, Xia Ren Liang."

Thump thump thump

Her heart beat so fast, she really does not know with what kind of expression she must face Xia Ren Liang, she is avoiding his eyesight and lower her head.

"Aiya, Xiao Xia?" few of the females colleagues in Finance Department were stunned when spotted him, they paused, their eyes flashed, showing wicked smiles: "You guys make a guess, what kind of revenge Xiao Xia will pay to Xiao Luo?"

"He he he, so that Gao Shuai has already changed to be Gao Fu Shuai, if it was me, perhaps I will cry until my tears dry. Perhaps, Xiao Luo might have this kind of mood? Or else why must she look that nervous?"

"Yao Yao, I am apologizing to you. Actually last Saturday I wanted to tell you but that time I felt that I not suitable for you, so that I have decided to use this status to say to you..." Xia Ren Liang ignored all the eyesight of the surrounding, one of his hand in his pants pocket, with deep emotion he walking closer toward Yao Yao in front, slowly said: "I, love you."

Episode 102

In flashed, those people who are waiting for best part of show to come suddenly feel as if they are slapped. But Yao Yao knows this is the purposed of Xia Ren Liang.

He does not need to be... He does not need to be like this Xia Ren Liang, although all the colleagues are misunderstood their relationship, but if this words are heard by Yu Ao Tian, what would be the risk?

"Yao Yao, do you have time? I want to have chat with you." Xia Ren Liang whispered to hers ear.

Her heart is trembling, anxiously made a fist: "I am sorry, I... I don't..."

"CEO Xia."

Suddenly Yu Ao Tian voice heard, Yao Yao raise her head but immediately bow down. How can he be here, did he hear what Xia Ren Liang say?"

"CEO Yu." Everyone greet Yu Ao Tian on the moment they saw him.

"CEO Yu, Hello." Xia Ren Liang stretched his hand as the polite gesture.

"Ha Ha, today I watched the news, congratulation CEO Xia, finally you took the CEO position from your father." Yu Ao Tian politely shook Xia Ren Liang's hand.

"I should thank Berson "educated" me. I have worked in Berson for two years and I have learned so many things. Thank you to CEO Yu who had given me this opportunity. Others... I want to have chat with your "employee" privately, don't know will you... "Let her go"?"

Yu Ao Tian deep eyes swept into Yao Yao who is bow down, smiled: "I believe that my "employee" know the boundaries, so that, it is not something that I can decide. Not say anymore, I must go to my office room."

"CEO Yu takes your leave."

After Yu Ao Tian left, that intimidation atmosphere finally broke, his image had engraved so deep inside her heart. Something that called feared and shivering.

"Yao Yao, give me 5 minutes can you?"

"No..." at the moment Xia Ren Liang pleads to her, she helplessly nodded her head: "Fine." They also left the cafeteria...

"Yao Yao, regarding yesterday matter..."

"

"Could you not bring it up? Whatever Yu Ao Tian said was true, I am his woman."

"No! I believe on my own eyes, just now when we were in cafeteria...."

"Thank you, you helped me out from embarrassment."

"Ha Ha, Yao Yao you are mistaken, I was not helping you out from embarrassment but I was telling the truth. Indeed that was the thing I wanted to tell you regarding, although you are Yu Ao Tian's woman, even though you love him. But those things would not affect me or stopped me to love you. I will never give up, never!"

Xia Ren Liang stubbornness is something Yao Yao predicted, she thought this man might give up after he knew everything about her, he must hate her but thing isn't that simple.

This is so regrettable... she cannot give him anything, no matter her feeling or even one comfort word.

"Xia Ren Liang, did you resign because that matter?"

"No, it not that, my father's company suddenly have urgent problem, our company in crisis and also because of his sickness, so that I need to take CEO position in Lan Du group and help him to pass this crisis."

"Well, you must work hard."

"En, you too, I take my leave."

"Good bye."

"Good bye...Yao Yao..."

When parting, Xia Ren Liang wanted to give her hug, but she merciless refused, his eyes filled with confusion, he felt sentimental toward Yao Yao gesture. However...

Xia Ren Liang does not know this hug perhaps will give him ill-fated and also danger, her lover, Yu Ao Tian is someone dangerous and scary more than demon!

There is no guarantee whether both of them able to meet each other in the future, but knowing Xia Ren Liang for few days, he had given her unforgettable memory and support. This friendship, if there is a chance she will pay him back!

"I want to meet Yu Ao Tian! Why all of you not let me in?" suddenly there is woman voice that screaming from outside.

Yao Yao is slowly walking...

"Miss Luo." Angel who is standing in the front inner gate greets her politely.

The woman who is standing in front of the outer gate, emotionally looking at Yao Yao and grabbed on her, hysterical asked: "Who is she? Why can she enter Yu Ao Tian's villa deliberately?"

"Miss Zhao, this is..."

"I am a maid that employed by Mr. Yu." Angel word has cut, hurried Yao Yao made excuses for her own self. Her instinct tell her that, this woman is someone who has complicated relationship with Yu Ao Tian, she does not want to get dragged in their relationship.

"Are you Yu Ao Tian's maid?" that woman narrowed her eyes, but after she took good look of Yao Yao, she is not hesitate and then released her: "Humph, Yu Ao Tian won't change his taste so fast!"

Yao Yao hurried get into the villa.

"Yao Yao, are you okay?" Yang Liu concerned, asking her.

"It is okay."

For almost one hour, the woman is still making noise outside. But right after one hour later, the villa back to quiet.

Unknown the matter but she felt that the woman at outside looked so pity, if not because she loves Yu Ao Tian that deeply, would she really able to degrade herself to that point?

"Master."

"Master."

During the dinner time, Yu Ao Tian has already at home, hurried Yao Yao put down her bowl and chopstick: "Yu, Mr. Yu..."

"Ha, Bao Bei, you addressed as if we are stranger." His face does not have any expression, directly sitting: "Eat." Take the chopstick.

Yao Yao hurried opened her mouth: "I had spoken only five minutes with Xia Ren Liang, it was simple conversation, nothing important."

"Why are you telling me this?" he put one dish on Yao Yao's bowl: "Come and eat."

He..

., doesn't he have objection? Will he sink her again in the pool? She feels so anxious takes her chopstick...

"Ao Tian! I am Qing Kong, I know you are there, can you meet me?"

That woman again, didn't she have left? Lift her head up, she glanced at Yu Ao Tian expression.

As seen, he clasped his hand: "Angel, what happen at outside?"

"Replied to Master, that is Miss Zhao, today she has come one time, but I didn't let her in, but now she comes back again."

"Ask her to come in."

"Yes."

"Bao Bei..."

"I, I have done with my meal, I back to my room." Without waiting for Yu Ao Tian speaks, Yao Yao hurried leaving the dining room.

Ha, he really rare to meet such understandable girl. He satisfied smiling, slowly leaving the dining room.

"Ao Tian!" Zhao Qing Kong meets him, her tears streaming down and hurried rush toward him.

To unknown, she is stopped by Angel.

"You are only a maid, this is none of your business!" Zhao Qing Kong unhappy roared, she turned to look at Yu Ao Tian: "Ao Tian."

He sits down at sofa as if not seen anything, coldly said: "Zhao Qing Kong, why are you looking for me?"

"Ao Tian, I know that now we are not... but.." she gently touching her abdomen part, smiling: "I have pregnant your baby."

After she spoke, Yao Yao who just went to second floor suddenly stopped her footstep, secretly peek on living room from second floor, wanting to know what is happening....

Episode 103

"Abort it." Yu Ao Tian answered as if a knife that stabbed into Zhao Qing Kong's heart and also pierce into Yao Yao's.

How could he so calm when he said that? Inside that woman's stomach there is his baby!

"Ao Tian, what are you talking? Our baby is already four months, you see, you see." Zhao Qing Kong excitedly to take out the sonographic scans picture: "This is your baby, how can you be so heartless!"

Yu Ao Tian swept his glanced to that sonographic scans picture, his lip curled up, heartlessly he took that picture and stomped it to the floor: "Qing Kong, you must know very well our relationship, and also you know that I never wanted to have any baby from any woman, the most important is..." his deep eyes gleaming, one of his hand grabbed her jaw: "You are my enemy's daughter!"

"My father? Ao Tian, did my father die because of...you?"

Zhao Qing Kong? Does she is the daughter of CEO Zhao Zhi Cheng? Yao Yao heart is tightened, so the reason Yu Ao Tian killed Zhao Zhi Cheng not because business matter, but because both of them.... has grudged, did Yu Ao Tian really killed Zhao Zhi Cheng because of grudge?

"Didn't your elder brother tell you?" he loosens up his hand, he sneering.

When Zhao Qing Kong heard all of this, at sudden she is crying as river, kneeling in front of Yu Ao Tian: "Ao Tian, Ao Tian, I really don't know what the grudges you have with my father, but did all the things we spent together, all was fake?"

"Ha, do you think if you are not Zhao Zhi Cheng's daughter, I would like you?"

Thump!

This words as if bolt during clear sky that thundered to Zhao Qing Kong and made her dream turned into pieces: "You, did you together with me because... you wanted to revenge to my father? How could you like this... how could you, but inside my stomach is your baby... it is innocent!"

"No, this baby still has it value, at least it can accompany your father in hell." He clasped his hand.

At the moment, Angel has been moving toward, she pulled Zhao Qing Kong up from her kneeling position, only with one punch.

"No!"

The fresh blood is slowly dripping down. Zhao Qing Kong face has turned as white as paper touched her abdomen: "Why? Ao Tian, even though you hate my father, but this baby... it has your blood, Ao Tian..."

"Ha, if I really want baby I can have it from any other woman but why must I let my enemy's daughter to bear it? Since you are like kids so much, I will let you... to have no right become mother!" after said, his coldly said: "Angel, search someone to take out her ovum! So that, she will be lost her ability to pregnant."

"Yes.

"

"Ao Tian! No! Don't! Ao Tian!" inside that glamour and splendid villa, there is woman who begging but not get any replied except the coldness in that place.

At the first time she had decided to be with Yu Ao Tian, she had understood, though she still trying her luck to bear Yu Ao Tian's child, but this man is heartless, he even not let this child to born, moreover child from his enemy's daughter!

Stood up, at the moment when he lift up his head, he spotted Yao Yao who dumbstruck standing in second floor.

When she felt the cold, suddenly her pair of leg weakens, trying to move to her room.

What did she see, what did she hear? Why must she felt curious with Yu Ao Tian reaction when that woman said she pregnant? Now when she knew the answered, did she satisfy?

It scary... terrifying...

Little life suddenly vanished only by single words of Yu Ao Tian, because of him a normal woman suddenly losing her right to pregnant and be mother.

How could he be this heartless? How could he be this cold blood? Although she is his enemy's daughter, why must he be so heartless and merciless until this step?

She covered herself in quilt, Yao Yao is shivering all over her body, this kind of fear is coming from the bottom of her heart, human have blood, but she feels Yu Ao Tian is even scarier than before.

"Bao Bei."

She felt suffocating, hurried she used the quilt to cover her head: "I am sorry, I am so sorry, I, I am so tired, I want... to sleep. Can I?"

He knew that Little Thing must be so scare after she witness it, so that he had expected her to go to her room immediately before but still she seen it.

"Are you really tired? Bao Bei, I hate girl who tell lie."

Her body which is covered by quilt suddenly uncovered by Yu Ao Tian, she afraid to see at his eyes: "I... I.." her brain emptied, in her eyes she only sees a demon in front of her.

"Bao Bei, do you really scare of me?" Yu Ao Tian is kneeling in bed, slowly stretched his hand, when he touch Little Thing's body who is shivering and having cold sweat, finally he realized that Little Thing really shocked so much.

"I.

She still trembling but those tears that alike crystal bead streaming down, she even not understands what she said.

"Ha, do you really think that his daughter innocent? Why I think... all his family must be died!" when Yu Ao Tian said it, his eyes is flashing hatred, a kind of hate that had been penetrating into his bone.

She does not know what kind of hate that makes Yu Ao Tian able to kill someone moreover to kill the entire family?

"Besides that, I never asked his daughter to pregnant, it was her fault to secretly bear that baby, so that I gave her punishment to lose her right to be mother."

"But, but, but being pregnant isn't one person responsible. If you are not... if you are not, how could she pregnant?"

"Aiyo, Little Thing you are quite understood this kind of things.

Do you ever thought to... give it try by yourself?" he said devilishly.

Yao Yao almost frighten to death, she gathered her courage: "No, I don't want to try it."

"Hm, I see you are curious about my**, you must have think about it before, right? Rest assured, I will be so patience toward you, trying to satisfy you during the process." After said, Yu Ao Tian is lying in the bed besides Yao Yao while grabbed her body to his top.

"No, I don't want." She is panic.

At the moment, Yu Ao Tian frowned: "Bao Bei, you..."

"Ah?" she saw he showed awkward expression, Yao Yao dumbfounded: "What, What?"

Slowly he stands up, his eyes looked at Yao Yao, his hand touching...

"Ha Ha, Bao Bei, you... you don't pee on me!"

My God...

How could she pee?

Her face blushed red, faster she moved from Yu Ao Tian's body, she touched the body lower part, it really wet, and then she looking at the floor in her room, all is wet.

Did she really pee after she saw Yu Ao Tian treated that woman? Why she not even feel it before, so embarrassing!

Yao Yao hurried go to bathroom, when she standing in front of the wash basin, she glanced at Yu Ao Tian who also cleaning his pant: "You, you stop, I wash by myself."

Episode 104

"Although you don't want to wash yours, but at least you must wash mine "who wet" by you." Said Yu Ao Tian with helpless expression and looking at her.

"You, why don't you ask Angel to help you?"

"Aiya, Bao Bei, you are already 19 years old but still pee on your pant, it is more than embarrassed that I knew it, do you still want Angel and others know it too?"

Looking at Yu Ao Tian's devil face, Yao Yao face even blushing, she felt so sad but wipe dry her tears and turned: "Who should be blame? If not you who did that kind of thing, would I be scared to this point?" her eyes sharply looked into Yu Ao Tian who is laughing her, she made fist with her hand, shouted: "You mother fuck what are you laughing for?"

He stopped, his face dark looked at Yao Yao: "Little Thing, what did you say? I not hear you, can you say it once again?"

At the moment, Yao Yao felt that she has said something that she mustn't say: "I, I did not say anything."

"Uh." Yu Ao Tian helplessly shaking his head, although he hates to hear Little Thing speaking dirty words, but now at least she has already back to her own self, not that scared him, this is more than enough.

"Yu Ao Tian."

"En?"

"Zhao Zhi Chen... actually what grudge... did both of you had?"

When he heard Yao Yao questioned, Yu Ao Tian face expression changed: "You will know latter!" yeah, later...

Yu Ao Tian backs to his teasing mode, he walked closer to Yao Yao: "Little Thing, do you want to take bath with me?"

Finally Yu Ao Tian and Yao Yao are taking bath together and then both of them sleeping at one bed. Before go to bed, Yu Ao Tian stripped himself left with his boxer with him. Yao Yao panic, asking him why he must almost naked when both of them are going to sleep.

Yu Ao Tian said that is his habit.

Later in the middle at night...

"Yu...Yu Ao Tian! Yu Ao Tian! Yu Ao Tian!"

"What?" He really hates it because not easy for him to fall asleep. "Do you want to have night chat?"

"No, not that. I am sorry, I am sorry to wake you up. I just wanted to know whether Angel and others have sleep or not?"

This Little Thing perhaps has sickness.

"How a hell I know whether they sleep or not?"

"That.. That... do you know where they put tampon (Sanitary napkin)?"

He is not abnormal or weirdo why must he knows where those women put that thing?

"Little Thing, aren't you?" suddenly he fully wakes up, Yu Ao Tian furrowed his brow, hurried he turned on the room light, at the moment sees the quilt...

"Damn!" when he saw that snow white quilt has red trace.

"I am sorry, it comes earlier, so that I .

..." She looked alike helpless little lamb and speechless.

He cannot do anything except shaking his head: "What to do?"

"I, I am not dare to move... you go, can you go to Angel's place to borrow few?"

Borrow? Uh, he is Yu Ao Tian, how can he borrow that thing from woman? How can be shameless he is, so that he should borrow that thing?

"You wait for me, I will go to buy it for you." After he said, he is helplessly to wear his clothes, engine his car and go to the nearest minimart...

"Sir, total is 59 Yuan." Inside the minimart, the storekeeper is passionately smiling at him.

He touched his pocket, but on half way, he finally realized that he does not bring his wallet. Because his wallet is in his others clothes. Damn, this is so troublesome.

"I'm sorry Miss, I forget to bring my money, later..."

"CEO Yu."

Familiar voice, he turned to see: "Chen Yi."

"Coincide." Feng Chen Yi is walking to in front of him, and then his eyes are glancing at the thing in cashier: "You...hahaha." He is awkwardly laughing at him.

"Just in time, Chen Yi, I forget to bring my money, perhaps I need to trouble you and borrow little bit."

"It is okay, CEO Yu, I helped you to pay. You may go first."

When he arrived at the villa, he tossed the thing that he bought to Yao Yao.

She takes look...

"This, this... isn't sanitary napkin! This is not the one I want to use!"

"Little Thing, you try to shout at me!" He really does not know how to choose the sanitary napkin. The problem is... inside the minimart there were lot of people, after he took one of the sanitary napkin and went to cashier to settle the payment it was so embarrassing already! The most important part was.... It was his first time in his life time to borrow money, if Feng Chen Yi saw he bought sanitary napkin later with what face he must talk business with him in the future, since his face has lost.

"You try to use it, later you just looking for Angel to help you."

"But, but... ah~ fine.

Thank...you." Mumbling for some times, Yao Yao finally went to Yang Liu to borrow the sanitary napkin.

It had exhausted him, both of them have changed to another new room. This time Yu Ao Tian is smarter, he gave Yao Yao another different room so both of them sleep separately. He just afraid if this Little Thing would troublesome him again, he really afraid to lose control, have bad mood and suddenly straggle her to death...

Yao Yao who is having single room, she dumfounded looking at the room's ceiling, she feels that... tonight Yu Ao Tian not really that scary.

Washing the clothes, buying the stuff, moreover the time when both of them still in apartment, he had made her meal. This man really knows to do many things while he is little bit different from Yu Ao Tian in her imagine.

No! It is indeed another side of him, he just...

Unknown he is heartless, cold blood which can be appeared every time, his demonic-self too dangerous. No one knows when the thoughtful and considerate self of him gone, anyway, be with this man should not use too much feeling because no one knows when the days someone... unconsciously die in his hands!

Xia Ren Liang is hidden second generation; this news had spread entire company only in half hour, now many people are concerned about their relationship progressed.

"Ha Ha." Yao Yao awkwardly smiled, she tried to avoid the topic: "We, we..."

"Hey, faster watch the Television!" suddenly someone said, pointed at the Television which reported about Lan Du Group. "Make it louder!"

"That's right it is creditability crisis, very serious. To know that Lan Du Group progress until today because they are relying on creditability and trust."

All the colleagues are talking about this matters, suddenly Yao Yao remembered what Xia Ren Liang told her yesterday, did he accept this position because of this matter?

"Oh yeah, who is the representative from Feng Group?"

"It seems their General Manager Feng Chen Yi."

"Uh, This time Lan Du Group must be doom. The General Manager of Feng Group is well-known as perfectionist, it afraid that, this time Lan Du Group perhaps really go bankrupt."

So the person who responsible for this project is Feng Chen Yi, how could it be so coincided?

Yao Yao who felt so curious, browsing internet to search all the information regarding Lan Du Group matters, from the track record of Lan Du Group previous business it could be say that Lan Du Group is one of company which has high and strongest creditability, and also because of this, Lan Du Group within this ten years progressing as one of the best three companies which has high creditability in China. Yao Yao who has not much work during the afternoon suddenly busy to focus on everything about Lan Du Group and also busying herself to search all the information.

"Xiao Luo, Xiao Luo."

"Ah? Supervisor Sun, what can I help you?" she closed the internet and faster walking in front of Sun Li's desk.

"You hand over this document to General Manager Feng's assistant."

She took the document from Sun Li, dumbfounded: "General Manager Feng? Is he... General Manager from Feng Group?"

"Yes, that is him, go!"

Oh My, why must she go there, but still better because it just hand over to his assistant, if directly hand over to him, beat her until death, she really does not want to go.

She goes by Taxi to Feng Group, she straightly goes to the General Manager's office,

The assistant of Feng Chen Yi...

Feng Chen Yi's assistant, but where is his assistant office?

Helplessly, she asked the help of Feng Chen Yi's secretary: "Miss Lisa, Hello."

"You..

. are Miss Luo! Are you looking for General Manager Feng? Faster get inside, General Manager is in his office." After said, Lisa is rushing to open Feng Chen Yi's office room door.

She hurried to explain: "No. No, Miss Lisa, I, I come to find General Manager's assistant."

"Ah? Are you looking for Veblen?"

"Yes, that is him. I come here as Berson Group representative to hand over document to Veblen."

"Oh, so that is. Veblen isn't in his office, you give the document to me. Later when he back I will give it to him."

"En, alright, thank you." Yao Yao is so happy and gave the document to Lisa.

Just now when she opened her drawer wanted to put the document inside, another document fell down from her desk. "Oh my bad!"

"Miss Lisa let me help you."

"No need Miss Luo, how can I let you do." To be uncertain whether this little girl in front of her will be the future wife of Feng's group, how can Lisa dare to trouble this important person to pick up her stuffs."

"It is okay." Yao Yao passionately, she bent her body and picking up the papers, suddenly...

She spotted a photo, "This is.

.." she picked it up, it is the photo where she had dinner with Xia Yu.

"Ah? Miss Luo, this...this..." Lisa panic took the photo, awkwardly smiled: "Thank, Thank you. If you don't have anything, please go back, go back."

How could Lisa have her photo with Xia Yu?

No, this wasn't doing by Lisa, but...

"Miss Lisa, I want to meet Feng Chen Yi!"

"Hah?" Lisa knew something big would happen after seeing Yao Yao expression: "Please... please wait for moment."

Hurried she goes into General Manager office room and explained everything to Feng Chen Yi and then she takes Yao Yao to meet Feng Chen Yi.

"General Manager Feng, Miss Luo, both of you have chat, I.

.. I take my leave."

At the moment Lisa leaving and closed the door, Yao Yao expression has changed, she rushing to stand in front of Feng Chen Yi's desk: "Feng Chen Yi, what do you think, asking someone to stalk me?"

After he heard what Yao Yao question, Feng Chen Yi looks so calm and relax, leaning to his chair, smiled: "My beloved Yao Yao, you really so impulsive every times you meet me."

"Feng Chen Yi, I don't have time to talk bullshit with you. I want the answer, why you ask people to stalk on me?"

"You are not telling me about the man, of course I must go check by myself."

"You go check on yourself?" what he meant...

Did he think that she has relationship with Xia Yu? "So this is your reason suddenly you have work collaboration with Lan Du Group?"

After searching for the entire afternoon, actually Yao Yao knew that Feng Group never had work collaboration with Lan Du Group before, moreover the representative and the one who responsible for the project is Feng Chen Yi, this even makes her more curious, there is no reason for Feng Chen Yi to have work collaboration with Lan Du Group, but after she saw the photo on Lisa's place, she understood.

Feng Chen Yi says nothing but smiling.

She made fist with her hand: "Feng Chen Yi, if you are really because of that photo troubled Lan Du Group, I can tell you that I only had simple dinner with Xia Yu, and that only one time!"

"So what?"

"Do you think it necessary because of a photograph you put so much effort throughout the company to deal with other people's company?"

"Ha, Yao Yao, you are wrong." Feng Chen Yi stood up, his hand pinched at her jaw, coldly said: "It not only because that one time meal so that I want to deal with him..."

Looking at that pair of cold eyes, Yao Yao furrowed: "so, so what is the matter?"

"You remember." Whispered on her ear: "As long there is man who get in touch with you, I will attack (deal) with them!" his voice have chills vibe, after he said, he bites gently her ear..

Episode 106

Yao Yao pushed Feng Chen Yi away, "Feng Chen Yi, you are so bossy, now we don't have any relation. It is my freedom to whoever I am with now!"

"Well let me tell you. Whoever am I deal with, it also...my freedom!" Feng Chen Yi sat back to his seat.

She looked at that man who standing just now in front her carefully. She can't help herself to recall all good memories during the time they were still together. That time, this man also this bossy and domineering, very arrogant, in order to eradicate his opponent he can fight with all cost, she never thought that after two years his bossy and domineering characters even worst!

"I hate you... Feng Chen Yi... I hate you. I realized that I hate you more and more! Don't you realize that your bossy-self, unreasonable excuses can cost for other people's life? If not because last time you made me stay at your home..."

Shut up! I can't say it, cannot say it. Yao Yao suddenly closed her mouth tightly.

But Feng Chen Yi has already sensed something fishy, his eyes gleaming coldly: "So what if I made you to stay at my home?" standing up, he faster walking toward Yao Yao: "That man hit you again? Did he?"

If he really did hit her, perhaps it much... better.

Until now she really not dares to tell about that day if she really had something with Feng Chen Yi, what would happen to her grandpa and mother. "No! He didn't hit me! He just angry, I just don't want to make him angry! At least I don't want to make him angry because of you!"

"You!" Feng Chen Yi hand suddenly grabbed Yao Yao's neck, but at next moment, he laughed coldly, slowly loosen up his hand from her neck: "Aiya, I feel little bit disappointed, I thought...after went through that night that man might come to find his meal!"

Feng Chen Yi... what are you talking about? Did you catch me because you were waiting for Yu Ao Tian?

"Feng Chen Yi, you are really rotten bastard!" her eyes showed how disappointed she is, she laughed ironically: "Fine, you want to see how I get hurt, right? Let me tell you that, whatever you did and will do to Lan Du Group, it won't hurt me. Good! Bye!" after she said, she left.

After heard so much noise "Bump bamp", Lisa who sat outside the General Manager room shook her head: "Doom, it seems that General Manager Feng mood will be terrible bad today, perhaps not long after this, he might come to vent his anger to me."

Yao Yao who run out from the General Manager room, standing in front of the elevator with no expression.

It is so obvious both of them had already broke up, he was the person who ruin everything, but why since the beginning until now, as if all was her fault, as if she owed him so much?

Two years ago should she keep silent when he was cheating, and then waiting him to dump her so that things would not as complicated as now? Ah, Feng Chen Yi why are you so bossy?

"Back to my side... Yao Yao back to my side..." because Feng Chen Yi few words she has got headache for long time, but now after she rethink, he able to say something like that perhaps he just displeased and wanted to revenge on her because two years ago she dumped him?

"Ding"

The elevator stopped, when she entering the elevator...

One of the persons who standing inside the elevator, catch her eyesight, is he? Feng Chen Yi elder brother's Feng Chen Rui.

It so obvious, Feng Chen Rui also recognized Yao Yao: "It's you."

"Ha. Hello." Awkwardly she smiled and get into the elevator.

"Are you coming to find my little brother?"

"No, I didn't come to meet him. I came to hand over document."

"Oh, so that it. How can you know my little brother?"

How can I know him? Didn't he say that she is the person who climbing into his younger brother's bed, but why now he talking as if she is introducing "properly" (alike family meeting) herself to his family?

"Just like how General Manger Feng said before."

"En?" Feng Chen Rui eyes flashed: "Ha ha, other woman might explain something, but you are quite straight forward. Aiya, my little brother is kind of that person, there are many rumors about him outside, if you are really like my little brother, I can help you."

Feng Chen Yi elder brother... why he is so enthusiast? Yao Yao dumbfounded for moment and forcing herself to give stiff-smile: "Thank you for your good intention, but I don't need it."

"Don't you want to be with Feng Chen Yi?"

Don't want! There is no slightest in my mind to be with him!

"Now... I don't want."

Why? Yao Yao thought that Feng Chen Rui kind odds, although he is Feng Chen Yi elder brother, there is no necessary for him to get involved into his younger brother private life, right? Moreover, doesn't he feel his attitude too offhand, speaking to slutty girl? Normally as elder brother he must advice his younger brother to stay away from slutty girl?

"I, I don't deserved man like General Manager Feng."

"Ding"

"The elevator is opened. I take my leave."

Looking at Yao Yao who hurried leaving, Feng Chen Rui laughed: "Interesting, she protect that brat, Feng Chen Yi to this far."

"CEO Feng, who is that girl?" at his side is his personal assistant who is asking.

"Ha, She is Feng Chen Yi's woman. Help me to check on her, I feel that she can be used by us!"

**

"Nan Lu! Nan Lu!" Directly go back to the villa after work, Yao Yao did not even have her meal but already run inside her bedroom. On her way, she waved to Nan Lu.

"What happen, Yao Yao?"

"You help me do something, please guard the room for the moment, if Yu Ao Tian go home, you just knocking the door, can you?"

"Ah? Yao Yao, do you intend to betray Master..." Nan Lu showed shocking expression.

She hurried shook her head: "No, No, No, you are wrong. I just want to look for some books." You good little girl (negative), after went through last time incident how dare she does something that sorry to Yu Ao Tian, moreover she even still at his home.

"Uh, looking for book does not mean betray Master."

It true that reading the book is not betraying Yu Ao Tian, but the problem is...

the book that she wanted to read cannot know by Yu Ao Tian. "Nan Lu, you help me, is it okay?"

"Okay."

"Thank You." Excited she hugged Nan Lu, she hurried get into the room, she took few books and sat on the sofa.

About two hours...

"knock Knock Knock" there is knocking sound.

"Oh my, Yesterday Yu Ao Tian just came, why today he must come again, still thought that he perhaps would not come.

"Yao Yao immediately hide the book under the bed, she messed the quilt and hurried covered herself as if she just wake up.

Not long after that, the bedroom's door opened, Yu Ao Tian slowly walking inside the room: "Bao Bei, why you sleep so early?"

"En?" she pretending as if she just wake up from her sleep, gently rubbing her eyes: "You, are you back? My stomach little bit hurt, so I want to lie down, just unknowing I fell asleep."

"I heard Angel said that you haven't had your dinner, does it really that hurt?" Yu Ao Tian walked to the bed side, he puts his hand under the quilt.

Yao Yao little bit surprised: "You, what you want to do?"

He helplessly shook his head, he sat on the bed. He pulled her into his embraces and put his hands inside her clothes to her abdomen area...

"Don't, I still having that." She nervously said.

Yu Ao Tian just smiling without saying anything, he inserted his warm hand, gently he caressed: "This way, do you feel better by lit bit?"

So that he wanted...

She becomes little bit relax, she can feel his warm big hand in her abdomen area, at that moment suddenly her heart fill with little bit warmness.

Just that moment, she really not afraid of Yu Ao Tian, this is first time for the man strangely gives her feeling to depend on. But she also knows that, this man also has mood swing...

"Thank You, Thank You. I, I feel much better."

"Aiya, I just realized that I might God doctor, I have gently stroked your stomach and then you have felt better." He smiled and lowered his head and kissed her lips.

"No!" She blocked him with her hand, Yao Yao refused and pushed away Yu Ao Tian.

The beautiful and lovely atmosphere suddenly turned to be cold and froze; she could sense the coldness from Yu Ao Tian and also the changes of his expression.

Damn! She shouldn't refuse his kiss, but... if she really accepted his kiss because his little kindness, she feels...

Still she does not like being kissed by him!

"I, I hungry, want to go eat something." After said, she jumped out from the bed and nervously heading to the door.

"Stay still." The cold eyes swept on her leg, Yu Ao Tian said, "Bao Bei, why aren't you taking your shoes off when went to bed?"

Oh My!

Just now she was sitting in sofa when suddenly she got the news that Yu Ao Tian coming so she forgot to take off her shoes and immediately went to bed. "I..."

"Bao Bei, the thing that I hate the most, you must know it very well, do I need to remind you again?"

Deadmeat! It seems this time she makes Yu Ao Tian angry again.

"I am so sorry, sorry lying to you. My stomach not hurt anymore."

"So?"

"So..." she gathered her courage, walking and taking out all the book that hidden under the bed: "I, I afraid you seen all these books, so that... I lied.

"

Yu Ao Tian took few books from her, at one glanced: "[construction and quality of material], [The public relationship application during the crisis and how to handle], [what kind of material that fit the construction and building], Aiya, I see, should I send you to work at Lan Du Group?" he threw all the books to Yao Yao's face.

She paused for moment, she can feel her face burning hot and hurt. This man really has strong analysis sense. At once glanced he has already knew that she telling lies, at one glanced he also found out that all these books used by her to help Xia Ren Liang.

The scary Yu Ao Tian is not only fame of his heartless and merciless but also his willful instinct and also his analysis to sense loophole and the sensitiveness.

"I am sorry, Yu Ao Tian, I am sorry, I... I really don't want to lie to you. I really feel so grateful for all your kindness, but..." after she said half, her dresses collar was grabbed by Yu Ao Tian, she could feel the danger on his eyes and it makes her sweating.

"Little Thing, so that you know I have treat you good just now, so why you are so brazen... to lie to me?"

"Yu... Yu Ao Tian, I am sorry, so sorry. I know I did wrong, I beg you to forgive me, can you?"

"Bao Bei, you don't need to be so fear on me, rest assure, I won't kill you."

"It not...I just want to admit my wrong, not really fear you will kill me." When someone really treats you well, and the other person lied, who would not be angry, no matter what the reason she lied, this time Yu Ao Tian really sincere to treat her good, but she...

"I know that I did wrong, I am sorry, I am sorry." She really felt remorseful so that she crying.

After Yu Ao Tian venting his anger, he asked her to stand up. And then asked her: "Why are you helping Xia Ren Liang?"

"That time, when I suggested choosing Chang Hong Stock A, everyone was pushed me aside. Only Xia Ren Liang who stayed at by side and supported on me, I could feel that he really thought me as his friend so that he support me, his act really so sincere. I have owed him too much, I just want to pay back all his kindness." Of course, the main reason why Lan Du Group in crisis was because of her but she cannot tell Yu Ao Tian.

"Believe on me, I know what should I do and should not do. I also know my status, so that although I help Xia Ren Liang, I won't meet him again, can I?"

Seeing her pledging and also her begging expression, Yu Ao Tian really feel himself fail to teach her, she has already be in such situation but why this Little Thing still keeps her innocent and naïve characters just alike the first time he met her, she not even contaminated, not even one bit...

"Bao Bei, you really know to be grateful, but... why I don't see you to be grateful toward me?"

"That because...." At sudden, Yao Yao perplexed, if she recalled the person who save her grandpa life is Yu Ao Tian, he is her savior. But she innocently afraid that he would never yield for her sincere heart to pay him so she does not know how to repay him.

She cannot give him the answer, cannot answer what Yu Ao Tian asked, she only lower her head.

Another second, Yu Ao Tian has kissed her lips.

"Uh" actually she wanted to refuse but at the time she wanted to stop, suddenly she remembered so that she let him to kiss her.

There is no reaction from her toward Yu Ao Tian hot and passionately kissed. It makes him even angrier..

Suddenly the door knocked by one of the maid, informed that Li Mei Yun is coming to visit. Yao Yao shocked but Yu Ao Tian sneered: "It is good Li Mei Yun is coming, so that she will show you how to "serve" man."

What is Yu Ao Tian thinking when he asked the maid to escort Li Mei Yun comes in to this room when she also here with Yu Ao Tian.

Yao Yao is nervous and also anxious. She wants to leave but Yu Ao Tian not let her to go. Things worst when Li Mei Yun spotted Yao Yao at Master room which also Yu Ao Tian room.

"Why she is here?" Li Mei Yun asked Yu Ao Tian.

"She is my new maid and apparently also your hard core fans." Yu Ao Tian smiled alike sinister, looking at Yao Yao who not dare to look at Li Mei Yun.

"Yes, I am new maid, Miss Li." Yao Yao said.

As usual Li Mei Yun acts so slutty when she meets Yu Ao Tian so this time there is no exception. Worst thing come when Yu Ao Tian let Yao Yao to see how Li Mei Yun "serve" him even Li Mei Yun not really agreed with Yao Yao presence moreover she is doing something "private" with Yu Ao Tian.

After while, Yao Yao cannot bear to see what Yu Ao Tian and Li Mei Yun do inside the bedroom. She left immediately without care what the consequence would be.

"Ao Tian, I see she might hurt." Li Mei Yun said when looking at Yao Yao back, leaving two of them only.

"Do you think she really hurt to see us?"

"Isn't she?"

"Ha..." Yu Ao Tian sneered, he raise, helplessly shook his head: "She pity on you so that she is leaving."

"What do you mean?" Li Mei Yun is not understood, she hesitated: "Ao Tian, why are you stopped? Don't you need me anymore?"

"Today I don't have any interest, you help yourself out." After said, he took his clothes and left.

Seeing Yu Ao Tian who lost his interest on her, Li Mei Yun feels get humiliation. Both of them almost together for two years, her position cannot be compared to his others one night stand women, he never lost his interest toward her before, and now...

Does it because that little girl?

She might able to understand Yu Ao Tian who looks something new and fresh, but she never thought that girl present actually interfere their feeling (Li Mei Yun and Yu Ao Tian), Li Mei Yun suddenly feels that her position is disturbed and insecure. She rolled her eyes and then hugged Yu Ao Tian: "Ao Tian, I want to move and stay in here."

"En?"

"Of course, if you are afraid I might disturb you and that little girl, just forget it."

"Not disturbing. Come and stay here."

"Really? Ao Tian, I really love you." At the moment, Li Mei Yun expression changed to be so happy, it seems that Little Girl is nothing, or else how can Yu Ao Tian let her stay in here?

Actually Li Mei Yun just not paying attention to... this moment Yu Ao Tian is smiling deviously.

"Huh u huh u..." Yao Yao who is running from the room crying in the stair.

Nan Lu who is passing by, slowly approaching her, come closer to her side, comforting and patting her back: " There is no way, being lover must bear this pain and hurt. Who ask you to love that kind of man?"

"It not, Nan Lu." She tried to control herself, and then smiled: "I just feel... Li Mei Yun is so pity."

"Hah?" Nan Lu bulleyes, she sat beside her: "What are you talking Yao Yao? Now you are pitying other woman, it must you that being pitied?"

"me pity? How can I pity? It obvious that she loves him so much but it is me who shamelessly enter other people relationship, how can I be called as pity?"

"You, how can you have this kind of thought? Feeling is selfish, isn't it? You are too kind ah!"

Seeing how perplex Nan Lu expression, she really does not know how to tell Nan Lu, she and Yu Ao Tian really don't have any officially relationship. Feeling indeed selfish, but if there is no love feeling, and all of this thing only a game then Li Mei Yun is the only who need to be pitied.

"Nan Lu, thank you to comfort me, but you not understood my situation right now."

"Perhaps." Nan Lu gently smiled to her, she used her hand wipe her tears dry..

Episode 107

The next day...

"Hi, Little Girl, you are back."

Yao Yao just back to villa after work, she sees Li Mei Yun sitting in living room sofa, at the morning when she went to office she has tried to avoid meeting Li Mei Yun, but she never thought that Li Mei Yun would be at home during this time!

"Miss Li, you... how?"

"He, He, since today I move and staying in here, so please taking care of me."

What? Yu Ao Tian asked her to stay at here? What did he think?

"Oh yeah, let me introduce, she is Xiao Zhen, the maid that work with me for long time. Later in the future she will live with us." Li Mei Yun is smiling while pointing at girl who stands beside her.

"Xiao Luo, how are you." Xiao Zhen is nodding her head.

Seeing from her age, this Xiao Zhen must be in her thirties, Yao Yao forced to smile: "Hello, Miss Zhen."

"Xiao Luo, I want to clean my Miss and Mr. Yu Ao Tian bedroom, can you help me?"

"Ah? Me..."

"Xiao Zhen, Yao Yao is also newbie in here, how about if I go to help you." Nan Lu who standing beside Yao Yao, speak behalf of her.

But Xiao Zhen didn't have intention to let Yao Yao that easily: "I still want Yao Yao to help me cleaning the room, I think there won't be any problem, right Xiao Luo?"

"No, hehe, there is no problem."

"Yao Yao!" just to know that Yao Yao not only Nan Lu best friend but also she is not maid in this house, today's, she is the one of Master's concubine (person that personally brought by Yu Ao Tian) why must she live alike maid? There is no reason for it.

"It is okay Nan Lu, I, I must do it." Yao Yao smiled and acted alright in front of Nan Lu who mood is down. She followed at Xiao Zhen back and heading to Yu Ao Tian's room.

"Xiao Luo, please changes the bed cover, and also sweeps the floor. My Miss likes clean and also wipes the window."

"En, okay." She rolled her sleeves and started to work.

While Yao Yao working and cleaning the room, Xiao Zhen is sitting in the sofa alike big boss, pointing this and that, give her order: "Xiao Luo, it not like that, the floor must be swept cleanly, you must kneel when mopping the floor."

"Hah? Alright." Yao Yao still smiling, she keeps on cleaning and mopping very careful and attentive. While Xiao Zhen is enjoying herself without helping Yao Yao, but she also gives a difficult time for Yao Yao.

At this moment, Nan Lu is passing by, when she looked inside the room, she rushed: "Xiao Zhen, didn't you say that both of you working together, why it turned out to be Yao Yao who do all the thing while you are sitting here!"

"Ah, I forgot to tell you, I am personal maid of my Miss, no one can order me except my Miss, so that I don't need to do all the things."

"So what is your right to ask and give order to Yao Yao?"

After she heard what Nan Lu said, Xiao Zhen shrugged her shoulder: "There is no one can do about it, later this room will be my Miss and Mr. Yu Ao Tian's room. Of course it needs to be clean.

"

"You think that your words are counted? Especially cleaning? What is your right..."

Nan Lu mood turned out to be more and more unpleasant worse. Seeing both of persons in front of her would fight, Yao Yao hurried dragged Nan Lu to other side, she said: "Nan Lu thank you but let it be. Don't argue with Xiao Zhen."

"Yao Yao! Do you know your status? The death camel compare to the big horse, why must you do as that maid ordered?"

"Let it be, Nan Lu. Actually I can tell you that secretly, now I feel quite...okay." After said, Yao Yao face looked so happy.

Nan Lu really not understood how Yao Yao thought on something: "Yao Yao, under this big sky, which girl does not like to be Mistress / Madam but choose to be maid?"

"He He, you will not understand." It true that Nan Lu would not understand her, she prefers her status as maid to lover, at least by this way she can forget herself for while as Yu Ao Tian's lover. On this way she feels so happy, besides... she has sensed that Xiao Zhen trying to trouble her.

"Whatsoever, do what you want." Nan Lu really angry.

She hurried pinched Nan Lu's cheek: "My beloved Nan Lu, thank you for helping me, but... believes on me, I am not dummies. I know what should I do and know what I should not do.

The current me, I am really happy."

"Cih!" she is teased by Yao Yao, Nan Lu really not understand and how to say Yao Yao so she helplessly smiled to her: "I go to do my work."

"Bye Bye." She bid far away to Nan Lu, and then Yao Yao keeps on working and do the labor work.

After half hour...

"Master."

From outside the room there is footsteps sound, Xiao Zhen who is sitting leisurely in the sofa suddenly grabbed the rag from Yao Yao's hand and then kneeling down to the floor.

"Bao..."

"Mr. Yu."

Yu Ao Tian eyes coldly swept on the maid who is kneeled on the floor, furrowed his brow: "You are?"

"Mr. Yu, I am the maid who brought by Miss Li. My name..."

"Oh, understood." Yu Ao Tian not interested to listen on her, but he smiled to Yao Yao who dumbfounded in her place: "What are you doing?"

"I..."

"Mr.

Yu, Xiao Luo asked me to clean the room. Xiao Luo, you go to busy yourself, not need to supervise me."

Supervise? So now her status is supervising? Ah.... Yao Yao helplessly takes deep breath. She really see how Xiao Zhen "use her heart", but she really not care about it. Anyway, she really does not need or crave of praise from anyone.

Yu Ao Tian who stood at beside, his expression has already changed, his cold eyes is sweeping on that Xiao Zhen: "I don't ask you! Understand!"

"Uh... I am sorry, Yu, Mr. Yu." Xiao Zhen is trembling and continued to mop the floor.

At this moment, Yao Yao followed Yu Ao Tian who walking fast to outside of the room.

Yu Ao Tian looked at her: "Bao Bei, is there something you want to say?"

"Can we have talk inside the room?"

Yu Ao Tian takes Yao Yao to another room, once they entered, he immediately hugged her: "Bao Bei, what do you want to say?"

She can feel Yu Ao Tian hugged her, frowned: "Did you ask Li Mei Yun to stay here?"

"Dislike? If you are dislike her in here... I can immediately ask her to leave!"

What is Yu Ao Tian talking about? How can he ask Li Mei Yun to leave? She tried to free herself from his hug, coldly said: "Ask me to leave. I want to get back to my own place."

"Ah, you can't." He hurried declined her idea, he sat on sofa, smiled: "Bao Bei, you only have two options, you beg me to make Li Mei Yun leave or both of you are staying here! Choose."

Episode 108

"Yu Ao Tian, don't you are too much? She is your girl friend, you must like her but why you wanted she left?"

Facing with Yao Yao doubtless, Yu Ao Tian really wants to laugh but he says nothing. He is so patience waiting her to give the answer.

At sudden Yao Yao realized on something.

Yu Ao Tian could say something like this perhaps this is no relation with his relationship with Li Mei Yun, but he simply wanted to test on her "genuinely" as lover, this side of her?

He really wanted to change someone inside and outside, he really wants to see someone to slowly sink into depravity, seeing someone slowly being corrupted during the process.

Too scary, Yu Ao Tian is simply to say as strong and hard to conquer.

Yao Yao realized that slowly by slowly she is able to read Yu Ao Tian little bit.

Silent for some time, she purposely murmured and showed her complicated expression: "Still, better I stay together with Li Mei Yun. I take my leave."

Facing with man like Yu Ao Tian there is no need to confront him directly, if go head to head with him, it would only ask to get injure. On contrary... pretending to be vulnerable perhaps will able to avoid more harm. When think about this, Yao Yao turned to leave and an instantly she feels calmer....

"Hah." Yu Ao Tian looked at the room's door that already closed, he helplessly smiled: "Really cunning Little Thing!"

It should say that, Yao Yao performance is suppressed from his expectation today, if she simply pissed off and said "Li Mei Yun stay." Perhaps it would anger Yu Ao Tian, but she prefers to take the role as "Pig eating tiger", this is one of the safety roles. Although Yu Ao Tian wanted to anger but he just cannot.

But too bad... she meets Yu Ao Tian! Everything she thought and every decision she made cannot escape from Yu Ao Tian's eyes. It only depends on Yu Ao Tian mood whether he wanted to disclose or not.

All the maids who had served Yu Ao Tian and Li Mei Yun dinner gone to have their own dinner, Yao Yao also followed them to the maid's room.

"Hey, hey, hey, do you guys know in this world what kind of woman that deserve to death?" few of the maids are grouping in dining table, Xiao Zhen spoke up to the group.

"What kind of woman?" Everyone asked curiously.

"Of course the... professional Xiao San (third wheels) who like to seduce man, this kind of woman later or sooner, her entire family will die because get thunder!"

At this moment, Yao Yao kept silent, she really did not know whether Xiao Zhen said to let her hear or not, but if Li Mei Yun does not know her relationship with Yu Ao Tian then Xiao zhen won't know it.

This kind of conversation hurt her so much, moreover the words regarding family! She anxiously put down her chopstick.

Nan Lu sensed something not good so she busying pulled Yao Yao, whispered: "Yao Yao, if this time you are leaving it means you are admitting what they said.

"

That's right. Nan Lu said not wrong, calm down, calm down.

"Ha, sit here and relax to watch the show." Nan Lu smiled, she added some dish to Yao Yao's bowl: "Eat more meat."

En? What did Nan Lu mean? Feel ease ... good show to see?

Still in doubt, suddenly there is maid who stood up angrily: "Hey, Xiao Zhen, what do you mean? As I know, your Miss is the professional third wheels? I have been working here for more than two years, during that time our real Madam is the real girl friend of Master."

"That's right, I also remember this thing, but we just not really know why our Master broke up with his girlfriend, I thought all was related to your Miss, everyone had made the guess. Now you are speaking this... simply haul over the coals of your own Miss, aren't you?"

"Ugh..." being attacked on two directions, Xiao Zhen can't stay still: "I. I just say something randomly."

"Nan Lu, what is going on?" Yao Yao confused seeing Nan Lu laughing happily.

She blinked her eyes: "Go out, I tell you."

Yao Yao puts down her chopstick and followed Nan Lu to garden...

"He He, just now the maids that attacking Xiao Zhen, both of them were other people's lover before, so that they must be so angry after heard what Xiao Zhen said." Both of them are sitting in long bench in the garden while looking at star in the sky, seeing to the night sky while chatting.

"Oh, that is." No wonder when she came into this villa with lover status no one said anything.

"So how is about Li Mei Yun?"

"This matter, I ever heard my sister told me..."

That time, Yu Ao Tian met Li Mei Yun on the ribbon-cutting ceremony and since then, they had encountered many times. But during that time, Master has been dating with other woman, the earlier they said who was his real girlfriend, while Li Mei Yun was in waiting-list lover, perhaps it was about / within a month, Yu Ao Tian has broke up with his girlfriend, so that Li Mei Yun replaced her.

"So that is the thing!" After heard Nan Lu explained, after Yao Yao listened to it, suddenly the shining super star that she adores turned to be dull and dim.

"So, because of it, I really not understand why you said Li Mei Yun is so pity, the most important thing is... that time Li Mei Yun had done something like scheming so that Master and his girlfriend broke up, but... our Master previous girlfriend was dummy, she was easily to get jealous, so that even Li Mei Yun not really used high scheme still she would be broke up with Master."

He he, no matter during that time whether Li Mei Yun was third wheels or not, no matter whether she really did something under-handed alike scheming or not toward Yu Ao Tian's girlfriend, all of those had already passed, now, she is Yu Ao Tian real girlfriend, while Yao Yao indeed is Yu Ao Tian's lover, no matter what, she cannot be the one who calls the kettle black. "If this how you said..."

"En." Nan Lu tilted her head to look at Yao Yao who gazing at sky.

She smiled, takes deep breathe, slowly said: "Yu Ao Tian..

. really perverse!"

At the moment, Nan Lu eyes are wide-open, she thought Yao Yao would talk bad about Li Mei Yun, or hate Li Mei Yun, but now...she hates Yu Ao Tian!

Without choice, Nan Lu looked at the shadow who standing inside the second floor room of villa, secretly murmured: "Big Boss Yu, this time you really bring the "Treasure"... indeed so unique ones."

"Nan Lu, what are you talking?"

"Nothing." Sweetly she smiled and suddenly she kissed Yao Yao cheek.

"Ugh?"

"I like you, Yao Yao, let's we be friend!"

"Ah?" Yao Yao pouted her mouth: "So only by this time you thought me as your friend, I have thought you as my friend since the first day I saw you, humph, I am angry!"

"HaHa, Yao Yao, don't be angry la. Actually from the first time I have thought you as my friend just..."

"Okay la, I just teasing you, Nan Lu. I am so happy that you wanted to be my friend. I also like you, Nan Lu." She sweetly smiled at Nan Lu, finally both of them become fellow good sister.

Yao Yao suddenly feels her heart is filled with warmness, at least she has friend like Nan Lu in this cold Villa....

Episode 109

"Hah." Villa second floor, a pair eyes is looking at two petit figures, Yu Ao Tian smiled: "So Nan Lu also able to be controlled, still...Little Thing is awesome."

"Ao Tian, what are you doing?"

"It is nothing! Mei Yun, I still have work to do, you have your rest earlier." After said, he left Li Mei Yin inside the room.

"My beloved Lu Lu, today you accompany me sleep ah?" in the third floor room, in front the door, Yao Yao coquettishly pulling Nan Lu's hand.

She cannot do anything: "Yao Yao, how can you act this coquettish? Alright, alright, I will accompany you."

"HeHe, you are really good."

Both of good sisters are sleeping together, when both of them sleep soundly...

Nan Lu opened her eyes when she felt someone entering the room and the person is Yu Ao Tian. He asked her to leave the room so that he can sleep together with Yao Yao. Before Nan Lu left the room, she request to Yu Ao Tian for not telling Yao Yao her true identity because she does not want to lose Yao Yao as her friend.

The next morning when Yao Yao still half awake, she called Nan Lu "Beloved". Someone replied back on her but it is Yu Ao Tian. When she realized a person who lying beside her is Yu Ao Tian, suddenly Xiao Zhen is knocking her room, asked her to wake up and start to work. Yao Yao is in panic, afraid Xiao Zhen will come in to her room to wake her up since Yao Yao cannot leave her bed because hugged by Yu Ao Tian. While Xiao Zhen keep on knocking and shouting from in front of her room, Yu Ao Tian who feel irritating with Xiao Zhen, suddenly shouted at her from inside the room.

Xiao Zhen surprised when she heard Yu Ao Tian's voice from Yao Yao's room so that she left as fast as she can.

Yao Yao still confused and little bit hazy because she is not fully awake. She asked Yu Ao Tian where Nan Lu is. He answered her that he has kicked her out from the room so he can sleep with Yao Yao.

"How can you like this?" ah~ whatever, as long as Yu Ao Tian not hurt Nan Lu then everything is fine.

"Li Mei Yun, why didn't you accompany her?"

"Bao Bei, at this time, I don't want to hear you talking about her, go sleep." Yu Ao Tian cuddles Yao Yao.

Yao Yao not satisfied but he is Yu Ao Tian so just let he be. Secretly she glanced at her clock...

It is five o'clock in the morning, why Xiao Zhen had called her wake up so early?

Ah! Xiao Zhen! She must already know that Yu Ao Tian is in her room, if she really not a fool, then she already can guess her relationship with Yu Ao Tian.

What should do....

She glared at Yu Ao Tian, all because this rotten bastard, why he enjoying himself so much by being Casanova? No! Must collect the news from Feng Chen Yi*! He is also someone professional in this field.

*Yao Yao means that she perhaps can learn from FCY or collect information what good as playboy.

"Miss, Miss." The clock only show six in the morning, Xiao Zhen cannot stay still and rushing into Li Mei Yun's room. "It is bad, it is bad."

"What is going on, what is bad?" Li Mei Yun who is not patience open her eyes.

"Mr. Yu... Mr.

Yu is in that Little Girl's room."

"What?" after hear the news, Li Mei Yun has fully wake up: "Do you know when Yu Ao Tian go there?"

"I was calling that slut girl at five o'clock. Mr. Yu has already at her room, perhaps... Mr. Yu is spending night at there."

"Damn!" when she staying at Crystal Villa (Villa where LMY stayed before), Yu Ao Tian always comes to her place three times a week, but now when she moved to here, living under same villa with Yu Ao Tian, he even...go to accompany that Little Girl.

"This must be stopped, she cannot let this thing continue, afraid later or sooner, Yu Ao Tian will seduce by that Little Girl."

"Miss, if compare the beauty, that cheap Little Girl can't compete with you. I thought Mr. Yu just feel she is something new, refreshing so he playing with her. If you really hate her so much, I can help you to get rid of her, hah, she only 19 years old little girl, she can't be good enough to fight with you. What do you think?"

"Heh, so, I never thought that kind of Little Girl as my opponent, but... she is eyesore in front of my eyes! I should think the way to kick her out from this villa!" Li Mei Yun sneered.

The news of Lan Du Group who had lost it credibility have been almost three days, but the PR of Lan Du Group still say nothing and choosing to avoid the media. To view from the public relation opinion, the creditability crisis of Lan Du Group is extremely give negative impact, if this keep on continuing, Lang Du Group will go bankrupt in matter on time.

The Finance Department of Berson Group.

"Ok, it done!" Yao Yao has been so busy for the entire morning to write reports, it almost afternoon and she is so happy. She is standing not far from her colleague, "Xiao Qiao, do you have time? I have something to ask for your help, can you go out for the moment?"

Xiao Qiao looked at Yao Yao: "Xiao Luo, why are you asking me to go out?"

"Uhm, this, I want... you to help me on something." She smiled.

"What?"

"I want you to hand over this to Xia Ren Liang." She said by giving the document to Xiao Qiao.

Xiao Qiao eyes coldly swept Yao Yao: "Business plan? You go to hand over to Xia Ren Liang by yourself, why must me?"

If she really can do it by herself why must she ask Xiao Qiao to do it, moreover she can't let other to do it. For her, only Xiao Qiao is the best candidate to do this.

When first time she joined the Finance Department she had heard the rumor about Xia Ren Liang who has good impression about Xiao Qiao, but unfortunately Xiao Qiao is a type of girl who weight money more compare to personality (Materialistic girl). So that, there is no progressed between their relationship.

Today, Xia Ren Liang is back to his own status, Xiao Qiao is girl who loves money, she might be used this opportunity to get close to him. "Xiao Qiao, you perhaps have heard regarding my relationship with Xia Ren Liang, to be honest, I have already have boyfriend, my boyfriend was extremely angry when he knew about this matter, he does not want me to have contact with Xia Ren Liang, but Xia Ren Liang ever helped me before, seeing his situation, I tried to make business plan for him so that he can go out from the crisis." After she said, Yao Yao rolled her eyes: "If this business plan is sent by the most beautiful lady from Finance Department, according to Xia Ren Liang character, he must be moved, right?"

"En? I understood what you mean, Xiao Luo. You just want to give me credit for your hard work, am I right?"

Yao Yao nodding her head.

Unknown, Xiao Qiao coldly said: "Hah, Xia Ren Liang understands very well what kind of woman I am, he can come to Berson to work and he hate materialistic woman like me, do you think by asking to hand over this business plan, he will be moved? Childish!"

Seeing Xiao Qiao wanted to leave, Yao Yao hurried stop her: "Xiao Qiao, perhaps you misunderstanding my meaning. The things that I pointed not about love feeling." She smiled: "You must understand Xia Ren Liang very well compare to me, based on his gentle character, if you help him, he won't treat you unfairly. To say this is no cost trading, at most you just doing simple errands, but if it is me...I won't refuse it." Yao Yao gave the business plan to Xiao Qiao and left.

Looking at the petit figure who is disappeared, suddenly Xiao Qiao can feel that Yao Yao is pig who eats tiger (appear to be weak but actually strong), first impression that given by this little girl is, she looks so innocent, adorable, but at this time she looked so cunning. Especially her pair of big eyes that able to read others heart, inside her eyes there flashing sly luster, still cannot judge the book from the cover.

"Xiao Luo, I decided to help you!"

When heard the voice from her back, Yao Yao stopped her footstep, turned and gave her big smile.

At this moment she really is proving herself as winner and keeps progressing to be mature...

"This afternoon, Lan Du Group who has avoided media for three days, now is having their press conference."

"CEO Xia, please clarify why Feng Group is using B grade material for Nan Sha project?" The reporter asked during Lan Du Group press conference in Television.

Xia Ren Liang gently smiles, he took the microphone while giving his answer: "If someone understands about architecture must know that the Feng group's project in Nan Sha is five string lute irrigating storey house. So that, their building must use a softer material in order to ensure the highest quality. When our representative realized the architecture diagram for the Nan Sha project, at the first time we are prepared A grade material but changed to B grade material because it more suitable.

"May I ask CEO Xia, did Lan Du Group has negotiated with Feng Group before regarding the Nan Sha project?"

"There is thing not to be say like that. So far there is no urgency. Lan Du Group had promised to deliver the material within three days, but when realized the project of General Manager Feng not suitable to use Grade A material, it has been realized on the second day, and then we still wanted to keep our promise, and also we need to change the material that suitable to be used for Nan Sha project within three days, so that, we were too busy and forgot to inform General Manager Feng, this is really Lan Du Group mistake."

"CEO Xia, did Lan Du Group ever change A grade material to B grade material before without noticing other party?"

"HaHa, our Lan Du Group always work based on creditability and trust, if there is need to use Grade B material then we will change it.

When there really need to use Grade A material we will also used Grade A. just to let know, the different cost between Grade B and Grade A material only by one percentage point so for this little amount of money, we don't want to gamble on our company creditability and also trust."

When Xia Ren Liang is patiently answered all the questioned asked by the reporters, the host (person who take charge of the press conference) simply said: "Alright, all the media friends, our CEO Xia has answered all your questions. To summary, regarding about the replacement of the material indeed is misunderstanding, if there really who need to be responsible, we only can say it must be our Lan Du Group's employees, actually if really wanted to use material Grade A it not something must, simply to say this might get bigger harm to Feng Group's project, at the time perhaps Feng Group side might having trust and creditability problem too. Okay, today we are ended until here. Thank you for media friends."

The television turn off, Long Ye who is inside recreation room of Berson Group is playing billiard ball: "Uhm, not in." he shrugged his shoulder and smiled devilish to Yu Ao Tian: "The crisis in Lan Du Group only last for three days, I thought they are going to announce bankruptcy, but who knows that their PR department really good in handling the matters. You say, Xia Yu that old fox really because responsible for Feng Chen Yi project and then he changed the material?"

"Bamn"

Yu Ao Tian hits one billiard ball. "Hehe, everyone is doing the business, Xia Yu, his way on doing business, don't you know it? If he not pissed off Feng Chen Yi perhaps Feng Chen Yi would closed one of his eyes, but he..."

"But he made Feng Chen Yi that strong opponent anger. Ha Ha" Long Ye continued what Yu Ao Tian wanted to say, keep on continuing: "But, Feng Chen Yi that brat quite merciless, he even thought this kind of way to control his opponent. Unfortunately... unfortunately..." he shook his head.

"Unfortunately what?"

"HeHe, unfortunately Feng Chen Yi met stronger opponent. Just afraid after today, Lan Du Group reputation will boast as one most responsible companies, besides that, they won't go bankrupt but their stocks will be raised. To be honest, Ao Tian, I really wanted to pay high and dig the person who solved Lan Du Group crisis, come to work at Berson."

"Hah. No need. The person who solve Lan Du Group crisis currently is working in our company."

"Uh?" Long Ye dumbfounded, faster he looked at Yu Ao Tian: "Did Lan Du Group crisis solution have relation with Xiao Meng Li?"

"It's indeed her!"

"Impossible..." Long Ye frowned, excited he walked toward Yu Ao Tian: "Actually what Xiao Meng Li study? Why she knows everything, she even understands about PR job in solving problems?"

Episode 110

Facing with Long Ye questions, Yu Ao Tian isn't immediately answered him, he silent for moment and then slowly said: "Law!"

At the moment, Long Ye smile disappeared from his face...

"Wo Kao, in internet there are lots evaluation regarding Lan Du Group, their stocks also rise, Lan Du Group stock has been raising to the normal." Inside Finance Department everyone is discussing about this matters.

Yao Yao who sitting in her place smiling, while her eyes locked at Xiao Qiao who sat not far from her.

Xiao Qiao also smiled back to Yao Yao.

Actually, in this world the people who is easiest to be used are those who love money, and also the most cannot dependable are people who love money, when she decided to choose Xiao Qiao she sure 100% that Xiao Qiao would take happily this opportunity and gladly to accept this way out.

"Xiao Luo, good bye."

"Sister Li, sister Zhang, good bye." She has put her resignation letter to Berson group HRD, bid her good bye to all her colleagues when they standing in bus stop after working time ended.

"Let yesterday as nothing, now you are in front of my eyes..." suddenly her phone ringing.

"Hello?"

"You come to my apartment!" the person who called her is Feng Chen Yi cold voice.

Yao Yao frowned: "Why, why are you looking for me?"

"If you are not coming, I will try another way to reverse the current situation!"

Rotten bastard! Yao Yao understood what Feng Chen Yi meant, she impatiently said: "I understood, understood!" she hurried hung the phone call, she stopped taxi and straightly go to Feng Chen Yi' apartment.

"Oh it is you." She just arrived in front of Feng Chen Yi's apartment, a man with red hair stood in front of her and blocked her way.

She looked carefully to that red hair man who has playboy appearance, she tried to remember where she ever met this man before. Oh, that's right! He is Feng Chen Yi's friend, it seems his name is Ou Yang Zi Xuan.

"Hello."

"Hello your fart." Ou Yang Zi Xuan coldly looked at Yao Yao: "All because of you, I almost break off (friendship) with Feng Chen Yi."

"Ah?" what is that to do with her?

"Speak, you quickly reconciled with Feng Chen Yi, at least to save my energy and not wasting both my time (to scheme you) and my drug you (lust drug), kidnapping, but at last I finally ended up in terrible bad."

What was Ou Yang Zi Xuan said? Drug? Kidnap? Kidnap? Yao Yao thought about something, panic asked: "That night was you who kidnapped me?"

"That's right, I have used all my effort to send you off to Feng Chen Yi's bed, but who knows that brat not grateful to me he even scolded me, all because of you!"

So that night she lost the memory because she was drugged, even Yao Yao is a fool she also knew what drug he meant, but she didn't know that...

That night, she didn't know what happen between her and Feng Chen Yi. Whatsoever, everything is not important now.

"You are deserved!"

"Eh? You are little girl but have sarcastic mouth!" Ou Yang Zi Xuan glared at Yao Yao.

She coldly rolled her eyes: "stay out, I want to enter the elevator."

"I don't want to stay out from your way, except, you reconciled with Feng Chen Yi."

How can in this earth there are another person who more scoundrel compare to Long Qi?

"Stay away or not? If you are not stay away then I will leave."

"Uh..." Ou Yang Zi Xuan thinks carefully, this little girl can show up in here must because she wanted to meet with Feng Chen Yi, if she really leaving, afraid that he won't forgive me.

"Whatever, you follow me or not to look for him."

She glared Ou Yang Zi Xuan, stepping inside the elevator, but at the moment the elevator door closed, her cold expression changed and showed little bit guilty.

"Feng Chen Yi, why didn't you tell me if you didn't do it!"

Feng Chen Yi you are too much, I never thought that you would to this to me. Now you are simply a rotten bastard!"

Think carefully, she never asked Feng Chen Yi whether he did it or not, but she straightly swearing on him.

That guy does not like to explain himself to others, moreover she had cursed him...

"Bad, I have mistaken Feng Chen Yi for long time..."

" she hit her head hardly, if that time she could little bit calm perhaps she won't mistaken Feng Chen Yi, but... once she meets Feng Chen Yi she never could be calm down.

Should I ask for forgiveness?

Forget it, if I apologizing, based on his character he must say me many not nice thing, and finally both of us must arguing again.

Yao Yao initially can guess this tragic scene: "Oh, still better to do something to makeup with him later."

"Dong."

The elevator stopped, she directly goes to Feng Chen Yi's house

Knocking sound.

The apartment's door open, Feng Chen Yi coldly opened the door with automatic button: "Come in."

"Say in here whatever you want to say."

"Come in!"

Pei! Can he use little bit gentle and soft voice to ask her coming in to his house? Such bossy, everyday he also uses that kind of facial nerve paralysis expression. She remembered first time she met him, his facial nerve paralysis expression even worst, Yao Yao would never forget that scene...

That time she was 13 years old while he only 16 years old.

Her first day came to School in Japan, that time she must went to report herself in school administration department, but that day she was late. The main gate had already closed, so she decided to climb the wall.

Six years ago her height less than 150cm, climbing to the wall was harder compare to scale the sky. "Hey cha..." finally she able to climb over the wall, she straddled over the wall, her eyes looked down.

As seen, there was man with tall figure lying on the grass ground. That time, the 13 years old Yao Yao was attracted by this man outer appearance.

"Hey, you little girl cannot straddle over the wall." The school security was trying pulled her.

Damn! Just because seeing good looking guy, if she got caught then she would be deadmeat, Yao Yao who panic hurried jumped, but who knew that she fell down.

Thump

She fell onto that man's top, she was so close with that man. She slumped and completely forgot that she still pressed on that man.

Suddenly the man opened his eyes, he has brilliant pair of eyes, but when he blinking his eyes, it emitting cold vibes, suddenly Yao Yao imagination gone, simply to say she afraid of the man's cold eyesight.

"I am sorry."

She hurried to stand up from that man's body, but without she knew the man grabbed her waist, an instant.

.. that man... used his strength to...

"Dong"

All her body was hit into the tree behind them.

"Pain..." she gently stroking her back head, angrily and glared at the man: "Hey, senior, I have apologized to you, why you pushed me so hard?"

That man said nothing, slowly stood up, he expressionless left her.

However, the most impressed Yao Yao was... this man never looked at her from the start to the end, he has cold aura and vibes.

That man who dressed in high school uniform was called Feng Chen Yi. That was the first time they met, that time he gave her feeling as handsome man, cold, have facial nerve paralysis and...hatred!

Until today, that good time had passed for six years, that hatred senior now is turned to be her Ex-boyfriend, that year he was mature but now he even be mature. While others, there is nothing changed.

She followed Feng Chen Yi get inside the room; she faster walked in front of him: "I only have one hour, if you have words to say, hurried!"

Feng Chen Yi lifts up his head and swept Yao Yao with cold gazed: "Did the Lan Du Group draft speech statement wrote by you?"

How.. can Feng Chen Yi knows? Yao Yao surprised and dumbfounded.

Still that words, Feng Chen Yi always believed and convinced she has miraculous ability. So that when Lan Du Group holding press conference, he already made a guess that draft speech statement was made by Yao Yao.

"Didn't you say you are not care? Why did you help?"

She frowned, sighed, calmly said: "Feng Chen Yi, I really don't have any relation with Xia Yu. But..

. his son ever helped me before. So that I..."

"Hah, Yao Yao, you are too awesome, you even climbed up both the old and the young?"

What? Feng Chen Yi what did he says? She saw his face that mocking her, Yao Yao pissed off: "Feng Chen Yi, you are rotten bastard!"

"That is right. I am rotten bastard. But..." suddenly he grabbed Yao Yao's waist, force to embraces her: "At least I know who my real opponent is. How about you? You even joined other to fight me!"

It was not that, it was not that. That draft of speech won't affect Feng Group business, when she decided to help Xia Ren Liang she had carefully thought about Feng Group's side. She lift up her head, looked at the man who still hold her tightly, she moved: "Let me free, Feng Chen Yi."

"You want me to free you?" Feng Chen Yi pinched her jaw, his lips curved upward: "HeHe, I want to keep this posture for the entire night, what do you think?"

What is he thinking? Does he not think to let me go home tonight? Then Yu Ao Tian...

No! No! She really does not want to experience that deathly situation anymore.

"Feng Chen Yi, are you crazy? Let me go!"

Feng Chen Yi silent, but Yao Yao who still in his embraces turned be panic, she even feels suffocating.

"Feng Chen Yi... let go!" she almost crazy, if earlier she knew he would act like this she must not coming!

"Are you so in hurry to leave?"

"Hah!" finally he gave her responded and Yao Yao nodding.

"Well, kiss me, kiss me and then I will let you go!"

"You..." Feng Chen Yi you are real rotten bastard! Yao Yao furrowed her brow with complicatedness expression, she knows Feng Chen Yi character very well, if she does not do as he asks, perhaps she cannot go home tonight.

Her body stiffens, Yao Yao bites her lips, slowly lift up her head, stand on her tiptoe, her lips comes closer to his....
