Episode 111

"Pounding" "pounding"

Yao Yao heart beats so fast, she even cannot gasps her breath, although she hates, but even she hates, but still could not cover deep inside her heart that she still loves him. It clearly she has told herself, decided to stop love him, but because Ou Yang Zi Xuan who ravel the misunderstanding, she felt little bit guilty and trying to find excuses for herself to start over with Feng Chen Yi.

Feeling, this kind of thing is really scary, once it tainted as if addicted to drug and difficult to quit and it will be very hard! Cannot help she closed her eyes, the atmosphere inside the house freeze.

That cold expression of Feng Chen Yi suddenly faded away, he hugs tightly her body into his embraces slowly turned to cuddle her, at the moment he almost touches her lips, he also slowly closes his eyes.

But just in moment, suddenly Yao Yao stopped...

No, cannot, she cannot do this, although she wanted to go home and then she needed to kiss Feng Chen Yi, but for Yu Ao Tian this is kind of betrayal attitude.

She had promised Yu Ao Tian she would not betray him, although there are no loves between them and again it does not mean she can betray him, and today...

What did she do?

Just now at the moment Feng Chen Yi wanted to kiss her, she clearly knew and felt that she wasn't compromised him but... it was involving feeling and she wanted it...

Why? Yao Yao what did you think? You have love Feng Chen Yi to the stage you cannot control yourself anymore, forget your rational mind? She felt guilty looked down, her eyes showed desire but also puzzled.

"Kiss me, does it so hard?"

Suddenly raised her head, facing Feng Chen Yi cold pair of eyes, she took deep breathe: "Sorry, I am sorry."

"Why are you saying sorry to me?"

That's right why she must say sorry to Feng Chen Yi? What is she sorry for him?

In mess, now Yao Yao really cannot separate her status, actually she is Yu Ao Tian's lover or still Feng Chen Yi's girlfriend? Both of them had already broke up for more than 2 years, why every time, she felt as if she turned back to 2 years ago?

She must wake up!

She bites her lips, her facial expression stern, she pushes away Feng Chen Yi, without wait for his reaction, she hurried run away, she wants leaving that place run straightly to the front door.

"Stay still! Luo Yao Yao, you stop!"

She didn't want to hear anything now. She only wanted to leave.

Feng Chen Yi made fist, hurried to chase after her...

At this time...

"ding dong ding dong"

"Chen Yi, are you at home?"

Li Ruo Ting voice comes from outside the front door, pierce into Yao Yao's ears, she panic and her eyes looked at Feng Chen Yi.

Yao Yao looked alike little white rabbit that got shock, she rushed into wardrobe near bed, and then she hides inside.

At this time, Feng Chen Yi has already opened the front door.

"Chen Yi, so you are at home."

"Ruo Ting, why you come?" he asked while his eyes are looking at the wardrobe.

Li Ruo Ting smiles sweetly and hugging onto Feng Chen Yi's back: "Chen Yi, do you still angry with me? I have reflected myself, you don't angry to me, okay?"

So Feng Chen Yi and Li Ruo Ting quarreled, ah, together with this kind of bossy and domineering man, who can stay long? Yao Yao who is hiding inside the wardrobe can see clearly both of the man and woman.

Seeing Feng Chen Yi cold eyes are looking at Li Ruo Ting: "Oh? Did you really reflect on yourself?"

"En En."

"Well, prove it to me."

"Prove?" Li Ruo Ting does not understand what Feng Chen Yi means, but she immediately turned to her coquettish self, smiled and passionately cuddling Feng Chen Yi and then plasters her lips to his...

This moment, Yao Yao who is hiding inside the wardrobe, he face turned dark, she feels the space becomes narrow and also no oxygen.

It feels uncomfortable, suffocating, painful ...

She feels hurt and fists her hands, her nail embedded into her palm, one by one bead of tears falling down from her eyes.

Strange, didn't they already break up? But why now she feels she got back to 2 years ago, the time when she caught Feng Chen Yi with Li Ruo Ting, the pain still feels same.

"Ruo Ting, you are so aggressive." Feng Chen Yi ended the kiss.

"Is this bad?"

"HeHe" his cold eyes gazing at wardrobe, coldly said: "This is much better compare to someone!"

"Hah? Chen Yi, what... you mean?"

"Nothing, Ruo Ting, today I have important thing need to do, you back first, I will contact you in other day."

"Hah? Whatever, okay, I wait for your call."

Sending off Li Ruo Ting who showed disappointed expression, Feng Chen Yi rushed to wardrobe, hurried he opened the wardrobe' door...

Yao Yao crying face is clearly penetrating into his eyes: "What are you crying for?"

He said that words coldly, she bites her lips, there still tears trace in her eyes, slowly said: "Doesn't this what you want?" one step jumped out from the wardrobe, she emotionally hit his chest said: "You did it, you indeed did it, Feng Chen Yi, you clearly know that I

" Suddenly she stopped.

Feng Chen Yi caught her wrist:"Understand about you what?"

Glared!

Her heart pounding, her vision blurred looking at Feng Chen Yi's face, did she...what she wanted to say?
What to say...

"You clearly know that I still love you, why you still kissed Li Ruo Ting in front of me?"

"Yao Yao, tell me, you love me, I want you to say that you love me!" Feng Chen Yi who is calmed suddenly emotional, after he finished his sentences, his lips pressed her lips in domineering way.

"No! Don't! Feng Chen Yi, don't kiss me with your lips that kissed by other woman!"

"Pa"

Feng Chen Yi gets slapped on his face.

His mood changed cold at sudden.

Silent for moment, she swallowed her saliva, trying control herself: "Feng Chen Yi, I love you. But... it was 2 years ago. Now...I don't love you anymore! Leave behind only hatred! This, do this what you want?" she turned back, but her tears still flowing.

Yao Yao understand very well how fake her words, if she really does not love Feng Chen Yi anymore why must she has objection when she saw Li Ruo Ting kissed Feng Chen Yi? If she really not loves him anymore how could she not able to control herself every time they meet and it is affecting her mood? If she really not loves him anymore why must she panic when she heard Li Ruo Ting's voice and hide inside the wardrobe?

This things, didn't because she diffident? More she is trying to pretend not loves him, more clearly she showed him that she actually loves him so much.

Ha. It was not the first time she spotted man and woman kissing, moreover the kissing scene was happening two years ago, but when she saw Yu Ao Tian passionately kissing with Li Mei Yun, she felt awkward and guilty towards Li Mei Yun.

But, when she saw Feng Chen Yi accepted Li Ruo Ting kissed, her heart is so hurt, it feels as if torn into pieces.

This thing, even she wanted to escape, she really can't escape from, she only can bit by bit, using her hard work to conceal...

"Peng"

The sound of door being smashed by Yao Yao...

Inside the big apartment only left Feng Chen Yi alone, at this time his eyes showed regretful, "Actually what did I do?"

He has thought to protect her, but every time they meet it becomes kind of hurting each other, furthermore the ending always...

She hurt, he even hurt!

"Ring Ring Ring"

Slowly he control himself, pick up his phone: "Hello."

"General Manager Feng, as you know, Lan Du Group is in process to turn back their position, should we takes the second plan, or directly make Lan Du Group go bankrupt?"

"No need..." there is not important anymore, although Lan Du Group bankrupt, Yao Yao will stubbornly comes to help them to solve, at the last, it will become he and her battlefield...

Yu Ao Tian's Villa.

"It clearly decided to apologizing to him because blame him wrongly but at last it turned to be battlefield, perhaps this is what called as fate. Uh!" Yao Yao sighed. Before she opened the door, she used her strength to pat her face with both of her hands, do not let Yu Ao Tian found out, do not let Yu Ao Tian found out.

She forces herself to smile, she pushed open the villa door, and then...

Inside the living room there are strange atmosphere, it gives her chills.

As seen, all the maids who are inside the living room showing stern facial expression, while Li Mei Yun also looks so strict sitting on the sofa, while in front of her standing Nan Lu.

"What is going on?" Yao Yao secretly asked to one of the maid near her, with very low voice.

"Today Miss Li Mei Yun is losing her bracelet, and then that bracelet found inside Nan Lu's room."

What? Did she mean Nan Lu steal thing? Impossible! Nan Lu is impossible stealing.

"Nan Lu, according to you how we solve this matter, should we make report to police?" Xiao Zhen is angrily asking her.

Nan Lu head looking down, she says nothing.

"Do you think it solve with silent? Well, I will make report to police."

"Wait!" Yao Yao faster walking beside Nan Lu.

Xiao Zhen glanced: "Ha, you, what do you want?"

"You say Nan Lu stealing something, where the evidence?" Yao Yao held Nan Lu's hand, coldly asking Xiao Zhen who standing in front of her.

"The stolen item was found inside her room, still needs other evidence? Just to let you know that bracelet is the most treasure by my Miss."

Her eyes glanced at Li Mei Yun who still keeps quiet, she frowned, she didn't know whether Xiao Zhen had made report to Li Mei Yun or not about this morning incident, it's feel so awkward.

"So that means, you are not witnessing by your own eyes, seeing Nan Lu stole the thing?"

"You... what do you mean? Xiao Luo!"

"Hah, very simple, I would like to ask who is so stupid to steal thing and hide it in her own room? Since the stolen item was found in Nan Lu's room, but it does not mean must be Nan Lu who stole that item. It likely, if the stolen item is in your hand, then I can say you are stealing it, can't I?" Yao Yao rolled her eyes and looked at everyone who dumfounded after hearing what she said.

Xiao Zhen eyes meets Li Mei Yun's eyes, she understands that she cannot win over Yao Yao.

"Miss Zhen, I want to ask you, who was the first person found this item?"

"It was me."

"Well, I would like to ask all of you, who saw Nan Lu stealing this bracelet?"

Everyone is looking each other, most of them are shaking their head means no one.

"This is so simple, this is called as not verified evidence, Miss Zhen even you make report to the police, the police won't process your report, the most important..." She glancing at the bracelet in Xiao Zhen's hands, helplessly laughed: "The bracelet is imprinted your finger print."

"Hah? This." Xiao Zhen panic looked at the bracelet in her hands.

Yao Yao keeps laughing: "Well, others finger print might have disappeared, furthermore this case won't be process by police."

Xiao Zhen feels as if she being fooled, she paused for moment and then roared: "Xiao Luo, you are this villa maid, this is none your business, right?"

"Yes, I am indeed this house maid. But, I can't see Nan Lu being accused wrongly, right?"

"I am not accusing her wrongly, the bracelet was found out in her room. That means she is the thief!"

This Xiao Zhen, actually she understands law or not? The law does not recognize such importune debate methods! Yao Yao helplessly frowned: "Miss Zhen..

."

"Let it be, Yao Yao." This time, Nan Lu who keeps quiet for long time suddenly spoke, she pulled Yao Yao hands, whispered: "It is so obviously that she trying to set the trap for me, whatever you say is useless, later the problem will be solved."

What Nan Lu means?

But why Xiao Zhen is setting up trap for Nan Lu?

"See, Xiao Luo, you see that Nan Lu understood herself very well." Xiao Zhen confidently walking to her side, smile sweetly, with low voice: "Yesterday, did you sleep with Mr. Yu?"

"Shocked!"

Yao Yao heart tightens, she nervously glancing at Li Mei Yun who is not far from her, she whispered: "No!"

"Still want to deny? Rest assured, I won't tell my Miss, anyway, Mr. Yu goes to many women's place, my Miss has known it and closed one eyes. But, you are so young but so wild, Mr. Yu is older by 8 years from you, right? What is your purpose? Because he handsome? Because his capability? Or because his money?"

"No! No! I don't..." Let it be, even there is nothing between us, it indeed that I sleep with him (Yao Yao means real sleeping together in one bed not sleep as having sex). Explain too much, there is useless. But why suddenly Xiao Zhen asked?

Unlikely...

"Miss Zhen, although you hate me but why you are accused Nan Lu?"

"Ha, I just want to help my Miss venting anger, who asked her to be your best friend?"

As expected Nan Lu was entrapped, she never thought that she would be burden for Nan Lu. Slowly she looked at Nan Lu who expressionless, she whispered: "I, I am sorry."

"Sst, don't say sorry Yao Yao, now, you need to keep silent too. Now!"

"But, what will happen to you?"

Nan Lu faintly smiled: "reassured, I, nothing will happen to me."

Why Nan Lu so confident? But if Xiao Zhen really have heart to entrap her, she must difficult to get away?

"Hah, Nan Lu, you are looked so calm. This, Luo Yao Yao, if you want to protect Nan Lu, you must leave this house immediately. If you leave, I can ask mercy from my Miss to forgive you, on this way, everything will be only misunderstanding, how about it?"

Leaving this house? There are many times she thinks to leave this house, okay? But will Yu Ao Tian let her to do so? "Zhen..."

"Sst." When Yao Yao wanted to speak, Nan Lu smiled, she closed her mouth but gesturing something in her hand.

So she just keeps silent as she asked to by Nan Lu.

"Well, no matter what you say, Xiao Luo, the stolen item has found inside Nan Lu's room, if Nan Lu doesn't say anything then I will go to report to police!" Xiao Zhen has already back to her normal voice, she turned to look at Li Mei Yun: "Miss, report to police?"

"Do as you like." Li Mei Yun expressionless said.

Xiao Zhen is glancing at Nan Lu and also Yao Yao, slowly walking to the telephone.

And then... at this moment....

Episode 112

"Peng"

Suddenly the villa's door opened. Mo Xue Tong rushed to inside.

"Miss Mo." All the maid saw Mo Xue Tong immediately gave deep bow (90degree bowing) while their eyes open-wide.

She gazed at Nan Lu, and coldly her eyes swept to Li Mei Yun: "What is going on?"

"Miss Mo, Hello, this maid has stolen my Miss..."

"Pa"

When all of people not yet reacting, Mo Xue Tong has presented Xiao Zhen with slap: "I don't talk to you!"

So cool...

Yao Yao who standing aside dumbstruck, Mo Xue Tong really cool, simply to say she gives feeling woman with man spirit.

"Miss Mo, there is time that Xiao Zhen not really good in speaking, but at least she is maid that I brought to here with me, even you wanted to hit dog, you must see the master, right?" Li Mei Yun who is keeping silent for this time spoke.

Mo Xue Tong eyes flashed coldly, slowly she walked in front of her: "Miss Li, now I can speak clearly to you, if you cannot learn well how to teach your maid, well I can make suggestion to Yu Ao Tian to change his girlfriend!" after said, she sneered, her finger pointed to Nan Lu who standing not far: "She is my little sister, in the future, please take care of her. I take my leave!"

"Miss Mo, have a safe trip." All the maids are bowing to Mo Xue Tong when she left.

Seeing Li Mei Yun expression that keep on changing, nervous to anxious, she has notice Mo Xue Tong as her toughest love rival, and today, Mo Xue Tong even dared to spoke that way to her, this time she has no choice but to suffer in silence.

"Xiao Zhen, go back to my room."

"Miss, how about Nan Lu?"

Her pair of eyes flashed, she gritting her teeth: "Didn't you hear what Miss Mo says? She is Miss Mo little sister. So that, this matter just let it." After she said, Li Mei Yun went to second floor with Xiao Zhen.

"Ha, Nan Lu, Nan Lu, have you already know that Miss Mo will come to help you?" They are also followed to leave after that two person gone, finally the living room atmosphere back to the normal, Yao Yao excitedly asked Nan Lu.

She smiled, nodded: "Yes. When Xiao Zhen said that I stole the bracelet, I have already known that she trying to trap me, so that I gave phone call to Miss Mo."

No wonder Nan Lu looked so calm. "Oh yeah, is Miss Mo really your elder sister, but why you address her as Miss Mo?"

"Did you know her in Japan?"

"Yao Yao, is there a problem?"

"HeHe, actually I ever studied in Japan, I just back not long ago."

"Ah?" once Nan Lu heard, she little bit shocked: "So that you ever stayed in Japan, perhaps you ever heard about... Yu Long Group?"

"I ever heard it, I also know that Yu Ao Tian is Yu Long Group's Big Boss." Yao Yao said, sweetly smiled.

Yao Yao knows all about him. "Yao Yao, since you have knew Big Boss Yu real identity, aren't you afraid of him?"

"How can I not afraid of him? But..

. " she smiled, she sighed: "Get used, so not that scared anymore." The most important that, even she afraid there is no use because she has signed the lover contract agreement with Yu Ao Tian, no choice.

"Yao Yao... I want to tell you my secret." Suddenly Nan Ma showed worries expression.

"HiHi, I just teasing you, Nan Lu. For me, I have admitted you as my best friend, so that, no matter what is your status I really not care." She calmly said, hugged Nan Lu.

It seems she has underestimated Yao Yao "power of acceptable". At same time, she really curious of Yu Ao Tian and Yao Yao relation.

"Thank You, Yao Yao."

"What to thanks, if really need to say thank you it must me because I can meet friend like you in here. Oh yeah, Nan Lu, I can sense that Miss Li seems to be afraid of Miss Mo, why?"

"HeHe, not only Li Mei Yun but normally all Big Boss Yu's women afraid of Miss Mo. After all, Big Boss Yu treats Miss Mo differently.

" After said, Nan Lu suddenly felt as if she said something wrong: "Uh, Yao Yao please don't feel get offense, I mean nothing, it does not mean that Big Boss Yu likes..."

"You rest assured. Nan Lu, I will never get jealous." She rolled her eyes, she mysteriously blinking her eyes toward Nan Lu: "Let me tell my secret too, actually... I not even love Yu Ao Tian, not even one bit!"

"What?" Nan Lu dumbstruck, the person who dares to say this perhaps only Yao Yao. But another second, her pair of eyes flashed, she felt there is footstep from the front door.

"Really, so that Nan Lu I told you, everything regarding Yu Ao Tian, I really won't get...uh" she only spoke half, Yao Yao mouth closed by Nan Lu's hand.

Nan Lu... what wrong with her? She confused to see Nan Lu nervous expression, frowned, cold sweat falling down: "Nan Lu why you close my mouth? I haven't done with my words. Humph, you say how could I not get jealous? If I not jealous it is strange! Seeing those women with Yu Ao Tian, I really pissed off. Think carefully, you say why I must love this kind of man? He really not loyal, really makes me pissed off!"

"Uh." Nan Lu really cannot think how the hell Yao Yao brain works this fast, she even cannot differentiate which ones is sincere from her heart and not, or is she has already knew the person who standing in front of door.

.. is Yu Ao Tian?

"Bao Bei!"

Yu, Big Boss Yu." Nan Lu nervous looked at door direction.

Yao Yao who backed the door suddenly her face turned dark, hehehehe, so Yu Ao Tian is really standing in front of door...

She turned, gave him dry-smile: "Yu, Yu Ao Tian, You, when you back?"

"When I back, didn't you already know it?" Yu Ao Tian smiled deviously, slowly walking toward her.

Her body is shaking, her small hand is made fist, when Yu Ao Tian stopped in front of her, her heart as if stop beating.

"You really not easy, on morning you are going to office and after go home you also need to work in here at night. Does Long Qi okay with this?"

"It's okay, he, he supported me so much."

"Uh. You are so lucky. If Ao Tian let me to have more job to do it will be good. But, I do understand Ao Tian because he really loves and adores me."

Seeing that "happy" face of Li Mei Yun, Yao Yao feels little bit odds, does Li Mei Yun is type of person who likes to show off her happiness?

"He He, Miss Li, it is good to know you happy, I go for work."

"En, takecare." Both of girls had done by exchanging their courtesy, Li Mei Yun eyes flashed, last night was "happiness" or "bitterness", perhaps only herself that know it. Just now she just acting in front of Yao Yao, she wanted to show her that she lives so happily with Yu Ao Tian, that is her main purpose.

Yao Yao arrived at office. When she arrived and wanted to sit in her seat, suddenly one of her colleagues informed her that she was called by General Regional Director, Mr. Wang.

Since the Chang Hong stock incident there are many of her colleagues envied of Yao Yao so when she left her office room to meet Mr, Wang, someone her colleagues are gossiping about her.

"Hah?" Yao Yao is startled by someone voice, she turned and saw, "Li, Miss Li."

"What are you thinking of keep on standing in front of the door? Why not come in?" Li Mei Yun smiles sweetly, slowly pushed open the villa door.

"Oh, nothing. I'm thinking about my work in office." Yao Yao followed Li Mei Yun walking inside the villa.

"Ahahaha, I don't know if you Little Girl also workaholic. You still think about your work after go home. Oh yeah, tomorrow is Saturday, you do you have time? Accompany me to go for shopping."

"Hah?" suddenly her footsteps stopped, Yao Yao frowned: "I am so sorry Miss Li Mei Yun.

Tomorrow I have thing to do." She really have thing to do, every Saturday it is time for her to visit her mother and also her grandpa and at same time it is her private time for herself.

"How is about Sunday? You won't have thing to do on Sunday, right?"

"I am sorry Miss Li, Sunday I must be in here working."

"Hey, Xiao Luo, my Miss because she likes you so that she especially looks for you to accompany her go shopping, you are only maid so don't be someone who does not know how to appreciate someone kindness." Xiao Zhen who is standing beside angrily said.

To be honest, if this is happen long ago, perhaps she still will be able to go out with her idol happily, but now... she does not want to have any relation with any others Yu Ao Tian's women!

"Xiao Zhen, you shut up!"

Yes... Miss Li."

"He He, Little Girl, if this Sunday you really must working in here, well just think me as Madam of this house, can I? You just take it as accompany the Madam, so this is also part of your job."

"Miss Li..."

"Don't reject me." Li Mei Yun does not give any opportunity for Yao Yao to reject her, gently she blinking her eyes but it also signaling Xiao Zhen to leave.

Yao Yao is thinking the way how to have less contact with Li Mei Yun...

Saturday, in hospital.

Yao Yao visited her grandpa in hospital and also her mom. When she arrived at the hospital her mom told her that woman who named Mo Xue Tong and her boyfriend Yu Ao Tian were coming visited them not long ago. When Yao Yao heard it from her mom she was extremely angry.

Moreover when her mom said both of them were asking about 14 years old incident that related to Luo Tian Ming, her father. The anger Yao Yao was trying to phone Yu Ao Tian but he not pick up his phone so Yao Yao looking for Long Qi who immediately told her that all of them were in Tian Shang Ren Jian (kind of place alike night club / bar).

She rushed to look for Yu Ao Tian in Tian Shang Ren Jian but being stopped by the guards who wore suit in black. She tried to enter that place even she telling them that she is Yu Ao Tian's lover no one believed on her, she shouting alike crazy but they were ignoring her as long as she stayed outside.

Fortunately Long Qi passed, so Long Qi helped her to meet Yu Ao Tian who is sitting on the third floor inside private room of Tian Shang Ren Jian. Seeing Yao Yao coming to find him, Yu Ao Tian face looked so fierce and dark. He never thought Yao Yao would come to find him in this kind of place.

"Why are you here?" Yu Ao Tian asked.

"You think I happily coming to see you in this kind of place. I come here because I have something important to say." Yao Yao said with her anger tone.

"Hey you, little girl! How can you speak like that to Big Boss Yu?" One of hostess who is sitting beside Yu Ao Tian Said.

Her pair of cold eyes looked at them, shouted: "I am his lover, all of you go out! Go out! Go out!" Yao Yao voice is becoming louder and louder.

This is the first time for Yu Ao Tian to hear Yao Yao admitting herself as his lover in front of many people.

He even feels something about her mood today.

Two beautiful women are looking each other and then they looked at expressionless Yu Ao Tian. They see there is no response from Yu Ao Tian so they are laughing: "Hahahahaha, you are Yu Ao Tian's lover? Little Girl, if you said that you are Yu Ao Tian's little sister perhaps we still can believe on you. Humph, but how can you fake to be his lover? We will let Yu Ao Tian comes to give you lesson!" after said, one of tall women waved her hand.

At the moment her hand was grabbed by Long Qi: "Hey, you woman, do you want me to cut off your hand?"

"Xiao, Mr. Xiao Long." That woman is terrified with Long Qi's murderous aura.

He coldly swayed that woman's hand: "I count to three, get lost, 3, 2,..."

Before counted till 1, everyone has gone so the room only left Yu Ao Tian, Long Qi and Yao Yao, three of them inside.

"Thank You, Long Qi..."

"It's okay." Long Qi smiled and then he left.

The private room suddenly deathly silent, the atmosphere is suffocating but Yao Yao has tried to control herself, slowly said: "Yu Ao Tian, I want to ask you..."

Without waiting her, Yu Ao Tian has strangle her: "Little Thing, your gut is getting bigger day by day, without my permission you even dare to come here to find me!"

"Yu, Yu Ao Tian, I can come here... to find you, because I have my urgency. Or else... you think I really willing to come here... to find you, a man like you?"

"What kind of man I am?" Yu Ao Tian is filled with murderous aura still holding at her neck: "What kind of man I am?"

"Yu Ao Tian! have free your hand." Yao Yao is difficult to breath, her small face has changed white pale.

Yu Ao Tian narrowed his eyes and loosens his hand.

"Why were you and Mo Xue Tong come to hospital?"

At this moment, Yu Ao Tian understood the reason Yao Yao came to find him. "Heh, how to say you are my lover, I want to see your family, can't I?"

"Can. You can come and see my family, but why were you asked Mo Xue Tong to fake as your girlfriend, moreover you asked Mo Xue Tong to fake as my best friend in front of my mother, lied to her. Although this kind of thing is not giving harm to anyone, but..."

" she made fist on her hand: "why did you ask Mo Xue Tong to lie that my father was her savior?"

"That was Mo Xue Tong's matter."

The way of Yu Ao Tian replied her, means the coming of Mo Xue Tong wasn't ask by him? Well! "Yu Ao Tian, 12 years ago you went to Japan, in Japan you just got acquainted with Mo Xue Tong, I would like to

ask you during that time Mo Xue Tong who live in Japan how could she know about my father? Moreover how could she be saved by my father 14 years ago from the burning down of Hua Mei Villa?"

During the time when Long Ye told Yu Ao Tian about Yao Yao IQ that reach more than 200, he had already known that, Little Thing is someone very smart, at this moment she has exposed her intelligent, she talked straight to the point. "Heh, Little Thing, you have said this much, what actually you want to tell me?"

"Whatever I wanted to say to you, you know it very well inside your heart." When she was in hospital, listened to her mom when talking about Mo Xue Tong, Yao Yao had lost her memory because car accident so she can't recall all the memory of 14 years ago about the Hua Mei villa case. She never dared to ask her mom about it because it was related to her father death and that matter always becomes her mom wounds.

After she left the hospital, the first thing she done was browsing all the information regarding Hua Mei villa case, but it was so bad! There was no clue that founded in internet.

Her father was government officer, since she could not find anything about this case, she realized the important of the case itself, so that...

This case must be protected by the government.

And then...

Since Yu Ao Tian asked Mo Xue Tong to find her mother and asked about this case, this mean...

"Yu Ao Tian, I thought... the real victim in that case must be you, right?"

"Little Thing, you better to put use your brain in right place or else it would killed you!"

"Huh." Yao Yao showed him faint smiled. This faint smiled pierce for Yu Ao Tian's eyes, it makes him even angrier: "Little Thing, are you scheming me?"

"No. I am not. I didn't do anything!" she said with weak voice.

Yu Ao Tian really wanted to kill Yao Yao but suddenly his eyes locked at that scar in Yao Yao's left shoulder.

Taking the opportunity Yao Yao said, "Before I coming here, I have thought, perhaps, when Hua Mei villa in fire it was my dad who saved you? But... it seems... after looking at your reaction, perhaps I have made wrong analysis!"

She never wanted to check on Yu Ao Tian, she is trying to find something from this man about the case, even little bit because she does not want this case become alike snowball.

"Yu Ao Tian, since when you know that I am Luo Tian Ming's daughter?"

Yu Ao Tian quiet, his mind has flowing to the others world.

"During the time I agreed to sign the lover contract agreement? You open your mouth and say that I scheming on you, didn't you who..."

He slapped her.

Her small face is hurt and burn hot, but she not cares, continued: "you dare to say that you never have intention to scheme on me? I have been curious for long time, I was only mistaken you as Host 2 years ago, but why you are not willingly to let me go? Moreover, I am not type of woman that able to attract someone like you, Yu Ao Tian must be types alike Li Mei Yun? So that during the time you asked me to be your lover, you must already know that I am Luo Tian Ming's daughter, right?".

Episode 114

After Yu Ao Tian listened to Yao Yao's questions, his face turned to be so dark. He never thought that Little Thing would come with this kind of conclusion, but, her explanations are reasonable.

"Little Thing you are making good guessed, I made you as my slutty lover because you are Luo Tian Ming's daughter. Are you satisfied to get this answer?"

Very satisfied! She could think her grandpa sickness unintentionally trapped and designed by Yu Ao Tian so she could jump in!

Actually even her grandpa isn't sick, she still will be Yu Ao Tian's meal!

"Yu Ao Tian, since today onwards I will work hard to be your slutty lover, fulfill whatever you ask! But, I don't want you to touch my family!"

Another slap is given by Yu Ao Tian: "Little Thing, you should be so grateful that I don't kill you, there is no qualification for you have to order me!"

Her nose bleeding but she just wiped it, her small hand is grabbing Yu Ao Tian's shirt collar: "That is right! I don't have any qualification. I am not more that little ant in front of your eyes, but Yu Ao Tian, I still want to warn you, if you dare to touch my family, you give your try or you must also kill me too or else... I will come to find and kill you!"

For the 19 years old Yao Yao, the way of living that she choose is following the flow and not hurt anyone, not to think all unhappy things as long as she enjoying her daily life. Because she knows, everyone has their youth period (blooming period), during her youth if she can act dummy so she can little bit be dummy, or when muddle headed. Later if she really entering the society, when she wants to be dummy or muddle head she can't do it anymore. That's why, although she knows there are people want to hurt her, if it still forgivable then she might forgive and forget about it, open and close one eyes. And then...

As long no one stepped into her limit!

While her limit is her family!

"You kill me? You little brat, I really want to know with what you able to kill me?" Yu Ao Tian took out his knife and pointed to her neck.

"Well, how about we give a try!" inside the private room the atmosphere is freezing cold.

"Hah, very expected eyesight!" Yu Ao Tian continued: "Damn, I have raised thankless wretch!"

Yao Yao left, leaving Yu Ao Tian inside the private room.

From the first time they met, Yu Ao Tian has already knew that a pair of Yao Yao's eyes are not belong to this kind of world, he hopes to see vicious eyesight in that eyes even one bit, so that she able to survive in this cruel society. But he never thought that eyesight which he expected shining from her pair of her eyes on the moment she felt hostile by him.

Slowly Yu Ao Tian sat on sofa, he looked to his pair of hand: "Cannot do it, hahahaha, I am Yu Ao Tian also have minute cannot do it!" he laughing helplessly alone. For Yu Ao Tian there is no one in this world that he cannot kill, there only the way he chooses how to end people's life, but just now... he really cannot kill Yao Yao!

"Ao, Ao Tian." the door opened by Long Qi who looked guilty.

His expression cold: "You tell all the things regarding me to Yao Yao?"

"I did tell her about 12 years ago you went to Japan.... It was me who told her. I am sorry, Ao Tian. That time I really didn't know that Yao Yao is Luo Tian Ming's daughter." Long Qi finally found out about Yao Yao from his older brother and Yu Ao Tian conversation, eavesdropped and then he rushed into the room.

Yu Ao Tian still in silence, Long Qi feels guilty, and then slowly walking in front of him: "Ao Tian... why didn't you tell Yao Yao, you also knew it recently if she is Luo Tian Ming's daughter."

"There is meaningless now!" Yu Ao Tian continued: "If Luo Tian Ming really has relation with that fire, the results still same, this point.

.. you must know it!"

Long Qi paused and his heart trembled: "Ao Tian, even though Yao Yao is Luo Tian Ming's daughter, but don't you still have other thing that tie with her?"

"It is not important anymore. Not important!" Yu Ao Tian sighed, sat down to the sofa.

**

Inside the dim study room, Yao Yao nervously looked her computer, she keeps on browsing the information regarding Hua Mei Villa case: "Nothing! Even the overseas websites don't have the information!"

Logically, if the government wants to avoid the case it will be blocked all the domestic sites reports but how the overseas site can also do not have, the case even not recorded, it is such mysterious. Or...

"Yao Yao..."

Suddenly the study room door opened, Yao Yao nervously looked at the door: "Nan Lu."

"Yao Yao, is it you? Are you crazy? How can you running into here? I have told you before, Master prohibited anyone to get into his study room."

"I understand. I understand Nan Lu. But the internet cannot access into overseas sites, it's only Yu Ao Tian's computer that able to access the overseas sites. I have very important thing that I need to check.

"You are not allowed to do it." Nan Lu anxious while her eyes keeps looking on corridor, hurried she closed the study room door, rushed in front of Yao Yao: "Hurry, we leave, if master back, both of us will be in trouble."

"I know. Wait for me, I will shut it down."

But during this time...

"Master."

"Master.

"

There is footstep from corridor that coming near to study room, Nan Lu face white pale while looking eye to eye with Yao Yao, the atmosphere inside the study room suddenly changed to be depressing....

Yu Ao Tian heading to his study room once he home, he has habit to turn on his computer and when his hand moving the mouse, suddenly his hand stopped in mid-air...

"Maid!"

"Master, do you need something?" Angel walked inside and asked.

He narrowed his eyes, coldly said: "Today who is entered my study room?"

"In reply to the Master, in this house no one dares to enter Master's study room, except those who seek death!"

Just to know, Yu Ao Tian has very sharp memory. He even knows where the last time he put his mouse, but today his mouse place had changed.

He looked around his room, and then he smiled deviously: "Oh ya, it seems there is someone seeking for death!" after said, his eyes locked on his book shelf.

Angel understood and then rushed into, when she opened: "Nan Lu? And also Miss... Luo?"

Yao Yao thought she won't be found out by Yu Ao Tian but...

The sensitiveness and Yu Ao Tian observation ability are too strong, strong to the level of scary...

Angel has pulled Nan Lu long hair while Yao Yao gets out by herself.

"Miss Angel, don't! Please let Nan Lu go!"

"Nan Lu, when you were coming to this place from the first time I have told you what thing you can do and cannot do!" Angel ignored Yao Yao pleading, coldly asking Nan Lu.

"Yes. Angel I remembered all you have told me."

"Since you remember, why are you still daring to enter into Master's room?" after said, Angel punched Nan Lu abdomen.

"No!" when Angel wanted to send the second punch, Yao Yao hurried catch her hand: "Miss Angel, it was me..."

"Yao Yao!" Nan Lu stopped her, shaking her head and looking at Yu Ao Tian who sat on his chair, she understands very well his Big Boss character even Yao Yao is trying to stop, Yu Ao Tian won't stop the punishment.

"Miss Angel, it was me! It was me who enter Yu Ao Tian's study room. And Nan Lu has tried to stop me, it simply nothing to do with her."

It seems that Nan Lu not really knows Yao Yao very well, Yao Yao is trying to put all the blame on herself.

Angel does not care what Yao Yao said, she swayed her away and then slapped Nan Lu's face.

"Please don't hit her Miss Angel, I have told you that it was me, if you want to give punishment just punish me okay!"

No matter how Yao Yao plead, Angel does not have intention to stop.

She really not bearable to see anymore, she hurried looked at Yu Ao Tian: "Let her go, okay? She does not have thing to do with all of this."

Yu Ao Tian ignored her.

"Yu Ao Tian! I beg you, I begging you! Go straight to me if you have problem, okay?" No matter how she begging, no one cares.

She feels helpless to see Nan Lu gets hit. Her tear suddenly is flowing down.

How can Yu Ao Tian act in this way? How can he be so heartless until this point? Does he mean to kill chicken and let the monkey to see it, he purposely to hit Nan Lu only to hurt her? But Nan Lu is his subordinate! How can he do this to his loyal subordinate?

Unreasonable! Unreasonable! World where Yu Ao Tian lives, she will never understand.

Yao Yao cannot bear to see anymore and then she left the study room...

About 10 minutes later.

"Miss Mo."

"Miss Mo." The maids are standing in second floor corridor bowing to Mo Xue Tong.

She walked faster heading to Yu Ao Tian's study room, when she arrived in front of the study room, she coldly glanced at Yao Yao who sobbing and pushed the door open: "Ao Tian."

Episode 115

"Xue Tong?" the appearance of Mo Xue Tong quite surprising for Yu Ao Tian, but when he looked at that petit figures who standing in front of the door, immediately he understood: "Angel stop!"

"Yes, Master." Angel stopped, not far from her, Yao Yao feels little bit relieved.

"Angel, what is Nan Lu fault?"

"Miss Mo, Nan Lu entered Master's study room."

"I understood." After Mo Xue Tong understood the situation, coldly she looked at Yu Ao Tian: "Nan Lu is my subordinate, as the rule, I must get the punishment too!" after she said, she gives herself a heavy slapped.

"Miss...Mo." Nan Lu shocked.

In front of the door, Yao Yao even more shocked and open wide her mouth.

Yu Ao Tian hurried rushed into her in front: "Xue Tong, are you crazy?" he looks at her face that she hit by herself.

"Forget it, Angel takes Nan Lu to have treatment!"

"Yes. Master." Angel took Nan Lu out from study room.

Yao Yao hurried to follow, before she leaving, she even glanced inside the study room...

At this moment she can feel the warmness and the concern showed by Yu Ao Tian toward Mo Xue Tong. She doubted herself whether this warm man and that heartless man are still the same person that she

knows or not? She can feel that Mo Xue Tong placed very important in Yu Ao Tian's life, a place that no one can replace.

"Nan Lu, I am sorry. It is me who cause you in trouble." Inside the room, Yao Yao applies the medicine to Nan Lu.

"Yao Yao, you don't act like this, this wound really nothing for me, long time ago when I was still in Japan, I had injured from countless wounds."

"Nan... thank you Nan Lu." Other than thank you, she really does not know what to say. She really should not make any movement inside "House".

"Miss Angel is little bit harsh." Nan Lu can see Yao Yao looked guilty so she joking.

"Is Miss Angel also Yu Long's people?"

"Hehe, how can you know?"

"I saw her skill little bit different from other ordinary people."

"En, Sis Angel is also Yu Long's people, but she is under Mr. Han supervision."

"Mr. Han? Han Li Shang?"

"Yes."

She feels she gonna faint, it really is having this kind of "subordinate" and then having same kind "supervisor", Miss Angel coldness and Mr. Han simply are same types of people.

"I thought all of you are under Yu Ao Tian supervision."

"It true that all of us are Big Boss Yu subordinate, all the people in Yu Long are belongs to Big Boss Yu. But because the members are too many so that it divided into groups. The first group is belongs to Da Long Xian Sheng/ Mr. Big Long (Long Ye), the second group is belongs to Miss Mo, the third group is belongs to Mr. Small Long (Long Qi)."

"En? Why there is no Han Li Shang's group?"

Mr. Han ah....." Nan Lu turns over her body and gives faint smile: "He is supervising the entire Jing Ying group, to be blunt it is assassin group."

"Assassin?" Woah, it sound so similar alike in dramas, she thought killer occupation is something fantasy, never expected that it really exist and now beside her.

"Miss Angel, is ki..."

"Sst. This is secret. To let you know Big Boss Yu has too many enemies. So that every place where he appears there will be some of Yu Long's men."

"Oh, he did too many bad things so that he has so many enemies."

"Yao Yao, it is not like that. Everyone who gets involved in Jiang Hu (Underworld) does not have freedom ah...." When Nan Lu spoke she took deep breathe, she looking at the ceiling, said: "You must know, actually Big Boss Yu carries too many burden that most of us the ordinary man won't ever can endure and responsible. Although he is not finding trouble to other, still... other people will come and seek his trouble.

"

This principle she understood, perhaps this is the reason when you are in top the loner you become. When the status is higher than more difficult it becomes. But she really cannot accept the method and the way Yu Ao Tian solving problems.

Forget it! Yu Ao Tian's world... she won't ever understand of it.

Knocking!

When both of these fellow sisters are chatting, there is knocking sound from outside the room: "Miss Mo."

"Nan Lu, how is your wound?"

"Miss Mo, I am okay. But how you..." Nan Lu hurried kneeling: "I am so sorry. I troubled you."

"Nan Lu, stand up." She hurried support her to get up, coldly gazing on Yao Yao: "although you were the person who called me, but! If this happen next time, I will surely...kill you!" after she said, Mo Xue Tong left.

But Yao Yao called her to help Nan Lu so that she hurried called Mo Xue Tong to come, and this word...

**

The Next Morning.

Inside the high-end department store, Li Mei Yun is wearing mask and sunglasses to the VIP passage through direct access of the VIP hall shopping mall.

This passage is especially design for the important shopper, inside there are lots of branded stuffs and the newest products displayed.

"Miss Li, welcome." One of the salesgirls is welcoming Li Mei Yun passionately.

Xiao Zhen and Yao Yao sat on the same sofa while waiting patiently Li Mei Yun in fitting room.

"Are these dresses beautiful?" Xiao Zhen asked.

She answered her by nodding her head: "En. Very beautiful."

"Humph, to let you know in here the dresses cost more than thousand dollar, of course beautiful!" Xiao Zhen eyes rolled, both of her hand enveloped her chest looking at Yao Yao's dress: "what brand that you wear?"

"Ti Tan Hua (buying in street)"

"Real or fake (are you sure)? Didn't you sleep with Mr. Yu, impossible even this small thing, you get nothing? So what is your purpose?"

She has been out since early in the morning with Li Mei Yun and Xiao Zhen but both of them keep on insisting her to go with them.

"To be honest, Xiao Luo, Mr. Yu has slept with many women behind my Miss. Those who slept with Mr. Yu at least would get 10 thousand for "night fee", do you really not get any even cents?"

"Miss Zhen, since you know my relationship with Yu Ao Tian, why didn't you tell your Miss?" Yao Yao really not understand, if Xiao Zhen really feels bad for her Miss why didn't she tell Li Mei Yu? Moreover she looked too suspicious because Xiao Zhen loves to gossip Yao Yao-self as Xiao San but does not look alike she cares about Li Mei Yun.

"Will it benefit for me if I tell her? If Mr. Yu knows that I am the person who says it, I might get trouble. Moreover, if my Miss knows about you sleeping with Mr. Yu, doing that dirty thing, don't you afraid being joke for my Miss? Humph, being slept but not even gets branded things, you say, didn't you do for nothing?"

Listened to the way Xiao Zhen spoke, Yao Yao cannot endure anymore: "Miss Zhen, what do you mean? Inside your heart, sleeping with man only for having branded things, if it is, you must be really not worth!"

"You! Fine! As what you say, you sleep with Mr. Yu not for money so for what? Because you worship him and then you sleep with Mr. Yu? If yes, I only can feel that you are so wretched, being third wheel, simply to say shameless!"

Yao Yao really angry toward Xiao Zhen but after she thought for some times, she just let it go. It is useless to waste her saliva talking with someone like her.

Not long after that Li Mei Yun has done choosing her clothes, when she wanted to settle the payment, Xiao Zhen pulled Yao Yao, faster pointed at cashier: "Have you seen that card in Miss Li Mei Yun's hand?"

Card... didn't that card which given by Yu Ao Tian to her before? Why Xiao Zhen asked her to see at that card?

"Let me tell you, that card was given by Mr.

Yu to my Miss. It says that the card has more than billions. It is limitless VIP gold card. Forget it, perhaps you are not understood what I say. When will you can reach to my Miss level, but seeing you like this, I think you won't ever can be like her!" after Xiao Zhen showed off she glanced at Yao Yao.

But Xiao Zhen didn't know that card was given to Yao Yao before by Yu Ao Tian but Yao Yao had refused it.

After they done with shopping, Li Mei Yun and Xiao Zhen still do not stop. They wanted to continue to go to Karaoke and drink with Yao Yao. Li Mei Yun takes them to one of most famous entertainment place where many famous people like to visit. She reasoned that she wanted to meet her friend so Yao Yao cannot refuse her.

Li Mei Yun brought both Xiao Zhen and Yao Yao to entertainment place and which already booked by Li Mei Yun's friend, the private room. Because it still noon so the people is relative few. The rooms in this place are designed uniquely because beside karaoke, bars there also bedrooms inside and also decorate beautifully.

When Yao Yao gets inside she could see there are about 7 or 8 men inside the private room with thick cigarette smell and also many alcohol drinks left.

"Hey, Ming Hui, it only noon, but you had play night life?" Li Mei Yun sat beside on that man.

At one glanced Yao Yao has recognized this man is one of Sha Lang (Sharon) band member, the lead singer, Ming Hui. Others than him, few of the men seem to be other fellow member. Sha Lang band is two stars group band, Yao Yao knew it when she just back to China, watching the entertainment news. Every week there might news about their singer lead, Ming Jui who slept with their fans, whatever really not good news.

"Sis Mei Yun, you must know that I can't leave alcohol, right? Hey, give Sister Mei Yun a glass!" Ming Hui asked other man to pour drink for Li Mei Yun.

To unknown, Li Mei Yun refused strictly: "Ming Hui, earlier I have cut it off!"

"Oh, okay, since you served* that Yu Ao Tian!"

It means since Li Mei Yun enslaved and also being Yu Ao Tian prostitute. The sentence has very negative meaning.

"Can you not speak that unpleasant? What do you mean by served? Li Mei Yun's face dark. But her eyes showed bitterness and glanced at Yao Yao.

At sudden Ming Hui said: "Okay, I am wronged. I am sorry sister Li Mei Yun."

But Ming Hui knows very well about Li Mei Yun past. Although she born in wealthy family but she has rebel character. She started to touch alcohol and smoke since her high school. And then, she entered the entertainment business and became the rebel queen in showbiz, this image attached her for sometimes until she met Yu Ao Tian, to followed whatever he asked her to do.

"Hurried, let me hear my new song." Li Mei Yun said while looking at Xiao Zhen and Yao Yao continued:
"Both of you looking for the empty seat to sit down."

"Yes, Miss." Xiao Zhen swept her glanced to all the people inside the room, when her eyes looked at man who has "good" appearance she sat at his besides.

"Little girl, you also find place to sit, ah forget it, come let sit here."

"No, Miss Li, I..."

"Come here." Li Mei Yun dragged Yao Yao to sit beside Ming Hui: "Let me introduce this is Min Hui and she is my fan, called..."

"My name is Luo Yao Yao, Miss Li."

"Oh, I am sorry. I forgot to ask your name."

"It's okay."

"Little girl, how old are you?" it oblivious Ming Hui eyes flashed when looking at Yao Yao.

"10...19."

"Uh. You are not underage right? You looked so young. Do you know me?"

Yao Yao nodding: "Watching from... television."

"hahaha, did you ever hear my songs?"

"Never." Staying in this kind of place simply is tormenting, she hates smoke, she also dislikes Ming Hui.

"Now, you try to listen, give me your comment." Ming Hui clasping his fingers.

The music is slowly flowing inside the private room: "Your music is not bad."

"Thank you sister Li."

"Don't mention it."

"I take my leave."

Finally can leave! Yao Yao sighed, heaven knows that she really tortured when listened to the music.

"Sister Li since you coming, sit bit longer ah."

Oh my, Yao Yao signaling Li Mei Yun to hurry leave. But Li Mei Yun acted as if she sees nothing: "Alright. Anyway, it is still early. I sit here little bit longer."

Frustrated!

Li Mei Yun is talking with man while Xiao Zhen is playing with few men and Yao Yao sitting silently doing nothing.

"Yao Yao, don't only sit, accompany me to have drink." Ming Hui is trying to have conversation.

"I am sorry, I have allergic toward alcohol. I cannot drink." To be honest since the incident with Young Master Cong, Yao Yao had learned to be smarter. She will use allergic as excuse so that she won't force to drink.

"Oh." Ming Hui frowned but still asked: "Smoke?"

"I can't."

"Uh. You cannot do all, how about dance?"

"Really sorry, I also cannot dance."

Ming Hui always have confident toward his appearance, but for this time, Yao Yao toward him is extremely cold, it obvious he almost lost his patience: "Well, let me teach you dancing, come!"

"No..." without waiting her to reject, he has pulled her to dance pole.

"Ming Hui, dance dirty dance ah!" some of people are shouting to encourage.

But Yao Yao really does not want to dance with Ming Hui. That man keeps on insisting and later when his hand touched on Yao Yao, she slapped him. Ming Hui pissed off,

"You M*F*, Little girl, it is clearly you are the one who come and seduce me, now you dare to slap me?"

"How I seduce on you?"

"Humph, don't deny, a girl like you, I have met many before. Rest assured, I know that you wanted to climb in to my bed and then show off with your friend. I granted your wish!"

Does this person who called Ming Hui mental? What can be showed off if she sleep with him?

"I asked you once again, let me go or not!" Yao Yao showed her strong attitude, her lips curved upward, coldly said: "Well, I will report to police.".

Episode 116

When Yao Yao takes out her phone and intended to make phone call to police, suddenly her phone smashed by Ming Hui. She is taking to another room with big bed by Ming Hui and followed by few men.

"What are you guys want to do?"

"You make guess! Little Girl you are seducing us to bed, all of us are normal men, of course we wanted to grant your wish. You relax, when things done I won't treat you miserably." After said, Ming Hui is intending to kiss Yao Yao.

"No! You let me go, what you guys do are called as raping, don't all of you afraid of jail?"

"Humph! Rape? Who will have the evidence? Moreover, in this world there are too many things that can be solved with money. You are sending yourself off to the door, although we go to police, we can say that you are seducing us."

It is too outrageous, although they have money but how can they be brazen to this stage? This must be master-mind behind all of this. Li Mei Yun?

When Yao Yao caught by few men, Xiao Zhen and Li Mei Yun are happily leaving the entertainment place and go home, wishing for Yao Yao bad luck. Xiao Zhen even praised Li Mei Yun for her plan to strike Yao Yao down.

Meanwhile...

Yao Yao super angry and still fight with those men. Have no alternative, she coldly said: "I am Yu Ao Tian's woman! If you have guts to touch me, let we see!"

"It is obviously you are the one who coming to meet us and also seduced us. If you have guts to tell Yu Ao Tian, it only an empty talk. When the time comes, I believe based on Yu Ao Tian nature he does not want to be put green hat (cuckold), right?"

Finally Yao Yao understood about Li Mei Yun scheme. She can put all the blame to all these men while Yao Yao might be the one dumped by Yu Ao Tian if he knows this matter. But Li Mei Yun has mistaken

one thing. She does not know the real Yu Ao Tian, problem is simple if Yao Yao really get dumped but after that Yu Ao Tian might kill all her family. She cannot let this thing happen. She must find the way to out...

When Yao Yao is trying to escape herself from these few men...

Feng Chen Yi and Ou Yang Zi Xuan apparently are passing by. At the beginning Ou Yang Zi Xuan is showing off his new place that recently gave by his father to Feng Chen Yi. When both of them are still in their conversation, suddenly Feng Chen Yi heard something and asked Ou Yang Zi Xuan did he hear something alike someone asking help.

After while, both of them are found out the source of noise coming from. They spotted Ming Hui and his friends are trying to do something with a girl. Ou Yang Zi Xuan and Feng Chen Yi even stopped and said hello to Ming Hui and his fellows. But...

Looking carefully, Ou Yang Zi Xuan recognized Yao Yao.

"Chen Yi, aren't you going to save her?" Ou Yang Zi Xuan asked Feng Chen Yi who keeps walking and ignored Yao Yao until...

"Chen Yi... I beg... please help me." The miserable sound from Yao Yao's voice echoing to Feng Chen Yi's ears.

"Damn!" hurried he back to that room and save Yao Yao. Ming Hui and his fellow friends looked shocked when they saw Feng Chen Yi coming back to save Yao Yao and even hit him.

"Young Master... Feng." Ming Hui still dumfounded being hit by Feng Chen Yi.

Still hug Yao Yao into his embraces Feng Chen Yi said: "Zi Xuan, the rest you deal with them! In shortly, I don't want to see this few men anymore!" hurried he takes Yao Yao to another private room.

"Young Master Ou Yang, what did Young Master Feng mean?"

"It is on surface meaning, what can it be other? As you guys know that Feng Chen Yi never played something alike underworld thing but..." Ou Yang Zi Xun punched Ming Hui once and looked so excitedly smiling: "I am playing underworld things!"

"Ou.

.. Yang Young Master, let us go, please let us go." Few of men are kneeling and kowtowing in front of him.

Ou Yang Zi Xuan pointing at them: "It is not me who wanted to mess with you guys, but all of you had heard that Feng Chen Yi did not want to see you. All of you begging to Feng Chen Yi! But, I have good intention to inform you guys, that little girl, she was his...EX... Girl... Friend!"

At the moment all of the men are dumbstruck. Before they dared to touch Yao Yao, Li Mei Yun had promised them, nothing would happen even Yu Ao Tian won't get involved to this matter but...Li Mei Yun didn't tell them about she was Feng Chen Yi's ex-girlfriend. This time they are not even turned to be dead-meat, mince-meat, but also doom for them!

Ou Yang Zi Xuan commanded his men to take all those men who still kneeling and kowtowing through behind door.

While this time, Yao Yao and Feng Chen Yi are arguing inside other the private room. Every time both of them meet, they always quarrel and hurting each other and this time no exception. The matter actually so simple...

Yao Yao : "Why didn't you help me immediately but instead after I begged you?"

Feng Chen Yi : "Is begging me is too difficult for you?"

Yao Yao: "You are so bossy, do you think world is revolving around you? You are really bossy, too domineering. It stills same alike two years ago when I was still your girlfriend. You tried to control me and now after we broke up you still so busy doing to control me!"

Feng Chen Yi: "How can you be here?"

Yao Yao: "None of your business!"

Their fight is starting from arguing and almost ended by Yao Yao get violating by Feng Chen Yi.

"Chen Yi, stopped. You cannot do this."

"What? Are you scared? What are you scared for? Scared that man would know? It is okay, he won't know it! Although he knows... you can back to my sides!"

Yao Yao quivering: "He will know it, he will know it obviously, because until now... both of us, we are haven't do it!"

At the moment, Feng Chen Yi cold smiled turned to be rigid. Taking this as good opportunity, Yao Yao pushed him away.

"You and that man aren't done it?" Feng Chen Yi really cannot express what kind of mood he has now, he really does not know whether he feels so happy because knowing Yao Yao still virgin or because Yao Yao does not have any relationship with that man.

"He and I..

." suddenly she stopped, she still expressionless looking at Feng Chen Yi, but the moment she wanted to explain her relation with Yu Ao Tian she really does not know how to say so, "He respects me, he is someone different with you, he won't do it to me!"

"Luo Yao Yao!"

Yao Yao quickly leaving that place. She really does not know whether it right or not to tell Feng Chen Yi that she still virgin, but if she didn't say that, seeing the way Feng Chen Yi looked at her just now, he won't stop.

**

Villa...

She is standing in front of the front door...

She really does not want to see Li Mei Yun's face, she does not want to matter that exposed to her, and moreover, she does not want to see this house!

She is opened the door.

"Little Girl! Little Girl, you are back." The first person who rushed in front her is Li Mei Yun, her nervous expression is still weighing on Yao Yao: "You... all must be blamed on me, all must be blamed on me! I really should not pick my phone, I have heard from Xiao Zhen, she was not taking care of you, I have given her severe punishment. Waiting you back to home, you are not... I still..."

Did she think Yao Yao suicide?

Enough, when things already in this mess, Li Mei Yun put all the blame into Xiao Zhen, what kind of Madam she is? How could Xiao Zhen act this reckless?

But after this thing happened, Yao Yao who feels so guilty toward Li Mei Yun finally could rest assured, this count as make even for both of them!

"Hahaha, Miss Li, don't be worry, I am fine." Yao Yao smiled brightly.

Li Mei Yun dumbfounded: "Are you okay, didn't they do something to you?"

"Yeah, don't you know that I was saved by good person, that person helped me. Oh, the person even borrowed me his suit. Hahahaha!" She sweetly smiled to her: "Miss Li, if there is nothing you want to talk to me, I want to get into my room for changing my clothes."

"Wait!" Li Mei Yun looked at that suit, she really not dare to think that Yao Yao has that good luck!

"Heheheheehe, since everything is okay, this matter... would tell Yu Ao Tian? Or else he would think that I might be friends with "neither one thing nor the other"?"

Of course she won't say, she still afraid Yu Ao Tian will know about Feng Chen Yi!

"Alright, I won't tell Mr. Yu. But Miss Li..." her eyes gleaming and sneered: "I hope this is the last time!" after said, she hurried to third floor.

"Yao Yao what is happen?"

"Go inside room, we talk."

In the third floor, Nan Lu hurries enter in to Yao Yao's room. Once she gets inside, quickly she takes off the suit.

Nan Lu shocked when she saw Yao Yao dress that tear off, her expression changed: "Yao Yao, did you?"

"Li Mei Yun perhaps already known about my relation with Yu Ao Tian."

"Do you mean.

.. she asked you to go out this early in the morning and... find people to..." Nan Lu extremely angry: "Now I will call Big Boss Yu, I will tell him all of these things!"

"Don't! Nan Lu!"

"Why not say? Li Mei Yun really too overboard! Early I have told you this woman isn't good thing, she quite merciless when dealing with this!"

"Nan Lu...." Helplessly she smiled: "Actually if we can put ourselves and view from her side, if you were Li Mei Yun, your beloved man has lover outside what will you do? Moreover this lover even showed up in front your eyes every day."

"But you dislike Big Boss Yu? You don't have intention to fight over!"

"All are same, Li Mei Yu does not know. She only fantasizing I am as lover who wanted to take her man, her love rival, although she really despicable but all because love. Anyway, I am okay, experienced this thing, I felt not owing her anything. This sound good too." Nan Lu really confused to hear her explanation.

But Nan Lu cannot do anything, because she believes everyone is selfish. She cannot deny Li Mei Yun's point of view, she thought Li Mei Yun done thing very beautiful but when she looked at Yao Yao, she feel Li Mei Yun not less than wicked shameless B*

"Ah~ forget it, as long as you alright. But the hickey on your neck...."

"Hickey?" she faster rushing into her bathroom, she sees the hickey that imprinted on her neck.

This... Ming Hui did it? No although that man was rough but he not even did anything to her, this must Feng Chen Yi...

If this hickey is remained here, I am in trouble!

"Tutttututuutuut"

"What is going on? Why Ming Hui does not pick his phone?" inside the room, Li Mei Yun is panic, calling Ming Hui phone but he not picks it.

"Miss, it seems that slutty little girl really have quite good luck, on that situation she still able to go home safe and soundly. You say, what will happen if she tell Mr. Yu? But, it seems she has promised you not to tell him."

"It is only you who believe that she won't tell!" Li Mei Yun glared at Xiao Zhen: "Anyway she seems to be okay, she must take this advantage to act alike spoiled child to Yu Ao Tian!"

"Perhaps, if Mr. Yu asking for explanation it would give us trouble."

Episode 117

Seeing Yao Yao went home safe and soundly, Li Mei Yun and Xiao Zhen aren't stop right there. Both of them are afraid Yao Yao made report to Yu Ao Tian regarding the incident that happened to Yao Yao with Ming Hui and his fellows.

"Miss, you don't need to be so worry, perhaps in minutes young master Ming Hui will call you back." Xiao Zhen comfort Li Mei Yun and she spoke to herself: "That slutty little girl had slept with Mr. Yu, she must not virgin anymore so whether she got rape or not no one really can check it out, right?"

"En?" Li Mei Yun eyes rolled, "Xiao Zhen, what did you say?"

"No, Nothing, I just talking to myself. Only talking to myself."

"Xiao Zhen, you say one more time what did you say before."

"Miss, when that little girl went home I spotted there was hickey on her neck, moreover her clothes was torn-off, that time inside the room there were many men, she said that she wasn't raped, I really not believed on her. Who would be busy-doing came to save her. Of course, Miss this just my assumption."

"No, Xiao Zhen, this is not simple assumption, this... real thing. She must be raped by that group of men!" after said, Li Mei Yun lips curled up, she smiled happily....

"Master."

At ten o'clock, night time.

Yu Ao Tian went home. Once Li Mei Yun heard the maid greet Yu Ao Tian, she rushed to his side who is apparently sitting in sofa. Smiled she called, "Ao Tian, you come back."

"En." Yu Ao Tian ignored her. He took one newspaper and read it.

"Have you had your dinner?"

"I had."

"Oh, Ao Tian... I... I have something to say... to you." Li Mei Yun showed her anxious expression in front of him.

"What?"

"That, can you go to room with me?"

Yu Ao Tian frowned, coldly said: "If you have words, say it in here."

"Uh.... this..." Li Mei Yun mumbling while her eyes looked at everywhere.

He is clearly impatience; he put down his newspapers, stood up: "Mei Yun, if you really don't want to say it, you really don't need to force yourself."

"No! Ao Tian. Actually... this matter is regarding to that little girl."

"En?" finally it attracted Yu Ao Tian's attention, he curved his lips up: "What about her?"

"Today, I brought her went out."

"En."

"And then... and then... we met Ming Hui and his fellow band mates, that little girl said that she liked Ming Hui, both of them had good conversation..." until here, Li Mei Yun as if got chocked, her eyes already red.

Yu Ao Tian looked so dark: "and then?"

"And then... and then.

..I was out to received the phone call, Ming Hui and his fellow friends took that little girl... hu..." Li Mei Yun looked so sad, crying, looks very guilty, lower her head down: "I am sorry Ao Tian, it was my fault, I really didn't think that Ming Hui and his fellow friends..."

"Where Yao Yao is?" Yu Ao Tian didn't want to hear any shit Li Mei Yun wanted to continue, he just wanted to see Yao Yao.

"She is, she is in her room."

After Li Mei Yun replied, Yu Ao Tian has already rushed to Yao Yao's room.

He pushed that room door, inside is so dark, no light, Yu Ao Tian turned on the light.

Yao Yao who is lying down suddenly changed her position into sitting: "You... you come home."

"Why are you sleeping this early?"

"I feel uncomfortable, so I want to take rest." This is their first time having conversation after their last confrontation, Yao Yao face looked so nervous, her eyes is avoiding his eyes.

And then, the nervous expression of Yu Ao Tian suddenly turned be so gentle and warm, he walked slowly to her bedside, his eyes looked at her neck plastered with hansaplast: "What happen to your neck?"

She feels that her heart will jump out, but she stills pretend to be so composed: "Get scratched."

"Scratched?" an instant, Yu Ao Tian tear-off the hansaplast, it is hickey imprinted in her neck.

Yao Yao hold her breathe, nervously looked at him.

Did Li Mei Yun tell Yu Ao Tian? or else how could he found out?

The atmosphere inside the room is suffocating, Yu Ao Tian's narrowed his eyes: "Little Thing, for this such long time, why don't you learn to be little bit obedience!" when he entered this room, when looking at Yao Yao, he was so sure that she is alright or else, based on her character, she might crying so how could she sleep so soundly? But he also sure enough for 100% this little thing would make excuse or tell lie to him!

Suddenly Yu Ao Tian takes up his phone, she is so curious what he wants to do but when she heard... he spoke and made commend through the phone call: "Stop the medication of Luo Chang!"

"No!" Yao Yao grabbed the phone from Yu Ao Tian, immediately she hung up, although she had paid her grandpa operation fee but the medication fee is paid and supported by Yu Ao Tian, if they stopped her grandpa medication, she really does not know what will happen then!

"Yu Ao Tian, what you..."

"What did you do with those men?"

"Nothing!"

"Did they touch you?"

"They, he just kissed me."

"En?" the meat that sent in front their mouth, but they not even took a bite?" Yu Ao Tian eyes rolled, he sneered: "You say. Would I believe it?"

"Yes! They were trying to rape me. But I was lucky because few of security guards were there to help me. If you are not believed on me, just ask people to come and check on me!" Yao Yao turned the topic to checking her body.

But whatever she said had already predicted by Yu Ao Tian! "No need to have body check, I believed on you. But, I remembered you ever told me that you idolized Li Mei Yun, but how could you also fan of those second stars singer?"

What Yu Ao Tian intending to tell her? Looking at his eyesight, Yao Yao has something alike bad omen, did Li Mei Yun told him that she idolized Ming Hui, so that she...

"It was not me, it was them..."

Ah~ forget it, there is so useless to tell him, Yu Ao Tian loves Li Mei Yun, how would he believed on her? Moreover regarding to her father's matter, he must be thought her seeking for excuses.

"Just think as what you want, if you think that I was the person who came and seduced them, well, just think as you wish. Whatever, it was you who asked me to learn to be slut bitch lover? Well, I was trying to learn to be, just as you wish!" Actually she just peeved with Yu Ao Tian so she spoke like that.

He fisted, but at moment, he sneered: "Good! Very good! I really think you must learn to be the slutty.

Well, you can make your debut as slut's maid!" his expression is so cold, "Starting tomorrow, you are Li Mei Yun's personal maid, after you go off from work, you must serve her!"

"Yu... No! You know me very well that I and her... why you must do this? Just take me back to where I used to stay. I don't want stay in here. Just blame me for everything as my fault and I begging you, let me go and send me back to where I lived before!" she really does not want to have any involvement with Li Mei Yun, does not want, if things keep on continuing, later or sooner Li Mei Yun will make her to take action, when the times come, she afraid she will be the second Li Mei Yun, she just does not want to be...

"You don't have option!" he left her room.

"Ao Tian." Li Mei Yun is standing in corridor still with tearing eyes.

He smiled deviously in front of her, his hand caressed her face: "Mei Yun, you don't need to be guilty. But..." his pair of eyes hinted something: "You really should thank... thanks those few security guards who helped Luo Yao Yao!"

"What... are you mean?" Li Mei Yun could feel that her heart nervous to the point would jump out.

"What I mean, don't you understand it?" Yu Ao Tian smiled even scarier and purposely said: "I still have thing to settle, I go out!"

"Oh, Okay. Be careful." Her eyes is still looking at Yu Ao Tian who has already walked far, anxiously, Li Mei Yun goes back to her own room.

"Miss, what happened? Why you looked not good?"

"It is bad! Xiao Zhen, I think Yu Ao Tian knew it was me who did it." If she isn't make wrong guess, that little thing told Yu Ao Tian she was helped by few security guards, so that Yu Ao Tian would tell her to thank those few security guards. He was so scary when he said it.

"Miss, if it was true, Mr. Yu must be so pissed off toward you, but he didn't show any sign?"

"Uh..."

"I think that little girl isn't someone important to Mr. Yu. Although Mr. Yu knew this matter, he not even reacted. Miss, instead sad, you must be happy."

After heard Xiao Zhen words, Li Mei Yun is trying to "digest", it seems what she told quite logical, if that little girl really important for Yu Ao Tian, why he looked not care toward this matter?

"Ah, as expected, that little girl wasn't make report to Yu Ao Tian, furthermore she really someone not important for him, I do also won't let this person become torn in my flesh!"

Inside the darkness, a car is moving so fast to Berson: "Long Ye, now you take few men to bring Ming Hui and his fellow friends to Yu Long."

Long Ye who is in other side of phone: "He seem is second star singer, how he offended you?"

"I told you to bring him here, just do as I said!"

"Understood, understood." Long Ye helplessly shook his head when hung up the phone call, but not long after that, he phoned: "Ao Tian, those men who you called to bring, all of them are in Feng Chen Yi's hand."

"En? With him? Okay, I understand." Yu Ao Tian drove his car to Berson parking lot, and then he took out his phone: "Chen Yi.

"

"CEO Yu, what can I do for you in late of night?"

"Oh, it nothing really important, I want to take few men from you."

"Few men?" Feng Chen Yi coldly asked: "Ming Hui and his fellow friends, are they?"

"Yes."

"I am so sorry CEO Yu, although those few men are yours men, I really can't help you!" Feng Chen Yi is hard-line his words.

But Yu Ao Tian really got his meaning: "Chen Yi, those few men aren't my men. If I don't make wrong guessing, both of us have same intention toward them. I know you are not touch things in underworld, so it better off to take those men to my place, at least... I will give you very satisfactory result!"

"En." Feng Chen Yi answered Yu Ao Tian, he understood Yu Ao Tian intention, but still he so curious how Ming Hui and his fellow friends, second star singer, offended and provoked Yu Ao Tian, a living demon!

"Okay. I will send them to you, this time, I really need to bother you CEO Yu."

"Same " same."

After half hour, Feng Chen Yi has sent Ming Hui and his fellow friends to Yu Long.

Few men are kneeling with bleeding all over their body while Yu Ao Tian who sat on his throne, frowned: "Are they?"

"Ao Tian, they are those men who you looking for." Long Ye smiled helplessly.

Yu Ao Tian moves one step to see and measuring, all of their hands are already chopped, their tongue has been cut apart, their eyes already dig out, even the muscle has been sliced.

"Aiya." He sighed, little bit disappointed shook his head: "This time Feng Chen Yi absolutely pitiless, he doesn't leave some place for me, how can I "play"?"

"Big boss Yu, how about this person?" some of men in black who pressed on Ming Hui asked.

He looked unhappy, waving his hand: "Just find somewhere and bury him alive."

"Yes. Big Boss Yu!"

"Huhuhu! Huhuhu!" those men who kneeling in the floor cannot say anything because they tongue had cut off so they just can huhuhuhu but it is so obvious all of them are begging forgiveness.

But based on Yu Ao Tian heartless and merciless characters, he hasn't had opportunity to torture them so he is really in bad mood moreover hearing their huhuhuhu sound begging for forgiveness...

"Forget it, I have other idea."

Those few men in blacks stopped and listened to Yu Ao Tian new command.

He sat back to his seat, one of his hand supports his chin, smiling deviously: "Take one big tub with boiling water, and then... put them inside. Just drown them slowly until they die!"

" Uh, Ao Tian, are you thinking to boil vegetable?" beside him is Long Ye who laughing.

He shrugged his shoulder: "Can't do anything, who asked that Little Brat, Feng Chen Yi had done without left any place for me."

"To be honest, Ao Tian, I really don't understand how these men offended Feng Chen Yi, a person who never has contact underworld things, but he absolutely quite merciless, he must have big hatred toward them, mustn't him?"

Yu Ao Tian looked at those few men, helplessly said: "Who knows..."

"Hu! Huhu..." inside secluded big hall, Ming Hui and his fellow friends are begging miserable. They must never think that in their life, two highest status men, one is because his EX-girlfriend, he tainted his hand with underworld things and the other is underworld emperor, ended their life in this kind of way.

When Li Mei Yun looked for them, they knew very well, Yu Ao Tian is someone they are not effort to offend, but they really didn't know... Yu Ao Tian has other status as Underworld Emperor!.

Episode 118

If they knew, they would not dare to touch Yao Yao, even they beaten to death. Of course, until now, Li Mei Yun still does not know the other status of Yu Ao Tian....

"Xiao Luo, the hickey that imprinted in your neck really sexy ah."

"Xiao Luo who was imprinted that hickey?"

"Woah, Xiao Luo I never know that you this young is learning to be bad girl."

Since morning some of Yao Yao fellow colleagues are asking about her hickey. Actually no matter how she hides it, everyone could make their own guess. Even her best friend, Bai Ling also teased her.

"Good morning, Long Qi!" Yao Yao greeted Long Qi when she met him in front of his office room.

"Flat Chest, what are you doing in here?"

Oh my, why Long Qi can't speak properly? This is in front of service Department, the way of his speaking, what will those fellow colleagues think if they heard what he said?

"I, I have something to do."

"Oh, Bye Bye."

"Bye..." she wanted to bid good bye but suddenly Yao Yao remember something, she pulled Long Qi:
"Do you have time?"

"Ugh?" Long Qi rolled his eyes, smiled: "What? Do you want to date with me?"

"It's not. I have something to ask you. Can you give me few minutes?"

"Asking me few things? Come to my office room." Long Qi leads Yao Yao to his office room in service department. "Sit down."

When Yao Yao sits down, her expression has changed to stern: "Long Qi, I want to ask you... how many things you know regarding to Yu Ao Tian?"

"En? What do you want to know? Why don't you ask Yu Ao Tian directly?"

Everyone knows that asking Yu Ao Tian directly is mean suicide, moreover these things are something that he never wanted to bring up: "It is not like you don't know last time I had argued with him inside Tian Shang Ren Jian, now he ignored me." As additional yesterday matter, both of them are in cold war now. "Long Qi, do you know the case about Hua Mei villa? Yu Ao Tian... does he have grudge toward my father?"

"How that is possible!" Long Qi denied Yao Yao hesitation: "I know when Yu Ao Tian was little he lived in Hua Mei villa, moreover, he was the victim of that fire case, but that things actually was incident, he does not have anything alike hatred or grudge toward your father."

"Ah? He does not hate my father? But why last time he came to hospital with Mo Tong Xue, met my family and asked them about this matter?"

"Aiya, about that matter, I have heard it. Yu Ao Tian was doubted about that case, perhaps it was something had connection with your father but later on he had checked it. It was really purely incident. It was really nothing to do with your father."

"Is it all about it?" after she listened to Long Qi she feels much better, but still...

"But, last Saturday why were Yu Ao Tian expression showed as if... those things were my father fault?"

"Flat chest, you not really know Yu Ao Tian, Yu Ao Tian is type of person who dislikes explained himself or things toward anyone. He hates people digging and asking about his past, moreover last Saturday was your fault because you straightly barging inside the room. He must be so angry that time. You ought to take a break he really won't harm you family." Long Qi reassuring Yao Yao and looked so serious to his words.

For Yao Yao it is something important, if Yu Ao Tian really angry toward her because she barging into the room, she could feel little bit relieved.

"Hehehehe, Thank you Long Qi. Oh yeah, was my father the person who trustworthy to supervise Hua Mei Villa case?"

"Uh... didn't you know it?"

She helplessly smile, lower her head: "When I was at 6 I had car accident, since that, I could not remember about my past, moreover... every time I asked or brought up about my father, my mother will cry. So that, I really not dare to ask her.

.."

"Oh, I understand. Your father was the person who trustworthy with that case."

"My dad trustworthy that case..." Yao Yao still feel something not right: "The fire in villa, if my dad was the person who trustworthy about that case, what Yu Ao Tian doubted about my father?"

"Well, Flat Chest, don't think too much. Whatever it is, that matter really didn't have connection with your father."

Seeing Long Qi expression, Yao Yao does not dare to ask for further, although she could feel something wrong or things seems not in right place.

Her father was the person who trustworthy to take care of that case, he wasn't the person who burned that villa, so there must be no reason for Yu Ao Tian to doubt her father, right? Although, Long Qi has stubborn admitted it was purely incident.

Whatever, she can't search and find anything regarding this case in internet, she can't ask it to Yu Ao Tian, Long Qi said nothing to worry, perhaps this is the best way. Or did she really want to hear something different?

"En, thank you Long Qi. You continue you work. I go back to work."

"Go, quickly go. Humph, I just realized you, flat chest is quite Mo Ji*."

*]âç" Mo èç¹ Ji : in dictionary it stated mo ji is inks marks, original calligraphy or painting of the famous person. so I don't really understand what this word function in the sentence.

"Huh, this matter is so important for me, Yu Ao Tian is merciless, if really my family offended him before, it would be so troublesome. Well, I take my leave!" Yao Yao smile cheerfully toward Long Qi and also waving her hands to him.

But after she left his office, Long Qi face expression changed, that smiled disappeared and replaced with guilty: "I am sorry Yao Yao, it really not my intention to lie. But...if this case really has something to do with your father, no matter how hard you try to stop Yu Ao Tian it really useless. I really want you to be happy, you..." he looked so heartbreaking, the only thing that he really wishes for... the truth won't come out too fast!

The finance department...

"Today at 4 o'clock our subsidiary company in French, their CEO will come here to check on our Finance Department, now I come to arrange all of your works."

"Xiao Li, you are responsible to arrange the meeting room.

"

"Xiao Liu, you are responsible to prepare all the documents."

"Xiao Luo, you directly copies all these blueprint and matrices into three, four sets our department three dimensional model. This is one of the most important things, you should do it carefully, understand?"

Yao Yao took that blueprint and matrices, she nodding her head: "Alright, Leader Sun, I will accomplish this work seriously."

"Very good, everyone gets move." Team Leader Sun gave her command. Some the employees inside the room are starting to do their own works.

Yao Yao hurried do her works, she even not taking her lunch and when she done with her work, time has showed, 3:55.

"Ok, everything is done."

When Yao Yao sees her job already accomplished, she re-checked again her works and also checked the meeting room seats. She is curious why Team leader Sun asked her to prepare only three or four sets? She hesitated and furrowed her brows, faster she looked for Sun Li: "Sun, Team leader Sun, how many people will be coming to check out Finance Department, why you asked me to prepare..."

"Team Leader Sun, CEO Mu from subsidiary company is coming." Someone reported.

Sun Li ignored Yao Yao, hurried she asking few of her subordinates to gather in meeting room: "Faster, Faster, comrade!" those people have already stood up in front the meeting room.

This time the person who in charge from Berson Group to receive the subsidiary company is Regional Director, Wang Han, The Finance Department manager, Lin and also Wilson. The rest 30 person are team from French Subsidiary Company.

"Director Wang, Manager Lin, CEO Mu, welcome." Sun Li is guiding them, while some female colleagues are standing in front the door way and bowing respectably.

Yao Yao took a glance at the subsidiary company CEO, she is Chinese, her age is about thirties something, he has elegant aura and also looked so professional.

Everyone is getting into their own seat, the finance department colleagues are distributing all the documents to everyone and the meeting is starting.

"Well, after this we will distribute our finance department matrices, perhaps after everyone sees our matrices, can have better understanding about our finance department." Manager Lin spoke very fluent English.

Sun Li who stood up in front of the door rushed Yao Yao: "Quickly, Xiao Luo, take out all the matrices copies."

"Yes." She delivered it to CEO Mu first and then gives it others three sets to the other French fellow who sat near the CEO.

"En?" those who don't get their matrices copies, looked at Yao Yao.

Manager Lin frowned, hurried glared to Yao Yao: "Continue to distribute ah!"

"Distribute? No more ah, all are only four sets."

"What! My God..."

Looking at Manager Lin expression Yao Yao knows something bad will happen to her soon.

After the meeting is ended, all the employees who are responsible toward the meeting are gathered in director's room.

"What did you do? This time the subsidiary company from French are brought 30 people, how could you guys only made 4 sets of matrices copies? Who was the person responsible to it?" inside the office room, the atmosphere is so gloomy, Director Wang and also CEO Mu are inside the room too. Manager Lin is directly asking to his subordinates.

"Manager Lin, the person who responsible to the matrices was me.

" Yao Yao felt guilty raised her hand.

Manager Lin walked to in front of her: "Xiao Luo, you have come to finance department almost one month, although you haven't do big mistake and if not because Director Wang, you almost make our finance department lost face!"

"I am sorry. I am sorry Manager Lin, Director Wang and also CEO Mu, I am really sorry."

"Huh, I just left Berson for one year, what is going on with Berson? This company even gave job to this kind of little girl! Director Wang tell me, is it Berson Group has declined in their standard or is it only common for one or two stench fish to get inside here?" Mu Yue was vice Regional Director before, because the establishment of the subsidiary company in French she was sent to there.

She is someone very strict and also sharp tongue, one year ago everyone thought Mu Yue was demoted to the overseas.

"Xiao Mu, you are not changed even little bit, although Yao Yao did mistake, but there is nothing to do with her competency and skill." Wang Han gave faint smile, looked Yao Yao with gentle eyesight: "Xiao Luo, how could you make mistake with the matrices copies?"

This is her second times meeting Director Wang, the first impression that she got from Wang Han when she met him first time was someone gentle, elegant, and also type of encouraging superior, just alike now.

"Director Wang, it was... Team Leader Sun asked me to do so."

"Oh? Team Leader Sun, what is going on here?"

Sun Li shook her head: "It was not Director Wang! I never told Xiao Luo to do so! Xiao Luo how could you put all blames to me? That time, I was so clearly said to you to make 30 copies!"

"That's right! All of us can be witness!" few of the employees pointed at Yao Yao.

What is going on? Do all of them have problem with their ears? She is so sure that Sun Li really asked her to make three or four copies!

"Do all of you really sure that Team Leader Sun really asked to do 30 but not 3 or 4?"

"Of course we sure about it!" everyone pointed their fingers to Yao Yao, but another minutes, one of the female employee who stays closest to Yao Yao whispered: "Xiao Luo, I advise you, it better for you to give up, CEO Mu is Team Leader Sun's cousin sister. Do you understand now?"

"Xiao Luo, last time I owed you favor, now I return the favor. I have good intention to remind you, lately there is someone who is trying to deal with you, moreover this person has quite big backup who you can't afford to offend, if I were you, I would resign immediately..."

Suddenly Yao Yao recalled her conversation with Xiao Qiao. So the person Xiao Qiao referred is Team Leader Sun and her backup is CEO from subsidiary company. No wonder CEO Mu really not give face but why Team Leader Sun did it to her?

"Heh, Director Wang, put the blame to the superior, tarnish the superior reputation, I think this must related to employees characters, don't you think so?" Mu Yue enveloped her in front body with her hand and mocking with laughing.

"HeHe, perhaps Xiao Luo really heard mistaken, this time just take it as first warn."

"First warn? Director Wang, you are too favor this small employee, I think if CEO Yu knows about this matter, he will immediately fire this employee, right? After all, our CEO Yu does not like careless employees, doesn't he?"

"HeHe, Xiao Mu, although one year ago you was the vice Regional Director, but still this finance department is under my supervision, you should know, your current position is the CEO of our subsidiary company in French, so that all the subordinates under my supervision is no one you can touch!" at the moment, Director Wang expression changed to be super gloomy.

"Well." Mu Yue stood up and coldly said: "Well, how about we take this matter to CEO Yu. I think when CEO Yu knows about this matter, the person who get punish not only this employee, but I afraid all the finance department staff will be suffered it too."

"Wait! CEO Mu." Yao Yao called Mu Yue, she also turned to look at Director Wang: "Thank you for your supervision and also caring, Director Wang. I am willing to... resign."

"Humph, at least you are quite sensible, Xiao Luo." Sun Li whispered to Xiao Luo while she looked coldly toward Sun Li and also CEO Mu, she only can shake her head..

Episode 119

"Xiao Qiao, do you know why Team Leader Sun is trying to confront me?"

"It is so simple. Not long ago, you have helped the company to earn huge amount of money, Director Wang always has mind to promote you as Team Leader. Sun Li is afraid you might threaten her position so that she alliance with CEO Mu to scheme you. Xiao Luo, I know you are someone who smart and talented, but in this society what you need is backup and support, in today's world if you don't have it, you are surely to get bullied."

After leaving Berson, Yao Yao met Xiao Qiao, finally she understood Sun Li's reason.

Ahahaha...

Long time ago when she was a student, she always believe as long as she has capability and skill she will success, but now when she is introduced to the society she realized all her thought are too naïve and day-dreaming, in today's life if there is no backup, with talent it will only give other people reason to attack herself.

She really does not want to leave in this way, at least she does not want to leave with this kind of image, but CEO Mu was deliberately made things difficult to Director Wang, after listened to CEO Mu who said that, all the staffs in finance department would also get involved, she really does not have other solution than resign.

"This still not counted as big obstacles entering the society, first obstacle was Manager Zhang and now she is facing with Team Leader Sun and CEO Mu, does this society really as black as other people said?"

So far, Yao Yao never really doubted and lost her confident, but...

"Argh!" she took long breathe, on the moment she raised her head, her eyes little bit blurry looked at her in front view: "How can I run to Berson parking lot?"

When she is in Berson Parking lot, her eyes spotted Yu Ao Tian's Bugatti. Who is sitting inside his car?

She quite curious so she slowly walking close to that car to see...

Inside is Yu Ao Tian, but why he is leaning forward inside his own car? Ah forget him, it not my business!

She coldly gave him supercilious look and then turned away, but... Long Qi said everything only misunderstanding, so why she must act as enemy toward him?

Can't avoid, last Sunday matter, the way she speaking with Yu Ao Tian because she was pissed off with him about Saturday matter.

Well, this is still inside the company, perhaps she must speak something to him, there must nothing happen right? She walked toward the car's window and knocking the glass window: "Yu Ao Tian! Yu Ao Tian, what happen to you, Yu Ao Tian?"

Long time, finally Yu Ao Tian response the glass window is slowly going down, he forces himself to raise his head looked up from the window.

Yao Yao looked his face carefully: "What happen to you, why your face so red?" she stretches out her hand and touched his forehead, so hot!

"Yu Ao Tian you are having fever, faster go to have rest."

"It is okay, I just need to rest for while."

"It is not the matter of rest, you must hurry to take a medicine, if you let it will be more severe, ah forget it. Let me send you back to home." Yao Yao opened the driver's seat: "Do you have strength to move and sit at back?"

He used all his strength to move from the driver seat to the passenger seat, Yao Yao started the car engine and not long after that she drives the car.

"How is your condition?"

"It's okay..."

Stills okay? Looking how obediently and quiet, she knows he must be so suffer, he really have time to save his face, what kind of man he is?

Without choice, Yao Yao drives the car to their old villa because it is nearer compare to current villa she lives. Others than it nearer, inside the villa also have medicine box with many kinds of drugs.

"Come, get down from the car." Yao Yao supported Yu Ao Tian to enter the villa; "Yu Ao Tian, have you eaten your dinner?" She asked while covered him with quilt.

"Not yet."

"Well, you sleep for moment, I will cook congee for you, after you have your meal then you can take the medicine, understand?" She is talking alike someone who taking care her own child.

If not because Yu Ao Tian is really sick, he really wanted to teach this Little Thing who is the adult and child between them.

Almost 1 hour, Yao Yao served the congee to bowl and brought it inside to Yu Ao Tian's room: "Come and take your meal."

He looked at the bowl filled with congee: "Do you think that I still have strength to hold the bowl?"

"Huh, come, I feed you, wake up." She sees Yu Ao Tian not moving, she little bit worried: "Wake up ah, you lie down how I can feed you ah."

"Use your mouth to feed me!"

Uh..

. does Yu Ao Tian have healed from his sickness? This word is really fits his style ah.

Yao Yao despised him and frowned, stretch out her hand and touch his forehead, this time it is still hot...

"You hurry wake up! Is it okay to wake up? Wake up...." She tried to speak soft to higher tone, but Yu Ao Tian not gave her reaction.

"Do whatever you like. It up to you, eat or not! Not my business!" she wanted to leave, but suddenly Yu Ao Tian pulled her wrist. "Uh." Don't underestimate this man, although he is having fever but his strength quite strong. "What do you want?"

"Use mouth, feed me!"

Bastard! If I know the end will be like this, I would not help you.

She must not save this bad man and let him die because of fever. She is afraid if not doing as his desire. She could not leave this place forever, perhaps?

Helpless, Yao Yao sits down in the bedside, feed him used her mouth...

This is not the first time she kissed him or touching his lips but this is her first time to have initiative to take first step touching his lips. Actually she feels so embarrassing.

Little bit hesitates but finally she feed him too. Her heart is beating hard when her lips touched his lips. Somehow inside the room the atmosphere feels so awkward.

After she done feeding Yu Ao Tian, his pair of hands already hooked to her waist, so bossy and domineering hugging onto her.

She is trying to free herself but suddenly..

.

"Yu... Yu Ao Tian, you are... having fever." Yao Yao staggered because Yu Ao Tian suddenly pressed his body to Yao Yao.

He acted as if not hear what Yao Yao said and suddenly he is trying to strip Yao Yao, "No, Please don't..."

"Yu Ao Tian, stop!"

She is going to be crazy, really going to be crazy.

"Call me Yu Ao Tian!" he lifts his head up, his eyes not focus but his expression looked so serious.

It does not matter how to address him, but between her and Yu Ao Tian, their relationship are quite strange, this time calling his name is sound so awkward. Yao Yao keeps silent and avoid him.

"Not call?" he deviously smiled, his hand slides into her undergarment...

At sudden Yao Yao body reacting, she is trembling: "Please don't... stop... stop..

." she is trying to stop his hand.

"If you want me to stop, what should you do?"

She gazed at Yu Ao Tian, shyly she begged: "I am begging you... Ao Tian... please stop."

You damn little thing! How can she look this cute? Yu Ao Tian has been conquered by her pureness, her cuteness. Simply to say she looked alike the pure angel, to be honest he really want to bully and tease her but seeing her sobbing and also the way she begging, he stopped.

"Bao Bei, I want you! I really can't wait for you anymore!" He looked so domineering while Yao Yao looked alike little white rabbit that afraid of him. She afraid something will happen between them. She closed her eyes, surrender but for quite long time Yu Ao Tian does not do anything. Her heart beating so fast, took glanced to that man, once she glanced, Yu Ao Tian has already faint out.

Ah~ lucky.

Yao Yao sighed, she tried to push away Yu Ao Tian's body which pressed on her body, hurried to dress herself properly: "Too dangerous, that's really too dangerous."

If this situation does not happen when Yu Ao Tian has fever perhaps something had already happened between them, but...

But if he really does not have fever, will he also lost control of himself?

No matter what, she must not get too close with him, because she never know when he will turned be scary and also dangerous.

Yao Yao turned and want to leave, she has already in front of the door but suddenly she glances to Yu Ao Tian who is lying down in bed, "Frustrated!" she turned back, carefully she covered Yu Ao Tian's body with quilt.

"Yu Ao Tian, I have done to my utmost duty. If you really have little bit heart and consideration, later in the future you must not bully me." She murmured, feed him medicine.

Although feeding him medicine little bit inhumane, but still the medicine will melt inside his mouth..

He gulped his saliva, to clear the bitter taste, "Little Thing?"

When he sees Yao Yao who sleep by leaning forward her head to the bedside, suddenly he feels at loss, but so quickly he remembered about yesterday matter...

He remembered clearly that he was trying to force Yao Yao because of his impulsiveness, he was lost control of himself, did it because his fever? So that he really could not control himself.

He laughed stupidly to himself, he really wanted to know whether something had happened or not yesterday.

His eyesight locked at Yao Yao who is sleeping so soundly, he laughed again, no need to ask, it so clear that nothing happened yesterday, he was not "succeed" or else how could this little thing sleep this soundly besides him.

Yu Ao Tian lightly moves his hands and feet, suddenly touching something fall down from his forehead before, it is small white towel.

He used his hand to touch that towel, it still wet. Did little thing take care of him for the entire night? Ha, he always treat her as child, he never know that she also can show her mature side.

A charming smiled embellish his face, he gets down from bed, gently hold Yao Yao in his embraces and moves her to bed.

"Humph..." she looked not happy and frowned, opened half her eyes: "Hate!" fiercely despise Yu Ao Tian but immediately she closes her eyes again.

Yu Ao Tian who is lying beside Yao Yao is smiling deviously: "Wake up?"

"How can I sleep beside you?"

"Bao Bei, you really sleep very similar to pig, don't you remember that I have moved you to bed?"

"En? It seems that yesterday this wasn't the way you call my name, do I need to help you recalling your memory?" after said, one of his hands grabbed her waist and pulled her closer to him.

"No! No! Don't need. We reconciled, Ao Tian!"

"Ah!"

"You, what are you laughing at? I do really sincerely about it."

Does she think that both of them are having children fight? Say break off and then break off or reconcile and then reconcile? Damn! But, He seems really can be consoled by little thing in this way.

"Why you want to reconcile with me?"

"I, I have heard from Long Qi, actually you have checked about my father and you have verified those matter.

There is no grudge between my father and you, as this being the case, it means that you won't harm my family. Last Saturday I was too impulsive, I am sorry..."

Whatever it is, he really does not want to expose Long Qi lies, at any rate ... he really does not want to ruin this picturesque moment...
