Yu Ao Tian curved up his lips and slid his hand to inside her dresses. His lips kiss her shoulder, give her the sensation of itchy and also numb.

Yu Ao Tian keeps on teasing her from kissing to touching, she really feels that she going to be crazy how can Yu Ao Tian be this mischief? And suddenly there is knocking sound from outside her room...

Yao Yao stops Yu Ao Tian and hint him toward door direction.

"Huh." Yu Ao Tian looked unhappy, sighed, he lets go Yao Yao.

"What to do? What to do? This is girl dorm, if they are seeing you come out from my room, I might..."

"You just pretended not in here, it settles right?"

"Girl dorm is closed at ten, now is already ten, if I am not inside the dorm it will be more troublesome! Faster! You hide inside the bathroom!"

Want him to hide inside the bathroom? He is Yu Ao Tian how can he be so pathetic? "Open the door and see who is the person, if she looks pretty just pulled her inside so we play 3P, by this way she won't report you."

"You rotten bastard!" how can Yu Ao Tian speaks like this?

"You little thing dare to scold me?" his eyes gleaming cold, his hand pinched her chin. But another second, he smiles deviously: "If you are not willing, you just stand at side as the "viewer", it is well do too."

"Why must I?" when Yao Yao said this she is already regretful.

"En? Bao Bei, so you just hope that I only play with you, if it is the matter, you must tell me earlier." After said, he still pressed on her body.

Yao Yao knows that she fail to his trap! "Stop to tease me." Again she hears the knocking sound from outside, she uses all her strength to push away Yu Ao Tian, hurried tidying her nightgown and run to in front of the door: "coming."

She opens the door, that person is her classmate: "Luo Yao Yao, this is your homework, thank you."

"Don't don't mention it."

"Are you okay? Why your face is so red? Are you having fever?"

"Ah? No, I am taking bath just now."

"

"Oh... well I take my leave."

"En, good bye." Takes long breathe, when she turned back to her room it has already empty. Where is Yu Ao Tian?"

After she locked her room, Yu Ao Tian is slowly out from the bathroom...

Humph, this unkind man, finally he also hides inside, right?

"Didn't you want to play with student? Why are you hiding?" Yao Yao mocking him.

Yu Ao Tian inserts his hands to his pocket: "Do you think that I really interest with you guys who the body haven't well develop, I don't have interest with it?"

Suddenly Yao Yao heart feels shivering, after seen some of Yu Ao Tian's women, this is not debatable fact, he indeed does not have interest with any little girl. "Since you don't have interest why are you keep on teasing me?" she pouted her mouth, she pull her quilt and cover her face.

Yu Ao Tian smiles, he pulls the quilt and lay down beside her: "What? Jealous?" his fingers touching gently at her nose tip.

Jealous? No, how could she jealous? "Of course not." She rolled her eyes and backed him purposely.

Yu Ao Tian hugging on her waist: "Bao Bei, tomorrow afternoon we go out."

"I don't have time!"

"Aiya, don't you still angry to me so that you don't want to go?"

"I have said, no. ah forget it, I will go." She does not want to seek trouble with this rotten bastard:
"Where are you going?"

"En, do you know the reason why I want you to have single room?"

She shocks and looks at that sinister expression, it feels that he... he really does it for purpose?

Does this mean that for the convenient? It is easy him to get in and out, really too cunning!"

The next day morning, when Yao Yao wakes up from bed, Yu Ao Tian has left, after she had her breakfast she goes to student council..

Episode 142

One huge three-storey building that located separated with the university building which is located in the west area, it is gorgeous building with hall, the second floor is the room of teacher office and the student council office is at the end.

Opened the heavy wooden door, the glamour and antique decoration can be seen with her eyes, behind of one huge big desk, Qi Lian Ao Yun sitting and in front of him there are about ten candidates standing.

"I am sorry, Qi Lian president, Gu Vice president, I am late." Yao Yao is apologizing, quickly she standing among those people.

"It is okay, you just come in right time." Qi Lian Ao Yun smiles, his eyes is looking at Gu Xiao Ming who standing beside him.

"This time the student council has made list to recruit member, after doing the comparison and screening, we decided to choose Luo Yao Yao student to enter the student council." The announcement is ended, everyone is exposing dissatisfaction expression.

The one of the girl who standing in right row protested: "Why must choose her?"

This girl has 170 cm something of height, she has very beautiful face and match with her long hair.

"Feng Ke Xin, this is the decision that decided by the student council members, I don't need to give you explanation, right?"

"Vice president Gu, since choosing to announce it publicly, why didn't the result process also being published?"

"This..." Gu Xiao Ming feels things gat difficult looking at Qi Lian Ao Yun. The most important reason is, choosing Luo Yao Yao because of Qi Lian Ao Yun as the person who recommendation her, just that's it.

"It is because the achievement of Luo Yao Yao student so we choose her."

"So because her achievement and then she being chosen? As what I know, vice president Gu is also not as someone who has best grades among us." Feng Ke Xin said arrogantly, she smiles with provocation.

Yao Yao who standing not far from there is frowning, she does not expect to burdensome Qi Lian Ao Lian. "Forget it, I still..."

"Luo Yao Yao have more than excellent academic achievement, during her junior and senior high school she ever joined the student council and served on duties, while you Feng Ke Xin during your senior high school you just ever became Vice president of the student council. That's why we choose Luo Yao Yao student." Qi Lian Ao Yun said. He hands over Yao Yao's resume to Feng Ke Xin.

The problems are...

She never worked or served the positions that filled in that resume, how come at sudden she even worked as student council during her junior and senior high school?

Feng Ke Xin takes a glance at the resume, unhappily frowning: "Well, Qi Lian president, I see this Luo Yao Yao seems to have ability, if she can't perform well, I can substitute her?"

"Of course."

Put down the resume, Feng Ke Xin furrowed her brows, glaring with hate to Yao Yao and then walking out from the student council room...

"Qi Lian sunbae, why you have my resume?" when everyone has already left, Yao Yao looked at her own resume, just seen all the column is filled with words.

"hehehe, you little foolish, if didn't did it, who will agree?" Qi Lian Ao Yun is stretching out his hand and patting her head.

"Did this write by you?" seeing the detail of the resume, there is not only one column being modified but almost all the columns.

"Do you think ghost write it?"

"Uh...thank you, Qi Lian sunbae, it seems I ..."

"Yo!" Qi Lian Ao Yun hurried to stop her: "Please don't mention about treating meal, if you continue, I think my wallet gonna be empty."

"Ha." Yao Yao curved upward her mouth, bowing excitedly: "Thank you, Qi Lian sunbae. I will do my best and won't disappoint you!"

"Having good performance no need, just next time, do not let me to see you in such pitiful situations again." After said, Qi Lian Ao Yun shows his charming smiles, extend his hand and stroking Yao Yao's head and then he left.

Looking at his back slowly far away, Yao Yao stretches her own hand and strokes her head: "Qi Lian sunbae really a good man, no wonder there are many girls like him. Uh..." why she meet men, worse one to another?

"Yao Yao, CEO Yu is asking you out, you bring me with you is it okay?" inside the Taxi, Gong Xiao Man little bit worry asking her.

"Rest assured, Yu Ao Tian isn't such petty man." The most important is she must not alone with Yu Ao Tian. "You just think as to accompany me."

"Actually I am okay but the problem is...I do really afraid of CEO Yu." She recalled Yu Ao Tian eyesight last time, Gong Xiao Man could feel her hair stand until now, she had never seen person with such scary aura for her life time.

"I do afraid ah...."

When they are arrived at the bowling arena, Yu Ao Tian has been waiting them at earlier time.

"Yu, CEO Yu, I hope you won't be mind...me as the unwanted third guest come to join?" Gong Xiao Man nervously asked.

He is smiling and don't mind of it, he lowers his body, whispering to Yao Yao: "Bao Bei, you are so unwanted to stay alone with me?"

Uh...

To be honest she really does not want, moreover every times they are going out, Yu Ao Tian will make some distant toward her, asking Gong Xiao Man to come together with her as companion isn't this much better?"

"Yeah, hit all." Gong Xiao Man is happily watching all the Pin which knocked over by her, she dances excitedly.

Yao Yao touches her nose: "Watch me!" takes the bowling ball and hit to the pin, but only few falls down...

"Hahaha, Yao Yao you are big foolish."

"You are the big foolish, humph!"

Looking at two little girls that are noisy, Yu Ao Tian who is sitting not far from them, shaking his head, it seems that his little thing is look so lively if playing with same age friend.

His eyes looked at the other side of the bowling arena, his eyesight is suddenly cold and takes out his phone, speaking with stern voice: "Li Shang, use the shortest time to pick up Yao Yao from Ao Chen Bowling arena!"

"hey, hey, Yao Yao." Gong Xiao Man secretly tugging Yao Yao's arm: "CEO Yu really gentleman, he looks alike parent or guardian who brings us out to play, he does not even showing up his impatience expression, if other man perhaps has left us. You think should us ask him to play together."

This is true that Yu Ao Tian indeed looked alike gentleman, from how he acted toward Gong Xiao Man before, it has shown that he really gentleman. "Okay." She smiles and nodding her head, she rushes in front of Yu Ao Tian, waving at him: "Ao Tian, do you want to play with us?"

"You guys just play." Yu Ao Tian face is expressionless.

At this time, she smiles in front of him, grabbing his wrist: "Come on, don't just sitting."

"How troublesome you are! Let off!"

Looking at his expression that dislike her, Yao Yao not understand so she blinking her eyes, he, he isn't like this before, why his mood just swing? "Ao Tian, you... are you okay?"

"I asked you to let go, understand?" he yelled at her, looks impatience and sway away Yao Yao's hand that grabbing his wrist.

Everyone is looked at them, Yao Yao feels embarrassed and also pissed off and let off his hand: "You suddenly..."

"I ask you to shut up, if you want to play just play your games, don't come to disturb me or you just get lost!"

What? He is the person who asking her to go out, why he acted as if she is the person who coming to disturb him? Yao Yao furrowed her brows, she is so angry and lifts her head up...

At this time...

A slap landed on her face.

When that hand landed on her hand, give her slap, she looked at the owner's hand...

What! how can Li Mei Yun in here?

As seen, in front of her is Li Mei Yun, her laughing is so provocative: "Ao Tian is asked you to get lost, understood?"

"Hey! You MF who are you, why you slap Yao Yao?" Gong Xiao Man who isn't far from there is rushing to in front and glaring at Li Mei Yun.

She suddenly grabbed Gong Xiao Man's hand, hinting that she should not say anything.

"Mei Yun, why are you here?" Yu Ao Tian smiles, his face shows gentle expression toward her.

Li Mei Yun tip toe and hooked his neck: "Of course because I miss you."

"You are really annoying, it was so clearly yesterday evening I had met you."

Yu Ao Tian and Li Mei Yun...reconciled?

She lifts her head up, looking with unbelievable expression toward Yu Ao Tian and Li Mei Yun, why? Why Yu Ao Tian still reconciled with Li Mei Yun, why he just not breaks up with Li Mei Yun?

Right! Perhaps, as lover she mustn't have this kind of thought, but this time... imaging he and Li Mei Yun making love, that scenery really pained her.

The mood swing of Yu Ao Tian toward her, was it because seeing Li Mei Yun coming so that he purposely acting to shoo her away? Is it to gain Li Mei Yun favor? Actually how much he loves Li Mei Yun? Since he loves her why he must look for her as his lover?

Suddenly she feels she cannot breathe, her chest feels suffocated, she really not understand whether she hates Li Mei Yun so much or because... she really cares Yu Ao Tian is getting back with Li Mei Yun!

"Little girl.

" Li Mei Yun, lips curved up, she lowers her head and whispered at her: "do you think as lover you can be real girlfriend? Now, you must give up, you must more understand compare to me who Ao Tian loves. Oh, that's right, I tell you something...it was Yu Ao Tian who looking for me and asked me to sleep with him, I didn't take any initiatives."

Yu Ao Tian loves whom she knowing it better, this time she really does not need Li Mei Yun to especially come and remind her. Moreover, she never thought to change.

Don't cry! Don't cry! Cannot cry, Yao Yao cannot cry!

She makes fist, her nail embedded on her palm, if this time she is really crying it means proving on something, she really does not want to see and called them as "loving" couple!

She extended her hand, grabbing Gong Xiao Man and prepared to leave...

Li Mei Yun suddenly held her hand to stop.

What? Does one slap isn't enough?

"Next time don't come to disturb Ao Tian, understand?" Li Mei Yun is too understanding Yu Ao Tian's character, he could let her to give this little girl a slap it means she has lost his love, toward the girl that has lost the love, naturally she will all out to vent her anger!

"Hey, who is disturbing..."

Hearing Gong Xiao Man voice, Yao Yao afraid that she might burdensome by her, subconsciously she squeezed her hands. She smirks at Li Mei Yun: "Based on your ability, can I still come to disturb him?" after said, she swaying away Li Mei Yun's hand that held Gong Xiao Man's hand and without turn back she run out with piercing laugh from the bowling Arena.

"Yao Yao, Yao Yao, stop running!" when they are in front of the entrance, Gong Xiao Man who breathless grabbing her: "Actually... actually what is going on?"

"Hu...." Finally she cannot control her emotions, she falls apart in front of Gong Xiao Man, she has told herself not to cry, not to cry but she really can't hold it anymore. The big beads of tears are falling down wet her face, she hugging on Xiao Man tightly: "That woman, that woman is Yu Ao Tian's real girlfriend, they... not long ago they have broke up, but I really don't know why they, why they are reconciled...huhu..."

Gong Xiao Man frowned: "Yao Yao? You... are you expecting both of them not reconciled?"

"I don't wish!" Yao Yao answered certainly.

Gong Xiao Man slowly pushing Yao Yao, holding her hand and looking at her: "You... you fall in love at Yu Ao Tian?"

At sudden Yao Yao stops crying, she could feel her head will explode, no, impossible! Impossible! She is not falling in love with Yu Ao Tian, no! "I don't love her."

"So... why are you crying? Why are you care whether he reconcile or not with that woman?"

That's right...

Why? If not love, why must she care Yu Ao Tian reconciled with Li Mei Yun?

But... Xiao Man didn't know all bad things that Li Mei Yun ever did to her, she hates Li Mei Yun, and perhaps if today Yu Ao Tian is with anyone else, she would not care.

That's right, must be like this. If others women she won't care, she also won't cry, only Li Mei Yun as exception. Right, must be!

At sudden, when both of the girls are still in conversation, one big and tall posture block on Yao Yao in front.

"Hey, what are you... uh, big uncle?" Gong Xiao Man dumbfounded.

Yao Yao also surprised: "Vice CEO Han, you..."

"Shut up!" he speaks with cold tone, Han Li Shang faster brings them to other side of street.

Gong Xiao Man hurried to follow: "Big uncle, are you scoundrel? Faster let..."

His big hand has covered her mouth, his hand is holding Gong Xiao Man and taking her to beside where the car parked.

One sit on left and one sit at right, the two girls are sitting inside the car. He sits at driver seat and suddenly turned on the engine and shut the door...

"Hey, big uncle, you are kidnapping, do you know?"

"Shut up!" Han Li Shang voice tone is sound tough, cold and in strong command.

Now Gong Xiao Man focus is on Yao Yao, she also does not want to argue with him. "Yao Yao, no matter what, you must not feel sad because of man like him."

"I really never thought that Yu Ao Tian is type of kind man, even though you are his lover, how can he let other woman to bully you, really shameless! Moreover he is the person who comes to disturb you, but in order to coax his girlfriend to be happy he act as if he is innocent, simply to say really shameless!!!"

After experienced this kind of things, today finally Gong Xiao Man's view about Yu Ao Tian is perfectly changed, to say if a man treat his woman good they must accept his woman's good friend too, moreover no complain whenever accompany his woman, also even his woman only gives him smile it is more than happiness.

At least Gong Xiao Man seen Yu Ao Tian patience, that time she even has thought perhaps Yu Ao Tian must feel something towards Yao Yao? But now...

"If you don't know, stop to say gibberish!" suddenly, Han Li Shang who sits in driver seat spoke.

"You understand? It only you understand? Didn't you know how rotten bastard Yu Ao Tian just now?"

"You give a try to say again?" Han Li Shang coldly turned.

"I even can say ten times, Yu Ao Tian is rotten bastard! Hey! Looked at the car!" in front of them there are two cars with high speed coming nearer.

Han Li Shang faster to take a glance, he also using his hand to push Gong Xiao Man's chest, suddenly gas the pedal, he pushed Gong Xiao Man so she won't hit her head.

But...

Where did he put his hand?

Gong Xiao Man roared, lower her head and looking at Han Li Shang's hand which touch her chest: "You..."

"Things that Yu Ao Tian carries on his back, it is not girls like you guys will understand." Han Li Shang's hand is still in Gong Xiao Man's chest.

"Ha, Ao Tian? Listen from the way you speak, you and he sound alike best friend. No wonder you are sided on him. Let me ask you, if Yao Yao is your little sister, she being bullied by man, you MF still speak with me about "Ao Tian carries something on his back"?"

"Little girl, you are girl, don't speak MF MF every times you are speaking!"

"Facing with scoundrel big uncle like you, if I don't speak little bit rash, can I match to you?"

Han Li Shang frowned, coldly said: "You say I am scoundrel?"

"If you are not scoundrel, why are you touching my chest?"

Episode 143

"Just now because..." Damn! This little girl how can her being so absurd to this point?

Gong Xiao Man is laughing with provocation, pair of her hands enveloped her in front chest: "Big Uncle, how it feels? Can say big or small? Compare to your girlfriend's how is mine?"

"You little girl, won't you feel ashamed to speak something like this?"

"En? Ashamed?" Gong Xiao Man pairs of eyes gleaming brightly, she straighten her body and slowly get closer to right in front of Han Li Shang's face: "Big uncle, you don't tell me that you are still virgin man, don't act so innocent?"

"YOU!!!"

Suddenly Yao Yao who is crying by this time, she is laughing hard, why she never discovered that cold Vice CEO Han also a normal human who also have someone that he cannot deal with? Simply to say Xiao Man is really awesome.

"Yao Yao."

"I am fine, Xiao Man." She is forcing herself to smile.

Problems...

Gong Xiao Man shows complexity in her expression and pointed at her forehead: "Your forehead..."

"En?" she touched her own forehead, a red blood stained on her finger after touched her forehead. "Perhaps because of Vice CEO Han was hurried and stepped the pedal gas and made the car bumped just now, it is okay."

"Yao Yao, you don't act to foolish? How can you don't feel anything after got hit and bleeding?" Gong Xiao Man really clueless to see Yao Yao.

Her heart just to ache, that's why she can't feel the pain in her forehead, perhaps?

"All because of you, big uncle, why didn't you protect Yao Yao just now?"

Han Li Shang eyes looked fierce, he makes fist by his hand, with low voice said: "Because I protected you just now!"

"Huh..." Gong Xiao Man hurried shut her mouth up, but strangely her heart beat faster...

**

Seeing at Yao Yao who disappearing from bowling arena, actually Yu Ao Tian has desired to hug her tightly, but... the circumstances just not allowed him to do so!

He suppressed his emotion, he smiles deviously to Li Mei Yun, pair of hands held her waist: "Aiya, are you really jealous?"

"Of course. It all is because I love you."

"En? Well how about you prove it now?"

"In here?" Li Mei Yun looks at the surrounding of the bowling arena, it seems that after their short break, does Yu Ao Tian have thought to announce their relationship in public? Whenever she thought about this, the anger in her heart is vanished and she won't think anything, her lips just landed on his lips.

Yu Ao Tian expression is so cold, he lets Li Mei Yun to kiss him, and let everyone at there to see them...

Just in time!

"peng!" it is handgun sound.

"Ah!" everyone in bowling arena was shocked, panic and running to all corners.

"Ao Tian, what is going on?" Li Mei Yun is shocked and she hugged Yu Ao Tian tightly.

He narrowed his eyes, pulling Li Mei Yun hand and running out from the bowling arena, but this time, one man in black suit followed them tightly at their back.

"Ao Tian, we, why must we run?" Li Mei Yun puzzled, she does not understand why, when the gunfire sounded scared everyone, he pulled her with him to go and run to outside.

"Ha." His lips curved up, he smirks: "Mei Yun, don't you like to be my girlfriend? Now I give you the opportunity to feel it!"

When they have run from the bowling arena and hiding among the trees in the woods, he pulled Li Mei Yun to hide with him behind tree, faster he takes out his own gun from his suit.

Li Mei Yun takes a glance, she dumbstruck not moving: "Ao, Ao Tian, you... how come you have gun?"

His pair of eyes gleaming dangerously, he heartless pulling Li Mei Yun long hair, makes her face gets closer to his, grinned: "I always forget to tell you that my background is from mafia!"

Mafia?

Simply to say Li Mei Yun not believes with what her ears heard that elegant Yu Ao Tian is someone who comes from mafia background?

No wonder Ming Hui could disappear, no wonder she not even could track that man, could he...

Too scary! Really too scary!

So that she is girlfriend of this dangerous man? But whatever it is, how many business men that have clean background? Moreover he is someone so awesome...

There is footstep sound from behind.

Yu Ao Tian eyes alert, roughly he covered Li Mei Yun's mouth, calmly he leaning at the tree.

The footstep is getting closer, when the man in black suit passing by the tree where Yu Ao Tian hiding, he curved his lips up, at sudden his gun has pointed at that man in black suit's head: "You have followed so far, really not easy for you."

Listened to the voice at his back, the man felt his heart tighten, trembling and put up his hands: "Yu, Yu, Big Boss Yu...I, I just... a subordinate, please... I beg you to let me off."

"Ha." He is sneering he pulled Li Mei Yun to his embrace, very composed: "Who subordinate are you?"

Although he speaks with very gentle voice, but all the people who live in underworld knows very well how scary Yu Ao Tian is? That man is so shocked and his legs are weakened: "I am... I am person who asked by big Boss Lei.

The man speaks sincerely because he knows Yu Ao Tian style of doing things, will the person who falls in his hand still be able to live without torturing? So that the man willing to confess honestly everything, only to keep his life safe from Yu Ao Tian.

But who is Yu Ao Tian will he believes easily, he asked his man to check the accuracy of the man in black suit words.

"Oh, that's right, the other person who comes with you before, had he got all the photos?"

All the sudden that man eyes wider, he really does not know that Yu Ao Tian really has high sensitiveness and good observant after all he has found out that he is not coming alone but come in two? Finally this man understood the games that Yu Ao Tian played.

This man really admires him! Being able to die in Yu Ao Tian's hand can be said as honor!

"Yes, Big Boss Yu!" Yu Ao Tian's man approved the man in black suit statement.

"Oh?" Yu Ao Tian eyes rolled, smiling and asked: "So, do you think which... girl is my girlfriend?"

"The actress Li Mei Yun!"

"En." His lips curved up, he really satisfied, slowly he whispered to that man's ear, said: "Wrong..."

That man is dumbstruck, wrong? So that... that girl who was being driven out, is she his real girlfriend? He...Yu Ao Tian is really deserved to be called as underworld emperor. Think to this point, that man is smiling and slowly close his eyes, this time he failed with the mission, but he is so satisfied with Yu Ao Tian!

From inside the wood there is gunfire sounded, the man shoot by Yu Ao Tian, the blood is flowing from his back head, he is lying on the ground...

"Ah!" Li Mei Yun who stands at beside, scared and covered her head.

Yu Ao Tian puts the gun at his suit again, smiles to her: "Mei Yun, this time you have done greatly, do you want a reward?"

Done greatly? Reward?

Understood! She finally understood!

She would not deny that she was lying to Yao Yao before, it wasn't Yu Ao Tian who looked for her but she was the person who took the initiative to approach Yu Ao Tian.

She stills thought that Yu Ao Tian might still love her so that he accepts her back, but this time... she finally understood, the reason why Yu Ao Tian accepted her was because to protect that little girl and makes her to be bait.

Just as expected he really loves that little girl!

Whenever she thought about this, she can't help herself not to be jealous, but the in front real matters...
"Ao ...

This time you can make big announcement to the public, say that you are my girlfriend, finally your wish is fulfilled. But..." his smiles disappeared, he pinched hard her chin: "If you dare to speak gibberish, I will be the first person to kill you!"

"Understood. I...understood!"

"En, this is good girl." Yu Ao Tian very satisfied, his hands caressing her face, and then another moment...

"It was her begging. Others..." Han Li Shang coldly said: "Ao Tian, I still wanted to advise you giving her up, do you think she has that capability to be your woman? Experienced this time, she might hate you so much, don't you think?"

Yu Ao Tian does not speak, his face dim, and tossing away his mobile phone!

"The Berson Group CEO for the first time is bringing his girlfriend to attend business meeting, who is actually A's list actress, Li Mei Yun."

Televisions, no matter the electronic or newspapers, all of them are reporting about Yu Ao Tian and Li Mei Yun who are together, no matter where they are going, holding hands, their face are showing happiness expression.

"I really never thought that Li Mei Yun's boyfriend actually is Berson Group CEO. Both of them are so suitable for each other."

"That's right, not to mention Li Mei Yun as actress, she actually is heiress of Li group, so that no matter from status, family background, looks, all just well-match with CEO Yu," most of the fellow classmate are discussing about showbiz and gossips.

While Luo Yao Yao who is sitting at the very corner of the room, sitting and eating far from the television, she pretended as if not hearing anything.

"Yao Yao." Gong Xiao Man who is sitting beside her feels so worry to see her unhappy face.

They are using these opportunities to join the activity which accommodate by the student council in rural area, to take fresh air, first for Yao Yao second to avoid Yu Ao Tian, fortunately the student council agreed to let the member bringing friends so that Yao Yao brought Gong Xiao Man along with her.

"Rest assured, Xiao Man, I am okay." She is forcing herself to smile and keep on eating.

"You still dare to say okay, we have out for three days, I haven't seen you really happy. I asked you, did Yu Ao Tian phone you this few days?"

After that thing happened, Yu Ao Tian has phoned her but she just pretended not to hear it, during that time she just followed the student council to come to this rural area. "Only once."

"Wo Kao! What did Yu Ao Tian mean? Being his lover is too choking, although he does not have heart at least he understood his attitude was too much, after one call didn't answer and he stops calling? Really not good thing!"

To come as no surprise, Yu Ao Tian is this kind of person, he never wanted to beg anyone, he also dislike to coax girl, as additional his impatience character toward women, she didn't answer his phone call, she even running away to rural area, perhaps she really waiting herself to be dumped by him?

"Doesn't this quite good? At least he will take the initiative to dump me, so that we can breach the contract as earlier." Thinking about this, Yao Yao feels little bit happy, she really does not need to be his lover anymore.

"Is it really your thought, Yao Yao? Why I feel... you are not thinking this as one good thing?"

"Xiao Man, you are thinking too much. This matter actually not a clean break from the beginning to the end, because I still owed him money..."

"Is it really only about money matters?" Gong Xiao Man knows Yao Yao well, no matter how, she feels Yao Yao unhappiness not simply because owing money matters.

"Yes. It is really only about money matters."

"Oh, how if I make phone call to my mother and asking her to take out sum of money."

"Don't! This is not good." Yao Yao feels in difficulty grabbing Gong Xiao Man's arm: "Your mother is lodging under another person's roof (her living also relying on other person, in this case GXM's step father), you ask much money because of me, really too burdensome." Gong Xiao Man parent has divorced, she follows her mother, while her mother is remarried to wealthy man, but life is not that smooth.

"You are too underestimated my mother, how to say, my mother is also someone who is business owner too, this small amount of money won't be problem for her. You just think it as borrowing money from me, when you have money you can pay me back double, hehehe."

"Qie, Xiao Man, you really not do deficit business."

"Of course la!" Gong Xiao Man cheers up the atmosphere, Yao Yao finally smiles.

"Everyone, after dinner please gathering at the entrance, tonight we will explore the mountain." Gu Xiao Ming is clapping hand to everyone.

Not long after that, everyone has waited at the entrance doorway.

"Alright, this rural area path is little bit dangerous; every man is responsible for themselves and also protecting six girls." This time the student council member who are joining this activity total are 10 persons, bringing four friends so the total is 14 persons, 8 men and 6 girls. Actually the girls have already their own "protector" most of them.

"Dangerous? Vice president Gu, will there a ghost?" one of the petite girl asked and simply rushed to Qi Lian Ao Yun's side: "Qi Lian sunbae, you must protect me."

"Ghost? Impossible, Qi Lian sunbae, you must protect me too." Three of the girls are taking this as opportunity to surround Qi Lian Ao Yun.

The person who is standing not far, Gong Xiao Man is shrugging her shoulders and rolled her eyes: "Wo Kao, what era today's? Why every girl is so aggressive? This kind of thing must be man who takes initiatives, cih, I really despised all of you simply to say shameless girls! If really I can, I do want to say loudly, you MF... please give me a place!"

Yao Yao feels she wanted to vomit blood after listened to Gong Xiao Man.

At another second, Gong Xiao Man also rushes to Qi Lian Ao Yun sides, she even hooked his arm: "Qi Lian sunbae, I do also need your protection."

Hey, hey, Xiao Man, you are clearly not like Qi Lian sunbae why are you getting involved in group too? Helplessly there is undoubtedly glaring from somewhere not far, that pair of eyes are coldly looking at her.

This glaring is actually coming from Feng Ke Xin.

No need to doubt about her because she is also one of the student council member who joining this activity, for these past few days she also using this kind of eyesight to look at Yao Yao, she really makes other not comfortable.

"Feng Ke Xin junior, I will protect you." Two men are taking initiative to come closer to her sides.

Feng Ke Xin is coldly looking at them: "No need, only the pathetic need protection!" she takes big strides to in front.

"Haha, this is really the typical of Feng Ke Xin Junior characteristic which is so arrogant and act alike queen." Gu Xiao Ming is walking to Yao Yao side, smiles at her.

Indeed, Feng Ke Xin really has the arrogant character a like queen, it seems she is unfriendly. "Vice president Gu these few days are really hard for you."

"Stills okay, actually this is planned by Ao Yun, I am only the person who responsible to be the spokesperson on his behalf, perhaps you also can see that Ao Yun is someone who does not really like talking."

Qi Lian sunbae does not really like to speak? Ckckck... it seems this little bit true, at least when there are lot of people she really rare to see Qi Lian sunbae talking.

All of them 14 people are getting into mountain, the cold wind is blowing; some of girls are scared until pale and get closer to Qi Lian Ao Yun.

Yao Yao who join the second group also scared, ghost won't show up in here, right? Hu... earlier if she knows she won't come.

"The guts are extremely small. This way how can join the student council?"

At the back, it is Feng Ke Xin voice, she turned and asked: "Student Feng, do you not afraid?"

"Afraid? What is good to be afraid of? Only the stupid who believes ghost existence in this world!"

Feng Ke Xin really has severe Queen Syndrome.

Keep moving, Yao Yao is clearly heard the footstep behind her disappeared...

When turned back, where is Feng Ke Xin?

Looking at the darkness in all corners, is Feng Ke Xin being... caught by ghost?

"Hey... big..." when she turned back to her in front, the first group that moving in front has disappeared too.

Suddenly her head feels empty, the darkness of the night has caught her heart, other than fears she really cannot feel anything.

"I... am dead meat." Pair of her leg is trembling, she is trying to call: "Feng, Ke, Xin, student. Feng, Ke, Xin, student..." she does not know whether her loud voice will attract ghost or not?

"What are you calling for, I haven't dead?" a female voice heard.

Yao Yao is filled with hope: "Feng Ke Xin!" she is walking to the voice source, she running into the darkness. From the dim light of the moon her eyes are catching shadow that does not move. "Feng Ke Xin, is it you?"

"Nonsense!"

"Where are you going?" Yao Yao psychologically walking closer to Feng Ke Xin, but she does not know stepping on what suddenly she falling into one big black hole... "Ah~!!!"

"Hey!" fortunately, her wrist is being caught by Feng Ke Xin, so that Yao Yao does not fall too deep.

Her body still in mid air hanging, nervously she looking at her: "Feng, Feng Ke Xin, this... what is it?"

"It seems as hole that set by the hunter to trap the animals."

Did Feng Ke Xin look at this thing? "Trouble you, please help to pull me out from here."

"Pull you? Hah, for what?" from the dim moonlight, Feng Ke Xin mouth is curved up, showing her devilish smiles. "Didn't Qi Lian Ao Yun say that your ability quite strong? Well, must you know that the most basic self-rescue during in outdoor? As estimation it isn't too deep, you won't die if fall down, so let me see how capable you are." She suddenly loosened her hands...

"No!" a screaming sound torn the silent night...

"It is bad, Ao Yun, Luo Yao Yao and Feng Ke Xin are missing." The in front group realizing that there are two persons missing.

Once Qi Lian Ao Yun heard it, his white jade pale face suddenly dims: "Xiao Ming, what kind of vice president you are? How can you just found out Yao Yao and Feng Ke Xin are missing?"

To be honest, this is the first time for Xiao Ming to witness Qi Lian Ao Yun pissed off, those women who are surrounding him, quite shocked by him.

"Sorry, Sorry Ao Yun, I was talking with Xiao San, so that I didn't notice the last group, thus..."

"Damn!" make fist, he glared all the women who are surrounded him: "All let go!"

Those women are immediately moving aside.

"Xiao Ming, this time you must go with all the men to protect the rest of the females and send them back to the village."

"How is about you?"

"I will go to look for Luo Yao Yao and Feng Ke Xin."

"Ao Yun, won't it be too dangerous if you go alone? How about I..."

"It is okay! I will give a code along the way, if I haven't back in the morning, bring the villagers to come and search me."

At that time, Gong Xiao Man is hurried coming closer: "Qi Lian sunbae, I also want to search for Yao Yao."

"Your mission now is get back to the village immediately, I can go to search her!" he carries a ransel bag and also torch at sudden he just disappeared very fast from everyone eyes...

Darkness inside the big hole, extend the hand won't see anything. Yao Yao is trying her best effort to stand up...

Dead meat, what should to do?

"Hu...hu.." there is wind blowing from the hole, it sounded almost similar to crying sound.

"In this world there is no ghost, there is no ghost, no ghost, no ghost." Yao Yao used both of her hands to cover her ears, her tears just burst out, more she is trying to comfort herself more she recalling the horror movie she ever watched.

Won't work, this is too scary!

Her body is curved round, shivering. In the middle of night the temperature in the mountain can be as low as 0, it not normal chills for body.

She feels useless while wiping her tears, she found out how can herself loves to cry? There is some times when she really does not want to cry but her tears just flowing down, really frustrating.

"Yao Yao! Yao Yao! Feng Ke Xin! Yao Yao..."

His voice? Her eyes is trying to look at slightest light from the moon, at sudden she inhale an air and at one breathe: "Qi Lian sunbae! Is you?"

"Yao Yao, it is me, you keep on talking, I will find you."

"Qi Lian sunbae, I am inside the big hole, can you see me?"

"Still haven't seen you, how about if you are singing, on this way the voice may take longer."

Ah? Singing? What song? Whatever, just sing randomly...

"Just forget about yesterday, now you are in front of me I want to love, please give me a chance..."

After one song is done, but Qi Lian sunbae hasn't found her, it is so clearly she could hear his voice is so near, but how could he take too long to find her? "Qi Lian sunbae, have you seen me?"

"Hehe, I have found you, but... I just want to listen to your singing until it ended."

The gentle and soft voice is coming from her top of head, and also the piercing light. She lifts her head up and looking at Qi Lian Ao Yun smiles, realized, it is Qi Lian sunbae who teasing her!

"Qi Lian sunbae, you are really!"

"Hehe, little foolish don't be angry, I will help you up immediately." Qi Lian sunbae is throwing a rope to the hole: "Grab the rope, I will pull you."

"Uh...my right hand..."

"Are you hurt?" Qi Lian Ao Yun voice is raises louder: "Wait for me." He ties the rope to one big tree, and then he slowly climb down.

His hand that holding torch is light up the hole and also Yao Yao, this place is filled with soil, but it quite clean, she just afraid of the human skeleton or skull, so that she is so afraid to make moves, it seems that she has been watching too much horror movies.

"Crying?" Qi Lian Ao Yun smile is so charming.

She feels embarrassed lowers her head, hurried she uses her hands to wipe her tears dry: "No!"

"No? Well, if no then no. Today you are one of the bravest little foolish." Qi Lian Ao Yun helplessly shaking his head, he gently pointed at her forehead using his finger. "How can you falling down in here?"

"Because... I carelessly falling down." Really don't know, although it was Feng Ke Xin who not coming to help, but she really does not blame on Feng Ke Xin, moreover she felt herself so useless.

"Come, circle your hand to my neck, I will carry you go up." Said Qi Lian Ao Yun, he rushed to back her.

But the problem is at least he must be 185cm, how to ask her to climb him? "Qi...Qi Lian sunbae, you are too tall."

Qi Lian Ao Yun bends his body.

"Huh, still too tall..."

"Still tall..."

"Still little bit taller."

This just simply is asking Qi Lian Ao Yun to crouch at the ground.

Cold sweat..

. actually no need go to that lower. She helplessly climbs at his back, when she touches him, she realized that her in front of chest only separate by thin clothes to his back, she could feel the warm of his back, this kind of feeling really embarrassing.

"Little foolish, are you 150cm something?" Qi Lian Ao Yun is effortless to stand up.

"Of course! If I not reached 150cm, does it mean dwarf?"

Listen to Yao Yao voice, Qi Lian Ao Yun really wants to turn his head to see this little foolish cute expression when talking.

When Qi Lian Ao Yun is step by step climbing up, suddenly the rope breaks off. Both of them are falling back to the ground inside the big hole.

"Yao Yao!" Qi Lian Ao Yun is anxious to pull Yao Yao into his embrace.

"Qi Lian sunbae! Qi Lian sunbae!"

"Are you okay?" His hand is touching her small face.

"You are so protect me, I am absolutely fine. But you..."

How can Qi Lian sunbae treat her very well? Again and again, he always protects her for not getting hurt, most of time she just masks herself, she does not know how to show her gratitude toward him.

"I am okay. It is good if you also okay." Qi Lian Ao Yun sighed, both of his hand are hugging her petite figure.

One second, two seconds...

Their position?

"thump, thump"

Yao Yao heart is running wild, only heaven knows that she feels so awkward now, she is pressed on Qi Lian sunbae's body.

"Qi.. Qi Lian sunbae?"

"En?"

She is awkwardly gulping: "We must..."

"Oh, yeah. This kind of position is little bit weird." Qi Lian Ao Yun hurried loosen up his hand that hugging her.

Yao Yao turned and flip over her body to his beside: "Oh my, the rope is break; it seems we can't go up now."

"That's right, all is because someone is too fat, makes the rope breaks."

She looked at Qi Lian Ao Yun, biting her lips: "Qi Lian sunbae..."

"Alright, I won't tease you. Rest assured, tomorrow morning there will be people who come to rescue us."

Tomorrow morning? Does it mean...

Must she spend night in her with Qi Lian sunbae?

But being together with nice and kind man like Qi Lian sunbae must be no problem, right?

Yao Yao is look similar to little white rabbit that curved her body and shivering.

While beside her is Qi Lian Ao Yun who is laughing and take off his outer cloth and put it to her body.

Qi Lian Ao Yun only wears thin white shirt, from his shirt she able to see his muscles, never thought someone like Qi Lian Ao Yun could have kind of posture.

Actually from the way he climbed, could be guessed that he is someone doing exercise.

"Qi Lian sunbae, if you give me your cloth how about you?"

"I am a man, so that I able to resist cold."

Relying on the dim light from the torch, his beauty face, at sudden just reminded her with Yu Ao Tian, this is really weird, both of them are far different!

"People say little foolish won't easy get flu, but why you this little foolish catch flu?" He pulled her into his embrace.

"Thump" "Thump"

Her heart beat faster moreover her head is closer to Qi Lian Ao Yun's chest, but... so that she could listen who is making the sound clearly.

Never thought someone who looks so composed alike Qi Lian sunbae could be this nervous? Hehehe, really funny.

"That, Qi Lian sunbae, what is inside your bag?" Yao Yao pointed at ransel bag.

Qi Lian Ao Yun frowned: "Damn, I forget about this bag!" he loosens up Yao Yao, faster he grabbed the bag, opened the bag... "Uh, Little foolish, it seems that God is taking care of you too, see you have sleeping bag."

Episode 145

Take out the sleeping bag, the warm instantly wrapped around her whole body: "Qi Lian sunbae, you also... together." When she asked him about this, she can feel her face is burn hot as if boil egg. This kind of invitation is no difference as if asking man to climb up to her-own bed really embarrassed.

"Hehe, you sleep. I am okay." Qi Lian Ao Yun is waving his hand, refused her.

But the problem is temperature during the night is getting colder, Qi Lian sunbae might frozen and catch cold, she make a fist, not doing bad thing why afraid ghost knocking door, both of them are having ordinary friendship between man and woman, although both of them are sleeping together it represent nothing, that's right! She certainly looked at him: "I believe you, Qi Lian sunbae!" she knows Qi Lian sunbae might understand with her words.

But...

Qi Lian Ao Yun really wanted to tell this little foolish, some of men may seem harmless but in fact all the men are shared same nature, all of them are actually beast by this way she only attract more dangerous toward herself. His mouth is curved upwards, showing his faint smiles: "I don't even believe myself, little foolish, good night." That soft voice deeply engrossed on her ears, Yao Yao hasn't reacted but suddenly his soft lips have touched her forehead...

Her heart strangely nervous, unexpectedly Qi Lian sunbae can...

She bites her lips, takes a glance toward Qi Lian Ao Yun who is sitting beside her, his expression is looked so composed, there is no strange movement. It seems this kiss on forehead might an ordinary good night kiss? It must be, just like that, she just thinks too much. "En, good night Qi Lian sunbae, if you feel cold, you must wake me up and change the position."

"Hehe." Although it getting colder, he does not willing to let this cute little girl be frozen, moreover to change position with her? Hah, simply to say she is really natural little foolish.

Realizing Yao Yao has slept, Qi Lian Ao Yun white jade cheek suddenly get hot while his pair of eyes also gleaming with red eyesight, this is hinting of man**

"Damn, this night will absolutely...tormenting!"

**

"Qi Lian sunbae, Luo Yao Yao, are both of you okay?" early in the morning, the people are coming to rescue them out from the big hole.

"It is okay."

"Qi Lian sunbae, your face is looked not too good."

"Yes ah, do you catch a cold?" the women are looked so worries and considerate toward Qi Lian Ao Yun, surrounding him.

"Yao Yao, Yao Yao." Gong Xiao Man is standing beside Yao Yao, smile devilishly asked: "Single man and woman are spending night together. Moreover under this kind of circumstances, what did you do with Qi Lian sunbae?"

"Xiao Man... what are you thinking? Qi Lian sunbae is kind man."

"So nothing is happened?"

"Oh my, are you expecting something happened between me and Qi Lian sunbae?"

"Huh, not interesting."

Seeing Gong Xiao Man disappointed expression, Yao Yao helplessly shaking her head, it seems that Xiao Man not really understand her relationship with Yu Ao Tian.

"Xiao Ming, have you found Feng Ke Xin?" Qi Lian Ao Yun is asking the vice president.

"So far we haven't."

"Well, you are responsible to gather all the females, asking the other men to separately looking for Feng Ke Xin, if within one hour we haven't founded Feng Ke Xin, informed her family." Qi Lian Ao Yun gives an instruction, everyone is moving.

"Feng Ke Xin! Feng Ke Xin!" half hour has passed, but there is no sign of Feng Ke Xin, when Qi Lian Ao Yun almost gives up...

"Qi Lian sunbae, is that you?" not far suddenly there is female voice.

Following the voice, finally he found Feng Ke Xin under one big tree: "Are you hurt?"

Her body is leaning on one of the trunk, she licked her dry lips, she tries hard to point at her right shoulder: "I, it seems...I got bite by snake."

Without further explanation, after hearing what she said, Qi Lian Ao Yun is tearing her cloth collar.

"Hey, Qi Lian sunbae, you..."

"When you got the bite?"

"Perhaps about one hour ago. I was losing the way, so that I sat down under the tree, and then..." When Feng Ke Xin is trying to describe what was going on, her expression is looked obviously so awkward but she faster to turn into Queen mode on, only to conceal her shyness.

After all she is born from wealth family and also "well-breed" young lady, her cloth collar being torn by man who is not familiar somewhat she might feel little bit embarrassed.

"One hour ago... there still a time!" Qi Lian Ao Yun is talking to himself, his pair of eyes are gleaming coldness, lower his head, he sucks the poison from her right shoulder.

"Uh, Qi Lian...sunbae.." an instant, Feng Ke Xin face is burning red, but when she looks at Qi Lian Ao Yun handsome face, she can't help herself to fall into his charm, her heart is beating super fast...

Airport.

"Yao Yao, you don't know, when Qi Lian sunbae knew you were missing he looked extremely pissed off." Gong Xiao Man is chatting beside Yao Yao.

"Uh, impossible, but Qi Lian sunbae is looks so..."

"So that, I especially telling you this matter. Just to let you know when gentle man is angry, they will give unforgettable impression."

Seeing Gong Xiao Man very gossipers, Yao Yao really does not know what to say her: "Xiao Man, you are especially telling me this matter, what are you intending?"

"HeHe, I suspect... perhaps Qi Lian sunbae might..."

"Woah! So handsome!"

"An entertainer?" few women who are walking ahead suddenly stopped, their eyes are looking at man who wear suit walking not far from the VIP passage.

He is wearing black spectacles, all his body is radiating cold aura, moreover there are few body guards who following at his back, somewhat it turned the atmosphere of the airport.

"What an entertainer, that is General Manager from Feng Group, Feng Chen Yi!"

Feng Chen Yi?

"Feng Chen Yi!" Gong Xiao Man and Yao Yao are exchanging their look. They are looking at the crowd, just expected...

"Wo Kao, after all we also can meet Feng Chen Yi at here!"

The one who surprised not only Gong Xiao Man, even Yao Yao also surprised, this world... how can it so small.

Feng Chen Yi who is walking through the VIP passage, seeing Yao Yao, he coldly raises his hand to stop the body guards: "I go to greet my friend, you guys just wait me in here."

"Yes, General Manager Feng."

"Hey, hey, you guys see that handsome man is walking toward here."

"So nervous." The women who are stopped actually secretly feel happy inside their heart.

And then, Feng Chen Yi footstep is stopped in front of Yao Yao: "How can you be here?"

"Hey, Feng Chen Yi, long time no see." Gong Xiao Man greeted him.

"Long time no see." His cold eyes are still looking at Yao Yao.

"I am joining the activity held by the student council."

"En? You are the one who always get rejected finally able to enter student council? Should I treat you meal."

What Feng Chen Yi mean? Oh ya, she got rejected several times during her Junior and Senior high school before when she wanted to enter the student council, does he still remember it?

"Hiks hiks...I got rejected again."

"What are you crying for? That place is filled with trash, they begging me to enter I also don't want to, if you are really wanted to join them, I will talk with the president."

"No need, I want to enter there, based on my strength."

"Ha, that place isn't look for strength but only looks at money, that's why I say that place is filled with trash!"

"I don't care with your meal."

"Well, how about you treat me a meal." Said Feng Chen Yi, he insert is hand into his pocket and smiles.

"Why must I treat you a meal?"

"This is what you owed me, do you forget?"

"Chen Yi, if one day I really can enter student council, you must treat me feast, okay?"

"Aiya, really does not know how long should I wait for?"

"What do you mean? Rest assured, you will be able to wait before you death."

All the old memories suddenly flowing inside her brain, Yao Yao is sneering to herself, how can this happen? Every times she meets Feng Chen Yi, if there is no new story and then all the old memories seems to come back, all the conversation between both of them, how can he remembers it so clearly, actually during that time, she never thought Feng Chen Yi would remember whatever she ever told him, but after these years, it is proving that she really wrong...

"You are thinner, what is going on for these days?" suddenly Feng Chen Yi expression changed, perhaps she less than half kg he might feel it! He extended his hand to caress her face...

Yao Yao is moved one step backward, avoid his hand...

At sudden the atmosphere turned so awkward.

Composed! Composed! "I am dieting of course get thinner." In front of Feng Chen Yi she really can't relax, because she afraid to show an expression that mustn't be seen by Feng Chen Yi, at last she afraid if not he being hurt then must be she who gets hurt.

"Didn't I ever tell you not need to diet? Be careful anemia." After said, Feng Chen Yi expression changed little bit in hurry: "I have urgent things need to settle. I will talk to you after I back." Politely he nodded to Gong Xiao Man and taking his body guards to leave.

"Am I...Am I mistaken on something?" after Feng Chen Yi left, Gong Xiao Man stroking her head.

"Xiao Man, what do you mean?"

"Uh..." this kind of feeling isn't wrong, not wrong, Gong Xiao Man had known Yao Yao since the Junior high school, that time Gong Xiao Man was in separately with Yao Yao, she was "light bulb (unwanted third guest)" in Feng Chen Yi " Yao Yao relationship, and then she could feel that...

These two persons every time they meet, both of them are so noisy but give kind of sweet feeling, the lively sweetheart, but no matter how she tried she would never entered and understood their world.

Just alike now, what Gong Xiao Man wanted to say, no matter how she really tries could not get into both of their world. Didn't both of them have break up for two years? But why she feels, Yao Yao and Feng Chen Yi...

seem never broke up? Both of them seems not changed even for little bit.

"Nothing." Gong Xiao Man is giving stiff smile, but her eyes can't help to see at Feng Chen Yi who is almost disappearing, and takes a glance at Yao Yao...

Are both of them still in love? But why don't they reconcile. At least, in Gong Xiao Man's eyes Feng Chen Yi is more suitable for Yao Yao compare Yu Ao Tian. it seems that within these past two years there are many things happened with Yao Yao, really too many...

**

Jiang Cheng group.

Yu Ao Tian is showing his devilish smile when coming out from the CEO office room, at his back is followed by Long Ye who is holding document, he smiled and said: "Ao Tian, we are succeed to dispose another one of Zeng Kai Rui's man, worth to celebrate it,"

"Just wait to dispose all of them, and then we talk about it." With his expressionless face, bringing Long Ye and Han Li Shang to the elevator.

When the elevator is stopped at 13th floor, there are two employees who holding document coming inside, both of them are looking at three persons inside the elevator, perhaps because they are not recognized their status.

At this time, one of employee who is holding the document, talking to his colleagues: "Hey, you know, they said the person who acquire our Jiang Cheng group is Yu Ao Tian from the Berson group, actually he was born from Mafia background when he in Japan."

"Ah? Are you sure?"

"I do also not believe but I have heard the news is true ah. And then, he was only a little scoundrel in the street before."

"Woah, impossible? Two years ago he acquired Berson, and now in very short time he able to put Berson in top place, and then after that he even acquired many companies, also acquire our Jiang Cheng Group, in fact he only a little scoundrel before? Impossible... if he used an illegal method ah?"

"Who knows ah."

Listened to these two employees conversation, suddenly Long Ye and Han Li Shang are fuming in rage.

Both of them are hate people discussing about Yu Ao Tian regarding whatever in Japan, because both of them know, Yu Ao Tian is depending on himself and also his own strength to reach everything he had today.

The most important Yu Ao Tian background isn't little scoundrel, those rumors are make up by Yu Ao Tian himself, it was fake! Just like how he hides his high IQ, it just similar things!

Long Ye and Han Li Shang have made fist, just in time when both of them are going to give lesson to those employees, Yu Ao Tian has stopped them.

His face is showing smiling expression when looking at those two employees, one at left and one at right, slowly but not in rush he asked: "Are both of you... talking about me?"

"Yu...Yu...CEO Yu?" both of the employees are dumbstruck, everything regarding Yu Ao Tian is low profile so although he appears in Television, but how could they know Yu Ao Tian who has mafia background could attain this noble aura, he also have this elegant gestures?

These two employees are nervously looking at each others, hurried bowing: "Sorry, CEO Yu, really sorry, CEO Yu, this is our mistake who cannot see the high mountain, regarding to what we have talked before, you don't put in heart. Sorry, sorry, sorry."

When the elevator door is opened, Yu Ao Tian smiles elegantly: "It is okay." He shaking his head to gesture no problem, turned his back and left the elevator.

Both of the employees are dumbstruck, never expected Yu Ao Tian is not really that vicious as rumor spread moreover he is looking so magnanimous?

And then, after Yu Ao Tian left not long after that, his expression is changed to be darker, his pair of eyes are gleaming with killing intention, slowly raised his hand, Han Li Shang understood and left him...

"CEO Yu, congratulation to you acquiring this big pie, Jiang Cheng Group. It seems not long after this, Berson may progressing in many areas?" at the time when Yu Ao Tian walked out from Berson Group big building, there are lots of reporters coming to surrounded at in front.

At the front Mo Xue Tong and Long Qi are keep watching, while Long Ye is hurried watching from the back, protecting Yu Ao Tian so that he won't be disturbed by the reporters.

"CEO Yu, in short period do you have any acquiring plan?"

"Yes, CEO Yu, can you reveal little bit for us?"

Facing with question by question given by the reporters, although Yu Ao Tian does not give any answer he only narrowed his eyes and smiles elegantly. Most of the female reporters are mesmerizing with him.

At sudden he raised his hand, his eyes gleaming brightly, his mouth is curved upwards...

Another second...

"Peng!"

"Peng!"

Two times of sounds, there are two persons who jumping from Jiang Cheng building.

"Ah!" stunned for moment, people are breaking into chaos in that sites, the reporters are quickly shifting from Yu Ao Tian to two death bodies, surrounded it.

Yu Ao Tian has been got away and walking into his own car. After two minutes, Han Li Shang also gets into the car.

Yu Ao Tian who is sitting inside the car smiled: "Not bad, Li Shang, as what I have expected, it fit the time."

The car is moving slowly, when passing by those two bodies in the street, Yu Ao Tian not even glances. While those two persons who are ineffable death actually were the two persons who were badmouthing him inside the elevator, that two male employees!

The car has stopped in one of Yu Ao Tian's villa, Yu Ao Tian gets down alone from the car. Pushing to open the big door..

.

"Ao Tian Ge. I missed you." It is one beautiful lady running to welcome him.

Yu Ao Tian cold eyes swept at her: "Why are you in here?"

"Huh, did you forget Ao Tian Ge? You asking me to wait you in here."

All women are only toys for him.

The woman is doubted, not understand why her precious first time isn't deserved for Yu Ao Tian's love? Her tears flowing down, wet her face.

When the woman crying face caught by Yu Ao Tian suddenly he remembered about Luo Yao Yao! "Yao Yao!" Damn! How can he suddenly call that little thing's name!

His face is puzzled, he tries to close his eyes but somewhat his brain filled more with Luo Yao Yao, even deeper.

For this short period, although he and Li Mei Yun are officially couple and he also have others relationship with different women, but no matter how many times he vents his desires, still he does not gain the satisfaction.

All the women in his eyes are not more than tool for him to vent his desires, to warm his bed, even when doing**, kissing just unnecessary for him. But... only kissing with Yao Yao, strange and weird he could feel that satisfaction he wanted, this is really damn weird!

"Ao Tian Ge, Yao Yao, is she the women that you love?" that woman not understand looked at him.

Love? Apparently there are many people who asking him same question, but still a same answer, he does not understand... what is called as love!

"Yao Yao, since the days we followed the student council activities until now, does Yu Ao Tian still not contacting you?" Gong Xiao Man and Yao Yao are sitting in the first row inside the class.

She shakes her head: "No." it can be counted that she has been so many days not contacting Yu Ao Tian, others than the called that she rejected, he does not call her anymore.

"Cih, he really is fickle man."

Actually this is out from Yao Yao expectation, Yu Ao Tian never had patience to coax girl, moreover both of them do not have feeling for each others, there is no reason for him to come and find her, right? "This is quite good Xiao Man. He and I are having three years contract, if both of us not contacting each others, perhaps when the time is arrived in three years, both of us may have clean break."

"If you really can think in such way, perhaps that may the best thing. Anyway from the first time I saw him, I always think he is not suitable for you."

"Hahahaha."

Bell is ringing. At sudden the class turned to be silent death. A man dressed in white shirt and black pants slowly walking to the class.

He has outstanding posture, his hair blonde and also white skin which really bright. Moreover the most attractive is his pair of blue eyes, unfortunately that man is wearing old-fashioned glasses which masked his good looking features. The only thing that left from him is only his noble aura and also his elegant gestures.

"Hey, Hey, you guys guess is he mix-blood?"

"He seems to be." Some of the students are discussing.

This male teacher seems not to hear and keep on speaking at the stage: "Good morning everyone, I your substitute teacher, you can call me teacher Qi." (Speaking in English)

Teacher Qi...

This teacher seems so gentle! Yao Yao is one of the persons who distant quite closer to the teacher, her eyes are staring at him, somewhat she feels this substitute teacher gives her a sense of familiar feeling.

"Now open your book and turn to page eight." Teacher Qi is mesmerizing; his low and deep voice filled the entire class.

This teacher seems to have special charm. Yao Yao lifts up her head and takes a glance to peek at teacher Qi, and just in this moment their eyes are meeting. Two people are looking each other; Teacher Qi curved upwards his mouth showing his charming smiles, she hurries avoiding his eyesight.

Huh... strange... this teacher somewhat... giving a weird feeling?

"Hey, Yao Yao. Don't you think if this teacher Qi takes off his spectacles perhaps he is one of best looking man in world?" Gong Xiao Man interrupted her thought.

She hurried hinting Gong Xiao Man to stop, afraid the teacher might hear her.

Just in this moment...

Teacher Qi face is darker, he pointed at Yao Yao's seat, with stern voice: "You! Come to my office after class."

"Ah?" she raises her head, not really sure she blinking her eyes: "Why?" (Speak in English) she does not make any mistake, why must she being called to office after class?

"Do you think Teacher calling you to come to office needs a reason?" (He said in English)

What teacher is he, really absurd?

Not only Yao Yao who looked dumbstruck but all the students in the class also dumbfounded, they do not know this gentle and soft, elegant teacher could act so domineering?

There is no way to refuse, who asks him as teacher although Yao Yao is not willing still she needs to endure it.

During in the class, Yao Yao does not listen and she keeps her head lowers all the time. That teacher Qi seems to set himself to oppose Yao Yao by standing beside her during teaching in the class...

At sudden, when the class almost ended, one male student is throwing piece of paper to Yao Yao's table. She looked surprised...

Huh, is this for her?

Her eyes is looking at the male student who is throwing that piece of paper, she extending her hand to take it but that piece of paper is taken away by Teacher Qi...

She lifts her head up to look at teacher Qi who standing beside her, but he looked as if nothing happened, passing her and takes the textbook and continue teaching.

But that male student who is throwing that piece of paper is looked so awkward; he only can pray that teacher Qi isn't understand Chinese...

Finally the bell is ringing, teacher Qi is glaring at Yao Yao, she unhappily following at teacher Qi back and heading to teacher office room.

The door is opened, her eyes can see there is single office room with bed, can be rest inside, the office room can be used as office room and resting place.

Teacher Qi is locked his office room door, sitting at his seat: "Why are you staring at me during the class?" (He speaks in English)

Can she tell him that he looked so weird so that she stared at him? "You are teacher, if I don't see you who should I see?" (Yao Yao speaks in English)

"Ahem." Believes that teacher Qi does not think this little girl can be so good in talking, awkward he makes one times cough sound, he hurries to change the topic, he takes out that piece of paper and throw it in his desk: "Read it for me!" (He speaks in English)

Does he cannot read by himself? Does he... not understand Chinese? Yao Yao rolled her eyes, slowly she opens the paper and takes look...

Cold sweat!

The contain able to make one heart beat faster and also feel embarrassed so how can she read it for him, so whatever, anyway teacher Qi is not understanding Chinese, just make things up.

"This paper is written teacher Qi is so good in teaching." (Yao Yao speaks in English)

"What?" (He speaks in English) Teacher Qi blue eyes gleaming, his mouth is naturally curved up and smiles deviously.

This kind of smiling... somewhat is so familiar for her? "Yes!" (Yao Yao speaks in English), Yao Yao nodding her head as affirmative gesture.

But teacher Qi face is darker, he raises and waves his hands, pointed at the table, "Do you think that I don't understand Chinese?"

"Ugh..." after listened to his fluent Chinese, simply to say Yao Yao is more than dumbstruck now. This kind of feeling...how can teacher Qi speak fluent Chinese?

While that piece of paper actually is love letter for Yao Yao.

"You understand Chinese, why you asking me to read it for you?"

Seeing Yao Yao expression that showed little bit anger, teacher Qi frowned, when he wanted to open his mouth.

.. but the other second, his throat feels tighten, immediately he backs to his gentle self just alike during the class, speaking in sincere and earnest: "Today's most of the boys are bad, little girl like you who is so naïve by all means don't be easy to believe on boys and dating with them, this will affect your studies, influence your future, you say?"

This point, she agrees, today's boys are indeed bad, Feng Chen Yi, Yu Ao Tian all of them are "good examples" as to be, is it?

"Thank you, Teacher Qi. I understand what should I do." It seems that teacher Qi is someone good, the today's teacher none of them are involving to the student private life? Moreover is talking with this kind of sincere and earnestly way of speaking.

"Well, you understand is good. In order to avoid being harassed by boys, you must come to report every times class ended."

"Ah? Every times class ended must make report?" the problem is there not only her who is being harassed by bad boy, how about the others girl? Does this teacher Qi really have that "kind" heart?

"No need, teacher Qi, this must be so troublesome for you, I can protect myself."

"I asked you to come then you must come! If you are not coming..." when he is speaking half in domineering tone, hurried he changed the topic, gently said: "Aiya, I really do it for sake of your

goodness, don't you think so? Rest assured, I won't feel troublesome, alright, alright, you hurry go back to class."

She has not gained herself but she has already being dragged out from the office room by teacher Qi...

"So strange." Puzzled, dumbfounded she stills standing in front of the office room, why at this moment, she sensed the way of teacher Qi speaking is so similar with...Yu Ao Tian? Does she think too much?

For the entire morning, Yao Yao helplessly do as whatever teacher Qi asked her to do, go to report to him at his office room every times the class ended, although she not willing but she also does not have any options, she even having her lunch in his office room, this kind of feeling as if sitting in prison.

"Teacher Qi, afternoon I have no class, I don't need to come, right?"

Teacher Qi rolled his eyes, his back is leaning on his chair: "What? Do you not get used staying at my office room?"

Who will get used? Although her heart is not willing but still she is forcing herself to give him a smile: "HeHe, teacher Qi, this, I have appointment with my friend to go out playing this afternoon."

"You are not allowed to go!" Teacher Qi refused, he even speaks in commending tone: "If you want to get out to play I will bring you or else you must stay at here, if you are tired here is bed, you can sleep in here."

Hah? What is it ah, how could this teacher Qi is so bossy? Doesn't he only English teacher? "Teacher Qi, I am not your child, I just your student, I have my own freedom! Thank you for showing your consideration for this entire morning, I take my leave, good bye." She turned her back...

But suddenly teacher Qi grabbed her wrist.

She feels her wrist is little bit hurt, Yao Yao furrow her brows: "Qi...Teacher Qi, what are you doing, let me go!"

"Stay!" he speaks coldly with domineering tone.

Yao Yao trembling, more she looks at him more she feels strange of this familiar feeling during with him, dumbfounded for moment...

"Let me go!" she swaying her wrist, who knows...

In her panicking mode she hooks man's buttoned, three buttons are opened, and that strong chest is showing.

Awkwardly looking at that man's blue eyes, she suddenly gasped, is teacher Qi angry?

"Sorry, I am sorry... teacher Qi, I will immediately help you to button your shirt." Yao Yao panic, both of her hands are busying to button Teacher Qi's shirt.

More she panic more she could not button it, her hands are trembling, after all she is touching his hard chest, as if she is "doing" him.

Face, red as an apple, eyes is looking down, does not know where to look at.

She is so stupid, she cannot button his shirt.

Huh, something wrong in here, why doesn't Teacher Qi button himself with his own hands?

Her eyes looking at him, finally she realized that pair of eyes is staring at her!

Her heart be frightened, her hands trembling, her eyes are open wide, blinking and moisten, both of her hands grabbed by his big hands.

"You..." what does Teacher Qi want to do?

His good looking face is getting closer to her, she could smell his masculine fragrance, directly in her face, she feels so familiarized.

Her waist is hold by his other hand, the warmth from his palm as if transfer to her body.

"I, I said sorry, I really not do it on purpose..." Yao Yao is busying to give an explanation, but inside her heart she feels the man expression in front of her having nothing to do with buttons!

Her beautiful features, her innocent eyesight with big eyes, trembling lips, this is so similar with little white rabbit who is standing beside as if asking the man to **

His adam apple is moving, he bent over, he uses his lips to sealed her little mouth that seems wanted to say something.

"Huh.

" Yao Yao eyes are open bigger, she really can't believe the man in front of her eyes, Qi...what is teacher Qi doing?

His domineering kiss, his tongue is prying to enter mouth and open her teeth, get into inside, when she lets out her soft voice her mouth has take up by him.

Get fiddle, get suck, get tease, get probe.

Dizzy, his kissed has confused her.

Yao Yao wanted to say something, she wanted to push away this man, but all is futile: "Huhuhu." She looked alike cornered animal who is crying.

For long time, teacher Qi showed satisfaction expression and then left her lips...

"You are too much, I will go to university president to file a complaint, you are beast teacher!" Yao Yao is going crazy wanted to escape from that man.

Confronting with her reaction, the man is licking his lips, not in rush, he said: "It is you who seduced me."

"When did I seduce you!"

"So why did you undress me?"

"I have said it, I was careless! I want to meet the president! I want to file a complaint about you! You are rotten bastard! Bastard!" she glared at the man, her small face is fuming in rage.

He hates the most when this little thing is going crazy!

"Bao Bei, being kissed by your man, the president won't care, right?"

Bao Bei? My man?

At sudden her body is stiffen, she lifts her head up stupidly looking at Teacher Qi who is in front of her...

"You..." faster her little hand takes off that old-fashioned spectacle from that man!

Yu Ao Tian!

Although he change his hair color and eyes color, but this face won't be forget by her forever!

An earlier she must guess that teacher Qi is Yu Ao Tian, although he looks gentle and warm in surface, but sometimes he stills exposed his domineering and bossy characters when they are alone. So why she never thought that teacher Qi might same person as Yu Ao Tian?

Is it because Yu Ao Tian won't waste his time to coax her?

"Humph? Bao Bei, seeing me, are you surprised?" Yu Ao Tian smiles happily, he raises his hand to take off his fake hair and also his blue contact lens.

Hah, just expectedly his hair still black, it suit with his charming deep black eyes, owning domineering aura.

"I am so shock but not happy! Yu Ao Tian, do you think this is so funny? How it's feel toying me?" she sneered, she is looking left and right: "Ugh, doesn't Miss Li come together with you? Won't she suddenly rushing into here and give me a slap?"

"You better speak well-manner!" his smiles vanish, his face is darker. He never thought this little thing will give this kind of reaction when meeting him.

"Yu Ao Tian, don't you feel you are especially doing too over? After all, you are like Li Mei Yun so much, you must stay with her why are you coming to provoke me?"

He also wanted to know why he could come to university to search for her!

Yu Ao Tian is not lacking of women, he never lacking of women, he would prefer to spend his time for working, for his best friends, rather than wasting time for woman.

He Yu Ao Tian's woman, want to go shopping, he can just give money, but do not asking him to accompany them; he Yu Ao Tian's woman, being alone, need him to accompany, don't think about it. As long as he needs woman, he would contact them.

This is his first time to take an initiative to coax little girl, who knows when he meets her, she gives him cold face, this just too irony!

"You are only my lover, whatever I do to you, you must endure it!"

Lover? That's right, she is his lover. Being someone lover how can she has so many complaints, but...

Pair of Yao Yao hands is pressing on her chest: "Yu Ao Tian, lover also is human. I did receive your money, but couldn't I have little self-respect? Do I must being your toy, played by you and then must I smile to you? I have enough, I have endured too much! I am not your pet, I am not your toy!"

"Pa" angry, Yao Yao raised her hand and at that moment her hand is landed on his face, Yu Ao Tian wanted to block her hand but his movement is slower, so that slap still landed on his face!

At that moment, there is no expression from Yu Ao Tian.

Yao Yao knows this time she must not provoke this beast, but...does not know why today she is not afraid of anything.

"The money that I owed you, I will pay you. From this onward, you are you! I am still me!"

Just expectedly she is never learn to be lover, never learn to be patience, never learn to ignore (close one eyes), never learn to welcome with smiling face, even if there is no feeling, playing in this game with this despicable role she really not willing. Moreover...his girlfriend is Li Mei Yun now.

She would not ever forget everything that happened in bowling arena, the smiling face of Li Mei Yun, right, she regretful about Li Mei Yun, but Li Mei Yun one time, second times, third times were setting trap for her, she really could not used her guilty feeling when facing Li Mei Yun.

Besides, she not believes, Yu Ao Tian that smart person did not know anything!

She coldly turned her back, walking heading to the office room door.

Suddenly Yu Ao Tian stopped her: "Little thing, do you think being Yu Ao Tian, my lover is something you want to be and you won't to be, is it?"

Her ears, she heard his voice as if magic charm, she can't help herself to fall into abyss, she just can feel herself to fall into deeper abyss.

She can feel the hot chest of that man at her back, her body is shivering: "I begging you, let me go."

"Let you go?" meeting her, he didn't know how long he waited for her, he was taking much effort and so hard to search for her within two years, when he hasn't got the answer, how could he let her go? His eyes gleaming dangerous, his curved up his lips, said: "Give your body to me, I let you go."

Her heart is trembling, she almost forget this bossy man hasn't obtain what he wanted, how would he let her go this easily?

"If I agreed to sleep with you, will you really let me go?"

"En."

Her small hands making into fist, she slowly turned back: "Okay, I agree."

Still can't endure, she thought that three years might pass in the blink of eyes, but being Yu Ao Tian's lover is something so difficult, he is too heartless, moreover his swaying moods, accompany to his sides, soon or later she might go crazy. It would be better... just ended this game, so that her life might go easier.

"Little thing, in order to escape from my sides, you are still breaking!" there is no satisfaction expression from Yu Ao Tian, instead, his good looking face is getting darker and dimmer: "Well, I grant your wish!" suddenly he pulled her into his embraces and heading to bed.

Very rough he torn her dresses, there is no slightly gentleness from his lips when kissing her white skin.

"Auw, hurt!" she can feel this man bites her body, she feels hurt and frowning.

"Hurt, later you will feel more hurt! All of this, you seek for it!" his hoarse voice bringing anger tone, there is no warmness in his eyes.

So scary...

This Yu Ao Tian, she never seen him before, simply to say he is not more than beast, why? Why he such angry? No matter how she fights him, at last she still bowing lower her head down to him, right?

Anyway, facing this kind of heartless and domineering man, since the beginning he wanted her, "bowing down head" what this mean?

"Argh!" that rough finger...

She feels in pain until her tears flowing down: "Don't... don't! stop it."

"Don't? Little thing, just now it was you who said wanted to give yourself to me? So... it is my matter how to treat your body!"

She feels hurt all over her body at sudden: "No, stop it, faster stop it!"

Listened to Yao Yao begging, Yu Ao Tian gritting his teeth, there is hatred eyesight in his eyes.

Why do you want to leave, this damn little thing why until now she still wanted to escape from him?

Just in this moment...

"Peng" a sound of office room opened from in front.

Yu Ao Tian eyesight cold, he covers Yao Yao's body with quilt. Turned back with anger expression looking at the door entrance, at the next second, he dumbfounded...

"Qi Lian...sunbae?" what to do? Why at this time suddenly Qi Lian sunbae rushing inside here? Yao Yao hurries wiping her tears, trying to say something but she really does not know what to say.

"I thought which scumbag, so that it is you, board Director Yu." When Qi Lian Ao Yun found out that the person inside the office room is Yu Ao Tian, at sudden he showed sarcasm smiling expression. "What? Board Director Yu feels outside is lacking women so come to university to hunt?"

Qi Lian sunbae? Stop! Don't continue anymore! Yu Ao Tian isn't someone easy to deal with as he thought! She must think a way to stop it.

"Qi Lian sunbae...I..."

"Board Director Yu, from what I see, you seem is raping? Aiya, so now you are hungry and hunting to rape female student?" Qi Lian sunbae smiles, both of his hand are enveloping his chest and slowly walking in front of him: "Or, because you have money, so that you can do whatever you want, but who knows surprisingly today you meet someone not care about your money. Thus, facing this kind of someone not buying at your account, you just directly come to force?"

Why today she feels there something strange between Qi Lian sunbae and Yu Ao Tian? That pair of melancholy eyes suddenly turned be hatred eyesight, this is not simply because this incident.

"You shut up!" suddenly Yu Ao Tian cold voice heard.

"Board Director Yu, you dare to do but afraid being said? Oh yeah, you are Yu Ao Tian who has status and power? Wanted to give me money to shut my mouth or wanted to ask people to kill me, death ends all one's trouble. What else you can do?"

"You!" Yu Ao Tian pulled Qi Lian Ao Yun's shirt collar, at sudden he raises his fist...

When he wanted to hit him, suddenly that fist stop in mid air.

Qi Lian Ao Yun smirks, his smiles bringing sarcasm, there is no slightest fear in him.

At other seconds, Yu Ao Tian loosen up his grabbing from his collar shirt, he turned and left...

Actually what is going on? This is the first time for Yao Yao to see someone dare to provoke and confront Yu Ao Tian directly. Since Yu Ao Tian backed her, she could not see Yu Ao Tian expression, but she could feel... Yu Ao Tian can't do anything toward Qi Lian sunbae, what is actually going on?.

Episode 147

"Yao Yao, did he do something to you?" Qi Lian Ao Yun back to his normal self, nervously he rushed to the bed.

She stunned for seconds, stupidly shaking her head: "I am fine. Thank...thank you, Qi Lian sunbae..." how to ask? But... maybe Qi Lian sunbae just not really understanding Yu Ao Tian so that he was talking in that way just now, but Yu Ao Tian reaction was completely different from he used to be, so strange.

"Next time, if that scumbag comes to harass you, I won't let him off!" said Qi Lian Ao Yun, his pair of eyes gleaming dangerously, he pulled Yao Yao to his embrace.

But...

Qi Lian sunbae is mistaken one thing; this time wasn't Yu Ao Tian fault but her fault! It was her who took the initiatives! "Qi Lian sunbae, perhaps you..."

"You don't need to say anything, Yao Yao. You don't need to be afraid of him. He just depends on his status, money and power, soon or later there will be a day he will die in my hand!"

Her heart is shivering, this time she believes, Qi Lian sunbae must be known Yu Ao Tian before, besides that he must have deep hatred toward him, after all he has used "die" this word?

But someone heartless like Yu Ao Tian didn't do anything in front of Qi Lian sunbae after being mocked and insult, this is really not Yu Ao Tian characters?

"Yao Yao, when Qi Lian sunbae looked for me, it really scared me to death, what was happening?" since her dresses torn by Yu Ao Tian, Qi Lian Ao Yun is looking for Gong Xiao Man to bring her new dresses, also asked Gong Xiao Man to bring her strolling in garden to calm down and ease her mind.

"Yu Ao Tian came."

"Ah? Yu Ao Tian came?"

"Teacher Qi is Yu Ao Tian.

"

"So that means, he is doing make over to be teacher Qi for getting closer to you?" Gong Xiao Man steps across Yao Yao by holding her wrist, talking to herself: "Humph, counted that he still had heart, at least he knew to come here for finding you."

Ah, she never thought for it. But the most important things that she never thought actually...

"Xiao Man, I feel I am so useless!"

That time when she signed that contract, she thought three years being lover wasn't hard thing to do, but after two months she could not put up with it anymore, finally she choosing to "compromise", but still she can't escape from his hand.

Being lover, she can't undergo herself to be lover, she wanted to leave Yu Ao Tian but could not passing the last obstacle, how can she be such useless?

"Yao Yao?" Gong Xiao Man glancing at Yao Yao who cuddling at herself, she just wanted to speak and comfort her...

Who knows, there is one car that suddenly stopped in front at them.

Before Gong Xiao Man could react...

"Uh!" Yao Yao has already kidnapped by few men in black suit who covered her mouth and forced her to get into the car.

"Hey, what you guys doing? Yao Yao! Yao Yao!" Gong Xiao Man wanted to move to in front to help but the car has been moving fast.

"What to do... what to do? Report to police! Report to police! Cannot, waiting police to come and save perhaps Yao Yao will be... oh yeah, find Yu Ao Tian! Find Yu Ao Tian." she trembling takes out her mobile phone but suddenly remembered that she does not have Yu Ao Tian's phone number, suddenly..

His face isn't showing any expression, but his body is radiating cold aura. He goes straightly to the CEO office room by the elevator...

"Ao Tian, didn't you take three days of work leave?" Han Li Shang is just in the middle of doing office work, standing up from his chair.

"My work leave is canceled." He said coldly.

Han Li Shang can feel that Yu Ao Tian is having bad mood, he moves from the CEO's seat.

Yu Ao Tian sits, but nonstop flipping the document in his table.

"Ao Tian? All of those documents had settled by me before."

"Damn!" Suddenly Yu Ao Tian smashed everything in his table.

Han Li Shang wanted to say something, immediately he gulped all his words back, he knows too well Yu Ao Tian's character, when he is in bad mood he could be colder than Han Li Shang, no matter what happened to him, he will keep it inside his heart, he won't share it with anyone. Because of this, he carries many things at his back also the pressured, forever only him who is secretly goes through it alone, everything...

Episode 148

Suddenly the mobile phone is ringing, Yu Ao Tian eyes are looking at his mobile phone display screen, it is Yao Yao phone number, he rejected!

This time his mobile phone is ringing again, he rejected it again.

Not long after that his phone is ringing again, this time is from Long Qi. He not in mood to receive the phone call: "Speak!"

"Thing goes bad, Ao Tian, Yao Yao's friend is calling me, she said Yao Yao is being kidnapped! What to do?"

Inside the bumping car, both of Yao Yao hands are tied, her eyes and also her mouth covered with cloth.

Actually what these group of men intend to do? Why they kidnap her who does not have any money, she also such useless?

In unfamiliar road, Yao Yao is perfectly composed and calm; she does not cry or making fuss, she just sitting quietly inside the car.

Not long after that, the car is stopped.

Two men are dragging Yao Yao gets down from car, moving forward, when she passing at one place her nose smells something rusty. This place perhaps is steel mill or an abandoned warehouse?

"Big Boss Lei, the person is here!" a man voice is echoing, now she certain that she must be in abandoned warehouse.

An instant the cover is taking off from her eyes, her eyes catches a man with long hair who looks at his forties, while behind that man there are lots of subordinates. Is that long hair man called as Big Boss Lei? Do all of them... mafias?

"Little girl, how old are you?" Big boss Lei spoke.

"Uh hu!" she frowned.

Man in black suit beside her tear off the cover that covered her mouth.

"I..

. I am 19 years old." Yao Yao nervously answered, her eyes takes glance at her surrounding, she wants to run away, but it seems this quite hard to do.

"Yes! She is the person! She is the real girlfriend of Yu Ao Tian, I just his fake girlfriend." Li Mei Yun is panic, nodding her head.

It seems that Big Boss Lei kidnapped her because Yu Ao Tian?

This isn't her first time to face such circumstances, last time she was also being kidnapped by Long Bang for same matters. So that she not even scared anymore.

"Little girl, is Miss Li telling truth? You are Yu Ao Tian's real girlfriend?"

She furrowed her brows; strive up her mouth, she even said: "Who is Yu Ao Tian?"

"You cheap are little girl, stop to tell lies. After all you dare to pretend not knowing about Yu Ao Tian? Big Boss Lei, you don't be tricked by her. She really is the girl who most beloved Yu Ao Tian." Li Mei Yun loses her self control, roaring.

Big Boss Lei rolled his eyes, coldly clapping his hands, one of man in black suit bowing with respect to him and walked to his beside: "Big Boss Lei, what is your order?"

"Last time when you were in bowling area, didn't you say that beside Yu Ao Tian there was woman? Who was that person?"

Bowling area? Did it means, last time when they were in bowling area, she and Yu Ao Tian had been spying by them? Damn! She even said that she didn't know about Yu Ao Tian...

"Reply to Big Boss Lei, she was that girl!"

Dead meat!

Make a mistake! Make a mistake! She had chosen wrong method. Facing Cong Qing Rui she could deny about knowing Yu Ao Tian, but this Big Boss Lei even had evidence regarding her with Yu Ao Tian in his hands, so that she made wrong moves only to give herself a dead end!

Yao Yao furrows her brows, she looks at Li Mei Yun's side with the corner of her eyes, she can look that Li Mei Yun as if waiting to see bad thing happen to Yao Yao.

Really not understand, how mockery Li Mei Yun now, does she really wish her to die? Didn't she have already won over Yu Ao Tian, but why she must be this bitter to corner her and not let her off?

"Ah, Little girl, uncle is quite courteous toward you, after all you dare to lie with uncle?" Big Boss Lei stroking his grayish hair, while pair of his eyes is looking sharply.
