

Pure Girl 211

Episode 211

Her white snow skin slowly blushing pinkish.

Yu Ao Tian finally released her little mouth, "hu..." she heave a sigh and takes deep breathe, nonstop panting her breathe, "Yu Ao Tian, You..."

Without waiting for her to finish her words, a greater excitement crashes him. She is not tolerating him for standing in front of her head, shyly she begging him: "Don't ah~ don't ah~, this, this is still in school, don't like this, Yu Ao Tian!"

There is strong and forceful 'invasion' to her body, not long after that somehow that feeling is coming back to return attacking her sense again.

Unknown what to do, her body especially so sensitive today, perhaps because the icy relationship between them are cracked and melt down?

'bamn'

Still in process of thinking, suddenly the dorm room door is being kicked opened.

Who? Who is coming? Yao Yao's white face is still blushing red.

Yu Ao Tian faster covering Yao Yao body and with unhappy expression looked at the doorway...

"Older brother, you must know, now Yao Yao is my girl friend. You and her still doing this thing, didn't you feel ashamed?"

Is? Qi Lian sunbae? After heard his voice, Yao Yao is lying in the bed not dare to move, nervously close her eyes. She does not understand, how can Qi LianAo Yun speaks that easy and straight forward, obviously...

"Ao Yun, you must have been interacting with Yao Yao for sometimes, haven't you gotten enough?" Yu Ao Tian is standing up, slowly pulling Yao Yao up from the bed and hold her in his embraces.

"Of course not enough, at least I must wait her until she pregnant my baby?" after said, Qi Lian Ao Yun moves in front and wanted to pull Yao Yao to his side.

But Yu Ao Tian not even loosens up his hand, she is as if something being pulling left and right by two men.

"How about this, Ao Yun. Anyway whatever I say, you won't listen. How about we asked Yao Yao to make a choice, if she chooses you, I will never show up again; if she is choosing me, you must stop to harass her.

How is about it?"

"Yu Ao Tian, what you mean by your words? Do you want to take back your words?"

"En?" Yu Ao Tian is shrugging his shoulders, smiles deviously: "Last time I did only tell you, 'do as you please', but not said letting Yao Yao to be your girl friend."

"You! Older brother, you are indeed cunning, whatever you did always left back up path for yourself!" Qi Lian Ao Yun loosens up his hand that pulling Yao Yao's hand, his voice is dripped with sarcasm.

No wonder Qi LianAo Yun can say Yu Ao Tian so cunning, even Yao Yao as audience also thought... Yu Ao Tian indeed very cunning! This man no matter what thing he did, he is always having confident to win. Ha. Really once he attacks, he won't retreat. She is admired him!

"Bao Bei, come, make your choice."

"En?" Does Yu Ao Tian go for real? Really wanting her to make choice?

Actually... honestly.

..

This is one of the best opportunity to leave Yu Ao Tian, isn't it? After all he is asking her to make decision, but... "Qi LianAo Yun, I remember that night I ever told you about my mind. Until now, I hadn't changed it!" she spoke with certainty, she is holding Yu Ao Tian's arm tightly, purposely showing her loving expression.

There is a time Yu Ao Tian is bad! Really bad!

But...

Hahaha, this time she has made decision to stay peacefully beside this man for three years, except, 'sky change', or else she won't ever violate the contract agreement!..

Episode 212

The most important thing is...

She could feel Qi Lian Ao Yun who is standing in front of her is scarier than Yu Ao tian, perhaps the melancholy prince she had seen before only... someone at her past!

"Luo...Yao Yao!" at an instant, Qi Lian Ao Yun pair of melancholy eyes suddenly turned into pair of eyes which gleaming with anger, he is curling his hand into fist tightly.

Yu Ao Tian senses something odd, he hinted Yao Yao with his eyesight: "Bao Bei, you go outside first."

"Oh." She is carefully gets away from Qi Lian Ao Yun's side and immediately slips out from the room.

After Yao Yao has gone out, the room is growing in silent, Yu Ao Tian lets out heavy sighed: "Ao Yun, this time can you give up?" He used very calm speaking tone, as if the most ordinary from ordinary way of older brother who is speaking with his younger brother, that way. There is no such aura of underworld bosses or the mighty CEO way of speaking.

"Yu Ao Tian, you are too vicious. When I was looking for you, asking for Yao Yao, had you planned for today's result?"

"Due to your character, if that time I didn't give Yao Yao to you, you must do something more impulsive things toward her.

Better like now, I was happily giving her to you, by that way she is much safer." Yu Ao Tian would not deny the time during his younger brother asking, he was little bit angry, but in order to ensure Yao Yao safeness in the future not to be harm by Qi Lian Ao Yun, he must do it.

Just as what Long Ye said, no matter what Yu Ao Tian did he must have his own purpose.

Perhaps this is best thing to make, fulfilled his younger brother hanker for Yao Yao, letting both of them to have interactions, at last he asking his younger brother to give up, by this way Yao Yao is completely safe.

"Hehehehehe, Yu Ao Tian, you this person always schemes at anytime. But, you are really brave enough, didn't you afraid I would force Yao Yao to me?"

Did this count as brave? Perhaps, but... still same words, Yu Ao Tian never fight the battle which he not sure to win. "Most of time you always said I am heartless cold-hearted, actually Ao Yun, compare to me, don't you are more than me?"

"You had dated many girls before, there are lots of women surrounded you, this is not Big Brother does not know, but except your first love you never use your heart, big brother never seen you use your heart to any girl before. But until..."

"Last time, when you were at the teacher's room and also that night, the contemplation which you shown toward Yao Yao, I have understood everything. Ha, how could you do something makes Yao Yao hate you?"

Yu Ao Tian is too understood this younger brother very well, perhaps his eyesight, his movement, he might able to see what his younger brother would do.

Although Qi Lian Ao Yun hides his shady character within that warm and melancholy eyesight, but Yu Ao Tian knows, once his younger brother has used his feeling to anyone, he won't ever able to do anything which would harm that person!

Episode 213

"I am your older brother, who is seeing you growing up, I understand you." Yu Ao Tian is speaking with caring tone and let out his heavy sighed, standing up and gently patting his shoulders.

An instantly, his white face is turned to be dark, at sudden he pushes away Yu Ao Tian's hand: "Yu Ao Tian, you better watch yourself, you are not even understand about me. You remember! Soon or later I will drag you down!" after said, he turned and walked leaving.

At the moment he opened the door, Yao Yao is eavesdropping their conversation.

When both of them are looking at each other, Qi Lian Ao Yun is unhappily bites hard his lips, turned and left...

Although Qi Lian Ao Yun is not admitting how understandable Yu Ao Tian about himself, he still needs to admit it, that he didn't force Yao Yao, he was really afraid... being hate by Yao Yao!

☞Why you must be Yu Ao Tian's woman?' this days, Qi Lian Ao Yun has been asking himself many times, Yao Yao was not understanding what did he mean by it.

But Qi Lian Ao Yun clearly understands himself, why he continuously keeps asking this question. Because...

He really, he really loves Yao Yao. That kind of flattering feeling when see her for first time, love at the first sight, even he does not know, how and why he could fall in love with her, so deeply.

If she isn't Yu Ao Tian's woman, perhaps he would slowly pursuing her, protecting her, and dear her.

But after that night, when Qi Lian Ao Yun found out her relationship with Yu Ao Tian, what he left for both of them were one sarcasm and piercing laughing sound, and then left, masking himself with unhappy, hatred and also helpless expression.

He hates Yu Ao Tian, he loves Yao Yao, the person he loves is the person's woman that he hates, other than frenzy and struggling in his heart, it seemed his eyes had been blinding by his heart hatred.

So that, that night he came back to villa, asking Yao Yao from Yu Ao Tian, as for the reason... simply because he wanted to take revenge toward his older brother? Or because he wanted to make Yao Yao as his? Ha, still he does not know himself!

"You are so good to Qi Lian sunbae." Yao Yao is walking slowly to the dorm room, with faint empathized facial expression.

"En? I am bad older brother, or else why my younger brother could hate me so much?" he shows his smiling face, slowly sits down at the bed, his eyes is filled with helpless.

"It is not. Although I don't know why Qi Lian sunbae hates you, but... later or sooner he will understand about your goodness."

That's right, soon or later he will understand.

Yao had heard all these two brothers conversation when she was at outside. When Yu Ao Tian is speaking with his younger brother, his way of speaking is forever so earnest, that patience, she really never seen this Yu Ao Tian before, honestly, how older brother could be so tolerant with his younger brother, this is not much can see. Especially the man is that Yu Ao Tian, a domineering man!

Qi Lian sunbae really not understands how Yu Ao Tian using his heart.

But, most of time she also not understand, isn't her?.

Episode 214

If not because of eavesdropping both of brothers conversations, perhaps she will hate Yu Ao Tian because he gave her to his younger brother and never know his reason to do so. She blames him, resent him, cursing and scolding him, at last she hates to the point she wanted to kill him.

But, in the reality?

How is not understandable she with Yu Ao Tian?

Perhaps he is so lonely, right? This man who is not good in explain himself, a man who is good in hiding himself, although he is being misunderstanding, still he will taking the responsibility and bear it by himself silently, he even can use his heart to think about others standing point. Yu Ao Tian is really...

How pity he is!

She close tight her mouth, takes a deep breath, she slowly walking to bed head and takes out the beautiful box: "This, Thank You."

She not really wanted to recall thing that happened during the night of her birthday with Yu Ao Tian, but seeing the case with Qi Lian Ao Yun, she feels that she must face Yu Ao Tian, facing with his kindness, using her heart, sincerely thank this lonely, mighty, and also cold man.

"En? This?" Yu Ao Tian's face longer, using one of his hand taking that beautiful box from Yao Yao: "This damn Long Ye, he really has his ways!"

"How could you know this is done by General Manager Long?"

"Apart than him who is busy doing, who else will do it!"

To be honest... Yu Ao Tian observation ability, really... scary which let people to shudder and get far from him, if later in the future she wanted to tell lie to him, will it expose soon? How smart he is?

"Come, Bao Bei, turn."

"En?"

"Turned back."

"Oh." Yao Yao is turning her body, backed Yu Ao Tian.

He is taking out the necklace from the box, slowly put it on her neck.

Still same words, Yu Ao Tian will cherish more the things that he had lost for once before, this present is clearly had lost before, but at last it could come back to the owner's hand. Just alike the watch he wears...

"Later, without my order, must not be taking it off!"

From her back is flowing Yu Ao Tian commanding voice which could not be rejected by her, she nodding her head: "Oh.

" Slowly she is lowering her head, looking at the necklace which put on by him...

☒Thump thump thump' strangely her heart beat faster, this feeling?

She burrowed, her heart is thumping because get moved? Perhaps...

After she experienced this thing she really had thought, there is as if nothing ever happened between both of them, feeling she just gets back the thing she missed during her birthday.

"Yu Ao Tian..."

Seeing her who backs him, Yu Ao Tian pulled her into his embraces, whispering at her ear: "What?"

"You break with Shang Yun Yi, okay."

'thump thump thump...' her heart beat is faster compare just now, she... how can she suddenly give him such suggestion? Asking him to... break with his girlfriend?

At sudden Yu Ao Tian who is still cuddling at her dumbfounded for moment, his deep black eyes are not gleaming.

At the next minute...

Oh, got an excuse! Yao Yao is letting out her heavy sighed, finally she knows why she must say that.

"The thing I said before wasn't joking. Shang Yun Yin has mafias' background; she will affect your future. Before the election period, government will do the investigating regarding your background clearly. Once the government side found out your girlfriend is someone from mafia' background, they will matter this thing to reject your election right."

He can feel that Yao Yao knows very well about politics. She is slowly turned her head, blinking her big moisten eyes toward Yu Ao Tian, very seriously: "If you really need girlfriend, just find a girl friend who has politician background, perhaps this thing will be lot easier."

So this is the reason why little thing asking him to break up with Shang Yun Yin? Really..., Yu Ao Tian is giving mocking laugh; tighten his hands which are gripped on her waist, pretending to be angry: "Who do you think I am? Am I the person who eats soft rice and depend on woman? Or am I type of person who can't live without woman?"

"Ugh... I, I don't mean it."

"Well, let me ask you, have you ever counted how many women you had chased away before?"

What is called as how many women were being chased away? She dissatisfied burrowed: "If you and Shan Yun Yin break up, it is only two persons okay? Don't make me as if I am your love-breaker."

"Ha, only two?" Yu Ao Tian is narrowing his eyes, grinning deviously; rested his head to her shoulder, whispered: "I ask you, since we are together, how many girlfriend I had?"

"Ugh..." Yao Yao this time just remembered, it seems he dated 2 women! Cold sweat...

"Well, how about you don't need to date anyone? Or else you dump me. You one person step on two boats for certain you will tumble!"..

Episode 215

"Dump you?" Yu Ao Tian is turned her body: "Dump you so that bless you to reconcile with Feng Chen Yi?"

Her heart is shivering for while, naturally her face gets to be longer, with her eyes, she is glaring at Yu Ao Tian deathly.

There is no slightest changing in his eyes, not alike he is angry or get frenzy, it seems this words just flowing out in that way?

No matter what, Yao Yao still does not want to miss this opportunity to give him an explanation: "During binding in contract, I won't together with anyone, this is my principle."

"Principle?"

Yes, principle, she will work to her utmost to suppress all her feeling for Feng Chen Yi, she only does not know how much time she needs to do, but no matter what, within three years she will keep herself

according to the contract. "You are in my saddest circumstances, helped my family, you helped me to go through the most difficult times I had. So that, I will persistent until to the end."

Persistent until to the end? Principle? This little thing always says he is heartless, but now what she said... isn't she more heartless compares to him?

"Bao Bei, packing, packing up your stuffs, let's goes with me." Yu Ao Tian is changing the topic.

"Ah? Go? Where are we going?"

"You say?" he is grinning deviously.

Yao Yao can feel his real intention by saying 'go', her small face is darken, unhappily she is creasing her eye brows: "I want to stay at here!"

"Go!"

"Yu Ao Tian!" Endure! Endure! She bites her lips hard, she uses nice speaking tone: "Though I go with you, but still to my unknown time you might chase me out, why must so wasting energy? The most important is, doesn't that place stay by Shang Yun Yin?"

"Who say to you she stays there?"

Doesn't she? But why last time when she went there she spotted both of them...

"No matter whether she stays there or not, I won't go back to there."

"I don't ask you to back and stay at there."

"Ugh?" her misty eyes rolled: "Your villa in the mountain I also won't stay there!"

"Also not there."

"Ah? The new place I do also won't go!"

"Also not the new place."

Faint, she really wants to faint; she is going to be faint by Yu Ao Tian, not this one, not that one? So where does he want her to stay?

Both of them are having 'verbal' battle for while. Finally it is ended by outraged Yu Ao Tian, she is forced to pack up and followed him leaving the school.

This man, forever always this domineering, when he is happy he will teased her, when he is unhappy he will chase her away. She is counting carefully since the day she becomes his lover how many times she moving house?

Does he think her as his pet? Called and come just goes as his orders. Too much!

"Bao Bei, later you stay here."

When the car stopped and parked in front of apartment, Yao Yao knows this place.

Here is Yu Ao Tian most modest and simplest building, it is only one single bedroom apartment, though she had ever come here two times, it has engraved deeply in her memories. Because staying at here, the 'Yu Ao Tian' is someone different from that Yu Ao Tian who used to be.

"Geez." She is pretending to piss off and rolled her eyes, sitting at the passenger seat not moving.

Yu Ao Tian is coldly swept on her, he wanted to flame but at sudden he is suppressing it: "This place others than Mo Xue Tong, no one ever come; if we are fighting, you stay, I leave!"

Huh? "Really? This is what you said."

"Yes."

"Hihihi." This time, Yao Yao finally showing her smiling face, happily she takes out her luggage from the car, as if a tough girl rushing inside...

It can be seen, Yu Ao Tian has placed her staying at so many luxurious places, but she loves this place much compare to those because here is most cozy and warmest place.

Of course, this... is also a place Yu Ao Tian most loved!.

Episode 216

Seeing she is rushing toward, Yu Ao Tian is helplessly smiling, actually based on his strong and forcing character, asking Yao Yao to stay is so easy, isn't it? Why must he give so many explanations to her, also promised to her? But this time, he really wants her to stay happily in the 'house/ home' he loves the most.

"Bao Bei, come, accompany me to take a nap, after wake up, I will take you dine out."

"I don't want you go taking nap by yourself. I don't feel sleepy." She acts as if sculpture does not want to move even an inch from sofa.

Yu Ao Tian is furrowed his brows, he held her alike sack bag, lift her and put her into master room.

"I don't want to sleep. You put me down!"

Outrageous tossing her to bed, when she wanted to sit down, he has already affixed to his strong body. His arms firmly encircled her waist so she can't move.

Rotten Bastard man, if she has chance, she also wanted to let him taste the feeling being affixed and also gives him helpless feeling.

Eyes are open widen, looking at the ceiling. Not long after that, beside her is the man who turned facing her who has rough breathing.

So quick felt asleep?

Titled facing his side, carefully to look at his face, he has high nose, moderate fuller lips, his 360 degrees of perfect face and also his fair skin, he indeed rare handsome man.

As additional his calm temperament, noble and extravagance, really wanted to know how his parent look alike, how could they born this perfect son?

Oh ya!

Parent? Until this point, she only knew his younger brother is Qi Lian Ao Yun, but never heard from him about his parent, really strange, although they had passed away, at least at home must have their picture? Why there is no picture no matter among of his many houses or villas there is no pictures or things related to his parent?

Yu Ao Tian family background really is mysterious, just similar with his mysterious personality, it has possibility at one moment alike sunny bright sky but in other moment can be gloomy dark cloud. Just expected he is type of man she must avoid.

Her petite body is leaning closer, her moisten big eyes are seeing at him who furrowed and creased his forehead so tighten. Hehe, this man although he is sleeping he still keeps nervous stance? Really bitter, his brows are deathly locked together, really want to stretch it apart.

She is softly pressed his locked brow together, Yao Yao is sniffing... really good scent, what shampoo he uses, the scent smells so good, his hair is so dark.

Humph, God isn't fair, he is growing up so handsome and yet there is no pimples at his face, even his hair is taking very good care. Really makes one envy, jealous and hate.

At sudden she rolled her eyes: "Hi hi." She is curved up her mouth, grinning deviously, very careful she is trying to loosen up Yu Ao Tian's hands which encircling her waist, she is taking off her rubber hair band from her hair, humph, who ask you acting so bossy! Who asked you so bossy! Who ask you being unreasonable!

☒Ding dong'.

Episode 217

Not long after that, the door bell is ringing from outside.

At sudden Yu Ao Tian is opened pair of his eyes, the first thing that catch by his eyes are Yao Yao small face which is furrowing : "Humph, humph, who, so noisy and annoying!" Her eyes still closed but her mouth is muttering cursing words.

Still say not sleepy, never thought this little thing is sleeping more soundly than him! Yu Ao Tian awake and sit down and then run to open the door...

Outside the door, Han Li Shang, Long Qi and others are standing.

"Ao Tian, since when you..." when Han Li Shang spoke half way, at sudden his handsome iceberg face is dumbfounded.

While the others three people are wide-opened their mouth, they are control themselves not to laugh at him and moves their face to other way of direction.

At moment Yu Ao Tian senses the atmosphere little bit weird, he turned his body and dashing into bathroom.

When he is standing in front of mirror, the mirror is reflected an extraordinary handsome face but the in front hair is tied with rubber band, his appearance is so funny.

"That damn little brat!" Yu Ao Tian is untied the rubber band from his hair, pissed off gritting his teeth.

"Hahahahaha." Those four persons who standing outside the bathroom are laughing except Han Li Shang, three of them are laughing hard until their stomach hurt.

Yu Ao Tian's face at while is green another time is red, in order to saving his face he only can pretend to be strong and calm: "Why you guys looking for me?"

"Just this, Ao Tian, the lawyer who is responsible for your political election suddenly resigned, moreover he with his family are immigrating to South Africa, I tried to bring them back from South Africa but the Government of South Africa has issued out protection order for them."

"What?" Yu Ao Tian is furrowing his eyebrows, his pair of eyes is gleaming coldly: "It seems that is done by that man, that old thing Zeng Kai Rui has paid attention towards me."

"Impossible? You have hidden everything so carefully, there is no way he could find out your real status?" Han Li Shang is speaking while changing a glance with Long Ye.

Yu Ao Tian still with his dark face, slowly sitting down at sofa: "The South Africa government with Zeng Kai Rui relationship aren't simple, Northern Europe countries there are also have alliance with him, since that lawyer could get South Africa government protection, this is absolutely because of Zeng Kai Rui's ordered!"

"What to do now? We only have half of month before the election, although we can invite the replacement lawyer but still we must find someone we can trust.

If Zeng Kai Rui really keeps eye and has been watching you, if keeps on delaying, he will find out more. If we give up this year election, waiting until next year, everything will be too late."

This point, Yu Ao Tian is extremely clear, two years ago when he was still in Japan he was in hurrying to acquisition Berson Group and also expand Berson Group in the fastest way, all because of he wanted to find the fastest way to be the politician and joining the election. It could be said, his main purpose is being politician.

"There is no other ways, also can't be trust, still need to find the replacement lawyer to do all the things. After all, none of us who has an authority in this field."

"Understood." Han Li Shang is coldly nodding.

Beside is Long Ye who is nervously speaking: "Ao Tian, Xiao Meng Li..."

"Sst." Yu Ao Tian expression is an instantaneously changed , his finger is pointed inside the master room.

Immediately Long Ye reacted, he speaks with very low voice: "Is she here?"

Yu Ao Tian is silent nodding his head.

"That, we don't have anything to say, we take our leave." Long Ye is intentionally speaking in high tone.

Beside him is Long Qi who is creasing his forehead, he is very clear what his older brother wanted to report, but once he remembered Yao Yao who is inside the room, there is slightest guilty feeling in his heart, he really wanted to know, that time when he told Yao Yao about the burning villa case, was it right or wrong thing he had done.

"Ao Tian." When few of them are heading to the door, Han Li Shang's foot step is stopped, he silent for while, his cold eyes swept on Yu Ao Tian's black hair: "Did you ask that little girl to tied your hair on purposely or did she do it when you were sleeping?"

Episode 218

After listened to Han Li Shang's voice with worries tone, everyone seems to be awoken from their dream, all of them were laughing at Yu Ao Tian but they forgot one thing...

Yu Ao Tian is someone who has very high sensitiveness. He almost alike Cheetah!

This is not bragging or exaggeration words, although he is sleeping soundly, a movement within 5 meters can immediately awakened Yu Ao Tian, he also could make quick judgement whether friend or foe, furthermore he could make fastest counterattack.

But today, a woman who sleeps in his side could be so easy to tied rubber band in his hair, after all he not even realized it, if that person is his enemy, perhaps he might already lost his head.

"Rest assured, I know what to do. You guys take your leave." After he sent off Han Li Shang and others, he is expressionless getting back to master room.

Soft bed, Yao Yao is lying with face facing up to ceiling, with eyes still close, her cute and innocent face very similar with chubby baby that pouting which makes other people wanted to pinch it.

Yu Ao Tian is walking slowly to there, his sharp eyes are glancing at her little hands which pulling the quilt tightly, ha... this little thing knows she had done something wrong, what she pretending for?

She still not makes any moving when he is lying at her side, his big hand is naturally put on her lower abdomen. That sensitive touching is provoking on surface of her clothes...

Unconsciously Yao Yao is burrowed, her eyelashes also followed shivering.

That big hand is transmitting warm feeling; she really can't help herself to continue pretending, faster she stopped his hand by pressing it, opened her eyes, and questioned him: "What are you doing?"

"Not pretending anymore?"

"Ugh..." cold sweat, just as expected she mustn't pretend to be smart in front of this man.

At the time when Han Li Shang and others coming, actually she had already wake up, but because she was afraid get punishment because being mischievous, so that she must pretend to sleep.

"Hihihi, you won't blame me right?"

"I won't blame... you had helped me to style my hair, how could I blame you?"

Staring at his devious grin, at sudden Yao Yao could feel chills running on herself, his face is showing smile but his eyes are so cold, will he revenge at her? Absolutely he will!

"Bao Bei, let me style your hair too."

"No..

. no need." An instant she is protecting her own hair with her pair of hand.

Yu Ao Tian is smiling deviously, slowly he is stood up: "I don't say that I will tie your hair." After said, his pair of strong hands grabbed her waistband.

"Don't ah! No!" Yao Yao is using all her strength to struggle from him: "I... there cannot be tied."

Damn!

Who could tell him, this naive little girl how can she speak such seductive words with so innocent expression?

"Bao Bei, now you are as expectedly so seductive. Come, let me check it, check it." After said, his pair of eyes gleaming, he is pulling down her underwear.

"No!" she wanted to resist but it is too late, it only left quilt between them.

To unknown Yu Ao Tian is faster one step, get to look. "Aiya, you still same like before. Naked (too obvious)."

He... how could he like this?

"You, can't you not say it out loud?" she is avoiding his eyesight, an instant her small face is blushing.

"Bao Bei, you are so seductive, are you trying to seduce me?"

"Of course not!"

"So why are you touching yourself?"

Rotten bastard! Didn't he know the reason why? Less or more Yao Yao understood the vague words, in order not to get trapped by him, she shut her mouth up.

Yu Ao Tian is grinning deviously furrowing his brows, his big hand is pressing her back hand that cover her Mrs.V...

"You, what do you want to do?"

"Ha." He is showing his playful smiles, he squeezing her middle finger, strongly moving around.

This...

"Humph..." Feeling as if a strong electric-shock is flowing in hers, her small mouth can't help to let out moaning sound.

"Bao Bei, is it nice to play by yourself?"

Enough! Enough! She really wants to shut her ears so that she does not need to hear him. "You let me go!" her little hands are restless, but no matter how she tries she can't sway away his big hand.

"Doesn't like? Since you dislike it, but why you show reaction?" He is smiling deviously speaking with mischievous tone, but the other hands...

"Ug." She is nervous biting hard her lips, she uses her utmost strength to resist, but no matter what she do it is pointless.

After while, she lost control. "Enough, stop." Simply to say she is going to be crazy, her fingers are being controlled by Yu Ao Tian, and this is must stop.

"How can it be enough? You must feel bad now?" Yu Ao Tian is smiling deviously; his finger is gently touched...

"Uh en..." Yao Yao is taking deep breathe, impatiently moving: "Don't move anymore! Please don't move! I feel bad!" this way of speaking is bringing either feeling ironic or ashamed, forcing her white face to be** ripples.

"Ah..." she is moaning longer, she is reaching the peak.

Seeing how fragile and weak of her, Yu Ao Tian is grinning deviously, pretending to speak: "Bao Bei, every time at this time, you are especially seductive, if there is an opportunity I really wanted to photo you, showing the most real of yourself."

Episode 219

"Have you done eating?"

"En.." she is nodding with fears.

"Come with me!" Yu Ao Tian is standing up, faster walking out from the restaurant; he goes straight to the Chanel store at the first floor.

"Mr. Yu, welcome." One of the sales girls is welcoming Yu Ao Tian passionately.

Does he want to buy thing? When she stills in her hesitate-state, Yu Ao Tian has pointed at Yao Yao.
"Choose one piece formal gown for her."

"Yes. Mr. Yu."

Ugh... what situation am I having in? "Why, why are you buying me a formal gown?"

"This Sunday it will company annual meeting, you go with me!"

"Ah?" with what status she will be going there? As the ex-employee? But the colleagues must be suspicious? "No...no, I won't go."

"Must go!" after said, Yu Ao Tian is pulled Yao Yao to get inside.

Torment for sometimes, finally one of the formal dress is chosen, she is talking with Yu Ao Tian with absent-minded: "Ao Tian, you think carefully, if I go, the colleagues might suspicious."

"This year there are more than 2 thousand people joining the annual year meeting, you say who will be recognized and pay attention to you?"

Uh, this is so true, mixed with so many people, who will pay attention, if really encountered with old colleagues, perhaps she can act dummy little bit to pass from them. But, why Yu Ao Tian must ask her to join this time annual meeting? "Well, I want to bring Gong Xiao Man along."

"Do as you please."

Since Yao Yao walking out from the restaurant and talking regarding Yu Ao Tian's second girlfriend, he keeps on showing her his cold attitudes, even until they get back to home, there is no slightest warm from him.

"You go to sleep first."

"Oh.."

." she is stuttering nodding her head, turned her back and walking heading to the bedroom, every two steps she will turn her back to take a peek at Yu Ao Tian.

This time, he is opened one bottle of red wine, slowly pouring it into wine glass and raised it high, gulping it one mouthful, his eyes is filled with unspeakable deep gleam.

It is not hard to see, Yu Ao Tian is having problem now.

"Did he still matter with his second girlfriend?" lay down at the bed, Yao Yao is opened wide her eyes, looking at ceiling.

☑'It seems that old Zeng Kai Rui has paid attention to me.'

☑'Impossible? You have hidden everything so carefully, there is no way he could find out your real status?'

Her mind is suddenly flashing back to the afternoon vague conversation between Vice CEO Han with Yu Ao Tian.

Zeng Kai Rui...

This name is so familiar, it seems that when father passed away, mother ever brought up his name once before.
