No matter what, at least she knows Feng Chen Yi who is in front of her isn't her confidant, he? At most he only a culprit..

Episode 242

Feng Chen Yi is stay still as if being acupuncture his whole body, dumbfounded, not let go but also not speaking, only his handsome face which keeps on staring at the wound in her forehead.

Perhaps, he never thought, the fight between him and Yu Ao Tian will involve Yao Yao. So that today he is coming to the university early in the morning, his coming all because last night matter.

It seems that...

It still little bit late. "You don't say because rewarded by me, aren't you loves him, and he also loves you? How he loves you?"

Listen to Feng Chen Yi questions, Yao Yao really feels herself got one hard slap in her face, this feeling, if not because she wishes Feng Chen Yi faster to give up on her, why must she lie?

"Well, that is ours matter, none of your business."

"That's right, there is none of my business. But you don't forget, Luo Yao Yao, in the past I ever told you, later I will let you to live in bitter, but..." his cold good looking face turned to other side, he sneers: "both of you feeling really cannot stand with a little test!"

Hah? Test? There is no feeling what test is for? "Feng Chen Yi, you are really... bastard!" she gritting, raises her hand 啪 (slap sound) slaps hard on his face.

Is he still the man that she loves for 5 years?

She started to secretly love him at 14, dating at 15, breaking up at 17, encountered him again at 19, this is the man that she loves, one of the selfish man?

Why Feng Chen Yi didn't act this way before? If in the past he acted this way, perhaps she has forgotten this love as earlier as she could, no! Perhaps to say, she would not fall in love with him!

"Ha." Feng Chen Yi is laughing, slowly loosens his hand that grabs her hand, stroking his own face: "anyway my image in your heart has changed this way. You remember, Luo Yao Yao, later in the future something like this will likely to happen, you must prepare to cry wet your face!" after said, he expressionless walking back to his car.

"There is none of your business, start the engine!"

"Back to the company? General Manager Feng."

"No." His eyes are gleaming coldly, he throwing out the handkerchief from the window, coldly said: "Go to Berson group!"

"Yes, General Manager Feng."

Episode 243

That dazzling and expensive car finally left the university, but that scenery is staying long in those students who see it.

"What is that little girl relationship with Feng's?"

"Yes, it seems, both of them are boy and girl friend?"

"Huh, no wonder, that little girl is beautiful. But too audacious, she not even let any face for the Feng's, doesn't she afraid being dumped?"

"Who knows."

Listen to the whispering, Yao Yao chooses to ignore, hurried she dashing to inside of university.

"Hey, Luo Yao Yao."

Heard familiar voice, at sudden Yao Yao stopped her footstep, coldly looked over: "Feng Ke Xin?" ah, after the big brother came to give troublesome, now the sister also comes to give trouble? Actually what she owe to the Feng's family in her past life?

"You don't need to look at me with that eyesight, I called you, not to troublesome you." Feng Ke Xin is smiling in front of her.

"At the beginning I am curious, I have asked my brother regarding both of your relationship, I really never thought you are the heartless girlfriend of my second brother when he was in Japan."

"En?" what she said... 'you are'? Did Feng Chen Yi ever mention about her in front of his little sister?"

"Didn't both of you have break up 2 years ago?"

"En."

"O, no wonder, my father is keeping on calling my second brother to continue family business, no matter what he does not want, the result was two years ago suddenly he called home, took his initiatives to come back to China. It afraid his feeling was wounded." Feng Ke Xin is talking to herself, with curious expression asked: "Hey, both of you have been breaking up for two years, my second brother has many times went to Japan to look for you, why didn't you think to reconcile with him?"

What? What does Feng Ke Xin say? "After we broke up, both of us never met anymore, until not long ago when I back to China."

"Ah? Impossible! Our family does not have business in Japan, so that there is no reason for my second brother to go to Japan. But there was a time after both of you broke up, every week my brother would fly to Japan, he would back on Sunday night; and then company has many things to do, he later on less visit Japan. And also this half year he has stopped goes to Japan. If he went to Japan not for you, then for whom?"

Whether Feng Ke Xin said all these things by intention or not, but unintentionally it has been moving Yao Yao's heart.

Actually when they were breaking up that first half year, she has heard classmate said they met Feng Chen Yi in school entrance, but that time because she was so hurt, she shut all the news about Feng Chen Yi, and never asked.

But today, according to what Feng Ke Xin said, it seems that the rumour circling in her classmates were right.

Ha, it is so obvious after break up he showed ignorant attitudes, making her heart ache and then did something warm her heart, why must he be this bitter?

Enough! Enough! She really does not want to think about Feng Chen Yi, it is clearly she has gave up her feeling, should she flames it to start over again? She does not want like this, she just too exhausted.

Episode 244

"He is looking for Li Ruo Ting!" that's right! He must go there to see Li Ruo Ting!

"Cut it off, Li Ruo Ting? Not long ago, the Li's wanted to have business marriage with us, Feng's, they said wanted to marry the second Miss but the result my second brother had refused it. If he really has feeling for Li Ruo Ting, why must he refuse this marriage proposal? It is obvious marry the second Miss of Li's it can help my second brother to stronger his position." Said Feng Ke Xin with piercing laughed.

She thought by bringing up about Li Ruo Ting, Feng Ke Xin could stop but never thought it would talk to wider topic, which she does not know.

Pursed lips, she creased her forehead: "Feng Ke Xin, you say this thing must have purpose right?"

Feng Ke Xin dumbfounded, ha, this Luo Yao Yao is deserved to be called as genius, after all she is able to guess what inside her heart. "I am straightforward person, since you have found out, I won't make denial. That's right! I have purpose! Let me tell you honestly, I like Qi Lian sunbae!"

She...she likes Qi Lian sunbae? Does Feng Ke Xin knows Qi Lian Ao Yun is Yu Ao Tian's younger brother? Will Feng Chen Yi stoped her? If Yu Ao Tian found out will he separate them?

Strangely, Yao Yao feels unsettled, but... feeling this kind of thing, actually once falling in love, the outsider force to stop will only to deepen the bone of feeling, that's why it is called as true love.

Perhaps, someone like Feng Ke Xin who has warm character a like sun might be able to shines Qi Lian Ao Yun dark side of heart.

"So this is your intention to keep me beside your second brother, reconcile with him?" Yao Yao is faintly smiling.

"That's right!"

"Haha, actually you don't need to do so, because I never dated Qi Lian sunbae."

"En?" at sudden Feng Ke Xin eyes is glared bigger.

"This matter I could not tell you in detail, but me and Qi Lian sunbae are strictly really never dating before.

If you like him, you can slowly pursuing him."

"Cut it off, I am Feng Ke Xin, must I need to pursue anyone?" Feng Ke Xin talked alike queen: "I believe not long after this, Qi Lian sunbae will pursue me."

Seeing how confident Feng Ke Xin, Yao Yao helplessly smiles.

To be honest, from the very start she has good feeling with her, though she gave her much trouble. But from Feng Ke Xin nature, she stills able to see something good from her. If she isn't Feng Chen Yi's younger sister, perhaps they can be good friend. "I leave first, Feng Ke Xin."

"Wait! No matter what is my intention to tell you about that, but, all I have said is true!"

No need to do so, Feng Ke Xin really does not need to prove anything to her, now she more willing to think whatever she said is lie; perhaps to say she really does not suitable for Feng Chen Yi, and also wish not to hear thing that she does not want to hear.

"Feng Ke..."

"Yao Yao, bad... something bad! Something bad happened!" at sudden, Gong Xiao Man with panic expression rushing between her and Feng Ke Xin in front..

He inserts his hand in his pocket: "Trouble you, please tell CEO Yu, I have thing looking for him!"

"I do apologized, CEO Yu is handling public business, perhaps now..."

"Xue Tong." At sudden, the CEO door room is opened, Yu Ao Tian is waving his hand to Mo Xue Tong, with his devilish expression looked at Feng Chen Yi: "Chen Yi, I have heard you voice from inside the CEO room, what happen, why are you such in rush looking for me?"

If I know, something is happened between you guys, last time no matter how she begged on me, I would not be mercy, ha." Feng Chen Yi is pretending to regret and heave a sighed, his eyes are meeting with Yu Ao Tian's eyes, his mouth is curved, give a faint smile.

Ha, really embarrassing.

Standing in front of the office room, Feng Chen Yi is laughing self-mockery, it was clearly that he planted that misunderstanding, but now it only one day and he has already cleared up all the misunderstanding, actually after he thought about it, using this misunderstanding to test Yu Ao Tian and Yao Yao, would it be better?

Curling his hand into fist, with his face gloomy, he whispered: "Yu Ao Tian, this is my last time to...step back!"

Many people want to know, what is different between love and like.

Hence, GOD sketched out a picture, a little boy walked to the roses garden, can't help but lament, 'what a beautiful rose' he pulled the flower, put it down.

But another drawing, it still a little boy who also walking to rose garden, his eyes see roses, faintly he smiles, pick up sprinkler and fertilizer began carefully to take care the roses.

This is the differences between love and like.

Like is taste of come down on something, leave you as you want, as long as you got it, it is okay; while love is taste of carefully to nurture, although one day it will belong to other person, you will be able to look it happily from further...

Inside the office room.

After Feng Chen Yi done, Yu Ao Tian has understood the meaning behind, and then, the first thing which flowing in his mind is Li Mei Yun ever told him...

☞What? Are you starting to have interest with others girlfriend?'

☞Ah. Mei Yun, impossible for you not to know my expectation toward my woman?'

☞Could it be Feng Chen Yi never touch his ex-girlfriend?'

☞How's that possible? Feng Chen Yi is normal man.'

☞Humph, there is time, more you love more you not willing to touch!'

During that time he doubted what Li Mei Yun told him, but now Feng Chen Yi words proved everything.

More love more not willing to touch? Ha...really hard to make people to believe it (understand the feeling)..

"En, En, there is a possible."

After all Gong Xiao Man is only having one mouth, how could she win over many people? "You guys!"

"All shut up your mouth!" at sudden, Long Qi is roaring at everyone so that they turned their back. He is pushing away those students who are blocking his way, rushing to the most in front: "If don't want to die, I count to three, all get lost!3!2!"

"Why?".

Episode 248

Still that words, the small apartment where Yao Yao stays, that apartment, Yao Yao is the first 'outsider' who stepped her feet inside there, believes Long Qi, or Yu Ao Tian, all of them won't expect there will be the 'second outsider' to step in again. "You don't need to know, just rest assured to leave her with me, when she is awake, I will ask her to call you."

"That good too."

Long Qi worries, and hurries to take Yao Yao to the apartment where he stays, so clumsy he is putting cold towel to her forehead.

Sitting at the bedside, without expression he heave a sighed, his warm damp hand is stretching extend toward her pale small face.

But when he is almost to touch her cheek, Long Qi withdrew his hand back, "Hey, Flast chest faster you awake, this is not what kind of huge matter, don't let me worry about you." His pair of eyes is showing deep sorrow, slowly he is lying beside Yao Yao and close his eyes...

'Mom, what is called as reputation and integrity?'

'Reputation is something so important for woman, when you grow up you will know it.'

'Luo Yao Yao is a cheap slut, being supported by businessman; at age 15 abortion; forcing and harm the initial girlfriend of the businessman, simply to say shameless.'

☞That's right, how can in this world there is such despicable person? After sleeping with one man, again sleep with other man.'

☞Yao Yao, sorry, let's we divorced, because I had known your past.'

☞Mom, all my classmate are laughing at me, they said mom is being supported, is it true?'

"No! that is not! It is not!" ad sudden her eyes are open, Yao Yao wakes up and sit down, her eyes are sweeping at unfamiliar surrounding environment.

So that... just now only a dream...

Episode 249

In her dream, she dreamt the conversation between her mother and the younger her; she also dreamt being laughed by her classmates; she even dreamt about her future husband who found out her past and intending divorced her, her child knew about her past and crying when going to home.

Too scary, all of these are just too scary, today, when she think about her future, it only left one dark future, there is no slightest brightness.

"Hey, flat chest, flat chest!" seeing Yao Yao's forehead is filled with big cold bead of sweats, Long Qi who is beside her grabbed her wrist.

"Ah!" Yao Yao screams because surprised, at then she swaying away Long Qi's hand, She moves her body to the bed corner. "Long...Long... Long Qi?"

"You?" Long Qi is seeing his hand being swayed away by Yao Yao's little hand and also sees she frowned. "Are you afraid of me?" very obvious, it can be seen the fear in Yao Yao's eyes.

"Not... not. I just, just..." does not know how to explain, if she always gets along with Long Qi, really does not know what kind of rumour would be made by her classmate later.

"Do you really care of the poster?"

Care, extremely care of it. She lowers her head, her tears are falling down.

"Flat chest, as you know someone like me won't be able to say what kind of great things, but at least I know what is called as right, standing upright this principle, if you because of that rumour, tormenting yourself, you are really stupid."

"But..." gripping the guilt, her small hands are trembling, she impatiently looking at Long Qi, slowly said: "The contain above, that also slightest true. I am indeed...Yu Ao Tian..."

"Yao Yao!" Long Qi with his loud voice stopped her: "I don't know how people view you and Ao Tian, but I, also my big brother, we never thought you as Ao Tian's lover. Moreover, Ao Tian never has habit to have lover, in his world, women are only his tool, that's all. I think, both of you and Ao Tian aren't happened anything yet, right?"

Staring at Long Qi serious expression, carefully to 'taste' his words, vaguely remember Nan Lu also ever said Yu Ao Tian never has habit to have lover. "Since it is the case, why that time Yu Ao Tian wanted to help me? Moreover asking me to be his lover?"

If this is simply only for getting her body, he could simply make the transaction with money, why must he make a deal with her for such long?

"Uh?" Long Qi is dumbfounded, before Long Ye done with Yao Yao's background investigation, he had warned Long Qi to be careful when talking, because this girl has high IQ, she might has potential to dig more thing from words, it seems this time he oversight this.

"Ha, Hahaha... as you know, that time Ao Tian thought your father might involve with the flaming in Hua Mei Villa, perhaps that is the reason to let you stay at his side. Moreover Ao Tian this person is someone likes, his 'prey' to surrender themselves, while you are not giving in, probably this is the reason to put you at his side. Ahahahaaha."

Is it?

Yao Yao is carefully staring at Long Qi, his face is showing one forceful smiles, but he reasons indeed fit with Yu Ao Tian's character.

Remembered that time when she was signing the lover contract agreement with Yu Ao Tian, Yu Ao Tian ever said, wait until her 'surrender' that time, perhaps due to his domineering character, she keeps 'safe and sound' staying beside him?

"Long..."

"Flat Chest, do you feel hungry?"

"No..." Yao Yao shakes her head.

"I feel hungry, I go down stair to eat something, how about you, go to living room watching television."

Yao Yao is alone at the living room, her hand just follows to turn on the television, but she is not paying attention to the television.

Her big moist eyes are looking at other side, perhaps the entire school has already found out the matter she is being supported?

But after all this is the surface matter, actually the real obstacle is the mysterious person who posted the photo, there is nothing more convincingly than tangible evidence which able to make one's believe in, isn't it?

"Ckckck, but what to do! Once that person posted the photo, not only won't get any scholarship, perhaps her three years future won't be at peaceful!
