

Pure Girl 271

Episode 271

Her domineering voice echoing in this cold office room, Long Ye is dumbstruck looking at Yao Yao who is standing in front him, his eyes has slightly admired gleam.

His admiration isn't because Yao Yao's words, but more when seeing her dealing with Han Li Shang who pointed gun at her, along with his imperil eyesight, that calm attitude has reversed the situation.

For along this time, he always looks Yao Yao as little girl, but this moment, he really cannot use that eyesight to look her as little girl but sees her as awesome woman!

"I understood Yao Yao, you say, what the solution for this matter." Long Ye pressed down Han Li Shang's hand that holding a gun.

Yao Yao pouting, play fool sitting on her chair: "Give me a time to think of it, and then, at 1:30 at afternoon, you bring Yu Ao Tian and also Vice CEO Han, gather at third floor small meeting room. I will give you all solution for this case."

"I understood." after said, when Long Ye is going to leave, he realized that Han Li Shang still standing at his place, there is no slightly intention to move, quickly he pulled him out.

"This is such embarrassing?" one of Long Ye's hand is inserted to his pocket pant, he smiles at Han Li Shang while walking.

His cold eyes are sweeping at Long Ye, turned his eyes: "Didn't you too?"

"Hey, Li Shang." at sudden, Long Ye stopped his footstep, his gentle smiles gradually replace with concern and worries expression: "Do you feel it?"

"What?" Han Li Shang facing Long Ye when talking.

"The speed of Luo Yao Yao growth." when they first met Yao Yao and also after recently meeting her, they have known this Little girl is talented genius girl, all of them are also witnessed Yao Yao growth. But since the day Yao Yao took out her bright world class lawyer license, the speed of her growth is shocking.

"Perhaps she indeed that types of woman! Just recalled when I was child, encountering Ao Tian for the first time, I could not sense any differences between him with average people. But after 13 years when I had encountered him again, his changes beyond my expectation!"

"Does this mean... Luo Yao Yao still have chance to 'growth'?"

Han Li Shang lower his eyes, silent for moment, slowly turned his head: "That is her matter. But if she turned to be Yu Ao Tian's obstacle, I believe you and me are understood very well what should we do, right?" the connotation meaning the words, there are bright gleaming in both of their eyes....

Episode 272

Meeting room.

"This feels so odd, usually I am the person who asked to have meeting, but today I am called to join the meeting?"

Sitting at the main seat of the meeting room, Yu Ao Tian spoke, making fun.

Long Ye is shrugging his shoulder: "I did take long time in order to reacting, such strange." that time, actually he had been feeling as if sink into Yao Yao domineering aura, so that at last he had obeyed her.

When they are having conversation, at sudden the door of the meeting room is pushed-open, Yao Yao is entering the meeting room without any particular expression. She not even gives anyone a chance to take breath, her eyes are directly looking at Yu Ao Tian: "Perhaps Vice CEO Han and General Manager Long had told you, well I am going to the main point."

'Bang' sound, she tossing the documents from her hands to the table, taking one of the chair, sits facing Yu Ao Tian:

"Once the government has investigated about Berson tax fraud and also defraud revenue, it not only will stop your politician election but also troubled Berson. Now the only way to solve it. You must to give up your place to others."

"Luo Yao Yao, do you mean to let Ao Tian resign?" Coldly Han Li Shang asked.

She moves her chair, facing Han Li Shang and nodding her head: "That's right!"

"The purpose!" Yu Ao Tian coldly let out this words.

Have to say, forever this man always wants to know the purpose when he facing with all matters, apparently he won't do anything that does not have purpose. It seems that she has understood Yu Ao Tian little bit, so that before she came here she had prepared everything to explain to him.

Episode 273

"First, I asked you to give yours place to others, doesn't mean that you must resign, you can use the title as Board of Chairman. On surface it seems you are taking advisory post, actually you still able to control Berson stock and even control everything!"

"Second, once you are becoming Board of Chairman, from the outsider view's you are not controlling Berson anymore, so government won't send their accountant to check on Berson accounts. Of course..." speaks until this point, Yao Yao's eyes are flashed, coldly laughing: "After experienced the case with Officer Chen, I won't say there will be no person from government who isn't trying to get rid of you, there is a possibility they will come with some excuses in order to check on Berson accounts."

Honestly, Yao Yao has been so thoughtful regarding all the matters, so careful, it really let one's open-wide their eyes.

Long Ye is glancing toward Yu Ao Tian.

He keeps silent for moment, smiles devilish: "Solving way of the matter!" after said, he hooks his fingers. That seems as if he has 100% certainty, Yao Yao has thought the way to solve it.

Just as expected, she is using her strength to push the document on the table: "The solution inside the document."

Yu Ao Tian takes the document, flipping and reading, commanded: "Continue!"

At this moment, the dominant power all of sudden goes to Yu Ao Tian's, it was so clearly from the moment Yao Yao entered the room, she has looked alike queen, but without realized at sudden the person who hold back the dominant power is taken by Yu Ao Tian.

Seeing this lofty CEO, secretly Yao Yao takes a deep breath.

Huh, really such scary man, he is always can be a winner, even controlled everything. It seems no matter how she works hard, she won't be able to suppress him. "The third, although there is no such problem of Berson accounts, I will still going to give you suggestion to give up your position, by this way it will show your determination and loyalty, put your whole heart into politician election, this is going to be successful campaign."

"En, I take your suggestion. Is there anything do you still want to report?" at the moment when Yu Ao Tian close the document, giving the expression of domineering King.

While at beside two persons who listen to their conversation are Han Li Shang and Long Ye, both of them are feeling unnecessary (no need to be) being here, the conversation between Yao Yao and Yu Ao Tian are something that both of them cannot meddle with.

He only said half and she able to continue the other half; and also as if she hasn't done anything but he has already known what would she do for the next.

Perhaps, this is something called as perfect fit. At least, before when they were having meeting, either Long Ye or Han Li Shang, hadn't met anyone who matched with Yu Ao Tian this well!

Yao Yao is looking at Yu Ao Tian's pair of eyes, helplessly pouted, couldn't he let her to dominating the battle field? Why must he such rushing to take the lead? Makes her looked as if a little minions, although she is little minions, cold sweat.

....

"Ugh..." keep quiet for while, her moisten eyes moving, trying to probe asking: "Is your purpose only to become congress member?"

☞Bang' sound, Yu Ao Tian is smashing down the document to the desk, without expression asked: "What do you want to say?"

"Don't you think about higher position?"

"Higher position? Ha.... Prime Minister?"

Ugh? Seeing that vague smiling expression hung on Yu Ao Tian's face, Yao Yao is dumbstruck, is he joking? He.... His eyes are beaming, an endless ambition, it makes one's who see it, shudder of fear. Could it be, his goal is really wanting to be Prime Minister?

This.... Is his ambition too big?

"I am not joking with you. Do you ever think to have higher position?"

"Can you help Ao Tian to reach higher position?" suddenly Han Li Shang spoke.

She is smiling while nodding: "Yes."

"What position?" suddenly Long Ye expression turned be serious.

Her clear eyes are beaming as sharp clear gloss, confidently said: "State Council Executive Vice Premier."

After listened to this, others than Yu Ao Tian, everyone face is stiffen: "State Council Executive Vice Premier? Yao Yao are you kidding?"

"I am not kidding. When I looking Berson account, I had checked, currently the position of State Council Executive Vice Premier is empty. Compare to be congress member, State Council Executive Vice Premier is belonging to government high rank employee, it belongs to one of the highest politician position in government circles."

Especially State Council Executive Vice Premier this position, it above has three or four level under Prime Minister position. So that, this position is one of the most wanted political position.

"Based on... Yu Ao Tian background can this being achieved?" Han Li Shang doubted when asking.

At the moment, Yao Yao is staring at Yu Ao Tian: "with his background in business and also his assets it can be considered to join the election, it match with State Council Executive Vice Premier requirement, and the rest need...."

"What we need?"

"So far I don't have purpose to follow State Council Executive Vice Premier election, you just need to help me for the Congress election." Yu Ao Tian who is silent this time suddenly coldly opened his mouth.

Long Ye and the others are so curious, doesn't he always want to join government? Since Yao Yao has this ability, why Ao Tian refused?

"Yao Yao, just forget that Yu Ao Tian interested or not, you say, what we need to do?"

"The rest we need, Ao Tian to have three generations background as Senior government leader, that's all!"

"Heh? But Ao Tian does have all of this qualification."..

Episode 274

Long Ye is confidently talking to himself, his eyes are looking Yu Ao Tian. But when he sees Yu Ao Tian's face showed dark expression, he realized he has said something unnecessary. "Aiya, this... Doesn't it little bit difficult?"

Ugh, she seems heard General Manager Long said that Yu Ao Tian has already fulfilled this requirement, did she hear wrong? "No, it not difficult!"

Listened to this words, Han Li Shang eyes flashed: "What is your solution?"

"Ao Tian personal files must be in Japan, right?"

"That's right."

"I can take the fastest flight to Japan, hack the Japanese Government intranet, changed Ao Tian personal files, changed his background. And then... Due to all of you guys capability, it must be easy to help Ao Tian to have few politician fellows as his 'relatives', right? After said, Yao Yao's mouth curved up, give a faint smile.

This indeed for those who stayed in Japan for some years is something easy. But... "Can this works?"

"En! On other side, the relationship between Japan-China is quite tense, if Ao Tian personal files are retrieve from Japan, he definitely will get attention from nation leader; on the other hand, his background as business man will give additional point, so that he can directly join the State Council Executive Vice Premier, for others trivial things they can put more effort, the success rate is very high."

"Ao Tian, you..."

"

"No need to say anymore, I don't have interest with State Council Executive Vice Premier position!" when Yao Yao talked in a lofty strain, Yu Ao Tian from the beginning has already given cold attitude, as if it nothing to do with him.

Doesn't Yu Ao Tian always looking for highest position? Why doesn't he look interested with higher position? Yao Yao is curious looked at him.

This moment Yu Ao Tian is silent, his deep black eyes turned: "Little Thing, it stills that same words, I just need you to help me secure the Congress member position, I will give my effort to go along with yours works, thus for others, for this moment no need to think of it."

"Huh." since he has let out his words, so she does not need to say more. "Alright, I understood. Still, just now I have checked that company current asset, so far it has 5 billions dollar, can you let me to manage it?"

"Can!"

"Ao Tian, those current assets..."

"Li Shang, as you know now my focus are go to congress election, so all my works for the company's business may be paused temporary."

Every company has current asset (Liquid asset) in order to maintain status quo, and also if today Berson is facing with something that related to money matter, there also a possibility because of no current asset, it can give adverse effect.

But at same this shown that Yu Ao Tian determination toward political election. He didn't even ask Yao Yao what to do with the money, and also could drop everything regarding to Berson.

Since he has been such determining, why Yu Ao Tian didn't have any interest with State Council Executive Vice Premier position? It so obvious he types of man who has big ambition, impossible he only aiming for congress election, strange!

Yao Yao is curiously thinking about it, slowly standing up: "Ao Tian, if there is nothing to talk, I take my leave first."

"En."

Inside the meeting room three persons are looking at Yao Yao's back, when she left, Han Li Shang and Long Ye are immediately changed 360 (drastically), both of them are changed serious expression as if talking big matter. "Ao Tian, regarding Luo Yao Yao's suggestion just now, you must have been guessing it before, right?"

"En." the person who can hack into government internet (intranet) not only Yao Yao but Yu Ao Tian also can do it, his personal data in Japan was changed by him personally!.

Episode 275

"Well, why don't you directly go to State Council Executive Vice Premier position election? By this way perhaps you are getting closer by one step?" Han Li Shang curiously asked.

Yu Ao Tian eyes down, coldly said: "My purpose indeed Prime Minister, this position, but, I want to sit on Prime Minister position by using my name and also my family name, not by depending by other things such as Japanese relatives, Japanese family' to be Prime Minister!"

Facing with many matters, he could use his mind set to do any unscrupulous divisive tactics, as long as his goal reached. But as long as it regarded to his family name, Yu Ao Tian's attitude always puts his family honor as the priority, as the most important, he rather takes long circling path, but at same time he must bear his family name to the top in politic.

"Understood." the persons are nodded, because the persons who sitting in here are knew very well Yu Ao Tian's background!

"Say, Ao Tian, after Yao Yao together with you, she seems to be learned bad". " Long Ye is using joking speaking tone in order to remove the tensed atmosphere inside the meeting room.

Yu Ao Tian clearly knows what he pointed out, neither about company tax fraud or defraud revenue, It not only Yao Yao didn't stop it, on contrary she even helped them; others, when she brought out the topic to change Yu Ao Tian's personal data in Japan for deceiving government, but...

"Ha, these things aren't touched her bottom limits, that's all."

"Bottom limit?"

Stands up, Yu Ao Tian is smiling devilish: "Deng Hui Hong's little brother until today haven't asked anything out from Deng Hui Hong the things I wanted, it seems that I need to pay visit personally to Madam Deng. When the time is arrived... All of you can witness what is that Little Thing bottom limit!" honestly to say, he does not want to touch Yao Yao bottom limit, but.. He does not have any option.

After said, Yu Ao Tian is leaving the meeting room without any expression....

Several days in row, Yao Yao is busy preparing things regarding to Yu Ao Tian's politic election as congress member, although it hard, but it able to let her to forget those unhappy things in her heart."

Just now going out from Berson, Yu Ao Tian's sport car has stopped beside her.

Naturally she pulled open the door and sit beside the driver seat: "Don't you go to dinner party (party that engage in social activities)?"

This few days, Yao Yao was so busy, while Yu Ao Tian everyday is having dinner party, both of them are lessen time to meet each others.

"Drive you go home first."

"No need, if you are still have thing to do, you just go to do yours business, I can take public transportation go home."

"Ha." Yu Ao Tian is faintly smiles, directly start the engine.

His sport car is speeding in the street, Yu Ao Tian's hands are in steering wheel while his eyes focus on the in front street. Both of them are silent along the way, but when it getting closer to Apartment, slowly he spoke: "Recently you are busying with my matters, is it okay you not going to school?"

Yao Yao does not think that Yu Ao Tian is asking about this matter, she stammered smiles, she turned her head to other side: "It's okay, no problem."

"Don't you like school that much? If you are not going to school within seven days, you may disqualify from receiving full scholarship. Moreover, you will demerit?"

"It won't be that serious... Rest assured, I have already taken leave of absence." She is smiling exaggerated, comforting Yu Ao Tian.

"Arrived." the car stopped in front of the apartment entrance.

"Sorry to bother you." when Yao Yao wanted to leave, suddenly she turned her back, smiles: "Tonight you have less drink, it is not good for body."

Episode 276

These few days both of them are having lesser chance to meet each other, When Yu Ao Tian is arrived at home she has been sleeping. On the morning, when she wakes up she could smell alcohol on his clothes, he must have been drinking much alcohol.

"Ha." Yu Ao Tian only can give faint smiles and then drives his car....

And then, the atmosphere which surrounded them slowly changes.

He is being thoughtful for her study, her private life; she is being thoughtful with his health, his private life. Although Yu Ao Tian only can give her a smile, but this smile, for a man who has aloof and almighty character is something precious, at least he does not refuse her to meddle with his private life.

But it seems both of them don't notice the changing on the way they interacting between themselves; or perhaps, both of them are already blended to the point they don't not which part odd from them.

"Long Qi, what was happened to Yao Yao during in the school?" when Yu Ao Tian is moving away from Apartment he phoned Long Qi.

Since the first day Yao Yao didn't go to school, he had already suspicious, after few days passed, he was sure Yao Yao must have encountering something when she was at school, so that she didn't go to school.

"Like this Ao Tian, few days ago there was someone posted a rumour about flat chest. Since then Flat Chest didn't go to school again."

"Who did it?"

"I don't know."

Yu Ao Tian silent for moment: "Alright, I hang the phone." hung up Long Qi phone, directly he phoned Han Li Shang:

"Li Shang, tonight banquet you go by yourself."

"Ao Tian, you must know how important this banquet. The Representative of Asia Pasific region have come here in person, if you are not showing up you are too impolite!!!:

Yu Ao Tian also knows how important this banquet is, but.... There is something more important compare to his business : "You randomly make an excuse for me, say that I am sick or whatever. Sorry to bother you.

"

"Ao...."

Before Han Li Shang ended his words, Yu Ao Tian already hung up the phone call, his car direction is changed....

Inside the apartment.

"hum hum hum hum..." taking bath during the sunset in cozy bathroom, it seems Yao Yao likes this place so much, once she went home she was humming while tidying up the room.

"Kring, kring, kring...." (phone is ringing)

It seem her phone is ringing, she is lying down on the sofa when received the phone call: "Hello."

"Qin Ai (beloved), what were you doing these few days? Why didn't you come to school??" It was Gong Xiao Man who phoned.

She gives bitter smile: "You knew the reason why I was not coming to school, it needs time to let the rumor disappeared, sometimes."

"Oh. How was your days?"

"Very good."

"Very good? Geez, listened to your speaking tone, already knew these few days you had excellent days. Tell me, what things make you such happy?"

"Uh..

.." She seriously thought about it, but after she thought carefully about it, it isn't something really happiest thing. "I just randomly being so busy, nothing is especially happy thing."

"Less speak nonsense. I have known you for long time, usually your speaking tone is such different when you are happy or not. You tell me with whom you spending your time these few days?"

"Who would it be." at this time Yao Yao's mouth is smiling faintly.

"Yu Ao Tian?"

"Of course."

"Ugh... Usually when you mentioned about this name, your speaking tone sounded helpless or being irritated, but why today I heard from your speaking tone you are such happy? Could it be that?? These few days your feeling are changed toward Yu Ao Tian?"

"How possible it would be!" Yao Yao is creased her forehead, quickly she stands up, her face is seriously make denial expression: "It's, it same as usual."

"Humph? Something fishy, something fishy."

"what is fishy?" listened to the way Gong Xiao Man said, It so obviously Yao Yao feels irritated.

"It started at beginning when heard Yu Ao Tian, this name, the speaking tone was little bit bashful. But when I mentioned about the changes of your relationship with Yu Ao Tian, suddenly you became irritated, it is so obvious that you have the wicked flee when no man pursueth (commit fault feeling)."

"I don't!"

"Are you sure?" Gong Xiao Man changed her way speaking: "Are you dare to see yourself in the mirror, see that whether your face is red or not? Is your face showing such bashful smiles?"

Listened to this, Yao Yao speedily dashing to bathroom, seeing her small face which is smiling bashful that reflecting on the mirror, hurried she gulping her saliva, after all Gong Xiao Man has guessed right? Impossible.....

Episode 277

Thump' Thump', suddenly her heart is beating so fast, thinking carefully these days her interaction with Yu Ao Tian, it seems she adapted, more getting used with Yu Ao Tian.

No, no, no, this time because Yu Ao Tian didn't show any vagaries characters, so that she get used to him. That's right, this must be the reason!

"Yao Yao, ahahahahaha, didn't you really go to reflect yourself in the mirror?"

"No! Of course I don't, I am not dummy."

"Beloved, sometime in the process when woman and man are interacting they are easy to happen something, moreover Yu Ao Tian indeed someone has big charm. But don't blame me not remind you, he is really! Really! Really not suitable for you, you should not have any feeling for him." Gong Xiao Man speaking tone changed to be serious when talking in half way.

That's right, Yao Yao knows very well that she does not suit Yu Ao Tian, so that... "I won't fall in love with him." won't be, won't fall in love with Yu Ao Tian, that man is too dangerous, once she really falls for him it only will give her heartache. She isn't someone who has already known in front is big hole and then she jumps in!

"Well, it's good."

"Haha." she is forcing herself to smile, lift her eyes up she sees herself in front the mirror, she just realized farfetched smiles on her face. If it was long time before, when she heard Xiao Man said this words, she would be agreed with her, but does not know since when, whenever she heard Xiao Man's words, she feels little bit.... Irritated.

Dong...

. ' suddenly, the mobile phone showed messages notification.

"Xiao Man, I have short message in here, I hung up."

"Oh..."

Hung up the phone called, she read the short message...

☞Luo Yao Yao, Maple Tree (Feng Ye) hotel room number 908, there is ☞surprise' waiting for you, if you want to know this secret, just come here, it won't let you down!'

Who sent this message? Is it a frank? Such boring?

Will it be a trap? But this type of trap such blunt, right?

Sst... What kind of ☞surprise' it will be?

Should I go or not?

Yao Yao is looked at her mobile phone message, she feels in difficulty....

Maple Tree Hotel, room number 908.

Inside the dim room, luxurious decoration, a lamp exudes a faint light, the room is wrapped by lustful atmosphere.

Yu Ao Tian is sitting in the sofa inside the room while playing his mobile phone.

Not long after that, the door is opened, Shang Yun Yin enters the room by smiling while holding her handbag: "Ao Tian, the meeting place is such special."

Episode 278

He keeps his mobile phone, lifts his head up to glance Shang Yun Yin who walking in: "Knowing this is such 'special' you are still coming here, right?"

"Humph? Ha, 'The need' not only for man." Shang Yun Yin tossed her handbag aside, pair of her leg are put on Yu Ao Tian, smiles coquettishly while her hand is hugging Yu Ao Tian's neck: "Sometimes Woman also has the necessary too!"

Not to mention, Shang Yun Yin is kind of woman who has playful charm but also mature woman lust. It can say, she types that able to hold man's heart.

"Haven't met you for sometime, how can you be this horny?" Said Yu Ao Tian looked at her coldly.

Shang Yun Yin is shrugging her shoulders, speaking with provocative tone: "Don't you like it?"

"Ha." he sneered, gently he pushed away Shang Yun Yin's body from his: "If you are really in need... Undress, go to bed wait for me!"

"I like step by step."

"Are you sure?" Yu Ao Tian is standing up, his face at moment darken: "But I don't have much time. I leave first!"

"Hey!!" it is so obvious Shang Yun Yin unhappy, grabbed his arm to stop him, unhappily she creased her forehead:

"How can you change to be this sentiment now?"

"It according to the person!"

"!!!!!" Yu Ao Tian heartless words as if a pierce that penetrating into Shang Yun Yin's Arrogant heart, but this is the opportunity that she has awaited for such long time, although inside her heart she is not happy, she also would not want to let off this 'opportunity'. "Alright. I know what should I do." she is forcing herself to give a smile, faster she heading to bed, slowly undress herself.

Yu Ao Tian only standing at beside coldly looking at her, there is no expression in his face.

Not long after that, the woman's body has exposed naked, she gives charming aura, hooked her fingers: "Still standing?"

"Heh." Yu Ao Tian twitched his lips, he takes out one black handkerchief from his western suit pocket, tossed to herself:

"Put this on your eyes."

"En? What game are we playing?" Shang Yun Yin isn't suspicious, she takes the black handkerchief and put on her eyes.

"Kneel on the bed, tilting your body up."

Listened to Yu Ao Tian's command, she is patiently followed him, she could hear the footstep getting near from her back, nervously she bites her lips.

After all her body just 'starting', before doing foreplay, directly thrust into, it must be hurt.

But toward a man like Yu Ao Tian who has character alike king, once does not do according to his instruction, there is a possibility if he said that he will leave then he will really leave. So that there is no way, in order to reach 'her goal' Shang Yun Yin must do as she told.

Suddenly, that big and heartless 'thing' thrust inside her body.

"Argh!!!" Shang Yun Yin is enduring the pain by clenched her hand into fist, her tears wet the black handkerchief.

That heartless big thing is getting inside her body, as if a big beast (monster) constantly plundering. But so soon, she can feel such strange feeling in her body, satisfaction, and also that pain slowly disappearing.

"En...uh...en...uh..." she is moaning happily, her tensed body changed to be relax.

"The voice more coquettish, or else the result won't be satisfied."

Suddenly Yu Ao Tian joking voice flow, but the voice source obviously far, Shang Yun Yin frowned, at next seconds, quickly she put down the black handkerchief that covered her eyes, she looked for the sound source.

As seen, Yu Ao Tian is sitting at the single sofa, smiling devilish toward her.

Her face widen (shocked expression), faster she turned her head, seeing who is the man that thrust into her body:

"You... Who are you?"

The stranger heartless man constantly thrusting into her, pair of his hand grabbed her waist, so that she cannot escape.

"Let me off! Let me off!" Shang Yun Yin is restless moving her body, tears are flowing from her eyes corner: "Yu Ao Tian!!! Are you losing your mind?? Why are you doing this?".

Episode 279

"En? Your expression may affect the result." Yu Ao Tian is pretending feeling at lost lose shaking his head, and then clapping his hand: "Just shoot until here."

"Yes! Big Boss Yu!" a unison voice replied.

Speedily Shang Yun Yin takes a glance, as seen a man from left side is holding recording tool. "You guys...you guys...?" she is shocked, her eyes are glared widen.

That man who is holding the recording walking toward Yu Ao Tian, he gives it to him.

He watched it, his lips is curved up showing his satisfaction smiles: "Not bad, the result is great!"

"Yu Ao Tian!!!! Uih...." When Shang Yun Yin is going to vent her anger, she heard that man who is thrusting inside her, uttering low growl, "Don't!!! Don't keep on thrusting inside me!!! Don't!!!"

The man does not care with her begging, that** has already thrust inside her body, and then that man loosen up her body, feeling satisfied he wearing his pant.

Shang Yun Yin is feeling embarrassed and pissed off hurried she wearing her clothes, few steps she rushed in front of

Yu Ao Tian : "Simply to say you are such abnormal!" she raises her hand, at the moment her hand landed...

Yu Ao Tian has already grabbed her wrist: "This is the pay-back 'present' for you."

"Present?"

"Ha." coldly he laughing, he swayed away Shang Yun Yin's hand, eeriness said: "Since you dare to make Yao Yao not dare to lift up her head at school, well of course I must give you one big present!!" after said, he hand over the recorder to his subordinate: "Go, take this recording to Media, asked them to put it into headline, no matter how much money must be spent!"

"Yes, Big Boss Yu." after said, two of his subordinates are walking out from that room.

"Don't! Yu Ao Tian, you can't do this!!" an instantaneously Shang Yun Yin breaks down. Although her character is such bullying (arrogant / trouble-maker) but she also counted as conservative, or else how could she keeps her virginity for quite long time, once the recording being publicity, later when everyone in China also in Asia know it how she could lift her head up!

"Ha." Yu Ao Tian humphed once, he pulled her long hair, that scary face is gradually moving away from her: "When you had decided put Yao Yao to shame, that time you must know about this ending!"

Staring at that good looking face who showed devil expression, Shang Yun Yin's face has already wet of tears, how could she think of this ending?

In her heart, she really never took Yao Yao as her love rival, perhaps to say, she never thought that Yu Ao Tian... Can like that kind of Little Girl types!

Not bad, that big poster was asking people to post it, it because she only wanted to vent her anger. Who knows that her ending would be like this?

"Yu Ao Tian! Simply to say you are devil!" Shang Yun Yin really does not know what to do, everything that happened between she and Yu Ao Tian as if was yesterday, but today this man even asked other to rape her, he even asked them to record it.

As said Yu Ao Tian is heartless, but now the current him who is heartless man doing touching thing only for a girl?

Ha, it seems she is over-valued herself, her position inside Yu Ao Tian's heart..

Episode 280

"This is what you are looking for!" after said, suddenly he loosen his hand, without any expression he looked at Shang Yun Yin who has slumped on the floor.

"Do you ever loved me? Yu Ao Tian!" she wipes her tears, slowly raises her head.

Looking at Shang Yun Yin's eyes which filled with expectation, Yu Ao Tian is creased his forehead: "It seems that you are really misunderstood our relationship, I have told you, you are only my bed mate!"

So far he never like to play with women by including his feeling, neither his girlfriend nor his one night stand lover or bed mate, he will let the other party know clearly. If the other party unwilling to do so they can refuse.

This was also a reason why Li Mei Yun fell for him, it because Yu Ao Tian understood very well to settle his 'relationship' very clearly, he never mud himself, confused the public, he never to include any feeling only to get particular woman.

"Ha, I understood!" so weak Shang Yun Yin climbed up from floor, clenched, hasn't left the room.

Indeed, she indeed too confident with herself, she always think that Yu Ao Tian might fall for her soon or later, but now it seems she had mistaken, biggest mistake, this heartless man actually cold-blood man! He won't have any feeling toward any woman, except....

Seeing not far from her place, Luo Yao Yao is getting closer, very fast Shang Yun Yin changed her face expression, get rid those sadness from her face, confidently raises her head.

"Shang Yun Yin?" Yao Yao is shocked stop her footstep, dumbfounded, her face darken. That message was sent by Shang Yun Yin, was she the person?

"Ha, rumor said recently you are being Yu Ao Tian's lawyer? Really let you work hard. Luo Yao Yao, don't you feel so work-out for him?" Slowly Shang Yun Yin walking in front of her, giving her provocative smiles.

"Why must I feel work-out for him?" she is clenched her hand into fist, creased her forehead.

"When you are so busy to help Yu Ao Tian, though I was also work-out serving him on the bed. Aiya, it seems that you are really cannot satisfy Yu Ao Tian, so that he asked me..

.to busy in here. Ha." after said, Shang Yun Yin puts gloomy smiles and left.

And then, at the moment she entered the elevator, her face that showed smile expression is disappeared: "Yu Ao Tian, although I can't get your love, I won't let both of you have happiness by being together!!!"

Inside the apartment, darkness, only the street lamps light that penetrating to living room sofa, that light is beaming in Yao Yao expressionless face that already white pale.

After Shang Yun Yin left, she wanted to leave, but without she realized she walking inside the room where Shang Yun Yin stayed before.

The room door was unlocked, she could see clearly the person who sat on sofa was Yu Ao Tian! At sudden, her mind was empty-blank, turned and run back to the apartment.

Everyone has said curiosity is deathly, she really hates herself why must she followed the short message instruction, as the result she knew the thing that she must not know.

But, the thing that irritated her more...

On the moment when she spotted Yu Ao Tian inside the hotel room, her feeling was such similar with two years ago when she caught Feng Chen Yi red-handed on bed with Li Ruo Ting, that scenery more or less very similar, although there is no reason for her to get angry, to be so sad, but deep inside her heart she still felt pain, not comfortable, really not comfortable.

Impossible, impossible to have this kind of feeling? That time she was in love with Feng Chen Yi, being cheated by him, being hurt, being sad, all of these feeling were so normal. But she does not love Yu Ao Tian, logically, with whomever he was, it up to his decision, his freedom!!

What is going on with her?

☞Creak' the apartment door is slowly being opened, followed by faint light. "Heh? Bao Bei, I thought you are going out, you are at home why don't you turn on the light?"

Heard, it is Yu Ao Tian's voice, she is clenched her small hand, her face is staring far away, not looked at him: "Forget to turn on."

"Hah, this you also can forget?"

She tensed bites her lips, lower her head, forcing to show her smile on her face: "Tonight, didn't you go for banquet? Why suddenly you go home?".
