

Pure Girl 371

Episode 371

Sky, under the rain of snow, it going to be melt whenever hit the body, it's make people don't know whether it is snow or rain.

Nose, the air of breathe is forming a faint misty. It is only a November but the feeling is alike winter already, the cold pierce bones.

In the street, seeing the crowd stream of people never stops flowing, Yao Yao's vision line is turned to be blurred.

The street in front, as if falling into the confusion, although she knows her destination, but she does not know how to walk to this path.

So what if she hatred, she blaming, but this cannot change anything regarding she is only a student who own World Class lawyer license!

Does not have client, does not have her own company, this so-called World Class Lawyer license as alike scrap paper.

Things that Yu Ao Tian said before, she could not listen to him, ignoring him, but, there is one thing is true, that is.... The today of her, with what should she fights against him?

☒Are you looking for Feng Chen Yi? No wonder, for this time you are getting so close with him.'

Looking for Feng Chen Yi help?

Talking about the status in society, family background, having Feng Chen Yi as her back up to fight against Yu Ao Tian things are indeed could be any easier, moreover Berson and Feng Group have many projects that overlap, so that these two leading groups are bound to start a competition, and the competition is going to be rivalry.

But....

She really cannot go to find Feng Chen Yi and ask him to help her to fight against Yu Ao Tian.

Even though both of them are already turned to be rival before, she also cannot take that step.

What to do?

☒I will use all my will and my utmost to take all yours! Yu Ao Tian, although the politician status is something you got by yourself. But.... I will have way to pull you down from where you from!!! We, let see and wait!

Hah, thinking about this words Yao Yao really feel such ridiculous, this is no different with big talk.

Now he is in the black path, business world and even politician world, for the whole he has the leading position, she as an ordinary student how could she drag him down from his position?

Really ridiculous..... Such funny.....

Perhaps because tired of walking, Yao Yao footstep is stopped at the street side.

☒Yu Ao Tian, although you are not removed all the bullets, today I will not kill you with this thing.'

If, Yu Ao Tian really not removed the bullet, could she really not shoot him?

Does not know, place that belonged to his father, his mother would it be his graveyard too?

Still...

..

At last when looking one glance at that house which ever filled with warmness!

**

First University

"Yao Yao, what was going on yesterday?" one day after the funeral ceremony, Yao Yao is coming to school, Gong Xiao Man can't help herself not to ask her.

"I, I don't know what was going on." she does not know how to tell Gong Xiao Man, her mother is killed by Yu Ao Tian!

"So scary, impossible you have troubled something right? Those men were not people I dare to offend, actually can't you ask Yu Ao Tian to help you."

That's right, this kind of thing even Gong Xiao Man also understand, those men' indeed people that she could not afford to offend. "Xiao Man, I don't have any relation with Yu Ao Tian now."

"Hah? Didn't both of you have settle yours status before?"

"It's not. This time, We have ended our relationship!"

"What situation are we in?" after Gong Xiao Man heard it she is dumbstruck, she even thought both of their relationship has already changed to be boy and girlfriend, how could at moment their relationship changed again?

"Xiao Man, It cannot say be cleared at once, You.... Now please don't ask any."

There is a time, when people at the most painful moment indeed they don't want to bring up the unhappy topic, so that Gong Xiao Man understand it, just alike when she talked about Han Li Shang before. "En, I understand. I will wait until the time you want to tell me."

"Thank you, Xiao Man."

For the whole morning classes, basically Yao Yao is spending her time in blank, all her focus and attention are thinking how to drag down Yu Ao Tian! After she thought it, the first target she able to aim is Berson Group.

Once the bell is ringing, Yao Yao is hurrying running out from the classroom.

"Long Qi!"

Since her mother passed away, it is so obvious that Long Qi tries to make distance with her, this is obviously because he is feeling guilty in his heart. "What's matter?" his eyes are avoiding while walking in front of her.

Yao Yao is taking out a cheque from her pocket, and also a key: "This 200 million, also the car that gave by Yu Ao Tian, trouble you to give it to him."

"You?"

"My grandpa hospital fees, adding with the operation fee, I have counted it, it almost 300 million, I still owed him 100 million, while that car which he gave it to me as his representative lawyer, he gave it to, now the price is about 200 million."

Since the day Yao Yao had owned her world class lawyer, her teacher ever told her that, once you choose your client, unless you are facing financial difficulty, or else you are absolutely cannot reduce your fees, this is just like self appreciation.

So that, Yao Yao when she became Yu Ao Tian's representative lawyer her fees was 180 million, that car and also the representative fees. The other 20 million it is Funeral money given by everyone for her mother funeral ceremony.

"What do you mean by doing this?" Long Qi is surprised when seeing those thing in his hand.

She pursed her lips, slowly said: "You must know it!"

"I...."

"Since the you told me, Hua Mei Villa case was misunderstanding, you must have known that, soon or later my relationship with Yu Ao Tian would have this kind of ending, don't you think so?"

That's right! At very beginning he had predicted about this result, and then, he never thought if this thing happened, he could be this guilty toward Yao Yao. "Sorry.... Sorry. Sorry, Yao Yao....."

"No need to say sorry. I think, that time when you was lying to me, also didn't want me to fight. I understand you, Long Qi." countless time she told herself, Long Qi did for sake her own goodness, for sake of her goodness. But....

Does she really not even blame of Long Qi? That's must be a lie.

If, Long Qi didn't tell lie to her, perhaps at the beginning she would be able to investigate whether the Hua Mei Villa case had relation with her father or not, and then she could strictly protect her mom, perhaps her mom still be able to escape from this obstacle.

But....

Forget it, thing after all has happened, there is useless to blaming others for this matter.

"What will you do in the future? I mean is....between you... And Yu Ao Tian."

Listened to this question, Yao Yao coldly smiles: "If, Yu Ao Tian is the person who killed your mother, what would you do?" this words, has such simple meaning.

Believe no matter whoever, facing with the enemy who killed own mother will not sit still.

"But... You, you are not Yu Ao Tian's rival!!" Long Qi smiles, this is also the reason why that time he lied to her.

"Hah, move one step, count one step. After all Yu Ao Tian is not a saint, he will have flawed in his every plan too."

That's right! There must be a flaw, anyone must have their own flaw, and the only flaw that he made, helped her mother to revenge, it is the only chance she had!!!!.

Episode 372

The State Administration Of Taxation Office.....

"Miss Luo, I have heard from my secretary, you are World Class Lawyer, does not know what's matter make you come here to find me?"

Several days in row, Yao Yao is living as like death, although she still going to school, but all her head is filled on how to revenge.

It seems that, she actually has one winning chance, it's because she understands better about Yu Ao Tian's background compare to other people, and also she understands more about his company, all about him.

If really thinking to drag him down immediately using his underworld background, it must be impossible!

Since the election that day, learning from the case of Secretary Fu, before his underworld background being exposed, Yu Ao Tian must be prepared to deal with anyone who wanted to disclosure about him.

Well, she still have something about Yu Ao Tian! That is..... "Chief Liu, I want to make report regarding defraud of the revenue, evade the payment of the tax by Berson Group within this two years, this is the data that I have collected, if you are not believing on me, you can ask your men to do the investigation toward Berson Group!"

"Oh? After all there is such case?" after Chief Liu heard it, with anger expression he takes the data which given by Yao Yao, seriously he flipping every pages said: "Miss Luo, you rest assured, Berson Group is Congress Yu's company, this matter I will take serious action to settle it, absolutely won't let any evil member do to harm."

That's right! This is the result that she wanted to see, although Yu Ao Tian has already stepped back as the second layer of Berson Group, but his position as Board of Chairman, once something happen to Berson, he stills will take all the responsible and also the blame!

The first move in order to crush Yu Ao Tian, it must be pulled him down from his political seat!

"En, trouble you, Chief Liu." leaving the he State Administration Of Taxation Office, the path which vast and hazy in front gradually it seems to have become clear.

So that, Yu Ao Tian isn't someone who cannot to be captured, after all he had done many bad things before, it is impossible to keep everything.

Of course, thing that make Yao Yao feels more unexpected was Chief Liu angry reaction, before she came to State Administration Of Taxation Office, she had thought that perhaps people in State Administration Of Taxation Office might afraid of Yu Ao Tian's position? But it seems now, they are not! Ha, really expecting, this matter can expose to media soon!

"Yao Yao, today you are particularly happy after coming back from outside?" on those in hazed days, Once Yao Yao got back to her dorm, she always pulls by Gong Xiao Man to have a chat.

"Haha, so-so, it just so-so, it's only..... Encountering something that makes me happy little bit."

"Heh? Did you encounter 'flower bloom'?"

"Xiao Man, are you really.... Hoping me to find boyfriend this quickly? Or do you afraid that I won't be able to marry off myself?" Yao Yao unhappily rolled her eyes.

Gong Xiao Man moves her shoulders, being exaggerating said: "Should I worry you cannot marry off yourself? Every day there are always many people who are pursuing you, if say to worry, better I worried myself."

"Geez, Xiao Man, aren't there also many people pursuing you too?"

This Xiao Man, really is!

Actually those people who are pursuing Gong Xiao Man are also those Gao Fu Shuai (Rich handsome man), but it seems other than Han Li Shang, she seems not to see anyone right? Huh, once falling in love with someone, thing is going to be like this, other people might see as black and white, but only oneself that able to see the person loved as colorful.

Ring..

. Ring... Ring....'

When these good fellow sisters are having joyful conversation, suddenly Yao Yao mobile phone is ringing: "Wait a moment, let me have my phone call." when she looked at he mobile phone display screen, her expression is turned to be dimmer.

"What's matter? Yao Yao, who is calling?"

"Nothing, hahaha, nothing." she shook her head with a nervous tension.

"Well, why don't you accept the phone call?"

Accept?

Should I?

The person who is calling not anybody, the person is Yu Ao Tian!

What does he want? Does he know that she is attacking him, so he is not happy about it?

Forget it! Serve himself, since dares to do, she must dare to shoulder!

She is using her strength to grit her teeth, suddenly she accepts her phone call: "What's matter?"

"Congress Yu, as you see how should I settle all these report data which given by that little girl?"

"Chief Liu, since the person had given you all the data, why do you still ask me how to settle it?"

"That's, well.... Thinking carefully, that little girl must be asked by other company to disparagingly about you, this kind of unhealthy competition is really shameful, the data that she gave, I will destroy it immediately."

From the phone it heard two persons who are having a conversation, one is Yu Ao Tian and the other one is.... From the way he addressing the person, it must be the state Administration Of Taxation Officer, Chief Liu.

Does Yu Ao Tian not carefully dial her phone number? No.

... Impossible he did it so this, he must be showing off toward her, isn't he?

According to the process of the Tax Bureau, Chief Liu must ask his men to investigate Berson account book, not to make phone call or calling Yu Ao Tian to come and tell him everything about these.

And now, he even asked him how to settle it, at the same time even destruct all the data that she gathered for three days, this is really.... Shameless!!

"Congress Yu, later this subordinate still need your care in the future."

"I take my leave first."

"Let me send you off."

"No need."

And then, from the phone there is sound of the door being opened, and then closed door sound.

This time....

"Bao Bei." Yu Ao Tian straightly forwardly talking on his mobile phone. "You have stayed quite long beside me, how could you still not understand the dark side of government employees?"

After listened to voice from mobile phone, that voice is slightly using mocking speaking tone, for once again Yao Yao feels herself turned to be a clown.

All bureaucrats shield each other, this principle she understands. But, she never thought that chief Liu could be such shameless to this point, at the morning he even acted as if someone who filled with righteous, but after afternoon, he immediately called Yu Ao Tian, to help him out!

Bastard, rotten bastard, simply to say they are group of rotten bastard.

Is because she not having any position in political, so that Chief Liu is looking down at her who gathered data?

Is because of Yu Ao Tian politician position is higher, so that the Chief Liu in order to butter him and then sacrifice her?

Chief Liu just does not know, if she and Yu Ao Tian are not knowing each other, his acted to butter him, it is more than enough to make Yu Ao Tian to kill the person who made a report!!!

"Ok, this time indeed I am doing something foolish. But there won't be next time anymore!"

"Bao Bei, Do you still that you will have another chance?"

Still, will.... Have another chance?

'Creak' Yao Yao is hung up the phone call, next moment, she is using her strength to toss away her mobile phone, turned her back and then climb up to her bed and having sadly to miserably crying.

"Yao Yao? What happened to you? What happened to you? Why are you crying?" at her beside is Gong Xiao Man who is shocked to dumbfounded, before she received the phone call she was still alright, but after she hung up the phone call why?

"Hu....." there is no words that able to describe her mood, it alike anger that she could not vent out.

It is obviously the truth is standing on her side, but the reality everything just not fair for her, she just wanted to use play-fair method to crash on Yu Ao Tian, how could it so difficult? Why it is so difficult?

"Yao Yao, you don't cry anymore, actually what was going on, you tell me, okay?" Gong Xiao Man is panicking while advising beside her, but how can she understand the bitter that suppressing Yao Yao and also how it could be ended only in two or three words (cannot be explained)?

Episode 373

☒Ring.... Ring... Ring...'

The mobile phone that being tossed to bed aside suddenly ringing, Gong Xiao Man suddenly standing up, ringing in fume when accepting the phone call: "You MF who are you?"

"....." on the other side of mobile phone it silent for while, and then followed with cold voice:

"Gong Xiao Man?"

"That's right, it is me. Who MF you are, why you make Yao Yao crying?"

"Where is Yao Yao now?"

After heard that cold voice, Gong Xiao Man angered vented out: "I ask you, why do you make Yao Yao crying!!!"

"I am Feng Chen Yi! Just now it wasn't me who phoned!!!"

"....."

ugh...." so this phone called is Feng Chen Yi, Gong Xiao Man who is raging in fume immediately cooling down: "She, she is at dorm now."

☒Tutts...' followed after she done with her words, the phone is immediately hung up.

Gong Xiao Man who received the phone call is in confusion, if just now wasn't Feng Chen Yi who called the mobile phone, who would.... Be the person?

She is checking on Yao Yao's phone incoming called, once she takes a look, she found out it was Yu Ao Tian!

Her eyes are glancing at Yao Yao who is still crying on her bed, and then she takes a look at the mobile phone monitor that clearly showing up the phone number.

How could Yao Yao crying such miserable after she received a phone call from Yu Ao Tian?

"Which dorm number she stayed?" after hung up the phone called for a while, Feng Chen Yi coming to First University, since the dorm for female students cannot easily being entered by a stranger, so that he only can contact Gong Xiao Man to pick him to go in.

"At 403."

"Thank You."

Feng Chen Yi is taking big stride, rushing on dorm 403, from the outside the dorm room he could hear bitter crying voice.

Push open the door.

Yao Yao is still on her bed crying, Feng Chen Yi only need two big steps, he has already arrived at bed side: "Yao Yao, what is happened?" he is pulling her up from her bed.

Her white little face is fuming in rage and turned to be so red, very red, that big moist eyes are open wide showing how dissatisfied she is. It can feel that, at this moment she is absolutely! Must be super angry.

"You, why are you coming?" wiping her tears, she asked with sob voice.

"Just don't ask me why I am coming. What happened to you?"

What happened? Did something happen?

No!

If there is Feng Chen Yi nothing impossible to be happened, that's right! There is him, it means everything can be settled! "Feng Chen Yi, I know, you have power, come, help me! No matter what the price is I willing to sacrifice, help me!!" Yao Yao is emotionally grabbed his hands.

But from that no matter what words, Feng Chen Yi at the moment can feel that she must absolutely facing something big, so that her words sound such confusing.

"Yao Yao, you calm down for moment and then tell me what kind of help do you want from me."

"I understand, now it only yours status that able to help me out, really, I can sacrifice everything, you tell me, will you willing to help me or not!!!!"

"Yao Yao!!!! You calm down, you must tell me first what can I do for you, so that I can give you my answer, whether I can help you out or not, okay?"

Feng Chen Yi higher his speaking tone, that cold face is shown panicking expression. He really does not want to see the lost control of Yao Yao, at least, he must know what makes she lost self-control to this point.

"I, want, you to help me, fight against Yu Ao Tian!!!" she is using her strength to sniff and also stop her tears, she is showing weird smile on her face: "Berson and Feng Group have many projects right? So that, soon or later will go opposite way. So that, let me join, I will go against Yu Ao Tian together with you, can I? Can I?"

Suddenly Feng Chen Yi silent.

His cold eyes are straightly seeing her eyes which filled with hatred, and at same time a small face that shown bitterness and also unhappiness. It can feel, something without any turning back is happened between Yao Yao and Yu Ao Tian, so that she could lose control over herself!

After a while, his cold face is changed, smiled: "Alright! But.... This time, I don't want to help you freely!"

It's fine to say whether he is put fire and robbing or taking an advantage of person who in perilous state, but six sense told Feng Chen Yi, this perhaps his last chance to keep Yao Yao stayed beside him!

"Didn't I tell you? I can pay at any cost. I can give you everything that I have. Should I become your lover? I can do it. Whatever it is I can! Of course, as long as you okay with me!" It is so obvious because this time failure Yao Yao is such messing up, or else due to her personality she would not say something like this.

Or perhaps, this is the most drastic chances of hers, the last pounce.

After all, the death of her mother, actually it had given her big shock, too much.

"I don't need you to be my lover."

"So what do you want? Say it!" Yao Yao is emotionally half kneeling on her bed, her face is showing crazy smiles which make people feel worry about her, even looking through her eyes for this moment it is dim.

"Marry with me."

"But...." she gave her answer without thinking, but immediately she gained herself back: "What did you say?" that dim eyes suddenly turned to be bright, she is looking at Feng Chen Yi who in front of her with disbelieved eyesight.

"I want you to marry with me! Becomes my wife. Didn't you say that, you can sacrifice at any cost." Feng Chen Yi's face is showing cold expression while speaking with lower intonation, but his face is perfectly serious, there is no slightest joking intention.

"Wait.... Wait..

.." panic! Panic! What does she want to say? What she wanted to do? Why did she forget?

That's right, if want to fight against Yu Ao Tian, she must borrow Feng Chen Yi power in order to beat Yu Ao Tian down.

Didn't she think before, no matter what would happen she won't drag Feng Chen Yi? Why at this moment, she still looking for Feng Chen Yi?

Thinking carefully, is it because Yu Ao Tian capability too strong, so she only can look for Feng Chen Yi to help her put!

But, the revenge for her mother death, and also the marriage with Feng Chen Yi are two different things!

"Feng Chen Yi, you, know.... What does marriage mean? This is not a game."

"Of course I know what does marriage mean, but you must remember, both of us ever together before, what did I ever tell you before?"

☑I just want to have one marriage for my life time, so that, I will not be so easily to find any woman as my girlfriend, moreover I won't be such easily talking about marriage. But, as long as there is a girl I want, I will take any cost in order to make her to be my wife!!'

It seems that Feng Chen Yi ever told her before?

But.... "I, I ever became Yu Ao Tian's lover." this is an indelible stain, such ridiculous past, after all she even ever became the lover of the person who murdered her mother!

"I don't have any objection."

"Not objection?" lift his eyelids, Feng Chen Yi pair of cold eyes looking at her who after all almost crying because touched.

How could Feng Chen Yi able to say something like that so affirm and resolute? It is okay for him to hesitate, due to his status, his background, why must he choose someone who ever became other people's lover as his wife? "If you can help me, Whatever the cost it takes I willing to sacrifice, but.... Other than marrying you."

"I just want you to marry me!"

Note:

I am sorry to trouble everyone, I don't mean to make things become so complicated, but, Thunder and I were doing little bit experiment in order to 'decide' about future translation works. A naive short tempered girl, the password is removed.....

Episode 374

"Feng Chen Yi!!! Do you understand or not, you must looking for someone who loves you as your wife, but the person isn't me!" still said it out, still able to say it out loud.

Without any hesitation, she knows this word might hurt Feng Chen Yi, but there is no way, although looking for hundred and thousand reasons to refuse this time marriage, it's only afraid, according to Feng Chen Yi nature it hard to change his will.

And the only way to stop this reason, say it out, perhaps it able to stop Feng Chen Yi.

That time, when she knew about Xiao Qiao and Xia Ren Liang marriage, the first impression she got for Xia Ren Liang is someone despicable. He is clearly not loves Xiao Qiao, but because of other reason he is going to marry Xiao Qiao..com

If this moment she because of taking revenge for her mother, agree to marry Feng Chen Yi, isn't she not any different with Xia Ren Lian?

The marriage life, if one of the other party not loving another party it is such something terrible.

And then, since when it started, she does not love Feng Chen Yi anymore?

Hah, she could not remember it. She only knows, that day when her mother passed away, when Feng Chen Yi was showing up in front of her face, the first reaction she gave, this man is as a part of her family 'relative', but he isn't a man that she love!

"It's okay.... You don't need to love me it's okay."

Her face dropped down, she is dumbfounded looking at Feng Chen Yi who face is showing bitter smile in front of her eyes, she dumbstruck for moment. "You, you.... Don't have any objection?"

"That's right! I don't have any objection! It is okay if you don't love me, as long....I am loving you and that's more than enough!!!" After said, suddenly he pulled Yao Yao into his embraces. "Yao Yao, give me the answer, Yes or No."

I love you...

.

I love you....

Heaven knows, how many years she has been waiting Feng Chen Yi for this three words?

Since those two years when they were still together, Feng Chen Yi never told her that three words, never told her before, he loves her. But this moment, this 'cheeseparating' man after all he said it out?

But why.....

She not even feel her heart skip beat, contrary she even feels this three words, is something burdensome? "Feng Chen Yi....."

"Yes or no? Yao Yao, as long as you give me Yes as answer, I will give you my utmost to help you fight against Yu Ao Tian!!!" this time, Feng Chen Yi does not give any chance for her to say anything, he only wants to get the answer.

But this answer can it be such easy to choose either yes or no?

That's right, she really needs Feng Chen Yi help so much, she also needs his power to help her to revenge for her mother. But, the premise of marriage, it is fine with her, but how about Feng Chen Yi? Isn't it too unfair for him?

No.....

It could not say as unfair!

Both of them ever dating each other before, moreover she ever loved him for such long time, after marriage, she can slowly to find back the feeling ever loved him before, the courage to love him back, stay together with him forever, isn't this going to work?

Perhaps.

...

Can she?

Slowly.... Falling in love with... Feng Chen Yi? "I promise you."

"Ha, hahahaha..." at the moment when Yao Yao made her promise, Feng Chen Yi is happily laughing, as if he has found a treasure, tightly hugging onto her.

Episode 375

The next day early in the morning..com

This marriage is really coming too suddenly, either toward Feng Chen Yi or Yao Yao, it seems alike a dream.

Yesterday on the moment she nodding her head and gave him the answer, Feng Chen Yi left.

Even until this early on the morning, Yao Yao is still thinking.....com

Was Feng Chen Yi really coming to here?

📞ring ring' (mobile phone ringing sound)

📞I have arrived in front of your school entrance.' when this short message read, she finally affirmed that Feng Chen Yi arrival to her place yesterday indeed something real. She.... Indeed also agreed to Feng Chen Yi's marriage proposal. Because, they have made a schedule, they are going to pay visit to Feng Chen Yi's father.

Dressing, everything is prepared, hurry Yao Yao gets into Feng Chen Yi's car.

"Morning."

A familiar greeting, it is so similar with two years ago, but the only different thing is, this man is maturer compare to two years ago, he is mature lots. For everyday wearing casual and leisure clothes turned to wear formal suit everyday. "Morning."

When the car is starting to move.

"Wait!!" Yao Yao is showing her difficulty expression when pulling his arm: "You.

... Don't you want to think more about it again?"

"Did you think that yesterday I was too impulsive and out of my mind when I asked you to make a choice?"

That's right!

She is even thought that Feng Chen Yi was not only too impulsive and out of his mind yesterday when asking her to make a choice, but she even thought that she was too impulsive and out of her own mind when giving him an answer.

For this entire morning, she even asked herself hundred and thousand times, does she really want to marry with Feng Chen Yi?

Marriage, after all it is the entire life matter.

Although later in the future she can fall in love back with Feng Chen Yi, but this moment, she only has a feeling alike family toward him, that's all. "Chen Yi, I advise you, please think it all over again."

"Since you were at your 13 years old first time we met, until today, my feeling toward you, it hasn't been changing not even a little bit, it has been six years already, do you think I still need to consider or think about it again?"

Six years.... Hasn't it really never been changing, not even a bit? But why that time he still with her.....

Forget it! Now, is she still have a right to blame on Feng Chen Yi?

Actually after thinking carefully, doesn't he also like that, since he was still at his 16, until today he is at his 22, it has been six years, but.... Since when that love feeling gradually disappeared.

"Years ago when I asked you since when you felt in love with me, didn't you tell me it was during my third year of Junior High, did you? But how could you change to the first year?"

Looked at her desperate eyesight, Feng Chen Yi gives faint smile, and directly driving the car: "You make your guess, which one is the right ones?"

"How could I know, one moment you change and the other moment you changing again, this time you have changed it when I was at my 13 years old, geez."

"Hah." Feng Chen Yi lifts up his hand, hooked on her shoulder, turned his head, whispered on her ear: "It was during when you were catching cat."

At first time, he only thought this little girl really too cute, he never seen any cute little girl like hers before.

And then on their second encountering, it was the time when Yao Yao begging him to pet the cat. On that moment suddenly his heart was moved by this cute little girl.

Very mystical, he didn't know what he liked from her, but his heart just wanted to keep her to stay at his side, keeps on loving her.

And before, no matter how Yao Yao asked him about this topic, he would always give her such vague answer.

Now he would not do it anymore.....

Because he had done too many things that he didn't mean and hurt her.

If, two years ago, he could treasure this feeling for moment, things wouldn't be like today.

If, two years ago, when he got caught-red handed cheating on her, if he didn't act as if nothing and not care of anything, he would not torment within these two years.

If, after two years later, when he for once again encountered her, not using that kind childish and ridiculous attitude toward her, but he sat and told her carefully, that he stills love her, perhaps both of them would not been circling and then together after such long time.

If..... Two years later, when she was coming to borrow money from him, if he didn't say those hurting words, she..... Perhaps would not been ever become Yu Ao Tian's lover.

So that, starting this day, he wants to tell himself, he won't be ever hurt this woman anymore, if love he will tell her; the best for her is by showing it out...

Episode 376

"Chen Yi..... Don't you.... Want to know the reason why I want you to help me fight against Yu Ao Tian?" inside the car, suddenly Yao Yao expression turned to be gloomy, she is gazing at the in front street and slowly opened her mouth.

"Is he related to Aunty's death?"

Suddenly turned her head, looking at his face!

So that, has Feng Chen Yi made a guess?

But she still wants to tell Feng Chen Yi clearly. "En, this is a reason why I need your help, I need you to help me to revenge!"

"I know what you want to tell me, there is no need to tell me again. My words still same, it's okay if you are not love me, as long as I love you it is more than enough." after said, he turned his back, he gives her faint smile.

This moment, his smiles as if a knife that piercing into Yao Yao's wounded heart.

Ha, after circling, circling, and still she is coming back to stay at this man's side, if this thing being found faster perhaps it would be better, at least, her heart would not be this hurt.....

Not long after that, the car is parked in front of a magnificent villa.

The mansion which own by Feng's family can be said as one that listed on the top ten villa in the world!

Getting down from the car, the retainer drives Feng Chen Yi's car to the garage.

He is pulling Yao Yao's hand and then walking heading inside, but Yao Yao as if a stiff wooden stick not even moving but stay still at the original place.

"What's matter?"

"I, I feel little bit nervous." after all this is first time for her to meet elders, moreover the first time to talk about marriage, she is absolutely nervous.

"There is no need to be nervous. It is only formality, it's only simple greeting to my father."

Although words said this way, but she is only an ordinary student, Feng's household which type of high status family will they accept her? "If, if, if your father does not agree?"

"As I said, we are only coming to greet, whether he agrees or disagrees there is out of business."

"Ugh..."

.." this is not good.

"Come on, come with me." After said, Feng Chen Yi is forcibly pulling her to enter the inner villa.

"Second Young Master." once the magnificent metal fence of the villa being opened, inside there are about twenty people in maid uniform lowering their head.

Along the entrance to the inner side as seen, it seems alike bottomless an ancient time Rome hall.

This is nothing alike living in mansion, simply to say this is alike living in the palace.

It feels after walking for few minutes finally they arrived at the big hall.

As seen, Feng Chen Yi's father Feng Xiao is sitting on the gorgeous sofa, while beside him is sitting Feng Chen Rui and one beautiful woman.

"Father." Feng Chen Yi slowly walking in, giving respect bowing.

"Un, uncle, hello." Yao Yao is nervously nodding her head.

Feng Xiao only swept Yao Yao one glance, and then his focus only to Feng Chen Yi: "Humph, Chen Yi, if not because you said that you are bringing your girlfriend to meet me, perhaps I don't know how long I must be waited until you come and pay visit to home?"

"Father, as you know, recently company is quite busy, the place that I stayed now is more convenient to go to office."

"Busy! Busy! Busy! Your older brother is also working at same company with you, how could I still able to see him at home everyday?"

"Father, you don't keep on nagging Chen Yi, this time he is bringing his girlfriend to here, you must give a little bit face, mustn't you?" At beside Feng Chen Rui is pretending to be good person, that cunning eyesight is slowly looking at Yao Yao: "Eh, Chen Yi, your girlfriend she looks so familiar, ckckck.... Father and I last time went to your house..."

. Didn't we ever meet her before?"

After Feng Chen Rui said this, it is obviously Yao Yao's face is tightening.

That's right, last time she had met Feng Chen Yi's father, that time, Feng Chen Yi also introduced her, it seemed as..... One night stand lover, right?

Damn it, Feng Chen Rui this time is bringing up this matter, he is only want to ruin Yao Yao's image in front of their father.

"Chen Rui, once you said about this indeed recalled my memory." Feng Xiao frowning: "Chen Yi, what is going on? Isn't she only the party playing with? How can at moment change to be girlfriend?"

"Father, last time I just randomly said it, actually when we were at school Yao Yao and I were boy and girlfriend."

"Oh? When you was at Japan?"

"That's right!"

Having Feng Chen Yi said this, the way Feng Xiao looked at Yao Yao is little bit changed to be better, after all this son has already 22 years old, and it still the first time he bringing his girlfriend coming home, as father, absolutely he cannot too much not care. "Little girl, what is your name?"

"Uncle, my name is Luo Yao Yao."

"Oh, sit down when talking." Feng Xiao is pointing at the sofa right in front of him.

Feng Chen Yi and Yao Yao by this way have a seat, regarding this kind of high status family the rules indeed so many, if Feng Xiao did not open his mouth asking them to have a seat, even Feng Chen Yi as son could not have a seat.

"Miss Luo, what is your parent job?"

After heard this question, Yao Yao's eyes brows frowning for moment, it is not like she feels embarrassed to say about her parent jobs, but her mother just passed away, mentioning about her, just make her heart hurt for once again.

At moment Feng Chen Yi able to sense Yao Yao difficulty, hurries he makes a replied: "Father, regarding about Yao Yao's matter it stills better next time I will tell you, today I bring Yao Yao come here, it is only to introduce her to you as my girlfriend, and at same time I want to tell you, I want to marry Yao Yao."

"Marry?" Once Feng Xiao heard it, his eyes are opened wide: "Chen Yi, marriage isn't playing a game, have you thought it?"

"Of course." he gives faint smiles, while his eyes gazing at Yao Yao. "I have known Yao Yao for six years, so that, I am absolutely sure about this marriage."

"This..

.. Isn't this too hasty?" Feng Xiao in difficulty creasing his forehead: "Miss Luo, what job are you doing now?"

"I, I am still a student. Uncle."

"Still a student? And how about your parent do they agree with this marriage?"

"Father...."

When Feng Chen Yi is making a reply, Yao Yao has grabbed his hand, she hinted him it's okay with shaking her head, answered: "Uncle, my father had passed away 13 years ago in car accident, my mother... Few days ago she has passed away."

"So this is the circumstance." in order to show his politeness Feng Xiao gives deep sighed, but at sudden changed, his expression to dim and gloomy, coldly said: "Miss Luo, toward your background, I am extremely expressed my deep condolences. But.... This kind of marriage, I refused!"

Feng Chen Yi had predicted that his father would show his rejection after he heard about Yao Yao's background!

Just not mention about Yao Yao ordinary background, but the point of not having father and mother, toward Feng's family which is wealth and elite family, this is much scarier compare to being born in such ordinary family!

"Father, this is my matter, my purpose coming here today is in order to let you know this matter, I will take my leave first." after said, hurried he pulling Yao Yao's hand, coldly standing up..

Episode 377

"Chen Yi! What attitude are you showing? As you know, a family like ours Feng's household, impossible for us to accept a girl who comes from impoverished family." said half way, Feng Xiao even hinted his apologizing toward Yao Yao: "Sorry, Miss Luo, I don't mean to offend."

"I... I understand, uncle."

"Chen Yi, you see how understanding Miss Luo is! Since the day you born into this world you must know that you have to shoulder everything according to the Feng's family arrangement to and turn it to be stronger as responsibility. If you are only wanted to date Miss Luo, I won't have any refusal! But, if the case is marriage, you must chose someone who have strong background in order to join marriage with my Feng's family!!"

Toward what Feng Chen Yi's father words, Yao Yao really can understand. After all she has stayed beside Yu Ao Tian for such long time, she has known not less of reality.

Black path has black path rules; politic world has politic world rules; business world has business world rules too.

Perhaps everyone thought that being rich wealthy second generation is happiness, but the wealthier the family of the Young Master, actually more helpless the person is, basically they don't have freedom to choose their own marriage, most often it is decided by parent as older generation, in order to make own family capability to become stronger so that they join-marriage with other powerful family too.

Since today when Feng Chen Yi brought her to here, she has known that Feng Xiao would not disagree with this marriage.

This is good too, isn't it?

"Father, if you want to make our Feng's family become stronger, I think the thing that you must depend on is the capability of the management, not something like depending toward what so-called as joining-marriage this kind of matter in order to make our Feng's family to get stronger."

"What do you mean by saying this? Chen Yi? Do you mean that I am asking you to join-marriage is something called as sorts of back doors?"

"Didn't you mean so? Depend on woman, depend on her family. Hah, why don't you ask me to be Xiao Bai Lian, there is no different at all."

(â°½ Xiao ç'½ Bai è½, Lian : the most negative meaning is gigolo,at the same time it has derogatory meaning for good looking man who life depends on woman)

Aish.

If not because the situation and place are not suitable, Yao Yao is almost laughing out loud, she never thought that Feng Chen Yi could say something piercing alike that, isn't he? No matter how she thought of it, she just never thought that, join-marriage is something alike woman's selling their body while; the man's becoming 'Xiao Bai Lian'?

"Chen Yi, are you trying to anger me to death?"

"That's right, Chen Yi, how could you speak that way to our father?" Feng Chen Rui who keeps silent for this moment suddenly opened his mouth while he also enjoying the show, he is acting to be good person by rubbing his father's chest, pretending by showing his face in difficulty expression: "Actually father disagreed with your marriage matter is something for sake of your goodness, okay? Moreover, Miss Luo is someone who ever became Yu Ao Tian's lover before, if this matter being known by outsiders it would destruct our family's face?"

"What?? This little girl even ever became Yu Ao Tian's lover? Chen Yi, are you dummy? After all you wanted to marry a woman who ever became Yu Ao Tian's lover as your wife?" After Feng Xiao heard what his older son words, he didn't care with his image anymore, just directly exploding alike bolt.

Feng Chen Rui this brat!!! Yao Yao is curled her hands into fists, with hatred she looked at Feng Chen Rui smiling face.

What is his purpose? Is he trying to make sure, no matter what Feng Chen Yi will still want to marry her, so that he want to take this opportunity to ruin Feng Chen Yi relationship with their father?

Too despicable, simply to say he is too despicable!

"Chen Yi, now I have changed my mind, not to mention about marriage, even dating, you must not date this kind of girl! If you really like her so much, if for playing it's okay! If you cannot, just wait until you have married, if you want to keep her as your lover, you can do so, anyway you are not allowed to marry with this kind of woman!!!"

"Father, for once again I told you, today my coming to here only to greet you, the decision isn't on your hand."

Episode 378

"Chen Yi!!!! If you are still stubborn wanted to marry her, not even mentioned about the CEO's position, even the General Manager's position, immediately I will strip it from you!"

When Feng's father said this words, an instantaneous Feng Chen Rui who is sitting beside exposing his smile, this smiles spotted by Yao Yao's eyes, she hates and gritting her teeth, gently she pulling Feng Chen Yi who besides her: "Forget it, Chen Yi."

"It's nothing." Feng Chen Yi is comforting her by showing his smile, and then looking at his father with expressionless face: "Do you really think that I am such wanted that CEO's position? If you are stripping my General Manager's position, it does not matter to me. You don't forget that, before Grand Father passed away, he had given 20% of Feng Group stocks under my name, it is not big deal, I can sell out my 20% stocks, and then I still can start all over again, when it really happen, let's us see who will be more losing severely!"

If really once the 20% stocks of Feng Chen Yi being sold out, it for surely Feng's Group will be at catastrophe. Feng Xiao knows very well compare to anyone who will surely suffer bigger loses. "Chen Yi!!! You are really! Are you want to anger me to death? Just because of this lowly status woman, and then fight against me? Do you think it is worth to do so?"

"That's right, Chen Yi, quickly apologizing to father, as long as you are not marry with this woman, everything is easy to settle." at this kind of situation, Feng Chen Rui faster adding an oil. So that the atmosphere is getting hotter after it gets burn!

Dealing with this kind of shameless older brother, simply to say, Feng Chen Yi decision is to ignore him:
"Father, I don't mean to make you angry, if you are agreeing my marriage with Yao Yao, don't you think the matter is much easier, right?"

"I won't agree with it! This little girl no matter her status or her background, she is not suitable to get into our Feng's family door!!!!"

"Well there is nothing more to say. Yao Yao, we leave." After said, when Feng Chen Yi wanted to pull Yao Yao and leave.

His footstep stopped, quickly he turned back, hinting that he and Feng's father will be reconciled.

Feng Chen Yi is smiling, bend down little bit and then whispered on her ear: "Rest assured, although I don't have anything, I will still support and help you to revenge, believe on me...."

It is not like that! Not like that! She isn't afraid if later he does not have anything and then cannot help her to revenge!

But, she really cherish the warmness of this family, she does not want and expecting to see Feng Chen Yi because of her and then stir up trouble with his family to this point.

Feng Chen Yi, why you must be so stubborn to this point?

Is it worth?

Is it because of me, you are willing to break with your father, willingly to lose everything, is it only to marry me?

This is not worth! It really is not worth!!

Her pair of bright twinkling big eyes straightly can see firm and steady eyesight, inside that pair of eyes as if she can see his toward her, his love and also his certainty.

What to do then? Feng Chen Yi, you are treating me this well, what should I do in order to repay you?

Using my companion to accompany you for the rest of my life with you in order to repay your kindness, can I do so? Now, I only can give this promise to you.

Since it decided to stay forever, well we must get married first, don't you think so?

The marriage without blessing isn't happy marriage, so that...

She cannot accept this kind of situation because of her these son and father relationship stirring up to this point!

Yao Yao smiles faintly, suddenly she swaying away Feng Chen Yi's hand, turned her back and faster she has arrived right in front of Feng Xiao.

"Yao Yao?" quickly Feng Chen Yi chasing in front of her, not understand looking at her.

She smiles again, comforting him by patting Feng Chen Yi's hand.

This time, let her to move Uncle Feng's heart! "Uncle, as you said my background cannot be compared, mine is so ordinary and really ordinary. But, I never thought that, nothing in me which isn't fit your Feng family. It is right, I am not coming from wealthy generation, I cannot give any asset (Financial contribution) support to Feng family. But the worth of myself value isn't something that can be gotten by being wealth generation or money."

Episode 379

"Miss Luo, do you want to tell me that, you are someone kind and also love Chen Yi, and also not because of my Feng's money? These things, not even can move me."

"Uncle, you are mistaken my meaning, I don't mean to express my personal quality such sublimate, as you mentioned before, this thing won't able to move you. But what I wanted to tell you, about the thing

that I have with me as something could not being able bought by wealth and money, it is...." she lifts up her hand, slowly from her pocket she take out her license. "This is my lawyer license." after said, she takes her license and put it on the table.

"If you have slightly understanding about Lawyer field this kind of profession, so you must be known how big the value and the power of the World Class Lawyer. I really don't have way to use my family background to help Feng Group, but.... I can use my brain to make Feng Group to be stronger! And at same time I can make Feng Group develop in very fast way, I believe you must be more understand this thing better compare to me."

Feng Xiao is someone who has already at his sixty, what kind of thing that he never face before? Never seen before.

The value and power of World Class Lawyer, how could he not know about it?

Currently in this entire world there are not many of World Class Lawyer left, he really never thought this little girl would be one of them, no wonder she could say something.... 'I never thought that, nothing in me which isn't fit your Feng family.'

That's right, having this kind of position, believes there will be many of business player who will fight for her! "Miss Luo, let me ask you private question, how high your IQ? I don't have ill intention."

"Haha, I understand, uncle. I am indeed someone who coming from 'rare' group, my IQ is 200."

"200?" at beside Feng Chen Rui is dumbstruck, after all this little girl is belonging to high IQ group of people!

But on contrary, Feng Xiao is calmer: "No wonder you are able to get World Class Lawyer license.

Ha...."

"Luo, Miss Luo, regarding to your self-value, I am really admire you. But, you are ever being Yu Ao Tian's lover, isn't it also a fact? My father won't allow this matter." Feng Chen Rui sees the situation in bad way for him, for once again he blows the wind.

Just as expected, after Old Master (Feng Xiao) heard this words, the mood that brighten little bit is back to dim.

But this time is Feng Chen Yi's turned to let himself see a good show, he clearly understand, this time his own elder brother is already stirred up the bees nest.

"Mr. Feng Chen Rui, if not because I still see you as Feng Chen Yi's older brother, due to your words, I can directly sue you doing defamation, the crime of insulting World Class Lawyer is big crime!"

"Do you dare to say that you never been Yu Ao Tian's lover?" Feng Chen Rui angered directly standing up.

"Indeed I ever stayed beside Mr. Yu for while, but I was his representative lawyer, that's all.

"facing with her ugly past, she didn't want to make such leisurely denial, but facing with this kind of ugly big brother, she only can make this kind of decision!

"Oh? I have heard the news about, it said that there's world class lawyer who stayed beside him, so that he could so succeed for his election, was that person you?"

"Haha, uncle, I do not dare to say the successful of Mr. Yu election was because of me, but, regarding that time Mr. Yu election, indeed I was his representative lawyer."

"Father!! You don't listen to her gibberish, she really ever become Yu Ao Tian's lover before!!!" Said Feng Chen Rui who is not letting this at one go.

Yao Yao is using her strength to make a fist, suddenly her small face is showing sharp smiles: "Feng Chen Rui, you said that I am ever become Yu Ao Tian's lover, do you have an evidence? Moreover, if you are

so sure that I am Yu Ao Tian's lover, why last time when we were meeting at the restaurant you are begging for my love? You even asked me to be your girlfriend? Not say that because I had refused you, so you still hate me in your heart so that you trying to tarnish my reputation?"

"You...."

"Heh? If bringing up this matter, I still have little bit impression." Feng Chen Yi is completely not giving Feng Chen Rui an opportunity, hurried he opened his mouth: "Yao Yao, I still remembered that my older brother even gave you that Black Card to you, am I right?"

Cold sweat, now Feng Chen Yi is completely showing his 'treacherous villain' expression on his face, he really would directly keeps on pinning...

Episode 380

"Chen Rui!!! Does she say the truth? You even gave her your Black Card?" this time, the woman who is sitting beside and keep silent for this time suddenly roaring.

Feng Chen Yi is rolled his eyes, pretending to say comforting words: "Big sister in law, you don't be angry, Yao Yao is my girlfriend how could she accept the card from Big brother? Not long after big brother left, she had given the card back to me, and I had given it back to big brother. Am I right? Big brother."

Listened to the way how his younger brother words, Feng Chen Rui is pissing off to the point curled his hand into fist.

Yao Yao just found out, actually this woman is Feng Chen Rui's wife, isn't she? If she knew it since the beginning, she would not say about this matter, after all Feng Chen Rui's wife is innocent, she does not want because her hatred toward Feng Chen Rui and then she also dragging his wife along with.

"Feng Chen Rui, you are too much, even want to snatch your own younger brother's girlfriend!" Feng Chen Rui's wife is raging in fume and even roaring louder.

At beside Father Feng is using his strength to pat the sofa's arm rest: "All shut up! Chen Rui, during that time did you know that she is your younger brother's girlfriend or not?"

"Father, listen to my explanation, I..."

"As said, you have known about it before? Chen Rui, you are really disappointed me, simply to say you are embarrassed our Feng family!!!"

"Father, you don't angry."

Seeing Feng Xiao is turned to nag Feng Chen Rui, at beside Feng Chen Yi is pulling Yao Yao and hinted her to leave without voices.

Once they had gone out from front door, he directly laughing.

"Why do you still able to laugh?" sitting inside the car, Yao Yao is curiously asked him.

Feng Chen Yi is slowly explaining his moods, said: "Seeing how work-hard you for our marriage, of course I am so happy."

Ugh....

Cold sweat, really, initially she wanted to stop this marriage, and then at the moment it changed she as someone who is starting to protect this marriage.

But.... She has witness that Feng Chen Yi has sacrificed himself too much for her, and without she realized of it.

... She also wanted together work-hard for it too.

It is okay, if not because the Old Master made thing difficult for her, even the thought that they are able to get marriage, her heart would not be in peaceful. But after experience all the suffers, on contrary she has decided in her heart, she wanted to accompany at Feng Chen Yi side forever, although that love isn't there anymore, it is okay....

"Cut it off, it was because you saw your older brother in a difficult position, so that you are able to laugh that happily, am I right?"

"Perhaps it is also one of the reason." indeed, seeing his older brother at that kind of situation, he indeed so satisfied. But the biggest reason is.....

For once again he had witness the miraculous capability of Yao Yao.

He has ever said before, Yao Yao always have this kind of capability, she has a capability to change something impossible to be possible!

"Now where are we heading?"

"We are going to take wedding photo."

"Ah? But uncle hasn't agreed with our marriage yet?"

Seeing Yao Yao shocking expression, Feng Chen Yi is smiling, said: "I have said, I don't need him to agree. Moreover, after listened to the way you made self-introduction, my father, absolutely will agree with it!"

Father Feng is someone who coming from business background, to seek nothing but profit (personal profit before everything) is the most basic characteristic. Someone alike Yao Yao is super rare person that can be encountered but not able to beg, being able to make her stay beside, compare to marrying to ten wealthy family, have background wives, all still can be considered. Which is the most important priority, Feng Xiao knows it very well..
