"Go and tell your photographer, today photo session is ended, I am little bit tired, I want to take a rest."

"Yes, understood." the assistant left.

Feng Chen Yi is getting up from sofa, patting Hei Yan Long's shoulder: "Yan Long, I know there are many matters that you can help me to consider about; but, this marriage, isn't because of my impulsiveness and then I made the decision."

He loves Yao Yao for such long time, before he ever thought to give up on this feeling but he could not let it go, since this is the case, he must grab tightly this opportunity, forcibly let her stay beside him.

Whether this right or not, he also does not know. But there is something, regarding about this marriage, it is absolutely not decided due to his impulsiveness.

"Alright, I understood, as long as you think it is okay, then I am also think it is not a matter." Hei Yan Long gives faint smile, and then three of them are getting out from the photo studio.....

.

During the process when she was taking photo shoot with Feng Chen Yi, she was distracted. As if, that beautiful wedding dress was not suitable being worn by her.

"Congratulation to both of you." inside the private room, Ou Yang Zi Xuan smiles faintly by lifting up his liquor glass.

Beside him is Hei Yan Long also followed him by raised up his glass too: "Congratulation. Woman, it seems that in the future I must call you as Little Sister in law."

"Little sister in law?" Ou Yang Zi Xuan is showing such disbelief expression on his face and then put down his glass: "Aren't you mistaken, Yan Long, you must call Yao Yao older sister in law, right? You even cannot make any difference about generation."

"I am mistaken? Yao Yao is younger than me? So that, it is so normal if I called her as Little sister in law."

"But Feng Chen Yi is older by two years than you, okay?"

When Ou Yang Zi Xuan said his words, Yao Yao who is sitting silently at beside almost get chocked by her drink.

This year Feng Chen Yi is 22 years old, he is older by two year to Hei Yan Long, so that it means.... Hei... Yan Long, this year just....

20 years old?

To be honest, Hei Yan Long not even slightly looked alike someone who is at his 20, other than his bad temperament, but the way and his manner when talking is very mature.

If say that Ou Yang Zi Xuan this year is 20, she believed it.

No wonder the chairman of Bao Lai Group is always being called as the most youth (youngest) Chairman by the other business men.

Nut....

Shang Yun Yin has already at her 22, why she must call Hei Yan Long as God-older brother?

CEO Hei, are you really only 20 years old?" Yao Yao is trying to investigate by asking him.

Hei Yan Long's face is dimmer, his pair of eyes are flashing a gleam: "This year I am 26 years old."

"Cut off your nonsense, Yan Long. It is obvious that you are younger by two years compare with me and Chen Yi. Now Yao Yao is our people, why are you still lying."

"I am 26!"

No matter how Ou Yang Zi Xuan said, Hei Yan Long is such affirmed that he is already 26 years old, it makes Ou Yang Zi Xuan angered to the point standing up: "If you have guts take out your ID card!!!"

"I don't have matter." Hei Yan Long does not have any objection shrugged his shoulders, elegantly he taking out his ID card from his wallet and then put it on the table.

Ou Yang Zi Xuan has a glanced: "You are too cunning, after all you even changed your birthday year. Darn you!"

"Forget it, Zi Xuan, since Yan Long is willing to be called that old, let him be." at beside Feng Chen Yi feared because of these two people arguing, the good atmosphere going to be ruin with their fight...

Episode 383

Not dare to make any denial, and also cannot make any denial, but Yao Yao really didn't know that..... Li Mei Yun was being**.

If you are coming to look for me, I will stay; if you are coming to look for Feng Chen Yi, furthermore to persuade him not to marry me, I think, it still better for me to take my leave first, by this way you can speak comfortably with him, don't you think so?"

Li Ruo Ting really never thought, Luo Yao Yao reaction could be this calm, there is no even any explanation words.

Yao Yao coldly swaying away Li Ruo Ting's hand, faster she is walking out from the private room.

Outside the room, there are many sharp eyes looking at her, pointing at her, if it was the old hers perhaps she would run away, but now, she wants to make firm and steady steps to walk until the exit door.

Since the mistake that had done could not makeup, after all it could not be changed, so the best way is going to face it.

Either it is rumor or gossip that stained her, after experienced many things, finally she able to face everything so calmly!

Inside the private room.

Feng Chen Yi is looking at Hei Yan Long: "Please help me to take care of Yao Yao."

"En."

"Well, I also want to take my leave first.

" Ou Yang Zi Xuan saw Hei Yan Long, both of them are going out together from the private room.

Right after the private room door closed, immediately Li Ruo Ting's attitudes get softer: "Chen...."

But when she is opened her mouth, Feng Chen Yi stood up, raised his hand 'slap' he gave her one slap on her face.

"Chen Yi, you?" she used her hand to cover her cheek, her face is shown disbelief.

Feng Chen Yi is narrowed his cold eyes: "Now I don't want to hear anything regarding or about Yao Yao's past."

"But all those things are reality, the truth that would not be ever changed!!!! Chen Yi, due to your position today, marrying that kind of woman, it would give you trouble. Please don't marry her, okay? Don't marry her okay?"

"Mention your price!" Feng Chen Yi is taking out a piece of blank bank note from his suit's pocket.

Li Ruo Ting swayed the bank note which on his hand: "I don't need money! My Li's family is not lacking any money!"

"You sure? Since it is the case, Li Ruo Ting, since this day onwards, you better go further from me, go as further as you can, I don't want to see you anymore. If you still doing something that hurt Yao Yao, I will make sure all your Li's family got to pay it together with you!!!"

"Ha, hahahahahahaha. Chen Yi, you are really heartless man. But, I believe, even though I am not showing in front of you, there will be countless of women who will still showing up just right in front of you.

Someone alike this kind of you 'meat' man, green vegetable Luo Yao Yao won't be ever to satisfy you, although both of you are married, soon or later both of you will divorce too!!" after said, Li Ruo Ting with unhappily expression slammed the door and then left.

Leaving Feng Chen Yi alone inside the private room with his hand that curled into fist.

Indeed, he is a normal man, sometimes when he is facing with a temptation, it is hard for him to control it.

Two years ago, it was one of the best example.

And then, he never thought that, in order to make himself happy for while, he has pushed away the woman that he loves the most.

So that, this kind of thing only could happen one time on Feng Chen Yi's life, and there won't be the second time!!!.

Episode 384

Leaving the restaurant, Hei Yan Long is following Yao Yao along the way.

If saying that he is stalking her, but this stalking is so eye-catching, behind there's still long queue group of body guards, and still there is his expensive car that drive slowly.

But if say he is not stalking, but followed along this way, at same time doesn't call her.

At last it is still Yao Yao who could not control her emotion, the most important this kind of 'following', this group has been attracting many passers eyes, she does not want to be this embarrassed. "CEO Hei, you keep on following me this way also not a solution, do you have something to ask me?"

Hei Yan Long stopped his footstep, pair of his hands are inserted inside his pocket, that pair of eyes at sudden changed cold: "Just now what was Li Ruo Ting said inside the private room, was it right or not?"

This is his second times he heard other people said about Yao Yao and Li Mei Yun rotten matter.

If said the first time Shang Yun Yin was lying, then the second time did Li Ruo Ting really said lie too?

Even if it the same lie, still it is too much.

"It was true." Yao Yao gave such calm answer.

Hei Yan Long is creasing his forehead, dash alike an arrow: "Not another misunderstanding?"

"No."

Suddenly he made a fist: "It is because again and again Feng Chen Yi is believing you, so that we are supporting and also giving our bless to your marriage. If just now what Li Ruo Ting said was true, and Feng Chen Yi still wanted to marry you, then he is only a dummy!"

"Hah, you are Feng Chen Yi's friend, do you really think Feng Chen Yi because of woman could be this blind?"

Hei Yan Long also not believes that his best buddy could be such dummy because of love, but....

"Woman, just now the truth that you said before, and now what you have said, what do you mean of it?"

Actually she also does not know what she wanted to express, in short, she does not expect Feng Chen Yi's friend would feel that Feng Chen Yi as dummy that's all.

"Things were happened because of me, and it also had relation with me, from the beginning to the ending, it was still due to my prediction, but there was no way for me to change it."

After she said vaguely, Yao Yao is giving faint smile, turned her back and immediately disappeared from Hei Yan Long in front.

That's right, Li Mei Yun was losing her own baby but it was because of her, so that Li Mei Yun using this kind of plan to scheme her.

The kidnapping was happened because of her, basically she could bring Li Mei Yun safe and soundly along with her, but because Li Mei Yun did betray her and in order to protect her own self, so that she only could use that kind of plan.

Case by case, all was happened because of her, things happened because of her as lover.

The beginning until the ending, she had predicted before, wanted to change, but Li Mei Yun didn't give her any chance to do so, so that at the last it made such ending.

Perhaps this is the phrase which called, I don't kill someone, but someone got killed because of me.....

Episode 385

Although she does not want to announce earlier, but when the wedding day arrived everyone would also find out. At that time when Gong Xiaoman heard the news about Yao Yao and Feng Chenya are going to marry, she almost dropped down, believe that all the classmates must be also shocked at the appointment of their partner as they know.

"You, have you considered clearly? Although.... You and Feng Chenyi are indeed a match as a couple, more over his family background, he could not be any perfect as ideal husband. But.... But you just broke with Yui Aotian, and then you are going to marry him, could it be such a rush?"

"Huh, I do feel.... Perhaps both of us should not marry. But, this matter is Feng Chenyi by himself brought it up."

".

..... Faint, but if forget it, after all both of you did never have feeling for each other before for many years, I married perhaps something normal. I count carefully, these two have been together about 6 years, I think can be said their love story quite long. It's not only, in the middle there is Yui Aotian, it makes Gong Xiaoman still not going to over-think. "I tell you, your bridesmaid position must be given to me."

Haha, still a bridesmaid, she even does not want to have wedding party. Gong Xiaoman is outsider, so only to

see for the crowded, but Yaoi Yao is the insider, how could she do it if she doesn't know if this is a marriage or actually a transaction!

"Hey, you guys see, outside there are many reporters."

"That's true, what happened, after all so many reporters are coming?" inside the classroom, she surprised us as our classmate flowed inside.

Yaoi Yao and Gongu Xiaoman are together taking place from a corner to see through the glass window, there are really so many reporters who are coming over to the class.

"Fella student, may I know which one is Luo Yaoi Yao?" the reporters with rough breathing rushed into the entrance, asking around about Luo Yaoi Yao.

All the students are looking so curious while pointing at the first row position: "That girl who is sitting on the left is Luo Yaoi Yao."

"Thank you, fella student." when the reporters found out their target, they are suddenly bright, in order to win for the news headline, all of them are like bees that dash in front of Yaoi Yao.

One by one the questions are all like sharp knives, it was not easy for her to have a peaceful life in the school.

If last time, she didn't know how to do this kind of news, exposing herself as a lover, but this time she is so affirmed and absolutely know, all these things are done by Liao Ruoting!

She has made a promise to herself, of facing this kind of things, she would not do as last time! "Every reporter, I don't know about the anonymous email which you guys received, but I will take this matter to the legal course. Others, regarding the matter about me and Congress Yu, I could not say anything, all of you can directly go and ask Congress Yu."

Enough! She really had enough for all these things!

Didn't she only ever become Yao Aotian's lover, was that she really want to do? If not because of her MF life is so common as a no one, because of that 100 million something to herself, and could she even become Yao Aotian's lover?

Why all these reporters and those who want to own benefit from other, doing something like this?

"Miss Luo...."

Yao Yao's dimmer, raised her hand to stop the media to keep asking her:

"I have said, this matter I won't

comment anything! If the media still wanted to keep pursuing and asked, all of you also need to wait for my issuing letter!!!!"

Today reporters, in the reality if few of them are not lost, today Yao Yao's attitude and also she affirmed, tomorrow headline is going to be Yi Ao Tian's lover attitude is such arrogant and audacious.

Episode 386

"It does not matter, whatever they want to write just let them to write, mouths are theirs, I could not stop all." she is tired, she really is too tired. Regarding all these things, Yao Yao finally can experience the people who live under the limelight actually too exhausted.

"My beloved, do both of us just know each others or what? No matter what, how can I feel that you are not even knowing me, even for little bit now?" Feng Chen Yi is trying his best to use usual speaking tone.

She understands this man, after all both of them have known each other for such long time, how could she not understand him?

Once Feng Chen Yi has decided on something it hard to make him to change it, but.... "Now, my matter with Yu Ao Tian had exposed, no matter whether everyone believes or not, as long as you still marrying me, you would turn to be everyone laughing stock!"

Since the beginning, this marriage is a mistake, since the beginning she does not have any certainty regarding to this marriage;
