"Woman, I say this is not good, go and change to others, okay!!"

"....." Clothes are worn by her, whether it beautiful or not what's the matter with Hei Yan Long? If this brat is particular paying attention to his outfits, why must he also dragged her together alike him so noise about outfits!

"Miss, CEO Hei dislikes it, you better go and change into another." said the salesperson, hurried whispered on Yao Yao ears: "Miss, perhaps you just dating CEO Hei? His temperament is absolutely no good, please don't make him angry."

"....."

Hahahahaha, of course she knows very well if Hei Yan Long has very bad temperament, but the matter is..... she isn't his girlfriend okay?

Helplessly, Yao Yao has to force herself and then get into the changing room again to try others.

Keep changing the clothes. She simply to say wanted to fiercely smashed the mirror with the clothes that she keeps on trying, a domineering man like Feng Chen Yi not even dare to control her and even give her freedom to wear whatever she wanted, why this Hei Yan Long....

can.... be this domineering?

Hei Yan Long who is sitting on the sofa seems impatiently waiting for her, with his blacked face he raised, constantly he moving to the women changing room.

His deep black eyes eventually spotted on a small strapless dress. Quickly he takes it, and directly go to the changing room, turned up the curtain of the changing room: "Woman, wear.... this dress!"

Inside the changing room, Yao Yao just wearing a pair of under garment, and just by chance she is facing face to face with Hei Yan Long, she stupidly opened wide her mouth, and she is getting into blank-state, she even forget to cover her body.

The clock ticking away, one, two. Two people's eye are interlocked in the air. The next moment, Yao Yao finally gained herself: "Ah!!!!!" she screamed, hurried she used her hands to cover her chest area.

"What are you screaming for? Take the dress! Wear it!"

"....."

.." how will there be such kind of man in this world? A normal man whenever they see this kind of scenery, don't they immediately turned their head, or put down the curtain? How can Hei Yan Long looked a like Gay standing there as if nothing happened?

Yao Yao is dumbfounded taking the dress.

And then Hei Yan Long finally put down the curtain.

But the next moment suddenly....

His white smooth good looking face suddenly blushed pinkish. Intolerable frowned, he is letting out his long breathe, secretly murmured: "Really... damn it!"

Wearing the dress which given by Hei Yan Long, Yao Yao slowly walking out from the changing room.

Those few salespersons who see it..... "Woah, CEO Hei... indeed has great eyes!"

Hard not to say, the dress which chosen by Hei Yan Long worn by Yao Yao simply to say make her looks so lovely, shown her aura and elegant. Compare to them who are professional staffs in choosing clothes, Hei Yan Long is stronger few couple times.

"CEO Hei, this time can it? If you are keep on changing, we are going to be late on Blind Auction." Yao Yao is expressionless walking to Hei Yan Long in front.

Toward just now matter, she more or less stills cannot let it go. But she does not show any expression, she looks just...

..

Hei Yan Long lifts his head up, looking at her from head to toe: "Not too bad, let's go." raised, walking to outside.

Yao Yao silently keeps on following at his back. Waiting until two of them getting into the car. Hei Yan Long sniffed with his nose: "How could there still gasoline smell?" suddenly stretch out his hand.

Without waiting for her response, Hei Yan Long has pulled her into his embrace, smells her hair: "Hair indeed still smelly." Loosen his hand, he narrowed his eyes: "Woman, give a consider, how about cut your hair."

"....."

Yao Yao is shocked open wide her mouth, she really wanted to say something.... how can this Hei Yan Long such bossy and also picky? Because he does not like to smell the gasoline and then asked other to cut the hair?

Oh, My heaven, simply to say she really not daring to imaging, if there really a day whomever the blind girl going to fall with Hei Yan Long, what kind of end that girl going to have?.

## Episode 422

The huge auction venue, Hei Yan Long is taking Yao Yao and also his bodyguards quickly entered.

This kind of grand coming entered into everyone vision lines, not less of the business men that politely greeting him. "CEO Hei."

"CEO Hei...."

One of Hei Yan Long's hand is inserted into his pocket, while his eyes only focus on his own seat, that kind of atmosphere simple so similar with an ancient emperor, aloof and arrogant.

Yao Yao who is following beside him almost dumbstruck, even though someone alike Feng Chen Yi's characters who is domineering and also cold, Yu Ao Tian who is moody and unpredictable with such emperor aura, they are still know how to interact as social elites, but this Hei Yan Long simply to say aloof and arrogant not even bother himself to give fake smile to reply others, really can't help (give up because his character)!

When they are sit down on their seat. Not long from their place there's few voices.

"CEO Han."

"CEO Han, long time no see."

"Long time no see." As seen, Han Li Shang and Mo Xue Tong are exchanging greeting to few of their acquaintances before they sit down at the position of left side first row in the auction place.

Yao Yao glanced at Han Li Shang's back, her cunning eyes are rolled, at sudden her lips corner arch make strange smile.....

"The following competitive bidding will start. Please every business man's representative collect the bid proposal in front." Said the person who is responsible for the bidding at in front.

Hei Yan Long turned his head and looked at Yao Yao: "Let me ask you once again, is it really giving 13 billions?"

She understood Hei Yan Long meaning, from the high price he put at the beginning, she could see the important of this piece of land toward him. But....

"CEO Hei, your price is too high, it is impossible for us to compete with Berson Group!!" after said, Yao Yao is looking at the place where Han Li Shang and Mo Xue Tong sat.

"Do as you like.

" Hei Yan Long giving his bid proposal to his secretary.

And at same time, Han Li Shang also give the bid proposal to Mo Xue Tong.

All of the people has such fierce eyesight alike tigers toward this time of bidding after it collected.

The person who is responsible for the bidding spoke: "Please all the business men's CEO to wait about one hour, after one hour, we will announce the result."

"Geez, what sort of result, anyway it's just to keep off." inside the auction room, three, two people are sighed.

Basically there are few of CEOs who have left the place. Everyone is business people, it is not like no one not know about this trick?

Due to Yu Ao Tian's position today as the Politician, who will able to win over His Berson Group?

After one hour, initially there are twenty fives companies of CEO who came but some now it left not more than a dozen.

The person who is in charge for the bidding finally returned to the stage: "Twenty five companies bidding proposal we have seen it, the experts had made a check, this time who is closer to the land price is Berson Group. So that, the piece of land is going to Berson Group!" After said, the person who is in charge of the bidding hit the hammer in his hand.

Hei Yan Long let out cold breathe: "Let's go." when he wanted to stand up.

Faster Yao Yao pulled his arm: "Don't go!"

"En? Woman, do you still have way out?"

She twitched, slowly stand up, strangely said: "The real bidding is begin!!"

Her sharp eyes are looked at the stage.

As seen, Han Li Shang and Mo Xue Tong are slowly walking to the stage, when they are about to take over the land certificate from the person who in charge for the bidding, Yao Yao is coldly opened her mouth: "Why this piece of land must be given to Berson Group?"

This sound is followed with questioning tone, so that some businessmen who are going to left suddenly stopped their footstep.

Standing beside her is Hei Yan Long who is creasing his forehead, actually what this woman wanted to do?

"This Miss, I have explained very clearly, The bid price that given by Berson group is the most closest to the price of the land itself!" The person who is responsible of the bidding is sternly explained to Yao Yao.

"Oh yeah?" faster she walked heading to the stage, coldly asked: "Well, may I know how much the price that given by Berson Group?"

"Miss, this is the business secret. You must respect the bidding rules." The person who responsible to the bidding frown, his eyes are looking at HEi Yan Long: "CEO Hei, is she your's people?"

"That's right! She is my people!"

"Well, please troublesome CEO Hei to bring her to leave from here."

Due to Hei Yan Long's temperament, he won't have any question regarding this kind of bidding. But, he also hates the most when people tell him what to do (giving him order)!

Hei Yan Long is inserted one of his hands in his pocket, quickly he walking beside of Yao Yao: "I am sorry, whatever the question of Miss Luo, it is also my question.

"

"CEO Hei, it's okay if this Miss does not know the rules regarding Blind Auction, but impossible for you not to know the rules of Blind Auction, aren't you?"

Since it is what so-called of Blind Auction, it means no one know the whole process of the bidding!

The responsible party will not disclose how much the bid price from other companies, of course Hei Yan Long knows this rule, but stills a same word, he really hates other people using such tone when speaking with him. So that, this time he absolutely sides on Yao Yao and together they making this fuss.

But...

He really does not have any way to change the Blind Auction rules.

But....

Yao Yao has a way! "That's right, in [Business competition rules], indeed there's rule in which cannot disclosure other parties bidding price. But.... the world class advance lawyer indeed have this sort of access to investigate regarding Blind Auction!" After said, quickly Yao Yao taking out her Lawyer license from her pocket, arrogantly said: "Now! I want to know the bid price which given by Berson Group!!!!"

"That little girl is world class lawyer?" When Yao Yao took out her lawyer license, all the person who are below the stage dumbstruck. They never thought that Hei Yan Long is going to take such fierce role to the auction venue.

Don't even mention whether they know it or not, even Hei Yan Long by himself also does not know if Luo Yao Yao is world class lawyer, furthermore she is advance lawyer? He only knew that Yao Yao ever became Yu Ao Tian's representative lawyer, but he never thought her lawyer level is such high!

At this moment, the auction venue is turned to be so silent, everyone is focusing and looked at Yao Yao. There's reverence glow on their eyes, and at same time there's also jealous eyesight toward Hei Yan Long because he has someone like Yao Yao, no one knows.

But.....

This is also the reason why there are many business players compete to have world class lawyer to join their sides;

This is also the reason why the world's class lawyer community are trying to hide the world class lawyers.

Because this kind of high world class lawyer alike Yao Yao can enjoy so many, too many privilege, and also can have so many, so many powerful ways out.

If the government get them, it will get the way to navigate; if the business player get them, they will get green light; if the underworld people get them, they will be turned to be more ruthless. It can be said, the world of the advance world class lawyer can be saint or even the most dangerous group, it make good use it would benefit, if make bad used then they are becoming killing machine.

"Lawyer Luo, CEO Hei, CEO Han, please all of you come to my office room." Said the person who responsible for the auction, once he saw Yao Yao took her lawyer license, faster he changed the way he speaking.

Just afraid because of this matter it would give another big troublesome, he only can bring few of witness to come to his office room.

Episode 423

Sitting, Han Li Shang is coldly glared at Luo Yao Yao, and he even expressionless glanced at the person who in charge of the auction.

That person who is responsible for the auction helplessly taking out Berson Group bidding proposal, with difficulty he glanced at Han Li Shang and then slowly hand over the bidding proposal to Yao Yao's hand.

She is flipping the bidding proposal, carefully reading the contain. At the moment when she closed the proposal, she spoke sarcastic: "What is going on? It is obviously our Bao Lai Group also gave same bid price alike Berson Group which is 13 trillion, but why you are still giving this pieces of land to Berson Group?".

At beside when Hei Yan Long heard this words, his black eyes are wide open, no wonder this woman was so persistent to ask him changed the bid price to 13 billion, so in order to stay fair to Berson Group?

“That. Because the plan which given by Berson Group is more suitable for the development of this piece of land.” the person who is responsible for the auction stammered when explained.

Yao Yao is laughing mockingly: "This piece of land is located near to port.due to the theory of export trade, Bao Lai Group's plan is more suitable to do build 18th layers of commercial office building; while the plan that given by Berson Group is doing the construction for export import factory. Although both of these plans are suitable for the future development for this piece of land. But.... the commercial office building is far better compare to build factory, right?"

"Ugh... I think.... factory is more....".

When the person who is responsible for the auction wanted to help on behalf Berson Group, hurried Yao Yao cut off his words: "Don't say it because of Director Yu who as the person support Berson Group, and this piece of land is government's target, so that, you guys affirm to give this piece of land to Berson Group?"

"This.... this is absolutely impossible! Director Yu has so many things to do, impossible for him to meddle with this small case! Moreover, he is clean person, how could he do something like this! This must be the mistake done by the experts, must be!" the person who is responsible to the auction panicking giving his explanation, helplessly looked at Han Li Shang: "CEO Han, it seems that.... this piece of land is more suitable....

to Bao Lai's group.... plan."

Han Li Shang's face turned dim, coldly nodding his head: "I understood."

Standing beside Hei Yan Long's eyes are immediately gleaming brightly.

But, Yao Yao even whispered something on his ears: "You say, you don't want this piece of land."

"Hah?" Hei Yan Long not understand looked at her.

Yao Yao is smiling devilishly raised her eyebrow: "Say, It's okay."

Understood with the situation, Hei Yan Long coldly said: "Wait, this piece of land ours Bao Lai's group does not want it anymore!!"

"Ah?" after the person who is responsible for the auction heard it, shocked to dumbstruck, and then the next moment he hurried cast a glance to Han Li Shang: "CEO Han, then..."

"Ours Berson Group also does not want it anymore!" iced cold of glance cast fiercely to Yao Yao who standing beside. "We don't want later people will say our Chairman Yu is someone who used public offices for private gain!!!"

"CEO Han, I never said something like that, it just all of you done it too obviously, that's all." Yao Yao gave provoking smile, and the next moment, her expression changed: "CEO Han, are you sure yours Berson Group does not want this piece of land anymore?"

Han Li Shang keeps silent not saying anything, but his eyes are coldly looked at the other party.

Yao Yao is taking this opportunity, for once again she whispered on Hei Yan Long's ear: "You say, if this piece of land price 1 billion, ours Bao Lai's group will take it!"

Hah.....

This vicious woman!!! all of sudden, Hei Yan Long is completely aware actually what's Yao Yao purposed!

She was so persistent required him to change it to 13 Billion, it was only to have fair priced with Berson Group, and then made the government side in difficulties.

The today's, Berson Group in order to avoid rumor, so they didn't want this piece of land anymore. And then, there are many people who had known this piece of land had been taken. If at the end this piece of land hasn't taken ,people would gossip.

At this time, if their Bao Lai Group wanted to spend no matter how much sum of money, the government side would still sold it to them for keeping their face. "I want to buy it 1 Billion, do you willing to sell it or not, if not willing then forget it." After said, Hei Yan Long expressionless stood up.

That person who is responsible for the auction furrowed his brows, gritting his teeth and then gave his answer: "Alright! Sign the contract....!"

This in the course of contacts, Hei Yan Long got the piece of land nothing to say, but he even saved few of billions. Without doubt, this time savior is Yao Yao.

After signed the contract, Hei Yan Long is walking out from the office: "Woman, want do you want? House? Car?"

She smiles: "You can believe me, you really changed the bid proposal to 13 billions, I am really thanked you."

"Hah. I was looking at Feng Chen Yi's face then I listened to you. But now it seems, this is indeed the right decision to take." Said Hei Yan Long happily, he could not help himself not to recall back what Yao Yao said when she came to visit him.

It was obviously she said came to have experience, experienced, the result....

Hah, so this woman is really tiger which disguised herself in pig! No wonder she able to 'settle' Feng Chen Yi!!

"Luo Yao Yao!" suddenly, one iced-cold voice cut off their conversation.

Yao Yao and Hei Yan Long are at same time looked there.

As seen Han Li Shang and Mo Xue Tong are standing in the middle of corridor, coldly looked at them.

"Let's we wait and see!" one sentence that brought threatened feel, and then Han Li Shang dare to turn his head and then left.

Hei Yan Long slowly opened his mouth: "CEO Han, Can I know why are you threatening my goddess of wealth?"

Han Li Shang keeps silent saying nothing, that sort of iced eyesight which able to give chills feeling to other spine.

At beside Yao Yao afraid there would be misunderstanding between Hei Yan Long and Han Li Shang, hurried she drew Han Li Shang attention toward herself by said: "CEO Han.

" She quickly walked in front of Han Li Shang: "I am not by intention to make you as my enemy. But if Yu Ao Tian still does not want to take the biggest power of Berson Group, later in the future not to mention either Feng Group or Bao Lai Group who compete business with Berson Group, any other companies, as long as they wanted to accept my idea, I will come and join, to take all Berson Group's business!!!"

"Luo Yao Yao, if Yu Ao Tian really get involved, be careful.... you don't even have any chance to cry!" Said with hateful, Han Li Shang brought along Mo Xue Tong to leave the place....

"Hah, I say recently during this period of time as long as there are projects where Feng Group and Berson Group joined, Feng Group will always be won it over. So that, all were done by you?" listened to Yao Yao and Han Li Shang conversation, at least Hei Yan Long understood what was going on, that time he even thought that Feng Group perhaps dug type of strong group of people, but at last it was actually Yao Yao one person done it.

"Haha, nothing that exaggerating like that. The most important still the Elites from Feng Group who are awesome." Yao Yao modestly smiled: "CEO Hei, I must back to Feng Group, I take my leave first."

"Let me send you off."

"No need." Yao Yao waving her hands, jokingly she pointing her head: "Don't you afraid with the gasoline smells on my hair? I take my leave first."

"Hah, en." His eyes are looking at Yao Yao's back disappeared, Hei Yan Long is smiling while shaking his head: "Really such odd woman." he slowly taking out his mobile phone.....

Episode 424

"Is something happened to Yao Yao, Yan Long?" once the phone call accepted, it is Feng Chen Yi panicking voice.

Hei Yan Long helplessly pouted his mouth: "Your wife is absolutely well. See how nervous you are."

"So why are you calling me during this time? Don't you know that now is 1 AM in Turkey?"

"En? Don't this time is your time to 'go out time'? what's? your wife is not at your side, so you cannot go for whoring?"

At the other side of phone call once Feng Chen Yi heard the way Hei Yan Long questioned him, he could not help himself not to rolled his eyes: "Are you so boring? Or do you able to spy Yao Yao? Speak seriously!"

"Ahem, alright." Hei Yan Long is changing his speaking tone, coldly asked: "Your wife other than she is world class lawyer, is there any other skill she has?"

"Why are you asking me this question?"

"Today's Blind Auction. I thought that perhaps I had chanced to win over it, but who knew that suddenly your wife was coming and looking for me, asked me to bring her along. The rest not only won the bid, she even helped me to save few billions. From the way she talked about the things, impossible she only a simple world class lawyer, right?" since just now Hei Yan Long was so curious, Yao Yao not only understood, regarding the land and property matter but she also knew many things, logically as long as the internal business men who know and understand the things, she who is only 19 years old little girl impossible for her to know everything such clearly.

"Haha, this is so normal. She is not only understood about land and property but also many things, everything won't be hard for her."

"Oh?" then Hei Yan Long even more curious. "All around player? Is in this world really has someone like that? You don't tell me that her IQ is higher than normal."

"En. Her IQ indeed higher than normal. Indeed."

"Geez, really?" simply to say Hei Yan Long still not believing what his ears heard.

"Really!"

"....."

He only ever heard that there are few people who have IQ higher than normal, but never thought that little girl is one of them? Feng Chen Yi really married someone awesome!

Hah, the most ridiculous, first time when he met her, after all he even looked down at her?

But this was also normal, no one would think that sort of person who take very small role actually is genius little girl, right?

"There's a matter, Chen Yi.... how can your wife goes against Yu Ao Tian?"

"Huh..." Feng Chen Yi could hear such hesitate and helpless sighed from the other side of phone call, coldly said: "The person who killed her mother was.... Yu Ao Tian!"

"..... was Yu Ao Tian?" Hei Yan Long creased his forehead, that deep black eyes are flashed with unbelievable gleam: "If he could have done that, then if your wife stills go against him, would it...."

Even though, Feng Chen Yi didn't know the reason why Yu Ao Tian killed Yao Yao's mother, but there is one thing that he certainly affirmed! "Rest assured, Yu Ao Tian won't harm Yao Yao..."

That's right.... Yu Ao Tian absolutely won't harm Yao Yao!

Or else, impossible for him to do such thing when Yao Yao wanted to marry Feng Chen Yi...

"Xiao Luo.... Xiao Luo..." inside the I department office room, one of man who looked refine and wearing glasses calling Yao Yao.

She dumbfounded glanced at this man: "You?"

"I am yours colleague. Haha, alike us who has profession as technology professional nerd it easier being ignored by others."

Professional? Technology nerd?

She is not technology professional and nerd okay? For this short time she only focusing on her computer so that.....

Alright, no need to explain. Now she is the technology professional and a nerd! "What do you want?"

"Soon we are going off from work, outside the weather is not so good, would you like us to gather our money and then take taxi to go back together?"

"....." gather money? Take taxi to go back together?

Yao Yao is awkwardly swallowing her saliva, seeing around one by one of these people who are professional technology nerd and also wearing glasses. Is this what so-called as the tradition of I-Department?

At the normal situation there is no interaction, but when it comes to spending money, everyone is gathered funds?

.....

.....

.....

Really.

"I am... sorry, today, my... my husband is going to pick me up." Although this is a lie. Cold sweat.....

"Uh. So that you are married?" That glasses man seems as if found out a whole brand new world, tug his glasses: "How could you do it? People like us who are technology professional and also nerd, not to mention about marriage, even in order to find someone as couple it is quite hard."

For one more time, she isn't technology professional and nerd okay, hu..... "I, me and my husband are childhood sweat heart."

"No wonder! As I said. Well. I won't disturb you anymore." the glasses man politely turned his head and then left.

☒Knock knock knock' this time, Feng Chen Rui's assistant Aaro knocking the door of I department office room.

"Assistant Aaro what's matter?" The I department supervisor welcoming him with smile.

Aaro politely nodding his head: "Vice CEO Feng is looking for Luo Yao Yao from your I Department."

"En? I understood. Xiao Luo... Xiao Luo.... Vice CEO Feng is looking for you."

She has heard it, really did not know why Feng Chen Rui looking for her?

For this past half month he hasn't come to find fault (give troubles) with her, don't say because Feng Chen Yi is having business trip so he trying to give her trouble?

Yao Yao is followed Aaro left I Department office room. This is because facing with those computer nerd, if changed the place to Marketing Department or PR Department, perhaps the news of Vice CEO looking for her going to spread, and the entire office rooms would be blown up.

"Aaro, isn't Vice CEO office room at third floor? Why are we going to ground floor?" once entered the elevator, Yao Yao coldly asked.

"Second Young Madam, our Vice CEO is waiting you at the Ground floor parking lot." Aaro is Feng Chen Rui's confidant, naturally he knew Yao Yao and Feng Chen Yi relationship as wife and husband.

"I understand." Followed Aaro till the Ground parking lot.

Yao Yao can't think of what kind of tricks hidden on Feng Chen Rui,, but.... since everyone now is 'family', she believed that Feng Chen Rui would not dare to make any move toward her.

Not far, one Rolls-Royce sport car is parked in the parking lot. Yao Yao walked slowly and stopped at the back seat door, knocking the car window.

The black glass slowly pulling down, "Younger Sister in Law." Feng Chen Rui is smiling when greeting her.

"Big Brother, what's matter you looking for me?"

"Get in car!"

"Haha, Big Brother, later I will go home by taking public bus."

Feng Chen Rui narrowed his eyes, one of his hand is supported to glass window, slowly said: "But Father was giving me a mission to take you along to go home, you get inside the car or not it up to you!"

"Father in Law?" Did Father in Law ask Feng Chen Rui to take her along go home? What's matter happened? Yao Yao could feel something amiss going to happen, but seeing that face of Feng Chen Rui she really lazy to ask. So that she took a seat at the back seat.

"Second Young Madam." Xiao Zhang, the driver is politely greeting her before he started the engine and driving the car.

"Younger Sister in Law, recently within this half month you are really done many hard work for ours Feng Family."

Sitting on the opposite seat Feng Chen Rui slowly opened his mouth. Yao Yao is coldly swept him a glance, turned her head and then keeps on looking outside through the window.

"You say, you keep on taking Berson's group business, if your old lover knew it, would he anger to death because by you? But speak frankly, today there are not many business men who dare to offend Yu Ao Tian, perhaps only you are the one. Huh.... Aaro, still better to be woman. Don't you think so?" Feng Chen Rui knew that Yao Yao would ignore him, so he turned his head and talking with his assistant.

Aaro is giving such provoking smile, and even busy himself to nod his head: "That's right, woman is always good in settle matter, only by undressed everything is settled."

"Hah, Aaro, you don't speak things too clear. At least, Yao Yao is still my Younger Sister in Law. But, this few days I have argued with my fierce wife."

"Big Young Madam?"

"En."

"What is the reason, Vice CEO Feng."

"Huh, it is because that brat Feng Chen Yi is married such clever wife. Just looked at my fierce wife, other than her background is good, she does not have any capability." Said Feng Chen Rui, intentionally cast his glance to Yao Yao who sits oppositely, not long after that, he changed the topic: "But.... now I feel my wife is still better!"

"Of course. Big Young Madam and Madam Feng are having good background and also coming from Ya Si Lan Guo (Aslan Country) who are also still relative to the royalty, since young age already taught with strict teaching, virtuous, how could there any other who can compare to Big Young Madam's background and also more refined than her?" Aaro is saying this thing intended to let Yao Yao to hear it.

But, it was true that Feng Chen Rui's wife indeed has first class background. Madam Feng in order to stronger Feng Chen Rui position in Feng family she was especially back to hers country to find a wife for his son.

As said that, Lan Ling is Ya Si Lan Guo (Aslan Country) queen's niece, her position is not less than Madam Feng, she is also counted as the royalty.

"Haha, not to mention Lan Ling's background, the most important is she understanding what called as wife duties\*. If I was alike my younger brother who married such lowly\*\*wife, I don't even know where my face should be hung at!!"

Episode 425

The way of Feng Chen Rui said people is more rude.

If he didn't mention about Feng Chen Yi, perhaps Yao Yao would take his words not more than farts, but since this brat is mocking Feng Chen Yi from pee worse to shit this simply something could not be endured anymore!.

"Big Brother, you don't so confidence. How can you know if Big Sister in law would not be derailed? It isn't like you are staying beside her everyday." Yao Yao who keeps on silent by this time finally opened her mouth..

Feng Chen Rui is smiling, confidently said: "Ha, ridiculous! Lan Ling everyday is staying at home, never once leave home, how would there any chance to derailed?"

Once Yao Yao heard this, she is pretending to be dummy by blinking her eyes: "Doesn't inside a house also have many male servants?".

☹Geez!' at beside after Aaro heard this word he almost laughed it out.

This even makes Feng Chen Rui's face turned to be green (super pale), he hatred gritting his teeth: "Really such smooth talker little girl. Later when arrived at home there will be time for you to cry!!!"

What does he mean?

Seeing Feng Chen Rui expression fierce mixed with hatred, Yao Yao could feel more restless, without any reason why suddenly her Father in Law was asking Feng Chen Rui to bring her along to home? Feng Chen Rui even said that there will be a time for her to cry?

At home..... actually what is going on?

Arrived at Feng Mansion, Aaro left.

Feng Chen Rui and Yao Yao are walking one at in front and one at the back heading to inner villa.

"Big Young Master, Second Young Madam." there are few maids who welcoming and greeting them in front of the entrance.

Feng Chen Rui is expressionless pulling his suit and faster walking to the inner big hall, once entered, he well-behaved bowing respectively to Feng Xiao: "Father, Mother."

Followed at his back Yao Yao also bow down with respect: "Father in Law, Mother in Law."

"Chen Rui, sit down."

"Yes. Father." Feng Chen Rui is sitting beside Lan Ling his wife.

While Yao Yao is still standing at her place, she lifts up her head, looking at Feng Xiao stern facial expression, and just now when she heard his speaking tone.....

Father in Law was asking Feng Chen Rui to sit down, but why wasn't he ask her to sit down too?

Would this mean.....

Yao Yao seems alike little kid who is doing wrong and then being punished to stand up in the inner big hall. While the others are sitting on the sofa and having tea, sometimes they glancing at her.

Time, one minutes, two minutes passed. Until some minutes, finally Feng Xiao is looking at Yao Yao:

"Three days ago, where were you going?"

Three days ago?.

It's seemed the night when Feng Chen Yi told her that he would go to Turkey for business trip? "Father in Law, I was having dinner with Chen Yi at outside."

"This I knew it, you don't have to tell me. I am asking you, other than you went together with Chen Yi, had you been with other people?".

Other than with Chen Yi together?.

It seemed that after they had their dinner they straightly went home? "Not with anyone, Father in Law."

"No one? Well!" Feng Xiao is coldly narrowed his eyes, lift up the newspaper in his hand and then tossed it to the table: "You see it, what is this?" after said..

..

Lan Ling who is watching television just now suddenly turned off the television, grinning and then exchanging her glances with Feng Chen Rui, there's kind of expression waiting to see good show.

Yao Yao is walking slowly heading to the table and then pick up the newspaper....

Didn't this!.

She recalled it, that day when she was having dinner Feng Chen Yi was attacking by few people, she was rushing to the next door private room and then she met Yu Ao Tian, and the result....

Seeing on newspaper, it's picture where Yu Ao Tian was hugging onto her. Yao Yao can't help herself not to let out cold breathe, it seems.... this matter still being exposed by the media!

"Father in Law, why are you asking me to look at this?" act to her utmost, even though Yao Yao is so restless inside her heart, but still she is pretending to be tough and calm in front of Feng Xiao.

"You still dare to say, the woman who was in Yu Ao Tian's embrace wasn't you?" that picture, even though it only photo the woman's back. But that black long hair until waist, and also her petite body posture, anyone who sees it might think her as Yao Yao.

"This absolutely not me, Father in Law!"

At this time, Lan Ni Pei who is silent for this time suddenly opened her mouth: "Aiya, Daughter in Law, I know when something like this happened no one would admit it. If there is misunderstood, you can say it, I believe Old Master will understanding you."

Lan Ni Pei is extremely poisonous!.

Simply to say invisibly killing others!.

Using such gentle and nice speaking tone, actually she is hinting her to admit the person in the newspaper actually is her, luring her to admit!

Really.... such poisonous!.

Passing this half month of interaction, Yao Yao is so certain that Lan Ni Pei is type of person who belongs to 'cotton with needles'. if not because on the wedding night Feng Chen Yi didn't tell her about that matter, so certain she must be tricked to death by Lan Ni Pei!

Since Lan Ni Pei loves to pretend as good person, well let her accompany her to play.

"Mother in Law.... that person really wasn't me! That night I was accompanying beside Feng Chen Yi for the entire time, we were not separated, how could I meet Yu Ao Tian?" she is pretending to act weakling and pity.

Old Master is fiercely furrowed his brows: "Alright! Now let me make a phone call to Chen Yi to confirm."

No.....

Cannot..

Yao Yao believes, even though Father in Law makes a phone call to Feng Chen Yi, Chen Yi will still help her. But.... he will immediately able to make a guess, the person who was in newspaper must be really her!.

Really does not want to see Feng Chen Yi's mood get affected because of Yu Ao Tian. Does not want to see Feng Chen Yi becomes not happy because of Yu Ao Tian! "Father in Law, now in Turkey it is midnight, are you really still wanted to call Chen Yi?"

Feng Xiao always love his son, once he heard Yao Yao's words, he immediately forget to do so: "Well. I won't make any phone call to Chen Yi. But now you must give me an explanation regarding this matter!!"

"Daughter in Law, you don't make the Old Master gets angry. Old Master is someone who already aged, he has enough worried regarding you twos matter. Would it be better if you trying to explain about this matter?" Lan Ni Pei is still trying to make her move forcing Yao Yao to admit.

While at Feng Xiao side he is trying to use rough move.

Yao Yao can feel her head is going to be exploded soon: "Mother in Law, let me say for once again, that person in the picture wasn't me!!" Perhaps she is little bit panic, so her speaking tone is little bit high.

Taking it as opportunity, Lan Ling who at beside 'rebuke' standing for moment, raised her hand 'slap' she is giving Yao Yao fierce slap on her cheek: "Who is allowing you to speak that way to Mother in Law?"

Suddenly Yao Yao felt blur in her vision because of that slap.

This Lan Ling just alike how Feng Chen Rui described before, she is fierce tiger. This half month, as long Feng Ni Pei was trying to make things harder for Yao Yao, Lan Ling would be stayed beside constantly adding oil in the fire.

"I am sorry Mother in Law, I, I don't have intention to offend." she understood her disadvantage position, Yao Yao only can take this lost silently, her hand covered her cheek, feeling difficulties she lower her head..

"Really such shameless, simply to say you are dishonor Feng's family!" Lan Ling aggressively keeps on scolding..

Feng Chen Rui also joined, raised his brow and smile: "That's right, Younger Sister in Law. You are really too shameless. After all you dared to do such thing."

"Daughter in law, you say that Chen Yi is so loving you, how could you do this such shameless thing toward him?".

This time Yao Yao still hasn't admitted anything, but these three mother-Son-and his wife are trying to put a blame toward her. Even though she has one clean mouth she would not win over theirs. So she keeps silent..

"Since this day onward, you must stay at home, you are not allowed to go anywhere!!" at this time, Feng Xiao finally made his decision..

Cannot go out?.

That can't do! She still wanted to revenge behalf of her mother! "Father in Law, the person in that picture really wasn't me!".

"I don't care whether the person was you or not! You are not allowed to get out from Feng's house, or else you get lost from Feng's house!!!"

Covered her cheek with her hand, her pair of eyes is helplessly looking right and left.

Lan Ni Pei is showing her bitchy smiles, Feng Chen Rui is showing his cunning smiles, Lan Ling is showing her provoking smiles.... one by one their disgusting facial expression are entered her eyes, strangely she felt her head slightly dizzy.

At the past, was Feng Chen Yi really growing up in this kind of environment?

Being bullied by his stepmother, being bullied and oppressed by Brother who older ten years by him and being abused by this sister in law?.

His life must be like this, or else why Feng Chen Yi could move out from this house, and how could he even studied to Japan?.

When a baby who never breast-feeding to be able walking, learn to speak, he must, he must had so many, so many difficulties..

Episode 426

His such cold and chilling pair of eyes, why there was no warmness at the first sight?

Is that his nature? Or is it.... he never felt any warmness from this home?

Tears falling down, streaming down slowly wet her cheeks, Yao Yao turned her head, she would not come back and rushing out from Feng's mansion....

Sky, it has gradually turned dark. When the dim moonlight and the snowflakes falling down to her body it's give cold and chilly pierce feeling.

In front of her eyes, it seems as if an illusions, there's little boy at tenth something standing in the middle of snowing helpless and crying.

Although, he has much money to spend, has such excellent family background, but sadly could not makeup his empty heart, could not to find out someone who really love him and someone who able to give him a warmness.

Chen Yi, since the day I gotten know of you, I used to scold you by having such paralysis expression; I used to speak sarcasm way talking about so-what if you are having wealthy family.

If I wasn't your wife; if I wasn't coming to Feng's house, perhaps in my life time I would been ever experienced the bitterness that you ever felt before.

Why you never told me about this, about your past? Why never told me, that you were such hurt and bitter before?.

At this moment, the tears that streaming down wet Yao Yao's cheeks not for herself, but.... it's because of Feng Chen Yi..

This still her first time to feel the bitterness of being jointly-attacked, but how about Feng Chen Yi? Someone who perhaps growing up in this kind of environment?

Painful, speak it for itself!.

Such a family, it's not even worth to mention.

Whatsoever, she will be his the only family member; while he will be hers only family member!!!

Coming back to that 40 meter square little house, strangely Yao Yao can feel a satisfaction feeling.

So what if that Feng's mansion is big? Human feeling is as thin as ice house; so what with small house? It stills create many marvelous things.

Perhaps, if later in the future she lives in here with Feng Chen Yi might not a bad idea.

Will he get used with it?.

Not right, he stills has that small apartment, if he is not getting used with here, perhaps later they still can back to live at that small apartment.

Since the wedding day until today, Yao Yao has never dreamed her future living with Feng Chen Yi,, but this moment, in her head gradually there seems to have expected the future scenery, her mouth is curved upward and hung up happiness smiles.

Perhaps, it was because Feng Chen Yi's past that never known before, shook her up.

....

☒Knock knock knock' (knocking door sound)

Suddenly there's sound door being knocked, Yao Yao who is still daydreaming about her future naturally creased her forehead: "Who would be?" She just came back to home, how could there's someone pay a visit?.

Are Feng's family, their men coming here?

Stand up, at the moment when she opened her house door, Yao Yao's eyes are caught someone figure which makes her eyes glared big.

When she wanted to shut the door, but it was firmly stopped by a big hand. "Bao Bei, is this your way to welcome your guest?".

The familiar devil voice heard by her ears, tensed she looked at Yu Ao Tian who is standing right in front of her door, he is wearing a black coat match with a white turtleneck cloth which makes him looked so mature and charming. But toward Yao Yao, his coming is alike the death God who is quietly patronize.

"You, why are you coming here?".

"Just by coincidence I am passing by your house, I saw your light is on. Immediately I get in. Never thought, you are really at home.".

For this half month she has not back to her house, today is her first day coming back here and even met Yu Ao Tian, she really does not know what kind of deed she made so that she got this "Dog shit Luck"!

"Here, here, is not, is not welcoming you! You go!!!!" Yao Yao is using her utmost strength to shut her door close..

But her strength could not suppress man's strength?

Yu Ao Tian is only using one of his hand to block the door, she has completely not had way out. "Bao Bei, don't you invite me to have seat inside your house?"

"Chen, Chen Yi is here. I don't, I don't want he see you!! you go!!!!"

"En?" Yu Ao Tian bottomless pair of eyes flashed, his corner of mouth moves cannot help showing his devil smile: "Apparently, I have been quite long not seeing Chen Yi, greeting him for while also not bad." After said, he used little strength.

Yao Yao who is blocked the door being pulled inside, while Yu Ao Tian is taking big stride get into the inner room, followed by shut the door.

"Yu, Yu Ao Tian, you are trespassing!!!!" Yao Yao is alike seeing demon personifying pestilence and then backwards in small steps.

Yu Ao Tian not only took of his outer coat, but vain manner of walking and then sat on the sofa: "Where is Chen Yi?"

Nervous eyes are keeps on looking right and left, she is gulping her saliva, faster she pointed at bathroom: "He, he is in bathroom."

"Huh." Yu Ao Tian cannot help himself not to laugh, his body is reclining on the sofa, his slender fingers natural and elegantly touching his forehead hair: "Bao Bei, you are really worst at lying. Why are you alone staying at your house? Impossible you are chasing out by the Feng's family, aren't you?"

Just expected there is nothing can be hide from Yu Ao Tian! She furrowed her brows, fiercely gritting hard her teeth: "It's not! Chen Yi won't chase me out!!! he is going to Turkey for business trip!!"

"Oh....? so Chen Yi is having business trip!"

Darn it!.

Looking at Yu Ao Tian's eyes which filled with a strange gloss, she cannot help herself not to tremble. How could she burst out the matter regarding Chen Yi having a business trip?

"Bao Bei, it seems the member of Feng Family then who chased you out? Aiya, you just not long ago entered their home, they, the Fengs are such bullied you?"

Hit the point!.

Yu Ao Tian observance skill indeed such strong. "This who to blame? If last time when having dinner, you were not act like that, impossible for the media to take ours picture!"

"Even your face isn't seen, how could Feng Family such affirm it was you?"

En?.

It seemed that Yu Ao Tian had seen the newspaper? Could it be after he seen the newspaper so that he made the guess that she would be chased out by Feng family?

This is really ashamed. She is so frustrated, that news obviously only caught her back, how could Feng

Family so affirmed if it was her..

Even though, that person in picture is her!

"Come." Yu Ao Tian is smiling sinister while his finger is moving gesturing her to come, that bottomless pair of eyes surging impenetrable gloss.

Yao Yao is secretly taking long breathe: "You, what do you want?" constantly she is stepping backward.

As seen, he is moving as quick as an arrow, grabbed her arm.

"Let me off!" Yao Yao is surprised and frightened to the point didn't know what to do.

But Yu Ao Tian is staring at her small face, there is no other movement. But, the five fingers imprinted in her cheek really irritated for his pair of his bottomless eyes.

Turned, he sitting back to sofa..

Yao Yao can feel little bit relief, and then without she realized she touched her own cheek, he... has he seen it?.

"Bao Bei, the wealthy people life style really not suit you, still better to consider, consider to hurry up divorce with Feng Chen Yi." Said Yu Ao Tian, his corner of lips slowly curved upward and make devilish smiles..

She is trying to gain herself, raging in fume and creased her forehead: "That's my matter, there is none of your business! Moreover, the marriage is mine with Feng Chen Yi, both of us. As long as I love him, he loves me then it is more than enough! I won't divorce with Feng Chen Yi!!"

"Love?" the smile that hung on Yu Ao Tian's face gradually disappeared, and it even replaced with his dim and cold expression...

Episode 427

"That's right! I have liked him since I was 13 years old. It is not easy for us to stay together, why must we divorce?" Yao Yao angrily spoke, her finger is pointing at the door way: "Yu Ao Tian, now I please you to get out!!!".

"Since thirteen years old liked him? Always.... until now?"

The speaking tone neither slow nor hurry but it's almost alike bomb, suddenly in front of Yao Yao's eyes.

She's just because wanted to go against to Yu Ao Tian, so she said that words, but she just ignored.....

She and Yu Ao Tian also had spent sometime together and this is also a reality!!!

Staring at the man bottomless pair of eyes which filled with luster, as sharp as an eagle eyes.

She really does not know how to answer this question, it's only nervous and also rough breathing, and following by her body which getting closer to wall, slowly by slowly heading to the door way. Her six sense told her, this man.... extremely angry!

"What do you want to do? Yu Ao Tian!!!" her body is tossed on bed, Yao Yao is scared and glared with her big eyes..

The man without any expression shut closed the bedroom door, said: "Bao bei, after thinking carefully, that three days I was bit rough toward you, now I am going to make up to you." as fast as an arrow, his big hand suddenly tearing her clothes.

"Don't.... don't!" A strong sense of unease, she is trying to do her final struggling. Her clothes that she wore easily being torn by the man, she is thinking to cover her body, but her hands were firmly being fixed by the man..

"Sst. Bao Bei, now you, only need to enjoy, okay." lower his head, his sexy lips are brushing to her sensitive part of her neck and goes down.

"Humph? Bao Bei, your body is trembling badly. Are you afraid? What you afraid of? It's afraid, your such sensitive body going to be reacted and hot because of my teasing and it will make you ashamed and being humiliated?".

Her body is devastated by the man, even she could feel her ears are corrupted by the man.

She is biting hard her lips, trying herself not to hear anything what he said, at this moment she even wanted to escape immediately from this situation.

That soft lips are moving to her lower abdomen, his tongue is teasing by circling.

"Uh ah...." her mouth let out a moaning sound with could not be controlled by herself, she is restless keeps on moving, and also close tight her pair of legs.

But it stills being opened by that man..

"Don't... stop it!" at the moment.... when it touched by the man, Yao Yao unconsciously bend her body, the eyes slowly shed tears..

"Bao Bei, who is knowing your body better, me or Feng Chen Yi? Does he know where's your sensitive parts? Ckckck.... it is obviously just now still dry, but this fast it has already given a response." his finger is getting inside.....

She is fiercely biting her lips, don't, she does not want to hear Feng Chen Yi's name, at this moment she does not want to hear Feng Chen Yi's name. "Yu Ao Tian! Simply to say you are a beast!!!"

The finger that inserted into Yao Yao is moving at faster pace, he slowly taking it out, playfully he moving in front of her eyes: "Does it being humiliated by the Beast still given a response?"

The crystal bright thing on his finger is like an invisible bayonet, she clearly understand that her heart is absolutely refused. But her body even.

The pieces of memories coming back flashing in her eyes, she is climbing down from the bed and moving her body: "Yu Ao Tian, you stop it! Now I am Feng Chen Yi's wife! You cannot do this to me!!!"

Indescribable panic and also hesitation in her heart. She only knows that, if this time Yu Ao Tian really got what he wanted, no matter how gorgeous and splendid the future going to be, she would never let

go herself, she also would not be able to let go her guilty toward Feng Chen Yi. But this word which said by Yao Yao without she realizing has burned this man.

At this moment, Yu Ao Tian does not want to hear the reality she is Feng Chen Yi's wife, at least not from her mouth..

He repeatedly gets off his hand, but he didn't stop this kind of marriage.

This thought, stopped at here, but at the moment when his eyes spotted at her, he could not calm himself anymore, he could not restrain and endure the longing in his heart, could not help himself out in order to have her only for him..

Alike...

...

That time when they were at Japanese restaurant.

At the moment when he saw the news that exposed in the newspaper, Yu Ao Tian mysteriously rushed to Yao Yao's house downstairs. When seeing light in her home, he has made his guessing that Feng family might be chased out Yao Yao..

This, perhaps the things that he has been yearning to long time.

But, when he saw her alone staying at this house, moreover when he saw the hand print that quite visible on her face, he felt little bit guilty because he didn't ask Han Li Shang to stop the news being published.

'I have liked him since I was 13 years old. It is not easy for us to stay together, why must we divorce?'

But, that words which said by Yao Yao was extremely made him raging in fume, lit the fire that has been in Yu Ao Tian! That moment, his heart as if being stabbed, and only thought, making her crying, and destroyed this marriage completely!!!!

Episode 428

"Stop the car." inside the sport car, followed by after Hei Yan Long spoke, the car is slowly stopped at the road side..

"CEO Hei, what's matter?" The body guard inside the car curiously asked.

Hei Yan Long is gazing at the figure on the opposite street: "That person..... isn't he, Yu Ao Tian?"

When the body guard is followed Hei Yan Long's gazed at the other side, Yu Ao Tian has already gotten inside the car which had parked there before and directly left. "It's government license plate, it should be Yu Ao Tian's."

"How could he show up in here?" Hei Yan Long creased his forehead, his eyes are looking at the small district area in the street. "Faster start the engine!"

"Yes. CEO Hei." The car is moving, U-turn, straightly entering the road heading to the small district.

This place apparently to be Yao Yao's mother living place before.

Today Hei Yan Long went to Feng Group, but Feng Chen Rui said that last night she had left house.

Thinking, this woman might nowhere to go so she should be went to her mother's house. Hence, he hurried come here. Who knows, outside the small district entrance he saw Yu Ao Tian!

SSt.....

"Also not locking the door, this woman indeed such careless." pushed open the door, with wide big stride entered. Inside the living room so quiet. "Younger Sister in Law? Are you at home? Younger Sister in Law." probing with calling twice, Hei Yan Long's eyesight shifted to the tight close inner room.

Is she still sleeping? "Younger Sister in Law."

☒Knock knock knock' (knocking sound).

"I am entering?" Hei Yan Long impatiently frowning, and then he pushed open the inner room door.

But when he seeing the view in front of him, at the sudden he is dumbstruck, his black pupil is wide open.

The clothes are messy on the floor, while the woman who lying on the bed is\*\*, moreover she is bleeding.

"Hey!! Luo Yao Yao!!! Luo Yao Yao!!!" the big crystal clear sweat dripping from forehead, Hei Yan Long hurried taking a blanket to cover her body, and then take out his mobile phone: "Faster called Doctor Zhang to come here!!!"

Doctor Zhang is lowering his head: " Hei, CEO Hei, ours.... ours black family's blood saving only prepare the blood for you, while this Miss has special blood type, afraid even ours Medical Blood Bank saving also does not have hers."

"So according to you, is it helpless?" Hei Yan Long narrowed his eyes.

This doctor also knows that he has bad temperament, hurried he shaking his head: "Just now I have asked nurse to make a check, the blood type that suitable with this Miss for transfusion, perhaps there's some in Feng family's blood saving."

Every wealthy family, in order to avoid difficulty regarding no blood stock for transfusion, so that they prepared everything in their own blood saving. That blood are those every year they pump their or taking from somewhere.

Hei Yan Long is creasing his forehead, was it when Yao Yao married into Feng's household, The Feng's has prepared her blood in their blood saving?

"Not early said! I will make a phone call to uncle! Oh yeah, What type of blood that Yao Yao need?"

"O type, special blood. You say like that to the Old Master Feng, he supposed to know it."

"En." Hei Yan Long hurried to make phone call to Feng Xiao, his cold good looking face immediately hung such elegant smile: "Uncle, it's me, Yan Long."

"What's matter, Yan Long?".

"Like this. I.

... have very good friend, just now having car incident. But her blood type is bit special, after being checked, it seems her blood types similar with the blood that keep by yours family."

"Oh? Does your friend is someone come from Ya Si Lan's country?"

After listened to Feng Xiao, Hei Yan Long is dumbfounded, Ya Si Lan (Aslan country)? Aren't Feng Chen Yi's stepmother and his sister in law Ya Si Lan's people?

Why when he said wanted to borrow blood, suddenly Uncle Feng said something like this?

Hei Yan Long pair of black eyes rolled, smiled when spoke: "Uncle, how can you know my friend is someone who coming from Ya Si Lan (Aslan country)?"

"Hahaha, as you know your auntie and also Chen Yi's big sister in law are Ya Si Lan's people, perhaps only my family which only have this special blood type in whole nation. You are suddenly looking for me to borrow blood, perhaps you wanted to borrow O types special blood, aren't you?"

What is going on?.

Does this special O types blood is belong only to the Ya Si Lan's people?

Strangely, as if Hei Yan Long found out sort of secret, little bit mess. That pair of black eyes are turned and glanced at the inner room..

This Luo Yao Yao, how can she has same blood type with Feng Chen Yi's stepmother and also Feng Chen Yi's big sister in law!.

Even though Hei Yan Long has incomparable curiosity, but now the most important is saving Yao Yao first, so that he only can suppress his curiosity, asked his men to go to Feng's Mansion to bring the blood that Yao Yao needed..

Time, slowly, slowly by slowly passed..

Hei Yan Long slowly walking inside the inner room, seeing her pale face, could not help not to crease his forehead..

"CEO Hei, you haven't eaten anything for a day, let this subordinate buy something for you."

"No need, all of you go out." Hei Yan Long moving his hand, all the bodyguards who are standing inside the living room are getting out from Yao Yao's house.

Just at this time, suddenly Yao Yao's mobile phone is ringing.

Hei Yan Long hurried take the mobile phone, glance at the mobile phone screen, he hurried accept it....

"What are you doing?" on mobile phone, it is familiar sound.

Hei Yan Long is in difficulty gazing at Yao Yao, forcing himself to give a smile, and then trying to use such relax speaking tone to answer: "You guess what I am doing now?"

"Yan Long? How can you.... where's Yao Yao?"

"I am such boring so that I looked for her to have meal together, she just now went to washroom.

Later I will ask her to phone you back."

"En..".

"Oh yeah, Chen Yi." Hei Yan Long pair of black eyes flashed, slowly said: "When will you back from your business trip in Turkey?".

"There's still few days, what's matter?"

Still a few days.....

Pair of black eyes are staring at Yao Yao's wrist which being wrapped by gauze. Hurried he let out a smile: "Nothing, I just asking randomly. When you back we must together have a meal."

"En. I hang up."

"En." hurried Hei Yan Long hung up the phone call, and then let out long sighed.

If at the beginning he really didn't understand the reason why Yao Yao wanted to suicide, and then when he accepted Feng Chen Yi phone called that moment, he could consider somewhat understand it.

Even he could feel in difficulty when facing Feng Chen Yi, moreover the person is .... Yao Yao?

"CEO Hei....?".

At sudden, a weak sound flows to dumbfounded Hei Yan Long's ears, his body as if get sudden shocked, with little bit anger he looked at Yao Yao: "Suddenly let out a voice, you want to scare me to death, woman?" she has been unconscious for whole afternoon, not she is conscious, he could rest assured little bit..

Episode 429

She slowly closed her eyes, that's right, if she left by this way, how about Chen Yi?

Keeps on torturing by Yu Ao Tian, entangled, she always shows how care she is, and how about Chen Yi will he be more concerned?

☎Ring ring ring...'

Suddenly the phone is ringing. Yao Yao heave a sighed, suddenly open her eyes.

Hei Yan Long glanced at the mobile phone screen, his face dim, forcing to give smiling face, said: "It is Chen Yi, Let me help you to accept the call." after said, he didn't give Yao Yao chance to speak, taking the mobile phone and then walking out from the inner room.

At the time he has ensured the door closed tightly, Hei Yan Long could clearly see it is Yu Ao Tian's name in the phone screen, his half body is leaning on sofa, slowly accept the phone call....

"Bao Bei, what are you doing?"

Listen to the sweet filled with love speaking tone, he curved upward his mouth, today the most fertile two of businessmen which are most fierce and powerful person, when facing with the woman they

loved the most, they able to let out such gentle and also such loving care speaking tone. "Director Yu, isn't it not good to address other person's wife this way?"

"Chen Yi?"

"I am not Chen Yi, I am Hei Yan Long."

"En? CEO Hei. Where's Yao Yao?" suddenly the speaking tone from the mobile phone turned to be cold.

Hei Yan Long folded his pair of hand in front of his chest, slowly said: "Just now have saved her from Hell Gate. Now she is lying in bed recuperate, Director Yu would you want to come 'get up steam', or else afraid in the future you won't be able to see her anymore!!!!"

'Tutututttt'

Suddenly the mobile phone being hung up, pair of Hei Yan Long black eyes flashed: "Hah, really someone hard to deal, not even willing to speak more words, simply to say really similar and one species with Feng Chen Yi!" raised, he came back to the inner room.

Yao Yao hurried to look at him: "What did Chen Yi say?"

"Nothing, he just asking about you came back from office."

"Did he suspicious on something?"

"Nothing." Hei Yan Long showed such natural, it made Yao Yao not even could guess actually who was phoned before.

"Then...." an empty eyes subconsciously gazing at the thick gauze which wrapped her wrist: "Even though able to lie to Chen Yi, wait until he come back, seeing this kind of wound he would find out what was going on before?"

"Didn't you chase out by the Feng's family? He is such hate his stepmother, when the time arrived just put all the account onto his stepmother."

Her expression stiffen, suddenly she can feel that....

this Hei Yan Long really.... despicable! "although his stepmother isn't what good thing, we also could not do something like this, right?"

"You are indeed foolish girl. In the business world we can call this as win over on two sides! Anyway we also could not let Chen Yi to know about this matter, furthermore Chen Yi hates his stepmother so much. Also you were chased out by his stepmother, so this is the simplest and yet most fit reason."

Hahaha... it seems to be.

Forget it, when time arrived just think one step and move one step.

"Oh ya, foolish girl, is your mother or your father Ya Si Lan's people?"

Seeing the curious expression on Hei Yan Long's face, she shook her head: "No ah. Both of them are Chinese."

"Hah? Then it little bit weird...." if neither Yao Yao's mother nor Yao Yao's father is Ya Si Lan's people, could it be she not her father and mother biological daughter, could she mistaken her own bloodline.

"What's matter? CEO Hei, why you ask me?"

"Oh, like this, because...."

'ring ring ring....' at the moment when Hei Yan Long wanted to open his mouth, his mobile phone is ringing.

"Hello?"

Episode 430

Early morning, a piercing sunlight radiating into the small inner room, a cute little girl is blinking her eyes few times, restless murmured with her small mouth.

"chuckles" (sound)

Sitting on the chair is Hei Yan Long who watching Yao Yao sleeping posture, cannot help himself not to smile and laugh, his big hand cannot be control pinched on her nose tip. "Uh.... really so cute, no wonder Chen Yi likes her so much."

"En?" Feeling something odd, Yao Yao suddenly opened wide her eyes, a strange smile expression of Hei Yan Long's good looking face caught by her eyes.

"You.... you... you...."

"Foolish girl, the way you sleeping such cute, simply to say so similar with a pig, you have double blessing alike son and daughter (a bless that have by children)"

No.... this is not the problem right?

Yao Yao is opened wide her eyes, subconsciously she looked at her naked body. Since yesterday she was muddled sleeping until today, she not even getting down from bed, and also didn't wear any clothes.

Suddenly she grabbed the quilt and covered her body, she frowned: "When you arrived?"

"An early in the morning."

"And what time is it now?"

Hei Yan Long glanced at his watch: "10 o'clock past."

Wouldn't it....

Yao Yao knows that she has bad sleeping habit, moreover she not wearing any clothes, Hei Yan Long has come for this long time.... "Big brother, don't you not even little bit feel awkward?"

"What's to be awkward? Your body I had seen it, simply to say it so similar with my six years old cousin sister, toward me.... hah, there's no slightest tempting feel."

Heaven ah....

She admitted her body not really growing up well, but the problem she isn't six years little girl, but she is nineteen years old, Hei Yan Long is only twenty years old, there is difference between man and woman, doesn't he know it?

"CEO Hei, can you get out first? I... want to dress myself..." Yao Yao's eyes glazed over her head, if the first time she has been seen by Hei Yan Long when she was changing dress was called as awkward, and now, it only left a helpless.

"Have you dressed?" Outside the door, it is Hei Yan Long's asking voice.

"En." she powerless nodding her head.

Hei Yan Long pushed open the door, pointed at the thing on the bed head: "Oh yeah, yesterday after I left who was coming here after me? Even gave you food to eat?"

Eat?

Her eyes looked at the position of bedhead.

Above there is really a meal box. It seems... Yesterday Yu Ao Tian really came here? She still thought....

.

all of that was hallucination!

Because last night Yu Ao Tian was too.... unfamiliar? No! Familiar? No!

Does not know how to describe it, whatever, if in the previous Yu Ao Tian is a devil, then yesterday Yu Ao Tian was such similar alike saint! But, in past when both of them still together, he also acted that way before.

☒When you was a little child you had said it!!!'

☒You are my enemy!'

☒I understood. So that.... Just let me to die slowly at your hand, Yao Yao.'

☒Yao Yao, before, I want to ask you an question. Can.... you wait after three years and then come to revenge. Or still want to do it now?'

Those scenes keep on playing inside her head regarding last night conversation between her and Yu Ao Tian, only one night, but it felt as if there were many things happened, but at same time it felt as if nothing happened.

Yu Ao Tian seemed to come here before, but also as if never come here. If not because the food put on the bed head, she really thought it everything was alike dream.

Her head starting to ache again!

Forget it, don't think of it anymore! Forget yesterday! Forget all about yesterday.

No matter what, Yu Ao Tian had said something right, that was....

Even though both of them were friend, with an indelible bond, based on Yu Ao Tian who killed mother, she would not give up on revenge. So that, she did not want to think the matters when she was at six.

"Last night.... Yu Ao Tian came."

"En?" Hei Yan Long eyes rolled, pretending to be nervous: "He to you?"

"Nothing. He was coming to send food... then left."

Hah, Hei Yan Long had predicted it, or else how could he tell Yu Ao Tian purposely, regarding the matter Yao Yao trying to suicide?

Believe, that man who called by everyone as heartless man, at the time when he knew the matter of Yao Yao trying to suicide, he also would not be able to stay calm, right?

"CEO Hei, why today you are not going to work again?"

Yao Yao asked, pulling back Hei Yan Long attention, he acted as if nothing by shrugging his shoulder: "Lazy. Let's go, I will take you go down stairs to have walk, going to walk. And also go for breakfast."

Breakfast? Now it is lunch time okay?

Yao Yao bent down to wear her shoes, suddenly thought.

... "Oh yeah. CEO Hei, yesterday how could you show up at my house?" still remembered, she has asked this question before, but that time Hei Yan Long changed the topic and she stopped to ask the question anymore.

"Hah, now let me tell you. Follow me." Hei Yan Long brought Yao Yao out from the room.

At down stairs there are many bodyguards, it seems for this life time Hei Yan Long won't be able to change his attitude which alike an emperor when he is going on.

Walking out from the building, outside there is an expensive car parked. Hei Yan Long moved his finger.

His bodyguard replied by open the car trunk.

His pair of hand is fold in front of his chest, smile and move his head: "Go and see, present for you."

"Present for me?" what kind of thing? Such mysterious. With curiosity, Yao Yao slowly walked to the car trunk.

Arrived at car trunk and when that 'mysterious gift' spotted by her eyes at that moment, she.... shocked!

"You liked it?"

Her shocking eyes slowly looked at the man's handsome and smiling face, Yao Yao opened her little mouth, paused, not able to calm down her ups and downs heart.

"Hei... CEO Hei... You, why do you give me a this present?"

"This is my way to express my gratitude because you helped me to get that piece of land."

"I... I understand. I just want to.... ask you, why do you.... send me this thing?" Yao Yao trembling pointed to the car trunk, still with opened mouth, as if she still could not calm down her ups and down 'emotion' in her heart.

"En? Aren't women liked to be sent flower, I could not send you red roses. So I changed this kind of flower. See you such emotions, you must be like it right?"

Hahahaha.....hahahahaha....hahahaha!!!!

But the problem is Hei Yan Long sent her Chrysanthemum flower at his car trunk, okay?

She excited?

That's right! She is excited! At the moment when she saw that Chrysanthemum flower, she thought Hei Yan Long wanted to do death ceremony!

Is he trying to disdain her because she didn't die yesterday, so that today he is hinting herself to die faster today?

"Hahahahaha." She laughing madly, Yao Yao covered her stomach and then bend down her body constantly smiles, her tears even burst out.

Seeing her, the sensitive Hei Yan Long at the moment could feel something, at sudden his face dim:

"Woman, what are you laughing for?"

"Hahahahaha, Hei.... CEO Hei, I beg you, later.... later when you are dating a girl.... you must first understand the meaning all of the flowers. Or else.... or else you must.... hahahaha, for sure after dating one girl, being dumped.... hahaha, at once."
