The girl picked up the document and looked at it, in difficulty pursed her mouth: "It's bad. This document is for General Manager Feng, it is dirty. What to do?"

"Hah." seeing these two female colleagues, exchanging their glance each other, wicked laughed.

These scenes one by one entered into Yao Yao's eyes, she clearly could feel that these two female colleagues are by intentionally to bully this girl.

Yao Yao who was standing in front of the car door extremely awkward, simply to say wanted to find a hole to hide her face.

"Humphed, trying to flatter but being kicked by Horse's leg?" This time, Feng Chen Rui still not forgot to stomp his foot.

Recalled not long ago Feng Chen Yi also ever said, Father in Law really care toward Feng's company in United States, whoever could take the Market in United States, then that person will absolutely get Feng Group's CEO position.

Now Chen Yi isn't here, wouldn't this only benefit this Feng Chen Rui?

Yao Yao subconsciously glanced at Feng Chen Rui's expression, his face is obviously hanging happy smiles. "Understood, Father. You rest assured to let me handle it."

Humph, smile alike blooming flower. She really not believe, if today Chen Yi is here, Father in law going to give such important task to Feng Chen Rui? Geez....

"CEO Hei, I have such little personal question want to ask you.

" after she dressed, she smiled strangely.

Hei Yan Long turned back, coldly said: "What's matter?"

"Let me say first, I.... I don't have any intention, just naively and purely..... so boring wanted to ask you this question. It is, just it is. If not then it's not, you don't get angry, could you?"

Seeing Yao Yao showed such mysterious expression, Hei Yan Long eyes rolled: "Ask."

"Hihihi, you..... your.... sexual orientation? I really don't have any ill-intention! Just curious. He, hehehe."

At the moment when Hei Yan Long heard this question he has already gotten the clue, this woman wanted to ask him whether he is gay or not?

Good! Very good!

He fiercely gritting his teeth, but his face is showing such difficult and bitter expression: "That's right, I am a Gay, but this matter you must not say to anyone, this is a secret between us, okay? Yao Yao.

☞thump thump'

Her heart is fast skip beat, she with confusion staggered exchanging eyesight with Yu Ao Tian, hurried and nervously she drinking a water.

What was Yu Ao Tian intention? Did he by intention say that in front of Father in Law?

No, no, how could he be this good hearted? He absolutely didn't want to be troublesome, so that he said it! He must be! He must absolutely!

"Young sister in law, so that picture really wasn't you, why didn't you say it before?" Feng Chen Rui really did not forget to put his last effort.

The problem, during that time she had countless time denied it, but did anyone trust her?

When the time arrived to start the party, everyone elegantly eating the food served on the table.

Prime Minister Qi at the moment talking with Feng Xiao and the other moment he talking with Yu Ao Tian, he seemed to be so happy.

"To be honest, although I am coming from political world, but I do always paying attention toward Business world. Old Feng, one is yours Second son and the other is Yu Ao Tian, also Hei Yan Long. These three persons are still so young but they seem to have unlimited future." Prime Minister Qi spoke half-ly and then he glanced at Yu Ao Tian: "But really want to say you, Yu Ao Tian. Although you are still young, but really need to take care your health, don't you feel the State Council works are not enough keeping you busy? You are even taking over to manage Berson Group too?"

Damn it! Because of panic even make more mistake!

But she clearly can feel that, at this moment her restless heart, panicking and tensed all are because of Yu Ao Tian's words which said just now. It was so clearly the girlfriend that he said not her, but why she could be this tensed?

"Such embarrassed." Seeing Yao Yao panic gesture, Lan Ling showed her cold-shoulder.

"En. Your husband Chen Yi is someone so talented, you can't shame him." didn't know whether this words said by Prime Minister Qi was intentionally or not.

But after he said, Feng Xiao expression immediately dimmed.

She understood.... for once again she has blacked Feng's family.

"Prime Minister Qi, you don't look down this little girl, she could marry Chen Yi, because she has that capability." After Yu Ao Tian said, he politely nodding his head toward Feng Xiao: "Chairman Feng, there is no offense at all."

Feng Xiao still silent, that face seemed to change little dimmer.

"Ao Tian, do you know Chen Yi's wife?"

"Know! Of course we know..."

Enough! Stop it! Don't continue. Strangely Yao Yao feels so restless, she afraid Yu Ao Tian to use this occasion to say something that he must not say.

No....

Enough! She really had enough!

She could think today the purpose of Yu Ao Tian able to bring this girlfriend, it is simply because 'to cover' himself, that's all; she could think that just now when Yu Ao Tian said 'Girlfriend' this word was actually talking about his current girlfriend.

But....

At this moment, how could she act dumb?..

Episode 435

Other day!

"Miss, thank you for shopping with us, this is your neck tie." Said the sales girl who work at one of the expensive boutique. Yao Yao took the package and smiled to the sales girl before leaving the place.

"Yao Yao, come!"

"Kenzo? Chen Yi, do you like this brand?"

"Yes."

It is so hard to see Feng Chen Yi likes one brand, four years ago, because his liking, he spent more than 200,000 dollar for this brand, never thought this brand would be in here.

"Miss, this is the newest product from Kenzo, it only has one for one model."

The sales girl smiled awkwardly: "I am sorry Miss, the smaller size is wore by this Miss. So that..."

ç--ä,â?ä?ä?ä?

For once again she succeed to get rid one girl.

Even the dummy could feel that, this time Yu Ao Tian trying to pull high her position. But she didn't want to accept it, she didn't want to accept any good intention from him, any kindness from him!!

Since the day he killed her mom, she only hope there will be only hatred between them.

"Prime Minister Qi, I feel little bit uncomfortable. I take my leave first." at sudden, Yao Yao as if turned to be different person, with such charismatic attitude left her seat.

Directly she heading to wash room, her pair of hand is supported on the basin with rough breath spread into the in front mirror.

Suffocated, her stomach not uncomfortable. Why this man every words could make her feeling at loss?

Such losing herself? While him, he forever seems to be high up there, such composed?

Lift her head up, she sees her reflection which looked alike clown on the mirror, did Yu Ao Tian do it by intention? Just now whatever he said must be intentional right? Was it in order to see her lost herself?

How to make her look alike fool?

She could not continue like this, she could not let this man to mess up with her feeling, after all she wanted to revenge behalf her mother, she must from her inner self to 'get winning chance'!

Suddenly she took two pieces tissue paper, quickly she wiped her mouth.

Just at this time....

"Are you Ex-girlfriend of Yu Ao Tian?"

Lifted her head up, at her back, it was Yu Ao Tian's girlfriend standing behind her, she coldly looked at Yao Yao who reflect in mirror, her eyes filled with enemy aura.

Yao Yao not mindful throwing that tissue into trash bin, smiled and turned: "Miss, I don't really understand what do you mean.

"

"Wasn't that girl on the news headline not you?"

"Me? Didn't Director Yu say that person was you wasn't he?"

"Hah, stop to pretend!" the girl fold his pair of hand in front, smiled: "You, and me both of us are women, woman's intuition is most sharp, since Ao Tian entered the big hall his eyes never left your side not even once! Every words that he said, I don't understand. I think, you must more understand the meaning behind than me right?"

That's right, she is 'too' understand Yu Ao Tian every spoken words. But she is more willingly to be not understand alike this girl! As if by this way she could be happier.

"My apology, he is your boyfriend, you don't know, I even more not understand. I take my leave." Yao Yao coldly nodding her head, turned her body and left the wash room.

But the girl seems not willing to let her off following at her back: "Don't you already have husband? Since you have already had husband it not good for yourself to seduce other man, by this way what different between you with those \*\* women? Your husband is someone who has status, background, he won't be any less than Ao Tian, you don't have to look at for the pot when you are not done with your bowl food!!!"

Does this girl sick?

When she seduced? Did she have any delusion or disorder because get hurt before? How could she think that Yao Yao is thinking about her Yu Ao Tian? Is she really thought Yu Ao Tian as Xiang Bo Bo\*? anyone who sees going to like him?

Yao Yao is so irritated until she could not endure it anymore, suddenly she stopped her footstep and then said to that girl: "Rest assured, even though I am becoming open woman also I won't go to seduce Yu Ao Tian!!!"

"What do you mean by yours words? Is it implied Yu Ao Tian not enough good?"

"....." did she say something wrong? Should she tell her... his boyfriend is the most awesome person, most talented person, or should she tell her that she could not endure not to have someone like her boyfriend?

And then, this girl going to say, humphed, you stop to think about Yu Ao Tian, Ao Tian only love me one person!

As the result should she leave by crying? By this way this girl might feel satisfied?

\*\*!!

This is really too savage and absurd. Yao Yao dares to gamble, if this girl could stay beside Yu Ao Tian for more than three days than he must be not Yu Ao Tian anymore!

Helplessly shaking her head, better for her to move forward.

Suddenly that girl pulled her arm to stop her: "You better speak clearly!!!" a sharp voice echoed through the corridor.

Yao Yao finally understood, this girl was completely coming to seek trouble for her, speak clearly, the current girlfriend was so boring hence wanted to find ex-girlfriend trouble! The problem is, she wasn't Yu Ao Tian's Ex-girlfriend.

"Miss, please let go your hand, this is in public area."

"You are still love Yu Ao Tian, aren't you?"

"....."

.." Oh My God, she not even like Yu Ao Tian, then where this love coming from? "let off my hand!"

"You bit\*\* , you better speak clearly!!!" The woman voice even gotten higher and louder.

Yao Yao wanted to sway away this woman's hand, helplessly because she grabbed her too firm. Yao Yao's hand almost being printed red mark because her grabbed.

Just at this time....

"What's matter?" one cold voice echoed from their in front.

The woman hurried let off Yao Yao's hand which being grabbed before, sweetly smiled and said:  
"Nothing, I just having a conversation with this Miss."

Hah, having a conversation?

Once she opened her mouth said \*\* woman, then said her as lowly\*\* person! Really enough polite.

Yao Yao secretly rolled her eyes, her eyes keep on looking forward, every steps of her feet are showed her pride as woman. As if Yu Ao Tian who is standing in front of her not more than air.

And then, at the moment when Yao Yao passing Yu Ao Tian, coldly said: "Director Yu, your eyes that pick girlfriend.... every time is worse than before!!!"

"En?" Yu Ao Tian devilish smiled while his eyes keep on staring at the woman's back which slowly go further away: "Hah..." drawn back his eyesight, he is taking out a bank note from his pocket, put it in front of that woman's face.

"??? Ao Tian, What you...."

"My Ex-girlfriend seems not really satisfied with you, you, don't ever show up in front of me anymore!"

"!!!!!" suddenly, Yao Yao footstep stopped as if posses she stay still at her current place, not even moving.

Every words that said by Yu Ao Tian, one word, one sentence are clearly heard by her ears.

At the moment when she slowly turned her head looking back, the woman has already left. While the next thing that spotted by her eyes only Yu Ao Tian devilish handsome face.

...

"You, you wanted to dump that girl, why you count me on my head (let me get involve)?" since the first time when she saw that girl, she was so affirm that Yu Ao Tian not really serious with that girl! But she never thought, he used such lame excuse to break with that girl!

Yu Ao Tian is devilish smiling, slowly walking in front of her eyes: "Bao Bei, you speak for yourself, since we met two years ago, whoever was my girlfriend which one not being chased out by you, anyway more one of her won't be too much, less her one person won't be less, don't you think?"

"....." I'm impressed (negative way)! I do really impressed by you! Yao Yao really didn't want to talk too much with him, faster she walking back to the big hall....

Inside the big hall, the men have already gathered into one group and talking about business; while the women are gathered talking while looking men.

Yao Yao is choosing to avoid the crowd sitting at the corner, simply to say she almost fallen asleep. Father in law and others still not yet leaving!

"Chen Rui, how is it?"

"Mom, don't mention it anymore!!" This time, from one side of corner, it flown two familiar voices.

Yao Yao turned to have glance.... Lan Ni Pei? Feng Chen Rui? What this pair of lowly mother and son are talking such mysteriously? With her curiosity, she hiding behind the big pillar to eavesdrop.

Episode 436

"Really never thought that Xander (Sang De Er) Chairman Mr. Bartholomew is African, moreover he is speaking local language, I don't understand it!"

"Then what to do? This time opportunity is not easy since that little brat Feng Chen Yi isn't here, this is time for you to show up, you must grab it! Chen Rui."

"Mom, I also want to take this chance. The problem is I don't even understand what that Mr. Bartholomew said."

"Does everyone also not understand him?"

"No! Only the Berson Group's Yu Ao Tian understood it, moreover he could say many things. It seems that, Berson also prepared their company for America market, I suspect he must be trying to pull Mr. Batholomew to his side."

Heh? At the moment when heard Yu Ao Tian, these three words, Yao Yao's eyes brighten.

So that Berson Group also want to take United States Market!

Heh.... the chance is coming!

Yao Yao turned her body, straight forwardly she walking inside the small inner hall. Inside there are about ten persons, Hei Yan Long who also not showing up from this time also sitting there having his meal. She quietly slipped into Feng Xiao side: "Father in Law."

"How can you are at here?"

"Oh, nothing. I just coming over here only to gain experience, only as experience." her mouth might be talking with Feng Xiao but her ears have already stretch long until Yu Ao Tian and Mr. Bartholomew side.

Oh that, just now the person who was having meal at the host table who is African actually the Chairman of Xander Group.

"What experience you wanted to gain? Go, you looking for your Big Sister in Law. Yao Yao, I am talking with you, do you hear me?"

"Ah? Father.... Father in Law, what did you say? I, I didn't hear clearly."

"Ckckck, This is not a place for woman. Get out!"

"Ugh..." I am sorry, Father in Law. This time really would not listen to you. You are also wanted Feng Group company in America to get the help from Xander Group's chairman, aren't you? I do also want to revenge on behalf my mother. By this way, both of us going to have double wins, don't you think this as good thing?

Yao Yao rolled her eyes, simply dash to Bartholomew in front: "Hello Mr. Bartholomew.

"

At the opposite Feng Xiao almost raging in fume, but listened to language spoken by Yao Yao, immediately he dazed in amazement.

And then looking at other people, could not help but look askance at, the most important is Mr. Bartholomew speaks Africa local language, which is Angola, not many who can speak this language.

Yu Ao Tian being able to have fluent conversation with Mr. Bartholomew they have already so impressed, but now seeing the second daughter in law of Feng also able to speak this language, they are absolutely bowed down to her.

"You are?" Bartholomew smiles when looking at Yao Yao.

"I am an employee of Feng Group. Mr Bartholomew, I believe you are quite familiar with Feng Group in United States, aren't you? Our Feng Group actually is so sincere wanted to have collaboration with yours company. As in our country, Feng Group is an excellent company, believe me if both of our companies work together, certainly can create more miracles." while Yao Yao speaking, she even using her body to cut off Mr. Bartholomew and Yu Ao Tian eyes-contact.

Yu Ao Tian helplessly shaking his head, using his fluent Angola language said: "Miss Luo, Mr. Bartholomew has been eager to build Business Empire in the United States, the major business is building and construction industry, as to my understanding about Feng Group, it seems that even in building and construction industry not even get into top ten, right?"

Whether entered top ten or not, there is none of your business Yu Ao Tian? Yao Yao gritting her teeth, coldly smile to Yu Ao Tian: "Director Yu, you are mistaken. I admit that Feng Group in building and construction industry not really well-developed, but you must know in United States market, they are value of well-received by the audiences, not only a profit. This year statistic result has been out, ours Feng Group audiences significantly higher than 3 percent by Berson, with this, it is enough to prove that Feng Group seems to be more suitable to work with Mr. Bartholomew's company."

"Haha, I think.... Mr. Bartholomew not really cares with this 3 percent."

"Then Mr. Bartholomew more not really care about Feng Group rank!"

Yu Ao Tian and Yao Yao are having hot conversation, while Mr.

Bartholomew who sitting beside only keeps on smiling. Regarding the other people, they are confused listening to these two persons conversation since they not understand!

At the time of disagreement, Yu Ao Tian bottomless eyes flashed, suddenly he changed the way he spoke: "Bao Bei, not bad you are really a lawyer, your mouth quite well."

Yao Yao's face dimmed, her bright eyes constantly taking a glance to the pairs of eyes surrounded, using a same speaking tone answered Yu Ao Tian: "Director Yu, are you sure all the people who are sitting in here really not understand Czech language?"

"You look at their expressions you can find out that they are absolutely not understand." After said, Yu Ao Tian smiled devilish titled his head: "But, Bao Bei, you able to speak Czech and Angola really out from my prediction."

Czech and Angola languages are same, both are rare and less spoken languages, it can be said that there are less people can speak it.

About Yao Yao who able to speak it, the reason because when she was in Junior High everyday she is visiting library, others than reading books she really didn't know what to do. "Director Yu don't you also? You are really not bad as Ex Prime Minister's son, your up bringing really not same."

"Thank you for praising, oh yeah, Bao Bei...."

Yao Yao fiercely made a fist: "Can you stop to address me that way?" even though, from other people expression who sitting at there not understand Czech language, but.... that words Bao Bei which used by Yu Ao Tian, it really irritated her!

"So what to call? Sweetheart?"

"....."

....."

This is more disgusting! She gritting her teeth: "What do you want to say, go straightforward!"

"Do you understand Albania language?"

This.... she really cannot! "What this to your business?"

"Ha, then it good."

Looking at strange smiles on Yu Ao Tian's face, Yao Yao unhappily creasing her forehead, what was called as good? What did he mean by saying this? So what if she cannot speak Albania language? What to look for?

As seen, Yu Ao Tian bottomless pair of eyes rolled, slowly he walked to Mr. Bartholomew, directly he changed the language into Angola language: "Mr. Bartholomew, today really happy knowing you. The matter in the future, I hope that I can have talk in your company, I take my leave first."

"En. Yes. Director Yu."

Yu Ao Tian stood up, at the moment when he passed Yao Yao, he devilishly smiled: "xasksdffmdkgmfkdle (Albanian)." he used simple Albania language spoke one sentence and then quickly he left..

Episode 437

Ugh?

He using Albania Language said that sentence what did he mean? Yao Yao with confused staring at Yu Ao Tian back which gradually disappeared.

And then, Hei Yan Long who sat beside his pair of black eyes gradually dim....

"Mr. Bartholomew, recently do you have time? My husband really respect you so much, I hope you can meet him, but unfortunately, now he still in Turkey could not come here." seeing Yu Ao Tian has already left, Yao Yao caught this opportunity.

"Oh? Perhaps, I will be still staying in China for one week, this is my name card, when your husband come back from Turkey you can ask him to come look for me."

Yao Yao smiles receiving Mr. Bartholomew's name card: "Mr. Bartholomew, you are really so friendly, I believe you may make best friend with my husband."

"Haha, it is also my honor, I really never thought someone so young a little girl like you able to speak few languages. Well, today I still have thing that haven't settled, next time when we meet we going to talk more."

"En. Alright."

Mr. Bartholomew is giving simply bid good bye to Prime Minister Qi and then left.

At this moment, Yao Yao became the main focus inside this inner hall.

"Aiya, Old Feng, it seems that Ao Tian really not mistaken, it is indeed I am not enough know your second daughter in law quite well, not only very young has become world class advance lawyer, but still has other skill, even able to speak Angola language, really impressed with Chen Yi's eyes!"

"Old Qi, you are too humble." at the moment when listened to other praised his family member, Feng Xiao is extremely happy. "Come, Yao Yao, hurry thank your uncle Qi praising to you."

"Haha, Thank you uncle Qi."

"Yao Yao, you are indeed performed as what you told me on that day." Feng Xiao is whispered on her ear, also giving his meaningful pat on her shoulder.

Yao Yao understood what did her Father in Law mean with his words, without doubt it was the first time when she met Feng Xiao, she ever said, even though she didn't have wealthy second generation background, but her value is more than than those wealthy second generation! "Father in Law, I go out for moment."

"En."

She slowly walking out from the inner hall, her face is showing faint smile expression.

Perhaps, Father in Law still not accept her from his inside heart, but.... as long as he not make thing difficult for her like before it's okay. She really does not want to see Feng Chen Yi goes opposite with her Father in Law.

"Tck, just now that sentence spoke in Albania Language what did Yu Ao Tian mean?" even though she has told herself not to think of it, but Yao Yao really could not get over from her curiosity, her head is filled with question marks.

She keeps thinking while walking on the corridor, and also speaking to herself, pouted her mouth.

Just by this time....

"Aiyo...." by coincidence she bumped into someone who just coming over.

"Mr. Vice Prime Minister, are you alright?" few of body guards are nervously asked the man who being bumped, with fierce glare glaring at Yao Yao: "Be careful!!!"

Mr....Vice.

... Prime Minister...!

Zeng....

Kai.....

Rui.... is he?

☞Thump, thump'

Her heart skip beat, toward this name which countless time appeared in Yao Yao's memory there incomparable familiar more. But this still Yao Yao first time.... encounter Zeng Kai Rui!

Calm down, Yao Yao is dumbstruck staring at the middle aged man who has height about 180cm something.

He estimated at least younger than 40 years old, but ages seem not leave any old trace on his face, a thick black hair with his handsome face, mature face. A pair of sparkle black eyes, such high nose and also one charming smile of thin lips.

The first impression which given by Zeng Kai Rui is someone mature, a man with dignity and also gentleman aura!

Is this man, he was father's boss before?

One person on top under a million people, a Mr. Vice Prime Minister

And also....

Yu Ao Tian's enemy?

"Little girl, did I bump you?" Zeng Kai Rui gently spoke, his hoarse voice such charming.

She gained herself, stiffly shaking her head: "I, I am sorry, it was me who bumped.

... into you."

"Haha, really such polite little girl." Zeng Kai Rui warmly rubbing on Yao Yao's hair, that sparkling pair of eyes staring at her face.

Yao Yao nervously lower her head, her heart constantly skip a beat, as if alike last time reaction when she was doing a representative lawyer.

Excited? Or panicking? Not clear. Anyway when meeting these great leaders of this country, perhaps everyone is going to show this kind of reaction right?

"Little girl, I feel you little bit familiar."

Uh! Vice Prime Minister recognized her? Is it because of father? But after she thought it carefully impossible, she isn't her father biological daughter, impossible looked similar.

"I remembered, during when Director Yu congress election, you were his representative lawyer right?"

It seemed during that time Vice Prime Minister didn't come right? Yao Yao pursed her lips smiled, excitedly nodding her head: "That right. Vice Minister."

"Haha, you are so awesome. If really can, will you willing to work for government?"

"Willing!!" by this way, she could move one step getting closer to Yu Ao Tian. But... "Still forget it."

"What's matter?" Zeng Kai Rui curiously asked Yao Yao who seemed to be hopeless.

"My mother not allowed me to work for government." even though, she really wanted to revenge faster on behalf her mother, but, still respect her mother last will.

"So this the case..." Zeng Kai Rui heave a sighed, but that pair of sparkling black eyes quickly flashed one sharp gleam. "It's okay, this is the way to contact me, if you have changed your mind you can directly contact me."

Is this.... Mr. Vice Minister..

.. way of.... contact?

When Yao Yao received Zeng Kai Rui's card name at that moment her hands are shaking, this is too honorable right? "En, thank you. Vice Prime Minister."

"Haha." Zeng Kai Rui smiles and then directly left. But when he walked two steps, his footstep suddenly stopped....

His sharp eyes are glanced at Yao Yao's back which gradually left further, the next moment, that pair of sparkling eyes quickly looked at the another figure which at the other corner!!!

The light and black of two paths line of sight walking in the corridor which exchanging wrongly, at the moment it seemed there is sparked of 10000 of fire. While Yao Yao who completely did not know everything has already gotten in between these sight, but she still indulge inside her own little world....

"I have met Mr. Representative Prime Minister, and now I even have the way to contact of Mr. Vice Prime Minister.

Ha, my life is fulfilled already? Let me think, how many people in this life time being able to see such great people in television into real life?" once she thought to this point, Yao Yao is extremely excited. "Hihihi.... uh!"

At the moment when she passed the wash room, a pair of hand pulled her inside the male wash room.....

### Episode 438

Yes, this chapter Yu Ao Tian is really said I Love You to Yao Yao and this also reason why Hei Yan Long face dimmed when he heard Yu Ao Tian said it toward Yao Yao. And the person who pulled Yao Yao indeed Yu Ao Tian

Yu, Yu Ao Tian?

Staring at that good looking face, Yao Yao nervously stepping back: "You, what do you want to do?" After all this is Prime Minister Qi birthday party, believe that he would not dare to act recklessly, right?

Yu Ao Tian darken face, faster he shut closed the wash room door: "Just now what did Zeng Kai Rui tell you?"

Hah? How could he this emotionally? Impossible....

Rolled her eyes, she sarcastic smiled: "Yu Ao Tian, you are such nervous regarding this matter, impossible that you are afraid I am going to join hand with Mr. Vice Prime Minister to fight against you?"

Just at this time....

As heard ʘBam' a sound, Yu Ao Tian punch, heavily hit onto the wall which behind of Yao Yao: "I just afraid you don't even know being eaten until your bone no left!!"

The punch is bringing winds blew as if blowing into her face, ears heard 'whoosh' sound when the punch hit onto the wall.

Without waiting for Yao Yao to react, Yu Ao Tian with one of his hands has already pressed Yao Yao to the wall, his expression changed to be strangely stern: "Yao Yao, you can looking for me to revenge, you can look for Feng Chen Yi to help, or you can look for anyone to help you out, but.... you cannot look for Zeng Kai Rui! Understand?"

Brain such in mess, Yu Ao Tian really so rare to show such serious and also nervous expression, he....

What happened to him?

"Now I ask you, understand? Or not understand!!!"

He growled low, Yao Yao slow-witted nodding her head.

"Understood.... understood..."

"Hand it over!!!"

"What... what?"

"The contact way which given by Zeng Kai Rui!!!"

She blinking her moist big eyes, without thinking any longer she handed over the name card to Yu Ao Tian's hand, followed by she nervously gulped her saliva.

By this time Yu Ao Tian realized, at this moment Yao Yao looked alike a little girl who caught doing wrong, opened wide her big eyes looked at him with fear.

He afraid himself has already frightened her, his expression changed, devilish smile and said: "Good...."

An instantaneously, as if the cursed seal being cracked-open, Yao Yao quickly gained herself back: "Are you sick?" suddenly she pushed away him, she running out without turned her head..

Episode 439

"Fiuh...." at the sudden, after Yao Yao left, Yu Ao Tian drawn back his smile from his face and heave a sighed, his bottomless eyes are staring at Zeng Kai Rui's name card which given to Yao Yao.

His pair of eyes flashed sharp gleam, the next moment, that name card is being torn into pieces, pieces fluttering in the air.

Who knows, at the moment when Yu Ao Tian going to leave the wash room, by coincident Hei Yan Long entered: "Aiyo, CEO Yu."

"Haha, CEO Hei, such coincide." he smiled elegantly, Yu Ao Tian kept moving forward.

At this moment, Hei Yan Long pair of black eyes dimming: "Albania Language." suddenly the similar sentence of Albania language that spoken by Yu Ao Tian to Yao Yao heard out.

At sudden, Yu Ao Tian stopped his footstep, expressionless he looked at Hei Yan Long. "Does CEO Hei understand Albania Language?"

"Only know few words, just by coincidence.... the sentence that you said to Yao Yao before, it was one from few words that I know!"

"Hah." Yu Ao Tian smile devilish, his pair of bottomless black eyes changed to be dimmed: "The title as the youngest chairman really not an empty title, have rich knowledge!"

"Geez. Compare to CEO Yu, how can I be compared? At one time is Czech language, other time is Angola language. Also...." at the moment when Hei Yan Long walked in front of Yu Ao Tian, the smile that hung

on his face suddenly disappeared: "You, in front of many people openly flirting with my best friend's wife, did it right thing?"

"Hah." Yu Ao Tian silent said nothing, this only a cold humphed, and then the next thing he was patting Hei Yan Long's shoulder and then left.

Actually....

During the time when Yu Ao Tian passing Yao Yao the Albania Language which he said mean....

I....

Love....

You....

\*\*

Prime Minister Qi birthday party ended, Yao Yao sitting inside Feng family's car, along the way, she was not focusing and looking outside through car window, her head kept on playing the scenes when she was at wash room.

What Yu Ao Tian nervous for?

Since the day she knew Yu Ao Tian that moment, this man never scared of anything, but just now when they were at wash room, even though he showed such fierce expression, but there's slightly obvious tension in his eyes.

Did Yu Ao Tian afraid of Vice Prime Minister Zeng Kai Rui?

No!

As someone like him who has everything in his control, indifferent for man who likes to face challenge, stronger the enemy he must be more excited. He is so obviously not afraid with Zeng Kai Rui.

So the only logic explanation is.....

Yu Ao Tian afraid her to have any contact with Zeng Kai Rui?

☹I just afraid you don't even know being eaten until your bone no left!

There is not a reason, someone alike her who has such trivial role, why Mr. Vice Prime Minister would come to against her?

Moreover, father was Vice Minister Zeng's secretary before, logically, if Mr. Vice Minister Zeng still remembered about past time, he must be more considerate, more taking care of her.

Still, Yao Yao can vaguely feel, as if there still things that she didn't know, moreover Yu Ao Tian might be known it. But that what-so-called as 'unknown' actually what was it?

☹When you was very young!!!'

☹When little girl!!!'

Did it something that relate to her childhood?

"Master, Madam, Big Young Master, Big Young Madam, Second Young Madam." returned to Feng Mansion, Yao Yao has already stopped to think about this matter. The maids have already come to welcome them.

All of them are quickly walking to the inner living room, Yao Yao who is standing inside the inner living room felt so awkward, currently her circumstance is being chased out by her Father in Law from Feng's mansion, but because attending the party they were pretending to be one harmonious family. Now the party is ended, should she.... leaving now?

Still thinking.

Feng Xiao is pointed at beside seat: "Yao Yao, have a seat.

"

Ugh....

Didn't she hear mistaken? After all Father in Law.... after all allowing her to have a seat? Yao Yao with confused expression sitting beside of Feng Xiao.

"Chen Rui!" at the moment when Yao Yao just have her seat, the Old Master bright eyes suddenly looked at Feng Chen Rui : "Today if not because of Yao Yao, perhaps Mr. Bartholomew might be taken away' by Yu Ao Tian! This is my first time to give you such important thing to do, but after all you made all turned be like this, simply to say useless!!!"

"Father...."

"Aiya, Old Master." Lan Ni Pei afraid that her son going to say something unpleasant, then anger the Old Man, hurried she stopped it: "You also cannot blame Chen Rui? Who could know that Mr. Bartholomew spoke Angola Language?"

"Ni Pei, according to you Chen Rui didn't have any wrong, did you? But you forget one thing, when Chen Yi was at his twelve he has already spoken few languages, if today Chen Yi was here, I absolutely didn't need to be worried!!!"

Listened to Old Master words, Yao Yao recalled the days when she still at school, everyday when she went to library, often she encountered some difficulties in few languages, all was because Feng Chen Yi who helped her to settle. Never thought, during that time he had already spoken few languages!

Episode 440

But there is nothing unusual about that. If she living in such family environment, besides working hard to increase oneself value others there is no way for the rest. After all, he were not Feng Chen Rui, also he didn't have mother who could protect him.

Ugh, when Chen Yi was kid he must be so pitiful? There was time, she really not dared to think how Feng Chen Yi went through the hardship during his childhood....

"But Chen Yi wasn't here?" Feng Chen Rui dissatisfied with low voice complained.

This even angered the Old Master: "Chen Rui, you said this kind of words, this just showed your younger brother is obviously more talented than you! Chen Yi isn't in here, you don't even have capability to take care the matter by yourself? It seems that, this CEO position must be hurried to be given to Chen Yi!"

"Father! I only can't speak Angola language, this must not something severe right? Moreover, Younger sister in law has not yet set anything with Mr. Bartholomew." Feng Chen Rui suddenly tossed away the difficulties to Yao Yao's.

Feng Xiao creased his forehead, sternly looked at her.

"Father... Father in law, I, I only working at Feng Group for half month, Feng Group has many things, indeed I don't really understand in many aspects."

Once Feng Chen Rui listened to this, he scorned: "See, I have known something like this would happen. Even though can speak Angola language, but there is no guarantee to get the favor from Mr. Bartholomew!"

"Chen Rui, you shut up!" Feng Xiao shouted, stopped his son to speak more. "Yao Yao, I saw Mr. Bartholomew gave you his name card, actually what was you talking with him?"

"The case is like this Father in Law, I have said to Mr. Bartholomew that Chen Yi respected him so much, and always wanted to know him more, but unfortunately, Chen Yi still in Turkey, so there was no way to meet him. Hence, Mr. Bartholomew gave me his name card, asked me when Chen Yi returned, we will come to meet him.

" Yao Yao pretended to act dummy after she said everything, shyly smiles: "I, I also didn't know whether this is right to do so or not."

"Yao Yao, you did it very well! Waiting until Chen Yi return, you asked Chen Yi to make an appointment with Mr. Bartholomew."

Of course she knew that she did very well, Feng Chen Rui wanted to get closer to Mr. Bartholomew because he wanted to have control over the company in US. This kind of chance, she absolutely must grab it for her husband!

Geez, Feng Chen Rui wanted to take over the biggest power during Chen Yi absent? There's no way!

"Father, does not know when Chen Yi going to return, how about I looked for Mr. Bartholomew." Feng Chen Rui knew that once this thing being taken care by Feng Chen Yi, he must absolutely lost big, must be hurried to take it back.

"Humph, the opportunity to meet Mr. Bartholomew was gotten by Feng Chen Yi's wife, if you have capability, you also can ask your wife to grab the opportunity!" the sharp eyesight suddenly changed to be soften: "Yao Yao, hurry go back to your room and have rest."

"Understood, Father in Law." Yao Yao stood up and then walked up to the stairs, but at the moment when she passed Feng Chen Rui's 'one family', she could see their raging in fume expression on their face.

Hah, Lan Ni Pei that time really wanted to let her living at home, entered the company, with doubt she wanted to rift the relationship between Feng Chen Yi and her Father in Law. During that time she had

said that, she would not let the old lowly cheap slut to get what she wanted! Later in the future this old lowly cheap slut would be understood, the person that she invited into this house is 'bomb timer' actually which going to explode them!

"Father, you..."

"Alright. I also tired, I will get back to my room and have a rest." Feng Xiao didn't let any chance for Feng Chen Rui, stood up and then walked heading to his room.

"Damn it!" he fiercely made a fist, raging in fume sitting on the sofa with rough breath: "Mom, all blame you, why must you asked that Luo Yao Yao to get into ours home, now you see? Feng Chen Yi that wild-child got more helper!!"

"Chen Rui, you still have nerve to blame me? When you were child, I had told you to study well, but you? Since you were a child until growing up, Feng Chen Yi still that strong compare to you? You don't even give me face to fight (put utmost effort), no wonder Old Master favors Chen Yi more than you!!"

At beside Lan Ling saw the circumstance, quickly she became middle person: "Stop it, Chen Rui, you don't argue with Mother in Law anymore. Still better to think other way to settle this matter."

"What to think? Didn't it not obvious, Old Master has already decided to give the Company in US to Feng Chen Yi? Talking about you, you say, others than you only have prominent background, what can you do for me? If you have something that able to compare to Luo Yao Yao, the CEO's position early is mine!!!"

"So do you mean that I am so useless? Feng Chen Rui, you as one big man, you vent your anger to your wife what you can do more?"

"Alright! Enough! Stop make noise!" Lan Ni Pei tried to stop the chaos situation.

Seeing in front of eyes, so this initially harmonious 'one family' now have fight to faze fluster.

That time, when you were so stubborn to marry me and promised to help me to revenge on behalf my mother, that moment I really didn't know how to repay my debt to you.

Until the moment I could feel your bitter, your childhood, I understood, at the outsider eyes the shining bright you, actually not as splendid and glamour. And most of time you are acted alike my guardian angel which actually you are also need someone to protect you too.

Please let me to protect you too, alike the first year when first time I met you, protecting you alike you protect me....

Either to heal each others wounds; or to comfort for each others, at this moment, Yao Yao finally could find a slightest reason staying beside Feng Chen Yi, a slightest courage to stay and conviction beside him.

☎Ring.... ring ring...'

Early in the morning, the annoying mobile phone keeps on ringing, it was not easy to go through until Saturday, Sunday, still want to have lazy-sleep. Yao Yao narrowed her eyes, touched her mobile phone: "Hello...."

"Little lazy pig, still sleeping? Now it is ten o'clock morning in China?"

Listened to the dearing voice, Yao Yao awaken sitting on her bed: "Chen Yi? How can you phone during this time?"

Feng Chen Yi has been gone to Turkey for sometime, but both of them have agreed to choose have phone call at 12 o'clock China time. Never thought that today he calling at ten o'clock?

"Hah, there is no way, early in the morning my father has phoned me, constantly praising you, I keep on thinking, of course I must quickly make a phone call to talk with my wife."

Once she heard 'wife', this word, instantaneously her face blushing, shyly pouted her mouth, intentionally turned the topic: "You, when will you come back?"
