

## Pure Girl 441

### Episode 441

"En? Missed me?"

"....."

This brat, with whom he learned it? How can he becomes so glib-tongue? Yao Yao realized her face is burning hot, embarrassed she hides inside the quilt: "No, not missed you."

"Oh, well then I will return in few days. If you are missing me, I will come back now."

"You better no need to come back!!"

Listened to the phone, Yao Yao anger voice, Feng Chen Yi naughtily smile: "Angry? See your bad tempered, still same alike before, just teasing you bit you have fired up. In here suddenly I have some problems, perhaps still need about five days for return."

"Five days...." it's okay, still able to catch up, Mr. Bartholomew had said, it seems that he going to stay here for a week.

"Then you take good care at there."

"En, oh yeah, yesterday who dressed you up?"

"Dressed?" Yao Yao uncovered her quilt and then sat back: "How could you know it?"

"There was reporter secretly took your picture. I saw it on internet, really suit you well."

"Oh yeah? Was it? I did also feel same way, it was CEO Hei did it."

"Yan Long?" from other side of phone called it was so obvious Feng Chen Yi disbelieved voice."

"What's matter?"

"Haha, that little brat since he was young he has already had good sense and instinct in Fashion, it can be said that he is a talent in Fashion world, when he was at twelve years old he had already collaborated with Armani's designer to launch on man's belt. When he was at England he studied Fashion designer."

Woah, if not Feng Chen Yi said it, simply to say she didn't dare to believe Hei Yan Long is such awesome person, as said every designers in Armani is weirdos, extremely picky, after all choosing Hei Yan Long to do collaboration? As seen, Hei Yan Long in this aspect really quite high!

"Well why he giving up on Fashion Designer?"

"You have known his parent matter. Since his parent death, he didn't touch this thing anymore, even if some times I ask for his help to design something, he also didn't care. Yan Long could 'step out from Jiang Hu' because of you , it seemed that.... he must extremely cared about you."

"Geez..."

." listened to the last word that said by Feng Chen Yi, Yao Yao didn't take it seriously, rolled her eyes:  
"Didn't it because of you! It proved that CEO Hei extremely, extremely cared about you, so that he could treat me well."

"Hah." from the other side of phone call, Feng Chen Yi gave cold humphed, it seems that Yao Yao not understood Hei Yan Long very well, but he extremely knew him!

Hei Yan Long has straight-forward, arrogant but he also so loyal, bad temper, sometimes could be so violent, also has talent in art and genius weirdos character. There was a time Feng Chen Yi and Ou Yang Zi Xuan unbearable to fight with him.

But he clearly knew, toward Fashion this aspect, Hei Yan Long would never given face for anyone, when he willingly to help then he would help, when not willing then even you force him to do he would not do it!

So that, Feng Chen Yi absolutely affirmed, Hei Yan Long respects Yao Yao, so that he willing to give his hand to help her!

"Well, Chen Yi, I won't disturb you, I hung up. I also need to wake up."

"En? My beloved, you just hung up the phone call by this way? Don't you think that you have to say something more?"

"....." Yao Yao's face is nervous, she understood what this Feng Chen Yi wanted! Every times during this time she would pretend to be dummy and then passed, but today....

She didn't want to choose to be dummy anymore.

Pursed her mouth, she shyly smile, she using such shaking voice, slowly said: "Hubby, good bye!" After said, there is burning sensation on her cheeks, without waiting for Feng Chen Yi to reply, she has already hung up the phone call.

thump thump thump'

Her heart constantly beating faster, this kind of heart beating feeling, she clearly could feel it as nervous, but not.

...

Love!

Even this is the case, Yao Yao quite enjoyed this feeling.

Still that one sentence, the love between lover when it has been long time, it would naturally changed to be family love, or perhaps could not find that butterflies palpitation feeling anymore, but most of time, it could not replace the sense of belonging, the feeling of relatives, the feeling as family....

Turkey, in Six Stars Hotel Room.

Hung up Yao Yao phone call, there is charming smile in Feng Chen Yi's face for long time.

He really wished.... this kind of feeling will be able to keep continue, until he... his life ended that one day!

Thinking to this point, Feng Chen Yi cold eyes gradually dimmed....

"General Manager Feng, why didn't you say to Young Madam Feng that you are sick?" at this time, the person who standing beside him is Lisa who suddenly spoke.

Feng Chen Yi pulled the clothes that drape over his shoulders, his face is white pale stood up: "Told her, for what? Wanted her to come over and taking care of me?"

Since the first day he came to Turkey, he has been suffering from illness, so that, he could again and again postponed his return.

"Huh, General Manager Feng, you better lying down and having your rest. Perhaps later Doctor Ali going to come soon, so he could give you the medical report." Lisa is supported Feng Chen Yi to lay back on his bed, helplessly heave a sigh.

For all this time, it could be said that she has witnessed the warm side of hers steel-mask boss's face, there's time, when she listened to him phoned Yao Yao, Lisa really didn't dare to believe this iced-cold General Manager speaking voice?

But thing proven, no matter how iced-cold and heartless this General Manager toward outsiders, but toward his wife, he always showing the side that no one never known....

China.

"I say, my beloved, wouldn't it because you have become Wealthy Young Madam and then you have forgotten about me right? Only by today you just asked me to hang out?" inside one cozy coffee shop, Gong Xiao Man unhappily complained.

Since that day after Yao Yao being kidnapped, so rarely to make phone call to Gong Xiao Man, also never told her what was happened during that few days being kidnapped. "Xiao Man, you don't blame me. You know my character, during my bad time, the person that I would never wanted to contact always you."

That's right. Gong Xiao Man very clear about this point 'kink', there's many times, friend will come to contact you when they facing difficulties, and during the happiest time they tending to forget you, this could not count as friend.

But Yao Yao always in contrary, at her most difficulties she will always shoulder the burden by herself, waiting until the rain and storm passed, then she would going to make those things as joke in her life and then let Gong Xiao Man to listen it.

"Yao Yao, actually friend is share hardship together, and also blessing. You are always like to let me share your blessing, but never let me to share your burden together stay with you at your most difficult times, I could be so sad."

"I am sorry Xiao Man. I will try to change my lacking." Yao Yao felt guilty lowered her head.

But everything just an opposite, Yao Yao is someone strong, she just on contrary with her appearance. "Forget it, you better tell me all 'bad things' that you encountered this time, tell me alike a story."

"Haha, things happened quite lot, let me tell you slowly...." hand is stirring the spoon, Yao Yao faintly smiled, she told Gong Xiao Man all the things which happened....

Gong Xiao Man forcing to gulp down her anger, shouting loud: "I am coming to find Chairman Yu Ao Tian! What to make an appointment? If you guys don't let me in, I will stay at here and make ruckus, believe or not?"

Two colleagues are exchanging their glance, afraid if Gong Xiao Man really gives big trouble, hurried they let her to get in, and followed by calling the security department.

Gong Xiao Man quickly walking with big steps entered the elevator.

Finally she understood why Yao Yao stubbornly didn't tell her regarding all the problems she encountered for these passed days. Although, after said, Yao Yao kept on telling her not to find Yu Ao Tian, don't come to find Yu Ao Tian, she also promised her but again she could not endure her mood not to do so!

She could ignore the fact Yu Ao Tian raped Yao Yao this matter; she could also ignore the attitude that given by Feng Family toward Yao Yao. But, she could not.... she could not strain off the fact of matter Yu Ao Tian killed Yao Yao's mother!

Her white and black eyes are clearly showed slightest blood line due to her anger. At the time when the elevator stopped at CEO's office, Gong Xiao Man angrily dashed into.

"Stop!" sitting in front of CEO's office room Mo Xue Tong stopped in front of her: "What's matter?" coldly said three words, which actually showed her coldness toward anything.

"I come to find Yu Ao Tian!"

"Director Yu isn't at here."

"So where is he now?" Gong Xiao Man curled up her hand into fist, raging in fume looking at the CEO's office room: "Yu Ao Tian! Yu Ao Tian! You come out! You come out!!!"

"Enough! Shut up!!!" Mo Xue Tong isn't someone nice, with one of her hands she grabbed Gong Xiao Man's neck, while her other hand covered her mouth which keeps on shouting.

Just by this time, The CEO's office room door opened.

"What's ruckus this?" Han Li Shang walking from inside the room.

At the moment when Xiao Man's eyes met Han Li Shang's, two persons are dumbfounded for moment.....

Episode 443

Since that incident which happened in the yacht, both of them never met anymore.

Xiao Man really worked hard, she worked hard to delete Han Li Shang in hers memory. She thought, she could this compose and would not have any skip beat for this Big Uncle, she thought she would not have anything with this Big Uncle. But...

Exploded, at the moment met, her heart could not restrain to skip beat again.

"CEO Han."

Han Li Shang expressionless moving his hand: "All withdrew!"

"Yes."

"Secretary Mo, let her in."

Listened to command, Mo Tong Xue loosen up her hand which grabbed Gong Xiao Man's neck.

She impatiently furrowed, with her cold eyes she swept a glance to Mo Xue Tong and followed Han Li Shang to get inside the CEO's office room.

The CEO's office room shut close the door, as if world back to be peaceful, Gong Xiao Man dumbfounded standing there seeing Han Li Shang sitting on the CEO's chair said nothing.

"What's matter?" coldly asked these three words which brought endless strange feeling.

Perhaps.....

Both of them really never known each other from the start! "Where is Yu Ao Tian?"

"CEO Yu only sometimes come to Berson office, most of his time is spent at State Council Office."

"Can you help me to contact him?"

Han Li Shang close his eyes, at the moment when he lifted up, there was thick cold iced gleam: "What's matter you looking for Director Yu?"

"There is none of your business. If cannot help me to contact him, just think as I never came here."

Enough! She really has enough with this Big Uncle coldness. And meeting him again, other than heartache, she really could not find any feeling.

Not understood.... that time what made her fallen for this Big Uncle, it was obvious he only brought pain for her and what else then, wasn't he?

Gong Xiao Man expressionless turned back, at the moment when she wanted to leave, from her back flown Han Li Shang strange voice..

"Ring... ring ring..."

Leaving the coffee shop, Yao Yao mobile phone is ringing, looking at the screen, it is an unknown number, who will be the person? "Hello?"

"Mrs. Feng, It's me Bartholomew, really not easy to get yours phone number."

En? How could suddenly Mr. Bartholomew phone her?

"Mr. Bartholomew, may I know what's matter?"

"Really sorry, something comes up at my company in US, perhaps not going be able to wait until your husband come back. If you have time, I hope you can on behalf your husband, to have this business talk regarding our partnership."

Ah?????

Replace Chen Yi with.... Mr. Bartholomew to have business conversation regarding their company in US?  
Isn't this joking?

But Yao Yao understood, opportunity only come one times! Her expression cold: "Alright, Mr. Bartholomew, three hours later I will come to find you, can I ?"

"En. You can.

"

Hung up the phone call, Yao Yao freeze phoned Feng Xiao: "Father... Father in Law."

"What's matter? Why such panic?"

"Mr. Bartholomew.... wanted to return back to US, he.... he wanted me to replace Chen Yi, with him.... talk about business. What to do? What to do?"

"You calm down!!" from other side of phone Feng Xiao helplessly frowned: "Since Mr. Bartholomew wanted to have business talk with you, whether me or Chen Rui won't be able to replace you, this is manner of politeness. So that, you must facing everything.

Now the thing that I can help you is, asking Chen Rui's secretary to tidying up all the documents. You must wait me in front of Feng Group, I will go to company now."

Berson Group

"Little Girl, recently how do you do?"

☞Thump thump, thump...'

Heart is beating fast along with Han Li Shang's question, it even faster than before. Gong Xiao Man constantly telling herself, '☞Little Girl, currently how do you do?' could this count as a consideration toward her? Moreover at the moment he called out '☞Little Girl' this two words, it was such.... gentle. "I am quite well."

Episode 444

"En, then, it well..." Han Liu Shang faintly smile, slowly his eyes looked down, inside his eyes there's a hint of loss gleam.

Gong Xiao Man raised her brows, raging in fume to look at Han Li Shang who is not far from him, she really wanted to ask....

Big Uncle, what do you want actually?

Since you hate me so much, such resistance toward me, why at the moment I have decided to leave you, you still asked how did I do?

That's right, it was me who keeping on amusing with you; that's right, it was me who acting such lowly cheap. But at the moment when I decided to give up, why must you come back and barging into my life?

Do you know....

Only with one greeting from you, only one considerate sentence, for me it enough to lift up all my expectation!

Damn it! Really MF damn it.

Perhaps he just asked casually, but why must I get moved! Hah... really despised myself!

Gong Xiao Man fiercely curled up her hand into fist, her nails embedded into her palm, embedded until there's red blood mark. "I take my leave first." coldly said that words, she pulled open the CEO's room door and then quickly walking out.

But heaven knows, how big her determination, so that she would not lost control of herself when she stepped out from this door and left.

Hah... before she really not understood, how could one girl possible because of man's love words then turned to be such wild and crazy even losing one's self. Now, she finally understood, at the moment when one girl has fallen so deeply toward one man, that kind of craziness, that kind of not care of one's self, and also that kind of helpless.

But....

Since when she have already fallen in love to Han Li Shang to the point she could not extricate herself anymore? Even, she really didn't know it. She only remembered.... at the first sight that time, her heart has already moved and thump.

PART 2 (Two)

"Chairman Feng."

"Chairman Feng."

At that moment when Feng Xiao's big stride getting into Feng Group, it could be said that Yao Yao have witnessed her Father in Law's Majestic Aura.

So that, Father in Law at home not at his most Majestic, but at company his image simply is....

Looking surrounded one by one the colleagues seeing Father in Law stopped his footstep, bowing with respect, she felt sobbing.

"Ugh, who is the girl that standing beside Chairman Feng?"

"Don't know ah, new face?" at the moment when Feng Xiao passing them, few of male colleagues curiously pointed at Yao Yao, starting whispered.

"Luo Yao Yao?" At this moment, Xie Zhi Qing confused scratching her head: "How can she be with Chairman Feng together?"

"Zhi Qing, do you know the girl who was beside Chairman Feng?"

Xie Zhi Qing big moist eyes rolled, she smiled and then nodding her head: "I have seen her, she seemed to be I Department colleague."

"Oh. After all the I Department has such cute and beautiful girl, too unbelievable." few of male colleague's eyes are shining brightly.

At this time, Xie Zhi Qing smiled sweetly, move to few male colleagues in front, coquettishly asked: "Neh, neh, who is more lovely between me and her?"

Few of male colleagues an instantaneously being charmed by Xie Zhi Qing, helplessly gulped their saliva, infatuated answered: "Of course you Zhi Qing."

"Humphed, see? Electric machine is electric machine." at beside few of female colleagues could not help but showed their disdainful look, cold smile....

"Chen Rui, the data which I asked you to prepare have you prepared it?" inside the Vice CEO office room, Feng Xiao coldly asked.

"Have prepared."

"Hand it to Yao Yao."

"That... Father, can you consider let me to go with Younger sister in law?" Feng Chen Rui until this time still hasn't given up.

Feng Xiao creasing his forehead: "Chen Rui, you not even understand about public politeness? Bartholomew only inviting Yao Yao, if you also go, it's only going to degrade our Feng family!"

"Oh...."

Yi. This Feng Chen Rui simply to say is type of seeking for trouble! At beside Yao Yao glanced at Feng Xiao who looked so fierce, could not help but curved up her lips smile faintly.

"Yao Yao, perhaps the time not much, but I believe on your capability, due to your memorized capability, regarding all business contract data, all is written inside, you must remember it, say it to Mr. Bartholomew, understand?"

Yao Yao nervously grabbing that document, at this time, she suddenly could feel her Father in Law regard her highly. "Father in Law, I will do to my best."

"En, I will look for driver to send you off.

"

"Alright."

Sitting inside the expensive car, Yao Yao constantly translating all the document data, recorded it. Just at this time....

The mobile phone is ringing.

"What? Alright... Mr. Bartholomew, you... wait for me, I will come immediately..." That moment when hung up the phone call, Yao Yao let out long heave sighed: "Driver Zhang, trouble you.... please drive me back to my home taking my passport, and then... we go to airport."

"Understand, Second Young Madam."

Get everything ready, Yao Yao panicking hurried to airport. Guiding by Mr.

Bartholomew's personal assistant, she check in into Mr. Bartholomew private airplane.

"Mrs. Feng, really sorry, something comes up at my company in United States, so that, I must immediately return, still trouble you, to join this trip."

Just now it was the phone call of Mr. Bartholomew at the moment when he changed his schedule.

Toward this matter, Yao Yao perfectly understood, therefore, she could see one success businessman's promise.

Actually Mr. Bartholomew no need to be so troublesome, only by one phone called, just inform the changes of the schedule more than enough. But in order to keep promise to meet Feng Chen Yi, Bartholomew made an appointment to meet up with Yao Yao, also in order to show his sincerity Bartholomew called Yao Yao to come to airport to talk about business.

"Mr. Bartholomew, being able to get your invitation, this is one of my most honor. You being able to listen to my business plan, this also make me feel so overwhelmed by honor."

"Haha, Mrs. Feng you can this understand, it really beyond my expectation. When arrived at United States, if you are willingly to stay, I will ask my people to give you VIP hospitality; if you are hurried to get back, immediately I will ask my people to send you off." Bartholomew kindly smiled.

Yao Yao smiling and nodding her head: "Okay, then I will trouble you."

"Mrs. Feng, now, we talk about business." Bartholomew directly go straight into the topic.

She choose to sit at beside Bartholomew empty seat, translate the document contain which she has familiarized before.

Airplane, it has been flying highly in the sky, Yao Yao is still gushing, while Bartholomew patiently listened to her.

Perhaps, in the past she didn't understand Feng Chen Yi, Yu Ao Tian or Hei Yan Long and others how busy they were, but at this moment, she finally could understand them.

Perhaps just in this moment, when they just sat down having rest, the next minute perhaps they must fly few mills in the sky or doing others thing.

There are many times, all of them must sit on the plane and then talking business with their customer, or in many times, during their rest time they need to hurry and done their busy works.

There is one good sentence, does the person's have money has nothing to do?

Hah, now she could only say, this sentence only for those useless zhu zhong (equal meaning with rice worm)! someone who have more money, lessen their private time; someone who have more money, busier they are!.

Episode 445

"Mrs. Feng, your business plan is so detailed, did you make it by yourself?" after Bartholomew listened to Yao Yao's explanation, could not help but heave a sighed.

She smiled, shyly nodding her head: "This business plan was made by my husband before he went." Sorry, Feng Chen Rui, your hard work, I credited to Feng Chen Yi. Just thought it as your karma retribution for years bullying Feng Chen Yi.

"Haha, never thought your husband who stills in Turkey, still be able to make this kind of business plan in very short time. From this business plan, I can feel his thick sincerity. .."

"I see, it is not Feng Group has big expectation to work with Xanders group, instead of Xiao Meng Li is the person who has big expectation to work with Xanders group, so that he had made this movement?" After Long Ye said this he helplessly shaking his head: "Fuh, Ao Tian ah, he really changes to be so patience toward Xiao Meng Li, it is so obviously everyday he is so busy, but he stills need to make time to coaxing and playing with child', really impressed by him."

Seeing the helpless expression shown by Long Ye, Long Qi didn't understand ask: "Bro? What does it mean Ao Tian likes to shoulder all matters?"

Long Ye put down the bottle of liquor, sighed: "Actually, the death of Xiao Meng Li's mother..."

When he just spoke half-way, as seen, Han Li Shang suddenly raised and has already walked to dance floor direction.

The Long's brothers curiously looked at his direction: "Li Shang, what do you want to do?"

The cold eyes are staring at the familiar figure.
