She understood him very well that's why she could be his side for longest time, compare to others women he had before. But she..

"most of my friend are envy of me because I have such magnificent boyfriend like you, while they just only can be others lover, I know you good to me, I am so grateful with everything you did for me, but still I am woman, I also expecting to have my own little family."

She thought Yu Ao Tian will be moved with her words but she wrong, his mood suddenly changed. So that she stopped to bring up the topic to have child. She still obediently consume that contraceptive pill.

Moreover, he said he still have things to do so he takes his leave first, he won't wait till the end of auction. Good bye." After Lisa said, she gave the thing to Yu Ao Tian and hurried left the place.

"What stuff that gave by Feng Chen Yi? Don't say that?" Long Ye doubted said, but he saw Yu Ao Tian has unwrapped the gift..

. "Really the thing you want!"

Just now seeing Mo Xue Tong gave Feng Chen Yi the painting that won by Yu Ao Tian.

"What are you guys playing? What schemes that Feng Chen Yi plan?" Long Qi who is still not understanding how businessmen "tricks".

His older brother who stood at his back laughed: "Ao Tian ah, it seems that Feng Chen Yi really has similar side with you, especially he likes to plunder others prey and then send back to the people. Really hard to make people to guess about this evil interest!"

"Long Ye, why don't you say that I have good eyes in seeing others?" Yu Ao Tian's eyes flashed. Stood up, he lifts up the small box, waving at the exit direction.

At the same time, in the exit way Feng Chen Yi also waving his box to Yu Ao Tian, smiled and then he left...

"Lao Liu, it seems you are underestimated both of that two brats, they are... compare to what you thought, both of them are real pain to confront!" CEO Yang attacked by saying those words.

"Lao Yang, I have received news about Yu Ao Tian intention to partnership with Feng group second young master, if the second young master really joining hand with Yu Ao Tian, in this way, there will no place for us inside China market?"

"Oh,... it seems this business fat (cash cow) later or sooner will eat by these two youngster." CEO Yang helplessly stroking his head...

"All of the guest, this is the last auction for today and also the climax. Old rule, it human auction!" after the auctioneer said, as seen there are two people who are pushing the transparent showcase slowly heading to the stage, while the inside the showcase is filled with a lady who wear sailor suit...

"Ha Ha, the most important she isn't underage so rest assured, everything has been checked clearly, this time the "product" is over 18 years old. Guarantee, it won't troublesome you, in addition if you want to make her as 14 or 15 years little girl to fulfill your imagination is still well do. Alright, let end the nonsense, the opening price is 500,000 dollar, who want to raise the price!"

"Ao Tian! Ao Tian, is it true what the auctioneer said? Flat chest is....*****? Moreover still virgin? You haven't "finished" her?" Long Qi asked without thinking, while Yu Ao Tian's face turned to be so scary already.

He has known earlier that Yao Yao "body" condition which he kept secret, he just didn't want to make public! That damn little thing!

"Long Qi, you just not know, out of Ao Tian's taste, he is always prefer the "mature" women, this little girl just high grade toy for him, is it Ao Tian?"

He lazy to deal with both of Long brothers, coldly he said: "Xue Tong, don't be hesitate with the numbers, you should win this bet, win the little thing!"

Don't be hesitate? Yu Ao Tian underlined this word boldly. After he said, he left the auction house...

**

"Miss Luo, your buyer has waiting for you in down stairs room, this is the room card." The auctioneer done and gave her the room card at Yao Yao's hand.

"How about the 1,000,000 dollar?" now she didn't want to think whether she sold or not, she also didn't want to think what would be heading in front of her, she just needed the money!"

"Rest assured, after you done with your job, the money will be transferred into your account."

"Thank..You." Ha, she is sold but still thanked the person, perhaps she is one of the most idiot ones today? But it could be understood, everyone has their own urgency?

After she goes down stairs, Yao Yao took out the room card, entered the room but when she just in half step...

"Yao Yao, what is your plan for future?"

"Ng...when I reached 22 years old have graduated from university I will take an entrance examination for graduate program, also looking for internship in big company. Perhaps after I passed the entrance, I might have little skill, in that way I might find better career. After that, at 25, I will get married, at 27 I will have child. At 30 I might have stabilized career with high position."

"Qie, you have already had Feng Young Master to support you, why do you want to be suffered? It still better you to focus be rich madam!"

"Xiao Man! I believe Feng Chen Yi will respect.

.."

She recalled the conversation between her and her best friend, Gong Xiao Man during high school time, but now... everything turned be bubbles. After she stepped in this room, she does not have right to talk about family, moreover marriage, she believe that, there is no man in this world will accept a girl that exchange her virginity with money?

"Humph, it does not matter, woman, if there is no family they still have career?" but... what is real meaning of family for woman?

She laughed clueless, takes long breath, slowly pushed open the door. "Is, is there anyone?" she used the smallest voice, walking inside the room...

But when she entered the room, she spotted that good looking face who smiled sadistically: "What? It is you?"

"As your owner, after I heard what you said, what do you think I feel?"

"You are my owner? You finally...bought me?"

"Humph? Bao Bei, your expression told me, you feel little bit regret." Yu Ao Tian said but during that time his eyes gleaming with dangerous yet obtain killing intention.

"No, as for me, whoever bought me just same."

"Just same?" she understood, whatever she said would only make Yu Ao Tian getting more and more pissed off!

"Two years ago searching for Host, two years later working as night club employee, and now sold yourself. Yao Yao, it seems that I was underestimating you, so that you just not more than "toy" in the bed, if normally you are this, why are you still pretending to be.

.. so na~ve in front of me?"

"Yu!!!" every words that the man accused on her, it was piercing deep inside her heart, but suddenly she realized there was no use to make any explanation because it just excuses. Able to stand here, did this mean how useless she, didn't she?

"Yao Yao." Yu Ao Tian crossed his leg, sitting in the bed, coldly said: "now, strip! Show me!"

She nervous and trembling, her lowered head slowly lifts up: "Please...turn off the lamp, can you?"

"Hah, now I am your owner, you don't have right to make bargain with me, understood!"

Understood! She understood very well! She bites her lips, layer by layer strip herself. After she strip herself and leave her undergarment, she weakly said: "Can it?"

"What do you think?"

She undressed herself until there is no thread left.

"Opened your hand, opened your eyes, and looked at me!"

That man coldly commanded her, she stubborn to cover her chest area. Tightly closed her eyes...

"Come closer!"

One step, second step she has stopped in front of that man.

Yu Ao Tian made fist from his hand: "I said one more time, opened your eyes and looked at me!" after he said, he forcibly pinched her chin.

"Hu." her chin is hurt so much, she opened her eyes, straightly looking at the man expression. One bead tear, the second bead tears are slowly wet her eyes like crystal clear of flower dew.

"Good, this is good." He saw that tears dropping and wet her face, evil smile, his hand caressing her white skin.

"En..." pursed lips, she stepped back one step, and then facing that man cold eyes, she just can obediently walking in front of him.

"Tell me, when you sold yourself, how did they check your body?"

"They...they..." she mumbles, she really didn't want to recall the memory about checking up her body.

"I.. forgot."

"Forgot? Does not matter! Just tell me, did they touch here?" His finger touched****

"Uh..." Yao Yao body response, hurried she shook her head: "No. No."

Episode 54

She begged him to stop but the angry Yu Ao Tian became angrier and uncontrolled. She tried to use many ways in order to make Yu Ao Tian stopped his action from the begging, crying even negotiating with him but all just in vain.

"Tell me, how they checked on you?" this is the N times Yu Ao Tian asked.

Her mouth sealed so tight finally Yu Ao Tian used the last moved. It was the disgusting ones.

He asked her to perform fellatio by hand.

Yao Yao knew there were many women slept with him and also perhaps did same things. She felt so disgusting about that thing. She refused but he forced her to do. There was nothing she can do, except crying for her fate.

Even Yu Ao Tian asked her to perform fellatio, it was not to satisfied himself but more to vent his anger on her. After torturing and taunting her verbal or physical, he stopped for moment.

Episode 55

"Bao Bei, you dares to sell yourself, you must prepare yourself to confront with various type of owner? At the moment we will continue the game."

Once Yao Yao thought what other worse thing would happen to her, her body could not stop from trembling. He teased her, he taunting her, he torturing her....

Ring...Ring...Ring... suddenly Yu Ao Tian phone ringing, even he hates to pick up the call still with unhappy expression he said: "Bao Bei, don't stop, keep on!"

Yao Yao did not dare to stop.

"Pardon me to disturb you, Ao Tian. I can't help but I think this matter will get your interest."

"Oh?" his eyes shines brightly, he really wanted to know what good news Long Ye wanted to tell him and made his mood better.

"You, asked me to find about Yao Yao... the result has came out!"

"Very good! You wait for me, I will be arrived immediately!"

Would Yu Ao Tian leaving? Would this mean? She could...

Yao Yao lifts her head as if looking at him like "Thanks for the mercy"

"Bao Bei, Your luck not bad." But.... It all depend on what Long Ye got, at that time we will see how your luck! Thinking about this, suddenly his eyes showed evil and cold sight, looking at her scar in her left shoulder.

"Thank...thank you."

"Hah! But, I don't say everything is ended. You see...how I walk now?"

His smiled deviously by pointing at his "dragon".

Yao Yao little face turned white pale: "You... whatever, actually this is already ended, isn't it?"

"Heh." He narrowed his eyes: "You can make it by mouth!"

"Using mouth? I... I cannot..."

"Are you trying to make bargaining with me, now?" He did not do "take" her first (Yao Yao still virgin until now), it means that he has showed his mercy on her. He just did not understand why this little thing still wanted to force him move another back step?

"I really cannot.

..."

Yu Ao Tian didn't give her time, he directly force "it" into her mouth.

After while....

"Little thing."

"What is this?" she bent herself, pick up something from the floor that threw by Yu Ao Tian, she saw: "Bank Note?" 100,000 dollar? What...does he mean? "I, I don't need tip!" she just wanted the amount that she needed.

"Tip? Hah, you really funny, I don't get what I expected from you, why should I give you tip?"

"But...what is about this money?"

"That is what you deserve for." The basic thing for all women who were doing it with Yu Ao Tian would always get money.

"I, I just don't understand what your meaning?"

"Not understand? Oh..

.that's right, you are not working in this field, that's why you don't know anything." He turned his back, leaving the room but before that: "That company that sold you, the money that they promised you, afraid...ah. If you really love money that much, how but consider, consider to be my lover." After he said, at that time when Yu Ao Tian leaving that place his face turned be so cold.

Even this little lamb is fell to his hand, but if today, if today he didn't show up in that auction, or he just left like Feng Chen Yi, would there be someone came and took her then ate her up?

"You damn little thing, no matter you are really that naïve or you just pretending to be naïve, you will never escape from my hand!"

At this moment, Yu Ao Tian did not want to think the reason why she sold herself, he even did not want to understand what "difficulty" she had. For domineering man like him, there is nothing more challenging to conquer the every obstacle!

After he arrived at the apartment where five people live together, Yu Ao Tian knocking the room of Long's brothers. "Where is your brother?"

The person who opened the door is Long Qi: "My big brother is on the way, just wait for him a moment, Ao Tian."

"Why are you here?" he said while sitting in the sofa.

"I just know that you asked my brother to check on that Flat Cheat identity, so that, I also come to wait for that."

"Heh, Long Qi ah, you are still so busy doing of nothing."

"Qie, you are the one busy doing of nothing, why you need to check about that flat chest"

He frowned, coldly looked at Long Qi, if not because of that scar, he will never have interest to check on that little thing!

"creak" the door opened, Long Ye and Han Li Shang are coming together.

"Ha, Ao Tian! I want to tell you two things!" once he spotted Yu Ao Tian, Long Ye who was so excited sitting in the television rack, looking at three people who sit in front of him, he blinking his eyes mysteriously: "You make a guess... who is that little thing actually?"

Han Li Shang not interested to know, so he flings aside.

Yu Ao Tian also looked so composed, but only Long Qi who seems be so excited to know: "What? Who is she? Big brother, you hurry and say!".

Episode 56

"Hah, that Xiao Meng Li... Ka Luo Men's member!"

At the moment, three of the men showed same bright eyes.

"Ka Luo Men? That is the only organization where all the members are having super high IQ?" Han Li Shang coldly opened his mouth.

"That's right! Not wrong! Moreover... this Xiao Meng Li just lost 5 point from Yu Ao Tian's IQ!"

"So that, her IQ must be 205?" no wonder she could fix her mobile phone with the computer only within 2 minutes. But... just in this time suddenly wanted to scold her with, you damn fuck talented little girl why should you come and work as elevator lady? Does this mean***?

"Brother... are you sure will all the data that you have? Because no matter how I tried to look at that flat chest really not look alike talented little girl moreover are you really sure she just lower by 5 point from Yu Ao Tian?"

"Yes, at the beginning I also suspicious with Xiao Meng Li's data regardless right or wrong. No matter how many times I made the check, the result was same. Since she was 12 she went to Japan as the number one China top student to be the exchange student, after that, she entered top one high school in Japan, besides she always got the awards, certificate and scholarship every years, at 19 she enrolled in top one university in China. You guys can take look of her data." After said, Long Ye gave the data to them.

Long Qi is so excited while he flipping page by page, carefully read: "Woah, flat chest has so many awards and certificate. Does flat chest is book worm? So that, made her looked so stupid? Foolish? So that she only good at study?"

"Whose knows." Long Ye shook his shoulder, but his face looked directly to Yu Ao Tian who looked so composed: "Uh... Ao Tian, you?"

"I just want the data before she went to Japan!" After he said, his face looked gloomy.

Long Ye took long breath, he helplessly shook his head: "Actually, this is the second thing that I want to tell you. Regarding Xiao Meng Li's data information before she was 12... all was kept as top secret by the government. No matter who the person trying to track down about her data, it was clueless. Even her data after her 12 years old was track down from Japan."

Stood up, Yu Ao Tian walked with big step. The remaining people just staring him with strange eyesight...

"Why does Yu Ao Tian only wanted flat chest data before her 12 years old? Others... why should her data kept as government top secret?"

"There are only two types of person who data would keep as government top secret, one of the types is those in highly risk with dangerous."

After hear from Han Li Shang who said with cold tone, Long Qi thought flat chest not seem as someone might in high risk dangerous, shook his head: "She does not seem to be someone in high risk dangerous, how about the second?"

"The second is... someone who has important background!" he said. Inside the house the atmosphere is so strange....

**

"No money! No money! No money! The phone is shut! The phone is shut! It seems what did Yu Ao Tian said was right, that company was.

... Hu...hu..." Yao Yao has waited for more than half day, but there was nothing changes in her account book, even the phone number cannot be phoned.

Being tricked... she was deceived!

Why, why God not take a good look of her, she has face such many troubles and yet she was deceived?

She never entered the society, so that she not really knows the dark side of the society. This time when she backed to China, the first thing she wanted to do was entered the society, only in short 2 weeks, she has tried her best to get into the situation, and also understand her situation is described as standing in thin layer of ice.

"Mom, grandpa, him..." Yao Yao looked so frustrated and sad when she came to hospital.

"Yao...Yao Yao, your grandpa...hu...hu..." Mother Luo just spoke two sentences but her tears are already streaming down.

Yao Yao knows very well that her mother is strong woman, if not because something too bad or too helpless, her mother won't ever cried.

"Mom, I, this past few years I have 100,000 dollar saving, do you think this is enough?"

"You, your saving?"

Don't ask! Don't ask! Mom, I beg you, don't ask me about this saving. I'm begging you. She's really afraid if her mother knows about this money, she will not be able to hold this pressure and also the hurt.

"Enough, enough. Enough..." Mother Luo hurriedly wiped dry her tears, she forces herself to smile. She understood her daughter, she also can see her begging eyesight, so that she did not ask the resources of that money.

And then...

Yao Yao also not explain to her mom, she knows that the money isn't enough! She made fist: "Mom, you wait for me. I will come to get the rest of the money."

"Yao Yao? What foolish thing you said? 1,000,000 dollar, what will you do to earn that much?"

"Mom, you rest assured, I won't steal or rob. You wait for me...just wait for me..." after she said, she turned her back and left the hospital.

"Yao Yao! Yao Yao...Yao Yao.. silly girl, it does not mean either steal or rob then the money mom will take it. silly... girl.

..." tears, it wet that old face of her mom, she's really afraid! Afraid that her daughter would do silly things.

When night almost comes, Yao Yao has stood in front of magnificent splendid building for half hour, her face is struggling, tensed and complicated.

"There is no way... really no other way, I don't have any option!" she made fist, gather her courage, she faster rushing inside that magnificent splendid building lobby.

"Miss, Miss! Stay still. Who do you looking for?" the security in front of the door and also the receptionist stopped her.

Yao Yao hurried to take out the name card from her pocket.

She looked at the receptionist in front of her, smiled: "Miss, please get in."

That name card was Feng Chen Yi's name card which he gave her that time when they were in elevator, for the business man the name card could mean two things, one is for business purpose and the second is the special case purposes like Yao Yao had, the 24K card name. this card name showed her special "status", so that no one can stop her when she showed that card name.

"Miss, are...you?" Lisa is the person who sits in front of the General Manager office, at moment she recalled where she ever met this little girl.

"How.. how are you." Yao Yao is trying her best to be composed, calm down and smiled: "Are you Lisa? I want to meet Feng Chen Yi."

Lisa rolled her eyes: "Excuse me, do you have appointment with General Manager Feng? If not then..."

Without waiting for Lisa, faster Yao Yao showed her that gold name card.

"Wait for moment!" turned her back, Lisa rushing got into Feng Chen Yi's office room, not long after that she came out: "Please get in."

Pushed that heavy wooden door, the first sight that caught her eyes is the splendid glamour office room, she rushed inside the room. "Feng..."

"My beloved Yao Yao, are you missing me?"

Confronting with this kind of intimidating tone and also domineering aura of Feng Chen Yi, she really hard to open her mouth, clearly first time she loved Feng Chen Yi was him, this person, this man!.

Episode 57

"Come, let me see, are you getting fatter?" he stood up, slowly step by step walking in front of Yao Yao, he looked her from head to her toe, coldly he grabbed her neck: "Or do you really going to be mother?"

"Feng Chen Yi!"

"I just give little attention to my ex-girlfriend, why are so you angry?"

He tried to smiled, but that pair of cold eyes really made her uncomfortable, but did he really concerned her. "Feng Chen Yi, I...today I don't want to argue with you."

"I also don't want to argue with you. If you have thing to say, say it!" his smiled vanish, he coldly sitting back to his chair.

Perhaps in this way he might feel little bit comfortable: "You... can you borrow me 1,000,000 dollar?"

"Hah?" His eyes gleaming coldly, he curled upward his lips: "1,000,000dollar? Yao Yao, since when you are so greedy? As I remembered when I was dating you, you never brought up money matter with me."

Indeed, when they were dating, others than he forcing her to take the presents, she really never spent single pennies of Feng Chen Yi's money. And then, after they broke two years ago, she begging him alike beggar for 1,000,000 million, she also felt ashamed. "Can...you borrow me?"

"Can!" Feng Chen Yi nodding, Yao Yao not that angry anymore, because she really needed this money so much, but at another second... "but...with what status you come to borrow money from me?"

What status? "Feng Chen Yi, you... what do you mean?"

"If you come as my ex-girlfriend, I won't borrow single penny for you. But if you come as...my lover status, I will not hesitate to give you money, moreover...you don't have to pay back!" he props his chin with his hand support on his desk and laughing.

This kind of laughing piercing deep into her which has crossed her limitation!

"Chen Yi, have you seen yesterday news? One of the Japanese CEO finally revealed that his lover is an artist. I never thought that businessman who seems to be righteousness turned to be someone who "pet"lover."

"Heh, I don't think that is the CEO problems, on contrary I thought the woman is the one who cannot make herself to be respected by man so that she becomes lover. If were you then, I will make you as my wife."

"qie! Who wants to be your wife. annoyed!"

The person that not worth to get people respect only can be lover, so that the current her in front of him is someone that not worth to be respected? "Feng Chen Yi, perhaps I might be someone lover, but...I will never yours!"

"shua (brush)" at the moment, his good looking face is changed more than gloomy expression: "Luo Yao Yao, do you refer to the man that made you pregnant?"

"Ha Ha, you guessed right! Just pretending that I never came today, good bye!" after she said, she turned and left.

"Argh...."

Yao...Luo Yao Yao!" Feng Chen Yi rushing to chase after her, but she has run far away even there no her shadow. "Damn!" he is extremely angry and glared at Lisa who sits in front of the office.

She fears, pretending see nothing and lower her head.

"Lisa, the thing that I told you to check, is there the any result yet?"

"Feng... General manager Feng... I have asked the private detective to do it. Perhaps few days there will be the result."

"Alright I understood. Now, hurry you put down all your works, quickly give this 1,000,000 bank notes to Luo Yao Yao!"

"Oh....!"

**

Outside the splendid building of Feng group, the sun sets, the night wind brushes her face, crystal beads of tears streaming down but at same time dried by the winds.

It clearly her purposed coming today was expecting to find Feng Chen Yi and gave a try to borrow money from him, but because he said that words to her suddenly she felt so sad, why should she be that sad?

Because... she still loves him, is it?

"Uh..." it cannot be denied, actually two years later after she met him for first time inside the elevator, all the past memories were flashing to her mind, but because... all those feeling just mixed with her hatred because his betrayal.

Would she really forget him? Perhaps she should really forget of him now, he is not the same Feng Chen Yi that she knew before, while she.

.. is she still same with that Yao Yao? "Hahhahahaa...." She squatting on the side street, she gave the impression of being crazy laughed while took out her mobile phone. "Hello, I am Luo Yao Yao. Was that thing you say still valid?"

"What matter?" that side of person asked, that person is Yu Ao Tian's voice.

She understood, this man is smart guy, he just pretending in order to bully and tease her, but the current her, she just not in position to bargain? "be, be your lover, that matter." After she said that last word, she cannot hold her tears anymore, her vision is blurred.

"of course. Come to Long Ye's villa number 183. I will be waiting you in here."

Ended the phone call, she wiped her tears, she stopped the taxi in the street, getting into the taxi. After this she will have the most shameful life for the rest of her life....

"Feng Chen Yi, perhaps I might be someone lover, but...I will never yours!"

During her young and inexperienced time she had enjoyed those romantic and sentimental things, she wanted him to have the best memory about her in his heart, just like she expected to keep him in her heart as the most beautiful...

"Uh...Miss Luo! Miss Luo!"

Luo Yao Yao has been getting into the taxi in front of Feng group's building while Lisa is chasing at her back. She called her, but the taxi has gone far away.

"Hello, General Manager Feng, Miss Luo has gone."

"Then you go and send to her house!"

On that phone call Feng Chen Yi yelling at Lisa with anger voice, Lisa never seen this uncontrolled and lost temper Feng Chen Yi before, he always be the composed person as she knows. But now... since when her boss is so easy to lost his temper? Perhaps, after he met that girl who named Luo Yao Yao, after she showed up that moment...

**

After she arrived at the address given by Yu Ao Tian, her eyes caught beautiful yet expensive villa. She pushed the bell button in front of the door, not long after there is no one came out.

She pushed the villa's door, she sees all the furniture seems to be new, all of them. Perhaps this is new Villa. "Excuse me, is there anyone here? I come to meet Yu Ao Tian. Excuse me, is there anyone here? I come... to meet Yu Ao Tian!" she keeps calling but there is no one answer. She just slowly walking to living room.

But inside there still no one, Yao Yao eyes is caught by the contract agreement put above the table.

She took it and read...

(The lover agreement) she read carefully every pages of the agreement document, every contents of the pages give her the feeling she really sold. Uh, actually isn't she really come to sell herself?

"Bao Bei, eh? Have you read the agreement contract?"

Turned her head, seeing Yu Ao Tian walking inside the living room. She put down the agreement contract, stood up: "I have read the content, no matter what, I accepted. But... you should promise me three things!".

Episode 58

"What are the three things?" Yu Ao Tian asked, he sat in the sofa.

"First, you cannot say anything about our relationship to the third party."

"Agree." That is what he also wanted too.

"Second, during the working time, I hope we keep our distance as boss and subordinate relationship."

"En."

"Third... you should give me two days off every week!"

"Bao bei, don't you think... you are bolder and bolder?" After he said, his cold eyes looked at her.

"Alright, one day, only one day, can I?" she just wished even one day it more than enough for herself. She looked Yu Ao Tian with begging eyesight.

While after, he nodded: "Can." He pointed at the agreement contract: "Sign it."

This lover contract is bind for three years, as for normal girl three days are more than hell. She trembling pick up the pen, hold on, paused, hesitate she...

This time, Yu Ao Tian took the agreement contract.

"You?"

"If you are unwilling, I think, you'd better don't sign it!"

"No! I... I will do it!"

"Are you sure?"

"I am..sure." actually her first expression was so hesitate but suddenly it changed so certain about her decision, she took the agreement contract from Yu Ao Tian's hand, immediately signed her name. "Give you."

After he took the agreement contract, Yu Ao Tian curl upwards his lips, smiled. His smiled really sharply pierce into her eyes.

It really true that he is really the number one yakuza big boss in Japan, he even can make the other party to lose satisfied.

She sits in the sofa thinking about her unfortunate, but at the next minute, after Yu Ao Tian said something, she just realized that she does not have any right to complain about her fortune, after all, it based on the agreement contract, there is no one force other party, everything is based on willingness of one's self.

"Alright, Bao Bei, this house is yours from now. You tell me how many maid you need." Yu Ao Tian throws bunch of keys.

"No, I don't need any maid." She hopes this matter only knows by Heaven, earth, him and herself.

"So, do you have any request, faster tell me."

"There is! I hope now you can give me.

.." let everything happen yesterday as void, now you stand in front of me... suddenly her phone ring.
"Wait a minute." She turned her back, pick up the phone: "Hello?"

"Yao Yao, this is Mother."

Mom calling, is something happen? "Mom, is grandpa, he..."

"No, your grandpa is alright now, just now there was someone who has settled all the medical fees. Now... mom just wanted to see you, having a good chat, do you have time?"

"Alright, I will come to find you." she hung her phone call, with suspicious eyesight she looked at that man who still sitting in sofa, Yu Ao Tian: "Is... you who paid all the medical fees of my grandpa?"

"En? Didn't you come to find me and agreed to be my lover because you need money for your grandpa medical fees?"

He...after all he already knew it! Since the moment she agreed to be his lover before, he has already paid all the medical fees, but how could he so sure that she would agree to be his lover?

Ha, but this is the reality, she has signed the agreement contract, she even happily to sign that agreement contract. Probably, all everything has been in Yu Ao Tian grasped?

At this moment, Yao Yao could sense how scary this man, Yu Ao Tian who sitting in front of her, he is deep and unpredictable, she just similar to the toy in Yu Ao Tian's hand, a chess piece or the doll.

But how can Yu Ao Tian found out about Yao Yao's grandpa sickness? Was it because the report that Long Ye made. He actually not satisfied with the contains of the information, so that if he really wanted to know more about her, he must start it from her family member, so in this way, he got the information about her grandpa sickness, just because of this he knew that she would agree to be his lover!

Before she officially becomes Yu Ao Tian's lover, Yao Yao asked him to give her three hours for visiting the hospital to meet her mom, wanted to know what she mom wanted to tell her, the second, she wanted to take some her stuffs from her home.

After she arrived at hospital, she just knew that her grandpa has moved to the VIP single room, the patient room really beautiful. "Mom"

"Yao Yao, you come.

We, we talk at outside." Mother Luo looking at the grandpa who has slept, nervously she brought her out from the patient room: "Your grandpa condition is already stabilized, after three days he will go for surgery. About the money... that, tomorrow I will change your grandpa room to the ordinary ones, on this way... the money that your boyfriend gave that 2,000,000 dollar, at least you can give back to him 800,000 dollar."

Boyfriend? "Mom, he... is he told you?"

"Ha ha Ha, it was his assistant who gave the money. I didn't see the person." After she said, Mother Luo cannot hold her tears anymore, she crying. Nervously Yao Yao hugged her: "Yao Yao, Mom... mom really sorry to you, I am sorry!"

With heavy and guilty feeling, mother Luo regained herself, when that assistant gave her that money she felt something amiss, but grandpa condition is worst and she could not delay anymore, so she just took the money. Inside her heart, there is nothing than she so sorry to her daughter.

"Mom...mom! I, I don't understand your meaning, why are you saying sorry to me?" she loosen her hug, she tried her best to pretend that she is so happy: "He and I, actually we have been together for long time, he really treats me very well, very good. Or else how could he gave money for grandpa?"

"Yao Yao, you don't need to say anything, you are my daughter, am I not know you? anyway, you should remember, if you really not happy, I beg you not to force yourself because of money, even mom needs to sacrifice everything, mom will work to the utmost in order to pay back the money to that man!"

There is nothing can compete and compare to this twos, the mother and daughter, Mother Luo knows very well her daughter characters, since she was a kid she could force herself to the utmost in order to make other happy, even now, Mother Luo could see that her daughter will try her utmost to act happily so that she does not worry about her, and then, she only can see her but cannot help to lessen her burden!

After Yao Yao said good bye to her mother, she went to her house, just arrived at in front...

"Miss Luo, I have waited you for long time, finally you go home."

Is she? She is Feng Chen Yi secretary who named is Lisa? "Is there a problem?"

"This is our General Manager said that should be given to you. Beside that he said, he really sorry for everything happen this afternoon." After said, Lisa gave her the bank note in Yao Yao hand.

At the moment, she felt everything is so ridicule, not understood... she really not understood Feng Chen Yi, what game he played?

Meeting him is pain, finally after she decided to give up, he even comes to give her new hopes. Did he know how difficult to give up on one feeling, but when she took that... at the moment she....

The big bead of tears one by one fall down, she really does not know with this kind of feeling she should receive this bank note. If, if this bank note came little bit earlier, if he did not say that thing in his office, perhaps she should not...

It's too late, everything just too late...

"brush" "brush", as if that bank note in her hand suddenly changed to be snowflake, she raised her hand as if she surrender to heaven, alike the patches of snow falling slowly and melting, this just like her feeling for Feng Chen Yi that scattered and torn into pieces...

.

Episode 59

She came back to that cold Villa, opened the room at second floor, that man has already lying in bed, waving his hand: "Come here."

Her footsteps felt so heavy, Yao Yao rest herself at the bedside, when she just wanted to rest suddenly Yu Ao Tian has already pulled her down to his embrace.

Yao Yao might seem to be so "cooperate" with Yu Ao Tian, cooperate to stay still doing nothing, no denial, no refuse, no objection but because of these No's he was so unhappy.

Yu Ao Tian tried to provoke Yao Yao and just as predicted for Yao Yao's short tempered, he got hers.

The beginning she has given up, not wanted to struggle or did anything just let him to toyed her but because of Yu Ao Tian, she provoked. She regained herself back, the hot-stubborn character.

"You have won, why do you still want to dig my wound by provoking me?" She said.

But Yu Ao Tian never thought he as winner because if not her grandpa sickness, would she obediently send herself to his in front door? Yu Ao Tian is someone value process more so that won over this kind of thing, he made him not happy.

"Dig into your wound? Hah, I just want to tell you, since you are already be my lover you should obey to the rules, knowing your own status!" he half kneel at the bed, gradually touch her little face, that handsome face get closer to her face: "Little thing, if you really want to through peaceful days within three years, you better know your status, or else..."

this three years you will live as if you death!" he loosens up, coldly turned: "I hope there is nothing like this happen in the future, I leave." After he said, he slammed the door and left.

His words just similar to the reaper, one by one gets into her ears, it stayed long. Now, she doubted herself, maybe she has made agreement with devil.

She crying because she felt ashamed and also humiliated at the same time, she did not know when she could get up from this nightmare....

"CEO Yu, our Berson Group annual report has already done, I have gave it to secretary Mo."

"En, I understand, later I will review it." his voice is low but sounded stern.

This is Yao Yao first time to hear the conversation between Yu Ao Tian with his subordinates, the way his usual speaking completely different, this kind of manner really on contrary. She also doubted whether the man who standing at her back is still a same man with the Yu Ao Tian she knew!

Suddenly, she feels strange there is hand that touched her shoulder, she tilted her head...

What is Yu Ao Tian doing? Nervously she looked at her surrounded, still better all those high management executives are standing at Yu Ao Tian's back, while only him who stands right behind her, so no one is paying attention to this.

She moves her body, she really wanted to sway away that hand in her shoulder, but who knows...

His hand becomes more brazen because he slips his hand in her dress.

"Uh." Yao Yao was shocked with her sudden moan, she afraid to catch other attention, she bites her lips, furrowed her brow.

"Oh yeah, CEO Yu, two days ago during the business forum, the board director of Mo Lin had informed you something."

"What?" the way he spoke still so normal, but his nasty hands are stroking and moving, touching her sensitive parts.

That touching arousing her tension, she forced herself, she wanted to stop his bad intention but there still outsiders, so that better for her to endure, her white face suddenly turned red.

"The President Director of Mo Lin president is inviting you to have meal on this Friday."

"Meal? Asked General Manager Long to go, I don't have time."

It obviously, Yu Ao Tian mood is good today, at least he does not say any cold words to frustrate her but he even bickering with her.

"Yu Ao Tian! You have promised me, in company we will keep distance as...Boss with subordinate?"

"Didn't this afternoon we were keeping that distance as Boss and subordinate? You just not mentioned... the boss cannot harass the subordinate?" After he said, Yu Ao Tian handsome face just brushed to her small face.

Yao Yao bites her lips tightly: "You, you are twisting the words and forcing the logic."

"En? Well, Bao Bei when you "wet" how should I call you?"

Seeing how he teasing her, her face turned hot and red.

This should be mentioned, facing with this kind of body which has high sensitiveness, he loves it so much, loves to death!

He really likes to play with the today Yao Yao, she is so naÃ¯ve have little girl innocent but at same time she have woman charming aura. The yesterday Yao Yao was similar with deathly wood without any charm so he hates that.

Aiya, aiya, what should he do? Every time he teases her, he really covered with guilty feeling, but he just cannot stop it..
