

Pure Girl 521

Episode 521

"Oh, Director Zhang, I am only acting as the acting president. It is not necessarily the last one to spend."

"Look at everyone, let's see, the wind is only 22 years old now, it is not easy to have such humility." Several CEOs said with amazement, and quickly waved to the waiter: "I don't want to give it to the wind." Always pouring wine, why are you so eye-popping?"

"Yes, yes. Chairman Zhang."

Feng Chenyi saw this and grabbed the cup with his hand: "Chairman Zhang, it is very late today."

"Well?" The man who took the lead turned his eyes and smirked: "It's just 8 o'clock. It's just the beginning. Chen, you have rarely played since you got married. It's not, you are a wife. Strictly? Hahaha."

"That is to say. The wind is always in a hurry, you are in a hurry. Can you not be accompanied by such a beautiful female assistant, your wife is not at ease?" One of the bosses smiled and pointed at the wind Yi Xie Qing around.

Xie Yuqing hurriedly shyly bowed his head: "General Liu, you said what you said."

"Hey? I am still embarrassed? Hahaha, nothing, in our circle, secretary, assistant, that is our second 'Yinai help'. Rest assured, little girl, you follow the wind, the wind will not Treat you badly!"

I was stunned by everyone. Xie Yuqing's lovely little face couldn't help but hang a touch of red glow. The watery eyes were even more embarrassed to sneak into the eyes and winds: "The wind is always, look at them, how can you... "

"Like this, Director Zhang, I am waiting for a while, for a while, I have to go back." Feng Chenyi coldly cut off the words of Xie Yuqing, just like she did not see her spoiled, with the bosses Communicate.

The face of Xie Yuqing suddenly sank.

"Well, good. Waiter, hurry, pour the wine!"

As everyone is focused on drinking, Feng Chenyi moved to the corner of the box. "I am going home at 9 o'clock." Undoubtedly, this call was made to Yaoyao.

"OK, all right."

Hanging up the phone, Feng Chenyi went back to the bosses and drunk with them.

Xie Yiqing, who had always had a bad face, sat there without expression, and her eyes inadvertently saw a mobile phone on the coffee table.

Her eyes turned, secretly slamming her phone in her pocket and hurried out of the box.

"Hey?" Drumming up the gang, looking at the phone of Feng Chenyi: "Stupid?" In the call record, there was a phone number called "Stupid". "The original Feng Chen Yi Guan her wife called idiot? Then tell me how stupid. Hehe..." The watery eyes flashed, she directly hit the past...

🔔bell, bell, bell'

The phone that had just been hung up soon rang again. Yao Yao looked at the caller ID: "Hey? Hey? Chen Yi?!"

One second, two seconds, no one spoke in the phone.

Did you accidentally press the repeat button?

When Yaoyao just wanted to hang up the phone, he only listened... a familiar voice came from the phone. "Chen Yi, you drink less. Yeah, you see the wine spilled on your clothes, I will help you rub it."

☒Tear and tear,' followed by a harsh voice, and then the phone hangs up.

The mobile phone fell off in the hands of Yaoyao, and she sat on the sofa with no expression.

The voice just was Xie Yuqing. Everyone was a woman. She heard the concern of Xie Yuqing in her speech at the first time.

However, she believes that Feng Chenyi can do it, even if Xie Yuqing intends, Feng Chenyi will not pay attention to it, there is no problem...

The rotating pointer is from 9 o'clock to 10 o'clock and then 11 o'clock.

It has been two hours since Feng Chenyi arrived at home at 9 o'clock.

Yaoyao looked at his mobile phone over and over again, for fear of missing the phone of Feng Chenyi because there was no signal. But the signal has always been smooth, why did Chen Yi still not return home now?

Chen Yi is not an irresponsible man. He said that he will arrive at home at 9 o'clock. Even if something changes, he will call in advance.

Is it...

What happened to Chen Yi?

A bad thought passed, Yao Yao quickly dialed the phone of Feng Chenyi.

☒beep..

.beep..."kacha'

The phone was connected, and before she could talk to the wind, she hurriedly asked: "Chen Yi, where are you?"

"Hey? Wind lady... is it?"

On the other side of the phone, Xie Yuqing's voice was heard again, and Yao Yao's face sank.

Just listen, Xie Yuqing on the other side of the phone opened again: "Mr. Feng, I am the assistant of Chen Yi, my name is Xie Yuqing, I am really embarrassed, Chen Yi is not convenient to answer your call now."

Oh...hehe...

Xie Yuqing, this is too obvious, right? When the face of the wind is on the face, is it a bite of a singer? Had she not witnessed the trick of Xie Yuqing last time, I am afraid that she would have to 'zhong' this woman's plan today!

The purpose of Xie Yuqing is nothing more than forcing himself to quarrel with Chen Yi. After that, Chen Yi will feel that he is unreasonable, and he is jealous with a female assistant. In the end, Chen Yi will hate himself more and more, and he will increasingly doubt Chen Yi.

Is it like this? Is Xie Yuqing the purpose?

Call...

Yaoyao secretly spit a sigh of relief, calmly said: "Oh, this way. Then trouble you Miss Xie, when Chenyi is convenient to call back to me, you are asking him to call me back."

Obviously, when Xie Yuqing on the other side of the phone heard the "wind wife"'s self-reported response, it was obviously a glimpse. "Oh, that, that's good..

."

But at this time, Feng Chenyi did not know when it appeared, and grabbed the phone in the hands of Xie Yuqing, and gave her a cold look. "Hey?"

"Chen Yi?"

Upon hearing the sound of Yao Yao in the phone, the cold feeling of Feng Chenyi hanging on his face immediately melted: "Sorry, I suddenly had an accident here and forgot to call you."

"Nothing, you are safe. Right, when are you going home tonight?"

When asked about this question, Feng Chenyi's look was obviously tight: "You sleep on your own today, I may... don't go back."

In an instant, Yao Yao on the other side of the phone frowned slightly: "Chen Yi? You..." Believe him, believe him, there will be nothing. "Well, well, I will rest first."

Finally hang up the phone, Feng Chen Yi Shen looked at a place. The next second, his faint scorpion flashed and quickly voted for Xie Yuqing: "Who allowed you to pick me up?!"

"Wind... wind always, sorry. I see that you just took CT, the phone has been ringing, so I am..."

Originally, Feng Chenyi was still in the club, but when he was about to leave at 9 o'clock, he suddenly fainted and was sent directly to the hospital.

"Miss Xie, I don't know if Lisa told you during the training. I hate people touching my personal belongings!"

"Wind, wind, I am really sorry, I, I did not mean it."

Seeing that Xie Yuqing was scared to cry out, Feng Chenyi looked at the time on the phone with no expression: "It is already late, Miss Xie, thank you for sending me to the hospital, you can go back."

Episode 522

"Oh, uh... the wind is always... goodbye." Waiting for Xie Yuqing's grievances turned his head, the expression hanging on his face was cold...

She does not believe that there are no cats in the world who have not eaten fish; she does not believe that there will be 100% of women in the world who trust their husbands!

"Let's walk..." The whispered whispered down, and Xie Yuqing's mouth couldn't help but hang a strange smile and walked slowly into the elevator...

"Mr. Feng, I have already contacted your doctor in Turkey. The doctor gave me the answer, did you have similar symptoms when you were in Turkey?" In the doctor's office, I was responsible for the wind. The doctor who was diagnosed and treated seriously asked.

He was silent for a long while, and nodded coldly: "Well."

"In order to avoid misdiagnosis and to more accurately detect your condition, you may need to do several tests in a while."

"Doctor. Can't you give me the results of the diagnosis now?" Feng Chenyi asked coldly.

The doctor pondered for a while and slowly said: "Sorry, Mr. Feng, according to your doctor in Turkey, you left early in Turkey without doing a full inspection, so we can't give you a rash. Diagnose report."

At that time, because of the sudden accident in Yaoyao, Feng Chenyi left Turkey and flew to the United States in advance without waiting for all the inspections.

"I understand, when will I be diagnosed after I have done a full face check this evening?"

"It's about half a month or so. I will ask the nurse to send a diagnostic report to your email address."

"Ok....."

Early the next morning.

Yao Yao, who slept on the sofa for a night, slowly opened his eyes and looked at the empty room. Chen Yi... really didn't return overnight!

Get up, wash your face, brush your teeth, and find no trace of loss on her face. She didn't even think about whether Chen Yi was with Xie Yuqing this night.

This may be trust.

When Feng Chenyi resolutely decided to marry her; when she came back from the island, Feng Chenyi gave her endless trust, then she also had to return the endless trust of her man.

Moreover, she just did not know how to face the wind and the future.

"Xiaoluo, good morning."

"Good morning."

"Little Luo, good morning."

"Good morning."

"

Like saying hello to colleagues, nothing happened, she smiled and sat on the elevator.

"Early."

"Early... um?!" When Yao Yao just turned and closed the elevator door, he immediately found something wrong and turned to look at the man who greeted himself. "Hey... Qilian senior?!"

Inside the office of the Ministry of Justice.

Qilian Aoyun sat at his desk and Yaoyao sat facing him. "Qianlian senior? How do you... will come to the legal department of Fengshi?"

"Well? I am not going to have a holiday right away, I am going to prepare for an internship. I will go to work with her brother's company through Kexin."

"Oh, that's it..." No! wrong! wrong! Yaoyao shook his head in a panic: "Qianlian senior, you should go to Bosen? How come you come to Fengshi? You can't wonder if Feng and Bosen are competitors in some projects? "

"Know, otherwise, why should I come to Fengshi? Nowadays, in the business world, it is only Fengshi who can compete with Bosen?" Qilian's tone is so dull.

It's like saying in a regular tone, I just want to be against Bosen, so I chose Bosson's rival company!

"Why?"

"Why what?" Qilian proudly smiled shallowly, supporting his head with one hand, and slowly said: "Don't you come to Fengshi and marry Fengchenyi not to be against Bosen?"

Qilian seniors actually know? Why do Qilian seniors know everything?

Oh, this may be the reason for their high quality blood. Yu Aotian has a strong insight. Relatively, his younger brother can guess one or two.

But...

Qilian's schoolmaster said the wrong thing. She came to Fengshi to fight against Aotian, but she married Fengchenyi...but it has nothing to do with revenge. When she has already defaulted to this marriage, she has already defaulted to the fact that Feng Chenyi is her husband!

"Not the same, Qilian senior. You, me, are different!"

"What is different?"

"Oh, I have nothing to do with Yu Aotian.

He killed my mother. I will definitely use all means to avenge. But you...but it is the younger brother of Yu Aotian. You have no reason to really want Yu Aotian died!"

From the beginning, she simply thought that the hatred between the brothers should not be difficult to solve; but with Qilian's arrogance and re-enactment, it's hard to be proud of the sky, and now the battlefield is brought to business, she There is a hunch that there must be a complicated past between the brothers. but.....

This is not enough to make Qilian Aoyun so eager to want to be arrogant. after all.....

Blood is thicker than water!

"It turned out that the man killed your mother?" Qilian Aoyun's melancholy scorpion instantly ignited a anger. He shook his head and said incredulously: "He really is a little animal with no blood. I still I thought he was true to you, I didn't expect... It turned out to be purposeful too... Oh... Hehehe.

.. Look at my decision today is right! He really damn it!"

It turns out that Qilian's senior school did not know the fact that Yuao's murder of his mother? He just guessed that he had a hatred with Yu Aotian?

It is inevitable to develop things to an irreparable point. Yaoyao is cold and cold: "Qianlian senior, that is the thing between me and Yu Aotian, I will solve it myself. And I, still, that sentence, you are him. Dear brother."

"Pro, brother? Hehe...hehehe..." Qilian proudly smiled and got up. The white face with a gloomy look slowly went to her: "You ask him, is there any?" Think of me as my biological brother?"

"Qianlian seniors, at least in my opinion, Yu Aotian's affection for you is absolutely true!"

"Oh, I thought that his feelings for you are also true. As a result, did he not kill your mother?"

Yaoyao language plug, for a time did not know how to reply to Qilian proud cloud, she never felt that Yu Aotian had feelings for himself, but ... he killed his mother is also a fact!

"Yao Yao, have you tried not to be thrown into your orphanage by your own brother? Is it 5 years?" Qi Jin, Luo Yun hands into his pocket, turned to face the floor-to-ceiling windows in the office: "I tried When I was 9 years old, he was thrown into the orphanage. He said that he would pick me up, but when I was 14 years old, I took it away."

When I was 9? That is, 13 years ago, when the Huamei Villa broke out?

The Qilian schoolmaster knows that I don't know about the Huamei Villa case? At that time, Yu Aotian should have turned to Japan? How could he be with the Qilian seniors? ! "Hey..."

"I was taken to Japan at the age of 14 and thought that I have not seen it for five years. He will have a lot of words to tell me. At the very least, I will give me an explanation. Tell me why it is five years to lose me. But... I was waiting for indifference. He was with the cold, the dragon, the dragon, the Mo Xue, while he was a brother, but at the same time as the full dragon, he pretended not to know me."

Episode 523

At that time, when Qilian Aoyun was sent to the orphanage by Yu Aotian at the age of 9, he was actually looking forward to his brother to pick up his own.

Year after year, year after year, that full of expectations has turned into a loss, and then ... disappointed.

Finally, when he was 14 years old, Yu Aotian finally fulfilled his promise to pick him up. His disappointment was swept away. Although his face did not show excitement, he was very happy.

but.....

Yu Aotian's attitude towards this younger brother is like a passerby.

Sometimes, he ran to the Royal Dragon Club. The younger brother of Yulong Society would ask about their relationship. When Qilian Aoyun wanted to say that Yu Aotian was his brother, Yu Aotian would be denying it!

I remember one time, Qilian Aoyun had a conflict with his classmates when he was at school. The classmates called out a gang who was very famous in Japan at that time. Qilian Aoyun did not hesitate to call Yu Aotian, but Yu Aotian responded to him...

Solve your own things.

From that moment on, Qilian Aoyun was completely disappointed with his brother, and he never relied on Yu Aotian again.

"I have been calmly facing everything. After all, I have not seen it for 5 years. It is possible that my brothers will become passers-by. Yu Aotian likes to ignore my brother. I don't have to rely on him. But, guess what? Qilian proudly turned and smiled and looked at Yaoyao: "I like swimming at the time. He forced me to study hard. I like astronomy. He forced me to study politics; no matter what I like." He will always force me to learn another one! Of course, these are not enough to make me hate him."

Stepping forward to Yaoyao, Qilian's body leaned at his desk and said with a smile: "I liked a woman when I was 18, and politely, I took me. The girlfriend introduced to Yu Aotian. The result... guess what?"

Breathing, suddenly intensified...

Looking at the gradual turbid eyes of Qilian Aoyun, Yaoyao has vaguely guessed the ending of the matter!

"Looks like you guessed? Yes, my brother! It happened to my girlfriend..."

Yao Yao's chest is like being slammed by something, Yao Yao's brain instantly fell into a blank space...

How can Yu Aotian be such a person? Didn't even kiss my brother's girlfriend? How can he do this? How can you do this? What kind of injury was this for Qilian Aoyun, who was only 18 years old at the time? !

Yaoyao is not sensible. The content that Qilian Aoyun said before is actually disguised in expressing his love for Yu Aotian. For Yu Aotian's dependence, Yu Aotian responded with indifference. Proud cloud is already an endless injury, and then...

"Now, you understand why I hate you so much after knowing that you are his woman?!" Meng, Qilian Aoyun pulled Yaoyao from position. "If, the woman of Yu Aotian is not your Luo Yaoyao; if, I have not fallen in love with you. I can use it to hurt him with the damage that Yu Aotian gave me!"

why are you!

why are you!

This is the most sentence that Qilian Aoyun asked after learning that Yaoyao is Yu Aotian's lover!

He hates Yu Aotian, but he loves Yaoyao. He can't vent his hatred to Yaoyao. The kind of annoyance and pain is self-evident. He can only say a sentence... Why are you? The trouble in his heart.

"Hey... Qilian, I..."

"Amazing cloud!"

The door of the Qkacha' office suddenly opened, and the wind came in with a smile.

When she saw Qilian Aoyun and Yaoyao entangled, her face suddenly sank: "Luo Yaoyao, why are you in the office of Aoyun?!" Woman, is a very intuitive creature, she glance at it I noticed something wrong between them.

Qilian proudly smiled and loosened the hand that grabbed Yao Yao's arm.

She explained in a panic: "I, I saw Qilian's seniors come to work and say hello to him."

"Is this the case?" The wind can be seen with no expression on the Qilian proud cloud.

He shrugged with a smile: "Otherwise?" The melancholy dawn casts Yaoyao: "Yes, there will be a winter holiday in the school tomorrow. Although you have gone through the semi-lost procedure, you still have to go."

"Know, I know. I will go first, and I will continue to be a senior." Yao Yao nodded in a blank expression, but when he passed by with Fengjiaxin..

The wind can be quietly whispered: "You don't forget, when you married my wind home on the first day, what did I say to you?!"

☞Take your blessing, the news that you married my second brother is called Qilian's senior knowledge. After I successfully won the Qilian seniors! Hey. '

☞After maybe, he is your brother-in-law. But... I don't want to have any scandals at home, do you understand? ! '

Oh, don't say that Qilian Aoyun is now a boyfriend of Fengjiaxin, even if it is not, she will not have anything with Qilian Aoyun! "Do not worry." Out of the office of Qilian Aoyun.

She didn't stop for a moment and went straight to the office of Feng Chenyi. "Lisa, is the wind always coming to work?"

"Well, come."

Waiting for Yao Yao just to push the door...

"Hey, Mrs. Wind. Don't go in. The wind is always dealing with things inside."

"Oh, that's good. I am here for a while."

"Come, sit." Lisa enthusiastically pulled out a chair and asked Yao Yao to sit down: "How? How? You told the wind, are you pregnant?"

The white face was tight, and she looked around nervously and found that there was no one around, and it was a sigh of relief. "Alright, I haven't had time to say it. I... I am thinking about it, I have to choose one... When will I tell him?"

"Hey. Then let's hurry up, maybe the wind is always happy, give us a holiday of ten or twenty days.

"

Oh, huh, huh... If you know the wind, you don't know how to vent your anger to their heads. Is it a holiday? Ugh.....

“Oh,”

Suddenly, the door of the president's office suddenly opened.

Yaoyao subconsciously looked at the direction of the door...

I saw that Xie Yuqing walked out with no expression and saw her for the first time. "Hi, it's you."

There have been so many things before, Yao Yao really does not know how to face Xie Yuqing: "Hello."

"How come you come to the president's office? I last saw the company you came with the chairman. What the hell are you doing?"

"Xie assistant, don't you know, Miss Luo is..." Lisa just wanted to speak.

Yaoyao immediately interrupted: "Miss Xie, I am an IT department, but occasionally responsible for the legal issues of our company."

"Hey, you are really amazing. I have to ask any legal questions that I don't understand in the future. I have to ask you."

"Oh, polite."

"Then be the first thing, I will go first." Xie Yuqing smiled sweetly, and waved his arm and turned around and left.

Lisa, who was watching all of this, sighed heavily, saying: "Mr. Wind, why don't you explain everything to Xie Assistant?"

Episode 524

"Oh, sister Lisa, you are the secretary of Chen Yi. I should spend more time with me and Chen Yi. See what you are, what should you feel?"

Yes, from the first day of Xie Yuqing's internship to the assistant department, Lisa saw that the girl's eyes would discharge. It's definitely not a fuel-efficient light, and from time to time, I'll ask about some of the company's high-level privacy. data. "But you should know more about the wind than I do, and the general wind will not be hooked by her talents."

"Oh, I know Chen Yi. But... I also know what is easy to hide from the gun. Now she doesn't know who I am, then I am dark. So, there is no need to ask her to figure out herself now. Who is the enemy?"

Well.....

After listening to Yaoyao, Lisa couldn't help but take a breath of air. She was worried that this wind lady would be envious of Xie Yuqing. Now it seems...

Oh, huh, huh, the wind is not a fuel-efficient lamp. Before the combination of Yaoyao with a pair of ten hot means, Lisa felt that his fears were completely superfluous!

☞knock knock knock'

"Enter!"

Carefully pushed open the door of the office and found that Feng Chenyi was bowing his head and writing something. Yao Yao smiled mysteriously. "The wind is always, can you talk to you about private topics?"

"Dear, can your voice be disgusting?" Feng Chenyi still lowered his head and looked at the things in his hand.

She was upset with an unhappy smile: "I didn't mean it, I was suddenly seen by you." I opened the office chair and sat down blankly.

"Oh, my fault, my fault, I will not expose you in the future."

"Cut!"

See Yaoyao still posing unhappy.

Feng Chenyi shook his head helplessly, put down the documents in his hand, walked slowly to her side, gently sipped on her cheek: "Wife, not angry, okay?"

Yaoyao's little face 'ㄟ' suddenly appeared red, this is the second time she heard Feng Chen yelling at her wife, and it is in such a solemn place. "You, can you be disgusting!"

"Oh. Say, what happened to me suddenly?"

"There is nothing too important. I just want to ask you... Qilian, are you recruiting?"

Feng Chenyi turned his eyes and slowly sat back on the office chair: "Well, I was looking for me in the first two days, saying that I want to introduce his boyfriend to Fengshi.

I have read the resume of Qilian Aoyun. Personally, he was recruited to the Ministry of Justice. What happened?"

"Hey..." Yao Yao's embarrassed screaming, tentatively asked: "You, no... can... dismiss the Qilian senior?"

"Why?"

"Ok....."

When I saw Yao Yao's difficult look, Feng Chenyi's pair of cold scorpions sank and sneered: "Because he is the younger brother of Yu Aotian?"

"You... you already know?!" Yao Yao's incredible eyes wide open.

"In the very early days, Yu Aotian told me that he had a younger brother. This time, after Xin Xin introduced Qilian Aoyun, I talked with Qilian Aoyun alone. He told me myself. He is the younger brother of Yu Aotian." The cold scorpion flashed, and the body of Feng Chenyi naturally relied on the back of the office chair: "I don't feel the feeling of Yu Aotian for his brother; I feel that Qilian Aoyun hates Yu Aotian.

Therefore, I specially recruited Qilian Aoyun. It has nothing to do with Kexin."

"Do you want to take advantage of Qilian Aoyun to control Yu Aotian?!"

"There is nothing better than the brothers who can feel the heart of Yu Aotian, isn't it? So, Qilian Aoyun is the best person to contain Yu Aotian!"

Yes. Just because of the relationship between their brothers, and Yu Aotian's feelings for his younger brother, many things on Yu Aotian will make Qilian's proud, but... "Chen Yi, don't be like this, they are brothers after all. Even if the schoolmaster hates Yu Aotian, it is not up to us to provide the collapse of their brothers!"

The moment of 尴尬, the cold face of Feng Chenyi was shrouded in a coldness. He blinked coldly and slowly grabbed Yao Yao's little hand: "You...reluctant?!"

The small hand that was caught was shaken intensely. Although the wind was so ambiguous, Yao Yao understood what it meant.

Reluctant?

Reluctant? !

Is it like this? From the moment she saw Qilian Aoyun appear in Fengshi, her first reaction was to not see the brothers killed.

But...

This is precisely the performance of Yu Aotian's other kind of mercy? ! "Sorry, Chen Yi, maybe I haven't figured out the direction of the matter. I just want to take revenge, but I forgot that once this hatred begins, there is no need to think too much, and there is no need to pay attention to the relationship between their brothers. Sorry..."

Yes, there really is no need to worry so much.

The addition of Qilian Aoyun will undoubtedly further promote her goal of revenge, isn't it?

"You go out first." Feng Chenyi coldly let go of the hand holding her hand.

Yao Yao's faceless eyes hang down: "Chen Yi, arrange me to the Legal Department."

"Ok?"

"In these days, my energy is on the side of Bossen, but I know that your current situation is also being bitten by Feng Chenrui. At the same time as the war with Yu Aotian, I hope that I can do it myself. To be your wife's obligation, to settle with you, Feng Rui, can you?"

Yaoyao always felt that he had not done anything for Feng Chenyi, but Feng Chenyi clearly saw everything Yaoyao paid for himself during this time.

If it is not for him, how can Yaoyao hate Lan Pei Ni; if it is not for him, how can Yao Yao fly the opportunity? If it is not for him, how can those senior executives who have taken leave to voluntarily reduce their salary by 20% to stay.

Obviously doing a lot, Yao Yao still blindly think that he has done nothing.

Feng Chenyi knows very well why she has such a heart, nothing more than to make up for the owe in her heart.

The more guilty the guilt is, the more you will ignore your credit; the more you ignore the things you do, the more you can prove...

Up to now, Yaoyao has not re-established love with him!

"I know, I will arrange it by then. You should go out first." Feng Chenyi squeezed out a smile and looked at the back of Yaoyao slowly leaving the office.

The next second, his faint scorpion gradually became a touch of sadness and helplessness...

The campus of the First University was not so lively, and all the students who were welcoming the last assessment of the winter vacation sat neatly on both sides of the playground.

The first university pays attention to the comprehensive development of moral, intellectual, physical and artistic work. Therefore, this sports meeting is a physical assessment and an ordinary sports meeting.

"Below, there is a director who asks the director to give a speech to all the students." After the host finished speaking, Yu Aotian walked slowly to the rostrum.

"It's really rare, the director of the board is so busy, can still attend our sports meeting. After a while, I must find him to take a photo."

"I want to go too! If you take his group photo, it will be convenient to go to work later?".

Episode 525

"Of course....."

Listening to the worship of the surrounding students on Yu Aotian, Yao Yao looked down with no expression...

Nowadays, the image of Yu Aotian is undoubtedly like God, but who knows what the male god has done?

Looking at the Qilian Aoyun who is sitting in the third-grade area, I believe that Qilian's mood will be the same at the moment.

"Flat chest, are you finally willing to go back to school?" Sitting in the back row of Long Qi squeezed to Yao Yao's side.

She looked at Long Qi's eyes for the first time, but she immediately reacted. Her hatred is between Yu and Ao, and it has nothing to do with other people. Isn't it? "I don't want to come back, but I promised that the school is a semi-study procedure. I have to attend this kind of activity."

"Oh, obviously it is a school tyrant. Now I don't really want to learn? How? After marriage, did you patronize the world with your husband?"

After being ridiculed by Long Qi, Yao Yao's emotion immediately relaxed: "Are you not? Is it so clear that you don't like learning, but now it seems to adapt to campus life?"

"What to adapt to? I was asked by my parents two days ago."

"Being invited to the parents?" Yao Yao sneered with a sneer: "I haven't known what it's like to be asked by my parents until now."

"Oh, you are so arrogant, are you not a good student? How can you be asked by parents?"

"If you say Long Qi, why are you being asked by parents?"

"Oh..." Long Qi reluctantly scratched his head and looked at the distance with a look of scorpion: "The principal said that I developed a social group in school and shouted my brother."

This happened just a while ago.

Long Hao inexplicably received a call from the principal and ran to the principal's room without warning. As soon as he enters, the headmaster is licking his face and counting his face...

☒Mr. Long, your brother has developed a social group at the First University. Do you know this? '

'I do not know. '

'Ugh! Then you have to ask your younger brother. The students of our first university are all in accordance with the rules. Now the teacher finds that many of them have tattoos, and many parents also respond to the fact that they have no nights. If I don't look at the face of the board of directors, I will not take such a low-key approach to this matter. '

☒Yes..

.Yes...Thank you, principal, I'm going to manage Long Qi.ç” Long Hao didn't feel so embarrassed in his life.

When I got home, I gathered a lot of people to give a big fight to Long Qi.

”Aotian, are you talking about it first? Or do I say it first?ç” Long Hao and Yu Aotian looked at his eyes.

Yu Aotian's cold mouth: "I will talk about it first. 'The cold eyes cast on Long Qi who stood in front of her: ”I sent you to school, what is the purpose? You are so amazing, just go to school for a few months, give me a club? "

”It's none of my business, they have to follow me! "

”Are you still talking? ! Regardless of their initiative, or your initiative, I ask you, did you engage in a community? ! "

'Yes.....'

”Dismiss me immediately! The words of Yu Aotian are unquestionable.

When Long Qi just wants to explain, Long Hao has opened his mouth: 'Long Qi, you have to know how embarrassing your brother is today, give me a snack! When the principal had seen me before, he didn't nod his head and he was swaying. Today, he can do it well. He even pointed at my nose and counted me! all because of you! '

”What's the special thing, the old man dares to be so arrogant? I am going to find someone to kill him! "

Long Yu and Yu Aotian's embarrassment, suddenly angered by the seven-year-old smoke: ”Give me back! Then there was a skunk, and it was not enough to directly take Long Qi.

"Hey, until now, my brother and Aotian ignored me. I am so fucking!" Long Qi looked down with a blank expression.

I don't know why, Yaoyao who heard his narrative had an impulse to laugh.

She did not live with them, such as Yu Aotian, Long Qi, and Long Yao. Every time they saw the mode of getting along with these people, they all felt like they saw the harmony of a family. "Then, did you develop a triad group in school?"

"Of course.

.."

"Dragon boss, the game is about to begin, you are going to prepare." Just when Long Qi wanted to deny, a student walked in front of him with respect and respect.

"Don't say it first, Princess Taiping, I am going to participate in the competition." Said, Long Qi followed the student to leave.

Looking at Yaoyao, they are already looking dumbfounded. Long Qi still dare to deny that he has not organized a society? Why did the student call him the boss?

Really served Long Qi, is he a born gangster? How can I organize a community out there? !

"Come on! Come on! Dragon boss, come on!" The girls sitting next to the competition venue held flower balls and kept adding oil to Long Qi.

Looking at the Yaoyao in the eyes, can't help but frown, not so blatant? It is no wonder that the principal will ask Long Hao's brother to go over. If this continues, Long Hao's brother has to be asked to talk.

The slamming of the 门, the 100m sprint competition of the first-year boys' group began.

Long Qi arrived at the finish line with his natural sports cell, and he quickly opened one of the boxes placed at the end. After taking a quick look at the paper strip, I quickly ran to the front of Yaoyao:
"Follow me!"

"Ah?" Not waiting for Yaoyao to react, he was pulled to the unmanned lounge by Longqi.

"Long Qi, what are you doing? Are you not a game?"

"Yes, it's the game, there is no you... How can I finish it?" I saw, Long Qi's bad smile, and the paper in his hand shook in front of Yao Yao's eyes.

When she saw the glare on the note, her little face tightened instantly: "You...not...look for me.

..borrow?!"

The so-called "borrowing sprint" is the 400-meter runway. The first person who arrives at the finish line can take a task at random and follow the instructions of the task. The person who takes the lead in completing the task is the winner!

However...

The task that Long Qi has drawn is...

Borrow... bra!

"Yeah, hurry up to me." Said, Long Qi himself raised his hand.

Yaoyao struggled in a panic: "Don't! Stop, Long Qi! Stop!"

Where will she be Long Qi's opponent, just three or two times, his hand will penetrate into Yaoyao's clothes.

Nervously holding down the palm of Long Qi's upward movement, she pleaded: "Wait! I, I picked it off for you, don't move! Ok?!"

"No, I can take it myself."

"Not this problem, Long Qi! We are different from men and women!" Feeling that Long Qi climbed onto the palm of her chest, her excited emotions instantly cooled down, and there was a flash of tears in her eyes.

Long Qi seems to have finally reacted to men and women with other problems, and the black and white eyes are suddenly ignited by a flame....

Episode 526

Yaoyao suddenly noticed something wrong: "Long Qi, you, what are you doing?!" If his purpose was to complete the task at the beginning, then now...

"Yao... Yaoyao..." Gradually, Long Qi's white face was covered with a layer of red glow that was difficult to suppress. The nose could not help but spit out a warm breath, and the other idle hand was tight. Covered her waist.

Oops!

The fearful eyes looked at Long Qi's eyes filled with fire, and...

Undoubtedly, Long Qi he... "Long Qi, you calm down!" Yao Yao struggled hard.

Long Qi is like being lost. She slowly leaned over to her. "Yao Yao, hehe..."

"Don't... don't do this, Long Qi..."

"I want to kiss you... Yaoyao..." With the rapid breathing, Long Qi kissed her uncontrollably.

"Hey!" The pupil slammed open...

"Hey! Hey..." Don't be like this Long Qi! Don't call me hate you! Don't...

don't...

The small mouth was sealed, she could only make a 嗔怪' resentment, but she could feel the friendship of Longqi, but it was constantly dimmed because of his more dismissal.

Yaoyao humiliated and closed his eyes.

At that moment, the flame contained in Long Qi's eyes became more and more intense.

"Call...call..." Long Qi left her lips with a disappointment: "Yao, Yao, I am so good... I am so uncomfortable. When I saw Aotian picking you on the yacht, I almost dreamed every night. , Yaoyao, give it to me..."

Yacht? What did Long Qi see on the yacht? The brain is not too much to think about.

"Long Qi! You are sober!" Yao Yao is eager to call back Long Qi's reason with his own snoring.

But he is only 19 years old, and he has never had the experience of men and women. He certainly cannot control the impulse of hormones.

Seeing Long Qi still indifferent, Yao Yao's eyes turned: "Yu Aotian!" looked horrified at the door of the lounge.

When he heard the name, Long Qi suddenly stopped, and the next second, he quickly looked back.

It was discovered that the entrance to the lounge was empty.

Taking advantage of this opportunity, Yaoyao pushed open his own dragon, and raised his hand in anger.

啪! , a small slap in the face of Long Qi's face.

The eyes covered by the flame instantly restored the light of the past. He looked at the angry Yaoyao in front of him, and subconsciously stepped back.

.. "What am I doing? What have I done?!"

Self-blame and jealousy, wrapped around my heart.

Long Qi resentfully clenched her fist: "What the hell am I doing?!" The fist hit heavy on the cold wall, and the blood ran down his arm on the white wall.

He can't forgive himself for this irrational behavior, and this woman is still...

In the face of Longqi's self-abuse behavior, Yao Yao looked at everything with cold eyes, and the watery eyes were full of loss. She hates Long Qi and hates Long Qi to destroy the relationship between them and destroy the harmony between them.

When this happens, no matter what, they can't go back to the past!

Yaoyao remained silent and quickly disappeared into the lounge.

"Yao..." Long Qi wanted to pull her to apologize to her, but she stopped the action.

At this moment, an apology for him has not helped, even if Yaoyao will forgive him for this stupid behavior, he can not forgive his actions!

"Oh, huh, I am not mature enough, I really can't do big things. Oh..." The self-blame whispered, his mind couldn't help but reverberate with the scenes of Yao Yao's encounter and the acquaintance with Yu Aotian. Becoming a picture of a difficult encounter...

Long Qi, born in a small fishing village, is a picture of a mountain name when it is remembered.

Unlike other children, other children have the care of their parents when they are born. When he was born, there is only one brother who is 9 years older than himself. He can be said that his brother is his father and he. Mom.

With a little bit of growth, Long Qi has the same naughty and inferiority as a normal boy. Compared with those who have no father or mother, he is like a sun in the fishing village. I was infected by the cheerful character of this younger brother.

However, who knows the true heart of this boy?

He didn't remember to hang up his parents; he was not curious about where his parents went. But my brother is really too hard. He can only use his cheerfulness to cover up his inner loneliness, so that his brother is not worried about himself.

Until the age of 7 years, when Yu Aotian entered the world of their brothers, his life has undergone earth-shaking changes.

When I first arrived in Japan, the days they had lived were simply non-human life. But the brothers of the Dragon family used to suffer, and they didn't feel anything.

And Yu Aotian's show is always the provincial side, they know that one day they will have a good day.

I just didn't expect that morning and evening... so early!

It's only a year or so before they arrived in Japan. They are very famous. Looking at the efforts of their brothers, the 8-year-old Long Qi is powerless.

Therefore, he began to train himself constantly; constantly strengthen and enhance his ability. However, at the age of 12, he has already risen to the position of the third team leader of the Royal Dragon Club!

In Japan, Yu Aotian of Yulong Society is a god-like character; however, in Japan, Long Qi is a legendary figure. It can be said that he is a symbol of the times.

At the age of 12 or 13, no one can be enemies. He has always been known as the leader of the Royal Dragon Club.

Many adults must shoot his ass, and many political officials are afraid to provoke him.

With such high achievement and status, Long Qi has no half-time pride, and always keeps the smirk of that face. The character like the sun infects the entire Yulong Society.

Unfortunately,

The task of the sun is to glow and heat to warm others. Is the sun itself warm?

Not necessarily.

Long Qi is not happy!

He has more or less already felt that because of his youth, Yu Aotian, Long Yao, Han Liyu and others will avoid him when discussing any major events.

Although, he repeatedly said that he has grown up, but in the eyes of those brothers and sisters, he will always be a boy no matter how much he makes meritorious deeds.

That being the case, then by their side, he can only play the role of a boy. They are constantly told to be happy and continue to bring laughter to them. Only then will they not alienate him..

Episode 527

At the age of 17 years, Yu Aotian moved half of the forces of Yulongshe to China. At the same time, they also started to buy and sell.

When everyone was happy and laughing, Long Qi was sad and sad. because.....

His mind is all about how to build a good dragon club, but there is no interest in managing business at all.

Undoubtedly, he has a certain gap with those brothers and sisters.

Long Qi always said that I don't like business, I don't like to go to school, I just like to fight. In fact, is this not his manifestation of inferiority?

In order not to be abandoned by his brothers and sisters, he trains his body more than anyone else; finally, he can catch up with the pace of his brother and sister, and his brother and sister are running to business again. His age seems to have already It is doomed that he is slower than his brother and sister even if he tries hard.

That being the case, he can only return to the original point; since he has not been able to follow, he can only manage the Yulong Society when everyone's attention is in business and politics.

Many people say that Long Qi will definitely be the successor of Yulong Society; many people say that Long Qi is a gangster.

But in the eyes of Long Qi, he felt that he was nothing!

Because there are a group of too many capable brothers and sisters around him who shrouded his light.

Yu Aotian's ability to control power; cold and sorrowful sniper ability and high education; Long Hao's super communicative ability and adaptable mind; Mo Xueyan's wisdom and beauty.

Compared with them, he can play besides... What else? !

As for Long Qi's life, it is also very monotonous. He spends 30% of his time playing with his brother and sister; 30% play on his own; another 40% is sleeping. Who is the boy who is not as big as him in the Royal Dragon Club? He can only be alone to cater to his brother, sister, or loneliness to solve his own troubles.

Until...

The emergence of Yaoyao!

Needless to say, Yaoyao is the first to attract Long Qi... her age!

The 19-year-old bad boy knows that he will have new toys in the future! Just don't know when it will be annoying.

After all, with Long Qi's high-quality appearance and extraordinary status, many girls will be wrapped around him. Before coming to China, Long Qi's mind was on the underworld. He had no time to pay attention to those annoying girls. After coming to China, his time was very abundant, but the girls around him were already very strange. He had already seen through cold eyes.

Everything. Those girls are not willing to touch them.

Perhaps, the reason he was interested in Yaoyao at first was because she was a woman of Yu Aotian, so she would not have any interest in her relationship with her.

Sure enough, the more time I contacted Yao Yao, the more real the smile on the face of Long Qi. He no longer has to go to the past to show that kind of false smile.

Over time, in the adult world, Yaoyao is the lover and girlfriend of Yu Aotian; in the world of Long Qi, Yaoyao has changed from his new toy to his playmate.

Seeing her crying, he will feel bad; seeing her laughing, he will also be happy; if someone bullies her, he has a background in that person, and he is not wrong. It is such a simple relationship, it is such a simple friendship.

However, the simple Long Qi has never noticed that he has actually sensationalized Yao Yao in unconsciously.

I thought that the 19-year-old girls were all the same; I thought that girls who had never set foot in society would be as simple and cute as Yaoyao.

However, after he really came to the campus and witnessed a 19-year-old girl, the irritability of the girl once again swept away.

When everyone thinks that Long Qi has become fond of going to school, it is because he is used to campus life, only he knows...

The purpose of coming to school is to meet Yaoyao.

Since Yaoyao married Feng Chenyi, he has not found any reason to meet her. Since Yaoyao and Yu Aotian have become enemies, he does not know how to call Yaoyao to accept himself again.

During the winter holiday, Long Qi knew that Yaoyao would come. He had been looking forward to many days and finally waited for a day with her reasonable excuses to talk and chat.

Unfortunately,

Under the impulse, he made this kind of thing!

Regret?

Regret! He regretted that he had hurt Yaoyao; he regretted doing something that he was sorry for, and he regretted the relationship between him and Yaoyao.

But...

It is also because of this move that the 19-year-old boy finally found his feelings for this girl!

At the moment when the sensible reply, Long Qi is heartbroken, heartbroken, and heartbreaking.

This is the feeling of heart that hurts the person who likes it.

He can't face Yaoyao; he can't face Yuao Tian; he is even more unassuming to face his brother who has raised his own strength.

It's just... reminiscent of the feeling of heartbeat when you like someone; it's a wait-and-see feeling of waiting for someone, but it's like that people are lingering and forgetting.

Unfortunately,

Those beautiful pictures, beautiful memories, beautiful love, beautiful friendship, beautiful family, are gradually broken, until they become powder, disappearing...

"Luo Yao Yao, Dragon boss shouted what you did?"

When Yaoyao returned to the stands, the girls curiously came together.

She lowered her head and barely squeezed out a smile: "Nothing, huh, he... just ask me for help."

"Hey, you have been there for a long time. The game is over. I still want to see the dragon come first, and the result falls on the waiver. Right, Luo Yaoyao, that dragon boss? Why didn't you Come back together?"

The distressed dawn squinted at the entrance to the lounge. "I don't know. After he asked me for help, we separated."

"Oh..."

this way... It's weird, Ming Ming Long boss is so looking forward to this sports meeting, how suddenly disappeared?"

Oh, she is not the same?

Today, Gong Xiaoman has gone through the formalities of dropping out of school. Her only friend in the school seems to be Long Qi, but unfortunately...

Things are human!

This long-awaited university has changed its taste. Many people may not know who Yaoyao is. Similarly, she also saw many strange faces. Every classmate has already found a good companion, but she...has become a single shadow...

"The president of Qilian is cheering! The president of Qilian is cheering!" The grand third-year grandstand came with a deafening shout.

"Wow, the president of Qilian is really popular. The girls in the junior year are cheering for him." The freshmen of the first grade all looked at each other. They were really inferior to the enthusiasm of the schoolmates.

"What about the popularity? Don't you know that the president of the company is talking to us?" The girl sitting next to the wind and beside the right smiled proudly..

Episode 528

"I just heard that the schoolmaster was talking to Kexin, but I didn't expect it... it turned out to be true."

"That is, right? Can you be sweet? Everyone is envious of you."

In the face of the envious eyes that everyone has cast, the wind that is living in pride is a smile that is disdainful: "Is there any envy? Is it not worthy of him that he is not even proud?"

"No, no, we don't mean it." A few girls screamed and didn't say anything again.

At this time, Qilian Aoyun, who had already got the task, walked quickly toward the area of the freshman.

"Hey, the schoolmaster has come over. You guess what mission he will get? Isn't that the person who likes it?" The girls have speculated and can't help but look at the wind.

She looked at her facelessly and proudly.

At this moment, the footsteps of Qilian Aoyun stopped in front of Yaoyao.

"Well? How do you even find the schoolmaster to find Luo Yaoyao? What is the mission?" The students frowned at their incredible thoughts.

Qilian Aoyun completely ignored the gossip of the students and slowly extended his hand to Yaoyao in the crowd...

Perhaps it was entangled in the shadow of Long Qi. When Qilian Aoyun reached out, she moved emotionally backwards: "Qianlian senior, what are you doing?!"

"Of course... complete the task."

"Hey, hey, Qilian senior, what is your mission?" Several gossip girls asked curiously.

Qilian proudly smiled and slowly opened the note: "The task says to find a... pregnant woman!"

At the moment of 哗然, everyone turned their eyes to Yaoyao.

"Luo Yao Yao is pregnant?"

"Isn't it? I can't see it at all. No wonder she will suddenly go through the half-study procedure. Was it pregnant?" Many students still don't know the news of Yaoyao's marriage, and they wonder whether Yaoyao will be unmarried. Although this is no stranger to the university, how much will still be judged by the head.

Yaoyao's face is ugly looking at Qilian's proud cloud. What does Qilian's senior school mean?

He did this, and the arguments of the students will be heard by Yu Aotian, who is sitting on the podium position!

She does not want to call Yu Aotian know the fact that she is pregnant!

The restless dawn consciously moved to the position of the rostrum...

Five meters away, Yu Aotian, who is in the position of the podium, is watching her!

Oh... I took a sigh of cold air. From his sullen look, Yu Aotian should still hear the arguments of the students, is it? !

At this moment, Qilian Aoyun's sad eyes were dark: "You will be wrong, I mean... one day I will call Yaoyao a pregnant woman! But now... she is not, look Come, the task is not finished." Pick up the paper strip of the task, he walked away with his hands in his pocket and smiled away.

Looking at the fading back, Yao Yao wants to know... What kind of tricks does Qilian Aoyun want to do? !

"Can... can be sweet, have you just heard what the schoolmaster said? He said, he would call...

Luo Yaoyao pregnant, I got it wrong, or..."

Still waiting for the girl next to her, the wind stopped cold and stopped her words: "Oh, don't think too much. The reason why Luo Yaoyao will leave school is because she married my second brother. Now, She is my second sister."

"Hey! Really fake? Luo Yaoyao married to the wind two young masters?"

"Ok."

In an instant, all the girls who heard this couldn't help but admire, swear, and hate. To know the door of the wind home, but there are countless women who want to step into it. Who would have thought that they would be robbed by the young girl like Luo Yaoyao? !

but.....

The sultry face that defended Yao Yao gradually sank.

"Well, everyone, the sports meeting is over, below, the sports assessment of the winter vacation, officially started." As the host's words fell, only heard the voice of the girls' sadness in the playground.

Physical assessment is probably the easiest thing for boys, but for girls... it's a torment.

4000 meters long run. The class leader of each class draws lots to decide which class starts first.

Each class runs in order.

Yao Yao, who is ready to follow, is running slowly along with the team.

"My God, I am really exhausted. I can't stand it anymore." Only 2000 meters away, there are many girls who give up.

But Yaoyao's face did not show any hardship at all.

"Luo Yao Yao, you are really amazing, don't you feel tired at all?"

Hearing the voice of the girl next to her, she smiled slightly: "Get used to it."

"got used to?!"

Uh.....

Yeah, she doesn't have the habit of running in the morning every morning. Why do she subconsciously say that they are used to three words? Is it... is it blue? !

"Oh..." At this moment, the girl who was running behind Yaoyao fell to her body.

Due to inertia, Yaoyao was also overwhelmed by the ground.

"Are you all right?" Several girls saw this and rushed forward to help.

Yaoyao is still moving on the ground, hurting... The stomach seems to be... a little painful...

Oops!

Child!

"Luo Yaoyao, are you okay? Get up soon." There was an anxious inquiry from the girls.

Her face was pale and she frowned. Will the child be thrown?

You can't have anything! Nothing can happen! She quickly sat up and grabbed her stomach with a small hand. Baby, are you okay?

The heart was disturbed and violently beating. When Yaoyao returned to God, he discovered that the eyes around him were full of doubts.

"Luo Yaoyao, have you fallen to your stomach?"

"No. No!" Hurry and put down the hand that was holding his stomach.

"Let's run now."

No... I can't run anymore, what if the child has an accident. "I, I want to give up this assessment." Standing up, she quickly disappeared into the eyes of everyone and went straight to the bathroom.

Found that there is no blood, she took a long sigh of relief: "Fortunately.."

. baby is okay." A gentle smile hangs to the corner of his mouth.

She walked out of the bathroom, unscrewed the faucet, just washed her hands, but jerked her head and looked at the mirror...

its not right.....

Do you not want to shed this child? But why do you think that this child will be so nervous when he is thrown? !

This.....

Is it the instinct of being a mother?

Instinct to protect the soft meat in the abdomen; instinct to protect this little life; no matter who his child is, can never change is that he is his own flesh and blood!

Scorpio...

What cruel thing she did! It is necessary to kill this innocent little life. But if...

Leave him... what will be waiting for himself?

The eyes of Shui Ling presented a stunned look. Yaoyao, who was determined to shed this child, at this moment, after feeling the mother's mood, gradually developed the impulse to give birth to this child.

Just then, there was another figure in the bright mirror...

Yu!Ao!Tian!.

Episode 529

The mind was suddenly pulled back, and she subconsciously looked back at the door of the bathroom, and her expression immediately cooled down.

Take out a piece of paper and wipe it off. Yao Yao is like nothing but walking past Yu Aotian.

"you are pregnant?"

A cold words caught her footsteps: "Yu, are you talking to me?"

The big hand slammed her wrist: "Is it pregnant?!"

Feeling the more force of the hand on the wrist, Yao Yao took a breath: "Oh..."

Yu Ao's consciousness of the world has loosened his hand.

"Yu, I don't know why you said this. If I am pregnant, I can't go to the games."

"Aoyun is not a person who likes to make fun of this kind of thing. Moreover, when you fall, why is the first thing to sit up is to lick your stomach?!" Before Lenovo, Yaoyao was unreasonable in the elevator. In the words, Yu Ao Tian has affirmed his own guess!

How to do? This man seems to have noticed it!

She is obviously just a casual action. This man with sharp eyes can see the clue. If things are delaying, one day sooner or later, Yu Aotian will calculate that this child... is his child!

Just when Yaoyao didn't know how to answer Yu Aotian, Qilian Aoyun walked slowly behind them: "You don't think I know me well, Yu Aotian. I especially like this now. Just kidding!"

Seeing the arrogant appearance of Qilian Aoyun, Yu Aotian stunned his eyes, and the bottomless scorpion once again voted for Yaoyao: "Tell me, are you pregnant?!"

"No!" Yaoyao gave a firm answer.

Yu Aotian's brow was tight, and she reached out and grabbed her arm.

"Yu Aotian, what are you doing?!"

"Do check!" The cold words are able to see how nervous Yu Aotian is to this matter and how strong the reaction is.

"Let go!" Yao Yao tried to open his hand.

In the cold-eyed look at all this, Qilian proudly squinted and rubbed his eyes, and seized the collar of Yu Aotian: "Do you not feel that you are overbearing now? Yaoyao is now Wind Chen Yi's wife, the wheel got you to take people to check?"

"Aoyun! I haven't asked why you ran to work at Feng's work. Don't let me in this matter!"

"Oh, hehehe, it's ridiculous. Yu Aotian, where do I go to work, what are you doing? I am just your brother on the blood, and the rest, we have nothing to do with it!" The hand of Yu Aotian's collar, Qi Lian's proud and gloomy smile.

"Amazing cloud!"

"Yu Aotian, I was picked up by you when I was 14 years old, almost you told me to do something, I will not promise you right away. But you know why, when you ask me to study legal profession, I will be so refreshing. Promise?!"

Looking at the sullen smile on the face of Qilian Aoyun, Yu Aotian kept silent for expressionless expression.

"Oh, you should guess, because... I have to personally... send your boss to jail! Do you think that you can engage in business and politics now to cover up the fact that you used to be a club boss? One day.

.. I will expose everything that you have been dirty in front of everyone!"

Do not.....

Do not!

Yao Yao, who stood on the side, started to shake, and Qilian Aoyun knew that he didn't know why Yu Aotian would become the boss of the underworld. !

Why can he look at a brother who wants to restore his family with such a disgusted look? Why can he use his vicious language to ridicule and defile, a brother who has worked hard to raise him? !

I want to be in the abyss of the black, with a genius and a talented mind. It is impossible to walk into the black abyss.

It was because of helplessness that it was because of being forced by life that it was because of his incompetence at the time that he was forced to start from the underworld.

Why can't the Qilian seniors understand Yuyaotian? !

"Hey..." Don't worry! leave it! This is something between their brothers and has nothing to do with themselves. leave it. When Yao Yao was about to speak for Yu Aotian, he suddenly remembered the conversation in the office of Feng Chenyi, and he could only swallow all the words.

"Oh, huh, huh..." At this moment, a cold face of Yu Aotian suddenly smiled disdainfully: "I have always had a long-awaited brother, I have been working hard to send me to prison." .

..It's quite like you." The ironic eyes cast on Yaoyao.

Her brow instantly screwed up: "Yu Aotian, do you want to kill my mother, will I betray you?!"

"Oh, yes, right... all this is what I asked for myself." Yu Ao Tian is a sly smile, but the luster between his eyes makes people look like that heartbreak, so desolate.

Yaoyao's heart even hurts, why does Yu Aotian reveal such a look... ! He... Is there anything unspeakable? !

"Oh, yes." The sly scorpion became cold, and the arrogant singer laughed and patted the shoulders of Qiu Lianyun: "Brother may have forgotten to tell you that your tuition at university is also a brother." When the boss of the underworld earned it." The words fell, and he left without returning.

Qilian proudly resentfully clenched his fist and whispered: "Yu Aotian, one day, one day, I will double the money to you!"

Looking sideways, looking at the excited Qilian proud cloud, in fact, Yaoyao wants to ask him, even if he doubled the money to Yu Aotian, but ...

the benefits of raising, how to go back? !

Hospital entrance.

Qilian proudly stunned Yaoyao next to his eyes and said coldly: "Are you really making a decision?"

"Well..." If it wasn't for the strong attitude of Yu Aotian today, maybe she would not make a decision so quickly. Now, he just suspects that she has a strong reaction when she has a child. When she really determines everything, what will happen, she really can't think.

Stepping into the hospital.

After doing a few checks, Yaoyao held a baby's B-sound and sat on the bench in the corridor waiting for Qilian Aoyun to go through the formalities of abortion.

"Hey..."

"Mom! Mom!"

In the hallway, the voice of children whispered from time to time. His eyes swept to the woman in the hallway, who was about to become a mother, and the mother who was holding the child. Yaoyao can not help but reveal the envious eyes.

If this child is not her and Yu Aotian, perhaps, she will be like the mommy, looking forward to the child's coming.

"I have already gone through the formalities, go to the operating room." Qilian Aoyun held a list and walked up to her.

Get up and look at the B-hand in his hand.

Is this her baby? Although she is not yet an adult, she preaches that this child must be very smart, that is, do not know whether it is a boy or a girl?

Unfortunately, she will not know this result in her life.

"Luo Yao Yao, is that?"

Lying on the cold operating table, looking at the expressionless doctor, she nodded silently..

Episode 530

"Do you confirm the flow of people?"

Cold little hands climbed on their lower abdomen...

Child... This is the last time my mother touched you.

Sorry, it is the mother's selfish deprivation that you have the opportunity to see the world.

This is what my mother owes you. If there is an afterlife, my mother will be born to you. But this life... I don't have this courage. I don't even know what your birth will bring to your mother.

do you know? Mother's mother passed away, and the person who killed my mother is... your father.

Mom hates your father, but doesn't hate you, nor has the right to hate you...but...

Mom is really scared, if you give birth to you in desperation, when you know... Mom will hate her mother when she is desperate to deal with your father.

Sorry.....

Sorry.....

Child, it's not too late for you to come.

"Well..." Yao Yao nodded hard and slowly closed his eyes. Two lines of sad tears flowed down the corner of his eyes...

"Take off your pants and put your feet on the stand."

According to the doctor's order, Yao Yao just had to untie his pants...

“ç”, the door of the operating room was opened from the outside: "This operation is not allowed!"

Subconsciously sitting up and looking at the imposing figure standing at the door, Yao Yao panicked and widened his eyes: "Wind...can be sweet?"

"Miss, who are you? Please go out."

"Can be sweet! You give me out!" Qilian, who was waiting at the door, kept screaming at the wind.

She opened his hand in anger and pulled his hand. The starting hand was a slap on his face: "Silver and proud, you are really good!" The cold eyes went to the doctor in the operating room: "I am the wind." The wind is so good, your dean is a good friend with my father. If you don't want to be fired, get out of it right away!"

The overbearing words fell, the doctor and the nurse saw this, and they looked at each other and walked out of the operating room.

Yaoyao wrinkled his eyebrows: "Can you? You..."

Still not waiting for her to finish the words, the wind can be stepped forward, and a slap is fanned on her face: "You are not betraying my second brother? Can you still derail the object or my boyfriend?! Luo Yaoyao, you Really kind!"

wrong! Wrong, Feng Kexin must have thought that this child is a Qilian senior, so it will be so angry! "Can be sweet, you listen to me..."

"The wind is so sweet, are you having enough trouble?" Qilian Aoyun swept his cheeks, and walked facelessly into the wind.

"Oh, what qualification do you have to question me like this?" Just now, during the Games, I felt that your conversation with Luo Yaoyao was not quite right. Who knows, I followed you and came here?! "The cold eyes cast on Yaoyao sitting on the operating table: "You are also very powerful. No wonder

when I saw you in the hospital at that time, you would be so flustered, feelings are pregnant with my boyfriend's children!"

"Xie Xin, this child is not my sister and I!"

"Yes? It doesn't matter, you don't have to explain too much to me. After all, Qilian Aoyun is just my boyfriend. I think if you have something to say, let me explain it to my second brother."

Chen Yi's heart slammed a bit. "Can be sweet, you put ... you told this thing... told Chen Yi?!"

"Of course, this kind of good show, of course, I have to inform my second brother to look at it.

If there is no accident, he should be right away..."

The door of the operating room was pushed away again from the outside.

When I saw that the person who entered was Feng Chenyi, Yao Yao's little face became white and white.

Feng Chenyi's pair of cold scorpions swept the eyes of the people in the operating room, and his eyes finally settled on the windy heart: "Chen Xin, what are you calling me here?!"

She smiled slightly: "Luo Yaoyao, are you saying, or am I saying?"

Said with a blank expression, said? Say what? I was afraid that when Chen Yi entered the hospital, he had already guessed everything. She does not have to explain to Chen Yi with her innocence with the schoolmaster, I believe that Chen Yi has already guessed who this child is!

"Since you don't say it, then I can say it." Feng Kexin smiled slightly, and his hands slowly hugged in front of him: "Second brother, your wife has a child with my boyfriend. This matter, You look at it." After that, she turned her head in the direction of the door.

Who knows, at this time, Feng Chenyi stepped forward and raised his hand, and a slap in the face fell on the windy face.

Uh... In an instant, Yao Yao's incredible eyes wide open, Chen Yi? What are you doing? !

"Second brother! Are you crazy? Actually hit me?!"

"Can be sweet, from a young age, you will be arrogant, arbitrary, I will indulge you again and again. This time, you are too much!"

"Where am I over? Now that people are married, my boyfriend takes your wife to abortion. What do you want me to think?!"

"I called Ao Yun to accompany Yaoyao. And..." The cold eyes cast on Yaoyao, whose expression is already stiff: "The child in Yaoyao's belly is mine!"

Chen Yi? !

Yaoyao's eyelids are incredible, but more are endless gratitude.

At this time, Chen Yi had every reason to follow Feng Chixin to question himself and insult himself, but not...

On the contrary, he also played a good fight to defend his dignity...

Can...

The wind and the wind are better, the guilty feelings and guilt in her heart are getting stronger!

"Second brother, since the child in Yaoyao's stomach is yours, why do you want to get rid of it?!" Feng Kexin's question of misty water.

Feng Chenyi no expression: "This child may not develop well, so I will consider it.

"

"Is this the case?" Feng Kexin looked at Yao Yao, and looked at his eyes and even proud.

Who knows, Qilian Aoyun did not even look at her when she saw it: "The wind is always, I am leaving."

"Ok."

See Qilian Aoyun left the operating room, the wind can be very embarrassed to Yaoyao bowed: "Sorry, I seem to be wrong..." Hurry and ran out to chase even the proud cloud.

In the operating room, I suddenly became quiet. Even quiet is a bit suffocating.

One minute, two minutes passed, and ten minutes later, Yaoyao broke the silence: "Thank you. Children... I will deal with it."

"No need. Give birth."

Suddenly, Yaoyao thought that he had misunderstood, but he couldn't face the face with no expression on her face. She confirmed that she should not be mistaken. "Chen Yi!" Stepped down the operating table, she rushed to the front of Feng Chenyi: "You...you don't have to!"

"If you kill your child, you should hurt your body, isn't it? If you are born, I can raise it as my own child."

"No... not this problem..." Yaoyao suddenly became incoherent, and the tears of gratitude or embarrassment rushed out.

what you want to say?

What do you want to say?

Oh, right! Chen Yi is not such a man, for love; for marriage, Chen Yi has long expressed the meaning of 'holy'.
