

Pure Girl 541

Episode 541

"Of course not!" Feng Chenyi sat next to her, slender fingers gently licking her little face: "The è'± * people really find someone to beat you, I must go back!"

"No... don't!" Yaoyao shook his head quickly and held his hand that gently stroked his cheek: "You do this, don't follow Deborah, Feng Chenrui, they are all the way." Are you relieved? I won't be beaten white, when..." Double flashes: "There will be someone who will come back for me!" A strange smile crossed the corner.

Feng Chenyi knows that it seems that his little wife has come up with new ghost ideas!

In the gorgeous villa, Deborah smiled and applied the mask. When she heard the opening of the door, she ran from the second floor to the door, hooking the neck of Feng Chenrui: "How is Luo Yaoyao beaten? ?!"

"Oh, being beaten is very serious, are you happy?!"

"Well? Chen Rui, how are you in this tone?" Unable to loosen the hands of Feng Chenrui.

"What do you say?! Who are you looking for!"

"They are the people of the Royal Dragon Club, who work best and keep their mouths shut."

"Yes! In the underworld, the Royal Dragon Club is really a party. But before you find them, why don't you ask me, the relationship between the boss of Yulongshe and my brother and sister?!"

"Ah?" Deborah stunned his mouth. "Isn't it the boss of the Royal Dragon Club that is very good with your brothers and sisters?"

"Is it very good?!" Feng Chenrui loosened the tie between his neck and sat on the sofa with an angry look: "Now, my brother and my brother and sister have a certificate to prove that you are buying a fierce attacker!"

"What should I do?"

"What can I do? I have promised to give my brother the division of the Ministry of Justice to his own, and ... cancel the position of your supervisor together!"

"Ah?" Deborah unhappily took a fist and dropped the mask on his face and threw it on the coffee table.

"What temper is it? Isn't that what you are looking for?!"

"Chen Rui, I am not angry because you have revoked my supervisor's position. But..." She frowned at the distress: "You should know that many of your black accounts are kept in the Legal Department. Now you The younger brother supervises there, one day and one day will find out everything!"

When Feng Chenyi asked him to ask the Ministry of Justice, he saw the purpose of Feng Chenyi.

The black scorpion sinks, and Feng Chenrui slowly picks up a fist: "I know, so... you must get rid of Feng Chenyi's acting president position as soon as possible!"

Feng, the Ministry of Justice.

The fact that Deborah was revoked from the position of the supervisor and the management of the Ministry of Justice belonged to the wind and the whole story was well known. This is undoubtedly a big impact on the party of Feng Chenrui.

"Sister Deborah, what happened? Why is Luo Yao Yao going to be the head of our legal department?" In the early morning, the Ministry of Personnel issued the news, and those who supported Deborah were stupid.

"Crap, people are the wife of the president, the president wants to promote her as the general manager, we can't stop it?!"

"Ah? The original Luo Yaoyao is... the wife of the wind?" This is all true.

At this time, Yaoyao, who came to work, and Qilian Aoyun walked into the office of the Ministry of Justice with a smile.

The hustle and bustle of those who got together, instantly smashed: "Lo, supervisor, good morning."

"Good morning."

"Luo supervisor, do you want coffee? I will buy it for you."

"Lo, supervisor, have you eaten breakfast? I bought one more today."

In the face of everyone's 'passion', Yao Yao really can't bear it. When she was in Bosen, she witnessed the multifaceted nature of humanity.

"Hey, it's a group of flatterers." Deborah, who turned his back to the door, rolled his eyes and looked at Yao Yao's direction.

But this... her face immediately sank!

"hi, Deborah." Yao Yao stunned and waved to Deborah, then strode into the office of the executive.

Deborah followed in with the following: "Are you not being beaten seriously?!"

"Oh, what? You can buy a fierce person and call me; can I not wear an injury?"

As soon as Deborah heard this, he clenched his fist in anger: "Do you actually play yin?!"

"I am just telling you that we are all studying law. Don't bring unclean things into holy laws, otherwise you won't have a good end! If you want to do it, you can borrow yours." Professionally and meticulously fight with me!" Yaoyao left the sentence coldly.

Deborah grinds and grinds his teeth: "Luo Yaoyao, let's walk around. For three more days, I must call you to cry out of Bosen!"

The watery eyes crossed a strange glow, and she lowered her head and said secretly: "That day, I was looking forward to it!"

For three consecutive days, Yaoyao and Qilian Aoyun were so busy.

Although the Ministry of Justice has been thoroughly mastered by Feng Chenyi, many people are still the eyeliner of Fengchenrui, so Yaoyao still has to rely on the power of Qilian.

It's just that, with the fall of Deborah, no one is holding on to her footsteps; no one is embarrassing her. This is already a great help for Yaoyao.

Three days later...

In the highest conference room of Fengshi, all the board members were present. At the end of each year, Feng will entangle all directors to hold an annual summary meeting.

The wind that has been evacuated from the front line holds 20% of the shares of Wind's shares and sits in the position of the chairman. In fact, this position should be taken by Feng Chenyi.

However, out of his respect for his father and his age, he was only sitting in the position of vice chairman.

As for the people sitting on the round table, they are all 5 percent of the board members, and Feng Chenrui is among them.

"For all the performance reports of this year's Fengshi, it has been written in the documents before everyone." Feng Chenyi, acting as the acting president, is responsible for presiding over this board meeting.

Members of the board of directors opened the file with a thickness of 10CM and looked at it page by page.

"Wind, the performance report I have read. But the trade project that you are responsible for is obviously 10% lower than the other months of the same year. Why?" One of the board members began to attack.

The other one also said: "Yes! This is exactly what I have to ask. You took over the position of acting president almost a month ago, and divided the trade, real estate, and finance that the former vice president was responsible for. Your name. But the performance report shows that since you took over, it is obviously not as good as the profit before the wind vice president. Why?"

Why...

This is also used to ask why? Feng Chenyi's faceless cold snoring, since he took over the stall of Feng Chenrui, all the customer sources were basically blocked by Feng Chenrui, leaving only some useless to him, not slipping What are you waiting for? !..

Episode 542

Silence.

In the face of questions from board members, Feng Chenyi responded with silence.

At this time, Feng Xiao suddenly opened his mouth: "Everyone, the wind has only taken over the position of the acting president for less than a month. There will definitely be a lot of discomfort. I can make the results like this. I think it is good."

"The chairman of the wind, since you retired to the second line, may rarely contact old friends in the business community. You know that you don't know, after you promote Feng Chenyi as the acting president, the outside world is unanimous about him."

The wind was so calm and smiled: "I don't understand why the outside world is not optimistic about the wind?"

"The wind is only 22 years old, and it has only entered the wind for only 2 years. On the contrary, the wind deputy is 32 years old. It has been 10 years since entering Bosen. To set off experience and interpersonal relationship, I personally think that the wind is vice It always seems more suitable for the position of competent president."

One person took the lead and immediately followed two or three board members: "Yes! We also agree with Sun's words. If the outside world does not believe in our CEO, it will definitely have doubts about our wind. You know, Feng From the initial small factory to the current international group, it has been in business for forty years. It is your hard work and our hard work to be able to board the position of the first Chinese company!"

The members of the board of directors who are sitting here are generally people who have worked with Feng Xiao to fight with Feng. Some of them are even old members of the father of Feng Xiao's father. Their voices are quite heavy!

"Everyone, since you remembered before, then do you remember how old I was when my father handed over the Feng's factory to me? But it is only 18 years old! The wind is always my son, Feng Chenyi, 22 years old. It's not enough to show that he doesn't have the ability. Look closely at this performance report. Since the general manager took over as the general manager two years ago, all the projects he is responsible for will turn almost twice as much profit. I am not a blind man, who can lead the wind. I am very clear about the higher areas of achievement!"

Hearing the wind and Xiao said, sitting in the position and watching the show, Feng Chenrui clenched a fist, even the idiot can hear how the wind Xiao Yu protects the wind and the future, how can he be willing? !

"Yeah, although the wind is superficial, the ability is what we can see. I agree that Feng always continues to take over as president." A member of the board of directors agreed to open the mouth.

In addition, several unsatisfactory board members ordered their secretaries to give themselves a document: "If the chairman of the wind insists that you must continue to take over the position of the president, then I will choose to withdraw shares!"

"I also choose to withdraw shares!"

"Me too." Three board members have already indicated the resolution. The rest of the people looked nervously at the wind...

You must know that the shares of these three people add up to only 15%, but the influence can not be underestimated. Once they withdraw their shares, they will have a huge impact on Fengshi!

"Chen Yi." Wind Xiao embarrassed look at the wind Chen Yi.

He is still as stable as Mount Tai, sitting there expressionlessly, not speaking, and without any reaction.

"Oh." At this time, Feng Chen Rui sneered and squinted at Deborah sitting behind him.

Deborah sees this and rushes to chase after victory. He has put up a folder: "The Chairman of the Wind, this is an evaluation report given by the Evaluation Bureau. It contains detailed records of the financial report issued by Feng's last year. At that time, Feng always served as the general manager. He underestimated the mistakes of a wealth management product released by our company by 3 percentage points, which caused us to lose at least 48 billion."

Deborah took out the report of last year, and there is no doubt that it is not able to declare to everyone the incompetence of the wind.

Originally, some members of the board of directors who supported Feng Chenyi immediately had doubts.

The wind was not good, and I couldn't help but kick the shoes that kicked the wind at the table.

"Well?" Feng Chenyi smiled and looked at his father.

"Wind always, are you going to say something to everyone at this time?!" Feng Xiao made a serious question.

Feng Chenyi is a smile: "There is nothing to say." Once again fell into silence.

At this moment, Feng Xiao really wants to give this son a slap, this time of burning eyebrows, if the wind is not talking, he can not keep this son!

the other side..

....

In the corridor of Feng's, Yaoyao and Qilian are walking side by side, and behind him are several colleagues from the Ministry of Justice. The momentum is as powerful as the 'police inspection', and they can walk and walk. Bring a gust of wind.

Colleagues from other departments saw their team and they were so scared that they opened a road:
"What is the situation?"

"I don't know, it looks like someone from the Legal Department?"

"Where are they going? The momentum is really scary."

"I don't know..."

People in the Ministry of Justice have taken the elevator to the conference room. At this time, Yao Yao took out his mobile phone and wrote a text message with no expression.

When the elevator door was opened again, she just finished writing and pressed the send button.

Stepping forward to the boardroom of the board of directors.

"There is a meeting inside, Miss, you can't enter." Several assistants at the entrance of the board of directors intercepted the pace of Yaoyao's move.

"I am Luo Yaoyao, the head of the Legal Department, and the wife of Feng Zong. Now, I am in a hurry to participate in this board meeting.

You can try to intercept me!" The cold words fell, she smashed it. A few assistants forcibly opened the door to the boardroom.

In an instant, the stalemate in the conference room was interrupted by Yao Yao's entry.

The wind blew cold and blinked: "How come you?!"

"The chairman of the wind, I am sorry to have interrupted the board meeting. But now I have one thing to announce in front of all the directors of the board!"

When she fell, everyone curiously frowned.

Yaoyao smiled and looked at Qilian Aoyun: "Qianlian lawyer, trouble you."

He nodded gracefully and took out a document in his hand and handed it to Yaoyao.

"The members of the board of directors, the document I am holding now is a bribery scandal within Feng's!" She walked slowly to the three shareholders who had to withdraw their shares: "In this document, the details The record..." The little hand rested on the shoulder of one of the directors.

The director immediately scared a spirit.

"Director Liu, how are you so nervous? I haven't announced it yet, you have sweated so much. If it is announced, I am afraid that your heart can't bear it!" Yao Yao satirically took back the member of the board of directors. Hands on the shoulders. "Okay, continue. This document details the private transaction records of Vice President Feng and Director Liu, Director Zhang, Sun Director, and three directors!"

When the words fell, her eyes flashed.

Qilian Aoyun took the documents in the hands of several other members of the Ministry of Justice to each member..

Episode 543

Everyone opened the file and saw that it was really a transaction record, which showed that an anonymous account transferred 80 million RMB into the accounts of the three board members last week.

"Luo lawyer! What evidence do you have? Is it that I gave Liu Director, Zhang Director and Sun Director the money?" Feng Chenrui said with no expression.

Yaoyao smiled and shrugged his shoulders: "Yes, the account is an anonymous account. I also checked that the account is not in the name of your vice president. But..." The folder in her hand she threw to Feng: "These text messages, how do you explain?!"

Seeing this, Qilian Aoyun quickly inserted a USB flash drive into the multimedia display.

The big screen immediately appeared many text messages...

☑Director Liu, 80 million, I've used my anonymous accounts to transfer to you. On the day of the board meeting, you must help me. '

☑Rest assured, I will help you beat Feng chenyi '

Several pieces of information that is subsequently sent to others are still the same.

"Vice President Feng, this phone number I have verified, it belongs to ... you!"

Suddenly, Feng Chenrui's face changed greatly, got up, and looked angry at Yaoyao: "These text messages are all fabricated by you. Do you have any ability to call the phone bureau to get this information?!"

"Vice President Feng. Don't you know that I am a world-class senior lawyer? Not to mention these text messages, if i want to verify that all your files are easy for me! Of course..." she glanced at the other members at the conference table: "I can easily check out all the transactions of everyone sitting here!"

This time, with all the evidence, the three bribed members suddenly became pale. You know, Yaoyao is just moving a little finger and sending this to the ICAC. They have to do at least 8 years in prison!

Of course, other members of the board of directors were also scared by Yao Yao's identity.

After all, how many of the businesses doing this year are clean? Who will not give it privately?

But who knows, they actually encountered the fact that the wife of the president is a world-class senior lawyer. If she wants to kill these board members, it is a breeze!

"Liu Director, Zhang Director, Sun Director, what else do you have to explain?"Feng xiao that has been silent has suddenly opened his mouth.

The three board members who supported Fengchenrui nervously clenched their fists, and half-heartedly, Liu said with a hard scalp: "The money, I did take. But the ability of feng is also obvious to everyone. Just the wind deputy Did the lawyer just prove the wind's ability with a little thing?"

"Which little thing?!" Yaoyao forcibly took over the question of Director Liu.

Deborah quickly gave the report document that the accusation Feng Chenyi miscalculated a financial management to Yaoyao.

She opened the report and glanced coldly: "Oh..."

"A strange smile smacked across the corner of his mouth. "Deborah lawyer, may I ask, who did this evaluation report?"

"The deputy director of the Evaluation Bureau, Mr. Cai."

"That's good, as long as it is not the Secretary. If I have to get rid of the director of the assessment bureau, it will be troublesome." Yao Yao screamed out of the phone and quickly dialed a number, directly opened the exemption. mention.

"This is the evaluation bureau's artificial hotline. Is there anything wrong with it?"

"I am an international lawyer Luo Yaoyao, I want your secretary to answer the phone!"

"Well?" The hotline lady on the phone was obviously stunned.

"Do you doubt my identity? I am looking for your secretary to be in a hurry. If you don't pick it up, you will be responsible for the delay!" Yao Yao screamed in anger.

The lady hurriedly responded: "Yes, please wait a moment."

After a while, the call was transferred to the director's office. "Excuse me, which one?"

"Hello, I am an international lawyer, Luo Yaoyao. Now I have to check the evaluation of Feng's three-A financial report last year."

"You are Miss Luo?!" Obviously, this director has heard of the name of Luo Yaoyao. "Let's wait."

In the boardroom of the board of directors, everyone is quietly waiting for the evaluation report.

About 3 minutes later: "Miss Luo, I have already checked it, it is released at the actual price. It is quite consistent with the overall positioning of the product."

This sentence undoubtedly shattered the report of Deborah's wind Chen Yi underestimated the financial products.

The conference room suddenly burst into commotion.

Yao Yao provoked a smile to Deborah, and then coldly said to the phone: "Secretary.

There is one more thing. Now I have to report it by real name. The deputy director of your department may be suspected of accepting bribes. I hope you have this matter." Can make a thorough investigation!"

"What?! I know. Miss Luo, for details of this matter, you are still coming to my office to talk, or I can go to your office to find you."

"Okay. That's it..." Hang up the phone, Yao Yao looked at the crowd with no expression.

At this time, the boardroom was once again in silence. Because this matter is very big, you look at me, I look at you, I don't know how to decide.

"Luo lawyer, have you said that you have finished?" At this moment, the wind and the air that had been almost silent for half an hour finally opened.

Yaoyao smiled slightly: "It is over."

"Yeah." He nodded blankly, 呲pah, pha', he clapped with both hands.

Later, Lisa walked in with 7 or 8 assistants. Each of them had a thick file in their hands, which was more magnificent than Yaoyao had just entered the conference room.

"Lisa, send those files one by one to everyone."

"Yes, President feng!"

"Everyone, board member." Feng Chenyi stood up with no expression: "Now, all the reports in your hand are recorded from the vice president of the wind and some of the top executives who took over the wind ten years ago.

Work record."

"In February of which 9 years ago, there was a real estate project with a construction cost of 1.2 billion and an account of 15 billion."

"In April, 9 years ago, there was an import and export project with an actual income of 600 million yuan and a performance of 400 million."

"among them....."

For the next half an hour, Feng Chenyi was talking incessantly. All content is related to Feng Chenrui, as well as the rest of the company's top executives, the chaotic accounts reported.

Some are corruption, while others are high-profile content to improve personal performance.

Yaoyao looked at Feng Chenyi that had been making speeches with a look of surprise. As for the scene just now, she had already communicated with Feng Chenyi. But now this scene...

She didn't know it at all!

Unexpectedly, Feng Chenyi actually mastered so many shady scenes in the company? !

If there is no accident, these contents should not be arranged by Feng Chenyi, it should be that he has already finished finishing. I was afraid that two years ago, he went to Fengshi to start collecting these materials. !

What kind of man is Feng Chenyi really? !.

Episode 544

He has been silent for two years, and now suddenly all broke out at this time, in order to deal the enemy a deadly blow, do not leave any room for the enemy to counterattack.

So vicious!

Oh, they have known each other for so many years, Yaoyao always thought that she knows Feng Chenyi very well, and thinks that he is a man with brains and extremely capable ability.

But this moment...

She seems to feel that she does not know him. His sophisticate mind, his long-term strategy, are far beyond her imagination.

Inexplicably, Yao Yao looked at Feng Chenyi in a bit of terror.

Nothing is more frightening than when a person thinks he knows each other well, but finds that he doesn't know him at all, isn't it? !

"Well, that's all I have to say." After the speech was finished, Feng Chenyi sat back in his seat without expression.

Feng Chen Rui is dumbfounded, everyone is dumbfounded, I have to say that this board meeting... really ups and downs!

In the first half, Feng Chenrui was performing, and in the second half of the game, it was a one-man show of Feng Chenyi. His speech not only proved his ability, but also proved his understanding of Feng group.

Perhaps, everyone thinks that only 2 years into the company and only 22-year-old Feng Chenyi should be just a newbie. But now, the domineering power he has shown and the ability to command everything is more advanced than those who have been in the company for decades!

"This way! Members of the board of directors, the meeting was temporarily suspended. After an hour, I will give you a decision to punish the vice president Feng Chen Rui!" Feng Xiao smacked at the table, just when he's about to get up and leave... ..

"Feng Chen Rui, you bastard!" A fierce voice came, and then Lan Ling angrily open the door of the conference room.

Not waiting for everyone to react, she went up and fought with Feng Chenrui.

Everyone is looking dumbfounded.

Feng Chenrui is also confused, he push away his wife: "are you crazy?!"

"I am crazy?! Feng Chen Rui, you have affairs with another woman, are you a man or not?!" that said, Lan Ling took out his mobile phone and pulled out a few photos for Feng Chenrui.

He saw the photos and suddenly widened his eyes.

At this time, Lan Ling's fierce eyes inadvertently turned to Deborah. "You are that bitch?!" A step forward, she grabbed Deborah's long hair and slammed it.

You must know that Lan Ling is related to the emperor of the Kingdom of Aslan. Although her status is not high, she has been strictly trained since she was a child.

Deborah is no match for her, in not a little while, Deborah's face was scratched bloodstained by Lan Ling.

"Help! Help!" Deborah screamed for help.

"See if I will kill you or not!" Lan Ling didn't show a bit of mercy.

At the side, Feng Chen Rui also only looked at his mistress being beaten, not dare to go forward.

Feng xiao saw the scene getting more and more chaotic, overturned a chair by anger: "Enough! Enough! Lan Ling, you stop!"

"Father-in-law!"

"If there is anything, go to my office and say it!" His eyes turned to several other people: "Chen Rui, Chen Yi, Yao Yao, you also come over!"

"Yes..." Everyone honestly followed Feng Xiao and went out of the conference room.

At this time, Feng chenyi who's stifling a laugh glanced at Yao Yao, who was next to him, and spit out a few words: "You did all this?"

She grinned a smirk: "Before entering the conference room, I sent a message to sister-in-law. I didn't expect her to be so brutal and made Deborah's face bleed." The content of the message that she sent when she entered the elevator. It is the photo of Feng Chen Rui and Deborah.

Now, Feng Chenyi understands that when he was looking for someone to teach Deborah a lesson, why Yao Yao didn't agree. "Oh, you are really bad!"

"Hey..."

Office of the Chairman.

Feng Xiao sat in the office chair and looked at his two sons and two daughter-in-laws with a blank expression.

"Lan Ling! You have nothing to do? run to the company to make trouble? Is it not bad enough for Chen Rui?!"

"Dad! Chen Rui keeps another woman, do you say I can't be angry?"

"If angry, go home and say, do you have to come to the company?!"

Seeing Feng Xiao was very tough, Lan Ling had to swallow her anger, and glared at Feng Chenrui.

"Well, Lan Ling, you should go home first."

"Yes."

.. father-in-law." Lan Ling walked out of the chairman's office with a sulky face.

Feng Xiao gradually turned to Feng Chenrui: "Chen Rui, how do you want to solve this problem now?" Now he finally talked about the major issue, and it is extremely serious.

Feng Chen Rui lowered his head and stretched his face. He was powerless and said: "Listen to your arrangement."

"Chen Yi, now you are the president, the decision-making power is in you, how do you deal with Chen Rui?!" Feng Xiao throws this problem to Feng Chenyi.

After a moment of silence, he said coldly: "After vice president Feng fills the company's deficit, he may resign."

Is this too light? With the three crimes of bribery, embezzlement, and over-reporting, if it is handed over to the judiciary, he must be sentenced to at least 10 years.

Yao Yao's incomprehensible look at Feng Chenyi, he waited for so long, isn't he just looking for a chance to avenge for Lan Pei Ni's family? Why is Chen Yi choosing to be merciful at this best time? !

"Chen Rui, do you agree with your brother's handling?"

"Agree." Feng Chen Rui is still posing a look of weakness. He is very clear about his current situation. He's totally defeated. Not only have people exposed him, but even his 'grand graves' have been dug up.

"That's good, Chen Rui, you can go back to the boardroom first."

"Well..." Feng Chenrui is like a wandering soul, fluttering and fluttering out of the office.

But when he left, the atmosphere in the office changed instantly...

There was a slight smile on the face of Feng Xiao, whose straight and stiff body in the office armchair also relaxed. "From the day you came to Feng group, you have never revealed your power. I didn't expect your kid to be so amazing."

"Father, you have exaggerated" Feng Chenyi said coldly.

Tap tap' Feng Xiao knocked on the table with his finger, and then gave Feng Chenyi a thumb up: "You are very awesome today!"

Hahaha, this is the first time that Yaoyao saw father-in-law to praise Feng Chenyi in such a lively manner, but ... not totally taking Feng Chen Rui down still disappointed her. but.....

After all, Feng Chen Rui is also the son of the father-in-law, the father-in-law will certainly not want his son to end up in prison? Is this the reason why Chen Yi show mercy to Feng Chenrui?

"Father, which aspect do you mean?" Feng Chenyi asked significantly.

Feng Xiao's eyes flashed: "Every aspect is very awesome! I have waited for this day for too long. Chen Yi! You know what I mean!"

Episode 545

"Oh. But this is not the ending I want, it's not over yet."

"You can continue to 'mess around'!" Feng Xiao smiled, leaning heavily on the office chair and gently shaking. "Well, Chen Yi, you shall go back to the board of directors and wait for me."

"Yeah." His eyes turned to Yaoyao.

When Yaoyao just wants to leave with Feng Chenyi...

"Your wife can't leave. I have something to say to her."

"Father?!"

"Reassured, I won't do anything to your wife! You are so sensitive!" Feng Xiao hatefully looked at his son's worried look, just like he was going to eat Yaoyao.

"Well, then I will go out first."

Feng Chenyi and Yao Yao looked at each other and the former one left the office.

For the dialogue between the father and the son, there was actually something else. In fact, Yao Yao's didn't understand them, but she could feel that both of them meant something. She just couldn't figure that out. "Father-in-law, what do you want to tell me?"

"Did Lan Ling suddenly run into the company to make a big noise because of you?!"

Uh.....

This is finished. The father-in-law will definitely think that she is a person who is trying to make trouble. She embarrassedly pursed her lips: "Yes... father-in-law."

'Snapping! 'As she expected, Feng Xiao angrily slammed the desktop: "Although, I always know the resentment between Chen Yi and Chen Rui, Lan Ling now is from the Feng's after all. Now you come up with such a thing. How do members of the board of directors think about the Feng's?! Um?!"

Correct!

Why did she not think of it? Chen Yi hates Feng Chen Rui, but Feng Chen Rui represents the Feng's. If she really handed him over to the judicial authorities, although she made the revenge...

If Feng Chen Rui was caught for false account, bribery, etc., it will affect the Feng's reputation. Feng's share price will also be affected.

Chen Yi is really thoughtful.

The sentence he just said to the father-in-law... "oh. But this is not the ending I want. it is not over yet." Does that mean this?

Chen Yi will still find a way to deal with Feng Chen Rui, is it?

"Yao Yao, I am talking to you, have you heard it?"

The drifting mind was immediately pulled back, Yao Yao quickly nodded: "I, I heard you, father-in-law. Sorry, this thing... This is my fault, I didn't think too much. it's my fault. Sorry..

...."

Looking at Yaoyao admitting mistakes sincerely, Feng Xiao suddenly laughed: "However, what you are doing to Chen Rui today is very good. I will not blame you for the previous thing."

"Ah?" If he did not blame Chen Yi for fighting against Feng Chen Rui, she would not be surprised. But wasn't him angry that she did something to Feng Chen Rui? Everyone knows that... "Grandfather, big brother is your son after all, I did something to him, are you really... not angry?"

"Oh." Feng Xiao sneered: "As long as you don't hurt Chen Yi and my Ke Xin, then if you hurt anyone else in this family... I won't... blame you!" His eyes lighted up with a strange glimmer...

☑As long as you don't hurt Chen Yi and my Ke Xin, then if you hurt anyone else in this family... I won't... blame you! Outside meeting room of the board, Yaoyao stood in the corridor, thinking about the words of Feng Xiao.

Oh...

What does that mean? She felt that my father-in-law meant something.

In other words, it doesn't matter if she hurts Feng Chen Rui.

But are Chen Yi, Ke Xin and Feng Chen Rui all his kids? This sentence of the father-in-law sounds really wierd!

The board meeting which lasted for nearly four hours was finally over.

"Chen Yi, congratulations! You are finally President." All the members of the board slowly walked out of room, and kept congratulating Chen Yi.

"Oh, Director Qian, it's so kind of you to say so. In the future, I will need the help from you seniors."

"Haha, you are really awesome. It's really rare for young people to know how to respect us seniors." Director Qian held Chen Yi's hands with appreciation. "Chen Yi, company's annual meeting will be on the day after tomorrow. We will give you a good celebration."

"Ok."

Everyone left the boardroom. This time the board meeting was full of ups and downs. Some were satisfied while some were not.

Feng Chen Rui put on a serious face and left quietly. His Deborah had already run away without a trace.

Yaoyao stood at the end of the corridor, staring at Chen Yi with a smile.

He opened his arms and leaned his head: "Don't you come over and congratulate me?"

What?!

Yaoyao squinted at him, but at the next second, she rushed into his arms like a little monkey: "Congratulations, President Feng!"

The laughter was scattered in this quiet corridor.

The hard work and sweat of this day have finally come to fruition today.

Feng Chenyi spent 2 years with more than 700 days and nights in waiting for this day.

Yao Yao, who is a good wife, spent half-month sleeplessness to contribute to the victory.

This is the first time that their husband and wife have worked together. It can be said that it is seamless and successful.

After all, Feng Chen Yi had never cared about the president position. His purpose was only to drive Feng Chen Rui out of the Feng's, and of course... there are others!

They embraced each other and seemed to be sweet. However, at the corner of the corridor...

"It's so sweet." Xie Zhi Qing looked at them being together and couldn't help to grin. At the next second, she picked up the phone.

.. "Dad, the board meeting of Fengshi is finished." Your piece of chess, Feng Chen Rui, has been blasted by Luo Yaoyao and Feng Chen Yi together..." After the last word, she disappeared at the corner of the corridor with a smile...

The sun is falling and the night is coming.

The sports car driving on the fast road passed in a rush.

"Chen Yi, if the thing didn't happen 2 years ago, would you still choose to return to Feng's?" Yao Yao smiled in the co-pilot position.

He pondered for a long time, and smiled and shook his head. "I do not know either."

There is no assumption in life, and no one can assume the results.

Feng Chenyi once thought about it. If he was not hesitating on the two roads of 'going' and 'staying', would he be lost at that time and have a relationship with Li Nuo Ting? !

Ah.....

The car slowed down in front of the villa of the Feng family. When it was not off work, Feng Xiao made a phone call to Feng Chenyi and called him to go home for dinner this evening.

"Yao Yao, no matter what happens in a while, don't say anything, understand?" When he got off the bus, Feng Chenyi suddenly said that.

Yaoyao frowned with confusion. Before she could ask the meaning of this sentence, she was brought into the villa by Feng Chenyi.

"Second young master, second young mistress."

As soon as I stepped into the villa, everything was still the same, with a huge posture and a huge villa. But she still felt that the atmosphere of today seemed to be...

She peeked at the maids with a slightly nervous look..

Episode 546

"Chen... Yi." Yaoyao held the hand of Feng Chenyi uneasily.

He shook his head, indicating that he was fine and walked to the living room. "What about my father?"

In the living room, there were only Lanpei Ni and her daughter-in-law.

Lan Pei Ni raised her eyes: "Today, I told your father to call you to go home for dinner!"

"That means that my father is gone? Then I will leave first."

"Stop!" Lan Pei Ni stood up coldly and walked quickly to Feng Chenyi: "After all, I'm still your stepmother, for so many years, you ignored me, I have never said anything. But you made Chen Rui leave home. If there is anything wrong with him, I will let you die with him."

"Mrs. Lan, my older brother left home and you should send someone to look for him instead of coming to me!"

"Feng Chen Yi, what is your attitude?!" Lan Pei Ni finally stopped pretending to be dignified. She raised her hand and gave the Feng Chen Yi a slap!

"Chen..." Yaoyao just wanted to go to see the injury of Feng Chenyi.

He stopped Yaoyao's movements and looked at Lan Pei Ni with indifference, and turned away.

"Feng Chen Yi, I haven't told you to leave yet!" Lan Pei Ni still could not let go. It could be seen that she didn't really care about Feng Chen Rui. She just wanted to find Feng Chen Yi to unleash her anger. "I know you hated me for so many years for setting your mother up. You can revenge on me. Why did you go for my son?"

"Oh..." Feng Chenyi sneered aloud, and stared at Lan Pei Ni indifferently: "What is better than the pain you get from watching your son slowly killed by me?"

"Good! Very good!" Lan Pei Ni spit out a few words, and then was about to give him another slap.

But this time she was steadily caught.

"Let my mother-in-law go!" Lan Ling saw that and rushed to tear his clothes.

Feng Chenyi is an extremely conserved man. In the face of the entanglement of two women, he only had to surrender.

Feng Chenyi had to let go the arm of Lampei Ni.

But the two women were still going after him. "Feng Chen Yi, you bastard, I really regretted leaving you in the Feng's home! When your mother committed suicide, I should have killed you together! And you would have no chance to threat my Chen Rui!"

The scene became more and more chaotic, and Chen Yi wanted to go, but was swayed by two women and got kicked.

Yao Yao, who saw all this, rushed to stop: "Don't go after Chen Yi for trouble."

"Go away!" Lan Ling pushed Yaoyao away.

"Yao Yao!" Feng Chenyi's entire attention ran to her.

At this moment, Lampei Ni picked up the vase next to her hand..

.

"Chen Yi, watch...!"

Not waiting for Yaoyao to finish the sentence, the voice of Lan Pei Ni's vase, was slammed on the head of Feng Chenyi.

The blood suddenly covered his face, and a cold whispered: "Is it enough? You two shrews!"

"Feng Chen Yi, as long as Chen Rui didn't come back, I will go after you for all the time!" Lan Pei Ni was still not satisfied although the situation was so bad.

"Enough... enough... don't hurt Chen Yi anymore..." Yaoyao could only stand there, watching the two women constantly acting unreasonably in front of Feng Chenyi.

Is this the real life that Chen Yi had before?

Feng Chen Rui could bully him endlessly, but as long as he fought back, he will be embarrassed by this family.

When Chen Yi was young, he was intention to fight back but he was powerless; now he is powerful, but he has no intention any more...

Because they are female, Chen Yi is such a gentleman to be humiliated by them.

Yao Yao dropped tears with pity, witnessing Feng Chen Yi's clothes being torn apart by them and his head covered with blood, her eyes got dark. "Stop, Lan Pei Ni! You, such a mean woman!"

Yaoyao's low-pitched growl stopped the chaotic scene.

Lan Pei Ni's eyes widened and looked at her quickly.

In the next second, Yao Yao's mouth provoked a cold smile, stepping forward and grabbing Lan Pei Ni's neck: "Mean people are what they are, and they can only wait to be slaughtered. Lan Pei Ni, you are simply shaming our Aslan Royalty.

I will kill you now!" Her hands tightened around the neck of Lan Pei Ni.

Lan Pei Ni's eyes were widened with fear: "Lan...you are...lan..."

Lan Ling didn't understand the situation and quickly stepped forward: "Luo Yao Yao, are you crazy and trying to rebel? let go of your mother-in-law!"

"Go away! Your father is not qualified to speak with his Highness in the Kingdom of Aslan. Why could you talk to me like this?!"

Seeing Yao Yao's domineering look, Lan Ling couldn't help but take a breath: "Who are you...!"

"Lan...Landuo! You are Lan Duo!" Lan Pei Ni was mad and shaking.

"Mother-in-law? Mother-in-law, what are you talking about?"

"She... she is Lan Duo!"

☒Pumping', Lan Ling was scared to fall on the ground when she heard the name.

On the side, Feng Chen Yiyi saw this and quickly pulled Yaoyao to the side: "Yao Yao?!"

"I'm fine..."

" She shook her head without expressions, whispering: "I was pretending..."

It was only a long sigh of relief when Feng Chenyi heard that. He thought that... Yao Yao recovered her previous memories!

"Landuo, I didn't expect you to be alive. It is so unfair to let you survive!" Lan Pei Ni held her neck and stared at Yao Yao with angrily and shockingly.

Feng Chenyi squinted and blinked, pulling Yaoyao's hand and turning around to leave.

But behind him, Lan Pei Ni's almost mad roaring sound: "Feng Chen Yi, you have met Lan Duo when you were young, you should know how vicious she is! The people of the entire Aslan country are looking forward to her death in her childhood. I didn't expect you to marry her. I look forward to seeing how she is going to kill you!"

"I look forward to seeing how she is going to kill you!"

In the car, Yaoyao handled the wounds for Feng Chen Yi, but Lan Pei Ni's words were echoing.

"Have you seen Landuo when you were young?"

"Well..." Feng Chenyi nodded with no expression: "Lan Duo lived in China for three days when she visited China at the age of four."

"Before, why didn't you tell me?"

"I don't think it's necessary to say." Feng Chenyi gripped her cold little hand: "You must not be her!"

"Why is that so sure? Hehe... Is it because Landuo is a very vicious girl like Lan Pei Ni said?!"

Feng Chenyi fell into silence, because he did not know how to describe Yaoyao, what kind of girl Lanto was when he saw him.

For a long time, he barely squeezed a smile: "No."

Episode 547

"Don't lie to me!" Yao Yao threw away his hand with excitement. He held a fist in his hand: "I just saw that when Lan Pei Ni hit you, the first reaction was, maybe... They will stop when they are like Lan Duo. But... I don't even know why I will make the Lan Duo performance so vivid!"

"Proud, arrogant, vicious, disdain. The image of Lan Duo has appeared in my mind for many times. When I first played Lan Duo, Lan Pei Ni's reaction to tension and fear, in fact... ..I have also witnessed the current heir of Lan Nuo, the native sister of Landuo, in the country of Aslan..."

At that time, it was when Lannuo came to look for Bing Ye.

When Bing Ye picked her up and said that she was the person he wanted to guard, Lannuo saw Yao Yao's appearance and fell directly to the ground.

Lannuo is so; Lan Pei Ni is so; even Lan Ling heard the name of Lan Duo is the reaction. visible.....

In the past, Lan Duo was a vicious girl. It is only 4 years old, but it has been said to be an enchanting by 10,000 people, looking forward to her early death, what evil things have she done in the end?

"Yao Yao, you really are not her. You think, 14 years ago, Lan Duo was 4 years old. Now if you are still alive, you are 18 years old. But you are 19 years old."

☑Are you sure you are 19? The question of the Bing Ye appeared in the first place. Yao Yao's painful questioning: "Age can be faked. My age is what my foster mother said! She can decide how old I am!"

"Yao Yao..."

"Oh..." The tears of inexplicable fear crossed her cheeks, and she threw herself into the arms of Feng Chenyi: "I don't want to be Lan Duo, but there is always a strange picture in my head. I want to numb myself not her, not!"

"Yao Yao, please listen to me. Maybe Lan Duo is really a person who has no evil and kills countless people, but now Luo Yao Yao is kind. You only need to play the role of Luo Yao Yao now. It is."

Yes...

...

Even if Lan Duo was so vicious before, it was all a thing of the past. She has been a Luo Yaoyao for more than ten years. In the past ten years, I have never done anything that hurts the world, even if it is a day...

Her memory suddenly recovered. She found out that if she was really Lan Duo that everyone was afraid of, then... she would also tell everyone that now that she is called Luo Yaoyao, it is not the former Lan Tuo who has no evil!

Feng's villa.

"My mother-in-law, do you really confirm that Luo Yaoyao is the princess in the country of Aslan?" Although Lan Ling is the royal relatives of the Kingdom of Aslan, but the status is really too low, so she has never seen Lan Duo. She has always heard of Lan Duo's means of doing things.

It seems that the two words of vicious and cruel are the most appropriate words to describe Lan Duo.

"I can't be sure. You know, I left the country very early, but the eyes of Luo Yaoyao, the tone of speech, and the attitude of despising everything are really too much like Randolph, too No, no! No! I have to make a call and make a call!" Lan Pei Ni wants to be more and more worried, rushing to the phone and quickly pressing several phone numbers.

"Hey?"

"deputy prime minister Zeng!" Undoubtedly, Lan Pei Ni's phone call was to Zeng Kai Rui.

"Is it Mrs. Feng, is there anything?"

"The deputy prime minister, I have something to confirm with you!"

"what?"

"Is Lando not dead?!"

On the other side of the phone, Zeng Yirui heard this question and couldn't help but smile indifferently:
"Is it? I am not sure about this."

"What should I do? What should I do? The enchanting seems to be alive!"

"Alright..." It is not difficult to hear from the tone that Zeng Yirui seems to have little interest in the life and death of Lan Duo. "Mrs. Feng, what is your purpose to call me? Is it telling me that Lan Duo is still alive?"

"This is not..." Lan Pei Ni gradually calmed down: "This is the case. Deputy prime minister, my son was expelled from the Feng's by Feng Chenyi. You see, is there any way to help him?"

"This..

. Oh, please forgive me for offering nothing. You should still think about it yourself."

The phone was hung up.

" deputy prime minister... Hey? deputy prime minister!" Lan Pei Ni seems to have something to say, but the phone has long since hanged up.

"Mother. What should I do now? Will the deputy prime minister help Chen Rui?" Lan Ling, who was listening to all of this, sat anxiously beside her.

"Oh." Lan Pei Ni's eyes snorted without a god, and shook his head helplessly: "Now we have no one to count on. Now Chen Rui has lost. How can the man who crossed the river and broke the bridge help us?" She saw everything clearly.

"Mother, that is to say..."

"Oh... this is the end of the story. The winner is the winner and the loser is the loser. We can only face the reality!"

In the single apartment, Yaoyao replaced a roll of blood-stained gauze: "Chen Yi, why can't your wounds stop bleeding? Let's go to the hospital soon."

"No, no." Feng Chenyi sat up nervously: "You wait for me." Quickly walked into the bedroom.

When he was back, the wound that was constantly bleeding was obviously getting better.

"Well... it's really scary that you have bled for so much." Yaoyao cleaned the gauze on the table.

Others may misunderstand them for killing someone since it's so terrible.

The night was getting deeper.

Feng Chenyi was lying on the bed with Yaoyao in his arms and was ready to sleep. But she couldn't sleep when she turned over and over.

"Chen Yi... Are you asleep?"

"No, what happened?"

She rubbed his chest with her head, and thought: "Can you tell me what happened in the three days when Lan Duo lived in your house?"

Feng Chenyi slightly wrinkled his eyebrows: "Isn't that no longer mentioning it?"

"But... I just want to know, she looks like..." Lifting her small head, she smiled with sorrow: "Is it... very annoying?"

"Oh, I only had contact with her for three days, and I didn't have much impression."

Deceived! Feng Chenyi is lying. She has known this man for 6 years. In his world, except for right and wrong, there is no such answer.

It seems that Lan Duo is not good in his impressions?

Hey, even the gentleman of this kind of gentleman will hate a little girl so much, I really don't know what she is like!

In a high-end department store, Yaoyao was wandering alone.

Since tomorrow is the annual meeting of Feng, she must be present as the wife of Feng Chenyi, so choosing an evening dress is also a necessary process.

"Hey, if Xiaoman is here at this time. Unfortunately..." Gong Xiaoman returned to Japan a few days ago. I don't know why Xiaoman lived in Japan? Will she really marry a man she doesn't like?

If Yaoyao is not busy now, she really wants to fly to Japan right away, but she is also in the middle of something.

Unconsciously she went to the front of a PRADA store. She vaguely remembered that when Bosen went to work at that time, a department male colleague brought her there to buy clothes and happened to meet Feng Chenyi. Because of this, this department store is now owned by Chen Yi..

Episode 548

Yaoyao quickly walks into the store.

"Miss, hello, is there any need for help?"

"Hello, I want to pick an evening dress."

"Oh, this way." The shopping guide came to the women's area with Yaoyao and carefully introduced her different styles of clothes.

"Girls, have you heard about it? Today, the wife of our big boss seems to come to our store to buy clothes."

"Which big boss?"

"It's Mr. Feng."

what?

Hearing the whispers of a few shopping guides not far away, Yao Yao was confused. She only told Chen Yi that she would come to buy clothes. Was it Chen Yi who informed them? No, Chen Yi has always been low-profile. There was no reason to inform them about that.

"Miss, what do you think about this dress?" The shopping guide picks up a deep purple dress and shakes it in front of Yaoyao.

"Ah? Very good, very good."

"Hey, hey, hey! Look, you see, the woman should be Mrs. Feng."

Yao Yao was nervous since she did not want to attract any attention. she subconsciously looked back at those shopping guides, only to find that those shopping guides were watching someone outside the door.

At this time, a tall and beautiful woman, holding a Hermès's bag with a pair of black sunglasses, quickly walked into the PRADA store.

Suddenly, all the shopping guides stood on both sides. Even the guide beside Yaoyao ran over there.

"Mrs. Feng!"

The woman took off the sunglasses and sneered at the guides on both sides. "Give me all the new styles this year!"

"Yes!"

This woman looked tough and arrogant and bought things generously.

Yao Yao stood there and frowned with confusion: "Isn't it a woman that Chen Yi has elsewhere?" She is Mrs. Feng. Why does the woman claim so?

"Oh, it looks like it's really Chen Yi's mistress..."

Suddenly, a familiar voice came up, and Yao Yao turned her head.

It was discovered that Yu Aotian was standing behind her, and his face was so close to her.

She stepped forward: "Why are you here?!"

"Why? Although this department store is Feng's, he did not say that I cannot come?" Yu Ao Tian sneered and put his hands in his pocket.

Yao Yao blinked with hatred, it was unlucky for her to meet him here? In the future, Chen Yi must set a sign in front of the department store. "Yu Aotian and the dog are not allowed to enter!"

"Oh..." At this moment, the so-called "Mrs. Feng" shouted.

There was a little girl holding an ice cream and hit her.

"Wow..." The little girl cried out suddenly.

"Why are you crying?! You stained my skirt! Whose child is this?!"

"Miss, I am sorry. I have not taken care of my granddaughter." An elderly old man kept apologizing to the Mrs. Feng".

"Mrs. Feng" suddenly showed a terrible face: "Apologize? Is it useful to apologize?"

"Then I can pay you back, can I?"

"Pay back?" "Mrs. Feng" squinted at him: "Old thing, can you afford it?! This dress is worth of 30,000 yuan."

Sure enough, the old man was scared to hear that: " 30,000?!"

"Hey, if you hear 30,000 and be scared like this. Then you dare to come to this department store? Next time, if you don't have money, don't come to this high-level place, understand? Old thing!"

Yao Yao, who looked at all of this, slowly made a fist. What happened to this woman if she had money? Is it ok for her to look down upon others? The department store is open, and others are not allowed to get in?

This fake Mrs. Feng is not really rich, with fake products all over her body! "Hey, she is really low!" She spit out a few words.

"Yes. Hey, Chen Yi's taste to choose a mistress is really much worse than me. Oh, my former lover, she has some qualities." Yu Aotian said that just like talking about banter. And he stared at Yao Yao right away.

She slightly wrinkled her eyebrows, this Yu Aotian! How will he be so mean?!

She turned to the fake 'Mrs. Feng' and saw the astonished eyes of the guides. No way! That woman should not act waywardly otherwise Chen Yi's image would be affected.

She turned her eyes to Yu Aotian and said, "Mr. Feng! Long time no see! Are you here to check the mall?"

Obviously, Yu Aotian did not expect that Yaoyao would suddenly say so, and his face immediately became gloomy.

Those shopping guides not far away also looked at them: "Is that Mr.

Feng?"

"It seems to be. It is said that Mr. Feng is very handsome, and it is true!" These bottom-level shopping guides have never seen what Feng Chenyi looks like. In addition, Yu Aotian is extraordinary in temperament, it's normal that they don't figure out.

"Hey, Mr. Feng, I heard that your wife is here too. Oh, yes..." Yao Yao smiled and pointed his hand at the fake 'Mrs. Feng' not far away. "Is she Mrs. Feng?"

The woman was arrogant just now but she was so scared that her face paled.

Who knows...

Yu Aotian calmly pulled the tie and squinted at the woman: "Yes, she is my wife."

No way. Yu Ao Tian Hao should at least say that he didn't know her. How come...how? For Yu Aotian, Yaoyao is speechless since he didn't do something she expected.

But this is not over yet. Yu Aotian held his hands in front of him, and sneered: "Oh, I have no advantage except for having money.

Therefore, my wife will inevitably be a little bit cocky. Please don't mind it." Then he walked slowly to the woman: "Are the clothes selected? If you finished choosing, let's go."

"Ah? Good... good..." This woman was totally confused and walked has already been paralyzed, and the soul is not behind the house, and she walked out of the store behind Yu Aotian.

For a long while, the woman came to him: "Sir, do we have the same profession?"

In an instant, the look of Yu Aotian was darkened. He stopped and said coldly: "What is it?"

"Stop pretending, you are also a liar, right? I didn't expect you to be handsome. I was almost there to succeed. Why don't we go to the next store together? How about me pretending Mrs. Feng and you pretending Mr. Feng?"

Oh, this woman was a liar.

Yu Aotian sneered at her, and then quickly walked away..

"I have been very much looking forward to our big boss. I didn't expect he would be this kind of character?" After the 'Mr. Feng' and the 'Mrs. Feng' left, the shopping guides were disappointed..

Episode 549

"However, Mr. Feng is also very handsome."

"Is his handsome look useful? He's blind. Look at the wife he found. How disgusting!"

Oh...

She was about to cry when she heard the guides criticizing her and Chen Yi.

That bastard Yu Aotian, does he have any humanity? How can he be like that? Even if he doesn't want to help Chen Yi to establish a good image, is there any need to ruin that?

After selecting the dresses in hurry, she left the shopping mall with depression.

Standing out of the department store, Yao Yao looked up at the gate... Hey! Go back and tell Chen Yi to sell this department store. It was too embarrassing.

"Baby."

She saw that Yu Ao Tian sneered at the door and was shaking his hand.

Bastard!

She stared at him, took things and turned around.

at this time.....

"Oh..." She happened to run to the man behind her and fell on the ground.

Well!

There was a huge pain in her underbelly, and she covered her belly with a painful look.

"Miss, are you okay?"

"Yao Yao?" Yu Aotian, who stood at the door of the department store, hurried to her side.

Inhale... exhale...

She tried to keep herself relaxed, and her eyes were open wide with panic.

"stomachache?"

Yu Aotian's low voice came up. She bowed her head and looked at her hand on her stomach. She quickly took it away: "No... nothing!"

"Why are you covering your stomach?!"

"Just... just hit the stomach, it hurts a bit. Now, it's okay!" After the explanation, Yaoyao stood up with a sting from her stomach and quickly stood up.

Who knows, Yu Aotian held her up.

"what are you doing?!"

"Don't you say that you hit your stomach? I will take you to the hospital to check."

No! No! "Let me go, I didn't say it, it's okay now!"

"You should do the checking even you are okay!"

"You let me go, I can go checking myself, I don't need you to take me!"

Yu Aotian walked quickly to the side of the road and looked at Yaoyao, who was flustered. He stared at her coldly: "Why are you so nervous?"

Her heart trembled a little, and she struggled with madness: "Let me go!"

☒..

!

Just in the stalemate, a long Lincoln stopped in front of them.

When the door opened, Black Yanlong sneered and walked down: "I thought I was wrong. I didn't expect you to be Mr. Yu and Mrs. Feng." He stared at them: "What happened?"

"Mrs. Feng has just been hit and her stomach hurts."

"I am fine!"

"Mrs. Feng, no matter what happens, Mr. Yu is very thoughtful, and you should go to the hospital." Slowly walking in front of them, Hei Yan Long's eyes flashed, and held Yao Yao away from Yu Aotian. "But let me take Mrs. Feng to the hospital."

Yu Ao Tian blinked his eyes and held his fist. "Then thank you, Mr. Hei."

"This is my duty." Black Yanlong kept an elegant smile and returned to the car with Yaoyao.

"Exhale..." Suddenly, Yaoyao took a long sigh of relief and the whole nerves were loosened. She really didn't know if Hei Yan Long didn't pass by today, what the consequences would be.

The figure of Yu Aotian standing on the side of the road gradually disappeared in the sight of Yaoyao.

Her hands were on her stomach with her brows frowning. Why did the stomach hurt for so long?

"Do you have a stomachache?!" Black Yanlong opened his mouth with a puzzled look.

"Hmm..." Nodded weakly.

"Liu, drive home."

"Yes. Big Master.

"According to the order of Hei Yanlong, the driver quickly turned the direction.

Yaoyao looked at Hei Yan Long next to her.

"I have a friend who lives in my house now. His medical skills are not bad. Let him take a look of you."

"No... don't! Don't! I will go to the hospital!" Yao Yao waved her hands nervously.

Hei Yanlong smiled: "It takes at least 20 minutes from here to the hospital, but my house..." He stretched his finger at the window: "It's there."

Through the window, she saw a majestic townhouse just 10 meters away.

Almost a minute, the car has already entered the home of Hei Yanlong.

Yaoyao's body was so stiff that she was taken out of the car by Hei Yan Long, and her face became more and more pale.

Pushing open the door, it's

Empty.

No furniture! No servants! There is only a simple sofa and a few walls. This home is in contrast to Hei Yan Long's appearance. She didn't expect his family to be so cold and simple. !

"Bing Ye, Bing Ye!"

"Bing Ye?!" At the moment of hearing the name, Yao Yao almost fainted. Bing Ye did not leave China but has always lived in the home of Hei Yan Long? !

The friend that Hei Yanlong said with some medical skills was... Bing Ye? !

Oh, yes, Bing Ye as the heir to the successor of the Aslan country is definitely capable, but...

Would it be a coincidence to let him check on her?

When Yaoyao was at a loss, Bing Ye walked out of a room on the second floor and looked downstairs with a blank expression: "What?"

"My friend just fell, and now her stomach hurts. You can help her with it."

When Bing Ye and Yao Yao looked at each other, the eyes of the former one flashed...

In the cold bedroom, there are still only four walls and a cold bed.

Yao Yao lay on the bedside with no expression, and instantly felt as if she was in the hospital. In particular, Bing Ye, the guy who is about to check her, was indifferent.

"Bing Ye, how is she?" Seeing Bing YE stopped the diagnosis of Yaoyao, Hei Yanlong hurriedly asked.

Bing Ye pondered for a moment and stared at Yaoyao's face.

She lowered her head and knew that the pregnancy could not be concealed...

"Nothing. She is painful just because she is pregnant." Bing Ye dropped the sentence, and quickly disappeared into the room.

"You are pregnant?! Why don't you say it earlier, does Chen Yi know?"

Looking up at the face of Hei Yanlong with a smile, she lowered her head again, how should her tell Hei Yan Long?

Perhaps, this man was so thoughtful that he could understand her through this move.

Sure enough, the smile on the face of Hei Yanlong gradually disappeared, and his eyes flashed: "The child of Yu Aotian?!"

Oh, he talked so straightforwardly as usual!

She silently nodded.

Hei Yanlong sat in front of her in a hurry: "Does Chen Yi know about it?"

"Yes....."

"Then he..."

"He said that he would let me give birth to the baby and take care of this child."

"Impossible!" Hei Yanlong decisively gave Yao Yao a rejection: "Chen Yi will never allow this child to be born! You are sure that he told you to give birth to this child, and said that...he will take good care of this child?"

Episode 550

Yes, she also thought that was not what Feng Chenyi would say, but it was true that these words were said by Chen Yi. "Yes....."

Hei Yanlong's face became gloomy: "Wait for me here!" Then he got up and left the room.

Looking at his figure, Yao Yao just wanted to turn over and get out of bed...

Bing Ye broke into her sight like a ghost.

They stared at each other.

Yaoyao was stunned, one second, two seconds, three seconds...

It lasted for about a minute or so. Seeing that he didn't speak, Yaoyao walked slowly from his side.

"You are not asking for the antidote?!"

Antidote?

Right! When in the state of Aslan, she was forced to take poison to threaten Yu Aotian. "If you want to give it, you will naturally give it. If you don't, then there is no use for me to ask."

She believes that Yu Aotian has already taken Bing YE to Zeng Kairui. If he gave him antidote, Yu Aotian would have given her, and would not wait until now.

However, as far as Yu Aotian was concerned, he knew the character of Bing Ye too well, just like Yao Yao said, if he wanted to give it out, then it would happen naturally. If he had no intention to do so, there would be no use for them ask for it.

The two people walked against each other without any conversation.

Yaoyao was so indifferent, as if for a moment, she did not want to be concerned about the previous guard of Lan Duo.

There was no expression on Bing Ye's face since he could only tell himself not to take Yaoyao as Lan Duo again.

Another room.

"Chen Yi, what are you planning to do?!"

"What do you mean?"

Hei Yanlong slightly frowned: "With your character, you will never allow your woman to give birth to children of other people, but you agree that Luo Yaoyao could give birth to Yu Aotian's child?! Don't tell me you have now become tolerant of all this."

"Oh, there will be an answer soon."

"Chen Yi! Hello? Chen Yi!" When Hei Yanlong still wanted to say something, Feng Chenyi had already hung up the phone. "Damn!" He threw the phone out hard and shook his fist in resentment: "Chen Yi, what is your idea?!"

Although he could not fully figure out the plan of Feng Chenyi, one thing he can be sure of! Regardless of the outcome, the most injured one will be... Yao Yao!

"Bing Ye, where is my friend?" Hei Yanlong searched the entire villa, and did not see Yaoyao.

"Maybe she's already gone."

"Oh....."

"Yanlong. I want to go back to the country of Aslan in a few days."

"Well?" His eyes turned: "Didn't you say that you wanted to stay here to check things, maybe you would live for a while, how come you suddenly have to go back?"

"Now, there is nothing to check." Bing Ye's eyes without any emotions seem to be emptier...

The day of the annual meeting.

All said that if you wanted to see the strength of a company, it depended on how their annual meeting was going.

The annual meeting of Feng's was held in a seven-star hotel in the city.

Right at the entrance to the hall, a red carpet extended straight to the lobby, and more than 40 media stations stood on the sides of the red carpet. The scene is as grand as a star on the red carpet.

Guests continuously entered the hall. Some of the international stars and political leaders are present. The reporters had so many resources today.

"Prime Minister Qi, you will rarely attend some business gatherings. Why are you here today to attend the Feng's annual meeting?"

As soon as the bus was parked at the end of the red carpet, the reporters began to ask questions.

The prime minister, who slowly got off the bus, smiled a little: "Don't you know, I have known Mr. Feng Xiao, the chairman of Feng's, for decades.

I certainly want to attend the annual meeting of Feng."

The next car arrived was a Rolls-Royce Phantom, when everyone thought it was the host of the annual meeting.

The person who got off the bus was Yu Aotian and Mo Xueting and Long Ye.

"Mr. Yu is coming! Fast!" With the low voice in the crowd, the reporters have been approaching him and constantly taking pictures.

"Yu, recently the government has enacted a new law. What do you think of this?"

"Yu, I heard that Han had asked for a week off in Bosen, for what reason?"

"Mr. Yu..."

The reporters' questions were cast one by one, and Long Ye showed up in front of them with a smile. "Today's spotlight should be on the Feng's. If you have a question to ask Mr. Yu, it is better to choose another occasion, can you?"

At this moment, Yu Aotian walked into the venue with Mo Xuetong.

Finally, the dominating person this time, the members of Feng's arrived. When a long Cadillac was parked at the end of the red carpet, the long-awaited reporters quickly rushed over.

The door opened, the first to get off is the Feng Xiao and Lan Pei Ni, followed by the Feng Chen Rui couple, and finally the Feng Chen Yi couple.

In the face of what happened in the past two days, the reporters finally had a way to ask: "The Vice President, it is reported that a few days ago, at the board meeting of Feng's, you have been removed from the position of vice president, why are you attending the annual meeting of Feng's today?"

The reporter was really straightforward, and in one sentence, the face of Feng Chenrui was gloomy.

He didn't want to come over and be shamed, but Feng Xiao was afraid of the rumors and asked Feng Chenrui to come over.

"Oh, I am here with my family today."

"Then I would like to ask, Mr. Feng, why are you dismissed from the position of vice president?"

Feng Chen Rui's face was gloomy, and the big hand slowly held a fist.

At this time, Feng Chenyi, who was behind him, smiled slowly and stood in front of him: "Reporters, my brother was not dismissed from the position of vice president but because he was unwell, he took a temporarily leave."

Feng Chenyi's answer was very clever, although the reporters know what was going on, but they don't ask much.

"Is the lady next to you Mrs. Feng?"

He smiled and looked at Yaoyao: "Yes."

This was the first time that the reporters had photographed the face of Mrs. Feng. All the flashing lights were on and off continuously.

Yaoyao was generous and smiling during their shooting. At that time, she did not want to hide her relationship with Feng Chenyi. Revealing her identity is more convenient for her future moves.

After a long delay, the Fengs arrived at the venue.

The temporary hall for tens of thousands of people was packed. All of Feng's employees arrived at the scene.

"Is it too late for you to come as hosts?" Hei Yanlong and Ouyang Zixuan, who had arrived at the venue for more than half an hour, looked at Feng Chenyi.

He smiled reluctantly: "No way, just answering the reporter's question has held us for a long time. Zixuan, Yan Long, please take care of Yaoyao first, I have to go and rehearse the speech."

"Ok."

"Chen Yi's wife, are you fat recently?" Ouyang Zixuan looked up and down on Yaoyao.

She gave a sigh of relief and could do nothing with Ouyang Zixuan. In the past, he only called her as an ex-girlfriend of Chen Yi; now it has finally been upgraded to Chen Yi's wife, does she have a name?

"Maybe. Chen Yi's friend...".
