

## Pure Girl 551

### Episode 551

"Oh..." For this title, Ouyang Zixuan was stunned.

Hei Yanlong smiled and crossed his neck: "Do you still want to play words with a lawyer? Is it shameful now?"

"Are you still not my brother? You should join me in making fun of her!"

"Oh. Zi Xuan... You really are born with indulgence, I really disdain to be friends with you." Hei Yan Long stepped aside with hatred.

This time, Ouyang Zixuan felt that he had no face.

But Yaoyao, who stood there quietly watching all of that, seemed to find the shadow of Long Qi in him.

They seem to be obsessed with the underworld; they are very sunny, sometimes showing a bad smile.

Just don't know...

Is Long Qi coming back now?

"Hi, Miss Luo!" The familiar person interrupted the dialogue of the three people. Xie Zhiqing looked up and down on Yaoyao.

Yaoyao also looked up and down on Xie zhiqing.

The two girls wear the same evening gowns today, and the shape and appearance of Xie Yuqing are similar to those of Yaoyao. She is only slightly higher than Yaoyao. They stand face to face like sisters.

"Wow, what a coincidence. We wear the same clothes." Xie Yuqing smiled and took Yao Yao's hand and kept turning around.

Basically, every woman knows that it is extremely embarrassing to wear the same dress in a social situation.

"Yao Yao, who is she?" Ouyang Zixuan looked at Xie zhiqing, and pushed Yaoyao next to him.

"She, she is..."

"Hi, red-haired handsome guy, hello, I am an employee of Feng's. Xie zhiqing." Xie zhiqing spoke out her own name without letting yaoyao speak.

"Hey. Hello, beauty." Ouyang Zixuan obviously has a bit of interest in Xie zhiqing.

"Hey, do you think we are like sisters?" Xie Yuqing smiled and grabbed Yao Yao's shoulder.

Ouyang Zixuan nodded his head: "Well, you look like so."

"Then..." Xie zhiqing's eyes turned, and her lovely mouth pouted: "Which one do you think is more beautiful?"

"Of course it's..."

" Ouyang Zixuan was about to answer.

The Hei Yanlong that has been silent said with a cold voice: "Yao Yao!"

"Hey, brother!" Ouyang Zixuan pulled Hei Yan Long to the side: "Are you stupid? Yaoyao is Chenyi's wife, and we can't approach her. This little girl may be single."

"Zi Xuan, you can do it in your own way. But don't take me, I am not interested in that girl!" Hei Yan Long pushed away Ouyang Zixuan with indifference and quickly walked to Yaoyao and Xie Zhiqing: "I don't think you are wearing the same clothes today. I don't think you are like sisters."

"Hmmm?" Xie zhiqing's eyes turned: "But the clothes we wear are the same. Mr. Hei, you shouldn't have bad eyesight?"

"Is it so?" Hei Yanlong blinked his eyes, the next second...

A long dress instantly turned into a beautiful short skirt.

But this is not over yet, and Hei Yanlong took a glass of red wine from the tray of the waiter passing by, and the slender fingertips slightly touched it. Then the red wine were scattered to the short skirt that Yaoyao was wearing.

It was only a short while, the long skirt that seemed to be extremely mature and rigid was turned into a little devil's costume by Hei Yanlong. It not only looks playful, but also brings out a bit of a woman's charm.

"I personally think that this new autumn and winter dress of PRADA is a failure, especially for women who are sweet and beautiful." Black Yanlong ironically cast a glance at Xie zhiqing, and then turned to Yaoyao. "But it's better after reshaping. Mrs. Feng, I have forgotten to change this dress for you. I am extremely sorry and can only work on it now."

Hei Yanlong this man...

It is really reliable!

Always stand out at the crucial moment. The main thing is...

Yaoyao swept her short skirt.

.. His sense of fashion was too sharp. "Mr. Hei, thank you."

"You are welcome. Let's go. the annual meeting is about to begin."

"Yeah." Yao Yao clinched the arm of Hei Yanlong and walked slowly towards the first row. Two people completely ignored Xie zhiqing.

"Actually, I still feel that this long dress is suitable for you." At this time, Ouyang Zixuan showed his nature of Playboy, and came to Xie zhiqing for chit-chat.

She smiled a little: "Is it? Thank you, hey. I have to go back to my seat. Let's talk again next time." She walked towards her seat.

But the agile eyes have been watching the back of Yaoyao and Heiyanlong: "Oh, do you think I don't know if this PRADA dress is a bad design? But there is no way, that woman is so tasteless. I can only follow her. Hey!"

"Your skirt?" On the corridor of the venue, Feng Chen Yi have been fully prepared. When he saw Yaoyao's clothes, he was stonished.

Yaoyao stared at Hei Yanlong, smiled and held the arm of Feng Chenyi: "It was Mr. Hei who just helped me to change."

"Well?" The cold eyes flashed: "Yanlong, when are you going to re-open a fashion company, I can invest unconditionally."

"If you are willing to invest wholly and don't own any shares, I can start the company right away."

"Oh, when I get kicked in my brain, I will open it for you." Feng Chenyi smiled, holding Yao Yao slowly towards the leftmost position in the first row.

"Mr. Sun, thank you for attending my annual meeting of Feng's.

"As the top spokesperson of this annual meeting, Feng Chenyi and his wife greeted the VIPs sitting in the first row.

"Mr. Sun, hello." Yaoyao shook hands with each VIP.

"Mr. Feng, you are young and successful, I did not expect your wife to be so younger than you." Compared with the ordinary wives, Yao Yao seemed to be much younger. But she was as elegant as anyone else.

"Thank you for your compliments, Mr. Liu."

"Oh, Chen Yi, last time you didn't come to my birthday, your wife is really too astonishing." Arrived in front of Premier Qi, he kindly shook hands with Feng Chenyi and Yaoyao.

The couple looked at each other and politely thanked the Prime Minister.

After a while, they walked slowly to Yu Aotian and others.

Since Yaoyao and Feng Chenyi got married, it was the first time to encounter Yu Aotian on such a grand occasion.

"Mr. Yu." Feng Chenyi elegantly smiled and slowly extended his hand.

Yu Aotian got up: "Chen Yi, congratulations on your becoming president of Feng's. It seems that we will soon have the opportunity to honor the original agreement?" He held the hand of Feng Chenyi.

"Oh, it looks like this."

"Mrs. Feng, the day you have been waiting for, will soon be coming." Yu Aotian's eyes gradually turned to Yaoyao.

She lowered her eyes with no expression.

In the face of the natural and decent way of greeting from these two men, she considered herself inferior to them..

Episode 552

In the eyes of outsiders, Feng Chenyi and Yu Aotian gave people the feeling that the partners who have been familiar with each other for a long time. But people were unable to see that the dialogue between them was actually full of hospitality.

However, Yaoyao understood very well the meaning of Yu Aotian's words.

Their initial goal was to get Feng Chenrui out of Feng's. Now that Fengchenrui is gone, it means that these two men can formally oppose each other. In the same way, she can immediately concentrate to avenge for her mother!

"Yeah, Mr. Yu, I have waited a long time for this moment, I hope not to end too soon!" The words fell, Yaoyao pulled the arm of Feng Chenyi without giving Yu Aotian any time to respond and stepped to Long Ye: "Long Ye, thank you for attending the annual meeting of Feng's."

"You are welcome. Even today Mr. Feng has not invited me to come over, I'll have to come over for you."

"Ha ha....."

The two simply greeted each other, and Feng Chenyi took Yaoyao to say hello to others.

Long Ye looked at the back of Yao Yao, and sadly looked at Yu Aotian beside him. "You three live a really tired life."

"Well?" Yu Aotian squinted at Long Ye: "What are you talking about?"

"No... nothing..."

Yu Aotian stared at the stage afterwards.

"Hey..." Long Ye sighed, and looked at Yu Aotian, then Yaoyao and Feng Chenyi who were gradually in place.

Although he is not particularly familiar with the character of Feng Chenyi, but since he had been friends with Yu Aotian for many years, and Yao Yao was someone who always hung her emotions on the face, they were easy to understand.

Obviously, when Yaoyao met Yu Aotian, her eyes were erratic and she simply avoided to see Yu Aotian in his eyes.

And Yu Aotian, although he was acting extremely naturally and smoothly, obviously there was something different from the past. It was just that... Long Ye could feel that Yu Aotian had completely let go of Yaoyao.

As for Feng Chen Yi that Long He did not know much about, he believed...

At that moment, the mood of Feng Chenyi should not be better.

Undoubtedly, the wars of the three people had officially kicked off; the commercial battle was inevitable, there was no concession, only winning or losing. As for emotions?

From the current situation...

As Long He thought, Yu Aotian has gradually let go of Yaoyao after he returned to China. This may be due to his neatness and maturity. In the face of the current situation, he had to make a quick decision. It was just.....

If one day, Yu Aotian learned that Luo Yaoyao was pregnant. Could he handle this all so calmly and rationally? !

The annual meeting officially began. Feng Chenyi took the stage to speak as the new president. Facing the 10,000 employees, he just made a short-term vision for the future.

Later the time was left to the host and all the staff of Feng.

"You are very considerate." Yaoyao, sitting in the middle of the first row, smiled and squinted at Feng Chenyi.

"Of course, at this time, if I speak for too long, it will become the situation when we were in school and the principal were talking."

Whether it was in school or at work, a long-time speech would lead to the sleepy audience underneath. With the characteristic of Feng Chenyi, he cut the speech into 2 minutes. He would feel at ease as well as the employees.

"Everyone, we have just revealed three awards in succession. The following is the time for us to reveal the special prize.

" The host looked at the speech: "Wow! Just everyone heard the third prize is an iPhone for each; 5,000 second prize winners with 50,000 yuan as bonus; 1,000 prize winners with cars worth 200,000 yuan each. Now... everyone guess what our special prize is. Mr. Feng, what did you prepare for us?"

After the host ended his words, the staff under the stage began to discuss with each other.

Some guessed that it would be 500,000 yuan, others thought it would be an apartment. Some even thought about promotion or salary surge.

Yaoyao looked nervously at Feng Chenyi: "You will not reward a villa?"

"How did you know?"

"Wow? Really?!" Many people in the industry knew that Feng's welfare was very good. In addition to the annual awards to reward those superior employees, several awards would be set up and awarded to all employees. It could be said that the average per capita benefit was as much as 80,000 RMB!

Yao Yao excitedly explored the numbers that had been hidden in advance under her seat.

Feng Chenyi frowned: "What are you doing?"

"I'm gonna look at the numbers under my seat if I got the prize!"

Looking at Yao Yao's look, Feng Chenyi sighed: "There was no number placed under the first row of seats."

In an instant, her little face went gloomy... "Why don't you give it to me? Why?!"

"Dear, if you really like the lottery, later, I will take the lottery box home so that we can draw the lottery every day, OK?" Feng Chenyi knew her character too much. What was the prize was actually not meaningful to Yao Yao. she only wanted the joy of winning the prize.

"Okay." The unhappy little face immediately showed a look of joy.

Feng Chenyi sighed. There was really nothing he could do to her. She was so easy to be happy again. Otherwise he would ask her to date with him through drawing lotteries. There was no need for him to use planes and banners.

How embarrassing!

Do it straightforwardly...

Congratulations, Luo Yaoyao, you had won the special prize, which was to be the girlfriend of Feng Chenyi. It was estimated that Yaoyao would definitely go for the awards without thinking!

"Now, I announce the Special Prize. The prize is a set of townhouses worth 35 million on Nami Street!"

"Wow..." At the moment when the mysterious prize came to the surface, all the staff were shocked, and everyone was extremely excited.

"Everyone, tell me, is Mr. Feng generous?!" The host pointed the microphone to the staff floor.

More than 10,000 employees sang together: "Generous!"

"Then would you like to thank him?!"

"Thank you, Mr. Feng." In the auditorium, the voices echoed.

Feng Chenyi's entire face was dark... "Where does this host come from? Really shameful!" He didn't like to be too high-profile. Now the whole auditorium was echoed with such a voice, and he felt extremely disgusted.

He sneered at Yao Yao next to him, seeing that she had a cold face and seemed to be angry at the host. And her little fist was clenched. Looking at the posture, she was like going to the stage to beat the host. "Do you think this host is a dumb?"

She suddenly turned to look at Feng Chenyi: "No! I think he has too much nonsense, why not make a lottery! I want to know who the winner is."

After listening to this, Feng Chenyi almost fainted. How could his little wife be so obsessed with 'lottery'?

Episode 553

"Okay, now, let's personally draw the winner of today's mysterious award!"

Feng chenyi stepped onto the stage without expression, his arm penetrated into the lottery box, and he randomly took out a number and handed it to the host's hand.

"Now... I want to... announce the winner's... number. The number is... is... 3683!" The host turned the number in his seat toward the seat, and said with excitement, "Yes, please, the employee holding the 3683 number is on stage Accept the award of Feng Feng! "

"I don't know who is so lucky?"

"Yeah, so lucky, inexplicably got more than 30 million, do not have to work for a lifetime, right?" When everyone is guessing who will win the prize.

I saw a petite figure walking slowly towards the stage.

"Xie Yanqing ?!" Yao Yao was still expectant and immediately cooled down.

Xie zhiqing smiled sweetly, walking slowly towards Feng Chenyi with both hands in her skirt. The moment he was about to reach him ...

"Oh ..." She didn't stand up slowly, and the whole person almost fell to the ground.

Maybe it was from the gentleman's etiquette or subconsciously, Feng Chenyi held her waist with one hand. This made Xie Yiqing not ugly.

"Thank you, Mr. Feng." Xie Yunqing let out a sigh of relief, showing a sweet smile to him.

Wu Fengchenyi let go of her hand coldly, silent.

Yao Yao, who was sitting under the stage, frowned, narrowed his eyes coldly, Xie Yanqing ... was it just intentional? !! Otherwise, how could he fall in front of Chen Yi so coincidentally? !!

Aye "Oh, it seems that our recipients are so excited that they almost fell to the ground."

"Yeah, I'm really excited. I haven't won such a big award in my life. Hee hee ..

." Xie Yanqing began to interact with the host, and she looked extremely cute and pure.

Many men in the audience were so drooling, even the host couldn't help praising: "What a lovely little girl. Now I have to ask Feng to give the keys to the winners."

Wu Fengchenyi took the key handed by the emcee and handed it to Xie Yiqing's hand.

She took the key: "Thank you, thank you, Mr. Feng!" Hooked Feng Chenyi's neck in excitement, and then slammed on his face ... kissed him!

"Wow ..." Suddenly, the entire staff took a breath.

Everyone sitting in the first row almost looked at Yao Yao.

Ah.....

Xie Zhi Qing ... very good!

It's more powerful than those women who are around Yu Aotian. Although it's not clear how clever her means is, she can call any kind of behavior with her innocent face. The innocence of the little girl.

But goddess-level beauties like Li Meiyun, once you make such a move, you will definitely scold your body.

I believe Feng Chenyi is also in a difficult position right now? If he gets angry, he will be said to be stingy; if he is not angry, he will only be disguised to make Xie Yiqing even more aggressive!

The award-winning Xie zhiqing jumped back to her seat, and Feng Chenyi also sat back beside Yaoyao.

The two of them suddenly fell into a silence.

An unprecedented crisis struck, and Yao Yao who looked at all this with cold eyes did not show any extra emotions or show any unhappiness; Feng Chenyi didn't explain anything for what happened just now, and Yao Yao didn't need him. Explain what.

Just because, after so much... she believes that Feng Chenyi will handle all of this herself!

"Okay, everyone, all the awards have been issued today, and Feng's annual meeting ends here. I wish the new year a good momentum for Feng's. Now, we have invited the company's senior officials to the hotel with the guests to the Western Dining in the restaurant. As for ordinary staff, you can stay and dine in the venue. "

A small number of people moved to the hotel's high-end ballroom.

Located on the 48th floor of the hotel, it is a pure European buffet Western restaurant.

Chen Feng Chen Yi gathered with the mall elites who participated in this annual meeting to talk about business, while some of the wide ladies were surrounded by Yao Yao.

"Mrs. Feng, my husband told me that you are a law student and an elite in the industry. I have a nephew who also studies law, but it is much worse than you."

"Yeah, I also listen to my husband, Mrs. Feng is excellent."

Faced with waves of praise, Yaoyao responded with a smile throughout the process. These 'honours' originally belonged to Lan Ling and Lan Peini, but after Feng Chenrui's fall, these forces will naturally choose More reliable people came around.

"Mrs. Feng, that little girl was really unruly just now, knowing that you are off the stage, you still follow the wind!"

"Well, yeah, the little girls now don't know what's wrong, all of them are so open. My husband's secretary told me to catch it two days ago, and she kept discharging to my husband. Guess what ?! The wife finished mysteriously.

A few other ladies asked curiously, "What's wrong?"

"Of course she was fired! The little girl is not big, which means she is 20 years old, but our man just can't stand the young and beautiful girl. If we sit back and wait, the final result will only be old and nothing." In fact, it is actually the thought of every Mrs.

Kuo today.

They marry into a wealthy family and generally live as rich and young grandmothers. They have no job, no friends, and their knowledge is getting shorter and shorter. As they grow older, they are also being hone by the years. Over time, their husbands get tired of them and start looking for flowers outside.

Wife with good luck, open her eyes and close her eyes, and live a life safely; for a lady with bad luck, she may be squeezed out of the giants by Xiaosan in her early thirties, which is very tragic.

"Mrs. Feng, you have to be optimistic about your husband in the future. A man as good as Mr. Feng will definitely be admired by many young and beautiful girls."

"Mrs. Sun, what do you say to Mrs. Feng? As far as I know, Mrs. Feng is only 19 years old, she is young and beautiful, what are you afraid of?"

"That's not the way to say it, man, are there a few" clean "? Still be careful!

"Alas, alas, Mrs. Wind." A mysterious Mrs. Kuo squeezed Yaoyao mysteriously: "I told you, I see that little girl just 80% admired the wind, you can pay attention, you must take advantage of them When it 's not too long, kill this injustice. Otherwise, you will definitely regret it. "

Oh, Yaoyao also sees what Xie Yiqing intends to do, and it is more and more obvious, but this is not to say that if you want to kill you, you can kill Xie Yiqing from the company. She can still contact Chen Yi and kill her. Is she?

So if Feng Chenyi refuses, it is useless even if Xie Yunqing has any attempt; if Feng Chenyi falls in love with Xie Yunqing, then Yaoyao is useless even if it is more.

Hey man, once the heart has changed, even barely retaining this marriage will not help.

One Li Nuoting believes that Feng Chenyi has a lot of insights; if Xie Yunqing can successfully insert into their marriage, it can only prove that ... Feng Chenyi has feelings for Xie Yunqing!.

Episode 554

"Are you talking about me?" Suddenly, a voice was forcibly inserted among the wide ladies.

They looked at Xie zhiqing with a hostile look: "Here are the VIPs, do you seem to be ordinary employees? Why are you here?"

Xie zhiqing rolled her eyes with a smile: "Because I won the special prize, Chen Yi specially invited me over."

After hearing this from a few broad ladies, her brows frowned tightly, although she was very unhappy with Xie zhiqing's tone, but it was always Mrs. Feng that they walked away slowly.

In the corner, he immediately calmed down, Xie Zhiqing held the wine glass, and slowly faced Yao Yao:  
"Miss Luo, you shouldn't think of the facts just mentioned in these three or eight?"

"What do you mean?" Yaoyao asked silly and full.

"Of course I admire Chen Chen!"

Hehe, hehehe ...

So funny! It's so funny, Xie Zhiqing is pretending to be stupid, while using the most ambiguous words called 'Chen Yi, Chen Yi', to make people want to get angry, it will only look like they are very uncultivated; but do n't get angry, Xie Zhiqing may also Too much on the face on the nose! She is really a woman who can understand people's hearts!

"If someone really likes my husband, this only proves that my husband is attractive; if no one likes him ..." I shrugged helplessly: "I really have to wonder if my husband is too unattractive!"

"Hee hee, Miss Luo, you can think so. I also think that if you know that I and Chen Yi like each other, you will not be angry."

Xu's smiling face suddenly froze, when Yao Yao was about to fight back to Xie Zhiqing. Who knows ...

Xie Zhiqing once again claimed the lead: "After all, Miss Luo, you were also the lover of President Yu before, what qualifications ... are you angry with other lovers? Isn't it?"

My sweet smile, but the words were like a knife.

Is this the so-called sugar-coated shell? !!

Yaoyao's face gradually cooled down, and she narrowed her eyes coldly, took a step forward, and said gloomily, "Since you know this, you should also know that I know everything about your psychology at the moment. I can succeed. Squeeze away the women around Yu Aotian, but you ... may not be able to squeeze me away from Chen Yi, believe it or not ?! "

"Oh. Miss Luo is so confident, let's wait and see!"

Looking at the back of Xie Zhiqing leaving, she started to pick up a glass of red wine from the tray of the waiter passing by.

Who the hell is Xie Zhiqing? !! She would know what happened between her and Yu Aotian, so she must have an unusual background!

"Ah, aw, there are so many women entwined by Chen Yi, it seems Mrs. Feng may be busy in the future!"

The voice of Xie Xiesi echoed in his ears, and Yaoyao didn't need to look back to know who made the sound. Bai Jing's small face froze. She clenched the goblet in the handshake and looked blankly at Yu Aotian behind her.

"That little girl doesn't seem to be very good at dealing with it. In comparison, does Mrs. Feng feel that it is better for the woman around me?"

Did this Ao Tian be shameless? What he meant was to say that the women around him were simpler and asked to return to him to deal with those women? !! shameless! "It's just that the types are different. It doesn't matter who can deal with or who can't deal with it."

"Sister, if the inner girl is really inserted into your marriage with President Feng, you tell me, I'll help you get it done!"

As soon as I heard Long Yan's mouth, Yaoyao changed his face like a performance, and his small face immediately smiled.

"That's Long Zhi ... It's not the first time Chen Yi has derailed. I guess Mrs. Feng is used to it?"

Do you dare not speak? Why is it so bad when he talks? !! Yaoyao held the goblet in his hands tightly and took a sip of red wine.

Long Yan, who was standing beside him, shook his head helplessly: "Aotian, you really like to tease Yaoyao."

"Yes." The bottomless eyes glanced at Yao Yao who was drinking drunkenly: "But Mrs. Feng is much more boring than before.

Alas..."

At the moment of, Yao Yao was transformed into a Super Saiyan, with an invisible flame glowing all over his body.

Even the dragon owl standing beside her had a feeling of being burnt. "Yao Yao, don't talk to Li Aotian, he is free now. But you should listen to his words."

Suddenly the anger rushing out of her heart extinguished, she stared blankly at the smiling dragon owl.

What does Bian Longye mean? !!

It's not the first time Chen Yi has derailed. I guess Mrs. Feng is used to it? 'Is the true purpose of Yu Aotian saying this sentence is to hope that he can solve Xie Zhiqing immediately? !!

He is a man, Feng Chenyi is also a man. Even if a woman knows her man, she can't know him better than men.

Wu Yu'ao's words mean that Feng Chenyi may make mistakes again? !!

The bright eyes gradually softened, and she peeked at Yu Aotian, not far away.

Alas, no matter how deep he hated him, it seems that he will always be out of the war, but now he has an interest in caring for her marriage. Regardless of the purpose of this guy, it seems that he should not do 'that kind of thing' to her again and again as before? !!

"Yaoyao!" There was a roar of Feng Chenyi not far away, he rushed to the front of Yaoyao and snatched the wine glass in her hand: "Are you drinking ?!"

"Ah ?!" Opened his eyes blankly and nodded stiffly: "Hmm ..."

Wu Fengchenyi's cold face immediately became extremely gloomy: "You are pregnant, how can you drink ?!" The phrase dropped!

Suddenly, the aura surrounding these people changed dramatically.

The smile hanging on Yu Aotian's face gradually disappeared.

Wu Yaoyao could not care about Yu Aotian's feelings after this incident. She raised her belly with a small hand, stuffed the vacant goblet to Feng Chenyi, and ran towards the bathroom.

Seeing this, Wu Fengchen Yi hurried to catch up.

"Aotian?"

"Dragon, you are waiting for me here!" Said, Yu Aotian chased out behind them ...

'Spit ...' In the bathroom, Yaoyao held his throat with his fingers, eager to spit out the red wine he had just drank.

Why did I forget about it, why did I forget about pregnancy, and just drank the sullen drink, I drank all the wine.

"You really do!" Feng Chenyi patted her back with a grudge on her face, her cold eyes glanced at the shoes on her feet: "Look at you, you are pregnant wearing high heels ?!"

Small face was tight again.

Through the mirror in the bathroom, watching Feng Chenyi's worry hanging on her face.

Suddenly, she felt like she had failed!

She Mingming this child belongs to other men. She didn't even care about herself, but Chen Yi was so nervous and so concerned!

"Sorry, Chen Yi, I forgot about pregnancy for a while." Yao Yao wiped the corners of his mouth with a tissue and smiled at Feng Chen Yi beside him..

Episode 555

"Hmm ..." Feng Chenyi sighed softly, and poked her forehead vigorously: "You won't be a good mother in the future. But I ... will be a good father!" A confident smile hung to the corner of her mouth . In his eyes is full of fatherly love and expectations of this child.

I can feel that Feng Chenyi really treats this child as his own child.

He didn't mind at all? Can I really accept this child 100%?

She should also turn the happy knot, forget who the father of this child is, and give birth to this fresh little life safely? "Oh, I will pay attention to it later. I will be a good mother!"

Seeing Yao Yao's cheerful smile on her face, Feng Chenyi petted her head and said, "Huh, it's almost the same."

"General Feng, are you here? Prime Minister Qi seems to be looking for you." Suddenly, a man in a suit came to the bathroom.

Chen Fengchen Yi looked at Yaoya in distress. Before he can speak ...

"Hurry up."

"Well. I'll ask Lisa to bring you flat shoes over here, and you should quickly change the high heels."

"Okay, I know."

The man left with Feng Chenyi, but the happy smile hung on Yao Yao's face did not disappear for a long time.

She relied on the sink, and her little hand couldn't help touching her belly...

Baby, you are so happy, it seems that Chen Yi is sincere and can accept you.

Did you see how much he cared about us just now; how much he cared about you. I believe that after you are born, he will definitely treat you as a natural child.

Of course, in this case, the mother does not have to part with you in pain, you can also take a good look at the world.

Yao has always thought that Feng Chenyi would only accept this child in order to accommodate herself, so she has decided that if she persists, she will find this child one day.

But at this moment, she really saw Feng Chenyi's concern for this child, and care about this child, so ... she can give birth to this little life without any worries ..

.

At the end of the corridor, Feng Chenyi stopped suddenly, and those deep eyes slowly cast into the tall figure standing at the corner of the bathroom.

"Winner? What are you looking at?" The man looked curiously at Feng Chenyi, who was standing still.

He smiled strangely and quickly shook his head: "Nothing."

The other side...

"What is the best name for the child in the future? Three words or two words? Or four words?" Yaoyao said to himself while walking out of the bathroom. That happy look is self-evident.

"When will the children's clothes be bought? Oh, yes, there is a house, it is definitely not enough to live in that single apartment when the child is born. It seems that we have to change to a bigger one. Hehe ... "

The picture of the future gradually came to mind.

A family of three lives in a big house with three bedrooms and one living room. A cute little life, sometimes crying and noisy.

My husband worked hard for a day and returned home. The wife prepared a table to welcome him. The naughty child threw his father's arms into excitement and wanted to kiss.

Thinking of such a picture feels warm. In this way, she will not have to live alone anymore. After this child arrives, she will truly have a complete family?

Hee hee hee ..

. Uncontrollably laughed.

She walked, noticed the figure in front, stood still, slowly raised her head ...

The moment when Yu Aotian's figure broke into her sight.

Beware ...as if the whole person was pulled back to reality!

Just now, when Chen Yi asked herself to drink red wine, Yu Aotian was also nearby, wasn't she? !! In other words ... he already knew about his pregnancy, didn't he? !!

I patronized worrying about the child, and Yaoyao completely ignored this detail, but it doesn't matter, even if Yu Aotian knew it now, Chen Yi loves this child so much, she already has a strong backing, what is she afraid of?

This child is she and Chen Yi! Nothing to do with Pride!

"Come with me!" The cold words fell, and Yu Aotian turned and was about to leave.

"Mr. Yu, let's say something here."

"Speak here?" Turning his head blankly, a wicked grin evoked in the corner of his mouth: "Aren't you afraid of being heard by others?"

After hearing this, Qi Yaoyao clenched her fists and had to follow Yu Aotian into an empty lounge.

The door was closed, and she stood close to the door.

Wu Yuaotian sat on a sofa.

The room is extremely quiet, as if the sound of a falling hair can be heard.

His flashing eyes slowly matched his bottomless eyes, so that people could not see his mood at the moment and his thoughts at the moment. She knows that this moment is the most terrible! As long as there is a trace of leaks, it is possible to inspire the other side of the god of death contained in this man!

"Who's ...

child?" The cold four words fell, and Yu Aotian's eyes gradually cast on her lower abdomen.

"Mr. Yu, don't you think this problem is ..."

"Who's child!" Still the cold four words, Yu Aotian cut her words coldly.

Xiao Xiao's hand slowly raised her fist. She exhaled lightly and said coldly, "I and Chen Yi's child."

"Are you sure ?!" Yu Aotian stood up sharply and pressed her in two steps, and her big hands squeezed her chin like a pair of pliers.

Tong Yaoyao stood up to the pain of pinching his chin, raised his head, and looked at the emperor of the night without any emotion at this moment: "General Manager, who do you think this child will be?"

Pupil dilated, Yu Aotian squeezed the hand of her minibus obviously added a little more force: "Have you ever slept with him ?!"

"Oh, ha ha ha. Yu Aotian, don't you think your question is funny? Chen Yi is my husband, it is normal for us to have a relationship!"

"You ..." The big hand raised sharply, but at the moment it was about to fall, it stopped like his unfinished words.

What does Yu Aotian want to say? Want to say ... Are you a slut?

It's ridiculous! That's ridiculous!

Since he can use words to imply himself and stare at Feng Chenyi, it means that he should have accepted his marriage, hasn't he?

Then why at this moment, when Yu Aotian knew that he was pregnant with Chen Yi's child, would there be such a move?!!

Hefei, did he acquiesce to this marriage, just because he suddenly became pregnant, did he evoke the other side of his domineering?

Suddenly, Yu Aotian took up his raised hand and clenched his fist: "I'm asking you again, you're so sure! Child! Is it Fengchenyi ?!" As he spoke every word, the blue tendons in his forehead were jumping as he spoke each word. This shows how angry he is!

Perhaps, Yu Aotian knew this before the annual meeting and came to question her, she might all show fear and fear. but now....

Episode 556

Not anymore! This child is from her and Feng Chenyi's!

No! Too!

No matter what, in her life, Yu Aotian will not know who the biological father of this child is. "Yes!" A firm word fell.

Wu Yuaotian sank and pushed her out.

With a bang, the body hit the door heavily.

Wu Yu Aotian ... got angry! He should be very, very angry. If he stays here, the consequences ... conceivable!

Thump thump', the heart beating nervously, she did n't care about the pain that came when her body hit the door, her little hand opened the closed door quietly, next second ...

Quickly escaped this suffocating room!

"Damn!" Yu Aotian didn't go after him, his angry eyes locked the single sofa, stepped forward, and raised his hands ... "boom! boom! boom!"

He shattered everything in the room where there was glass. The original neat lounge just became a mess in a flash.

This is his anger in venting his heart. He didn't even know why he was nervous when he heard Yao Yao was pregnant. His first reaction was ... Will this child be his own?!!

But when he saw Feng Chenyi's nervousness and concern for the child, and Yaoyao gave a very positive answer, his heart fell instantly to the bottom, whether it was more pain or more anger!!

What I have to say is that Long Yan saw it through and Yao Yao felt it. Since they returned home after death, Yu Aotian has slowly chosen to let go. He has acquiesced in her marriage to Feng Chenyi and even acknowledged that Perhaps Feng Chenyi can give Yao Yao a happy future than him.

But ...

When this scene happened today, it seems that it is really confirming whether he has let go of all this!

He also proved that his unclear and unclear feelings towards Yaoyao ...

"Mr. Yu, is there such a big fire?" Suddenly, Feng Chenrui walked slowly into the room, watching the mess in the ground, he shook his head incredibly:"Oh, isn't it just a woman!"

Wu Yutian turned his back to him, his bottomless eyes flickered, he drew out the pistol that he carried with him from his pocket, and turned to rest on his temple.

"Wooo ..." Feng Chenrui subconsciously took a breather, and his pupils dilated several times.

He slowly raised his hands:"General manager, you... calm down, calm down a bit ..."

"It's your own death!" Roared like a beast, Yu Aotian's deep eyes flickered, and his finger quickly pulled the trigger. At this time!

"Autumn ?!" Long Yu passing by saw this scene, rushed into the room quickly, and closed the door nervously. "What happened ... what happened?"

He couldn't believe it, Yu Aotian would light up his gun without closing the door? !! This simply does not fit Yu Aotian's cautious character.

Similarly, Long Ye also deeply realized that it must be Yao Yao's pregnancy that would stimulate Yu Aotian to be so irrational!

"Dragon, Vice President Long, this matter has nothing to do with me, you have to persuade the president." Feng Chenrui wanted to go to the bathroom, but overheard the Yu Aotian and Yaoyao accidentally outside the door. Conversation, he wanted to take advantage of this opportunity to draw down Yu Aotian, who knew that he was shot while lying down.

"Aotian ... Give me the gun, give me the first ..." Long Yan carefully walked to Yu Aotian's side, for fear of a fire, he carefully and carefully took the gun from Yu Aotian's hand.

Purr ...

A long sigh of relief, Long Ye quickly snatched into his pocket.

I was looking at Feng Chenrui, and the whole person was almost scared and paralyzed to the ground.

"You, find me something ?!" Yu Aotian stared blankly at Feng Chenrui as if nothing had happened just now.

Feng Chenrui eased his nervousness: "Inside ... Mr. Yu, I know that you are my brother ..." He noticed that Yu Aotian's face became more and more gloomy, and he went straight to the subject: "It is better that we join forces to deal with the wind Chen Yi! "

"Yes!"

Hearing Yu Aotian's crisp and clear answer, Long Yan on the side couldn't believe it, he would promise to join forces with Feng Chenrui? !!

You must know that the reason why Aotian always cooperates with Feng Chenyi to deal with Feng Chenrui is because Feng Chenrui is a person of Zeng Kairui! He clearly hates everything from Zeng Kairui and Zeng Kairui, but now he promises to join forces with Feng Chenrui?

Long Ye would like to know how irrational Yu Aotian is at this moment? !!

"Oh, I knew you would promise me." Feng Chenrui smiled slyly.

Pu Yutian coldly raised his eyelids: "Don't be too happy first, now you are a defeated mourning dog, do you have any capital to join me ?!"

Despite Feng Chenrui's dissatisfaction with Yu Aotian's way of speaking, he can only accompany the smiling face, because Yu Aotian's words are sharp. "I do not have any capital, but do n't forget, I am also a wind family, and I can give you what I should do! In this way, your success rate will be much higher. And after the things are done, we are the only ones half."

"I see. You can go!"

"So President Yu, do you agree? Or ..."

"Can't you see?" Yu Aotian smiled strangely, and those bottomless eyes couldn't help stabbing a murderous look: "I only want Feng Chenyi's life!"

Wu Fengchenrui heard this ... "Okay, okay, then I will leave the general manager. We will talk about the details," he said, leaving the messy room with a smile.

"Autumn!"

"Don't advise me!"

"Can ..

." Long Yan frowned helplessly and had to swallow the words that reached his mouth.

At this moment, Yu Aotian in front of him is so strange, he was not like this at all.

He is similar to a person like Feng Chenrui, not to mention that he has no power and no potential now, that is, he has the right to be powerful, and Aotian cannot see it, let alone any cooperation. What else will happen?!!

Wu Yu Aotian has always been overbearing, but anyone who has worked with him knows that there will never be 5, 5 points in his dictionary. He always takes 8 points and leaves 2 points for the other. If you are willing to cooperate, you can cooperate. It is his decisive and imperial character that will make many people on the road frightened of him.

But nowadays ...

He did not hesitate to cooperate with such a person as Feng Chenrui, and even ignored the issue of interest, I'm afraid ...

At present, the only thing that can be seen in Yu Aotian's eyes is ... to Feng Chenyi's life!

Howard's thank you dinner lasted until 9pm and was almost over.

Out of courtesy, Feng Chenyi sent the VIPs to the hotel door.

"Chen Yi, Feng Shi will look at you in the future. If you need any help, just talk to me."

"Oh, thank you, Uncle Qi."

"Polite and polite." I bid farewell to today's guests one by one, but did not see Yu Aotian's figure slowly:  
"Lisa, how about Yu?"

Episode 557

"I didn't see the dinner half way through." Lisa was also blank.

Qi Yaoyao vaguely felt that Yu Aotian might have left first ...

"Lisa, send Yao Yao home first."

"Huh? Chen Yi, what about you?" Yaoyao looked at Feng Chenyi puzzledly.

He smiled awkwardly and stroked her cheek: "Several directors of the board of directors have to celebrate for me, so ..."

"It's okay, you can go. It just happens to have a relationship with the directors of the board of directors." The previous board of directors, Yao Yao has seen that Feng Chenyi should rarely draw those directors, so that the members of the board of directors at the meeting will not be special. Support him.

No way, Feng Chenyi has always been a person who doesn't like relationships and pull gangs, and now he should learn to pull people together.

He said goodbye to Feng Chenyi, and Yaoyao got in the car accompanied by Lisa.

"Mrs. Feng, you should already know about your pregnancy, right?"

"Huh? How did you know?" She looked curiously at Lisa.

"The wind always asks me to find flat shoes for you, I know that the wind should already know."

Alas, by the way, she almost forgot that the shoes she was wearing today were sent by Lisa. "Ha ha."

"How's it? How's it? Is the wind always excited?"

"Excited?" How should I answer Lisa? After all, this child is not Chen Yi, it is unexpected that he can be so nervous. "Well, very excited."

"Haha, I know! No wonder the wind always rewards villas and cars at this annual meeting." Lisa was so happy that she couldn't stop talking.

Yao Keyao was embarrassed, alas, Lisa really thought about it, Chen Yi's generous gesture had nothing to do with the child in her stomach.

"Here ..." Suddenly, the car suddenly applied a sharp brake.

Isa Lisa was afraid of where Yao Yao would hit, and grabbed her nervously: "Mrs. Feng, are you okay?"

"No ... nothing, thank you Lisa.

"

"Who ... scared me. If you have something to do with your child, the wind hasn't picked up my skin ?!" Lisa pinched a cold sweat and looked angrily at the driver: "What? What's going on? Don't you know Mrs. Feng is pregnant? You still drive so carelessly? "

"Sorry, Miss Lisa, it's not my fault. It was a car that suddenly stopped in front of our car." The driver pointed his face in aggrieved expression.

Yao Yao, who was sitting in the back row, looked at it with great effort ...

I saw, a convertible Porsche sports car really cross the road.

"What do you mean? Are you deliberately asking for trouble?" Lisa raised her fist in resentment, and just planned to get out of the car and go to the theory.

Wu Yaoyao took Lisa's arm by hand: "Miss Lisa, I know it. Please go back first."

"what?"

She didn't wait for Lisa to react. Yaoyao couldn't wait to open the door and quickly walked out of the car.

At the same time, the person sitting in the Porsche co-pilot position also got out of the car.

In the dark night, they face each other, and the cool wind blows the black hair of the two girls.

Wu Yaoyao 's humming lips slightly lifted a radian, and slowly opened her arms and ran towards the figure in front of her: "Xiao Man, I know, you will come back!"

"Hey ..." Gong Xiaoman smiled proudly and hugged Yaoyao tightly, his eyes flickering with a layer of water mist.

After a long while, the two girls let go of each other.

Xia Gong Xiaoman turned around and patted the man's shoulder in the driving position of the sports car hard: "Hey, your mission is done, you can go!"

Wu Yaoyao look at this ...

I only found out that the person who drove was ... Han Liyu!

"Where are you going?" Han Liying asked coldly.

Xia Gong Xiaoman rolled his eyes in dissatisfaction: "Of course it's gone with Yao Yao."

"Where is the old one? I'll send you there!"

"Oh! This is my privacy! Can you do it ?!" Gong Xiaoman twisted his body impatiently.

Who knows, Han Liyu quickly opened the car door, took her arm by one hand, and pushed her into the position of co-pilot: "Where are you from? What privacy! Say, where are you going ?!"

With a loud roar, Gong Xiaoman was honest this time, and he looked at Yao Yao not far away.

"Go to my house."

As she finished this sentence, Han Li Shang 's pair of icy ice eyes quickly shot at her.

"Han ... Mr. Han, tonight Chen Yi has no entertainment to return, I will call him a while and tell him not to go home."

After listening to these words, Han Hanli closed her cold eyes. "boarding."

After a while, the car finally reached the downstairs of Feng Chenyi's house.

"Call me when I leave, I'll pick you up.

"

"No, I may go back late, or I won't go back. I'll take a taxi and go home."

"Even if you go back next year, you must also call me!" Afterwards, Han Liyi did not give Gong Xiaoman a chance to refute, and started the car and left.

"Fuck! If you look at him, wouldn't it be too unreasonable?" Gong Xiaoman grumbled angrily at Yao Yao.

She didn't see why Han Liyu was unreasonable, but she saw that Gong Xiaoman was a little happy.

I didn't speak, she quickly walked into the single apartment.

"Hey, Yaoyao, why don't you speak?"

"Say? Hasn't President Han always been this kind of person? Isn't it amazing that you still don't like it?"

"Who, who said I like him, I like it so much?" Gong Xiaoman rolled his eyes pretending to be negative, but the reddish red on her cheek had long betrayed her.

"Oh, I don't like people, why did they bring you back as soon as they went to Japan?"

"?!" Gong Xiaoman said for a moment: "Wow, Yaoyao, you are so stunned, how do you know that the uncle went to Japan ?!"

'Ding' elevator arrives at the destination.

Yaoyao stepped out of the elevator and opened the anti-theft door: "I received a message early that President Han had asked Yu Aotian a week off. At that time, I knew that he was afraid to run this week. I went to Japan to find you! "

So, for the appearance of Gong Xiaoman today, she has no surprises.

Perhaps, even Han Liying would run to Japan as she expected.

Otherwise, not long after they finished chatting at the coffee shop, she would not risk going to meet Ao Tian and ran to Bosen to chat with Han Liyu.

At that time, she made a bet with herself. No matter if Han Lijun liked or didn't like Xiaoman, she told Han Lijun that Xiaoman went to Japan.

If the bet wins, Han Liying and Xiaoman will understand each other's intentions because of this; if the bet is lost, she will be counted as the deadly sister's last effort.

But from the scene just now ...

Xi Mingminghan can leave as soon as he can, but he wants to send Xiaoman over, but he has worked hard to ask for him. This shows how much he cares about Xiaoman.

No doubt, Yaoyao won this game!

Episode 558

"Have you finished calling Feng Chenyi?"

"Uh-huh!"

"Will we be able to ..." two-person world "?"

"Uh-huh!"

"Yay!"

After washing, the two sisters jumped onto the big bed in excitement, lifted the quilt and covered them.

I faced the roof, and there was a smile on their faces. Yaoyao tilted his head: "Now, let's talk about the story that happened between you and President Han this time."

Xia Gong Xiaoman leaned over his body and supported his head with one hand: "If you want me to elaborate, maybe I can't talk to you for three days and nights."

"What do you say?"

"The point is ... then I have to talk about it after I dated Chiba Yuejing ..."

Yetsu Chiba is the eldest son of Toshio Chiba, a well-known Japanese politician. He is also a person who promises to repay debts for Gong Xiaoman's mother.

One week ago, Gong Xiaoman returned to Japan and met Chiba Yuejing for the first time. Since the two met before at the funeral of Yao Yao's mother, they are no strangers.

There is no unnecessary nonsense, and there is not too much negotiation. The two set the wedding date to 7 days later.

But Gong Xiaoman met Han Li as soon as he walked out of the blind hotel ...

"Uncle, what a coincidence. Are you coming to Japan for a business trip? "

"Nothing to do with you! Who is the man who just sat in front of you?"

Xiao Xiaoman glanced coldly at the hotel, only to find that the place where Han Liying was standing was just the place where she and Chiba Yuejing were sitting: "Of course my fiance! "

"I did n"t give you any money? Why marry him? "

"Whoever I like to marry, marry who! Apply what you just said ... has nothing to do with you!"

This is their first meeting in Japan, ending with tit-for-tat.

To be honest, the moment when Gong Xiaoman saw Han Liyu, she thought that this man was specially for himself, but he did not expect that his answer was ... 'Nothing to do with you'. My heart is cold.

Even though it turns out that Han Liyu is coming to Japan for her ..

Future, three days later.

Li Hanliou found Gong Xiaoman again and left a thick document in front of her.

"Uncle, what do you give me? !!"

"You just know it!"

Curiously opened the file, and the content contained in it was all about Chiba Yuejing ...

"This man named Yueba Chiba, now there are four women around him who have not broken a clean relationship. Moreover, the reason why he chose to marry you is entirely because your mother has a very unsaleable plot of land that he needs!"

Xiao Gong Gong's snap and still lost the documents in his hand: "Han Liyu, come to me today, just want to tell me what kind of man Chiba Yuejing is?"

"I just want to tell you, he's not for you!"

Hey, huh ... huh, huh, as you said at the beginning, aren't you suitable for me? !! Gong Xiaoman smiled ironically: "To be honest, I really do n't mind what kind of man Chiba Yuejing is, whether he is good or bad, I do n't mind, I do n't love him anyway!"

"Do n't love him, why do you marry him? !! "

"Do you want to know the answer? Then I have to answer a question first! "

"what is the problem? !!"

"Why are you stopping me and not asking me to marry Chiba Yuejing! "bviously, the problem of Gong Xiaoman was to deliberately force Han Liyu's heart.

But she waited for the cold silence.

She really has wasted too much thought on this uncle Leng, and too much affection. Until now, he would rather spend most of his time looking for evidence of Chiba Yuejing's heart, rather than willing to Tell her ... because I like you.

Xiao Gong of Gong Gong disappeared in disappointment in front of Han Liyun.

In the next few days, everything is the same, Han Liyu never appeared in front of her again; she no longer thought about Han Liyu. Because she knows ...

In front of this man, maybe she can't wait for the answer she wants in her whole life.

Until the day before marriage!

"Come with me!" Chan Li suddenly came.

Xia Gong Xiaoman didn't have any mental preparation: "Are you sick? I'm getting married tomorrow, why should I go with you? !! "

"Can you go? !!"

"Do n't go!"

I looked at the stubborn Gong Xiaoman, Han Liyu was anxious and angry.

Who knows the pain in Gong Xiaoman's heart?

"go!" Without any unnecessary nonsense, Han Liyu adopted a forcible method and tied Gong Xiaoman to the airport.

"Han Li Shang! Are you enough? !! Don't you think you are selfish and excessive? Why don't you interfere with my life if you don't like me? Who do I marry and what does it have to do with you? "

"I just do n"t want you to regret it all your life! "

Looking at Han Li shang's great look, Gong Xiaoman smiled ironically: "Do you think you are a saint? Do you think you really do it for me? If you do it for me, you shouldn't show up again and again; if you really do it for me, you shouldn't take me away before I get married. You know that I like you, but you haven't given me any response; instead, you pretend to be a great look, and say it for me. Where the hell is it for me? !!"

Li Hanli is not a fool. He knows what Xiaoman wants and doesn't need. He also knows that if he says his mind, Gong Xiaoman will change all his ideas, but ...

"Girl ..." The cold expression was gradually melting, Han Liyu gently held her hand: "I "m not worth your love!"

"So do you think ... Chiba Moonview is worth me to love?"

Silence ...

"Now, I tell you why I 'm marrying Chiba Yuejing. Because I can't be with you, who I am with is the same!  
"Gong Xiaoman "s words overlap with what Yao Yao said to Han Liyu in the invisible.

She is a girl who dares to love and hate.

Once she falls in love with a man, she will go all the way to the end. If she can't get it, then she would rather choose Xiang Xiaoyu!

"If you have to do that, let "s ... just try together. "When Han Lijun said this, his fair white face was helpless.

Xiao Gong Xiaoman seems to have not responded yet: "What are you talking about? "

"I said ... we are together!"

There are not too many gorgeous words; there is no touching picture. It's not easy to say this kind of thing to the icy cold Lili.

Xia Gong Xiaoman didn't dare to expect too much, she didn't even wait for the long-awaited sentence ...  
"I like you" but that "s all, she is satisfied. At least, this uncle accepted her!

"Is it very humble?" After telling all this, Gong Xiaoman looked helplessly at Yao Yao.

She smiled: "It's smart!"

"What clever? I spent so much thought on that uncle, people just say" together ", and I "m fart, and fart followed the people back. Is n"t it humble?

"Hehe, in the years I spent with Chen Yi, he never said that I like you, or I love you. Men with cold personality like them really don't like to express with words, they The action has already represented 10,000 sentences. I like you and I love you. "

Episode 559

In the past, Yaoyao said that a cold man smiles, which means that he is very happy at the moment; a gentle man is suddenly fierce, then it means that he is very angry at the moment; a man who cares for you does not care, then he must be very love you.

And to a man like Han Li Shang said ... together, I love you!

"Xiao Man, don't you know if President Han has any feelings for you? Not to mention before, from the moment he was about to pick you up, you know how much he cares about you. So, you choose to follow He came back with a smart move. "

"Oh, but it's hard to be with such men. They are not good at expressing, not being gentle, not good at explaining, everything depends on us to guess."

"Yeah, just get used to it." Anyway, Yaoyao has become accustomed to all of Feng Chenyi, he was like this before.

"Alas...But the relationship between me and my uncle seems ..."

"What seems to be?" Yaoyao sat up curiously.

Xiaogong Xiaoman hesitated for a moment and slowly said, "I don't know what to say. On the way home, my uncle told me ..."

"Girl, don't tell anyone what we are together!"

"Why? So what am I to you? Raising a lover?"

Li Han and Li Zhi reluctantly nodded her forehead: "I don't have a girlfriend, I 'm just you. What kind of lover are you? "

"So why can't our relationship be told to others? Isn't that just out of sight? "

"It 's not like this, that 's why I tell you, I'm not worth your love ..."

"After that, uncle told me a story."

"what story?"

After waiting for Yaoyao to ask curiously, Gong Xiaoman slowly got up and held her hand: "I'm finished with you, don't think about it."

"Huh?" Yaoyao eyes turned: "Is this something to do with me?"

"Uh ... it's not exactly true. But ... may affect your mood."

After hearing this, Yaoyao seemed to guess one or two: "Is the matter of Yu Aotian?"

"Ok!"

"I have nothing to do with him, you say yours."

"Can I just say that?" Gong Xiaoman asked tentatively.

Wu Yaoyao nodded surely ..

.

"This happened ten years ago ..."

At that time, Yu Aotian was 18 years old and had just arrived in Japan for 2 years. He was considered the boss of a middle gang.

In an accident, he hit the little maid of another gang.

The girl is not very beautiful, but she is extremely charismatic, lively, cheerful, and capable.

They met in a gang war.

When she first met, Yu Aotian was obviously attracted by the girl's unfearing nature. But they are opposite identities, the girl will fight against Yu Aotian, but where will she be an opponent of Yu Aotian? As a result, after being teased by him, the girl was very angry and vowed to kill him completely.

As a result of this, the two became friends with each other from their enemies.

"I heard from the uncle's tone that it should be the girl that Aotian actively pursued, and it can be heard that this seems to be the first time that Aotian actively pursued a girl. Moreover, the uncle said that the former God doesn't care. "

After hearing Gong Xiaoman's remarks, Yaoyao suddenly thought of a conversation with Yu Aotian ...

"Xu Qing, Li Meiyun, Shang Yunyin, who do you like best?"

"I've all felt it."

"Have you ever tried a woman?"

"My second girlfriend."

"I'm Liyun?"

"I'm my second girlfriend when I'm still in Japan."

What is the second girlfriend in Japan that Yu Aotian said when she was in Japan? "What happened then? Since Yu Aotian liked her so much, how did they separate?"

"Well, this is me ... I hope you don't think about it." Gong Xiaoman sighed in embarrassment: "Yu Aotian was very high-profile after being with that girl, almost all the way they knew they were lovers, So a big gang resentful to the Royal Dragon Club abducted the girl in order to threaten Yu Aotian. Although, Yu Aotian had rescued the girl at that time, but .

.. the girl was still ... turned. "

Wu Yaoyao's heart shuddered. No wonder Yu Aotian was sad when she mentioned this second girlfriend. "As a result, did they break up?"

"No ... Yu Ao Tian was afraid that the girl thought too much, so she told her that he didn't mind all this. But the girl might feel that she was not worthy of Yu Ao Tian, and suddenly disappeared. Yu Ao Tian found She hasn't fallen for almost a year. After that ... is what we see now!

"After one year, no matter how many women approach him, he will always only have a \* night \* love with them, and it seems that no woman has actually entered his heart. Until 2 years ago, Aotian came to China, This only slightly converged, and finally officially found a few girlfriends, but the uncle said that Yu Aotian just felt about them and couldn't even like it! "

For a long time, Yao Yao felt that Yu Aotian's attitude towards emotions was too ruthless, but she now understands that it is not Yu Aotian's ruthlessness, but because he is too ruthless, he cannot let other women come into his heart Ban the girl's place.

Maybe ...

At the moment when the girl he loved disappeared from him, Yu Aotian's heart was dead, right?

Hehe, I didn't expect that he would be such a caring man.

Of course, she also understands the reason for Yu Aotian's free and easy personality when dealing with emotions.

If I feel for you, I will give you the greatest affection; the next second, I don't feel for you, I will push you far away.

No mud or water.

And the so-called greatest feeling is not to expose their relationship!

I believe that the reason why Aotian changed women constantly in Japan was that she didn't want any girl to fall to the end of the girl he once loved. After coming to China, Aotian has a fixed female Friends, but have never been open to the public, probably do not want them to be hurt.

If you haven't heard this story, you might never understand Yu Aotian 's good intentions, right?

"Xiao Man, after this story, you can understand why President Han wants to keep your relationship secret? You can see from this, President Han cherishes you very much." Through this incident, Yaoyao started to laugh at Gong Xiao Man.

"Oh ... haha ㄟㄟ..." But obviously, the smile on Gong Xiaoman's face was very stiff.

"Why are you laughing so reluctantly?"

She looked at Yao Yao's flashing eyes, and licked the corner of his mouth in anguish: "You ... haven't you felt any sense after listening to Yu Aotian's past?"

"Yes. At least I know that he once really loved a woman."

"Haha, haha... Yes, yeah ..." Gong Xiaoman didn't overdo it and shook his fist vigorously: "Forget it! I can't help it!".

Episode 560

"Huh?" Looking at the back of Feng Chenyi's departure, Xie Yanqing played with the room card in his hand, and a strange smile rang at the corner of her mouth: "What's the use of a gentleman? Did you forget ... Is it your name? Hehe..."

The sky was bright, and the not-so-large single apartment was shrouded in plenty of sunlight.

Xiao Gong Xiaoman had got up half an hour ago, but Yao Yao disappeared when he got up together.

"What happened, where did people go?!"

She also wondered if Yaoyao would buy her breakfast early, even if she really bought breakfast, she would not come back now?!!

'Click' to hear the sound of the door opening.

Xia Gong Xiaoman ran to the door excitedly:"Yao... Chen Yi!"

"Yao Yao hasn't returned yet?" As soon as Feng Chenyi arrived at the company, he received a call from Gong Xiaoman, and all his work went back home.

"No... no." Gong Xiaoman frowned in distress:"It's weird! Obviously the two of us were sleeping together, but as soon as I opened my eyes, she was gone. You said... why is this person out of thin air? Disappeared? "

Wu Fengchenyi's face sank gradually:"Xiao Man, wait for me first." He checked the keyhole of his room, and checked the position of the windows one by one. Obviously, the window had been traced.

"Chen Yi, what are you looking for?"

"No, nothing..." Feng Chenyi shook his head quickly, and slowly put his hands into his pockets: "Xiao Man, in this way, I will send someone to find Yao Yao, you go home and rest, wait to find Yao Yao, I'll call you."

"Hmm... Yeah... Sorry, I didn't like Yaoyao."

"It's okay, it has nothing to do with you."

"It's weird! It's weird! How could a big living person disappear out of thin air overnight." Gong Xiaoman muttered to himself, picking up the bag and leaving Feng Chenyi's home.

Waiting for Gong Xiaoman to leave, Feng Chenyi loosened the tie between his loose neck and slowly picked up the phone: "Lisa, if something happens in my house, I won't go to the company. What's the matter? Just a moment. "

"Well, okay, always wind."

Hanging up the phone, Feng Chenyi dropped her phone on the sofa, and her body naturally leaned on the back of the sofa: "Oh .

.." The nervous expression was gradually banned by a sly smile: "Yao Aotian, your Action... It's a lot faster than I thought... "

In front of the operating room of a private hospital.

Wu Yuaotian sat expressionless on the bench.

At this time, Long Yan, who received the news, ran to him in panting. "Aotian ?! Are you crazy ?!"

"What?" Cold words fell.

Long Yan rushed into cold sweat: "Yao Yao is now the wife of Feng Chenyi, and they are pregnant with Feng Chenyi's children. They are normal couples. Don't you think this is too much ?! "

"Don't think!" Yu Aotian's answer at the moment was so outrageous.

In Long Yan's eyes, he is not such a person. He is sane, mature, and more thoughtful, but... "Aotian, you have been in a bad mood since yesterday. I know that you are just now I was stunned by anger for a while, right? Even tigers have hiccups. For more than ten years, no matter what you do, you have never seen a leak. Even if you make a mistake once or twice, no one will blame you. ... I understand your hard work, and I understand your helplessness at the moment. I also know.

.."

Slowly crouched in front of him: "How much grievance and bitterness you have in your heart. But... you and I know that since we have chosen this path of no return, we are ready to take on loneliness and loneliness. Preparations for people like us, if we don't stand at the top of the world, we don't have a

wife, a child, or a family. I believe that because you know this, you'll be right after you return from the accident. Isn't Yao Yao letting go?"

Every man who crosses the threshold of underworld is very clear about his own results.

If all enemies are not resolved; if not all hatred is settled, the loved ones who follow them will suffer various and various tortures.

This is the helplessness of these men, just as there are many helplessness in celebrities, each industry has their own helplessness and sorrow.

Yu Aotian is very lonely, Long Ye, Han Li Shang All of them live in loneliness. Even if they have endless money, they can't give their loved ones a stable home. The kind of pain and loneliness cannot be tolerated by anyone.

However, they have adapted for more than ten years, and have survived for more than ten years in this loneliness and coldness.

Perhaps Yu Aotian has adapted to all this. However, the emergence of Yao Yao slowly gave him his longing for the future. Unfortunately,...

Reason he knows that it is not the time! It is also clear that, for the moment, Feng Chenyi is a man who can give Yao Yao a smooth future.

In the words of Long Ye, when tigers doze, Yu Aotian has been sensible for more than ten years, and there will inevitably be a moment of slackness.

However, now he is blinded by the confusion!

"Aotian, please wake up." Long Yan's face begged bitterly: "Now, Yaoyao has identified you as the murderer of her mother, but there will be truth in this matter. That day, but ..

. once you kill the child in Yao Yao's belly, then you really can't save everything. Yao Yao will hate you forever!"

Suddenly...

The greyness that covered between Yu Aotian's eyes seemed to gradually dissipate, and his deep, bottomless, insightful eyes restored again.

He got up, rushed to the operating room, and slammed open the door.

"Mr. Yu!" The doctor in the room looked nervously at the door.

"All go out."

"Huh? Mr. Yu, did the surgery be done?" The doctors looked at Yao Yao who was lying quietly on the operating table.

His bottomless eyes sank: "All go out! Don't do it!" The low roar fell, and the doctors walked out of the operating room nervously.

I stood aside and watched all the dragons quietly smiled. He knew that the emperor who controlled everything and always calmly faced all the people returned.

Pao slowly walked to Yaoyao and looked at the little sleeping face, Yuaotian slowly pulled up her cold little hand and smiled sadly...

When I set out on the road of no return, I thought that I could live my whole life like this; but it turned out that I also seemed to long for a family.

I met you. I thought that if one day I prove that you are 'her', I will give you a sum of money and endless prosperity and wealth. But it turns out that I am more eager to keep you by my side.

I watched you marry Feng Chenyi, I thought you might divorce him soon; but it turns out that you seem to be slowly integrating into that marriage.

What else can I do?

So many thoughts; so many mistakes, what else can I do for you?

Except to keep you well-rounded and to make you happy, I have nothing to do.

I can only repay the debt of 13 years ago in this way. I believe that only in this way will you be happy, right?.
