

Pure Girl 561

Episode 561

Yu Aotian really had too many, too many words in his heart, but he was afraid that it would take him three days and three nights to finish the road. He thought that one day after he resolved everything, he would slowly put those in his heart to his heart, Tell her everything she couldn't say. Unfortunately...

Her marriage with Feng Chenyi is destined that God will not give him the opportunity to explain all this!

Xu kissed the back of Xia Yaoyao's hands, and Yu Aotian gradually put a smile on his face, baby, I wish you... happiness...

Quietly murmured, he slowly let go of her hand, just about to turn around and leave...

"Autumn!" Long Yan opened his eyes sharply and pointed at Yao Yao's body in panic.

I saw, there was a dazzling flower on the white sheet ...

"Dragon, quickly call the hospital!"

"I see!" Long Yan quickly called to the doctor.

The doctors were busy treating Yaoyao for a while...

"How's it going?!"

Dr. Tong took off his mask with a distressed look: "Sorry, Mr. Yu, the lady was a spontaneous abortion, and we have tried our best ..."

Dark world, dark.

Petite figure hovering on the cross street, I do not know how to choose.

Where is this?

"Mom."

Behind him, a beam of light appeared and turned back, a cute little boy who was a few years old was standing there smiling at her.

"Child, are you calling me?"

"Mom." The boy just laughed and seemed to do nothing but call his mother.

Wu Yaoyao frowned, "Are you my child?"

"Mom."

Hehe, inexplicable, attracted by the boy's cute look, Yaoyao ran towards the boy quickly, just when he was about to hug him ...

"Mom..." The boy's figure seemed to drift away and became blurred.

"Wait for me, where are you going? " Continue to chase, but the boy goes further and further, the figure becomes more blurred.

"Mom... goodbye..." The boy's smile gradually disappeared, a drop of tears crossed his eyes, and then disappeared.

But the sad expression on the boy's face was deeply imprinted in her mind.

Why say goodbye?

My son, where are you going?

Opening his eyes violently, a bright light came into view.

She Yaoyao found out that it was just a dream she had dreamed of, but is it possible that the child entrusted him with a dream? Looks like ..

. the child in the belly should be a little boy?

As soon as I thought of the "goodbye" the boy said before leaving, Yaoyao's heart ached, and the boy looked so sad and sad...

I sat up weakly and looked at everything strange in front of me.

Ji Yaoyao's pupils dilated instantly... what happened? Shouldn't I be at home, where is this? !! Looking around the room, it seemed like a ward.

Suddenly, when looking away from the window.

The figure of Wu Yu Aotian and Long Yan immediately caught her eyes. "You..." I was still in my single apartment before going to bed, but I woke up here. I still remember that when she woke up in the morning, she smelled acrid ether. In other words...

Is it true that Aotian sent someone to abduct himself?!!

I was worried, and my throat was mentioned instantly. The sixth sense told her...

This may be related to the child in the stomach.

Xiao Xiao subconsciously stroked her lower abdomen, and a large piece of blood on the bed sheet was reflected in her eyes.

How can there be ... blood? !!

"Yao Yao..." when Long Yong was about to explain.

Wu Yu Aotian stopped his words and said coldly, "The child has run away."

The slightly lifted heart fell slightly, and Yao Yao widened her eyes and looked angrily at Yu Aotian who was standing in the window: "You ..

. you killed my child? You killed it! My child isn't it ?! "He stumbled out of bed.

Seeing this, Xiaolong just came forward to help.

Yaoyao flung him away and rushed straight to Yu Aotian: "How can you be so cruel?! What rights and qualifications do you have to kill my child?! In your heart, do you still think that I'm your lover, your pet? Whatever you like, how about it? How happy are you, how about it! The little hand that grabbed his arms became harder, she hated, she was sad!

I hate Yu Aotian's selfishness and arbitrariness; sadness, this innocent child is implicated.

"I'm Feng Chenyi's wife, I'm his wife. It's not your cat or dog under Yu Aotian's hands. How can you do such a mean thing?! In the end I ..."

"What the hell did I owe you? What did I owe you?!" Confused tears crossed her eyes ... The roaring voice became hoarse and weak: "When I want to be with you, You killed my mother; when I finally made up my mind to marry Feng Chenyi, you wanted me; when I decided to have this child ... you killed my child. You are so selfish, This is overbearing, tormenting me constantly and constantly, so that I don't want to hate you!"

Haw clutched his hands in his arms tightly, and hung down weakly. Yaoyao slowly crouched in front of him, sobbing in a low voice.

Long Yu, who was standing there, looked at Yu Aotian, who was expressionless, and looked at Yao Yao who was sobbing ... "Sister, you listen to my brother tell you..."

"Brother Long, you don't have to say anything." Yes, nothing. When he started, he stopped Long Yan's words. Yao Yao's shaking shoulders became wider and wider, but the sound of sobbing gradually became a 'giggling' laughter.

Xun Longyan's eyes widened for unknown reasons; Yu Aotian, who had been unresponsive, could not help narrowing his eyes.

The two looked at each other, and just wanted to see what happened to Yao Yao.

Who knows...

She raised her head sharply, and looked at Yu Aotian with a smile: "Hehehehe .

.." smiling with a giggle, she stood up: "Yutao, do you believe in retribution? Do you know what is it smart to be misunderstood? I am smart but to be misunderstood, and you ... your Aotian is retribution! I thought... "

"I thought, I told you that this child was me and Feng Chenyi, and I could keep this child's life, and he would be able to make him a safe and happy birth; Chen Yi's child would not let go of this child's life. At the same time, the price you paid was ... killed by your own hands ... your flesh! Oh, hehehe... "

"Yaoyao, this child..." He did not wait for Long Yan to finish.

Wu Yu'ao's bottomless eyes sank, and he hurried forward, grabbed her arm tightly, and yelled, "It turns out this kid is really mine!"

"Yeah... your child, I and your child! From the moment I married Feng Chenyi, we have never been a true couple for a day. This child is not yours, but who else it's just ... Oh, I'm worried that I don't know how to solve this child, thank you for your help, to solve the problems for me, to defend my family, so that I can also explain to Chen Yi. "Fall, she opened Yu Aotian's hands with a smirk, and left without looking back....

Episode 562

"Proud... Aotian?" Long Yan opened his mouth, wondering what to say, but his heart was so painful, so sorry.

'Bell... Bell Bell ...' An urgent telephone ring came, and Yu Aotian pressed the sadness in his heart, and answered the phone expressionlessly.

"Mr. Yu, it's me, Feng Chenyi."

"what's up?"

"Uh... it's nothing, I just want to ask you ... have you solved the wild seed in Yao Yao's belly for me?" The ironic words fell.

Suddenly, Yu Aotian's face changed dramatically!

It turned out!

Feng Chenyi intentionally told him at the annual meeting that Yao Yao was pregnant!

Feng Chenyi also deliberately pretended to be extremely concerned about the child, in order to make Yu Aotian think he was the child's father, so he annoyed Yu Aotian and used his hands to eradicate his own child!

No doubt, this time, Yu Aotian completely fell into the trap set by Feng Chenyi!

"Oh, Chen Yi, you are a lot more vicious than I thought!" The bottomless eyes stroked a cold chill.

I can say that from the beginning, Feng Chenyi was the most important opponent of Yu Aotian.

Many characteristics of Wu Fengchenyi are extremely similar to him.

Therefore, they have always maintained a relationship of enemy and friend.

It can also be said that many times they can guess each other's hearts.

"I'm vicious? President Yu, I learned all of these from you." Feng Chenyi smiled coldly on the other side of the phone: "I thought that you didn't do it early or late, you chose me.

You asked Yao Yao the day she married, what do you think ... I'm afraid it's only you know! "

Wu Yuaotian did not deny that he would choose to do that at that time only because he knew Yaoyao's personality very well. No matter how he prevented their marriage, he was afraid that they would promote their relationship more and more.

Only ...

I forcibly took Yaoyao at that time, so Yaoyao would refuse the marriage because I was sorry for Feng Chenyi, but... "Are you still married as usual?"

"Yes. Of course. I said that if Yaoyao refuses to get married, I will tie her into Feng's door. How can she refuse? But! Feng Chenyi's face sank, and her anger was low.

Roared: "From the first day of this marriage, we have a sandwich between you, never been a normal couple for a day, these are all thanks to you Yu Aotian! Now ... see today this

In one scene, I was a bit relieved. "

"Oh,hah..

." Yu Aotian laughed at himself, but the next second, the smile on his face was gradually banned by a touch of guilt ..."Sorry."

Wu Fengchenyi did not expect that a man like Yu Aotian would suddenly choose to apologize?!!

"My apologies, only to Yao Yao. I admit that it was all due to my selfishness, and I have not considered any feelings of Yao Yao, nor have I considered whether these actions will cause her pain.

But... from today... I quit!"A slight smile crossed his mouth, and Yu Aotian hung up the phone slowly.

Hehe,I don't know why, after all this, his heart suddenly relaxed.

He may have faced the reality; perhaps he had accepted all of this, and he was indeed... a man who could not give Yao Yao any happiness, so let her go and ask her to pursue the so-called happiness.

All he could do was to look at her happiness from afar, and nothing more...

"Aotian... Assuming, you already know that this child belongs to Yaoyao, what will you... do?" After being with Yu Aotian for so long, Long Yu witnessed stealing Yu Aotian one by one

The end of the child woman.

In the world of Royal Sky, he can be ruthless to all women, even if there are hostile gangs threatening his woman, he can still sit firmly on the Diaoyutai.

But in the face of the flesh and blood flowing from his own blood, he could not be cold-blooded.

So, Yu Aotian does not allow any woman to conceive her own child!

At least, not now!

But Long Ye want to know .

.. when Yu Aotian faced his and Yaoyao's children, what was his attitude?

"Oh, change all the original plans and be responsible for her and her children, what else can you do?"

Hearing this answer, Long Ye was stupid. He thought that Yu Aotian might give up this child like other women, but didn't want to?

Maybe.. "Oh ... this seems to be God's will." He patted Yu Aotian's shoulder heavily.

Turned around, relying on the position of the window, he smiled helplessly: "Well, it's God. It seems that God doesn't allow me to be with that little thing, huh ..."

When Diaoyu Aotian knew that Yaoyao was pregnant, the first reaction was that if the child was her own, she would take her back to her no matter what means she used, and give her all responsibilities.

You can see Feng Chenyi's nervousness about this child, hear the answer given by Yaoyao, and under his anger, he was killing this child.

At the end of the cricket's intellect was finally summoned by the dragon cricket, and the child intended to keep the child, the child had a spontaneous abortion.

No matter how hard the doctor tries to keep the child, the failure to save the child's life is enough to prove ...

It was God who forcibly took away their children. God was unwilling to leave him and Yaoyao anything that could be 'connected' ...

"Sorry, Long Ye, to this day, you worry about me." Yu Aotian smiled guiltily at Long Ye.

He shrugged unwillingly: "It's okay, after all, you are not a god, and there will inevitably be slackness."

"But this slackness ... really made me pay too much.

" Yu Aotian finished in a relaxed tone.

Long Yan who was walking by looked anxiously at his side ...

I can feel that the death of this child really hurt Yu Aotian's heart.

He has been tasting the fruits of victory, and may be the first time he has faced such a setback.

I fell into the trap of Feng Chenyi, hated and complained by Yaoyao, lost my biological bones inexplicably, etc ...

But ... it is not a bad thing to ask Yu Aotian to taste the taste of failure. After all, his real enemy is not Feng Chenyi.

I believe that with this time, Yuotian will be more step by step in the face of the future dangers, and the winning coupons are in the hands...

With the sky and white snow, this is the first snow since winter.

The big snow flakes fell on the body and formed a beautiful ice crystal.

Just a short while later, the streets were surrounded by silver clothes, and everyone focused on their costumes.

When I walked out of the hospital, Yaoyao drifted under the snowflakes, and every step would leave a pair of small footprints on the white snow.

I breathed in the cold air, but spit out warm air.

She raised her head and looked at the sky shrouded in haze, just like her heart, permeated by the darkness.

"Just... Oh, I'm worried that I don't know how to solve this child. Thank you for your help. I solved my troubles and defended my family, so I can also explain to Chen Yi. .

Episode 563

Baby, this is not the mother's heart.

My mother said this because she was angry with your father.

Perhaps, you don't know how painful your mother felt when you left.

Before the mother can see you, you have already left the mother.

But...

They don't allow you to live in this world!

Yeah, it's them ... it's your father, and ... the mother's most trusted ... husband!

Hehe, too, it is because your mother hasn't protected you that you will leave.

I believe that even if the mother has other children in the future, she will not be able to give you up completely.

In this life, we can't be mothers and sons. I hope that in the next life, we can meet each other and ask moms to make up for your debts, okay?

"Squeak"

I pushed open the door of the single apartment.

Feng Chenyi, who was sitting in the living room, looked back coldly, and saw Yao Xue full of white snow, and hurried to run forward: "Returned?" The warm palms polished the coldness covering her.

But the white snow that has no temperature has been polished away, but it cannot be polished anyway, the dust on her heart.

"The child... has been lost." Yaoyao's tone, as if stating something, was bland and unsurprising.

I didn't have the excitement in front of Ao Tiantian, nor the hollowness of my soul when I was on my way home.

It's that bland, it's that simple.

Wu Fengchenyi's hands polishing her body suddenly paused.

"Hmm..." He echoed slightly and continued flapping at Shirayuki on her clothes.

"Just as you designed, Yu Aotian destroyed it with his own hands." Raising his eyes, his empty eyes stared at his handsome face.

Chen Feng Chen Yi knows that with Yao Yao's IQ, nothing ... can't hide her!

Just looking at her, willing to go deeper.

"Hmm..." He did the same, and didn't hide Yao Yao's meaning.

But his crisp answer was like a knife that pierced her heart.

"Chen Yi..." Started, holding his warm palm, Yao Yao smiled lightly: "Let's get divorced."

Bian Fengchen Yi can count to Yu Aotian's heart, and calculate the result today, but he...

I did not calculate, Yaoyao will file a divorce with herself because of this!

"Reason? Is it because I killed Ji and you and Yu Aotian's children ?!"

I shook my head.

She still smiled faintly, and slowly sat on the sofa: "Actually, what you did to me today, Yu Aotian also did to me."

That time, it was when Yu Aotian just found out that her ex-boyfriend was Feng Chenyi.

They have been in the Cold War for a long time, and Yu Aotian got a lot of fire, but afterwards... they suppressed all the contradictions and got back together.

At that time, Yaoyao thought that Yu Aotian no longer minded it all, but didn't want to...

At the Bosen annual meeting, he deliberately called her to the scene and met Feng Chenyi.

She Yaoyao broke her heart. She hated Yu Aotian for calculating herself. She blame Yu Aotian's unfathomable city. She refused to let go of her resentment and kissed herself in front of so many people.

Maybe it was from then on that she slowly gave up her love for Feng Chenyi.

Today is today.

Xi is another annual meeting, but the place has become Feng's.

Wu Fengchenyi deliberately told Yu Aotian to know the fact that she was pregnant, and she showed so much fatherly love that she just wanted to anger Yu Aotian.

Different times, different places, different things, but the same ... but the heroines of things are her.

It was her who was fooled.

Perhaps she was not surprised that Yu Aotian was able to do such a thing; but Feng Chenyi, whom she trusts, also designed all these things so deliberately that it really surprised her.

But ...

When thinking of the last Feng's board meeting, Feng Chenyi subdued Feng Chenrui with a blow.

It didn't seem so surprising that he could do it now. Just discovered...

The biggest gap between Yu Aotian and Feng Chenyi is...

Wu Yu Aotian is a beast that is always roaring, so that people dare not approach him. As soon as they approach, they will be broken.

Bian Feng Chenyi is different. He is a sleeping beast, which makes people think he is asleep, but anyone who dares to approach him will be bitten by the body in the next second!

Two men who are more scary, she can't compare.

The only thing I know is...

She and Feng Chenyi have known each other for so many years, and have been in love for so many years. At this moment, she can truly understand this man.

"It's obvious that both of you used the same trick, and they both used me. Strangely ..." Yao Yao looked helplessly at Feng Chenyi, who was not far away: "I don't hate you. Instead, ... I feel... I'm sorry for you. "

"Oh, I'm sorry?" Feng Chenyi didn't want Yao Yao's heart. They said that there is love to hate. Now, Yao Yao can't even hate him?

Only ... left behind?

"Then you have to divorce me?"

"Just because I'm sorry, I want to divorce you." She looked down at Feng Chenyi, she lowered her head:
"Chen Yi, it was my fault, I thought you would be relieved when you desperately wanted to marry me

Everything; I thought you were sincere when you chose to trust me again and again; I thought you
accepted my child out of comfort ... "

"You think, don't you ?!"

"Hehe." Gently shook his head, stood up, and walked slowly back to Feng Chenyi: "Actually, you never
let go. You have always minded the things between me and Yu Aotian,

It was only out of love that I endured it all, waiting for the opportunity to 'slam the enemy.' Chen Yi, you
are too tired, you are too hard! "

Tears sorrowed with sadness and guilt crossed the corners of his eyes, and his cold little hand caressed
his stern face: "This fatigue is for you.

I'm sorry, Chen Yi. Only when we divorce can you truly let go

Everything. You are my most trusted man, always and always. No one can ban your place. I really don't
want to ... see you living so hard because of me. "

Ah...

Wu Fengchenyi did not expect that Yaoyao would see himself so thoroughly.

Yes!

From the moment they got married, his knot was born.

He loves Yaoyao, very, very much, but cannot release Yu Aotian who is sandwiched between them.

For Yao Yao, he chose to forget; for Yu Aotian, he chose to hate.

He is like this, living in the nightmare repeatedly.

But ...

"If you lose you, you can tell me to let go completely; even if I am in pain, I will choose to let go and stay with you!" Then, Feng Chenyi gently covered her hand stroking her cheek.

"I don't want to see you unhappy, okay? Chen Yi."

"Do you think I will be happy when you leave?"

"Why are you ...?"

"Yao Yao, tell me, how long have I tortured you with Li Nuoting?"

Slowly removed the eyes staring into his deep eyes: "A long time ... a long time ..."

"Have you let go?"

"It's been put down since the moment you married me." Yes!

When Feng Chenyi was derailed, she vowed not to be with this man again, because once a man makes a mistake, he will definitely make another mistake. However, Feng Chenyi's persistence moved her.

Episode 564

At that moment, she knew ... that a man who had gone the wrong way and insisted on turning back could actually give them a chance to change.

"Since you can let go, me, why can't you let go?"

Raising his head violently, the eyes facing him were so charming and touching.

She was lying on his body like they were when they first met, deeply attracted by these eyes.

The tears in the eye frame slowly dissipated, replaced by a smile of relief.

As long as he can regain happiness, she can stay with him like this forever!

"Maybe ... we can really try to start again ... What do you think, Chen Yi?"

"Silly girl." Feng Chenyi gently wiped her nose: "This should be what I tell you."

"Every time I ask you to take the initiative, am I not very disadvantaged?" She also imagines Gong Xiaoman's unrestricted love, and she also imagines Gong Xiaoman's disregard for worldly eyes

Everything goes after a man.

"Oh. If you want to take the initiative so much, shouldn't you take some..."

He did not wait for Feng Chenyi to finish speaking, and Yaoyao grabbed his neck and kissed his lips.

A tender smile passed away all the coldness on his face, and his raised hands clenched her waist tightly, responding to this bitter kiss.

They seem to have forgotten all their troubles, only at this moment is true, and only at this moment, their hearts are slowly united together.

Gradually, Feng Chenyi apparently couldn't hold himself back ...

There was a rush of electric current, and a pleasant sound came out of her lips intermittently.

Hearing that embarrassing voice from her, Yaoyao bit her finger coyly, eager to suppress this blushing heartbeat.

Wu Fengchenyi took away her little hand ... but suddenly remembered...

"Can you?"

After returning to God, Yaoyao calmed his breath and thought for a moment, it seemed that he couldn't just hit the child ...

"It seems... no."

Wu Fengchenyi almost fainted on her. Is it God's intention to strangle him?

"You, uncomfortable?" Looking at the man lying beside him, Yao Yao asked tentatively.

Wu Fengchenyi glanced helplessly at her: "What do you say?"

"Then ... let's do it yourself."

Su Fengchenyi's cold face suddenly became angry: "What do you think all day?"

"You've never had that kind of time?"

He seemed to be poked at the point, Feng Chenyi narrowed his eyes and stared at her helplessly: "What do you say?"

"Wow, that's it? When?"

"Oh, when? Of course it's time to associate with you!" She asked embarrassedly?

The two of them have been together for so many years. Feng Chenyi was still in her youth at that time. She would have nothing except being a school bully every day. How painful was he then?

"Giggle... giggle..." Yaoyao covered his head with a quilt and laughed badly.

Wu Fengchenyi's face rolled ugly, and suddenly felt ashamed!

"Eliminate all yesterday, now you want to love in front of me ..."

I heard Feng Chenyi's phone ring. Yaoyao quickly put away the laughter.

"What's the matter, Lisa?"

"Feng Zong! Mr. Feng, please watch TV and dial the entertainment channel."

Wu Fengchenyi glanced at Yao Yao, hung up the phone, walked slowly to the living room, and turned on the TV.

Seeing this, Qi Yaoyao also followed.

"According to a live report from a reporter from Huahai Media, they took a picture of the president of Feng's Group and a woman to live at a nearby hotel on the evening of Feng's annual meeting.

The reporter visited the front desk of the hotel secretly and found that the name of the opening room was exactly the name of Feng Chenyi, the president of Feng Group.

When the reporter knocked on the door according to the room number, it was the door opened by the mysterious woman.

Look at the photos..."

The photos on the TV show Xie è· qing.

Then the screen switched to the host.

"Compared by reporters, Mrs. Feng is not this mysterious woman.

It can be seen...

"

Chen Yi turned off the TV coldly.

"Why was it closed?" Yao Yao stared at him in a fog, "I still want to hear how the host commented on this?"

"After listening, what do you want to do?"

"If they scold you, I will sue them for slander; if they say good things about you, I will forget ..."

"Oh, you are quite free? Do you think they can praise me for stealing outside?" Feng Chenyi rolled his eyes helplessly.

Wu Yaoyao thought, also, that when this happened, everyone would definitely curse Feng Chenyi is not a person, but a miserable person.

In the room, somehow fell into a dead silence.

Chen Fengchen Yi lightly looked at Yaoyao next to her eyes, and started to pinch her shoulders: "I didn't go home last night, you don't ask me, did you go to Xie Yiqing to open a room?"

"Every reporter has captured the evidence, what else do I ask?"

"Then, do you think I and Xie Yunqing really went to open the house?"

He looked at the cold expression of Feng Chenyi, and Yao Yao's big watery eyes turned: "You, is it open? Or is it not open?"

"This kind of thing, a normal man would say that he did not go, right? Even if he did, he said he did not go?"

"No, you are different from those men." The smile on her face slowly disappeared, one took off, kneeling on the sofa with her knees facing Feng Chenyi: "Do you know what I like about you?"

"what?"

"Just! Decisively! Get caught, there is not so much nonsense to explain, to ask for forgiveness, wrong, it is wrong."

He is like, beating a child, in fact, Feng Chenyi can completely say that he did not design all this.

But when Yaoyao said these things, he chose to acknowledge them.

She is like, when she caught Feng Chenyi having a relationship with Li Nuoting, he also did not have any explanation, saying what was seduced, and what she did not resist the temptation, she still acknowledged everything.

So, now Feng Chenyi has no attitude towards this matter, it can be seen that he has absolutely nothing to do with Xie Yunqing!

"Oh. Honey, do you know what I like about you?"

"what?"

Wu Fengchenyi smiled slightly and cobbled her small face: "Your clever yet know how to act stupid at the right time!"

Perhaps, to everyone, Yao Yao is cute and simple.

Actually, she is smarter than anyone!

There are many smart women who are eager to expose once they see everything, but they will be disgusted by others.

Kuang Yaoyao, on the other hand, saw a lot of harmless things, but she chose not to go through them; unless she violated her bottom line and was well-founded, she would hit the other side dead and hit the other side's weakness.

Often girls with this personality can be extremely attractive to successful men with a domineering personality.

Similar to Yu Aotian, Feng Chenyi is the best example ...

"Mr. Feng, do you have anything to explain about the media report yesterday about your cooperation with the mysterious woman to open a house?"

Episode 565

"Mrs. Wind, Mrs. Wind, do you know who that woman is?"

The next morning, Feng's gate was surrounded by a large number of reporters.

When Feng Chenyi and Yao Yao appeared at the door of the company, the reporters couldn't wait to surround them.

Yao Yao looked at the expressionless Feng Chenyi beside him, and smiled lightly at the reporters:
"Yesterday, my husband did open the room with his name. But everyone also knows that yesterday was our style.

In the annual meeting of Shi 's, many employees were drunk. My husband was sympathetic to his subordinates, and he customized the hotel breaks for them. Hehe, I do n't know why, he would be told by my reporter that he was cheating. Obviously, I always talked to me last night.

I'm together now. "She looked at the reporters innocently, and looked helplessly at Feng Chenyi.

"Mrs. Feng, that is to say, do you prove that the wind has never been stolen from outside?"

"Of course! How could I speak for a man who betrayed himself in such a multimedia face if he really stole?"

"Go in." Looking at the reporters who were chasing after him, Feng Chenyi was obviously a little impatient, pulling Yaoyao into the Feng's group.

"Feng."

"General Manager." The passing staff greeted him nervously.

Yao Yao, who followed him, occasionally peeked at the cold luster in his eyes.

Sweat ...

This is the first time she and Feng Chenyi walked into the company with such a grandeur. I did not expect that she would be paralyzed when she went to work when she was always fair.

No wonder so many people in Feng's are afraid of him.

But it's not surprising. When they met, Feng Chenyi seemed to be looking at her with this embarrassing face.

Step into the elevator.

Those who were waiting outside the elevator were slow to enter.

In the large elevator, only Feng Chenyi and Yaoyao and his wife were two, and she stared blankly at the doorway with fearful eyes.

How fierce Wu Chenyi usually is, scaring those employees who dare not even get on the elevator. Should they go down and leave this place all alone?

"Ding" The elevator door is closed.

"Those employees don't dare to see you when they see you on the elevator. Do you know why?"

Wu Fengchenyi glanced at Yao Yao coldly: "How do I know?"

Han Khan ... "Then you haven't found your reason?"

"It's not my business?" gosh!

Forget it... this may be Feng Chenyi's inherent majesty.

To be honest, she didn't feel anything along the way to the company, but as soon as she entered the company door and stood beside Feng Chenyi, she felt a sense of oppression inexplicably.

This is probably courageous!

Seeing that the elevator was about to reach the Legal Department, Yaoyao narrowed her lips: "Inside... Chen Yi, although I know you and Xie Yanqing are really nothing. But... I still want to remind you, be careful in the future.

The scandal is actually bad for your image! "Then she came out of the elevator with a smile.

He looked at Feng Chenyi, who was still in the God of God, his dark eyes sank, and he was about to chase the elevator, but the elevator door just happened to close at this time...

"Oh, this cunning little woman!" For a moment, he hadn't responded yet to how Yao Yao suddenly said this sentence, pondering it carefully.

I just heard that his little wife, who seems to care nothing, is 'threatening' him!

All the way to the president's office, Feng Chenyi had a smile on his face.

Seeing Lisa sitting in the doorway, it seems that the big boss is in a good mood today.

"Windy, good morning."

"Well, good morning."

I received Feng Chenyi's response. Lisa was suddenly full of emotion. You must know that every time she asked Feng Feng early in the morning, she always ignored her, so it can be seen that the boss's mood is really good today.

"Right! President Feng!"

"what's up?"

"There is an urgent document sent from the First Hospital this morning. Please check it."

"The first hospital?" The faint smile hanging on Feng Chenyi's face gradually disappeared, he froze coldly, his eyes quickly walked into the office and turned on the computer.

Enter your email password and open...

There really is an urgent mail from the First Hospital inside.

Holding down his hand, Feng Chenyi just stared at the e-mail but didn't open it.

One minute ... two minutes ... three minutes passed, the atmosphere in the office seemed to be shrouded in darkness.

'Ka Ka', he finally moved his hand pressed on the mouse and opened the urgent file.

As you browse to the contents, Feng Chenyi's cold pupils are gradually expanding... the other side...

An Audi A6 with a government license plate was driving at a constant speed along the streets of the residential area.

A large number of people were congested at the intersection in front of the car, and the car had to be stopped.

"What happened?" Yu Aotian sitting in the back asked coldly.

"Member, there may be people sitting in front of me. Let's divert."

Tong Yuao pulled the window of his car, glanced at the crowded people not far away, slightly frowned, and opened the door with his hand ...

"Oh, director! The time for Prime Minister Qi to meet you is about to come, are you?" The secretary next to him asked with a question.

If Mo Xuetong is here, it is estimated that Yu Aotian's mind has been guessed, but the government-supplied secretaries, assistants, and even drivers have not had any acquaintance with him so far.

"Our government bus came out. When we saw this, we turned around and left. Do you want to wait for me to be approved internally by the State Council tomorrow?" The cold words fell, and Yu Aotian threw a bang and fell.

Car door.

The secretary in the car and the driver were scared with cold sweat. They almost broke into a terrible disaster...

"Come on! Come on!" In the middle of the road, a group of police officers in judicial service are ruthlessly driving away the sitting people.

"Why did you tell us to leave? The government demolished our house, and now we have nowhere to live, we live here. Do you still want to drive us away? Are you satisfied to drive us to an end?"

"Yeah, you government officials are well-clothed, who cares about us ordinary people?"

"It's no use telling us these things. Now you have disturbed the public order. If you don't go, we have the right to detain you. Okay?"

Seeing that the judicial police officer's attitude was arrogant, the people's emotions became even more excited: "Catch us, just because we have no place to go, we are not afraid of you to catch the old things that are coming to the grave! Come!"

The quietly sitting people rushed towards the judicial police officers.

Seeing that the situation became more and more out of control, the judicial police officers picked up the batons in their hands and would use force against those people...

Seeing this, Yu Aotian standing in the crowd, her bottomless eyes sank, just about to stop ...

"Stop!" Who knows, on the other side of the crowd, a female voice came out first.

The height of this woman must be 1.70 meters, the clothes she wears are very ordinary, a pair of jeans with a Korean sweater, but the woman's elegant temperament is more vividly displayed.

Episode 566

Snow-white skin is as gorgeous as silk satin, and the eyes are boundlessly black, like the brightest star in the dark night, shining brightly. Cheeks are smooth.

The dark hair has natural undulations and radiance, and it is scattered, making people imagine the touch of those hairs with fingertips.

What's more worth mentioning is that there is no powder rendering on the face of a woman's so pale, but it is extremely dazzling. It can be said that this woman is a full beauty.

The woman walked to the judicial police officer holding up the baton in a few steps, her dark eyes lightly glanced at the old men behind her, and then she turned her eyes to those fierce judicial police officers:

Should you use the weapon in your hand to deal with these old and weak people? "Her tone was light and soft, but as if with some magic, everyone was listening to her cricket-like voice that day.

"Miss, this is our duty, I hope you don't get involved!"

"Okay." The woman took out her mobile phone from the bag on her shoulder and turned on the shooting function: "I don't care, you go ahead ..."

Seeing that the woman was filming, the police officer immediately expressed displeasure: "Drop your phone. Filming is not allowed here!"

"This is my personal freedom, you have no right to interfere. If you dare to take my cell phone, I will go to the judicial department to complain to you tomorrow, believe it?"

The police officers stared at the woman in anger.

The woman turned and looked at the dozens of grandpas and grandma, smiling slightly: "Uncle, although I don't know what happened, it is very dangerous for you to sit still here. If you really have an injustice,

If so, go to the petition department to complain. "

"Girl! We've found it, but the officials protect each other. Who wants to ignore us, ordinary people?"

The woman seemed to understand the embarrassment of these social classes. She smiled helplessly, and slowly pulled out a business card from the bag: "You take this business card to the Director Xiao of the petitioning bureau. I believe he will be very willing

Hear your pain, believe me, okay? If you really want to stay here, the government does have the right to detain you. "

A few grandfathers looked at each other in embarrassment, and took the business card from the woman doubtfully: "Is it really useful?"

The woman thought for a moment: "132564333, my phone number, if no one wants to take care of your affairs, you call me. I'm helping you, okay?"

The troublesome elders were gradually moved by the girl's sincerity, and her eyes were grateful: "Well, girl, we believe you. Thank you, so patiently solve the trouble for us."

"Oh, it should be. It's cold, you quickly find a place to warm up."

"Well, thank you, thank you, girl."

"Thank you, girl."

"Girl, you are such a wonderful person."

Gradually, those troublemakers gradually dispersed; the onlookers were slowly retreating; the fierce judicial police officers were also leaving.

The woman's elegant qualities and full of love have never been able to disperse from this cold winter street ...

Yu Aotian, who stood in the crowd, walked slowly back into the car.

"Council, how's it going?"

He shook his head slightly: "Let's drive." A slight smile drifted across the corner of his mouth.

To be honest, when the woman broke into his sight at first glance, he concluded that the woman's background should not be simple.

He smiled and showed everyone's style, raised his hands and raised his inner show.

They can be dressed and dressed in such ordinary ways. When talking to the people, they don't see any arrogance and arrogance, which is very approachable.

Such girls are rare in the circles of ladies.

"The governor, here it is."

"Well, wait for me outside."

The car parked in a cafe, and Yu Aotian walked in quickly according to the agreed place.

He toured the entire lap without seeing Premier Qi.

"Chairman, isn't it?" At this moment, the waiter walked to him with a smile.

"Ok."

"Chairman, Premier Qi has already booked the table, here."

Led by the waiter, Yu Aotian sat down at a window: "Isn't Premier Qi yet?"

"Not yet. He just set a position."

"Well, trouble." Yu Aotian nodded with a smile, sitting in a boring position. Look at watch from time to time.

I want to know that Premier Qi is not a person who likes to be late. He is 10 minutes later than the appointed time, but Premier Qi is late.

Pulled out his phone and browsed the company's mail.

"Miss, here." The leading waiter just now brought a woman to Yu Aotian's side.

Wu Yu Aotian raised his eyes, and the woman looked at him.

For a moment, he recognized at a glance that this woman was the girl who had just defended the interests of the people.

"You ... well ..." Seeing Yu Aotian sitting on this table, the woman's face was blank, but out of politeness she reached out and asked Yu Aotian.

"Hello." Yu Aotian stood up like a gentleman, and shook the woman's hand back. Then the two sat together.

When the four eyes were facing each other, the atmosphere became a bit weird, and the expressions hanging on the faces of the two were very awkward.

Perhaps to ease the embarrassment, the woman hurriedly took out her mobile phone and looked down.

Wu Yuaotian also had to keep his head down and browse the mail.

But the more they think, the more wrong they are ... "you....."

"You ..." looked up at each other almost at the same time.

"You say it first." Yu Aotian extremely gentleman gave the woman the right to speak.

"Sir, I met my father here to meet. You ...

"

"Your father?" He seemed to notice something all of a sudden, put away the mobile phone, and smiled helplessly: "Are you Prime Minister Qi's daughter?"

"Hmm. Hello, my name is Qi Yaner, may I?"

"Oh, my name is Yu Aotian, and your father asked me to meet here."

Qi Qi'er was silent.

There was a embarrassing and helpless smile on Wu Yu'ao's face.

No doubt ...

I'm afraid, this is a 'Hongmen Banquet' by Premier Qi!

"Let's stay away." Yu Aotian stood up elegantly, went straight to the bathroom, took out the phone ...
"Prime Minister Qi."

"Aotian, have you seen my daughter?" On the phone, the treacherous laughter of Prime Minister Qi came.

Bian Yu Aotian exhaled a breath: "You are really ... can you just say it's over ?!"

"Don't be angry, Aotian. I said straight away, will you come? Hey, I have finished the investigation. The girlfriend you brought to me last time on my birthday has broken up, now you are single, too, my daughter

This year is 24 years old, 4 years younger than you, and single. It just matches you. "

Helpless!

This is his first blind date.

"Prime Minister Qi, you know I don't want to think about personal issues now."

"Well, my daughter doesn't want to think about personal issues, so she doesn't have a girlfriend yet. Besides, I have to say that you and the two must be together, don't you? Let's talk about it with your friends first, don't you?"

Now, no one in the political situation knows that you are 28, and it is time to consider and consider personal issues. Do you have to wait until you are 40 to consider personal issues? At that time, those people who do n't have the skills you have, but start a family business first

The position should be higher than you! "

Episode 567

There is no malice in this remark by Prime Minister Qi Qi, or the same sentence, and the family problems in politics are very important.

In short, Yu Aotian is now married, and the position of Deputy Prime Minister is his now!

Prime Minister Qi has 2 years to retire, and his position must be his!

He Ke, if he does not get married in a day, maybe the position of chairman of the State Council will reach his highest point.

"Oh, oh, it's broken! My baby girl called me too. Awesome, I'm saying this, it's not that I'm bragging. In our political situation, my daughter is one of the most beautiful, how many people come to me

I don't agree. I'll look after you and hope you will become my future son-in-law. "

"Hh since I have done my best, I have tried my best), hung up the phone helplessly.

He only found out that his personal problem ... is everyone's concern in the State Council.

I turned back to the window of this cafe again.

"Miss Qi, your father ... should have told you all?"

Qi Qi'er nodded slightly: "Mr. Yu, this is the first time I ... date someone, really ... really ..." Suddenly became silent.

Wu Yuaotian smiled in embarrassment. In fact, he wanted to say that this was also his first date with a blind date!

"Miss Qi, you should be here to make friends. Don't think about anything else."

Seems to be attracted by Yu Aotian's calm atmosphere and charming smile, Qi Xin er obviously relaxed a lot ... "Huh ..."

Howard Group, in the head office of the Legal Department.

"Yao Yao, two days later, the annual Business League meeting was evaluated, have you found the corresponding countermeasures? I mean ..." The gloomy eyes flashed: "Bosen Group!"

Yao Qiyao also heard about Qilian Aoyun's words, so here they come.

"Well. Already there. As long as Feng's ranks first in the overall ranking, Bosen will naturally fall to second."

"Not enough." Qi Lian Aoyun waved her fingers, smiled and handed out a folder: "You are adding these strips, enough to push Bosen out of the top three positions!"

Opening the file, she just glanced at it enough to see how much Qilian Senior attaches importance to this assessment of the General Business League.

After all, this is the first step in beating the Bosen Group.

In the document, there are listed loopholes in the Bosen Group. These contents should not have been compiled by Qilian Aoyun in a few days. Maybe he has been preparing for a long time, right?

This inevitably reminded Yaoyao of the scene when Feng Chenyi dealt with Feng Chenrui.

However, she has verified with her own eyes how bad Feng Chenrui's family is to Feng Chenyi, but Yu Aotian ...Ah!

Yu Aotian doesn't seem to be better!

As soon as I remembered that the child in the belly was killed by Yu Aotian, the hatred in her heart was constantly breeding.

Even if ... the person who started the figurine is Feng Chenyi! office door is open.

Qi Yaoyao and Qi Lian Aoyun looked out the door together.

"The total wind."

"Feng total."

"Did you bother you?" Feng Chenyi walked in with a smile.

"Do not disturb, do not disturb." Qi Lian Aoyun slowly stood up: "It is almost time to get off work, presumably Feng is going to pick up his wife home, and I am leaving." He exited the door with interest.

outer.

Since Feng Chenyi defended Yaoyao's dignity last time, and confessed to be the father of that child, Qilian Aoyun, whether looking at Yaoyao's eyes or treating Yaoyao, became friends.

But .

..

How did Qi Qilian Aoyun know that it was just a scheme of Feng Chenyi?

But this is also good. Qi Lian Aoyun let go, it is a relief for everyone.

"Why did you come to my office suddenly today?" Yaoyao asked as he packed the things on the table.

"Of course I picked you up from work."

"Huh?" She stunned "Don't we see each other in the underground parking lot every time, are you so attentive to this" service "?"

"This is thoughtful? It seems my husband is very unqualified."

Looking at Feng Chenyi's humorous look, Yaoyao's face turned red.

I am with him again, she does not have any uncomfortableness, after all, she has had so many years of affection after all.

However, she is still not used to her husband and wife.

"Let's go."

The car started, but the direction was not the way home.

Sitting in the co-pilot position, Yao Yao asked inquisitively: "Go to the father-in-law?"

"No."

"Where are you going?"

"You guess?" Feng Chenyi smiled mysteriously, and speeded up some speed.

A short while later, the car arrived at the gate of a large car fair.

Winter nights come early, and it's already dark before 6 o'clock.

But the huge auto show center is full of lights and crowds.

She Fengchen Yi held her hand and looked at the luxury cars on display one by one, almost every one of them was over a million, very luxurious.

"Do you want to buy a car?"

"Hmm ..." Feng Chenyi's eyes turned, and her lips were slowly pressed against her ears, softly: "Wife, choose a car you like."

At the moment of, Yaoyao's small face was almost red from the neck to the ears.

"You! You! What happened to you today? Why so ...

"

I was embarrassed and bit my corner of my lower lip: "Seriously, there are already three cars in the house now. Do you want to buy them?"

"What? We're just married, will you limit my power to spend money ?!"

"Whatever you want, I look at all the same cars. You know, I won't choose a car."

"Hmm ..." Feng Chenyi inspected the entire exhibition hall, his eyes seemed to be fixed in an area, took Yaoyao's hand, and walked quickly: "Dear, is it Bugatti Veyron, or Koenigsegg CCXR?? "

Looking at the two world-class super luxury cars with the number one or two in front of him, Yao Yao widened his eyes stupidly: "These two cars are rare in the country, and each one is worth about 40 million. You are afraid of others.

Don't know if you have money ?! "

"Is it unique, isn't it bad?"

Hehe ... hehe ... unique?

This is too unique. Whichever one of these two cars you buy, it is estimated that as long as you dare to hit the road, someone on the road will have to say 2see!

This is the car of Feng Chenyi, the president of Feng 's car. It 's basically the same as the name on the car.

"Just whatever you like."

"Okay, then I bought both!"

"Hello!" When Yao Yao heard this, he quickly grabbed Feng Chenyi's arm: "Konisek CCXR!"

He knew that she wouldn't give any opinion without this trick.

"You are waiting for me here, I will place an order."

"Ok."

Standing in front of the Koenigsegg CCXR supercar, Yaoyao looked a little obsessed. Seriously, this supercar is really beautiful and the handling is world-class. If you drive this kind of car,

Go out and believe that all cars will be left behind.

"Miss Luo, what a coincidence!"

Hearing the sound coming from behind, Yao Yao sneered, is it a coincidence? Or is there a plan?

She turned her head back to the sweet smile on Xie Tongqing's face, she smiled gracefully: "Yes, Miss Xie."

.

Episode 568

"Did Chen Yi show you the car?"

"Ok."

"Selected this Koenigsegg CCXR?"

"Ok."

"Wow, Chen Yi is really tasteful!" Xie Yanqing sighed and ran to the side of the Koenigsegg CCXR: "Go out, it must be very windy, right?"

"maybe."

"Right, right. I haven't thanked Miss Luo for you yet." Xie Xunqing walked quickly to Yao Yao and raised her hand with a smile.

Xiao Xiao's hand wanted to retract, but Xie Yiqing squeezed it tightly. She pretended to ask: "Thank me?"

"Of course I thank you for defending me in front of the media. To be honest, when the reporter knocked on the door that night, I didn't know how to answer them. It scared me."

Huh, huh, huh ... what a crazy little three, if she had a close relationship with Feng Chenyi's husband and wife, wouldn't she be so angry that she would vomit blood on the spot?

"Ms. Xie, I'm just maintaining Chen Yi. After all, Chen Yi was with me that night."

"Forget it, Miss Luo, Ming Chenyi was the hotel that night! I know." Xie Yanqing said in an extremely naive manner, but all that was contained in her eyes was provocative light.

Wu Yaoyao trembled with her little hand ...

Why ... Xie Yiqing would be so sure that Chen Yi is staying in a hotel?!!

She believes that she is absolutely convinced that Feng Chenyi and Xie Yunqing were absolutely not together that night, but ... but ... she couldn't figure out, how could Xie Yunqing be so sure that Feng Chenyi did not go home that night? !! Is it ...

"Miss Luo, to be honest, your generosity ... I didn't expect it." Xie Yanqing said in a sincere tone, and immediately turned around: "Sure enough, women who have been lovers of other people are different! Hehe ..."

Good vicious mouth!

She Yaoyao always thought that she was not weak in playing languages, but in the face of Xie Yanqing's ... Shiyin Qingqing character, it was really ... too difficult to fight.

Xie secretly grinds the bad teeth after she grinds, and she smiles naturally: "Hehe, that's why I said ... I especially understand Miss Xie's heart.

"

"Is that? I hope Miss Luo ... you are confident, not ... arrogant." Xie Yunqing smiled and held Yaoyao's hand.

Her two pairs of little hands immediately trembled, not because of fear, but ... angered!

"Also, Ms. Xie ..." There was a glint of watery eyes: "Your superb ability is simply something I did not expect. I thought you just knew something between me and President Yu, but you didn't want to

... you still have the ability to mobilize the media! "Slowly, she walked to Xie Yiqing's side, and she gradually approached Xie Yiqing's ears, and whispered:" It can be seen that the person behind you ... should be a cruel character ?! "

Xie Yaoyao firmly believes that the media that exposed Feng Chenyi's stealth must have been arranged by Xie Yiqing.

And, if nothing unexpected ...

Xie Zhiqing knew that Chen Yi did not return home that night, and appeared 'coincidentally' at the auto show, it must be because someone was following them.

If this is explained, it seems that all the mysteries have a clue.

Just ... what is Xie Zhiqing's real purpose?

Why lurk beside her and Chen Yi?

Is it pure to destroy her family?

Not necessarily?

I'm afraid that destroying her family is Xie's 'personal hobby'?

"Huh?" Xie Yanqing turned her eyes unknown. "What are you talking about? Miss Luo."

Footsteps settled in front of Xie Yunqing, she smiled, and pointed at Xie Yunqing's chest: "You, me, knows well.

But ... even if Miss Xie is not foolish, it doesn't matter. I will go to check

For a while, it was reported who Chenyi 's stolen Huahai Media is, which company ... everything can be seen! Really? "

"Oh, huh, huh ... Miss Luo is indeed a special group with an IQ of 200 or above, and she has a good insight. I was caught by a pigtail by accident. But ..." : "Miss Luo, even if you find it out, it's useless! Oh, ha ha ha ..." After that, Xie Yanqing disappeared in front of her with a smile.

His body lingered motionlessly in place, Yaoyao's small face was gradually gloomy.

Sure enough!

I really have someone hiding behind Xie Yiqing, but what is the purpose of that person?

Why should Xie Yiqing be inserted beside Chen Yi?!!

She is not afraid that Xie Yanqing wants to destroy her family four or four times. She is afraid that the 'big man' behind Xie Yanqing will be harmful to Feng Chenyi!

"Yao Yao."

Hearing Feng Chenyi's voice, Yaoyao quickly pulled back his mind: "Buy it?"

"Um." With a slight smile, he passed the key into her hand with the car book.

"Uh? What for me?"

"Give you."

"Give it to me?" Quickly open the car book and take a look, it is really her name written on it.

"You're crazy. This kind of car asks me to drive out, isn't it waiting to be kidnapped?"

"What are you afraid of? I will hire you a hundred bodyguards at that time to see who dares to tie you up. Let's go."

She should have guessed!

With Feng Chenyi's low-key personality, how could he buy such a high-profile car.

They have known each other for so many years, Feng Chenyi is really different from the ordinary rich second generation. He doesn't like showing off rich, he doesn't like to use money to suppress people, and is extremely low-key.

When buying a car, you should react to it, this car is for yourself.

Along the way, Yaoyao was bored with a face.

Wu Fengchenyi glanced at her sideways: "In the future, this cute little sister will have the best car in the world, so don't hurry and smile?"

"What laughing?"

"Come on, wife, just smile." Feng Chenyi pinched her little face in a drool.

I do n't know what happened, as long as she hears the word 'wife', she will blush and heartbeat.

"Hee ... okay?"

"Reluctantly, not cute at all."

With a 'Zhi ...', the car stopped suddenly.

Qi Yaoyao looked around in a fog: "What are you doing?"

"Do you like the house there?"

In the direction of Feng Chenyi's finger, I saw a four-storey super-luxury villa next to a landscape river, and viewed from the outside, it was not lost to the wind house.

"You ... aren't ... you want to buy again?"

Wu Fengchenyi smiled strangely, hugged her horizontally, ran straight to the super luxury villa and ran over.

In the villa, all are sound-activated lights. As soon as they enter, all the lights are on.

She Fengchen Yi hugged her straight to the living room, so she was willing to put her down.

Standing in this huge hall, Yao Yao was dumbfounded: "You have already bought it ?!"

"Hmm." Pointed to the location of the coffee table.

There was a red book and a key on it.

Yaoyao opened the room, and her name was still written on it.

She closed Fangben, her expression suddenly cold ...

"What's wrong? Yao Yao?" Feng Chenyi sat curiously beside her.

"You have something to hide from me!" Sharp eyes flashed, and Yaoyao quickly met Feng Chenyi's eyes.

.

Episode 569

Huh, I only praised this little fool not long ago, so when she should be stupid, she would be stupid. Why is she so smart now when she needs to be stupid?

"Just be ... I'm about the child ... make up for it."

At the moment of it, the coldness hanging on Yao Yao's face passed away: "Chen Yi, from when I said we tried to start again, that thing had passed, you don't need to make up for me or anything."

"But, I did hurt you. At the very least, it failed your trust in me." Feng Chenyi smiled lightly.

She exhaled helplessly: "As long as we are good, we don't need to mention it anymore."

"Well, okay... we will..." With that said, Feng Chenyi hurled Yaoyao into his arms, and the handsome face with a smile was full of pain instantly.

Fearing that she felt something wrong, he kept adjusting his emotions and slowly said, "Good ..."

The large bedroom was surrounded by a fiery atmosphere.

I do not know how long it took, the century long kiss is finally over.

Huh ... Huh ...

They stared at each other affectionately, and the warm breath they exhaled blew on the face of the opponent.

The next second, almost by accident, they kissed again.

The brain gradually became confused, Yao Yao had not tried it, just a kiss seemed to melt himself.

Today's Feng Chenyi is too enthusiastic, and she can't help it.

Wu Yaoyao felt the next thing in advance, and he was already ready to become his real wife, and closed his eyes shyly ...

But.

Qi Fengchenyi's eyes narrowed by desire gradually cooled down: "What am I doing?! Eyes is blank."

Ji Yaoyao opened his eyes tentatively. When facing his staggered eyes, she froze: "Chen Yi ?!"

"That's all for today, I'm a bit tired."

What happened?

She clearly felt just how long he had just wanted, but why would ... suddenly stop?!!

Was it abandoned?!!

It doesn't seem like...

After thinking about it for a long time, Yaoyao was still puzzled: "Chen Yi, you ..."

"Eliminate all yesterday, now..." As soon as the phone rang, Feng Chenyi seemed to catch a life-saving straw. He hurried to answer the phone: "Hey? I see. I'll be right there."

"What happened?"

Chen Fengchen Yi quickly sat up and said, "Zixuan is lost in love, and asked me to accompany him. You can rest first. I may come back later." After that, he picked up his coat and quickly walked out of the bedroom.

"Chen ..." This is not the first time that Ouyang Zixuan has fallen in love. The playboy, almost two days later, will call Chen Yi to say that he is in love and call him out.

But 10 times, 9 times, Chen Yi will refuse, but today?!!

What's going on?!!

Start the car!

Apparently longing for that, he suddenly stopped everything.

Did Chen Chenyi still not let go?

Or, does he really care about everything he and Yuaotian do?

Will not!

After getting married, they almost became a real couple several times, all of which she had been resisting.

Today, she has removed all the obstacles in her heart and is ready to become his wife at any time, but why Feng Chenyi ... began to resist?

Confused, confused, puzzled.

Li Yaoyao was lying at a loss, staring blankly at the roof. The sixth sense told her that Chen Yi should still have something to hide from her!

In the dim bar, the dance music was deafening.

On the high-level card position, Feng Chenyi drank alcohol himself, completely forgetting who the protagonist is today.

"Hey, Chen Yi, am I in love today, okay? After you get married, don't you come out to accompany me, why do you start drinking alone?"

Wu Fengchenyi glanced coldly at Ouyang Zixuan: "You are in love every day! Who cares about you."

"Fuck. I seem to be being thrown away every day by what you say. But ..." Ouyang Zixuan turned his eyes: "I look at you like a broken heart, wouldn't ... with your wife

Are you fighting? "

"Oh ..." Feng Chenyi smiled at himself, sipped a bottle of beer, and murmured, "It's worse than a fight ..."

"What? What did you say, I didn't hear it."

"No ... nothing." Feng Chenyi shook his head quickly.

"Oh." Ouyang Zixuan glanced at the time: "You are waiting here, I have an appointment, I have to pick her up."

"Women?" Feng Chenyi knows this buddy too well. He lost love in the last second and found a new woman immediately.

"Hey, wait for me and come back soon."

"Go, go." Watching the back of Ouyang Zixuan leaving, the smile hanging on Feng Chenyi's face gradually disappeared, he was drinking beer, wine, as if eager to use these things to anesthetize himself.

"Handsome guy, alone?" Just then, a beautiful woman came over.

Wu Fengchenyi glanced coldly at the woman: "Go!" Spit out like ice beads.

The woman walked away unhappily.

In fact, Feng Chenyi is an extremely well-trained man. Even when facing a woman's conversation, he is at best indifferent, and rarely speaks so badly, which shows that he is not in a good mood now.

Wu You cold eyes slowly cast on a card not far away.

Feng Chenyi's cold eyes flashed and walked quickly.

"Mr. Yu."

Wu Yuaotian raised his head and looked at it: "Chen Yi, what a coincidence." His eyes quickly turned to Qi Qier beside him: "Miss Qi, let me introduce you."

"No need to introduce." Qi Aier smiled slightly, stood up slowly, facing Feng Chenyi: "I haven't seen you in a long time."

"It's been a long time!" The two hugged each other politely.

I want to say that the relationship between Qi Yier and Feng Chenyi is more subtle.

At the beginning, it was Prime Minister Qi 's wife who became pregnant first. At that time, Prime Minister Qi agreed with Feng Xiao. If his wife had a boy in her belly, and Feng Xiao 's second child was a daughter, they would have a baby.

If the wife of Prime Minister Qi is a daughter, no matter if Feng Xiao's second child is male or female, they will become sisters or sisters.

In this way, Feng Chenyi had to call her sister Qi Qier.

"Chen Yi, first accompany Mr. Yu, I'll go to the bathroom."

"Ok."

Seeing Qi Qier leaving, Feng Chenyi's cold eyes slowly turned to Yu Aotian: "Why, President Yu, are you interested in Qier?"

Wu Yuaotian raised his eyebrows and smiled evilly, "What do you think?"

"Yi'er is different from those women you used to be. She is only suitable for marriage and not for socializing. If President Yu wants to play, change her goal." Feng Chenyi's impression of Qi Yier has always been very good.

Growing up together from a young age, Qi Yier's qualities and qualities are unparalleled and can be said to be extremely kind.

"Oh, my previous woman?" Yu Aotian's eyes were bottomless and sank: "Does Yaoyao also be included?"

"Oh ..." Feng Chenyi smiled lightly, he was very clear that Yu Aotian's words were just a joke.

So there is no need to worry about it.

499 Chapter 499: He Wants To Be Drunk

"Chen Yi, since your evaluation of Miss Qi is so high, you might as well ..." Turning his eyes, he smirked and said, "Go and chase your wife and give me your wife, how about it?"

"Also!"

After hearing Feng Chenyi's affirmative answer, Yu Aotian gave a slight hesitation. All his words today are just jokes. He has not forgotten what he said on the phone with Feng Chenyi that day, but he did not expect

... Feng Chen Yihui ...

According to his understanding of Feng Chenyi, Feng Chenyi is not a joke person, why today?

!!

"I mean, Chen Yi."

"Do you think I'm false?" Feng Chenyi chuckled her lips and smiled: "But chasing after him, if it really feels like, we would have been together already. It would be you, if you did n't kill Yao Yao's mother,

, Your proposal, I can really consider it. "

The evil smile hanging on Yu Aotian's face gradually disappeared, and those bottomless eyes had been staring at Feng Chenyi's face watching: "Chen Yi, are you drunk?" Junmei's face suddenly cold

Come down.

"Oh, I want to get drunk too."

"Who did you come with today? I will send you back!" Said, Yu Aotian pulled Feng Chenyi's arm.

"Master, I'm really fine."

"Did you quarrel with Yao Yao ?!"

Seeing Yu Aotian's nervous look, Feng Chenyi smiled strangely: "If I fight with her, if I still hit her, President Yu, what would you do?"

"Chen Yi!"

"Oh ... your concern for Yaoyao is really beyond my imagination. Although, at that time, I saw that Yaoyao was hurt on the face, and I hated you very much!" An unclear sentence fell, Fengchen

Yi Yi patted his shoulder meaningfully, got up and walked back to his card position.

Wu Yuaotian frowned, just wanted to call Yaoyao, but immediately hung up.

He believed that Feng Chenyi's love for Yao Yao could not bear to hit her.

Where could he be so cruel as he was!

The whisper in his heart fell, he laughed at himself, and drunk the wine in the glass ...

After about 10 minutes, Ouyang Zixuan finally returned, and she also brought along ... Xie Yunqing!

"Chen Yi, let me introduce you, this is ..."

"No need to introduce, I always know the wind." Xie Yunqing sat beside Feng Chenyi with a smile:
"General Feng, you are so busy tonight, how could you come out to play?"

"Hmm ...

" Feng Chenyi greeted it coldly, and drank it by himself.

Seeing this, Xie Yunqing played her own lively character, drawing Ouyang Zixuan to play with Feng Chenyi.

"Mr. Yu, it's late, I'm going back." Qi Yaner finished, but didn't wait for Yu Aotian's response for a long time.

"Mr. Yu?"

He closed his gaze at Feng Chenyi's direction, and smiled, "What?"

"I said, I'm going back."

"Well, I'll take you back."

"No, I have already called the driver to pick me up." Qi Aier smiled slightly: "Mr. Yu, since Chen Yi left, you have a lot of heart. It is still important to do business and not to disturb you."

Looking back at the back of Qi Xier's departure, Yu Aotian's handsome face was a little stunned ...

After contacting for a long time, Qi Yier felt that he was not very talkative and had a light personality.

But at this moment, what she showed was the understanding and intellectual side.

Huh ... What a strange woman.

Put away the smile on the face, and the bottomless eyes light again turned to Feng Chenyi's card, and took out the phone: "Dragon."

"What's the matter, Aotian?"

"You call Yao Yao and ask Yao Yao to come to the Dynasty Bar to pick up Feng Chenyi and go home."

"Ah? What happened?"

"Last time, the girl we met at Feng's Annual Meeting has always been by Feng Chenyi. I'm afraid that if Yaoyao doesn't show up today, it's easy ... 'something'!" Yu Aotian's eyes were very

Li, and insight into human nature.

He is a man, and Feng Chenyi is also a man. However ... Xie Yiqing's eyes focused on Feng Chenyi's body again. This woman's performance was too obvious.

"Autumn ... haha ☺☺... OK, I know, I'll call Yaoyao now." Long Yan wanted to say something, but then thought about it, in fact, the relationship between the three of them is very 'harmonious', that is also

There is no need to say anything.

I think, if he saw Feng Chenyi with other girls, he would not hesitate to call Yaoyao.

However, Yu Aotian is not a nosy person. He added that Feng Chenyi had overcast not long ago. He could use this opportunity to fight back against Feng Chenyi. However, he chose to start from

Defend Yaoyao's marriage with Feng Chenyi.

From this we can see that Yu Aotian's feelings towards Yaoyao have long become unselfish and great unknowingly ...

The sky gradually brightened.

Wu Yaoyao opened his dim sleepy eyes, and subconsciously touched the position beside him ... empty!

"Chen Yi didn't come back all night, why didn't she call?"

"Oops!" He sat up abruptly: "The phone seems to be silent all the time!" I hurriedly took out the phone from under the pillow, and this ...

Hey guys, there are more than a dozen missed calls.

But you can open it and look ... "Well? Why is it Long's brother, there is no Chenyi. Brother Long's call so many calls, is there anything urgent?"

Calling back ...

"Beep ... beep .

.. beep ..."

"Hey....."

On the phone, Long Lao's lazy voice came, and Yao Yao smiled with guilt: "I'm sorry, hasn't it made you loud, Brother Long?"

"Oh ... my little ancestor, I thought you slept to death! No one opened the door to find you at your house, really!"

"I'm sorry, I'm sorry, I lived in my new home yesterday. Brother Longyou, do you have anything urgent for me?"

"Uh ..." Long Kun paused, and asked tentatively, "I actually ... I'm looking for your husband."

"Ah? Didn't you call Chen Yi directly? Chen Yi never returned last night."

Long Yan on the other side of the phone was so nervous, all drowsiness was gone: "General Feng ... did n't go home all night? Did he tell you, where did he go?"

"Well, he said. He said that he would go with Ouyang Zixuan, and then I would fall asleep. What's wrong?"

"Ah? It's okay, it's okay, I just have to talk to him about business matters. I'll go to your company and talk to him."

"Yeah, okay." Yaoyao hung up Long Yan's phone and got up to wash, but it wasn't good to think about it. Chen Yi promised to go home. If he didn't return in the evening, he should call him?

He rinsed his mouth and dialed Feng Chenyi's mobile phone.

"Beep ... beep ..." The phone rang once and twice.

'Click' is finally connected ...

She couldn't wait to ask: "Hey? Chen Yi, you went last night ..."

"Well ... Ms. Luo is yours. It's only a few minutes before you call Chen Yi to check the post. He's still asleep, hang up first!"

The phone hangs up ...

Why ... who answered the phone ... will be ... ?

With a slamming sound, the phone in his hand slipped into the pool, and Yao Yao stared blankly at himself in the mirror, and his mind suddenly fell into a blank space.

Episode 570

I'm afraid it's Xie Yanqing's scheme again?!!

She is really lingering!

Think about it, it was Chen Yi who was the first to discover that Xie Xunqing was a deliberate woman. How could he know who Xie Xunqing was and would actively jump into her trap?

He will not be seduced by Xie Yanqing!

Yes, Chen Yi hates a woman with a deliberate mind, how could he knowingly do it?

Besides ... Chen Yi has missed it once, and she definitely won't be wrong for the second time, right?

Pulling out the toothbrush in her mouth, she spit out all the foam.

I kept rinsing my little face with cold water, over and over again, the movement was that stiff, and the movement was that kind of machine.

What should I do next?

Wipe your face!

Correct! Wipe your face!

I picked up a tissue and wiped my face.

"Uh, shouldn't you use a towel? What's wrong, it turned into a paper towel, huh, huh, huh ..." A stiff smile hung on his face, and Yu Guang glanced at his disappointed look in the mirror.

"Yao Yao, are you still doubting Chen Yi, right? He won't lie to you, he is the person you trust most, and he has proved again and again with the fact that he resists Xie Yiqing's temptation. You want

Believe Chen Yi! Believe him! "

An eye-catching isolated townhouse on Nami Street.

This is the villa that Feng Chenyi gave to employees as a year-end award.

On the night of the award, Xie Yiqing has officially moved in.

In the bathroom of the large bedroom, Xie Yunqing leaned on the washbasin, humming a small tune, hanging up the phone call from Yaoyao, and entering her number into Feng Chenyi's mobile phone.

The door of the toilet was suddenly opened from the outside.

She looked at it subconsciously: "Chen Yi, did I wake you up?"

I saw, Feng Chenyi only surrounded a towel, and looked coldly at the mobile phone Xie Yiqing was holding.

"Who's calling?"

"Woo ... sorry, Chen Yi." Xie qing guilt-scratched his mouth and returned the mobile phone to his hand: "It was your wife's phone call. I was afraid of making a noise, so I took it."

"Well, I see." He walked back to the bed coldly, picked up the clothes scattered on the floor, and returned to the body one by one.

Xie Yunqing, who was hiding in the bathroom, laughed happily when she saw that he had not got angry because he had answered his phone privately.

"Hey, Chen Yi, don't you go to work today, okay?" A sensitive take-off, she naughty Feng Chenyi's neck from behind.

I looked back, he glanced at Xie Yiqing helplessly: "Oh, why are you so sticky?"

"Yeah. I'm so sticky. Then ... don't you go to work? Or don't you go to work? Or just don't go to work?"
Jumping down from his back, Xie Yanqing raised her cheek cutely.

Waiting patiently for his answer.

Wu Fengchenyi hesitated for a moment, quickly tearing off the tie that had just been put on her neck, and one was still aside: "Don't go!"

"Yeah!" Xie Xingqing jumped up with joy, naughty Feng Chenyi fell, and kissed her.

From the face to the neck, I kissed it enough, just like a tired kitten, cute and entangled.

Wu Fengchenyi glowed a charming smile and began to slowly respond to her kiss.

Waiting for the moment when these two are about to linger ...

☒Eliminate all yesterday, now you 're with me...' The phone suddenly rang.

Xie Zhiqing raised his mouth unhappy.

"Well, what a disappointment ..."

Wu Fengchenyi touched her head comfortably and glanced at the caller ID: "Zixuan, what's the matter?"

Xu Xieqing, who was lying aside, turned her eyes, and teased Feng Chenyi dishonestly.

I still haven't waited for Ouyang Zixuan to speak. He frowned helplessly: "Qi Qing, don't make trouble!"

"Fuck, you, you really fell asleep with Xie Yunqing?" Ouyang Zixuan on the other side of the phone groaned incredibly.

Xie Yiqing frowned, climbed to Feng Chenyi's side, and spoke loudly to the phone: "What's wrong? Do you have any opinions?!"

"Me? I dare not have any opinion. In the future, I have to call you a bitch."

After hearing this, she smiled proudly: "Huh, this is pretty much the same!"

"Okay, okay. Zixuan, what are you doing to me?" Feng Chenyi pulled the topic back.

Ouyang Zixuan there sighed slightly: "I said, Chen Yi, I didn't expect that I would be your matchmaker. Hee hee, how do you thank me?"

Yesterday, Ouyang Zixuan drank too much, and even how to go home was completely neglected.

The only thing I remember was that after Feng Chenyi sent him home, he left with Xie Yiqing.

Unexpectedly, these two people turned up in secret.

Originally, Xie Yiqing was still his prey to Ouyang Zixuan, but since his brother likes it, he is so called, because there are more women anyway.

"Oh, by the way, Chen Yi, don't tease me, and talk about business. What are you inside, you are not afraid of stealing, and you can comfort your 'home' one? Your wife just called me. I can tell

She, you slept with me.

Don't miss it. "

"Oh, it's good for you to conceal it. OK, I'll trouble you." Feng Chenyi hung up the phone with a smile.

Xie Yiqing, who was standing aside, put her hands on her waist and admired her thumbs up: "Ouyang Zixuan is really your buddy!"

"Ah....."

"Well, do you want to call your wife now?"

The cold and stern face sank a bit, and after a long hesitation, Feng Chenyi smiled lightly: "No need."
Then he turned off the phone directly

"Ouyang Zixuan, I 'm Luo Yaoyao. Last night, after you called out Chen Yi, Chen Yi did n't return all night.
Do you know where he went? "

what?

Oh ... Chen Yi lives in my house.

He's not awake yet.

"That's it ... I know, I'm sorry to bother you. "

"You 're welcome, you 're welcome. "

In Yao's office, Yaoyao was working and thinking about the phone call with Ouyang Zixuan.

Sure enough, Chen Yi did not return home for a reason.

She knew it would be so!

"But ... heh ... when I asked Ouyang Zixuan where Chen Yi was going, why did Ouyang Zixuan hesitate before answering?" She closed her eyes and lay on the desk in a daze.

"Director Luo, this is the document Qilian asked me to give you."

I hurriedly sat up and put away all the expressions that shouldn't be revealed on my face: "Well, trouble you."

Stop thinking about it.

It's okay ... it must be okay ...

All morning, Yaoyao was immersed in work. At noon, I wanted to go to the office to find Feng Chenyi for lunch, but Lisa said that Feng never came to work.

The phone was called over and over again, and it was always unanswered.

Until the end of work, Yao Yao returned to the single apartment, sitting on the sofa like a wandering soul, waiting quietly for the 'out' man to return home.

At around 7pm, Feng Chenyi finally returned home.

"You are back?" Yaoyao ran to the door to meet him as if he were all right.

Wu Fengchenyi also seemed as if nothing had happened, and smiled: "Hmm. Did you have dinner?"
