She looked at them in a confused way. "you... Call me what?"

"My little sister-in-law. Your age is only a few years old. You are the eldest woman in the family. Of course we shall call you your sister-in-law."

Ha, ha... Are these people crazy? Her husband with royal proud day in the house, these people should say such words?! They don't think... Is it normal to have one woman and two husbands?

Yi...

She's sick at the thought!

Quickly walked back to the office, in the moment of opening the door, saw the scene inside the house, yaoyao was stunned...

"Two fourths."

"Two eights."

"Two K's."

Ha, ha, ha, ha...She is in the outside with the person infighting, the time of the mouth gun war of words, these two men actually leisurely to sit on the sofa to play a poker?

Good... That's amazing!

"Done?The wind Chen yi takes the lead to raise an eye, looked toward the door.

"Well.Make...It's done."Her eyelids drooped naturally and she spoke weakly.

"Then go home first.By the way, how much do I need for ransom?"

"Four hundred million euros."

Heard yaoyao's answer, the wind Chen yi pair of remote cold eyes slowly toward the opposite royal proud day.....

"You want me?!"

"Of course.Lord, you don't really want to see me wind up, do you?"

"Really."Royal proud day pretended to affirm nodded.But then he turned to yaoyao with a smile and said, "I've got the money ready. I'll send it to feng's house in a moment.Remember, don't ask for it."

She's not stupid!Say to look for him to want, wind Chen rui return how to fall into trap?"I see.Then I'll go."

"Wait."The card in the hand of royal proud day put aside, put out a hand to point to the debris all over the ground, evil evil smile way: "wind wife, these things....."

What you mean? See royal proud day this expression, is not want to seek her to compensate?

"Royal general, I compensate you for my wife!"

"And not all. Well... Just pay for that antique over there."

In the corner, there is a broken decoration horse that was thrown by yaoyao. "An antique? How much is it?"

"Not expensive. Ten million or so.

"

One thousand... One thousand... Ten million?! The vision quickly looked at the wind Chen yi, her small face is scared white.

And royal proud day in the eyes but a pair of..... 'look at that little thing you've got the trouble of throwing things when you lose your temper.' He really hates women throwing things when they lose their temper!

The wind seems to understand the royal proud day intention, the deep eyes a turn, bad smile way: "nothing, yaoyao, not 10 million yao, the husband also compensate. B: yes, there's a jade object beside the seat in the hall. I think it's a good one, too. Hit it also, the husband then give you compensate!"

Silence, yaoyao looked at the wind Chen yi, the next second..." Psycho! He spat out three words, slammed the door and ran off angrily.

"Ah..."

"Ha ha..."At this time, the two men happened to laugh together, continue to play poker.

"Two as."

"Two twos."

In turn royal proud day out card, he slowly raised his eyes, the handsome beauty of the face gradually spread a touch of cold look: "Chen Yi..."

"Huh?"

"Don't you forget...What I wanted to talk to you about yesterday!"

Last night, royal proud day to find the wind Chen yi said the wind Chen rui that thing is not false.But...This is just a small part of it.For the most part...

'Chen yi, do you have time?'I'm in your neighborhood and I want to talk to you!'

'wait a minute...'

In a short while, the wind Chen yi came to the agreed location.

See royal proud day car parked at the roadside, he quickly sat in the copilot...' ok, aren't you supposed to be in Japan at this time to attend a meeting of the federation of Chambers of commerce? Why did you come home so suddenly?'

'ah...Shouldn't you also go to Japan to attend the meeting of the federation of Chambers of commerce? How to...' deep eyes without a bottom turn, he smiled to see the wind Chen yi, slowly way:' run to phuket island holiday?'

Feng Chen yi's cold face could not find any tension, he shrugged: 'there are other things to deal with.'

'something else to deal with?'said, royal proud day from the pocket took out an envelope, suddenly still to the wind Chen Yi's body:'deal with' woman?!

Feng Chen yi did not open the envelope, because he had guessed what the inside of the envelope would be!Staring ahead in silence.

'Chen yi, you and I are men. I can understand your behavior sometimes! But...You should also know who your wife is now!Where is your home, if you get lost...You shouldn't have married yaoyao!'

'ah...Master royal, I'm a little surprised by what you're doing.'wind Chen yi dont understand the side of the head.

'what happened?He leaned his head on the driver's seat and looked straight ahead.

'you show these pictures directly to yaoyao, not...Just in time, can you ask yaoyao to divorce me?'

'I wanted you to get a divorce, but now...I don't want you to get divorced! Royal proud day in turn to see the wind Chen yi that moment, expression is very serious:' at least, so far, I still believe that you can give yao yao the future man!If, of course, you break up with the woman in the picture!'

Oh, can I give her the future?'feng Chen yi laughed at himself:' ok, general royal, I know what to do!'

Still that sentence, for the present royal proud day, he is very clear, he can not give the future of yaoyao.At least not now.

But the wind Chen yi is different, he has a great future, has a smooth road, has a bright past.

Since yaoyao has chosen the wind Chen yi, so, the royal proud day, the only thing to do is to try to avoid her misfortune, from the side, looking at her to obtain real happiness...

"Don't worry, Sir. I won't forget."Wind Chen yi smiled, and continue to play the royal proud day poker.....

On the other side...

Yaoyao leaves the imperial dragon club.

It's getting late.

She picked up a taxi as she talked on the phone. "Du...Du.....Du.....The phone had been ringing for a while when it was suddenly put through...

"Feed!?Black..."

'hello, the number you dialed is busy...'

Is Mr. Black busy?Is that why you're off the phone?

She had to text instead...

The house of the black dragon.

Empty room, four white walls. The sauropod lay expressionless on the bed, looking up at the ceiling.

Is he deliberately pressed the phone call from yaoyao, it seems that there is no good between them, to use the phone to talk to the point?

'pyrazole...Pyrazole...'

A text message came.

The black dragon picked up the phone and looked...

'Mr. Black, are you busy? I have something urgent to talk to you. When you're finished, can you call me back?'

.

Episode 602

In a split second, the black dragon's cold eyes flashed with worry. He sat up and called back quickly...

I was about to ask her about something urgent. Who knows, yaoyao took the lead in opening... "Hello? Mr. Black, I'm sorry, I'm sorry to bother you."

The anxiety cooled, and the sound of her voice told me there should be nothing more to do.

Lying feebly back on the bed: "no.What's the matter, Mrs. Wind?"

Yaoyao obviously heard the black dragon's voice is weak, is very wrong."Black total, you... Are you all right?"

"Good.Go ahead."

"Well, I don't know how to tell you.Because it's a long story.Anyway, the purpose of my call to you is to hope that if my father-in-law asks you later whether you have lent me 400 million euros, you can say that you have borrowed it, can you?"

"Well..."There were no questions, no curiosity."And," he said quietly, "anything else?"

"No...No."

"Good-bye."Quickly hung up the phone, the face of the beautiful black dragon covered with pain.So tired...

This feeling...Very tired!

However, it seems that only in this way, to slowly suppress the undeserved feelings, is it?

"Something on your mind?"

Suddenly, in the dark room, an almost ethereal voice was heard, and the black dragon jumped up from the bed in terror.

Looking at the tall figure standing in the window, he frowned into a group: "Ice night, you want to frighten me to death? Come and go? Didn't you go back to the land of Aslan? What's going on? Back again?"

"All the time." I pushed open the window, and the Ice Night let out a faint breath.

"Why? Or your highness Randall?" Black Inflammation Dragon jokingly said that finish, immediately language front a turn: "perhaps, she already dead."

"Phrynychus, if it comes from another man, I'll kill him! I hope not, there will be another time!" Ice Night with no emotion of the eyes covered with murderous, he looked directly at the black dragon sitting on the bed.

Look, the tone of the Ice Night with Yao Yao in the Japanese Ninja fighting tone how similar, Black Dragon know, Landuo Highness many habits are actually from the Ice Night! "Sorry, sorry. I just don't think you need to waste your time. If your highness Randall is alive, he'll show up sooner or later."

"Ha...What if..."The cold face across a touch of sadness, ice night whispered: "she herself in escape, how willing to show?"

In a flash...

Black dragon that black pupil dilate, suddenly remembered in the cave, yaoyao dream... 'I'm not lando, I'm not...

I'm not...'

The sixth sense told him.Ice night... Seems to be...Already know the fact that yaoyao may be landuo!

On the other side...

Sitting in a taxi, yaoyao always think black dragon tone is very wrong, or because of the last time lovelorn thing?Black total can be a person with feeling really, unexpectedly be lovelorn torment so long.

White little face slowly rushed to the window...

I kept thinking back to the time secretary fu brought someone to the royal dragon club.

The more I think about it, the more I think about it.

Did the secretary send someone to follow him? So does that mean that Carrie Tsang has been sending people after him? Wrong, impossible, his deputy prime minister, deal with royal pride day but afraid of busy, why bother to find someone to monitor their own small role?

Above all...

I want to come to the royal dragon society this thing seems to be only...

A few... A... You know?!

In front of the eyes, shook a know she will come to the royal dragon association figure, father-in-law, Ouyang Zixuan, and...

In the end... The figure in front of us is frozen in...

On that man!

Quickly took out the phone, just about to call the black dragon.

Calculate, black total now mood is certain very fidgety, still don't bother him.

"Hello?An elder brother."

"What is it, sister?"Over the phone, came the voice of Mr. Long.

She is embarrassed of licked lower lip horn: "do me a favor good?"

"You and long ye elder brother return polite?Say, what's up?"

"Oh, I want to call you... Help me check on someone.The more detailed, the better."

"Name."

Watery eyes flash, she slowly way: "xie zhiqing!In addition, there is a company called huahai media, see who is the controlling person of this company."

"Hua hai media..."On the other side of the phone, Mr. Long appeared to hesitate.

"What's the matter?Brother long ye."

"PSST... Because this media has a lot of bad news, so...Proud day is also in check who is the holding person behind this media."

'plop, plop,' her heart began to beat with strange tension. Royal proud day is also checking this media? What's more, this media also broadcast a lot of news about the royal pride?

Believe me, he can't not guess who the controlling person behind this media is?It's just, there's no proof, is there?!

There is no doubt that the controlling shareholder behind the media is... Zeng Jierui!

In other words...

Yaoyao suddenly felt unprecedented fear, as if a huge plot has not only covered the royal proud sky, but also gradually put the wind, wind Chen Yi, and the game related to all into the bag...

"Sister, what do you mean by looking into these things?"

Back to god, she helplessly smiled: "elder brother.I don't know for sure yet. It's all speculation.Wait for you to check Xie Zhiqing's information, I am telling you, ok?"

"Well.

All right. Wait till I hear from you."

"Trouble you, long ye elder brother..."Hanging up the phone, yaoyao went back to the wind...

"How's it going, yaoyao?" Feng xiao sat in the living room with a worried face.

She looked around the eyes on the sofa, xie zhiqing is still in, this small three when, just afraid to live in the wind home right away?" Father-in-law, the royal always gave the answer, it seems that he really is not kidnapped by the Chen yi."

"Who would admit such a thing?" Can see, the wind still do not trust royal proud day."Forget it, never mind, tomorrow morning liquidation is."

"But my father-in-law..."Yaoyao smiled. "we don't need to wind up. I just went to see hei zong, who is willing to lend us 400 million euros of working capital from baolai group!"

"Really?!"

"Well. Really."

"Wow, that's great." Sitting on the side of xie zhiqing happily clapped his hands: "so the wind will not face a crisis.Mrs. Wind, you are good..."She jumped up to yaoyao and grabbed her hand. The dark side...That's really fast, 400 million euros, 400 million euros.Really... Great!"

You hear xie zhi qing this no head, when a joy. But yaoyao know, she is deliberately want to give you a hint, the money is not black dragon.

What a quick reaction!

But... As long as the money to save Chen yi, how can my father-in-law care where the money comes from? As long as, don't call the wind Chen rui know on the line!

Episode 603

The next morning.

Just before dawn, feng xiao remitted all the euros into a Swiss bank promissory note.

Ouyang zixuan with black dragon also rushed over early in the morning.Just this time, and did not see the trace of xie zhiqing.....

"Dragon.That 400 million euros, thank you so much."The wind shaw gratefully took the black dragon's hand.

He answered with a smile. His dark eyes unconsciously glanced at yaoyao, but immediately he staggered: "I should."

"Ha ha, Chen yi has you such a friend, is really three lucky. Now..." Feng xiao took the note of the Swiss bank, walked slowly to ouyang zixuan: "son xuan, uncle wind this time to trouble you. Although this is my family thing. But you know, yaoyao is a girl after all, it is impossible for her to give the money to the kidnapper in person. And I can't move. So..."

Ouyang zixuan beat his chest with confidence: "rest assured, uncle wind, this is what I should do. I'll go, even if you don't."

"Well, you had a good trip."

"Well..." To ouyang zixuan with money just to leave...

"Wait! Feng Chen rui anxiously rushed down from the second floor. "Father, tell me to go. How to say Chen yi is also my brother, how can you call son xuan do such a thing?"

Oh, this is not bad, the wind Chen rui even self - recommendation up? In the side of the yaoyao wait to see how the wind Chen rui want to sing the play.

"Can you? Wind xiao doubt looked at the wind Chen rui.

"Yes.Father.I... I hope I can do something for our family."

"All right, then."Wind xiao walked slowly to ouyang zixuan: "son xuan, that call Chen rui go.But, Chen rui, if you don't bring back Chen yi, you also don't give me back."

"Well. Father.

I will certainly bring Chen Yi back, you can rest assured."Feng Chen rui confidence with money to leave.

Yaoyao looked at his back, but he can bring back Chen yi bai, is his intention to kidnap Chen yi, staged a fight, how can not bring back Chen yi?

It's just...

The wind Chen rui knew that the money is pooled together, the wind did not go bankrupt, there is no sense of loss?

Also, his purpose is these ransoms anyway, wind family bankrupt not bankrupt also has nothing to do with him.The money is gone, isn't it?

Wait a minute!

Money come to hand... Isn't it over?!

Money come to hand...

Now all the money in the hands of the wind Chen rui, the money has reached his hand, if he took the money immediately ran to the foreign countries, do not have to share with the royal proud day, why not?!

However, Lan Nipei and LAN ling are still in the wind, he is not a beast to even mother and wife do not want?

Can feng Chen rui that kind of person what matter stem not come out?

No way! No way! If he were to abandon his wife and take the money with him, all the working capital of the bosen group and the wind family would be exhausted. "Mr. Ouyang! Mr. Ouyang!"

"What's the matter? Mrs. Wind, so nervous?" Ouyang zixuan looked at her in confusion.

"Ma... Please send someone to the airport at once. As soon as you see my brother at the airport, bring him back!"

Ouyang Zixuan this listen, subliminal saw eye Find Xiao: "uncle?"

"Do as yaoyao says. As long as the wind Chen rui appeared at the airport, immediately give me to tie him back!" The Feng's cold voice made Yaoyao surprised.

In fact, even ouyang zixuan wondered why he would have such an idea, but as the wind Chen rui father Feng Xiao seems to understand what he means, this is... Why is that?!

It's been almost an hour. When everyone is waiting patiently for the result, ouyang zixuan's mobile phone suddenly rang...

"Yes, I see." He hung up the phone, face seriously walked to the front of the wind xiao: "uncle wind, my people..

. Really at the airport... Caught... Chen Rui eldest brother."

You know...

I knew it would be. Feng Chen Rui is simply a sinister person, he this is obviously burning Bridges, using royal proud day to kidnap wind Chen yi, with a ransom to run. To trap the royal pride in injustice.

But...

Royal proud day with the wind that two people seem to.....It's not much better.

This time she is really witness, these men between the dark fighting, is all play brain!

The Feng Chen Rui that the intention carries money to escape privately was embarrassed detain returned wind home, just arrived at the sitting room...

The wind xiao go up is a plan hard slap in the face: "be a beast simply, unexpectedly carry money illicit escape! Yaoyao, call the police!"

Wow, my father-in-law chose to call the police this time?

Is because last time is the matter of the company, father-in-law just didn't send the police to catch the wind Chen rui corruption? This time, however, because of family affairs, so even if the wind Chen rui was arrested by the police will not affect the wind's share price?

My father-in-law...

The heartless..

."Yes, I know. My father-in-law."

See the father this time to be serious, the wind Chen rui absent-minded entreaty way: "father!Father!
You forgive me, father! You're giving me a chance! Father!"

"Well, giving you a chance? I've given you so many chances! I didn't catch you last time about the
company. You still dare to give me a crooked heart. It's unrepentant! Yaoyao, call the police!"

"Is..."When yaoyao just mentioned the phone.

See, feng Chen rui quickly rushed in the past, one hand grabbed her neck, another took out the chuai in
the clothes of the dagger, put on her neck.

"Chen rui, you hair what crazy, immediately give me put down the knife!" Feng howled in anger.

Feng Chen rui panicked shaking his head: "father, I, I do not want to hurt younger siblings, but... But I
have a big gambling debt out there. The wind Chen Yi and my money all filled the public.What should I
pay off my gambling debt? Father, I really need the money now, so give it to me."

"I can pay off your gambling debts.But, now this money you can't move a cent! It's to save your
brother's life!"

"Chen escape! Chen Yi, you always Chen Yi, Chen Yi! Your money, wait for you to die, sooner or later I elder brother two equally, give me now again how can?!" The wind Chen rui became a little excited, even in the neck of the knife are closer to her throat.

White face tight, she did not dare to breathe, leng leng stood there.

At this time, standing on the side of the black dragon while the focus of the wind Chen rui are in the wind xiao body, slowly approaching to him.

After making sure there was no problem, he took off with a jerk. For fear that the knife accidentally cut yao yao, the first left hand palm wrapped around the blade, then, with the right elbow against the wind Chen rui neck. Leng is forced him into the corner.

"You!" Feng Chen rui subliminally took out the knife covered by black dragon bare hand. And he stabbed him in the body.

"Black total!" Yaoyao, who was the closest to them, stepped forward and blocked the black dragon.

The pupil of inky color a sink, black fire dragon tightly wrapped her small body, then quickly turn around, with the back facing the Feng Chen Rui....

Episode 604

No...

Yaoyao clearly know that the wind Chen rui this knife down, will no doubt stab the fatal part of the black dragon!

But after a long time...

"Woman, are you stupid?Block knife?"The deep voice of the black dragon reached her ears and released the hands that held her body.

Yaoyao kept breathing heavily and suddenly looked back at him...

See, ouyang zixuan one hand a counter to take the wind Chen rui uniform on the ground, cold looking at her with black dragon: "you two are enough stupid!"

One plays an 'empty hand meets the white blade' for the other, another goes to block the knife, and then the one who is blocked goes back to block.

Yaoyao still said, the move to block the knife is completely subconscious, but the black dragon...

Is obviously deliberately and for it!

'cried... Yaoyao was so relieved that her legs were shaking."Black, black total, your hand..."His eyes were fixed on his bleeding left hand.

The black inflammation dragon dismissively took a look: "have no matter."He shook his head coldly.

"Get out of here! You can even do murder and arson!"Wind xiao lunge rushed to the front of the wind Chen rui, up is a slap in the face: "you take money to escape, with the intention to kill yaoyao with the dragon.The rest of your life just stay in prison and repent!"

"Father, are you sure you want to call the police?" Feng Chen rui face expressionless opened the mouth.

"Do you think I have any affection for a beast like you?!"

"Oh, good. Well, call the police. I got caught... Wind Chen yi also don't want to live!" Feng Chen rui obviously has nothing to care about.

He decided that if he was caught, he would spend a few decades in prison, and he would come out earlier if he behaved better.When the wind Chen yi died, the wind home money also can't be his?

"What do you mean?"

"My father. To tell you the truth, I sent someone to kidnap the wind Chen yi!"

"You!"The face that wind xiao is full of anger originally is more and more gloomy: "I should guess, you are a beast really inferior beast!"pa, pa' is two cruel and hot slap in the face.

"To play.Do you play..."Feng Chen rui looked at the wall clock: "if before 10 o'clock, I don't give the kidnapper information.The wind Chen yi will first I a step to see the king.We have three minutes left.Think about it. Give me the money and tell me to leave.

Wind life;Or I die together with the wind Chen yi, no one to your pension!"

The wind is blowing and blowing.But his grave expression wavered visibly.

"Father-in-law, actually..."When yaoyao was about to tell the truth to feng xiao...

Listen to...

"Second young master."

"Second young master."In the corridor came the voice of the maid.

Wind Chen yi face expressionless walked into the hall: "really lively, people are all together?"

Really subject to the wind Chen yi! Yaoyao secretly rolled up a white eyes, estimated all the people here he is the most relaxed. 'self-directed from the play' a 'cast oneself in a net' was kidnapped drama, harm all people for his fear. Especially father-in-law...

"Chen yi! Wind xiao excitedly ran to the front of the wind Chen yi, kept looking at him up and down: "you, you all right?"

"Nothing." He shook his head coldly, walked slowly to be ouyang zixuan pressure on the ground before the wind chenrui: "eldest brother. Unexpected?"

"You... How do? How?" Feng Chen rui incredible eyes, as if suddenly guessed... The beginning and end of the matter. "Ah, so I've been counted?! Ha, ha, ha, royal proud innocent is quite malicious!"

Cut, the wind Chen rui still have a face to say royal proud day malicious? If he hadn't been so shameless, he probably wouldn't have come and pulled a stunt.

Now yaoyao just understand, just afraid of the wind Chen rui with money to escape, do not beat yourself up, are in the royal proud day with the wind Chen yi expected, otherwise how can they put the wind Chen rui into the corner?

Yi.

..

The struggle between men is really one link after another; One layer after another, it's terrible!

"My father...I have nothing to ask of you. I just want you to let me off the hook because I'm your son. I can leave the house from now on." Feng Chen rui knows no way back, can only play the family card.

The wind xiao expression serious silence for a moment, smiling to see the black dragon and ouyang zixuan: "son xuan, yan long, and yao yao. Now...I..."

"You needn't say anything, uncle wind. We understand. I'll sit in the garden." The black dragon knowingly walked out of the hall.

Ouyang zixuan see this, let go was pressed on the ground of the wind Chen rui, also followed away.

So, my father-in-law has a very private matter to deal with? Yaoyao smiled and nodded to the wind and walked away quickly...

For a moment, the noisy living room became silent.

Feng xiao sat on the sofa, staring at a place, in his handsome face to see any expression, it is impossible to guess what his next decision will be.

Feng Chen rui saw this, a face of supplicant kneel down in front of the wind xiao: "father, since I came back to your side at the age of 5, I am really happy, I got the father love.It has been 27 years since I came to feng jia. In the past 27 years, I admit that I have done many things that have disappointed you and failed to live up to your expectations.

I am sorry, father, but I only hope that you will spare me in the name of your flesh and blood.May I?"

"Chen Rui..." The wind xiao face expressionless look to kneel in front of his son: "you know, why I will yan long, son xuan and yao yao they all go?"

"I know.If they were here, you wouldn't be able to handle it.You wanted to spare me too, didn't you?"

"It's not..."The wind xiao sneer of shake shake a head: "I just don't want to wash one's dirty linen in public just, I don't want to call them to hear our wind home of ugly matter!"

"Father? Feng Chen Rui eyes are full of doubts.

Wind xiao slowly stood up, hands behind his back: "you always say, I favor Chen Yi, favor Chen Yi.Have you ever wondered why I always prefer Chen Yi?"

"Because I... I'm not as good as Chen Yi."

"Oh. Not quite!" Step, moved to the wind Chen yi's side, he patted the wind Chen yi's back: "because, I only have his son, I do not love him, love who?"

"A son? Feng Chen rui again gas, not confused of open big eyes: "that I what?!"

"Are you? O... Ha ha..." Wind xiao disdainful smile, that jiong god's eye son a flash, Yin malicious way: "you are just a wild seed!"

Bastards? Feng Chen rui was dumbfounded, quickly got up and stumbled to run to the front of the wind xiao, grabbed his father's arm: "father? You are talking angrily, aren't you? I am your son. How can I be a wild creature?"

"Let go!" From your mother took you back to my wind home, I did not doubt your identity, but as you grow up, I found that you look less and less like me, just four years ago, through DNA comparison, I am not your father!

The wind Chen rui moment dumbstruck, so many years, a lot of people also said he did not look like the wind xiao, but he always thought he looked like his mother, so just...

.

Episode 605

I didn't think?!

"Four years ago? You knew four years ago that I was not your son? Then why..."

'I just don't want to wash my dirty linen in public. I don't want them to hear about our family!'

Feng Chen rui suddenly remembered his father said: "ha, ha, ha. I finally know why you in 4 years ago suddenly decided to just 18 years old Feng Chen yi transferred back to the wind, you from that time, has decided to use the wind Chen yi to contain me, deal with me, is it?!"

Four years ago.

Wind Xiao suddenly made up his mind to resolution, request also in Japan to go to school Wind Chen yi immediately return to the general manager's position. But the response of the wind Chen yi has been to refuse! Refused to!

Feng Chen rui there also three times four times, said the younger brother only 18 years old, should not be so fast to intervene in the family business.

But the wind Xiao simply ignore, still insisted that the wind Chen yi must return to the wind. Until two years ago, the wind Chen yi did not return to the wind.

Now think carefully, father was so determined to call the wind Chen yi into the company, he should have a presentiment..... His father's attitude towards him has changed somewhat.

The vision slowly looked toward the wind Chen yi that stood beside the wind xiao: "you also early know, I am not your own eldest brother, be?!"

"I found out a year ago!"

In the wind Chen yi is still small, in fact, the father treats the elder brother's attitude is the same, also is better. Sometimes will even favor the wind Chen rui more.

Until four years ago, his father suddenly called him back to the company; Two years ago, when he returned home, his father's attitude to him was unusually good, obviously isolating the elder brother.

Wind Chen yi seems to detect something wrong, so after verification, proved that the wind Chen rui is not his own brother.

'father, you can so suddenly call me back to the company, is should have known the wind chenrui, not your son's fact?'

'yes.'

'and what is your purpose now?'

'Chen yi, you know, feng Chen rui in the company almost 10 years of time, has been deeply rooted, if trade rashly put him out of the wind, is bound to cause speculation; If the wind Chen rui wild identity is known, your father I wise will destroy once, so, I want you as soon as possible with the most reasonable excuse wind Chen rui get out of the company, after trying to get him out of the wind home!'

'I see...'

So, when yaoyao to win over the chairman of the sandel group Bartholomew, wind xiao strike while the iron is hot, immediately the second son wind Chen yi with the most reasonable excuse to the President's position.

Then, the performance of the wind Chen yi but really make the wind xiao big surprise, he did not expect this low-key second son has accumulated in the time of 2 years wind Chen rui so much evidence, but also with the fastest speed to drive him out of the wind!

"Ha, ha, ha. So it's your own father and son who've been plotting against me?" Feng Chen rui this moment, just understand how old and crafty father, brother's house how deep. And he...

Like a clown, the two of them made a fool of him. "I'm wild... Oh, how I... Not you... The son of the wind?"

'who said that? Suddenly, from the second floor came the voice of LAN nipei growling, she ran down the stairs without expression, a cross the son's arm, cold stare at the front of the wind xiao: "who dare to say you are wild!?"

Feng Xiao with wind Chen yi kept silent.

Lan Nipei cold narrow eyes: "the wind xiao, you can really good ah, unexpectedly ungrateful. Have you forgotten who helped you get through this? Don't you remember who helped you when you were the poorest? And now you have the cheek to call me and your son wild?!"

"Ni pei, it is because I did not forget that year, it has not been difficult for you! Otherwise... When I know the wind Chen rui is not my son of that moment, I can put your mother and son together out of my wind home!"

"Ha ha ha, dare to leave me? Dare you?" Lannipei tilted her head with a smile. "who... When in my ear whisper, said not love his wife; And who, tell me, will stay with me forever. I've been waiting for you for years and years, but what about you? Still won't divorce your wife! Please tell me, you said to me those love words, is because of love me; Or to use me?!"

Lan Nipei met with the wind xiao that year, he just married fang yashi! Very coincidentally, he chose the honeymoon place with fang yashi in the country of the yashram, where he met lannipei.

..

At that time, Lan Nipei has known the wind xiao has a wife, two people are just a * night * love. But many times, it becomes night.

Until the end of the honeymoon between wind xiao and fang yashi, their contact has not been interrupted. Wind xiao will often run to the country of aslan and Lan Nipei private meeting.

Soon after, the wind appeared in the business crisis, the wind xiao found lannipei, hope she can help.

She agreed, but only on the condition that...

Feng xiao must divorce his wife and marry her!

Conditions met, the wind through the crisis. But the wind shaw but renege, again and again with fang yating divorce, that time... Lan Nipei heartbroken, looking for a romantic encounter outside, gave birth to the wind Chen Rui.

She decided not to do two, oneself bad, the wind also don't think well. She was in the wind Chen rui five years old, with him to run to the wind home big, since then... Only after the act act.

..

"Pei ni, Chen yi is here, I don't want to talk about this topic with you!" The wind is clearly escaping.

Lannipei smiled again. "oh, what? Are you afraid your son will hate you? He hates you enough already! What are you afraid of?" Sad eyes slowly toward the wind Chen yi: "I know, you have always hated me, I killed your mother. But if your father doesn't mess with me, I won't interfere in your family! So far, I don't think I've been wrong. Of course, the most innocent is your mother, I admit that. Can I... No choice!"

When a woman falls in love that moment, will be dizzy;Because of excessive love, to have, extreme women will use all means to win, to take.

Lan Nipei's behavior is extreme in extreme, she step by step, attack calculation, using all means to break up the wind xiao with fang yashi, the original wife of the people forced to die!

Lannipei heavy took a breath, slowly closed his eyes: "the wind xiao, you end up today's betrayal of the end, in fact, you ask for.Fang yashi's death is indirectly caused by you.Your son, the wind Chen yi to your hate, is also your romantic cause!As for my son..."

Looking at the wind Chen rui, she raised her hand and stroked her son's cheek: "listen, Chen rui, you are not wild!You are his son.He wants to burn the Bridges and disown us, then we will see how the heavens punish him!".

Episode 606

Sharp eyes dark down, two lines of tears down the face of LAN pei ni gradually rolling down: "my fault!! think!But, the wind blows, your fault...Let's see from heaven!"With that, she dashed toward a big post...

"Nipei!

"Mama!"

With a bang, LAN nipei banged her head against the post. "in those days, fang yashi used this to prove her innocence;Now...I also use this trick to prove that...I...Innocence!"

Return the truth, Lan Peini understand!

Can DNA show is not wrong, the wind Chen rui is not the son of the Feng Xiao, she knows, even if he is in how to prove, the wind shaw will not believe that the wind Chen rui is his own flesh and blood. She does not need the wind to believe. But...

Lan Peini clearly know, his death, must be able to exchange for the wind Chenrui comprehensive, at least... Wind Chen yi has been the goal is just her!

"Mama! Mom?" Feng Chenrui tensely picked up lying in a pool of blood in the lannipei.

With a smile, she suddenly hooked her son's neck and whispered in his ear: "Chen rui, listen to me. Your own father was a royal of aslan, and now... Go back to my mother's house at once, find my handmaid, and ask her, who is your own father? Then take refuge in your own father. He will take good care of you!" Words fall, her hands hang feebly...

"Mama!" The wind Chen rui soars sadly a sound, this huge villa, the moment is filled by the gloomy atmosphere...

Quiet garden.

The black dragon sits on a garden chair, while ouyang zixuan walks back and forth beside him.

"Son xuan, you walk of my eye all dizzy, sit meeting line?!"

"Oh..."Ouyang Zixuan quietly sat in front of him.

At this moment, yaoyao smiled and sat down with a medicine box, saying, "Mr. Black, give me your hand."

When the black dragon just to stretch out a hand, inadvertently on ouyang zixuan's eyes, and nervous shrink back: "Thank you, Mrs. Wind, I can handle it." Tone, slightly indifferent.

"Why are you so polite, phryong? On the scene where you just threw yourself to block the knife, Mrs. Wind now owes you a life! Don't tell her to dress your wound, it is right for you to call her to agree with you, ha ha ha."

This is Ouyang Zixuan of a jest just, who knows the reaction of black inflammation dragon is extremely strong, the double pupil of that inky color obviously duplicate on a piece of cold light: "son xuan!If you can't speak, don't!"

"Er.

.." Ouyang Zixuan is a little cold: "You are angry what? Obviously, you are the best joke among us. Can't you tell me I was just joking?!"

The black dragon seemed to sense that his reaction was too sensitive, and his eyes darkened. "I'll go first," he said. Mrs. Wind, please tell Chen yi a while."

"Oh?" Yaoyao looked at his hand, which was still stained with blood. "black master, your hand..."

"It doesn't matter. It's not a big deal. I'll go back and ask the servant to deal with it for me." He turned and left.

"Forget it. Mrs. Feng, I'm going, too." Ouyang Zixuan left behind the black dragon with no expression.

When they arrived at the door, Ouyang zixuan crossed the neck of the dragon and said, "I say, how do I feel that you have changed a little now?"

"I thought you'd changed." Black fire dragon cold look toward him: "phuket island line, play happy?"

"Of course. To be honest..." Ouyang zixuan mysterious glance around, quipped: "Zhi Qing than Chen Yi's wife really much more interesting."

"Really?" With one hand in his pocket, the sauroposeidon raised his eyebrows in a puzzled manner. "Where's the fun?"

"When I was in Phuket, my room was next to Chen Yi's room. Zhi Qing that voice... Don't mention ecstasy. No wonder Chen Yi would rather accompany Zhi Qing this time, also do not accompany his wife, to me, I also choose Zhi Qing ah!"

He knew, he knew Ouyang Zixuan than these superficial things!" Zi Xuan, you guess, if I had to choose, how would I choose?"

"How do you choose?"

"Ha..."

I choose... Paid for it! Technology must be better than Xie Zhiqing!" The words fall, he looks sullen sat on his car.

Silly stood there Ouyang Zixuan along while did not slow god: "hiss... This is an insinuating insult... Zhi Qing is that kind of woman? Eh?!"

Lanny Pei's death, as she expected, put an end to decades of family feuds.

Wind Xiao and Feng Chenyi also hand let the wind Chen Rui left.

At home, low-key processing of the body of LAN nipei, together with the maid in the home consistent external mouth is, LAN nipei suddenly from a stubborn disease sudden death; Feng Chenrui sad to foreign healing, as for LAN ling also accompanied.

The simple, low-key funeral was attended by only a few people who knew each other well.

At the funeral, feng kexin almost cried into a tearful, several degrees of fainting, fortunately, Qi lian ao cloud has been accompanied by her.

From the side, looking at all this yaoyao unavoidably some sympathy from the wind can xin's experience, but also very envy, at least so far the wind can xin don't know anything.It's the only way she can make her life easier, isn't it?

Although, yao yao also did not witness the death of LAN nipei, but carefully associating, or how much can be associated with some pictures...

The end of the funeral of Lan Nipei, yaoyao and Feng Chenyi came to fang yashi's tombstone.

On the gravestone, there is a photo of fang yashi, this is the first time that yaoyao saw the appearance of Chen yi's mother, intellectual, virtuous, beautiful, Chen yi and his mother look very similar in some places.

"Mom.I owe you everything has been clean.May you rest in peace."Feng Chenyi light words down, the hands of the chrysanthemum in front of the tombstone."And now, I want to formally introduce you, my wife."Tightly embrace the side of the yaoyao.

She smiled and put the chrysanthemum in her hand down: "Hello, my name is Luo Yaoyao. I have known Chen yi since I was 13 years old. I married him not long ago. I hope you can bless..."

My marriage to Chen yi... Well..."Eyes, to the side of the wind Chenyi.

"What do you want with me? Want to Sue my mother?"

"No. I just believe... My mother - in - law will not be cruel, let me go her way. What you said... Don't you? Chen escape!" With a faint smile on the small face, the eyes are released can see all the luster...

What she said seemed to mean something; Like a joke, it was impossible to know what she was thinking.

Feng Chenyi not bad eyes looking at her small face, bent over the head, gently kissed her forehead: "of course!"

Mother-in-law, do you hear, Chen yi promised me, he will not call me on your old way.

I believe Chen yi, because he is so care about you, so he will not let me sad. Then I hope you will bless us as well, because... I trust him, but that doesn't mean I trust...

The women who covet him!

Returned to the wind home mansion, this is some cold mansion, after leaving three people, only wind xiao a person, seems to be so desolate.

"Chenyi, come with me to the study, I have something to say to you." Wind xiao expressionless with wind Chenyi on the second floor of the study.

.

Episode 607

As soon as he entered, his serious expression melted away: "Chen yi, do you still hate me?"

"Of course. LAN pei ni had the end that deserved, but... You're the one who started it, and you're fine. You've lost nothing, haven't you?" The smile that Feng Chenyi hangs on the face slightly has a bit of irony.

"Chen yi, do you really think I have nothing to lose? Do you know how sad I was when your mother left me?!"

Oh, father, have I heard nothing wrong? Wind Chen yi pretends to do a face puzzled shrug shoulders: "is your choice to believe that my mother off the track, betrayed you! You choose to believe that I am a wild seed! If not through DNA verification, I think, my end should follow the wind Chen Rui also pretty much where to go?"

"It is. I admit, when... I killed your mother because I didn't trust her. For this matter, I... I really regret it. But, you know, I owe ni pei, I also helpless!"

Looking at his father with a face of remorse, Feng Chenyi shook his head in disappointment: "LAN ni pei has said. You slept with her before she helped you. When you first married my mom and were on your honeymoon, you cheated on me. Father, don't use your debt to Lan Ni Pei as an excuse. My mother died because of your love affair!"

"Chen"..."Feng Xiao also wants to explain what, but he knows, the son has grown up, has had his own thoughts, even if he is using gorgeous excuses to escape the death of Fang Yashi, also can not escape.

"Oh, I forgot. You are a mature man, and you have a family. In that case... All right. Right! I am in escape, I have been in escape, indeed because of my dissolute cast all wrong. Can be... I am a man, you are also a man, you should understand the father thought. I just made the mistake all men make!"

'I am a man and you are a man. You should know what your father thought. I just made the mistake that all men make!'

'Feng Chenyi, you this bastard, unexpectedly connect this kind of thing all do of come out, kui I so trust you!'

'Feng Chenyi, are you out of your mind? I've made it clear, don't you? If you can't understand, then I can tell you in understand point, I Luo Yaoyao this life with who association, will not be in with you Feng Chenyi association, understand?'

Mind, over and over again 2 years ago, Yaoyao caught him from notting the scene.

This moment, the wind Chen yi suddenly become speechless, because he... Also betrayed yaoyao, right?

When he rebuked his father for his faults and how he had betrayed his mother, was he not gay and merry outside?;

When he hated his father and sympathized with his mother, he seemed...Yaoyao put her mother in the back of her mind.

It's really awful.

..

He could really understand what his father was thinking when he cheated on him. Biological father and son, is the biological father and son, conduct, actually the same similarity! That's ironic.

Feng Chen yi laughed at himself and his angry face turned cold. "father," he said. It's getting late. I'm going home with Yaoyao."

"Chen escape... Now I'm the only one left in this family. You and your daughter-in-law... Move home, will you?"

Silence.

After a long time, he took a breath hard: "I think about it." With these words he hurried out of the study.

And the wind is lonely a person stranded in the study.

Perhaps, from the moment he distrusted fang yashi, he lost not only a wife, but also his son...

"Let's go." Feng Chenyi hurried back to the living room.

Yaoyao grabbed the back of the sofa and said, "I'm so tired today. I don't want to move. Let's live here.

Suddenly, the wind Chen yi pair of remote cold eyes flash, mouth corners suddenly raised a trace of smile: "that tomorrow? Are you still tired?"

"It depends on the mood."

Oh, the mood? Wind Chen yi helpless shaking head, hand, doting point her forehead: "really have you!" How could he not know the purpose of yaoyao's staying here on purpose?

Taking yaoyao to the bedroom on the second floor, feng xiao just came out from the study and saw two people not far away: "you?"

"Not today."

Upon hearing this, the face of wind xiao immediately appeared smiling face: "good, ha ha, that live here.

"

In that two people and the wind xiao brush by the time...

"Chen escape..."

See my father-in-law shouted to live the wind Chen yi, yaoyao back to the room...

"You..."

Feng Chen yi raised his hand and quickly stopped his father's words: "In fact, I really do not want to live in this house, do not want a moment. It was your daughter-in-law, whom you tried so hard to get rid of, who made me stay."

Wind xiao mo said, these days down, yaoyao is what kind of girl, how can he not see it. "If you love your wife so much...You shouldn't have upset her.Don't go... Father's way!"

Similarly, with his experience, it is impossible not to see, yesterday has been in the wind home xie zhiqing and the relationship between the wind Chen yi.

Heavy patted the wind Chen yi's shoulder, he slowly returned to his room.

"No...Oh, at least now I know who my wife is..

. "Quietly twittering down, in the wind Chen yi opened the bedroom door at that moment, hanging on the face of grief immediately gone...

Empty bedroom, no sign of yaoyao.The Feng Chen yi pair of remote cold eyes son a flash, the corners of the mouth faint hook up a smirk.

At this time, hiding in the doorway of Yaoyao like a little monkey: "ah!" Suddenly jumped onto his back: "have you been frightened by me?"

"Well, scared."With a smile on his back, he walked to the bed and set her down.

"Well, look at your expression. It's not like you're scared of me. It's not interesting. "Uncomfortable roll up a white eyes, a slip of smoke into the bed, covered the head.

Feng Chen yi helpless smile, closed the bedside lamp, slowly lying beside her.

For a long time, the room fell into a quiet, this "calm" to some sudden.

Yaoyao tentatively lifted the quilt, only to find that the wind Chen yi is really lying there with his back to the bed ready to sleep.

Clearly, they have been more than ten days did not see, came back to meet the wind Chen yi was kidnapped, and the funeral of lannipei.

The first seven and the second eight together, they haven't communicated much for almost 15 days. Now that everything had calmed down, she thought he would whisper something to her; She thought he would rub it in her ear and get... But a cold figure.

Heart, inexplicable feel a lonely...

How she thought that their marriage could go up with time; Now, it seems, things are going downhill.

It doesn't matter! He doesn't make the first move. She can also take the initiative. "Chen yi, did you sleep?" He rolled over and put his arm around his waist..

Episode 608

Open your eyes cold... "What?"

"Turn around!

Helpless, he turned his body to face her.

"Hee hee." She smiled stupidly and pouted her lips like a kiss.

The wind Chen yi sees this, with forefinger heel middle finger forcibly clip her small mouth: "learn pig yao?"

"Well, it hurts..." The light dozen dozen his arm: "you, you pack what silly?" Small face, with a layer of shame and angry look.

Wind Chen yi zizui smile: "is not learn a pig?"

"Must I speak?"

"Oh. Go to sleep. Tomorrow Saturday, shall I take you out?" Feng Chen yi borrowed the situation to change the topic.

Hearing the word "play", yaoyao completely forgot her original "purpose": "good.Where to play?"

"I'm telling you tomorrow. Go to sleep."Hands up, tightly hold her in the arms. He knew it was enough to distract her.

However, the wind Chen yi has ignored, in the royal proud day side to stay so long of yaoyao, has grown up a lot, a lot, is no longer the previous innocent, brilliant 13 years old girl.

Against the background of the dark night, the expression of feng Chen yi hanging on his face looks so painful; Lying quietly in his arms, yaoyao's face is also covered with a sadness...

The weather on Saturday was unseasonably good, and the temperature was very mild as winter approached.

The sun on the body warm, as if to drive away the winter cold.

Feng Chen Yi's seat drove down the high speed, slowly parked in a dreamlike paradise gate.

Looking ahead, the park covers an area of tens of thousands of square meters.Doorway place, the archway of original form gives priority to with Europe type theme, hanging in the center a few big words...

"Luo Yao... Dreamland?" Yao Yao looked at the name of the park stupidly, suddenly looked sideways to the Feng Chenyi: "Is it a coincidence, or do you invest to open the amusement park?"

"Oh, if the coincidence, that I really should suspect that the owner of the amusement park is not with you!"

The original is really the construction of Chen Yi theme park ah. "When did you build it? Why didn't I know?"

"Of course you don't. I invested in this theme park a year ago and it opened two days ago." Feng Chenyi looked at the gate of that a few words.

Originally, the theme park was called Yiyao Dreamland. Who knows, in the near completion of the time, Yao Yao became his wife, simply named the park directly after her name.

"What made you think of investing in an amusement park? It's not very profitable, and besides, why name it after me?"

Looking at Yao Yao's face at a loss, Feng Chenyi sighed: "I don't know who said, 'Chenyi, you can open an amusement park, so I can play every day without queuing. Remember, the amusement park must be named after me!'"

There are? Did she really say that?

Carefully recall..

.

Vaguely remembered!

She is like... Really!

At that time, they just dating soon, went to the Disneyland in Japan to play, she could not mention how excited, unfortunately...There was a long line for every ride, so she dropped the line.

I didn't think...

Feng Chenyi actually put her then casually said when the thing really, also cashed in.

Obviously, it's been four years...

Can not say, the heart is surprised or happy, or moved more?Feng Chenyi will always put every word she said are firmly in mind, visible, he was really serious about the feelings between them.

"Let's go and play." Yaoyao smiled across the arms of the wind Chen yi, striding toward the inside.

In the park, people are not very much, because it is a trial period, the park has not been officially advertised, so, only a few people know that the suburbs opened a theme park comparable to Disneyland.

"What shall we play first? Standing in the middle of the park, Yaoyao stared blankly at the dazzling amusement projects.

"How? Before crying, Shouting too many people, not enough to play; There are so few people now, and you don't know what to play?"

This is the case, people sometimes love to be cheap, the more not to grab things the more incense; Otherwise, what no one grabs, no one wants. Alas...

"Look, look, that man over there is so handsome." A few girls who look like middle school students whisper pointing to the wind Chen yi standing not far away.

"Will it be a star, take pictures, take pictures..

."

"Haven't you seen a girl friend? Besides, his girlfriend is so cute."

"What's that? We're not allowed to take pictures?" A few girls picked up the camera, in that secretly took up the Feng Chenyi.

Yaoyao helpless pie pie mouth, did not expect, the wind Chen yi is a few years old, but also so small girls like.

Remember they go to school that time, the Feng Cheyi everywhere there will be a large number of girls around him, just like the star. Yaoyao is getting a lot of attention.

At the time, however, she did not find the scene valuable; Now, but feel very precious. Because with the Feng Chenyi stand together, no one will doubt that she is his lover; She's his sister...

"I've made up my mind to play with the jungle rat first!" Determined, yaoyao smiled to take the Feng Chenyi's hand, and walked to the left side of the park to the jungle rat.

Just then...

"Chenyi." A female voice spoke.

Yaoyao suddenly a shock, should not be again...

Xie Zhiqing, right?!

With the wind Chenyi together turned around, saw, a tall beauty is smiling to them.

"Good temperament ah..."Just at a glance, yaoyao was attracted by the woman's elegant, graceful temperament.

No name brand, no strong dress, no high heels, no gorgeous clothes.The woman's dress is so plain and light, but in the crowd call a person at a glance will be attracted by her unique temperament, as if the whole world has become quiet, clean..

.

"Shin? Feng Chenyi took Yaoyao's walk and walked quickly to qi xin's face. "why are you here?As far as I know, this is not your kind of place, is it?"

"Oh, I'm taking the children from the orphanage here to play.I'm doing volunteer work."

Wow...

Yaoyao's eyes suddenly lit up. She turned out to be a loving fairy sister.

"Chen yi, you still don't hurry to introduce to me next?" Qi looked at yaoyao with a smile.

"Oh. Let me introduce you. This is my wife, Luo Yaoyao; Yaoyao, this is... My friend, Qixin."

"Miss Qi, hello." Yaoyao nodded politely to Qi.

She quietly responded to yaoyao with a smile. Turn a head, pretending to be angry to see the wind Chen yi: "Chen yi, you no big no small also calculate, your wife looks smaller than me so much. Why don't you tell her about our 'real' relationship?"

Real relationship? Don't... They used to? Yaoyao looked at the wind Chen yi at a loss.

.

Episode 609

He took a deep breath and smiled helplessly. "Yaoyao, you know my father and uncle Qi are family friends. Sister! So... You have to call sister Shin."

Well!

So Miss Qi is the daughter of Premier Qi?

Yaoyao looked at Qi Xin's eyes more and more worship, to miss qi's identity, is a famous lady. I didn't expect that I didn't have a name tag on my body, but I also went to work as a volunteer.

Perhaps this is the so-called real lady? "Hello, sister."

"Lovely. Sister-in-law, you are more sensible than Chen yi." Qi xin bends over and fondles yao yao's head. The smile on the face is like a glance, so that the woman see some see into the yaoyao.

At this moment, qi xin's eyes suddenly pull away, smiling to the nearby place to wave a hand.

Yaoyao followed the wind Chen yi subconsciously looked back.

See, wearing a black slim long style trench coat royal proud day, is slowly walking towards them...

"Chen escape? Mrs. Wind? What a coincidence." With a suave smile on his face, he greeted the couple and walked over to qi's side. "sorry, miss qi, I've kept you waiting."

"It doesn't matter. I've just arrived with the kids, too."

Good... Match! Perfect match!

Yaoyao stared at the royal proud day and qi xin, I do not know why, listening to their voice and look at each other's eyes, suddenly.....

A strange thought came to him, whether they could... Get married!

"Chen yi, brother and sister, I with the royal Sir To take care of the children, do not bother you."

"Well."

"Well, good-bye, sister." Look straight at the back of their departure.

"Also see? Do you stare at the master or at xin er?" Wind Chen yi asked tentatively.

She turned her head excitedly. "I'm staring at them. Don't you think they look like a couple? I have a hunch they'll get married! And, do you know, premier qi's birthday banquet, the intention to introduce his daughter to the royal proud day when the girlfriend!"

Yao yao heard this series of statements, the wind Chen yi really a little shocked, he thought... Yaoyao will be more or less uncomfortable to see yuotian and qi xin together, did not expect her to be so?

"You this small 38, did not hear xin son call the royal general royal Sir? Prove that they are not even a part, and that you want to be married?"

"What's that? I used to call you a senior. We're still married. They can know is a kind of fate, you see, they do not really together!" With that, yaoyao took the wind Chen yi's hand and ran to the position of the jungle rat.

But the wind Chen yi's face is with a puzzled look...

Does he feel wrong?

He always thought yaoyao's heart...

How many will be some royal proud day position, but, she is now the performance is completely a pair of see royal proud day find admire in the heart of a mate, for his happy appearance.

This is... What's going on?!

"Ah! How terrible!" Jungle rats, roller coasters, vertical roller coasters, and so on.

But the more she was afraid, the more crazy play, play for four hours, leng is not tired. Even the wind Chen yi a big man are some asthma.

"Come, come, come, go on..."

"Why are you so energetic today? Let's try something quieter, shall we?"

Hearing Feng Chen yi's proposal, she hesitated for a moment: "well, all right! What are we going to do?"

"That's it..." Then he smiled and pointed to an old castle in front of him...

Yaoyao looked around...

Terror... The haunted house!

Haven't gone in yet, little face first scared green!

The fort in the 1960s and 1970s had a spooky atmosphere, with dark corridors lined with armored soldiers.

Yaoyao tightly wrapped the arms of the wind Chen yi, her eyes full of water from time to time to peep at the soldiers on both sides of the corridor, she always felt that the soldiers' eyes were moving. "Chen" ... Chen escape... Is that you?"

"What are you asking? You don't think you're holding on to another man, do you?"

"I, I...I... I'm afraid it's not you I'm holding.

"Her sweet voice trilled.

Wind Chen yi can even feel her small body shake how much. "Don't be afraid, these are all false."

"Really, really? Why... I think it's true... Besides, they all seem to be looking at us."

"Alas... You think too much."

Is she really thinking too much? Willow eyebrows tightly twisted into a ball, she closed the corners of her mouth, staring at the next soldier.

Just then...

A box opened slowly behind her and a large hand rested quickly on her shoulder.

"Ah!"Yaoyao looked back at the sound of the heart-rending exultation...

A mummy wrapped in bandages slowly, slowly got up from the ground.

"Don't come... Don't come here..."The whole body shivered backwards.

The mummy stood up. "wow!"Yaoyao shouted loudly and rushed at her.

"Ah!"Yaoyao threw off the wind Chen yi's hand and ran crazily to the front.

The bandaged mummy followed.

"Hello, yaoyao..

.F!"The wind Chen yi trots forward to catch up, but the road ahead is dim, can not see far from the line of sight.

After a while, he finally found the mummy that was chasing yaoyao. He walked quickly forward and asked, "where is my wife?"

The man disguised as a mummy shook his head: "I do not know, chasing, chasing people will disappear."

"Damn it! Why don't you frighten her?" The wind Chen yi angry low roar.

The mummy's mouth curled in innocence. "sorry. I see your wife is so timid, I want to frighten, frighten her. I don't know, she is so timid."

Helpless.

Yaoyao naturally afraid of a few things, bugs, ghosts, snakes and the like...

She had nightmares for almost half a year after a daring test meeting they had at school in Japan.

Still think, she grew up some now, may not be so small, who knows...

Well, even when I'm growing up, I'm only 19. If he had known, he would not have brought yaoyao into the haunted house.

Keep going, hoping to find yaoyao.

Just then...

"Husband!"

Behind him, a small body snapped around his neck.

The face of the wind Chen yi instant big change, quick turn around, cold way: "zhi qing, how did you come here?!"

On the other side, inside the haunted house...

Qi Xin with royal proud day to accompany the children of the orphanage to play a morning by the nuns sent them back.

The two continued to stay at the amusement park.

"Just don't keep you." The two walked and talked in the haunted house, as if the atmosphere of terror around them could not frighten them.

At this moment, the old stone wall suddenly poked out a head.

Qi looked blankly at the head poking out of the wall.

"You are too bold." Royal proud day helpless smile, I did not expect that qi xin will be so calm, to show everyone demeanor.

"There are? There are things I'm afraid of." She single soft smile, the vision looked to not far to squat on the roadside of a small body.

"Another haunted house prop?" But it doesn't look like much. With royal proud day looked at the next eyes, she walked quickly to that crouching in front of the roadside body: "you, ok?"

The small body that is SOB a tiny shiver, as if be to grasp the life-saving straw like suddenly raised a head: "elder sister, elder sister....."

"Huh? What are you, sister?" Qi xin and the royal proud day looked at each other, quickly around the yao yao's side. They could see the tears on her cheeks. "Did you quarrel with Chen yi?"

Shake your head. She wringed bit the corner of the mouth, squatting on the ground motionless, that pair of appearance don't mention how pitiful.

"Then why are you crying? Where's Chen yi?"

"Just... Just... A mummy chased me, so I ran and ran. The results... The result is separated with Chen yi. Because I was afraid, I just sat there and didn't dare, didn't move."

Qi xin was dumbstruck. The next second, she laughed. "ha ha ha, sister, you are so cute." A tight embrace yaoyao is still shaking the small body.

Standing there quietly royal proud day can not help but reveal a helpless smile.

What to do? Small things are already human wife, as if still grow up, always can not help but want to love her, to take care of her...

"Sister in law, come, I take you to look for Chen yi." Qi supported yaoyao to her feet.

Her legs were still shaking. She held her husband's hand tightly. "sister, don't let me go, ok?"

"Don't worry. Don't be afraid. Let's go." Qi xin and Yao Yao walk in front.

Royal proud day with his hands in his pockets behind them, deep eyes have been looking at the background of Yao Yao, that dotting eyes are self-evident...

She smiled and nodded.

"Well, much better. I'm not so scared anymore."

"That's good. Ha ha..." As you can see, Qi xin likes Yao Yao very much.

Three people walked for about 5 minutes, the road ahead seems to be still can not see the end, also has not found the wind Chen Yi figure, in this place to find a person is really some difficulties.

"How about we wait here Chen Yi, perhaps can wait for him."

Hearing Qi's proposal, Yao Yao nodded in agreement. "ok." Afraid of something behind her, she simply stood up against the wall.

"Does Mr. Royal have any hobbies?"

"A lot. Miss Qi, what about you?"

"Write calligraphy."

In his eyes, she saw his appreciation and respect for her; She had never seen such eyes before.

Whether facing away from the United States cloud, or business cloud Yin, royal proud day may be smiling, but his eyes are always cold light.

"What's the matter? Sister in law?"

"There are... Someone scratched my foot!" She turned her head quickly and looked at the big, bloody hand that was tugging at her ankles. "Ah!" There was another cry of surprise, and he kept stepping on the man's hand with his other foot.

Taking advantage of the situation, she suddenly started to run forward.

"Sister in law." She grabbed her arm. "don't run.

Royal proud day silent for a moment: "so, I go to find her. Miss qi, please wait for me at the exit of the haunted house."

"All right then..."

With qi xin said goodbye, the royal proud day to check the loose wall, this is the haunted house designed mechanism, estimates that the 'abyss' is also a smoke screen...

After falling from the abyss, yaoyao took a slide and slid directly into a small chamber.

All around were old walls, and the ground was covered with worms. She sat on the worms, motionless and immovable. The brain is also going blank.

Perhaps the best situation for her right now... Right away... Dead faint!
