

Pure Girl 611

Episode 611

Her eyes finally locked on the slide she had just slid down...

Can't be...

With a snake...

Appear?!

The voice grew nearer and nearer, and her little face grew paler and paler.

Just then...

I saw, the figure of royal proud day from the slide mouth, not wrong hit her body.....

Empty big eyes looked at the pressure on their own body royal proud day, without any reaction.

"Hello?F?F?!"Royal proud day patted her white face.

For an instant, yaoyao seemed to turn back to her soul, gasping hard, opening her mouth and making no sound, just looking at him stupidly.

YuAotian sees this, but shook his head, look at the appearance of this little thing you know must be scared away from the soul, may not be able to pee pants. Anyway, this time to wash her pants will not be him!

Slowly from her body to climb up, royal proud day to see the eyes of the bugs, then picked up a pinch: "false!" He swayed in front of her.

"Fake?!" The big, empty eyes brightened at last. She sat up and looked at the verisimilar insects on the ground.

It scared her to death.

At the moment when the sky had just fallen on her, she felt as if she had lost her will when she felt the disgusting insects in her back. She was not afraid to know that the bugs were fake.

Twinkling big eyes to sit opposite the royal proud day: "sister?"

"She's out waiting for us."

"Oh, let's go out too." Get up to leave, but found the royal proud day or sitting in place motionless, she did not understand the frown: "you don't go?"

"Ha...Mrs. Wind, if you can find an exit, just give me a shout."

Er..

.

Yeah, exit! It was a secret room, with no door, and the only opening was the slide they had fallen into. It was impossible to climb up there, was it?

"How are we going to get out?"

"Wait, who knows how your husband designed this chamber of secrets..." Yu Aotian's face expressionless rely on the wall.

Yaoyao saw this, also had to rely on the wall to sit opposite him. It doesn't matter, even if really can't go, Chen yi for a while will certainly come here to save their own!

Time bit by bit in the past, narrow space a little bit of the feeling of suffused with boredom.

She picked up her collar and fanned, her large eyes looking from side to side.

Royal proud day that deep bottomless eyes inadvertently on her eyes.

She looked so relaxed and calm as they looked at each other.

"Not afraid?"

"Bugs are fakes. I'm not afraid."

"I don't mean bugs." Yu Aotianto pick up a smile, get up, close to her...

Yaoyao looking at him with a poke face, full of questions.

Step, stopped in her side, royal proud day stick in her side slowly sat down.

Strange!After their separation, her eyes glowed with fear every time they were alone.

But this time, when they were alone in the chamber of secrets, she not only responded calmly, but he sat beside her without any emotion.

Royal proud day very want to know, this small thing is which tendon build wrong? Or are you completely scared out of your wits? Deep eyes son a turn, he sideways, evil smile way: "are you not afraid of me?"

"Ah? Well! After you 'kidnapped' Chenyi, I was not afraid to see you with your sister." "Yes, now she is not afraid to be alone with the Yu Aotian."

After that kidnapping incident, she basically in gradually put down the royal proud day of the grudge, it seems that can not say what reason, is that he will not how to their own.

"What does this have to do with miss Qi?"

"Of course! Yaoyao nodded her head positively, then looked at him with a smile. "after that, I can see your heart for miss Qi!"

To Yu Aotian, the more he listen to more confused, deep eyes inside the luster of doubt.

Seeing this, she continued, "you see, the human response is as real as it gets. Limbs are controlled by the brain and the brain by the heart. In that kind of critical moment, your subconscious saved the elder sister, visible, in fact, your heart is intended for the elder sister. Is that right?"

Look at yaoyao that confident look, royal proud heart hard smile, yes, indeed his limbs are dominated by the heart, so, the first reaction to pull...F! "Yes, you guessed it."

"Ha, so, you certainly don't have time to amuse other girls now."

"Who said that? Men are very halfhearted, don't you know that?" Royal proud day evil smile opened the mouth.

She stared ahead in silence, not responding to his question.

Because she knew...Royal proud day must not be a half-hearted man!

When gong xiaoman finished his story with his second girlfriend, yaoyao was sure that he was actually a man who was devoted to women.

Just to say, some "love" may be a little short, but, during that love, he will not be inserted into a new relationship. But... Similar to a * night * love what she is not sure.

"Mrs. Wind, look at your attitude, is not want to seek my revenge?"

Small face instant sink down, she quickly looked to the side of the royal proud day: "of course to revenge!"

"Huh? But now I see no sign in your face of seeking revenge on me."

"I this, learn from you with Chen yi body. You are not supposed to be friends or even competitors in business, but you have shown me a man's heart." Yaoyao smiled and paused. "though, I still hate what you did to me."

But really there is no need, as long as see you to shout dozen shout of kill, all the time hate a person is very tired actually, our battlefield... "Watery eyes across a harsh light: "should be in business!"

At this moment, yaoyao's reflection in the royal proud eye of the image as if a moment grew up a lot.

I didn't expect that this little thing would learn so quickly. Even the 'clear position' have understood...

"Talk, talk..." Yaoyao smirked at the side of the royal proud day: "how do you know your sister?"

Oh, the little thing would laugh at him if he said he'd met him on a blind date?" "It just went with the flow."

"Let nature take its course? What's..."

Afraid this 38 small thing can break casserole to ask after all, he hurriedly changed the topic: "you to miss qi still satisfied?"

"Huh?" "What's the problem?" "What do you mean?"

"You made me so many girlfriends, this time, I have to ask the advice of your ex-girlfriend, if you are satisfied, I will be relieved."

Looking at the evil smile hanging on the face of the royal proud day, her little face immediately fell down: "what do you mean, you always say I make your girlfriend, obviously...Yao..." "Well, even if to find any excuses are useless, really is her indirect royal proud day side of those women one by one." "You don't talk nonsense, I'm not your ex-girlfriend!"

.

Episode 612

"Can that still be my present girlfriend not?"

"You!" She anger drum of frown, thinking for a long time, puzzled to look at him: "I with you when the association?"

Ha, ha... Royal proud day helpless...

It seems that this little thing really did not understand their relationship from beginning to end. Alas... "When I said nothing. What do you think of miss qi?"

"In a pure sense, miss qi is the perfect wife type, beautiful but not pompous; Have a good life, but do not pursue material desire; Loving, approachable, intellectual, gentle. A perfect hundred!"

Yao yao's evaluation of qi xin er is also the evaluation of yu ao day to qi xin er.

He thought he read a lot of people, who is fake, who is real, can see at a glance, contact so long down, he did not see in qi xin's body a little soft, affectation. She was the most real woman he had ever seen. Of course... And this little thing!

"What about the Angle?"

"Not just the Angle..." Yao yao rolled her eyes and said, "miss qi's birth is a perfect match for yours. If you are together, you will definitely... You can accomplish your dream in three years!"

"Do you know what my dream is?"

"Of course I do. You want nothing more than to restore your home and take back with a bright hand what prime minister qilian lost!"

In a flash, the royal proud day that deep bottomless eyes across a ray of light, he did not expect, this little thing in unconsciously can so understand themselves?!

Yes, he wants to get back what he lost!

And, by fair means!

If he wanted Carrie to die, it would be easy, but...At the same time, he will also be a murder of the deputy prime minister, will only put his father, the qilian family lost everything, more smear.

But...

"This is my goal, not my dream."

"Er...What is your dream?"

"My dream..."With his deep eyes covered with a soft sheen, he gradually moved his head to yaoyao. "it's you..."

Soft smile, charming eyes, deep voice, as if people can not help but fall in.

Suddenly, her watery eyes expand, the peace of the heart 'plop, plop' accelerated beating.

He, he...

What does that mean?

Hunch told her, royal proud day this sentence, do not have deep meaning...

Is a harbinger of...That part, completely forgotten by her, between them...Yoke?!

They used to...What happened?!

The atmosphere in the chamber froze.

Bob...Just listen to 'splash' a sound, royal proud day suddenly zizizui bad smile...

Yaoyao's tight little face collapsed, and this guy...It's playing again.Scared the shit out of her!

"Royal proud day, to tell the truth, the elder sister with you before of those women compare, strong much, much."

"Including you?"

Slice! Yaoyao turned her white eyes and stared at the front, saying, "I have seen xu qing, mei yun and shang yun Yin. Xu qing I do not evaluate, from the advantages of the cloud lies in her temperament and appearance; The advantage of shang yun Yin lies in her character. And my sister, who combined the best of both of them, was the perfect woman."

"Huh?" Royal proud day of doubt to turn an eye, evil smile way: "that good. Since you think so highly of miss qi, I decided to try... After her."

Well.

..Did she hear anything wrong? Do you want to go after qi xin?

In memory, gong xiaoman said, the royal proud day only after his second girlfriend, it can be seen that he really quite like qi xin oh. "Congratulations, congratulations. Well, wait, isn't it?"

"What?"

"If you marry your sister, you are prime minister. Have I no more hope of revenge?!?"

He wanted to squeeze the little creature's face with such a lovely expression.

Are you just reacting now?

What's more, she wanted him to think of some way of revenge for her, and asked him to do it!
Helpless...

Bob...The chamber shook slightly.

Yaoyao subconsciously looked at the royal proud day: "do you feel it?"

"Well."He nodded calmly.

The next second, the room was spinning 360 degrees.

"Ah..."Yaoyao exclaimed.

Royal proud day double eye flash, subliminal embrace her in the bosom.

The room still seemed to be spinning.After about ten seconds, the revolving room calmed down.It's just that the scene has changed all around.It was as if they were in a glass vessel.The four walls became four sides of glass.

If there is no accident, this enclosed space should be a visual design, that is, the room they are in does not rotate, transform is the view outside the wall.

Royal proud of the world of consciousness raised his head, looking at the glass wall in front of him, all of a sudden, his deep bottomless pupil dilate...

See, a wall beyond.

..

Feng with xie zhiqing are embracing together in a fierce deep kiss each other.

The handsome expression becomes very gloomy instantly, a sharp light across the royal proud day double pupil.

"Well..."At this time, yaoyao recovered consciousness of the pain of the stuffy snort, patting her tight embrace of the royal proud day: "thank you, I have been all right."

At the moment, as long as the royal proud day to release the embrace, yaoyao must be able to see the picture outside the glass wall!

And, this glass wall should be frosted glass, wind Chen yi won't see the appearance inside the wall!

After hard grinding bad teeth, royal proud day as if did not hear the words of yaoyao general, around her hands more and more tight.....

"?!Royal pride?"Yaoyao's puzzled frown, slightly struggled twice: "put...To let go..."

"Don't move!

The roar fell, and she gave a sudden shudder: "happen...What's the matter?"He struggled uneasily.

Royal proud day complexion a grave, slowly hang down his head, staring at her full of doubts of the small face: "I told you not to move, do not understand?!"

To hear this not to be refused, to look at his dark, cold expression, even the light in his eyes was eagle sharp, so frightening and trembling.

This is the reaction when the royal proud day angry, but also in front of her showed the attitude of countless times, the man in her nightmare woke up again!

What happened? A sudden change in his temperament?!Or, what did she do to him?

In the confusion of yaoyao completely frightened by his aura, motionless stay there, completely unaware of the scene behind...

How ironic!

Feng Chenyi is so deeply feeling and Xie Zhiqing is kissing with passionate.

One wall, royal proud day cuddling her hands more and more tight, more and more tight, just like that, staring at the glass wall, deep kiss men and women!

Believe this moment, if there is no yao yao present, he will not be able to suppress the rushed out, kill the Feng Chenyi!.

Episode 613

Finally, outside the glass wall of the wind Chen yi and xie zhiqing stopped the passion of the kiss, two people lang feeling honey gradually disappeared in the royal proud day line of sight.....

He narrowed his eyes, slowly released the yaoyao in his arms, sat silent on the ground, immersed in deep meditation.

Yaoyao looks at him, full of questions.

However, she clearly know, this time of the royal proud day like a Wolf, as long as gather together to come forward, will be torn by him to pieces!

She had to curl up and sit opposite him, keeping silence honestly...

About 10 minutes later, the chamber of secrets cuts another scene and finally opens the door.

They walked out of the chamber and found themselves at the entrance to the haunted house.

"Mr. Yu, sister-in-law."

"Yaoyao." Standing at the exit waiting for them to come out, feng Chen yi and qi xin stepped forward quickly.

"Chenyi, sister." Yaoyao smiled and nodded to qi.

In order to show his gratitude, feng Chen yi walked slowly to the front of the royal proud day: "general royal, thank you for helping me to bring yaoyao out."

Yu Aotian staring at his face as if his eyes do not have any temperature, the line of sight gradually moved to his lips...

The Feng Chenyi lip obviously did not wipe the lipstick.

Oh, this call steal eat not wipe mouth?!

The big hand slowly clenched its fist. "it should.Chen yi, if you really want to thank me, go and buy me a bottle of water.I'm a little thirsty in the chamber of secrets."

"Just a moment."Feng Chenyi walked quickly to a vending machine, just out of the vending machine fell out of the mineral water.

The royal proud day that comes slowly will one paper towel violently choke into his hand: "the lipstick that dye on your mouth...Give me... Wipe it off!" The gloomy words fell and he left without looking back.

Wind Chenyi quietly leng in situ, a long time, the eyes of the deep and cold slowly look at the hands of the paper towel: "oh, really many things!"Cold wiped the mouth is still contaminated with traces...

They spent a little more time at the amusement park, but never again met yuaotian and qi xin.As for the sudden xie zhiqing out of the haunted house also left...

Driving home, yaoyao gazed thoughtfully at the road ahead.

Over and over in my mind what happened in the chamber of secrets.

She didn't say anything she shouldn't have said, and she had a good conversation with him before, but he seemed to change suddenly after a scene switch.

PSST...

Did he see...What is it?But you don't want to let yourself see?!So, just hold yourself, tell yourself not to move.

If so...What did royal proud day see at that time?

'the bell.

..The bell bell...The telephone rang suddenly.

Yaoyao subconsciously rummaged for his mobile phone, only to find that the wind Chenyi's mobile phone in the ring.

You know, the wind Chenyi bell has always been in the use of yaoyao to choose the song, but now...

She has a look of confusion, but, after all, it is only a mobile phone ringtone, with which is the same.

"Hello?"

"Yes, I see. You wait for me." Hang up the phone, the wind will put the phone in the middle of the car.

Yaoyao subconsciously looked at his phone, suddenly found.....

On the cell phone that had not been completely hung up, the call was addressed as...The wife?!

'clunk' heart, heavy sink down.

The wife?!

The client of the company cannot call note is a wife?

Family, besides her, also can't be a wife?

Clerk, more impossible note for wife?!

But... If the Feng Chenyi really betray their words, how can so blatantly put the lover's name note into the wife?!

A prank!

It must be a prank!

"Yaoyao, I have something to deal with, so I won't take you back. Take your own taxi."

"Oh?" When she came to her senses, she nodded quickly. "ok, that's all right. Go ahead and do your work."

"Well..." Feng Chenyi parked his car downtown and then left.

Yaoyao didn't intercept the taxi to go home, but walked slowly up the road...

It was getting dark and the temperature was getting lower. She shivered and tightened her clothes, staring blankly at the road ahead, stunned.

Should go to suspect Chenyi?

Like, no.

Because it's kind of obvious, right?She thought no man would dare to behave like that.

But...

Recently, the change of Chen yi also seems to be some obvious.

Buy a car, buy a house, the perfume smell on the body, indifferent, alienate her, after all does the wind
Chen yi want how?What is he brewing?Or all this...Are you too sensitive?!

Contradiction!True contradictions.

'bell, lingling...'

The shrill ringtone came, she looked at the caller id: "man?What's the matter?"

"Blare... F..."

Hearing the cry on the phone, yaoyao stopped walking quickly. "xiao man, don't cry. What happened?"

"I doubt...I suspect that the cold war seems...Like...There's another woman!"

Won't you?!

Even from the cold war so never romantic men will be derailed?!

Oh, my god. Do you still believe in love?

But, oh...She and gong xiaoman are really friends in need!

She meets the problem of affection, small man also met;She was pregnant with other men's children, small man to marry the man does not love;Her feelings finally stable, small man also stable;She suspects her husband to be unfaithful, small man also suspects cold to leave war to be unfaithful. O.

..

Is god deliberately torturing people?

"Small man, you don't cry first, calm down, say slowly, why do you suspect cold always have other woman?"

"He's been getting calls from women for two days, two days. I peeked over the phone that day and saw that the phone Numbers were all the same woman. Besides, he's been wearing a strong perfume lately. It's not cheating. What is it?"

Sweat... Is that cheating? She thought gong xiaoman had got some solid evidence.

Look last time, the girl friend of long ye elder brother puzzling dozen oneself, true not white dozen. Because of that period of time, oneself also for a long time with long ye elder brother kept close contact.

"Xiao man, you know what Mr. Han's job is. He has his own social circle. He must also have female friends and clients. Above all... He's always having dinner parties. He's bound to smell perfume. Are you a little too sensitive?"

"It's okay. After all is I too sensitive suspicious, or he cold from war really did sorry my thing, I immediately can verify out!"

"Huh? What do you mean... The little man?"

"I overheard him talking to someone on the phone today. He seems to be going to the golden city clubhouse. I'm outside this club right now. But... The security at the club wouldn't let me in. Can you help me, yaoyao?"

Yaoyao thought for a moment and nodded quickly. "ok, wait for me!" Hang up the phone, stopped a taxi, she went straight to the golden city club....

Episode 614

However, even if yaoyao went to also useless, she went there, is more suspected to be a minor, dead or alive not to call in.

Being helpless, Yaoyao showed his lawyer's identity, say to look up some things, they put yaoyao with gong xiaoman in.

In the register of the roster shows that cold war really opened a VIP room here.

"Small man, you know, the privacy of the club must be very strong, even if we know where the total cold, also useless."

"Why not?"

Looking at gong xiaoman's confident look, yaoyao frowned in bewilder: "what do you want to do?"

"Oh, just push the door and come in!"

"Oh?" Yaoyao is dumbstruck. Is that good? But see Gong Xiaoman that pair not to Yellow River heart deathless appearance, she can only give her life to accompany the gentleman.

Being found the cold war opened the VIP box, Gong Xiaoman's face a sink, a pushed open the door of the box...

Inside the room, smoke filled the air, inside sit four, five men, and the edge of the sofa sat cold war with... A beautiful woman.

The hand of that beautiful woman still holds the arm that cold leaves war!

Oh, she knew it! I knew it would be. Gong Xiaoman smiled.

When the cold from war to see Gong Xiaoman that moment, the cold eyes flash, but also not wait for his opening...

One of them, a middle-aged man in his thirties, was the first to say, "who are you?"

Yaoyao nervously pressed her lips: "what should I do? The little man." Asked in a low voice. This kind of time, the most embarrassing, always impossible in front of so many people to ask the relationship between the cold and the girl?

Gong xiaoman's phoenix eyes narrowed, charming smile: "we elder sisters, is to accompany the boss to drink."

Ah? Yaoyao mouth slightly open, really admire the small man's reaction, but... She's a little too bold, isn't she?

Stole eyes in the corner of the cold war, his cold face seems to be more gloomy...

Sitting on the sofa of a few men a head of fog of look at each other: "you call young lady."

"No, no."

"And they..."

"Never mind. It just so happens that we guys are boring." One of the men waved to Gong Xiaoman and Yaoyao, "come here, come here."

"Miss law." Gong xiaoman looked at yaoyao without expression. "you go with that gentleman over there.

"She pointed to the direction of the cold war.

This move is obviously to protect yaoyao.

"And you?"

"Me?O...With other bosses, of course." Say, gong xiaoman twist, twist of sit in the middle of each boss.

Yaoyao gawk at gong xiaoman, a face of anxiety, what do you want to do? Isn't this an escalation?

Tiptoed to sit on the side of the cold war: "oh, cold...Always."

From the Lengzhan's cold glance at her, that cold moufeng immediately cast to be surrounded by men gong xiaoman...

"You go, leave the war does not need you accompany wine!" At this time, sitting in the cold war from the side of the beautiful woman without any ceremony to yaoyao opened the mouth.

Question, who is this woman?Manny didn't tell her to go. Why would this woman tell her to go?!Yaoyao frowned slightly, as if she had not heard the woman, and continued to sit there.

"Well, talking to you, didn't you hear?!"The woman let out a growl that caught everyone's eye.

Not far away gong xiaoman picked up a smile, is anxious to find the stubble to fight it: "who are you talking to?"

"I'm talking to her!What's it to you?"The woman continued to look at yaoyao. "get out, okay? Otherwise, I'll make you eat your head off!"

Gong xiaoman borrows a power, rise to blunt come over: "feed, young lady, the man beside you did not call her to go, you with what qualification call her to go?"

"I take his girlfriend's qualification, may?"

Phoenix eyes staring at the cold from shame that face without expression, she slowly shook a fist: "you... Sure.

.. Are you the man's girlfriend?"

"Why? Will you tube? Cheap hostesses! Believe it or not, I can call up your boss right now."

The boss? As it happens, Gong Xiaoman hasn't really seen his boss. "You call to see."

The woman did not hesitate to take out the mobile phone, not for a moment a man with several men into the box. "Cold always. Evening, miss. Bosses, what happened?"

Can see, this man from the cold war is very respectful.

"Please, get rid of these two hostesses!" The woman's hands embrace in front of the body, cold proud roll up a white eyes.

The man for the first time looked to the cold from war: "Cold total?" As if waiting for his orders.

Unfortunately, cold war is still a cold face, do not speak, no expression.

In desperation, the man had to go to Gong Xiaoman and Yaoyao in front of the man, how to see, think the two hostesses some face, however, he is the boss here, very few will be responsible for the management of hostesses, it seems that face is not strange.

"You two have been..."In the middle of the sentence, the man's eyes flashed with a flash of amazement:
"Mrs. Wind!Are you Mrs. Wind?Why, Mrs. Wind, are you here?"

After looking at the other bosses, they all got up and looked at yaoyao. "is that Mrs. Wind?No wonder I feel so familiar."

"What's the purpose of her coming here so mysteriously?"Not long ago, yaoyao exposure rate is very high, so almost many people in the industry can recognize her at a glance!

Yaoyao rose from her position and smiled graciously. "hello."

"Mrs.

Feng, Mr. Feng is in our clubhouse now. Are you accompanying him?"

Er...

Chen yi is also in this club?What a coincidence."Oh, no.I'm here with friends."

"I see.Ha ha."

Sitting on the side, a face high spirit of the woman some dumbfounded, lost to see the boss of the eye club: "what wind wife?Isn't she the hostess?"

"Miss xi, don't say that.This young lady is the President of the wind group and the wife of the general manager."

"Oh?"The woman this listen to, immediately dumbfounded: "you are wind general wife?"

Yaoyao nodded silently.

The woman immediately changed her tune. "I'm sorry, but I thought you...Ha, ha."

Yaoyao ignores the woman and looks at gong xiaoman.

Gong xiaoman immediately handed her a look.

She knowingly looked at the other people in the box: "now, I have something to talk about with cold alone, I wonder if you can...".

Episode 615

"Well, when I came in, I could see that piece of shit clearly in your hand.You've been in touch with her these days, haven't you?Don't you dare say you have nothing to do with her?!"

Listen to gong xiaoman that strong tone, cold from war cold narrow eyes: "if I have what with her, will not look at you to hit her, regardless; If I had anything to do with her, I wouldn't have seen her try to intercept you!"

"Can I be happy?!" Leng Zhan has been silent just now, because the lungs were quickly fried. "Girl, you really want to piss me off, just happy you!"

"Poof". She turned the body, naughty ride on the body of the cold war, small hands tease the light touch his handsome face, ambiguous way: "I can understand for, your speech, is jealous?"

Cold from war heavy took a breath and slowly spit out, then that cold face finally had a smile: "is in jealous, how to do?"

Originally, this cold uncle will also be jealous? Still think, she forever can only be jealous for him?

Heart secretly a smile, Gong Xiaoman kissed the cold war, slightly awkward.

Leng Zhan seems to feel her efforts, become passive to active, warm response to her kiss.

A long time, the big box was lit by the ambiguous atmosphere.

The man's breathing gradually accelerated...

Gong xiaoman immediately felt a burst of electric current across.

Gradually, it seems not willing to just men initiative, gong xiaoman initiative.

Suddenly, the man seemed to get some kind of encouragement, cold moufeng was covered by a flame...

Cold from war kiss, all the way down...

"No! A word fell, all the ambiguous end. Leng from the war to calm the anxious breath, quickly put on the clothes for gong xiaoman.

She looks at the man in front of her, can't? What does that mean?

After their official relationship, they lived together occasionally, but only kissed.

This was the first time they had done so, and she felt the cold desire to leave the war, but...

Why did he suddenly stop.

Although gong xiaoman's heart is full of doubts, but she is still a girl, always can't directly open his mouth and ask 'why not'??

He had to keep his doubts in check and pretend to have nothing to do. "let's go," he said. Yaoyao is waiting for us outside."

"Well." They walked quickly out of the box....

Episode 616

Outside the box.

Yaoyao stood against the wall with a faint smile on her face.

Oh, she knew the cold total that kind of character of the man is not to go out with flowers.

Above all...

'where am I worse than her?'

'you're worse than her anywhere!'

Recalling the dialogue between the cold war and the woman, yaoyao really feel happy for gong xiaoman.

It is said that beauty lies in the eye of the beholder, thus it can be seen that at this moment, the most beautiful and excellent woman in front of the cold total should be small man?

"Chenyi, here very boring oh, we change a place to play, ok?"

There was a familiar sound in my ear.

Xie Zhiqing's voice?

Looking around for the source of the sound. See, corridor end, the figure of a pair of men and women quickly disappeared in her line of sight.

It's Chenyi with...Xie Zhiqing?

Not sure. When she saw the figures, they had turned away.

"Mrs. Wind, Mr. Wind is in our clubhouse now. Are you accompanying him?"

Should be Chenyi, should be yes!

He took Xie Zhiqing here to see the customer? Or, just he with xie zhiqing two people?!

Quick steps to catch up...

"F..."At this time, gong xiaoman with cold war just came out of the box.

Before the footsteps are still, yaoyao looked at the end of the corridor, and looked at gong xiaoman, forget it...It may not be Chen yi with xie zhiqing."Are you all right?"

"Well, it's all right.Come on, yaoyao, let's take you back."

"It's okay, it's okay, I'll just go back."

"How is that possible? Big night I call you out, you a person go back in some matter, Chen yi still don't kill me?!"

"You know you've gone too far?" One side of the cold war cold opened the mouth.

Gong xiaoman fierce and mercilessly anger stare at him one eye: "this return not all be you harm of!"

Oh, yes, I did! I'm hurt..."Cold from war helpless smile: "you two in the door of the club for me, I go to get the car."

"Well." Gong xiaoman took yaoyao's hand and came to the door of the club.

To tell you the truth, xiao man always belongs to a more aggressive personality, sometimes yaoyao really feel.....Cold from war very poor, only afraid he will suffer a lot of small man gas?

However, yaoyao can also see that the cold war is happy.

Unexpectedly, she first see, that cold cold such as this, the man on the high, today will become a pair with her unruly friends, it is too incredible.

"Hello, yaoyao! F! Look, look, is that your family style?" Standing in front of the clubhouse, Gong xiaoman points anxiously to a mini cooper that leaves the club's underground parking lot.

That car certainly didn't belong to Chen yi, but the man in the passenger seat...And the woman in the driver's seat...Wind Chen yi with... Xie Zhiqing...

That is to say, just now, she heard in the corridor that voice is really xie zhiqing?

So the two people you see are the two of them?

Small hands slightly clenched a fist, yaoyao silent for a long time, pretending to be embarrassed said: "I, I did not see clearly."

"Not quite?! Oh, no, it's so close, you can't even see it?I just saw the woman driving the car kiss the man in the passenger seat."Gong xiaoman brows dead wring in together, the two hands that the gas does not dozen a place to embrace in front of the body: "damn of, should not hui feng Chenyi that guy again repeat a past mistake?Damn, all say dog can't change to eat excrement, is it true?No way!Yaoyao, to make sure, please call feng Chen yi and ask him where he is!"

Ha ha...

Look at gong xiaoman that pair of angry look, yaoyao heart bitter smile...

My silly friend, if a man does cheat;Really outside looking for a woman, you even if call him to check and what's the point?

When the time comes, he can also say that he is busy, he is in social intercourse. It's impossible to just say, he's playing with women, right?

So, even if really call to ask where the wind Chenyi, he said a place, they can not really verify, and what's the point? Perhaps, still can be that man pour down a harrow, have no head to have no face of scold, say oneself narrow-minded, nerve is sensitive.

Unless...

In one day, she like 2 years ago, really caught the wind Chenyi a current, is useful. Because, with the character like the wind Chenyi really caught, is absolutely not denied!

"Don't ask. You must be wrong, man."

"No, I believe I am absolutely right. But."

..PSST...Not prepared...After all, I only saw one profile. I hope I was wrong. If it is really the wind Chenyi, that he is also too bastard!"

"Ha ha..."

Not for a while, cold war from the underground garage to take the car, yaoyao back to the wind house.

She took a bath, changed her pajamas, walked slowly to the huge terrace, staring at the night sky in the stars...

Since Chenyi appeared in the club, then it is possible that he is there to see customers.

However, if he saw the two figures and gong xiaoman saw the two figures are the same person, then...

Prove, now the time period, the wind with xie zhiqing should be alone together!

Customer should see also see, things should talk about also finish talking about? So Chenyi...

Are you coming home tonight?!

'knock knock knock'

Hearing the knock, yaoyao hurried back to her bedroom and opened the door.

"Is Chen yi back?Inflammatory dragon has something to find him, has been unable to contact, you call Chenyi to return a call to him."

"Father-in-law, Chenyi was with me, but he suddenly had something to do, so far has not come back."

"Huh?Then you call phryong back and tell him.I'll take a rest."

"Oh."

..All right.Good night, father-in-law."

"Good night."

After closing the door, yaoyao sat on the sofa in the bedroom, picked up the landline in the bedroom, and played to the black dragon...

"Hey, Chen yi, you..."

"Black always.I'm luo yaoyao."

With yaoyao's opening, the black dragon on the other side of the phone suddenly fell into silence...

She don't understand of frown bottom eyebrow: "feed?Black always?Black always?"

"Huh? Oh, Mrs. Wind, what is the matter?"

"Oh, be so of, I just hear father-in-law say, you occupy seek Chen yi, Chen yi is not at home now, father-in-law ask me to return a call to you, tell you 1."

"It's Saturday... Up to now... He's not back yet...?"It was already past eleven o'clock in the evening. With his understanding of the wind Chen yi, although the wind Chen yi is not a 'clean' Lord, but to Saturday, Sunday he will be more reasonable arrangement of their time.

.

Episode 617

"Well. Not yet."

"Yao... Mrs. Wind, let's do that first."With that, the black dragon quickly hung up the phone.

Yaoyao put the phone back without expression.

Well, I have to say, the reaction of the black dragon...Is really particularly honest, it seems, even he is some incredible Chen yi weekend, so late still do not go home.

All right...It doesn't matter...

"Chen yi, I believe in you. Up to now, I still believe in you. But...Just for tonight! If you don't come back all night, I will use my way to prove that my trust in you is...Right! Or...Wrong!" Quietly, she quietly sat on the sofa, looking at the wall clock...

'la la la...Product...The brightly lit villa was very lively.

All dressed in strange clothes are ouyang zixuan home party.

"You! Today, wild party time, it's officially on! Everybody.

..Get ready for this sleepless night!" As ouyang zixuan's words fell, the men and women in the living room rang out a cheer, we simply play.

"Zhi qing, here interesting yao?" Sitting on the sofa of the wind Chen yi smile to see the side of xie zhiqing.

She excitedly nodded: "husband, son xuan good fierce ah, he often will hold this kind of party?"

"Oh, about twice a week."

In the circle of rich home children, ouyang zixuan is famous 'bureau king', he often can make a party, carnival, this villa is his 'promiscuous' base area, a lot of rich home daughter gold, rich home young master is the regular guest inside his party.

"Ha, I didn't expect you two to join us tonight. If I had known, I would have made the party a little bigger." Ouyang zixuan excitedly crowded to the side of the wind Chen yi.

His face was painted with colorful oil, and the clothes he was wearing were native clothes, which were very characteristic.

"A party for two dozen people isn't big enough? Do you house more people?" Feng Chen yi's tone is slightly ironic.

"It won't fit in here, so we'll have an outdoor party. My old man gave me all this land to play on anyway. Privacy is great!" Roughly a calculation, a few kilometers around the villa is basically belong to the ouyang family's land. How he played, are not afraid of the media and paparazzi exposure.

"The wind. It's rare to see you at a party like this." At this time, a man dressed in superman costume came to the front of the wind Chen yi.

He smiled politely: "the company is busy."

"Ha, people in the circle also say that because you are married, so quit the 'arena'. Relationships are part of the company." For this kind of party, actually before the wind Chen yi is also a regular guest, although not like ouyang zixuan that crazy, but also is rich 2 generation circle inside the more famous figure.

That man's eye pupil turns, glanced at the woman beside the wind Chenyi: "the wind is little, is this?"

"My assistant."

"Assistant? The man was stunned.

Sitting on the side of the ouyang zixuan bad bad squeezed eyebrows: "understand? 'assistant!'"

The side of xie zhiqing see this, quickly shy chuang ouyang zixuan's arm. "Zi xuan, you really hate!

The man seemed to understand in an instant what: "ah, understand, understand!" Quickly waved to his friends: "quick, quick! Come with me!"

Then five or six more men and women came up to them.

The man hooked one of the women's neck: "you said at that time, the wind less marriage, this time many women have to give up. And I said.

..We can't really get to the grave, can we?See, we wind less still do not change the true color of wind
ah.Here, a toast to the return of the wind!"

Suddenly, the atmosphere in the villa set off a new climax.This shows, before the wind Chenyi in the
circle how famous.To be clear, there were at least two or three rich girls at the party, all of whom had a
special relationship with him!

This party has been going on for almost half an hour. Feng Chenyi was sitting on the sofa, but it is Xie
Zhiqing and everyone's enthusiasm into a, play not as happy.

After three rounds of wine, many people have entered a state of intoxication.The lamplight inside the
hall also adjusted to become ambiguous color gradually.

Drink dizzy xie zhiqing staggered to the front of the wind Chen yi, directly straddle on his body:
"husband, why don't you play with us?They say, you used to be so good."

"Just have fun."Feng Chen yi smiled.Since two years with yao yao in the meeting, he has been gradually
out of this luxury life circle.

Xie zhi fine not happy pout mouth, small hands gently touched the fold between his eyebrows: "but, if
you are not happy, I will not be happy."

"I'm happy."

"Well, that's a lie." Xie Zhiqing is not happy to turn the head to one side.

Looking at her small face, the Feng Chenyi obsession smiled, from the hand, pinched her small nose:
"see you that small son gas."

Xie Zhiqing see this, 'ang' bite on the back of his hand holding his nose.

"Dare you bite me?!"

"So what? I'm going to bite you in the mouth..." Say, Xie Zhiqing bit his lips.

Wind Chen yi helpless smile, arms around her waist. They kissed each other affectionately.

Look at the other men and women in the villa, are also so, some more exaggerated directly in the hall
"do" up..

.

I do not know how long after, the door of the villa was pushed open from the outside.

The black eye glanced at the men and women standing in the doorway, stroking each other. He folded his eyes and frowned in disgust.

Just walked two steps, the corridor side, two women and a man three people have entangled together.

He shook his fist slightly and quickened his pace.

That's why the sauropods never want to be on such occasions. In the circle of a part rich second generation, party, it is a cross meeting. Are some because of excessive money, and very lonely, do not want to be responsible for men and women, comfort each other a platform.

"Well... Black always! Am I right?" At this time, a drink fan drunk woman intercept in front of the black dragon.

He knew this woman, the daughter of an enterprise in xiangyang. In front of people is very dignified, did not expect to attend such a party in private!

The black dragon nodded coldly to the woman.

"Black total, true rare. Would you like to have a drink with me?" The woman put one hand on the heirloom's shoulder and the other hand's goblet slowly reached his mouth.

The black fire dragon face expressionless glance at the woman, the hand, the strong took the woman's hand from his body, quickly disappeared in the woman's eyes.

Looking around the gloomy hall, the men and women were stacked together, and it was hard to see who was facing whom.

The black dragon simply ran to the second floor and pushed open the master bedroom door...

On the big bed of the bedroom, ouyang zixuan, a whole body is naked woman....

Episode 618

The dragon strode to the bed. "Zixuan."

The pupil of ouyang zixuan dilates, jerked open the woman that is kissing with oneself: "inflammation dragon?I can't dream, can I?What are you doing here?"The corner of the mouth lifts a smirk: "want to join?"

The woman did not have any avoid astringent turn a head to smile of look toward black fire dragon.

He put one hand into his pocket and made a sneer. "next time.I'm looking for Chen yi."

"How do you know Chen yi is here in me?"

Ah, he should go to a few places to go, not see ouyang zixuan, also do not see the Feng Chenyi, think today is a 'party' day, then come over!"Guess.Which room is Chen yi in?"

"Next door."

"Ok, you go on."The sauroposaurus turned away, expressionless.

Ouyang zixuan continued to tangle with women...

When he got to the next room, he didn't even knock on the door, but pushed it open...

In the bed, the wind with Xie Zhiqing is intertwined lingering together, working hard, did not see the slow walk into the black dragon.

Or Xie Zhiqing first time found him, white face a tight: "oh..."She gasped nervously and quickly picked up the quilt beside her hand to cover herself.

See her this nervous touch, the wind Chen yi secluded cold pupil a sink, slowly side over the head:
"inflammation dragon?" Without any nervousness, without any avoidance, he withdrew slowly, picked up a bathrobe and put it over himself. "what happened?"

"Chenyi, I met some trouble here, I need your help."

"What trouble?" A tense expression appeared on the face of feng Chen yi.

Black fire dragon embarrassed sigh tone: "I wait for you downstairs. Let's talk more."

"Ok."

See off the black dragon, Feng Chenyi quickly changed clothes.

"Husband, black total also is true of, come in so also don't knock the door?" Xie Zhiqing slightly dissatisfied with the complaints.

Feng Chenyi don't mind of smile bottom: "Used to just."

Their relationship, it can be said, grew up together in open pants. In addition, the black dragon has long been accustomed to, as time passes, it will not avoid what.

But the three men could still tell which to avoid and which not.

At the very least, if the room is yao yao with feng Chen yi or ouyang zixuan with his future wife, no matter who they are, will knock on the door first. As for the other women... You can totally ignore it!

"Husband, when will you come back?" Xie zhiqing acts like a pettish hooked the Feng Chenyi neck.

"I don't know what happened to phrynychus. If it's not serious, I'll come back."

"What if it's serious?"

"Go home by yourself."

"Blare... No, you're coming back anyway. I'll wait for you here!" Xie Zhiqing drum mouth, staring at the Feng Chenyi.

See her that pair of small appearance, the Feng Chenyi helplessly shook his head: "really take you have no way. I see." With these words he hurried out of the house.

Black dragon personally drive over, the car is parked in the villa door, see the Feng Chenyi out, he waved.

"What's going on, phrynychus?" Open the door, the Feng Chenyi quickly sat in the passenger seat.

See this, the black eyes of the black dragon sank, without any warning started the car.

The speeding car shot off like an arrow.

Feng Chenyi frowned slightly under the eyebrow: "inflammatory dragon? Inflammation of the dragon! Where are you going?"

"Take you home!The four words fell cold, and the dragon stared blankly ahead.

Feng Chenyi suddenly saw through the black dragon's mind."Fire dragon, stop!

Silence.

The speeding sports car was speeding down the highway.

Feng Chenyi's handsome face more gloomy: "yan long!Stop the car!"

"Listen, Feng Chen yi..." "If you don't come home tonight, from now on... We are no longer friends!"

Suddenly, the wind Chen yi's brows tightly knit together, big hand also slightly clenched into a fist.

But the next second...

"Call..." He let out a long breath, leaned back in his seat, said nothing more, and did not ask the black dragon to stop...

In a short while, the car arrived at the wind house.

Feng Chenyi silently walked down the car, standing beside the car looking at the face of the black dragon.

His hands on the steering wheel grew more restrained, and his face darkened. "I know I have no business with you. But if you're still a man, stop torturing your wife. Divorce... At least she can find a man who loves her when she is so young."

Not as a last resort, the dragon really didn't want to say that. But now this situation, it is clear that the wind Chen yi will not leave xie zhiqing, so, it is better to give yaoyao a happy ending, at least, she does not have to look forward to a night has changed the heart of the man home...

"Do you think so?" Feng Chenyi one hand into the pocket, light smile, then, whispered: "in fact, I also.

.. Think so..."He turned and went back to the villa.

Standing at the door of the room, Feng Chenyi took a deep breath and opened the door of the bedroom.

On the sofa, yaoyao has fallen asleep quietly. Like a little cat, it looks like it needs to be loved and cared for.

What a pity! I fell asleep on the sofa.

Feng Chenyi squatted beside her, doting at her sleep face, the next second... Between his dark and cold eyes, but gradually forced on a layer of water mist...

"Wife, I'm sorry..."He gently picked up her tiny body and went back to bed, holding her tightly and closing his eyes.

At this moment, yaoyao slowly opened her eyes...

The big eyes with watery eyes glanced at the man holding him tightly, Chenyi, why are you... Say with me...I'm sorry?I'm sorry...What does it stand for?!

Ouyang Zixuan's villa.

Dark room, xie zhi qing ang face lying on the bed, the light little face without any trace, look some strange and gloomy.

At this moment...

'pyrazole pyrazole...A text message came from the cell phone.

She opened it and glanced at it...

'no, not coming back!'

"Ha...I knew you'd never come back." Close the mobile phone, she cold of narrow narrow eyes: "black fire dragon, you still won't give up is?That is all right...You'll have to go first!"Gloomy words down, a touch of subtle smile straight across the mouth of xie zhiqing...

On Monday morning, the busy work began.

Because of the meeting of the chamber of commerce alliance in Japan, yaoyao has not handled the documents for more than ten days.

Now the papers had piled up and she felt a headache."Stuffy....."Rubbing his temples in pain.

Think about it. The federation of Chambers of commerce is over..

Episode 619

I wonder where bosson's plans are headed this year.

A watery eyes to turn, she quickly opened a computer desktop hacking software...

Bosson group.

"Proud day, my computer alarm!" Lengzhan opened the Rong Yaotian office door, face hanging both helpless and some angry expression.For the computer three, five from time to time will alarm this kind of thing, now he more or less some habits!

"Don't worry, don't worry, leave the war, leave it to me, leave it to me..."Royal proud day quickly revealed a soothing smile.

Cold from war shook a fist, heavy took a breath: "proud day, trouble you tell her, don't old to my computer to steal things, otherwise I don't welcome her!"Then he turned and left...

The wind group.

Yaoyao is no longer once, twice broke into the encryption computer of bosen group, this is almost a routine for her, basically she knows more about the wind, but also know the dynamics of bosen.

"Hem and hem..."Humming a song, waiting for the page to refresh, tut...What will berson focus on this year?

At this point, a dialog box pops up in the lower right corner.

Her little face fell and she knew who it was without asking.

Open the dialog...

Mrs. Wind, have you come to visit us again for free?'

'well...'she replied rudely.

It doesn't matter if Mrs. Wind comes. However, if you want to break into my computer, do not break away from the dead computer. You which day to really leave war to provoke, he sent a killer group to assassinate you, I am not responsible.'

Er...

Yes, Mr. Han's personality... So cold, and control the dragon association killer group leader this important position, if he wants to kill himself is not minutes of things?

'What's your IP then?' "Yaoyao this time also" you are welcome ", directly asked the royal proud day computer address.

After a while, he sent the IP of his computer.

She this look, hum, know royal proud day to their own computer set up the invisible IP, no wonder how she can not check it.

Page switch, carefully browsing the royal proud day of the computer desktop, only a few necessary folders, and some essential software just, is very clean.

'Is this really your IP address? Why is there nothing on the desk?'

'you have to look inside. Does your husband put all the important papers on the desk?'

That's also...

Yaoyao opened a hard disk at random, the inside is empty, open another, still empty. Open the last one and it's full of files.

Bosson's New Year schedule.

Where? Where?

Ah, here it is!

Yaoyao smiled happily and immediately dragged the file into her computer. 'I've got it covered, bye. Without waiting for a reply, she closed the dialog box.

One hand holding the chin, the other hand moving the mouse 'da, da' two, will just drag over the file to open...

But the computer screen went black.

The next moment...

"Oh...PSST..."The whole screen, covered by the fragrance of the screen, that harsh voice filled the entire office.

Yaoyao opened her mouth and stared at the picture on the computer.

Oh, my god...

She swallowed nervously, pressing the mouse quickly, eager to turn off the damn picture.

But no matter how hard you try, you can't shut it down."Royal pride!You son of a bitch!"The little fist pounded against the desk.

'knock knock knock'

At this time, good deathless came the knock on the door, yaoyao little face red, had to quickly pull out the computer power.Sit up straight, pretending to be calm. "come in."

The door of the office is opened, a female clerk jing again urgent of say: "law director, bad, the computer of our office seems to have poison."

Ah?

Yaoyao quickly followed the clerk out. At a glance, every computer in the office lobby was playing the sexy video she had just seen.

O...Ha ha ha...

Empty eyes staring at a place, she hate hate bite lower lip, clenched a fist, royal proud day... You are malicious!

This time, feng's computer was not only affected by the law department, almost half of feng's computers were infected by the virus.

IT took almost a morning for all the elites in the IT department to scramble out and restore all the departments' systems.

Yaoyao sat in her office with a sullen smile.

This is the end. If the IT department wants to check, IT can definitely find the source of the virus from their own computer. What can we do about it?

Her eyes lie on the table without the spirit, she even has the heart of death now.

'knock knock knock'

Hearing the knock on the door, she got up from the table feebly. "come in."

The door of the office opened, the wind Chen yi face with a smile came in, pull out the chair sat on the opposite of her: "next time, this kind of thing go home to do, don't do in the office, not good."

Er...

"What do you mean?"Yaoyao stared blankly.

Feng Chen yi helplessly will a report still to her desk: "the IT department has found the source of the computer virus."

She knew it would be...

Oooo...

"So, what you're saying is, you think I'm watching that kind of video in the office?"

Look at her that pair of desire to cry without tears of appearance, the wind Chen yi secretly of a smile, pretend to make silly way: "have no yao?"

"Do you think there might be?! I don't even watch it at home. Come to the office? Am I crazy?" Depressed! This time royal proud innocent is to give her to whole miserable, if who of IT department mouth not strict, how does she later mix in the wind?

The wife of the President of wind company peeks A* piece in working hours, cause computer of half company is paralyzed.

More than a disgrace.

"Splash" wind Chen yi may be some really suppress not to live, suddenly laughed up.

"Are you still laughing? How am I going to work in the company?"

"Fool, I am teasing you." No one in the IT department traced the source of the computer virus, so they reported how IT had spread."

"Oh?" Yaoyao leng leng winked big eyes: "that how do you know is spread by my computer?"

"Ah, so highly skilled virus, it is estimated that the royal master to produce; Then the low-end of the trap, I guess you can fall into it..." Say that finish, the wind Chen yi endure smile, one hand put in the pocket went out of her office.

Before she left, yaoyao could clearly hear him gurgling.

Hum, the wind Chen yi is not a good thing, royal proud day to finish her, this guy also down a well!? It's not human!

Gnash teeth to open the computer, this breath, she is anyway swallow not go down.

Not wait for yao yao to break into the royal proud day of the computer, royal proud day instead launched the offensive...

'Mrs. Wind, is the video good?'

Your younger sister!

Ignoring the contents of the dialog box, she quickly entered the royal proud day computer IP...

Oh, have to say, royal proud innocence is to see people too thoroughly, she has not told his purpose, he has guessed that he wants to take their bosen's New Year plan, so the plan ahead of the virus, is that right?

.

Episode 620

So...

With royal proud day that kind of sly character, that plan must be in his computer, just changed the name of it.

'still, Mrs. Wind?I have a lot of that kind of video on my computer. After a while, maybe you take away another one.'royal proud day sent a very provocative text.

Yaoyao sharpened her teeth and said, "general yu, don't worry. This time, I won't fall into your trap.'

"That... I wish you success, Mrs. Wind.'

'thank you very much!'

Scanning the royal proud day computer file, she is very careful and serious. Row after row of eyes swept down.

In the end...

In the bottom corner of the screen, a folder caught her attention.

The name of the folder for my future wife says so.

"Take...Or not?" Staring at that folder, the sixth sense told her that this is an extremely difficult choice of choice, certainly is the royal proud day set a trap.

Just then...

"Mrs. Wind, may I remind you that you can take as many folders as you want from my computer as you like, but you can't move the one I gave to my future wife. That's what I'm giving my future wife!"

Looking at the royal proud day sent over a few words, she hated to bite the lip corner.

This asshole man, is really too cunning, almost all the time can set a torture heart or mental torture trap.

Now she was sure it must be bosson's plan for the New Year.Can be...

"Call..."After a long breath, she slowly closed her eyes and finally dragged the document to her computer.

Open your eyes, double click, and open the folder.

The contents...It was the plan for the New Year that yaoyao wanted.

At this moment...

She in front of the computer screen, the small face vaguely a trace of red, frown tightly knit into a group, both pain and helpless twittering way: "royal proud day, what do you want to do?!"

And the computer on the other side of the royal proud day.....Smiled at the computer screen and shut it down...

All afternoon yaoyao scanned bosen's plans for the New Year.Their general direction of development is mainly real estate, more novel is that they intend to break into the casino business in Macao.

"Alas, it seems that this year the wind's real estate department some busy....."

"After closing the proposal, yaoyao went to the secretary's office with several photocopies..."

Secretary room.

Xie zhiqing wearing a suit jacket, is lying on the table to rest.

"Zhi qing, are you uncomfortable?" A male secretary concerned came to her side and asked.

"Well, it's a bit cold."

Hearing this, the male secretary quickly touched her forehead: "no fever. I'll get you some hot water."

"Thank you..."

"Hum, SAO fox begins to seduce a person again." Not far away looking at this scene a few female colleagues disdain rolled up the white eye.

"Can't help it, lean on that kind of face, it is very easy to attract men's sympathy."

"Hey, don't you think that suit over her looks familiar?" Wait for one of the female colleagues to finish mysteriously.

Everyone's eyes have cast on the body of xie zhiqing suit... "It seems..."

"The wind always..."

"The suit!?! " Suddenly, the whispering secretary was shocked...

Just listen, the next second...

"Linda, Linda... Yaoyao smiled and patted one of the secretaries on the shoulder.

The secretary recovered herself. "the wind... Mrs Wind... No, no, no, chief law, yes, yes?"

"Oh, please Linda, help me copy these documents, ok?"

"Good, good! Linda took it and looked at each other nervously.

They prayed that the voice they had just spoken would not be heard by Mrs.

Wind.

But how could yaoyao not hear their loud voices?

Standing in the doorway of the secretary's office, looking at the back to their xie zhiqing, oh, even the secretaries can recognize that is the wind Chen yi suit, she this when the wife of sure can also recognize.

Heart, inexplicable a burst of acid.

She could take everything before as a misunderstanding, a trick, a prank. So... Chen yi's suit jacket, is also xie zhiqing deliberately stole to cover in the body? O...

"Miss law." Xie Zhiqing inadvertently looked back when just saw standing in the doorway of the yaoyao, quickly came over with a smile: "you come to the secretary's office have anything to do?"

Put away has been looking at xie zhiqing blazer eyes, she light smile: "I will copy a few documents."

"Oh. By the way, miss law..." Xie zhiqing took down the jacket on his body: "tonight may not go home, you put this dress for me back to Chen yi."

Tonight... Chen yi may not go home?

Xie zhiqing in the mouth of this 'home', refers to should be her with Chen yi home?

That's not bad. You get to be a little girl?!

"All right." Yaoyao generous took the suit jacket, slowly raised his eyes, weird smile way: "miss xie, next time, you should put Chen yi's underwear also set on the head, so...It's more obvious, isn't it?"

"Huh?Ha, ha, ha, ha, miss law, you're so funny."

"Is it?That's what they say!"

"The wind is too...Director lo, your...File."At this time, Linda nervously walked to xie zhiqing with yaoyao side, she stole eyes xie zhiqing, and looked at the yaoyao in the hands of the coat, can not help but swallow the saliva.

"Thank you, Linda.I'll go first."When yaoyao turned to leave, all the smiles on her face disappeared and her small hands clutched the suit jacket tightly...

< / p > < p > imperceptibly arrived at the end of the day, yaoyao from xie zhiqing brought the coat folded neatly into the handbag, just to leave the office....

..

'the bell...The phone rang and she retreated into the office."Hello?"

"I have to work overtime today. I may be late.Go home by yourself."

"Have no matter, I also happen to have to work overtime, not equal to me..."

Not waiting for yaoyao to finish speaking, the other side of the phone again opened the wind Chen yi:
"yaoyao, after the overtime, I also have a dinner party."

Line...She understood."Then I...Go home by yourself."

"Well..."

Hanging up the phone, yaoyao helplessly bent over the desk, staring at a place.

That night, she had prepared for everything, if the wind Chen yi does not go home, she will take action.

But.....

Feng Chen yi came back. But the "sorry" that mumbled was so meaningful.

Thinking, perhaps not to doubt; Think, should choose to believe Chen yi.

O...

Who knows, today again made a suit jacket this bridge segment!

Xie zhiqing good severe, really good severe! Where she appears, there is no escape; Chen yi place, there is no xie zhiqing.

So now the formation of the situation is, Xie Zhiqing can talk freely, the self - justifying. And forced her to doubt the wind Chen yi, not quarrel with him. .
