

Pure Girl 691

Episode 691

"What a joke? What if you meet someone who makes your heart beat?"

"Endure."

"Endure?" Hei Yanlong thought how could this woman's thinking be so naive?

"This kind of thing ... can you bear it?"

"Can't bear it!" At least, she has already tried it.

From the beginning did not know the real reason for Chen Yi's derailment, to have feelings for Yu Ao Tian, 22 learned the real reason for Chen Yi's derailment, to completely suppress the feelings for Yu Ao Tian.

Isn't this the way to get it through endurance?

But ...

Chen Yi's death really told her to let go of her affection for Yuaotian.

I just don't know ... see you again, will that feeling reignite again.

"Woman, I ask you, if ... there was no reason for Chen Yi's derailment, would you not marry someone?"

"Of course not!" Yaoyao immediately gave a negative answer to the assumption of Heiyan Dragon:

"When you are me stupid, he is sorry for me, and I'm consistent for him? Cut! I'm not

Our Lady! "

suddenly.....

Heiyan Long finally understood thoroughly why Feng Chenyi had concealed the news of Yaoyao's illness.

It seems that Chen Yi really knows the character of this woman.

If Feng Chenyi did not die in the form of terminal illness, perhaps Yaoyao would boldly pursue his own happiness.

But he just ended his life with sickness, so Yaoyao, who cares about the meaning and meaning, can't release all this.

"Hey, woman, if you still hold this thought after a few years, it's not as good as us ... just stay together and make a living." When Hei Yanlong said this, he didn't have any expression on his face.

Can't see if he was joking or serious.

"Let's make a living?" Yaoyao's watery eyes rolled back: "This proposal is good. Anyway, you can't marry a wife in your life, and I don't plan to marry anymore. Then you will find your boyfriend

Or 'girlfriend', I can cover you up, and we can also be friends with each other. It's a good idea! "

"Oh, oh ..."

"Mr. Hei, what are you laughing at?" Was she wrong?

It is impossible for society to accept Heiyan Dragon marrying a man home, right?

If she is there, it will become the shield of the Black Flame Dragon invisible, right?

"Women, you can rest assured. Even if I really need someone to cover me, I won't find you!"

"Why?"

"Because ... you are Chen Yi's wife .

.." When Hei Yanlong said these words, a looming loss of luster crossed the ink-colored eyes.

Ke Yaoyao didn't seem to notice this detail.

"Cut, obviously you said you want to live with me, and now you have said this again. Do you think I want to live with you more? I completely sacrificed myself and fulfilled you."

"Oh, come with me less. You are lonely, lonely, cold, and need someone to accompany you? And I seem to be the best person to accompany you. If you beg me, maybe in the future ...

I will barely accompany you. "

Yes!

Hey Yanlong's sentence really hit Yaoyao's heart nest.

For the future life, she thought she could think of what it would be like.

Xiaoman will get married sooner or later; Long Ye's brother will also get married sooner or later; as for everyone else, they will form a normal family.

Only ...

Is a gay black dragon in her eyes, which is the least likely to form a normal family.

If there is a black flame dragon to accompany her, maybe her future life will not be so lonely.

If, at the time, Chen Yi was willing to leave her a child, there might not be a sense of loss today ...

"Come on, please don't force me to stay with me. I decided to keep a dog to accompany me in the future!"

"Hey, why is your little woman's mouth so powerful? Believe it or not, I will come to the company tomorrow, I will give you some color to see?"

"Mr. Hei, I want to remind you in particular, tomorrow Saturday! However, Miss Ben allows you to come to the embassy to give me some color to look at." Yao Yao pretended to be a proud look, then smiled treacherously: "Hey

At that time, as long as you dare to come, I will tell the embassy's people that you will attack me, arrest you, and shut you up for ten days and a half months. "

"Women, I will run to strangle you right now!"

"Come on, come though ...

"

The two of them quarreled tit-for-tat in the video.

This may be the first time such a chat between Heiyan Dragon and Yaoyao was so open.

And both of them are very clear ...

This is just a means of licking each other's wounds.

Because Feng Chenyi passed away, they still couldn't fully digest it in a short time ...

I didn't know how to use this call for a few hours. Yaoya fell asleep after chatting, not even hanging up the phone.

Hei Yanlong on the other side of the phone looked at her sleeping face through the phone screen and smiled obsessively: "Yaoyao ... Good night ..." He murmured and dropped, he kissed the screen of the phone softly

Hung up the phone ...

'boom!'

In her sleep, Yaoyao was awakened by a huge explosion. She sat up in a panic: "What happened?" After looking at the cell phone that had been hung up, her memory remained basically at the stage of video with Heiyanlong.

What.

'boom!'

The shock was undecided, and another huge explosion came, and the house was falling off the wall.

It seems that it is not a dream!

What exactly exploded?

"Miss Luo!" The door was pushed open from the outside.

An agent of the Security Bureau said nervously: "There is a terrorist organization attacking the embassy. Please follow us to a safe place immediately."

Terror ..

. Organization?

Attack the embassy?!

God, this is the 'wonderful' picture that can only be seen on TV. Why did it fall on her?

What happened?!

the other side.....

"Bell ... Bell ..." The rapid ringing of the phone broke the tranquility of the night.

Yuaotian opened his eyes violently, picked up the phone at the head of the bed, and the bottomless pupil flashed a sudden light: "What happened ?!"

"Yu, Chairman Yu! Not good! Some terrorist organization exploded the embassy!"

The voice of Director Liu came from the phone, and Yu Aotian's face sank instantly: "Is Luo Yaoyao safe ?!"

"Now it is in full swing. The anti-terrorism organization has also dispatched members to come to the rescue. President Yu, how to arrange next?"

"You are the Director of the Security Bureau, how do you ask me ?! As long as Luo Yaoyao is safe, if she is injured, you will wait to be removed!" The words fell, Yu Aotian hung up the phone in anger.

I can feel from the intensity of his speech, how angry he is at the moment!

There were bloodshot eyes in those black and white eyes.

"Feng Chenrui! You dare to send someone to bomb the embassy. I don't believe it, you dare to bomb my Aotian's home!" The domineering words came down, Aotian got up, put on a dress, and ran fast

Out of the house ...

2am.

The embassy in the middle of the city has been turned into a ruin. The fire has spread for 2 hours and has not been extinguished.

Fire brigade, anti-terrorism force, police car, ambulance are waiting in line.

The cordon was pulled out for a few kilometers.

.

Episode 692

Traffic police blocked the main road, and some reporters and the masses who heard the news surrounded the scene on the third and third floors outside the cordon.

Can see how shocking it was that the Chinese embassy was blown up this time.

From time to time, injured people were lifted from the rubble.

"Cough, cough, cough ..." Yaoyao climbed out of the rubble with the help of two security bureau agents.

"Miss Luo, Miss Luo!" Director Liu saw this and rushed forward nervously: "You, are you injured?"

"No ..." She waved her hand in shock.

When Director Liu heard that, the whole person was relieved, which meant that he did not have to be stepped down.

"Everyone, please let me go!" At this time, I saw the reporters and the masses outside the cordon, and they automatically gave way.

Yu Aotian walked into the scene of the accident quickly under the protection of a dozen policemen.

"Yu Director."

"Yu Director." In an instant, all eyes were focused on the leader, and everyone greeted him with respect.

The unshakable position of Yu Aotian was immediately revealed.

"Yu Aotian, why ... came?" Looking at Yu Aotian walking slowly towards himself, Yaoyao frowned and fell into contemplation.

"Yu Director, Miss Luo is very safe." Director Liu accompanied his smile and nodded and walked in front of him.

Yu Aotian saw this straw bag director and he couldn't get upset: "You laugh at this time, are you waiting for internal review ?!"

You must know that Yaoyao was not injured, but many people living in the embassy were injured. At this time, Director Liu laughed, and if the reporter took it and released it, he must have been bad luck.

When Director Liu heard this, he quickly put away the smile on his face, and his face was pale.

The bottomless cold eyes slowly cast on Yaoyao, and found that she was really not injured, Yu Aotian was relieved.

"Several of you have worked hard. Give me Miss Luo."

"Yes. President Yu!"

"Come with me." Three simple words fell, and Yuaotian turned and walked out of the cordon.

Yaoyao followed him without any hesitation.

Was looking at the onlookers, and kept shooting them away with the flash.

She had no choice but to bow her head and hurried towards the car parked on the roadside.

Sitting in the back seat of the car with Yuaotian.

This seat, Yao Yao asked in a panic: "Are you applying for asylum for me?"

At this time, Yu Aotian didn't want to hide anything.

"Ok."

"Feng Chenrui even wanted to kill me ?!" Yao Yao, who was not yet known, suddenly guessed the whole story.

'You will regret this!

"Emotions," Regret by Bing Ye refers to this matter!

He guessed that 80% of the time, Feng Chenrui would not be willing to give up, so he came to Yu Aotian for help.

The frustrated Feng Chenrui even managed to fight for power and profit, even the murders could be done?

Right!

Didn't he still want someone to kidnap Chen Yi and cheat his father-in-law's money?!

Unforgivable!

It's unforgivable!

Yaoyao shook his hand with fist, and all of them were shaking with anger, she pulled the car door and got off ...

"Where are you going?" Yuao took her arm subconsciously and dragged her back into the car.

"Don't pull me. I don't need any protection, I don't believe it, Feng Chenrui dare to kill me!"

Yuao Tianzhen really wanted to know, did this explosion blow this silly thing?

"He blew up the embassy, 你道你 think ... he dare not kill you?"

"Uh ..." The eyes blinded by anger lit up at once.

"Yeah. He dare to bomb even the embassy, 你道 and there is nothing else to do. What to do? What to do? What to do ?!"

God!

Looking at her dumbfounded look, Yu Aotian patted his head with one hand. If there was a secretary sitting in the car with the driver, did he really want to ask this little thing to comedy him?!

"Drive."

"Yes, President Yu." The driver in the front seat nodded respectfully.

Yaoyao puzzled and asked: "Where are you going to take me?"

"You will know when you arrive."

"Uh ..." The car started.

Yaoyao sat honestly beside Yuaotian.

To tell the truth, this is the first time she has taken the government bus and looked at the vehicles that have evaded on the road. Anyone sitting in the car will have an inexplicable sense of pride.

And this sense of pride and glory comes only from the important leader beside me!

'S flashing eyes peeked at Yuaotian beside him.

Counting, they haven't seen each other for more than three months.

A few days ago, Chen Yi 's funeral, although Yu Aotian attended, but they never even greeted.

Thought, maybe ... they should not have too many opportunities for contact in the future, but did not expect .

..

I have to say that Yu Ao Tian who appeared as a leader is really different!

It's just like two of them in private.

Now he is really inaccessible ...

After a while, the car slowly parked.

The secretary in the front seat opened the door respectfully: "Chairman Yu, please ..."

Yu Aotian glanced at Yaoyao and then got off the bus.

She also quickly walked along and found out that here is ...

Yu Aotian's private residence!

"Yu ..."

"Come!" Without giving Yaoyao any chance to speak, Yuaotian quickly entered the apartment.

Under the dilemma, she had to follow in.

Took the elevator and came to the residence of Yuaotian.

At the moment when the door opened, Yaoyao stood at the door in a daze: "You are not ... want to tell me to live ... you?"

Looking at her squirming look, Yu Aotian pulled her in: "Of course. Go for a bath!"

"Ah?" Take a shower?

Take a bath?!

"No no no no, I ..

. I, I have washed today."

"Was it washed? Baby, are you taking a mud bath?" As she said, Yuaotian turned her body and faced the full-length mirror at the entrance.

Yaoyao discovered that after the explosion, her hair and face were all muddy.

The clothes are tattered like a beggar, not to mention the embarrassment.

"Me, everything I bathe is in the embassy."

"Your things ... are still there!" Yu Aotian opened the bathroom door without expression.

Yaoyao looked back. On the washstand, the toothbrushes, mouthwash cups, towels, etc. she had used were all left intact.

As if she had never left this house.

Everywhere in this house, there are traces and afterimages of her, which have never subsided or lost ...

☒ Pump, thump' heart, throbbing with impatience.

Mighty Yu Aotian noticed something, she "stumbled" into the toilet and locked the door.

Leaning on the door wall, flashing eyes looked at a blue mouthwash cup on the sink, a pink mouthwash cup, and a toothbrush inserted silently on it.

That kind of ... seems to come back to his own home.

Yu Aotian, what do you want?

!

Why not throw away these things?

You know, I can't ...

Episode 693

Oh, what's impossible?

Do n't you come back here?!

Perhaps, he just didn't have time to throw it away.

Yes, probably it is, after all, he is so busy.

Think like this, the throbbing feeling floating in my heart suddenly fell silent ...

After a while, Yao Yao finally washed away the dust.

But ...

What is she wearing?!

It's hard to wash it, can't I put on the ragged clothes again?

Is thinking ...

"Knockknock" "Baby, the changed clothes are hanging at the door."

Uh.....

Yu Aotian thought quite well.

Wrapped in bath towels, quickly opened the bathroom door, picked up the clothes hanging at the door, and returned to the bathroom.

Yu Aotian, who was sitting on the sofa, did not see her out when she waited on the left, nor did she come out on the right, did she just wear a dress?

Will it take so long?!

Knapping ...! "Baby, what are you doing inside?"

"Wait! Wait a minute!"

"Wait, wait? Will the clothes not be worn? Or will I need to help you wear them?"

Hearing Yu Aotian's impatient voice, Yao Yao bit angrily into the corner of her lower lip and opened the bathroom door: "How do you tell me to wear this dress?! You say!"

As she stood in front of her, she stared fiercely at Yu Aotian standing at the door.

I saw that Yao Yao was wearing a sexy silk nightdress with suspenders.

The skirt just barely passed her hips.

"Is there any problem?" Yu Aotian held her hands in front of her and looked at her expressionlessly.

"Of course it's okay to look like this, here's the problem!" His eyes glanced at his hands before him.

Yu Aotian's eyes rolled, his mouth could not help but provoke a wicked smile: "Come on, show me first."

"You treat me as stupid. You are going to change a dress for me!"

"Small thing, are you calling me a try ?!" She just yelled at the monkey just now, and Yu Aotian finished it without taking care of her. Unexpectedly, the little thing became more and more tough and took him as a slave

What?!

This time, Yaoyao was honest, and looked at the gloomy Yuaotian pitifully, and bowed his head grievously.

"Come, show me!"

"Do not!"

"Faster!"

"Do not!"

Yu Aotian saw this, and he simply started his own hand, and broke her hands hard, this look ...

The deep V neckline design and lace grooves, for Yao Yao who only has A Cup, this dress is basically not worn.

"Pooh. You ... wait for me, I'll get you clothes." Yuaotian smiled patiently and turned to walk into the bedroom.

She knew that his smile was only mocking himself flat.

If this dress is changed for another woman, it will definitely not feel like this.

Cut!

In the end, Yaoyao reluctantly regarded Yuaotian's shirt as a pajamas.

"You'll get your shirt for me earlier?" Coming out of the bathroom complainingly, she looked at the silk pajamas in her hands fiercely. It was a nightmare!

Yu Aotian sat on the sofa and swept her coldly ...

It seems that Yaoyao didn't know that she might not be able to provoke the man's impulse in that silk pajamas, but now ... she seems ... dangerous!

Mainly, if a woman wears a man's shirt .

..

"Here." Submit the silk pajamas to Yu Aotian's eyes.

He shook his head casually: "Whereever you like."

"Oh." Yaoyao folded the dress obediently, but when it was half-folded ... she suddenly felt something was wrong.

"Why are there women in your house ... pajamas ?!"

The moment when the tone of the question is falling ...

Yaoyao stunned the god.

Wrong!

Why should I question why there are women's pajamas in his house? !

This is normal, isn't it?

After all ... they no longer matter.

The little face looked disturbed, and she clenched her fist nervously: "No, no, I don't mean anything else, I just ... I'm curious ... just ask curiously. Ha ha ha ha ..."

The panicked eyes stared at the expressionless face of Yuotian, he ... would n't he think too much?

"When you take a shower, I went downstairs to find Xue Tong borrowed." After that, Yu Aotian's mouth slowly evoked a wicked smile, and deliberately prolonged his voice, saying one by one ... "I

It does n't mean anything, just .

.. just report it to you! "

Exchange ... Report ... Report ...

In the moment of a glimpse, Yaoyao 's little face turned red into a tomato, it seems that she often talks too often without passing through the brain.

Asked the first sentence when it was an erroneous start. The following explanations are basically more and more dark.

Woo ...

Ambiguous atmosphere walks away, and it is easy to confuse people at night. With this place full of memories and this fascinating man, Yaoyao became chaotic at once.

Her first reaction was ...

Can't get along like this!

"Yu Aotian, I thought about it and decided to go home and live."

"Go home?" He rolled his eyes, holding his chin with one hand, and said evilly, "Which home do you come back to?"

"Back to my father-in-law."

"Oh, baby, you are not enough to think that the wind family is dead? How much do you think your father-in-law's" days "will go this time."

Er, yes.

Feng Chenrui blew up the embassy. Would n't it be easier to bomb the father-in-law?!

Everyone knows that in China, no one seems to be safer than Yuaotian's current home!

Otherwise, he would not arrange Han Lishi and others here.

"So ... where do I sleep?"

"Sleep floor!"

"Ah?" Sleeping on the floor?

This is too bad, right?

Looking at Yaoyao's surprised expression, Yu Aotian pursed his lips and said softly, "Am I willing? Go to the bedroom and sleep."

☹Plop, plop ...'

Is just a sentence "Am I willing?"

"Her heart that had just recovered a little bit calm again became panic.

Actually, Yuaotian was just kidding or funny, why did he enter the character so uncontrollably?

Has been in contact with him for so long, I don't know yet, is Yuaotian a master!

Calm down! calm!

He cannot be brought into the scene.

"So where do you sleep?"

"I .

.. think about it, you are so rich now, if you tell me to accompany you to sleep, I would be happy to serve." Yu Aotian said with a smile.

Yaoyao did not respond for a long time.

This seems to be a different matter, right?

She has money and no money, if he sleeps with him or not, wait for it ... No ...?!

Uh.....

Looks like ... equal sign!

"Well, I didn't read you wrong three years ago. You really have the potential to be a male waitress!" As he said, Yaoyao quickly entered the bedroom with a straight face.

The moment you close the door ...

She could not help but laugh!

Who would know that this serious and majestic guy in front of the TV will look like this in private?

Black belly, humor, evil spirits, of course ... still a flirt master.

Oh, it's an incredible man. It's hard to think of women.

Fortunately ...

There is an insurmountable gap between them..

Episode 694

Alas, calm down to deal with all this, can't you still fall into the rhythm set by Yu Aotian as always before.

Otherwise, it is easy to fall into a vortex that will have no results in this life.

The murmur in his heart fell secretly, and Yaoyao lay weakly on the familiar bed.

On the sheets, the scent of fragrance came from the smell of Yu Aotian, which made people sleep and intoxicate. The scenes that occurred in this room seemed to float to her eyes.

Has a smile and tears, just ...

At least at this moment, in the past, it was no longer possible to cause ripples in her heart ...

Sky, there is a slight light.

Yaoyao blinked his lower eyelashes, and his little hand swiped subconsciously next to him.

empty.....

A wise smile floated across the corner of her mouth, and she gradually opened her eyes.

Last night, Yaoyao did not lock the door before going to bed, and he did not have any worry about whether Yuaotian would slip into his room in the middle of the night.

For the overbearing man, in fact, any of her 'carefulness' and 'lifting heart' are superfluous, but very tired.

Might as well turn this into a bet if he really came in like this.

Quite simply, she packed up and left today; if not, she can live here with complete peace of mind.

Opened the bedroom door lightly.

On the sofa in the living room, the man fell asleep quietly.

No matter what angle he looked at, that handsome face could not find any flaws. It was like a perfect artwork created by God.

Finished washing.

Yaoyao crept into the kitchen, just about to open the refrigerator ...

Yao Tian lying on the sofa stretched lazily lazily ...

"I, did you bother you?"

"No. Hungry?" He slowly sat up and looked at the position of the kitchen.

"Ok....."

"You wait for me. I'll finish cooking and I'll cook for you." Yu Aotian walked slowly towards the bathroom.

When Yao Yao just wanted to say something, she swallowed it back ...

Cannot describe the feeling at this moment.

When she lived here before, she opened her eyes and he had finished preparing breakfast.

At that time, she did not have any movements for this man's behavior, and it had become a habit to take care of him.

But ..

.

After leaving this house, when no one was making breakfast and waiting for themselves; or, when it was his turn to cook breakfast for others, it was found that making a breakfast was not as easy as imagined.

"Squeak" after a while, Yu Aotian walked out of the bathroom.

When he saw the food on the table, he glanced doubtfully at Yaoyao who was sitting at the dining table:
"Learn to cook?"

"Well ... in the last three months of Chen Yi's death ... I learned ..." She picked up the milk next to her hand, and she drank it gurglingly.

Even if Yaoyao tried his best to restrain the sadness in her heart, Yu Aotian still felt the blow to Feng Chenyi's departure from the luster flowing through her eyes.

"Chen Yi had eaten this kind of thing before he died? Then he ... was really miserable!" The sad atmosphere was suddenly dispelled by the ironic words of Yu Aotian.

"Cough! Cough cough cough!" Yaoyao was almost choked to death by the milk in his mouth.

"It's very difficult to eat?" A quick tasting ... "No, Chen Yi said it was delicious."

"Oh." Yu Aotian smiled without saying a word, quietly ate all the food on the plate ... and ate all of it.

To tell the truth, what Yaoyao does is not very tasty.

But for ... Feng Chenyi, who passed away, and Yuotian at the moment, it was ... an unspeakable delicacy!

"Don't you go to work today?"

Although it is Saturday, for senior government officials, their vacation is basically equivalent to 'zero'.

"use."

Yaoyao glanced at the time: "It's 9 o'clock." Yu Aotian didn't seem to mean going out?

"I just work at home. You can watch TV." Then, he picked up a stack of documents on the coffee table and entered the bedroom.

Yaoyao simply packed the dining table, turned on the TV, tuned the TV to the lowest sound, and watched quietly.

Today, no matter which TV station broadcasts the news, it was an explosion last night.

Even international news.

But this is normal, Feng Chenrui's courage is really too big!

Hiss ...

Isn't it right? The person sent by Feng Chenrui should be from the country of Aslan?

If all this is detected by the government, wouldn't it be an international issue?!

Lighter, lose money; more important, but the two sides are at war.

Has Fengchenrui thought about how much influence this matter has?!

He is simply!

simply!

So selfish!

☒Bell ... Ring Bell ...'

Put down the remote control in his hand, Yaoyao picked up the phone and glanced, smiling on the couch and answering the phone: "hello."

"Yaoyao, how are you doing ?!" There was a very urgent voice from Heiyan Dragon on the phone.

She turned her eyes and patiently smiled, deliberately serious: "Not good, not good at all."

"injured?"

"No. I just think ... We hung up the phone and the embassy was bombed. I don't know if this call is over, will the place I live in explode again?"

Hei Yanlong on the other side of the phone was relieved.

"Dare you tell me where you are now? I must go and kick you!"

"Hey, I dare not."

"Seriously, Yaoyao, where are you now? Is it safe?"

The little face with a bad smile gradually became serious, she said: "I am in ... Yuao Tianjia."

"Huh?" Hei Yanlong heard ...

"Then ... I won't disturb you anymore!" I hung up the phone quickly ...

"Hey? Hello ?!" Khan ... What does the last sentence of "Black Flame Dragon" "I won't bother you" mean?!

This guy!

Yaoyao, who was in depression, did not find it at the moment. Yuao Tian had stood there watching her for a long time at the door of the bedroom.

She was wearing a man's shirt and was playing mobile phone with her legs upturned.

But the low tail of the shirt was a little too short. She fiddled with her legs mischievously, and the pale pink trousers were clear.

Yu Aotian narrowed his eyes, rolled his throat slightly, and walked slowly.

Yaoyao doesn't seem to have found a man approaching himself.

Until he sat on the sofa, she didn't even know it.

The expression on Yu Aotian's face couldn't tell whether it was helpless, or still a little angry, and her big hand snapped her back ...

"Ah ?!" Yaoyao was completely taken aback by the sudden move, and she unconsciously rolled off the sofa.

The moment it landed ...

"Be careful!" Yuao Tian grabbed her collar with a quick eye, and came to Haidilaoyue, stunned her into her arms.

But ...

The button of the shirt she was on completely collapsed.

The unsettled straddle rides on the man's body. Yaoyao doesn't seem to find that his coat is fully open.

Just looked at Yu Aotian's eyes in a daze.

And the fragrance she exuded, bursting into his nose, bursting with teasing.

.

Episode 695

At this time, the distance between them is so close, and the posture seems to have infinite reverie.

Is only a moment ...

As if the firelight collided, Yu Aotian's hand stroked the back of her head, and the two lips pressed down without warning ...

"Um." When I got back to God, Yaoyao's mind had fallen into a blank, and I clearly felt the man's cold hands, but the kiss was so hot.

After one second, two seconds, and three seconds, Yaoyao finally remembered to resist.

"Don't!" His hands suddenly opened Yu Aotian's arms and wrapped himself tightly in his clothes.

Just stared at him like that ...

What happened?

Everything is so dazed, for such ambiguity, it seems a little too sudden.

Sitting on the sofa, Yuaotian seemed to have never happened, and stood up: "You wait for me."

But when he first stepped out of the door ...

That beautiful face instantly filled with a helpless look: "Oh. It seems ... 'the situation' is more difficult to control than imagined!"

For this 28-year-old man who is much more mature than his peers, his self-control ability is admired by Long Ye and others.

Whether it is the hiding of emotions; the suppression of affection; the resistance to temptation.

He can be described as superior.

As long as what Yuaotian does, it must be something he thinks about in advance, and there will never be a situation where he can't help himself.

But the act just now, Yu Aotian confessed that he couldn't help it out of love ...

In the quiet room, Yaoyao curled up in a ball and sat quietly on the sofa.

There was a daze on her pale face.

Until Yuaotian left the room, she hadn't reflected what happened just now?!

Kissing?

Ambiguous?

Seemed to be dreaming, came so suddenly, and went without a trace.

I really doubt that everything just happened to be her illusion, because Yu Aotian's reaction was so plain, as if nothing had happened.

The sound of the 'click' door opening.

Yaoyao looked nervously at the entrance ...

"Come, I just looked for the clothes borrowed by Xue Tong and put them on. Let's go out."

Several ladies' clothes were placed beside her, and those empty eyes were still staring at Yu Aotian's face.

It seemed that he wanted to get a response from him, even if it was an explanation for the kiss just now.

Unfortunately ..

.

"Need me to help you wear it?" Although the cunning man had seen the meaning in her eyes, she still avoided the matter just now.

"No ..." picked up some clothes and hurried to the bedroom.

Fingertips, across lips ...

Possibly, the kiss just now was really just a temporary illusion, a man's illusion for a woman; a woman's illusion for a man.

Got dressed and returned to the living room.

"Let's go." Yu Aotian walked towards the door with a smile.

"Where are you going?"

"Your clothes were borrowed from Xue Tong, of course, to buy clothes." Without giving her any opportunity to refuse, Yu Aotian took her hand and walked out of the apartment.

Outside, the sun is shining and the temperature is a bit high.

The weather seemed to be just in the blink of an eye, and it transitioned directly from the cold winter to the summer. Yaoyao had never seen it even in the spring.

Only because of this winter's tail and the entire spring she spent with Feng Chenyi in that paradise.

Perhaps the spring there is the real spring.

"Hoo ..." As soon as he entered the air-conditioned subway station, his irritability disappeared.

And Yu Aotian waited side by side for the arrival of the subway. Other people who waited for the subway would look at him from time to time, and whispered whispering instructions.

Oh, it's really strange. Before Yu Aotian hadn't worked for a senior official, he didn't see him take the subway once. Now he is one of the politicians.

Even if he rides the subway so blatantly, aren't he afraid of causing riot?!

Bacheng, he wanted to ...

"With you by my side, unless Feng Chenrui really ate leopard gallbladder, he would not dare to choose to shoot at this time." A subway parked in front of them, Yao Yao whispered and walked up..

Yu Aotian looked at her back, she smiled helplessly, and quickly chased her.

I do n't know when this little thing knows him more and more.

His every move, she no longer asked the silly way like before "why are you doing this? Why do you want that " but the answer is given directly.

Indeed, he never took the subway. The reason why he chose this mode of transportation today is to attract the attention of Feng Chenrui, so as to attract him to appear and win him in one fell swoop!

Although it is really safe to tell Yaoyao to live at home, it is invisible to Yu Aotian ... tested and tortured ...

Oh, sometimes he is really curious, since the little things can already understand him so much, why can't he see through his mind?

Is she always acting silly and escaping?

Or does she really not understand?

"Oh, President Yu! Really you? I just saw you on the surveillance video and thought it was dazzling." In the high-end department store, Yuotian and Yaoyao had just walked for two steps, and the mall was on duty.

The manager suddenly appeared enthusiastically and greeted Yuotian.

He smiled gracefully: "What's the matter?"

"It's okay, it's okay. Just curious, why did you visit us here? Also follow ..." The manager glanced at Yaoyao: "Mrs. Feng together?"

"Me and Luo Xiao ..." come to this half.

Yaoyao immediately took the lead: "Feng's Group and Bosen Group intend to jointly create a commercial and financial street, so Chairman Yu and I came to inspect it personally."

"Ah? It turns out that way. That's embarrassing, I disturb you. I thought that the director-general came over for a political inspection. I didn't expect it to be a commercial inspection." The manager quickly apologized and left.

"Baby, do you know how irresponsible you have just said?" Yu Aotian shook his head helplessly while inserting one hand into his pocket.

"Should it be all right?"

"It's okay? If this matter spreads, you said, do I and Fengshi create this commercial street? If you create it, you will lose money; if you don't create it, people will only feel that our two are uncomfortable, and it will be the opposite!"

Different in the past, Yaoyao has become one of China's leading businessmen. For such irresponsible words, she used to talk about it. Now, let's talk about it, it is purely influencing Feng's image.

It's like, when Feng Chenyi saw Yaoyao and a man in the shopping mall, he bought the whole mall in one go. In fact, Feng Chenyi didn't have to do this.

But his identity was there, it was impossible to just talk.

"That's better than ... you tell him ... we're stronger when we go out shopping ..." Yaoyao's voice became smaller and smaller, so small that almost only he could hear it.

The sixth sense tells her that Yu Aotian 's unfinished sentence should be ... ② went out shopping with Miss Luo.

Episode 696

You have to know that the influence of political figures in shopping with a married widow is more serious than her nonsense. I do n't know how many times.

Can not go back.....

Everything is gone.

He is no longer the former rich and status businessman; she is no longer the unsuspecting and obscure little girl.

They will be criticized and guessed by everyone.

Seriously, it will affect Yuaotian's political career.

"Come with me!" Yu Aotian saw through her thoughts and took her to a sports brand clothing store quickly.

At random, he took off two clothes: "Go and change it." He handed it to Yaoyao.

She glanced at it and found it pretty good, so she ran to the dressing room and changed it up.

Once out, Yu Aotian was gone.

"Miss, may I ask, have you just seen, sir who came with me?" Yaoyao walked in front of a shopping guide lady and asked curiously.

The shopping guide smiled and pointed to the fitting room: "Your boyfriend went to the fitting room to try on clothes."

Even if Yaoyao wanted to tell the shopping guide, Yu Aotian was not her boyfriend, but it seemed a little too hypocritical. She had to smile and thank the shopping guide, and slowly stood at the door of the fitting room.

After a long time, the door of the fitting room opened.

Yu Aotian was wearing a white sports t-shirt and a pair of blue sports trousers, and came out with a wicked smile: "Not bad?"

Good?

Not a fart!

Although this suit drowned Yu Aotian's maturity and stability, he also lowered his age by several years.

But the question ... the question ...

The two of them are now wearing a ... couple dress, okay?!

In front of a large mirror.

Men's white shirt and blue sports trousers; women's white shirt and blue sports shorts.

On the white shirts of the two, one person printed the shape of half a peach heart, which was a whole heart pieced together.

Yaoyao stared blankly at this large mirror, his calm heart suddenly swayed a wave of ripples.

Next second ...

Yu Aotian took her up rather than cold, and put together the heart that was printed in front of the two of them together: "Oh, baby, look, you can still get together, it's really interesting."

all of a sudden, Yaoyao 's little face turned red halfway into the sky.

She didn't believe it, Yu Aotian would not know in advance that this is a couple dress?!

What to install!

"Me, I don't like this dress, I want to change it!"

"What's the change? No change!" Yu Aotian regained her former overbearing look. She dragged her to the front desk to settle the bill. She also took two identical hats and a pair of them.

On his head, one was worn on Yaoyao's head.

They walked in this shopping mall one after another.

Oh, since I changed my clothes, let alone, nobody really recognized them.

After all, the image of Ms. Aotian appeared on TV is a dignified and mature look wearing a suit every day.

Who would have thought that nowadays, this man who is wearing a sportswear and looks exactly like a college student who has just graduated will be a leader?

But ...

They wore couples like this in such a place, and it was really eye-catching.

Yaoyao seemed to be in a hurry, walking forward violently.

Frowned with Yuaotian behind her: "Hey!"

The footsteps stopped ... "Huh?"

At this moment, Yu Aotian suddenly took her little hand ... "It's alright, let's go."

Glanced at him and took his hand.

"what happened, Babe?"

'S surprised eyes cast on Yuaotianxie's smiling face, didn't he think it was strange to hold hands like this?!

"No ..." While striding forward, she secretly tried to shake Yu Aotian's hand away.

But he refused to let go of life and death, and changed the gesture of holding hands to ten fingers tightly.

Like other couples in this mall, ten fingers clasped, dressed in lovers' outfits, on Saturdays and Sundays, came out to date and blamed the street.

They are not couples, and they cannot be couples, are they?

Sudan's small face gradually forced a look of embarrassment. She knew that, with Yu Aotian's character, if he didn't want to let go, how she struggled was futile and simply vain.

It's just that a wave of ripples in her heart and the embarrassment left and right tortured her senses ...

"Wow, that man is so tall!"

"Yeah. Look, you see, his girlfriend is so small, is this the most adorable height difference in legend?"

, From time to time, the whispers of girls were heard, and Yao Yao just smiled helplessly.

This is the first time she has heard that someone will judge herself as Yuao Tian's girlfriend. Remember that the most she heard before was ...

☞ Look, that girl should be a lover supported by that man, right?

,

☞ Well, it must be, really shameless.

Now girls are really willing to do anything for money!

Oh, should I be happy?

At the very least, you do n't have to look at it with disdain.

How good is this scene if it happened before?

'S blinking eyes glanced at their hands clasped together again, her eyes unknowingly forced a layer of mist ...

Next.

Yu Aotian took her to the movie that was just released.

It's already afternoon in the cinema.

"It doesn't look good at all." Yao Yao yawned as soon as she left the cinema. Just now, she almost fell asleep in the cinema.

"Who told you not to listen to me and watch another film?"

"Maybe another one is worse!"

This little thing is simply natural and clever, no matter what happens, she always has a way to find herself under the stairs.

"Are you hungry?"

If Yuaotian didn't mention it, she couldn't really feel it. This mention ... "Uh ..." Nodded slightly.

He smiled strangely, and took Yao Yao's small hand tightly again: "Go, let's go to eat rice!"

"Ah? Rufan?" Before waiting for the reaction, Yu Aotian took her to the elevator leading directly to the restaurant of the department store ...

They went straight to a Chinese restaurant.

"Wait! Yu Aotian, what the hell do you mean? Where are we going to rub rice?" Standing at the door of a box, Yaoyao grabbed him a little unhappy.

"Follow me and you will know. You will be ... very happy." Then, Yu Aotian evilly pushed open the door of the box.

I saw that in the box, Long Ye, Han Lisi and Gong Xiaoman were sitting at a round table chatting about the sky, and there were still a few men standing in the room.

After Yu Aotian's arrival, Long Ye and others immediately stopped the conversation, staring blankly at the doorway of the pair of men and women in lovers and caps.

"Hey, boy, you have gone to the wrong room, and you haven't hurried out yet." A man ran to the door and drove them off with no mercy.

Yu Aotian frowned slightly, and suddenly took off the hat on his head.

The next look was Yu Aotian, and he became extremely panicked in an instant: "Yu ... Yu ... Mr. Yu ... I didn't recognize you, hug ... sorry."

"Aotian ?!" Long Ye and others were also stupid.

To be honest, I can't blame the younger brother for not recognizing Yu Aotian. Their first reaction was that a couple was in the wrong room..

Episode 697

"Chairman Yu? That's next to Chairman Yu ..." Gong Xiaoman struggled to see the girl's face standing beside Yu Aotian.

Yaoyao quickly took off the hat on his head: "Xiaoman, Brother Longye, President Han ..."

"Yao Yao ?!" Gong Xiaoman was dumbfounded.

Long Ye was also stupid: "I rely on! No?" You ... this is really ... too ... unexpected ... "

Yaoyao knows what Long Ye 's surprised expression represents. She wants to deny Long Ye 's guess, but she does n't know how to deny it.

After all, they were dressed in a couple's costumes, holding hands in and saying that they were not together, where could they be clear in words?

Quickly found two empty seats and sat down.

"Yaoyao, you and President Yu?" Gong Xiaoman ran anxiously beside her and asked in a low voice.

Glanced at Yuotian beside her eyes, and then looked at Gong Xiaoman, she shook her head silently.

Is just a negative action, Gong Xiaoman has understood everything, because she knows Yaoyao, but also understands the proud character of Yu aotian!

For a moment, the box seemed to suddenly fall into an awkward atmosphere.

Han Lishi and Long Ye's eyes were always on Yu Aotian's clothes. The two of them neither spoke nor made any movements, but kept looking at him and looking at him.

Yu Aotian picked up the teapot, poured a glass of water, took a sip, and said coldly, "What do you two look at me for?"

Long Ye looked at Han Li's eyes ...

Next second!

'Pouting', the two made a mocking laugh.

"Li, I seem to remember that someone saw a child wearing a couple dress ten years ago and said that they are very childish. Now, in a blink of an eye, ten years later, the person who said that they are childish, even ... wearing a couple dress!?"

Listening to Long Ye's ironic tone, Yu Aotian's face immediately showed a trace of unspeakable embarrassment.

Who said this, did he say it before?

"Childish!" Even Han Lishu, who seldom vomits badly, can't help but talk about wind and cold.

Yu Aotian was stunned.

"Yaoyao, seriously, you two ... what do you think?" Gong Xiaoman whispered next to Yaoyao's ear in embarrassment.

Undoubtedly, everyone here looks like aliens looking at the couple costumes on Yuaotian and Yaoyao.

She squeezed her lips, and her shameful eyes slowly cast on Yuaotian beside her: "You still ... change your clothes back."

"Do you like it?" Yu Aotian put down the cup in his hand and looked at Yaoyao seriously.

Dropped his head silently.

For this answer, she did not know how to answer .

..

Because ... she likes it!

Perhaps, for some mature people, wearing a couple is a very naive and embarrassing thing.

However, for Yaoyao, who has always been ordinary, it is romantic to be able to wear couples on the street with people he likes.

Had this idea when she was with Feng Chenyi, but Feng Chenyi's character has always been low-key and cool, and naturally will not satisfy her idea.

However, she likes to like it, but she is not happy with Yuotian wearing a couple to take to the streets.

Also believes that ten years ago, it would be naive to say that people who wear couple costumes are naive. Ten years later, they should be more tired of this naive behavior.

It's just that, to satisfy her, there will be such a move today, is it like this?!

probably?

"Aotian, no kidding. You should change your clothes back now. In fact, today's dinner was invited by the CEO of Ruisi."

"The CEO of Rui Si invites you to dinner? Then you texted me just now and called me to do it ?!" Yu Aotian said angrily.

Long Ye resigned helplessly: "I think, if you are near here, come over for a meal together."

He rolled his eyes coldly and grabbed Yaoyao's little hand: "Baby, come, we will eat at the table next to them. Just order, anyway ... your brother Long Ye took the money!" Get up and move to

Another table in the box.

Yu Aotian shouted at the waiter in a polite way, really slaughtering Long Ye.

"Take it! Aotian this guy, pure revenge!" How could Long Ye not see it, Bacheng was just mocking Yu Aotian's couple costume, he seized the opportunity to revenge.

"Fortunately ... I just said the word naive." Han Li's pretended sarcasm sighed in relief.

They were a group of people. When Long Qi was in the past, Long Qi usually cleaned up the mess. Now that Long Qi is gone, it is changed to Long Ye to clean up the mess.

However, he is not as stupid as Long Qi.

"Li'an ...

" Patted Han Li's shoulder next to him: "For a while, the meal at Aotian's table, let's ... A."

Han Lisha heard this: "You guys!" Long Ye stared fiercely.

At this time ...

"General Han, Vice President Long. You have arrived." A man in his thirties came into the box, and beside him was a beautiful woman.

The man nodded respectfully to them, and then looked at Yuotian and Yaoyao who were facing him in the box.

"These two are ..."

"Mr. Zhou, those two are ... relatives of my family. I just came from the countryside and had nowhere to go. I got them both at a glance."

"Oh, it turned out to be your relative, Vice President Long. It's okay, it's okay, what they eat, it's mine! It's mine." After the man said boldly, he took the woman beside him and took a seat.

"Poof." Yao Yao, who was looking at the other table, already laughed a little cramp.

Yu Ao had a dark face and glanced coldly at her, whispering: "Baby, you can't forget, at the same time Long Ye scolded me, but you even scolded with you."

Uh.....

right!

She didn't respond for a while.

However, every time they have dinner with Long Ye brother and Yuao Tian, the happiest time is the time when they lose each other. Unfortunately, if there is Long Qi at this time, the picture should be more funny ...

"General Han, Vice President Long, the project of our Ruisi, in fact, the Wind Group has always been interested in winning. Yesterday, I also met with the Vice President of the Wind, but after all, Feng is now a layman.

Sit down, so I hope to cooperate with Bosen more. "At the dinner table, the CEO of Rui Si talked to the two while eating.

Unexpectedly, the layman in his mouth sat at his next table.

Yaoyao frowned slightly: "Hi ... Hey Vice President hadn't met with the boss of Ruisi yesterday." She always knew that Feng did indeed have a cooperation project with Ruisi, but they always contacted Ruisi.

The chairman of Si has never contacted Mr. Zhou.

"Oh, just take the opportunity to raise the market. Long Ye and Li Shi know what they are." Yu Aotian appeased and patted Yaoyao's hand, and the two continued to eat.

"Sister, who are you with?" The men were talking about business on one side of the round table. On the other side of the round table, the woman brought by Mr. Zhou smiled close to Gong Xiaoman.

She froze for a moment and smiled, "I accompanied Mr. Han."

"Oh, so. Are you Mr. Han's girlfriend?"

Eyes drooping, Gong Xiaoman shook his head awkwardly: "No ... no."

.

Episode 698

"Oh, I think I know it can't be. I have met Han's ex-girlfriend, who is very beautiful and has temperament. Compared to you ... Oh, heh ..." The woman's two laughs, full of provocation

Charm.

Gong Xiaoman shook her fist slightly. She knew that Han Lidi had been dating a girlfriend when she first arrived in China two years ago. She had a hand almost half a year ago. She also saw a picture of the woman.

Temperament, but this woman doesn't need to talk about it?

"Listening to you, do you know Mr. Han's ex-girlfriend?"

"Of course, we ... are college classmates. Oh, I remember that at that time, Mr. Han often took my friends here and there. We were all envious. Everyone always thought that Mr. Han could be combined with my friends. But

I heard that President Han had a girlfriend not long ago. Gee, Gee, Gee, but if it 's your type, it seems that my friend and Han are always combined ...

understood!

Gong Xiaoman understood it!

Bacheng, this woman has already guessed her relationship with Han Lishu, and Han Lishu's ex-girlfriend wants to rejoin Han Lishu, so he sent this woman to provoke the separation, right?!

"Oh, you really care about your friends. I don't know, what is President Zhou's relationship with you?"

"Old Zhou." The woman glanced vaguely at Mr. Zhou who was talking about business across the street:
"He is my boyfriend."

"Boyfriend? Oh, as far as I know, Mr. Zhou already has a wife?"

"Yeah, how about that? With a wife you can divorce, as long as she doesn't have to be the kind of stubborn type. Seriously, sister, President Han is so handsome, have you ever been so worried about President Han?"

"Will you use that kind of stalking way to seek death together with Mr. Han? I heard that the current girlfriend of Mr. Han is relying on this trick to stay with Mr. Han! "

This sentence of a woman undoubtedly pierced Gong Xiaoman's vital point!

Yes, she doesn't deny that for Hanli, she only stayed with him by means of stalking, but what about that?

Was it the turn of this woman to talk cool words?!

Suddenly, Gong Xiaoman stood up from his position: "Yes, what about my stalker ?! Everyone can laugh at me, but you can't. Seriously, like you

Apart from using shameless face to describe this kind of woman, I simply do n't know what words to use to describe it. When I was a lover, I ran here to show off my power, and if I were you, I really had no face! "

Her words suddenly made the whole box into a solidification.

Several people sitting there talking about business quickly looked at Gong Xiaoman.

Zhou Zhou's face was heavy, a few arrows rushed over, and a slap hit the woman's face: "If you can play, you can play, if you can't, just leave me!"

These words were heard by anyone with ears, who he was talking to.

Yaoyao sitting behind Xiaoman heard the woman's satire on Xiaoman all the way.

She held her fist and was about to stand up ...

Yao Tian violently held her shoulder: "I am angry with this kind of person, it is easy to lose the value. Sometimes ... can be solved by other means!"

Looking at his imperceptible eyes, Yao Yao reacted at once ...

"Whose face did you slap?" Gong Xiaoman questioned President Zhou impolitely.

The man narrowed his eyes coldly: "I'm teaching my woman no rules, miss, no intention to offend you!" He didn't know who Gong Xiaoman brought him, so he didn't dare to rashly teach Xiaoman.

The cold Li Han sitting there colded instantly, and everyone could hear that this man was scolding Xiaoman for being unruly!

The big hand jerked a fist.

"Li Shi, you didn't give your hand at this time. President Zhou, although there is something in the words, he was beaten and scolded after all by his own lover." Long Ye finished quietly.

Han Li Shi still couldn't swallow this breath, when he was about to speak ...

☎Bell, bell ... bell' The man 's phone suddenly rang.

"Hey?!"

"What ?!" Mr. Zhou's face crossed an unbelievable look. He quickly hung up the phone and looked at the whole box with a sharp look, and finally fixed it on Yaoyao with his back on him: "Mr. Luo?"

Yaoyao put down the chopsticks in his hand and turned back expressionlessly: "What's the matter?"

"Mr. Luo, is it really you ?!" Mr.

Zhou just walked over quickly.

'S unavoidable identity revealed that Yaoyao walked in front of him with one arrow.

"President Luo, my assistant just called and said that you decided to cancel all cooperation between Feng's and Ruisi ?!"

"No, you misunderstood. I just canceled the cooperation with you. As for your wife's order, I still keep it."

The man frowned unbelievably: "Why?"

"It's very simple, I and your wife are just as good as before. You came out so blatantly with a lover, out of personal contact, I really can't tolerate this happening!"

The biggest shareholder of Ruisi is Mrs. Zhou 's wife, and he can rely on his wife 's talents to achieve today 's achievements. Who knows, this man does n't miss the relationship of husband and wife, and he started to support his lover with money.

"Forget it!" At that moment, the beaten woman suddenly opened her mouth: "Miss Luo, as far as I know, you didn't give Yu ..."

"Hey ..." Yaoyao suddenly interrupted the woman's words: "I advise you not to mention that person's name, otherwise he will show up in a moment, you can't eat it with care!"

You know, Yuotian is indeed in this room.

The man named Zhou seemed to react to it. He subconsciously glanced at the man who was eating indifferently to his face, and he instantly regained his mind: "Shut up for me! Isn't it enough to get into trouble?"

Don't contact me anymore! "

"Week ..."

"Did you understand?! Leave me now!"

The woman lost her face completely, turned her head and ran away crying.

"Mr. Luo, huh, look at my wife ..." The man smiled treacherously.

Yao Yao felt vomiting when he saw the man's face: "That's your husband's business.

I won't say much. But I won't change my decision. Well, Mr. Han, Brother, Xiaoman.

, Don't disturb you to talk about business, I will go first. "Then, she turned and left.

Sitting in the position, Aotian turned and smiled, pointing to Long Ye, pointing at the table full of food: "Don't forget to check out." They also left together.

But the man recognized Yu Aotian at once, he really guessed right, and he always calmed down that the man sitting there was really the president of Yu!

Fortunately ... he just told his woman to shut up, otherwise he would n't know what a big disaster it would be.

"Mr. Han, what happened just now ..."

If Han Lixi stopped the man, he stood up coldly: "The rest is up to you, Vice President Long." The hand that led Gong Xiaoman also left the box.

"So the girl was ..."

"Oh, Mr. Zhou, look at you and come out with a lover, not only offended Mr. Luo of the Feng family, but also offended Mr. Han." Of course, I almost offended Yuaotian too.

.

Episode 699

"Vice President Long, I have learned that woman. You see, our cooperation ..."

Long Ye smiled slyly: "Business is business, I have always distinguished between public and private. But you also see that President Luo has completely blocked your Riss. Then it means that only our Bosen will cooperate with you.

, In terms of price ... "

Everyone knows that Long Ye is the most cunning fox in the mall. He responds with a smile in the face of everything, but he always kills the enemy.

After Yao Yao made such a mess, Zhou Zhou, who originally wanted to enhance his status, degraded his image a lot. Undoubtedly ... even if he lost money, he must continue to cooperate with Bosen!

"I'm sorry ..." The underground parking lot, Gong Xiaoman sat in the position of the co-pilot, and dropped his head in guilt.

"Don't be so impulsive next time."

"I know, but ... it's the woman first ..." I wanted to explain something, but all the explanations at this moment are very weak, and Xiao Man clearly knows that his impulsive behavior makes Han Li shame.

"I'll pay attention next time. Uncle, I ask you, if it wasn't Yao Yao who came out just now, would you beat me like the man hit her lover?"

"Oh, girl, what do you want?" Han Lixiao smiled helplessly and scraped her nose spoiledly: "Even if you make a big mistake, how can I be willing to hit you?"

'S sentence "How can I be willing to hit you" completely melted Gong Xiaoman's heart.

In the eyes of thousands of people, extremely cold Han Li was in front of her, but the soft side was blooming all the time.

On this side, she did not allow others to see, nor did she want others to see.

"Are you like this to your ex-girlfriend?"

Han Lisha shook his head: "It's only for you." His eyes were extremely serious, as if there were no lies that were not adulterated.

This is like swearing that you are the only one of me and represents uniqueness.

"Why is this the only way for me?" The little hand hooked his neck.

"Because ... you are different from my previous girlfriend."

"Well? What's different?"

"Age, personality, there are many, many ...

" Han Li's previous girlfriends can be said to be very similar to Yu Aotian's previous girlfriends in appearance and personality.

When they were together, the purpose was simple.

Do n't worry about me *, I 'll keep you; but if you want me to worry about it, we will break up immediately!

Ke Gong Xiaoman is different. She is always worrying about Han Lichao almost all the time. In the face of this, he is somewhat used to it, and he adopts a spoiled attitude to accept all her shortcomings.

"Then I can understand, do you love me the most?" Gong Xiaoman asked directly.

Han Li laughed and said nothing, and kissed her gently.

but.....

Crossed Xiaoman's eyes, but there was a trace of loss, because whenever she and Hanliu mentioned love, he always chose to avoid it!

On the subway.

The crowds seemed to have caught up with the peak of returning home at night, and standing in the subway could hardly move.

"In order to vent out for your classmates, you blocked Rui Si. Have you considered it?" In the middle of the carriage, Yu Aotian held the armrest, lowered his head, and asked Yaoyao in front.

"1, Mr. Zhou's character is really not good, hitting a woman in front of so many people, there is no merit."

"2. The chief executive officer of Ruisi is actually his wife. My relationship with his wife is still good. When this matter happens, it means that I have grabbed Mr. Zhou's pigtales. How dare he be with me

."

"3, I canceled all cooperation with him, can you Bosen just knock him out?"

"Oh." Yu Aotian smiled and said nothing.

Yaoya shook her head helplessly, which is not bad. In disguise, she helped Bosen, but nothing more, this thing is not cheap outsiders, even if you do n't look at the face of Xiaoman 's boyfriend.

Look at Brother Long Ye, right?

☑The next stop is Huaming Road, please get off the passengers to go out, and ask the passengers in the car to move closer to the middle of the car.

The radio on the subway sounded.

Large crowds squeezed up from outside the subway.

"Hmm." Yaoyao frowned embarrassedly, struggling to hook the handrails on the subway, but her small height, even if it was hooked, was very laborious to pull up.

"Hug me!" Yu Aotian held her back with one hand.

Yaoyao struggled slightly, bowed his head like he didn't hear it.

The crowd is still crowded.

She was short by itself, and no one would notice this little guy. She was sandwiched in the middle like a patty, extremely painful.

The subway starts.

Everyone fell back inertially. Yaoyao didn't hold the armrest with one hand and subconsciously hugged Yuaotian's waist.

“Plop, Plop”

For this ambiguous move, her little heart jumped up quickly, and quickly released her arms around his waist.

Crowded!

Crowded!

Don't squeeze it, will you?!

They stood face-to-face, clinging tightly together, and the crowds kept crowding, making them constantly rubbing.

The weather itself is very hot, and it wears less.

She could clearly feel the temperature emanating from Yuatian; similarly, he could also feel it clearly.

Can't tell whether it is embarrassing or helpless.

Yaoyao's small face went from blushing to ears.

From 's perspective, she is so cute and attractive.

Chin, gently placed on the top of her head, sniffing the scent of fragrance she exudes, her impulse gradually filled his eyes ...

"Next stop, North and South Street."

Thought that this station might go down a lot of people, who knows, the number of people in the car has not only not decreased, but is constantly increasing.

The person behind pushed Yaoyao constantly, her stomach kept rubbing Yuaotian.

The little red face that was already red became more ruddy, because she clearly felt that he ..

. seemed ...

Similarly, Yaoyao also became hotter and hotter, and her breathing slowly began to rush.

In an instant, the crowd in the carriage seemed to be dimmed, leaving only the two of them.

The body temperature keeps rising.

An inexplicable desire gradually emerged in the hearts of these two people. Such a desire with a sense of guilt was so uncontrollable.

Finally, the subway arrived at their destination.

Yu Aotian quickly took her little hand and rushed straight to the house.

The scene just now, and the temperature left on each other seems to have not subsided, and even some intentions are still not exhausted.

The moment the door opened, Yu Aotian embraced her waist with one hand and kissed ...

This kiss is so hot and excited.

Yaoyao has been kissed and sinking among them.

They hugged all the way from the entrance to the bedroom.

From her original resistance to gradual obedience, it was a psychological change and an instinctive reaction.

Because she has already fallen into the 'rhythm' controlled by Yuaotian.

Close to four months of perseverance, it is a kind of suffering for a woman who has tasted cheerfulness.

Can't deny, nor can she deny that, as early as the moment on the subway, she has already reacted.

"Baby, tonight ... Call me to stay with you, okay?" The charming voice and the man's sexy breathing sound constantly stimulated her sensitive nerves..

Episode 700

Yaoyao clearly knows what Yu Aotian said, and also feels clearly that he is eager for the next step.

but...

Runs counter to his physiology but still keeps calm.

Tears rolled down her eyes: "I ... can't do it."

Don't want to be too hypocritical and have too many explanations, not to mention a lot of justice and perseverance.

Because Yu Aotian will try a little bit, she will know how much she desires at the moment.

In the end, it would only seem that she was distracted.

However, with this sentence alone, she believes that if Yu Aotian really respects himself, he will naturally terminate the picture that all this should not happen.

"Hey ..." With a deep sigh, Yuaotian lay limply beside her, wiping the tears at the corners of her eyes with her fingertips.

The look on his handsome face seemed so helpless at the moment.

For this man who reads countless girls, how could she not feel anything from her blurred eyes?

Of course, the big eyes covered with desire * also had pain in the depths, he also felt it.

This is a struggle, psychologically and physically.

If, today it is not that he did not control himself, how could she have such a painful struggle.

"Tomorrow ... I will take you to live in Nanlu."

Maybe ...

Parted, she would not have such pain; he, would not always have such hard to suppress.

"Hmm ..." Yaoyao nodded weakly, turning his back slowly.

Tears flowed irresistibly.

Although she was trying to restrain herself, Yu Aotian still saw her shoulders shaking slightly: "Why cry?"

He would not understand ...

Unable to understand, what does this tear represent ...

In fact, all day today, she was so painful!

So painful!

Once, the place where they were most together was in the room. At that time, she could always feel the identity of her lover.

Even if she would go to the street once in a while, she could only look at his background from behind, silently following behind him.

However today ...

Like a true couple, they are exposed to the world, holding hands, watching movies, eating, shopping.

That was a scene she couldn't imagine or dare to imagine before.

Unfortunately, this scene really came too late.

Comes when she feels as if her heart has stopped, it will only be a torture.

Of course, the greater torture is now!

☒ Tomorrow .

.. I 'll take you to live in Nanlu. '

This is a kind of respect, but also an understanding.

She really did not expect that Yu Aotian has now learned to respect and understand.

Yes!

Now she can't get along with him alone, because there will always be an unstoppable heartbeat, an unstoppable heartbeat.

But they cannot be together, nor can they be together.

The tears were grateful and moved. His letting go and understanding deeply touched her heartstrings.

There is no doubt that once you do n't meet, there will be no miss, and there will be no such suffering ...

Silently closed his eyes, Yao Yao did not answer Yu Aotian's question.

Similarly, while Yu Aotian didn't know why her tears were flowing, she didn't know Yu Aotian's understanding, not only for her, but also for himself.

This night ...

Yu Aotian did not leave, just lying quietly beside her;

And she did not refuse, because for Yaoyao, this was only their last night. Even if they went to sleep separately, what could they tell the world?

It's just deceiving myself and it seems hypocritical ...

Feng's Group.

"Mr. Luo, this is some management experience I have summarized this weekend. Please take a look." In the president's office, Yaoyao received the document of Heiyan Long and opened it for detailed reading.

Above, there are densely written handwritings recording management bits and pieces. It is really very, very detailed, and you can see how much effort Hei Yanlong has paid this Saturday and Sunday.

"Vice President Black, this precious experience has really worked hard for you. However, you should leave this information to others."

"Huh?" Heiyan Long frowned: "Woman, what do you mean?"

She smiled slightly and patted her hands ...

I saw that Feng Kexin pushed the door and walked in: "Second sister-in-law, Brother Yanlong.

"

"Ke Xin?" Hei Yanlong's ink color turned vaguely foreseeing something.

"Ke Xin, this is the management experience summed up by Vice President Hei. It is very, very precious. I know the school is about to take the exam. After you have finished the exam, look at this information."

"Well. Okay. If it's okay, I'll go to Aoyun." Feng Kexin took the information and turned around.

Yaoyao rolled her eyes helplessly: "Ke Xin, you should also see that the senior Qilian has been working hard recently. I always feel that ... the senior Qilian seems to be ... I prefer the strong women?"

"Am I not strong enough yet?" Feng Kexin looked at Yao Yao contemptuously: "At least, is he stronger than you?"

Khan, this ... it is true!

"Second sister-in-law, Brother Yan Long, go ..." Feng Kexin swaggered out of the president's office.

These days, Yaoyao will call Feng Kexin to study at the company from time to time. Unfortunately, every time she comes over, she will go to Qilian Aoyun for the first time. There is really no way.

After Feng Kexin left, Hei Yanlong's expression gradually became more serious: "Woman, you ... intend to hand Feng Shi to Kexin management?!"

"Um ... in the end, Feng's is after all Fengjia's industry.

No matter how much my father trusts me, or how much you help me, the fact that I can't change is that I ... there is no Fengjia's blood on my body

, So, I have no right to manage this company. "

From the moment when he took over Fengshi, Yaoyao had already figured out that he was temporarily a transitional period for Fengshi. When Kexin grew up, he directly transferred 40% of Fengshi's shares and management rights to Kexin.

With her hands, she can withdraw from the whole body.

"You like this ... it may harm Feng Shi!"

Looking at the gloomy expression on Heiyan Dragon's face, Yao Yao frowned puzzledly: "Why?"

"Perhaps, I shouldn't think about age. But Ke Xin is only 19 years old after all, and she still carries the girlish childishness on her body. You really gave her the company, can she ... manage it?"

"Khan, Vice President Black, don't you forget, I am only 19 years old."

"Different." Hei Yanlong shook his head indifferently: "Compared with Ke Xin, your childishness is indeed heavier. However, at a critical moment, you are very reliable."

As for the reason for reliability, there is no doubt that it is Yaoyao's IQ!

The stupid, silly, and cute hair that she radiates on her body is all childish that a 19-year-old girl may embody; but what can't be changed is also unmatched is her IQ of 205 points!

"Hehe, even if there is no me, Feng Shi still has you. Besides, my giving up does not mean leaving the company."

"Oh ..." Hearing this, Hei Yanlong just smiled lightly.

"It's really rare. Some people, in order to fight for power and seize power, do everything you can to kill and set fire. But you don't want to get the power you have when you get it. Rare, really rare ..."
