

Pure Girl 711

Episode 711

"Yulong Society."

"How about Fengchen Rui?"

"Also."

"Wait for me." Taking the car, Yuaotian drove directly to Bosen.

Push open the dark basement door.

"Yu Boss." The men standing in the hall greeted him respectfully.

"Um! Um! Um!" Feng Chenrui, who was tied up with five flowers and blocked his mouth on the pillar, saw Yu Aotian appear, shaking his head nervously.

He sat in a blank expression and waved his hand coldly.

Quickly removed the cloth that blocked Feng Chenrui's mouth.

"Yu Zong! Yu Zong! You listen to me, I ... I have no intention of killing you. I just ... I just ... You forgive me! Forgive me." Feng Chenrui asked in a panic,

He really understands the fierce tactics of Yuaotian. Now that he is in the hands of Yuaotian, how can he not be afraid?

"Master Feng, don't be so nervous, if I want to kill you, I have already started, why should I wait until now?" Yu Aotian said in a calm tone.

Feng Chenrui's eyes turned and his emotions gradually calmed down: "What ... do you have any purpose?" He knew that this was not Yu Aotian's style. Several people who fell into the hands of Yu Aotian could survive.

Down?

"Oh, I'm just curious, how did Prime Minister Xiao of Aslan treat you so well?"

Looking at the smile that Yu Aotian gradually hung on his face, Feng Chenrui vaguely noticed ... he wouldn't be afraid of Dad, didn't he shoot himself?

After thinking about it, he said arrogantly: "Because I am the son of Premier Xiao."

"Oh?" Yuao Tian froze slightly.

He really didn't know that Fengchen Rui would be Xiao Huaishan's illegitimate child!

?

No wonder Xiao Huaishan would be so good for Feng Chenrui!

"That's what happened ..."

"Oh, Yuzong, in fact, my goal is only Luo Yaoyao. If you protect Luo Yaoyao, it's a big deal. I won't move her. You will let me go back to Aslan, and I will tell my father a lot

Good word. "

"I really want to know and know your father." Yu Aotian evilly waved his hand.

The two men quickly untied the rope tied to Feng Chenrui.

"But ..." Suddenly, Yu Feng turned, and Yu Aotian sighed in embarrassment.

"But what, Yuzu?"

"Ah ... even if I let you go, I am afraid that Deputy Prime Minister Zeng will not let you go ..."

Looked at Yuaotian's helpless look, Feng Chenrui frowned, "How is it possible, Deputy Prime Minister Zeng helped me!"

"Oh, you are being used." He got up and walked slowly to Feng Chenrui: "When you thought you chased me, why did the people of my Yulongshe arrive so timely?"

Feng Chenrui also felt that this matter was very wrong.

"Is it?"

"Yes, I was informed by Deputy Prime Minister Zeng!"

"No, impossible!" Feng Chenrui couldn't believe what Yuao Tian said.

"What's not possible? Deputy Prime Minister Zeng has always intended to annex the country of Aslan. Once you start, whether you are killed or I am killed will instigate a war between the two countries. I ask you

What did the Deputy Prime Minister instruct you to do with me?" Yu Ao Tianyu asked seriously.

Feng Chenrui thinks carefully, it is so!

But he ... didn't believe that Yuao Tian would treat him so well, and he told himself this matter!

"Director Yu, do you want to use me to deal with Deputy Prime Minister Zeng?"

"Oh. I don't deny this. But I'm doing it for you too." Yu Piao Tian clapped her hands.

Han Li, who was standing by, slowly took out a recorder.

☐Aslan 's military power is really too strong. If it can be included, it will be the greatest help for the world of war. What do you think?

,

'Yes.

However, if the trade hastily used force against the country of Aslan, it seems that it does not comply with the regulations of the United Nations?

,

'But .

.. if Prime Minister Xiao of Aslan killed the chairman of the State Council of our country?'

☒Deputy Prime Minister Zeng, although I do n't quite understand your words.

But it really is the best.

What is the success rate of this matter?'

☒One hundred percent.

Oh, even if both of them are not dead, I will contribute to their death, rest assured!'

The recording ended abruptly!

All the conversations between the two people are in English, but one of the voices, Feng Chenrui, is very familiar, and that voice is Zeng Kairui!

The hand with his fist was full of blue muscles, he grinned bitterly at the back of his teeth: "I didn't expect that this old guy Zeng Kairui really wanted to kill me ?!"

"He did everything. So, I took you to Yulongshe, because it is temporarily safe. But, if I let you go, you will be assassinated immediately."

"I can hide for a while here, and I can't hide for a lifetime!" Feng Chenrui frowned in panic: "What should I do? Yu Zong, what should I do now ?! You help me, help me! I will definitely follow

My father said more of your good words! "

"Chen Rui, calm down. I'm already helping you now. But Zeng Kairui will know you are here sooner or later. At that time, I'm afraid I won't be able to protect you. The only way now is ..." Yu Aotian

Therefore, mysteriously spoke half of the story.

Fengchen Rui asked anxiously: "What is the only way?"

"You now tell your father about this and tell your father to send troops to take you back to Aslan!"

"Yes! Yes! I have to notify my dad quickly." Feng Chenrui took out his phone from his pocket in a panic:
"Hey? Hello? Dad ..."

"What happened, so panic." There was a magnetic voice on the phone.

"Zeng ... Zeng Kairui is going to kill me, come and save me!"

Saw Feng Chenrui's panic look, Yu Aotian smiled disdainfully, and slowly sat on the Taishi chair placed in the hall.

Gradually, his bottomless eyes were thrown at Han Lisha, and a strange smile was drawn from the corner of his mouth.

It seems that Han Lisha received some signal and nodded secretly.

"Okay. Dad. I'll ask someone to escort me to the airport to wait for you in a moment." Feng Chenrui quickly hung up the phone: "Yu Zong, please send me ..." The moment he turned his head, he looked clearly

The grab in Han Li's hands was aimed at himself.

"Yu ... Total?"

"Oh, Chen Rui, you can rest assured, I will definitely ... hand your corpse to Premier Xiao's hands!" As the words fell, his evil smile crossed a gloomy luster.

Next second ...

Han Lihan quickly pulled the trigger.

With a bang, there was a gunshot across the hall.

Feng Chenrui's eyes widened fiercely, covering his chest painfully: "Yu ... you?"

"Don't blame me, who makes your usable value so high? If I don't know that you are the son of Xiao Huaishan, I might kill you directly." The smiling face, the bottomless eyes.

Rivers and lakes are rumored to have thousands of ways to kill Aotian;

Yu Aotian will not live to tell the enemy to leave his Yulong Society;

Yu Aotian never does things without purpose;

No one can see Yu Aotian's mind..

Episode 712

Now it's proved ...

All these rumors about Yu Aotian are true!

Feng Chenrui didn't understand until this moment that it turned out that Yu Aotian wanted to use him to provoke the war between Xiao Huaishan and Zeng Kairui.

Whether he makes this call today or not, the end result ... will be dead!

How terrible demons he is against?

Obviously, there were thousands of opportunities for Yuotian to kill him, but Yuotian has not been able to shoot.

Feng Chenrui thought he did not dare to be so blatant to kill. Now think about it carefully, just because even if he was killed at that time, the value given to Yuotian is not great.

Said that it is clear that there is no need to shoot.

But now it is different.

Feng Chenrui is now the illegitimate child of the Prime Minister of Aslan, so Yu Aotian will not miss this available opportunity!

Yu Aotian's scheming is really too deep!

It's too deep!

Feng Chenrui has been fighting with Fengchen for the rest of his life, and finally failed.

However, at least Feng Chenyi was not ruthless enough to kill him.

But Yuaotian is different. He and Mingyutian obviously don't have too much hatred, but they die in Yuaotian's hands.

Huh, huh ...

Feng Chenrui this time is really a witness to Yu Aotian's means!

"I really ... regret ... come back ..." The painful murmur fell, and he fell into the pool of blood with a rush.

Clearly waiting for Feng Chenrui may be endless glory and wealth, but his greed, but sent him to the end of the world.

Yu Aotian looked at Feng Chenrui's body blankly.

"Boss, how to deal with it?"

"Just throw it to a conspicuous place and find a lot of media to report it. If Xiao Huaishan is not angry, how could Zeng Kairui be idle?" Yu Aotian's unhurried words fell, and the corner of his mouth lifted up.

Evil cold smile.

"Aotian, don't you want to provoke the war between the two countries?" Han Lishu asked coldly.

He slowly stood up and smiled evilly: "How can this battle be fought if there is Bing Ye? Moreover, it is only an illegitimate child. Is Xiao Huaishan dare to use his force?"

Is nothing more than sending someone to assassinate, assassinate Zeng Kairui, and find the trouble of Zeng Kairui.

Didn't Zeng Kairui want to use this little tiger to trouble him?

Then he called Xiao Huaishan's big tiger and also troubled Zeng Kairui.

He wanted to see who had more trouble!

'S bottomless glance glanced at the corpse lying on the ground, and Yu Aotian stepped past him expressionlessly.

When I walked to the door ... "Lie, remember to delete the recording."

"understood."

Just now, the recording for Feng Chenrui was just some of the hands and feet of Yuao Tiandong.

Foreseeing that Feng Chenrui's relationship with Xiao Huaishan should be unusual, he thought of marrying Feng Chenrui to Zeng Kairui after he killed him.

Who knows, Feng Chenrui's relationship with Xiao Huaishan turned out to be father and son.

This undoubtedly conforms to Yu Aotian's wishes ...

The sky was shrouded in darkness.

A Bugatti Veyron's sports car stayed quietly near the Fengjia Villa for almost 4 hours.

The pointer was close to 11 midnight.

Yuotian, who was sitting in the driving position, slowly took a fist.

It's 11 o'clock, why don't the small things come back?!

Although he had foreseen that Yao Yao should not return to Nanlu, he called the phone and asked. The answer from Nanlu was that Yao Yao did not go home.

According to his knowledge of Yaoyao, Feng Chenrui's case has been resolved.

It stands to reason that she will definitely return to Fengjia.

Is 11 o'clock, she has been taken by Zeng Kairui for 7 hours!

Did she stay with Zeng Kairui for these 7 hours?!

The more disturbed Yu Aotian thought, the more his face became darker.

at this time.....

A government bus was slowly parked at the entrance of Fengjia, and the two men respectfully drove Yaoyao off.

"Miss Luo walks slowly."

"It's really trouble you." Yaoyao politely said goodbye to the two Zeng Kairui's men, smiling as they watched their car leave.

Just when she was about to turn her head to ring the doorbell ...

"Well!" A pair of big hands covered her lips violently, and the small body struggled to sit.

However, the man's strength is too strong, dragging her body hard to walk towards the path beside the villa.

Until Yaoyao saw Yuaotian's car, he immediately came down honestly.

"boarding!"

Behind, Yu Aotian's voice came, and she subconsciously breathed a sigh of relief.

It turned out to be Yu aotian, scared to death!

Let go of her hand covering her mouth, and Yu Aotian forced her into the co-pilot.

"Why is it so late ?!" Yu Aotian asked coldly as soon as he got on the train.

"I had a meal at the home of Deputy Prime Minister Zeng.

"

"Eating? You went to his house to eat with him?"

Can see that Yu Aotian is very angry at the moment, she hasn't seen him show such a fierce look for a long time.

"I ask you, did you eat this meal with him until 11pm ?!"

"Also ... I played chess for a while."

"Oh!" Yu Aotian gave a ridiculous smile from the tip of his nose, holding the steering wheel with one hand: "Why don't you live in Zeng Kairui's house ?!"

"Yu Aotian! What do you mean?" Yaoyao's face sank instantly, she owed him?

Why should you be counted by Yu aotian as soon as you come home?

"What do you mean? What is the position between me and Zeng Kairui, you can't help but don't you know?"

"I know." Yaoyao looked at the front of the car unintentionally.

"Then you stayed so late at his house ?!"

'S ear heard the roar of Yuaotian hysterics.

But the question, did he think she thought?!

Zeng Kairui is a cunning person. She has to be careful with every sentence she tells him. How tired is she, does Yuaotian know?

If it was not to delay him, would she be invited to home by Zeng Kairui?

If she did not take into account the hatred between him and Zeng Kairui, she would cater to Zeng Kairui so much, for fear that Zeng Kairui knew any secrets?!

Anger and grievance reached the top of Yaoyao's head, her small hand slowly took a fist, and shouted angrily: "You and Zeng Kairui are enemies, what is the matter to me?"

"I am willing to eat at Zeng Kairui's house and eat it; even if I live in his house, that is also my business. What does it have to do with your Yu aotian? Who are you? Are you in charge of me?"

"Yu Aotian, don't forget, you are my mother's enemy? You are my enemy!" The hysterical roar overwhelmed.

Yaoyao gasped, staring angrily at the proud Aotian.

Gradually, the angry expression hanging on Yu Aotian's face disappeared, he clenched his fist slightly, staring blankly at the front.

"Go!" The words like ice beads spit out from between his teeth.

Yaoyao has not seen him for a long time!

Is unreasonable, overbearing, ruthless, swaying to others, and swaying away, treat people as improper!

Yes, that's right, this is the position between them!

Pulling the door, the moment she slammed the door ...

The sports car rushed out as if it were a detached arrow.

Yaoyao was taken down to the ground at once.

.

Episode 713

"Hmm ..." Sighed in pain, she lowered her head and glanced at her knees.

Take out the paper towel and wipe the blood on it.

Offensive!

Pure guilty!

She shouldn't go to Zeng Kairui, and she shouldn't go to the muddy water between Zeng Kairui and Yu Aotian.

It should not be considered too much.

It is clear that Zeng Kairui is the best person to deal with Yu Aotian, isn't he?

Why should she keep thinking about the benefits of Yu Aotian?

wrong!

Was wrong at the beginning, and he forgot his original intention and fundamentality.

How can I kill Yu Aotian, how can I come!

☎Bell ... Ring Bell ...'

Got up and took out his mobile phone from his bag.

Uh, Xiaoman?

What's going on at this night?

"Xiaoman? What's the matter?"

"Yao ... Yao Yao!"

On the phone, Gong Xiaoman's panic voice came, and Yao Yao knew something was wrong.

"Xiaoman? Xiaoman, what's wrong with you ?!"

"Luo Yao Yao!"

"Are you ... Xie Zhiqing?" What's the matter?

Xie Zhiqing is with Xiaoman?

This ... what the hell happened?

"Oh, your good friend, now in my hands."

"Xie Zhiqing! What do you mean?"

"It doesn't mean anything." Xie Zhiqing smiled slightly.

On the phone, Gong Xiaoman's painful voice kept coming.

Yaoyao frowned anxiously: "Xie Zhiqing, what are you doing to Xiaoman? Why did she ... why did she make such a voice ?!"

"Oh, don't worry, I just found someone to beat her. But ... maybe for a while, I will think of other tricks to torture her."

Heart, his throat was mentioned for a moment, Xie Zhiqing is such a cruel woman, she does not know.

"what on earth do you want?!"

"It's very simple. I want to make a deal with you!"

"Transaction? What transaction?"

"Yu Aotian has a recording chip of Deputy Prime Minister Zeng. I want you to steal it!"

It turned out that Xie Zhiqing kidnapped Xiaoman just to ask himself to steal the recording chip?

But ... "Xie Zhiqing, you're kidding. Who is Yu Aotian, you can't help not knowing.

How can I get something from him?"

"Um ... so, then ... you just wait to collect the corpse for your friend."

"what....."

Xie Zhiqing's words fell shortly, and immediately came the painful wailing of Gong Xiaoman.

Yaoyao's small face was suddenly scared white and white.

"Wait! Me, I will steal. I will steal, don't hurt Xiaoman. Xie Zhiqing, don't hurt her!"

"Oh. Listen. I will give you a week. For this matter, you are not allowed to notify Hanli, nor to tell anyone. Once I discover any changes in Yulongshe, Gong Xiaoman will die."

Don't notify Han Lisha?

Xie Zhiqing, don't you think this is impossible?

Moreover, it is not simpler to threaten President Han with Xiaoman and ask President Han to steal what damn chip there is from Aotian.

Could it be ...

Is she afraid that Yuao Tian will know about this?

Fear that he will come up with any countermeasures?

"Xie Zhiqing. You know the relationship between President Han and Xiaoman. Xiaoman disappeared for a week, and President Han will naturally know!"

"You can rest assured, your good friends, this week should be to visit the field. Han Lishu is silently looking forward to your good friends having fun in the field.

"

☹Clucking'

Heart, heavy sinking.

Xie Zhiqing really planned everything very well.

But she is still at a loss.

This thing came too suddenly, really too suddenly.

Chip and Xiaoman were kidnapped.

What should I do?!

"Okay! Within a week ... transaction!"

"Hmm, wait for your good news, bye." The phone hung up.

Yaoyao stood blankly by the quiet street, with the painful voice of Gong Xiaoman echoing constantly in his ear.

Xiaoman, you must not be okay!

Don't be okay.

As for that chip!?

Hey, where does Aotian usually put such important things?

Inside the apartment?

Do not!

There doesn't seem to be any place to store important things there, and Yu Aotian's character will never put important things in that pure land.

Where is Nanlu and Sister Angel?

Hiss ...

She has lived there for so long, and she has not found anything hidden there!

Where will it be placed!

Damn!

It just so happened that she had just quarreled with Yu Aotian again, and if she suddenly ran to find Yu Aotian at this time, it would be too abrupt.

What should I do?

How can we be more natural; how can we get a little closer to the whereabouts of the chip set by the Aotian?!

Yaoyao is anxious like an ant on a hot pot. I can't think of any good countermeasures and a way to approach Yuaotian!

☒Everyone in front of the television, the police found a male body in Hetang, Yuebian a day ago. After confirmation, he was shot dead.

After the police checked the DNA, it was found that the deceased was Feng Chenrui, the eldest son of the rich and windy family.

As you can see, there are already a number of media stationed at the door of Fengshi Group.

In front of the TV, several media are waiting outside the door of the Feng Group.

When Yaoyao walked out of the door of Fengshi Group, all the media swarmed: ☒Zuo Luo!

President Luo!

Do you have anything to say about the death of your uncle?

,

Yaoyao stood still and took off the sunglasses on his face coldly in front of the camera: 'Sorry, this is something the police should pay attention to, I have nothing to say.'

'Luo, it is reported that since you took over the position of President Feng, your uncle is quite dissatisfied.

Is the death of Master Feng Family related to it?'

'Oh, this media friend, I do n't know what you want to express. I have a legal background, at least I know what should be done, what should not be done.

In addition, my husband just passed away half a month ago, and now it 's my uncle 's turn. This is a disaster for me and for the Feng family.

I hope everyone can keep their hearts in awe of the dead.

Stop all interviews!

Thank you.'

The words fell, Yaoyao quickly killed the reporters under the guard of several bodyguards.

“Oh, President Luo!

President Luo!

Since you were married to Fengjia, the old lady of Fengjia passed away first; then you are your husband, and now it is the turn of Fengjia's young master.

The outside world calls you now ... '

Yaoyao's footsteps stopped, turned around and sneered: “Mourning Star?

Huh ... what time is it, do you still believe in this kind of thing?

I can't stop you from wandering, but ... I am worthy of the world.

How you want to comment is your freedom!

,

Throughout the interview, Yaoyao's attitude is unusually FEEL, which is very different from the previous one who showed an unnatural smile in the face of the media.

Can see that after this period of experience, Yaoyao has grown a lot, a lot.

"Pyro ..." TV screen is closed.

Yu Aotian, sitting in the State Council Office, exhaled lightly.

It has been 2 days since the last time they quarreled, and Yuotian also calmed down slowly.

He did not deny that, that day, his attitude was indeed excessive.

However, he was extremely sensitive to Zeng Kairui's affairs, not to mention Yaoyao's contact with Zeng Kairui.

Especially her sentence

Episode 714

☞ Yu Aotian, do n't forget, you are my mother 's enemy?

You are my enemy!

Hurt Yu Aotian's heart even more, so he wasn't suppressing his temper!

"Alas ..." He breathed a sigh of relief, Yu Aotian slowly took out the phone, pressed Yaoyao's mobile phone number, just about to dial

"Knockknock"

Knocking on the door, Yu Aotian quickly put away his phone: "Please come in."

"Chairman Yu." A middle-aged man walked in with a smile.

"Director Zhao, sit down."

The man pulled out the chair and sat opposite the Aotian.

"What's the matter? You came here in person?"

"Oh, it's not yet the birthday banquet of Deputy Prime Minister Zeng. It's now 5:30, let's go, go with me."

Yuotian knows that today is Zeng Kairui 's birthday party, so special overtime work has been added to the present, just to ... "I still have some work in my hand and do not cook, so do n't go?"

"Don't go? The big guys are gone. Are you not going to provoke gossip?" Chief Zhao looked mysteriously at the doorway and whispered: "Ah, alas, alas, I can hear people say it

, You do not deal with Deputy Prime Minister Zeng. "

"Oh, what's the matter. I can't talk to Deputy Prime Minister Zeng as a close friend, but I don't have any hatred." Yu Aotian smiled helplessly.

Director Zhao heard this: "Then you have to go even more. You think, you are the top three of the State Council, except for Deputy Prime Minister Zeng and the old Qi. It's you. You are not going, it's too conspicuous.

What do people think? Do you have to tell you that you have not dealt with Deputy Prime Minister Zeng? "

"Ah ..." Yuotian picked the corner of her lower lip and slowly closed the file in her hand: "It seems that in order to smash the rumors, I just have to go to work if I don't work."

"Go. My car will stop at the door, let's go together." Chief Zhao finished, and walked out of the office with Yu Aotian smiling ...

On the magnificent large cruise ship, the lights flashed, and the men and women dressed in Chinese clothes waited and talked on the deck.

To ensure privacy, Zeng Kairui's birthday party chose to celebrate on a cruise ship.

All the guests who came to this birthday party were hard-to-see political figures.

Up to the acting prime minister, down to the mayor.

The smallest official title is probably the mayor.

Of course, many well-known domestic rich businessmen also attended.

"Yu Director." The appearance of Yuaotian attracted many people's attention.

He politely greeted everyone and walked slowly to the acting Prime Minister and Premier Qi: "Prime Minister Yu and Premier Qi."

"Aotian, you are all a family with Lao Qi, are you so polite?" Yu Prime Minister quipped his joke.

"Prime Minister Yu, look at what you said. I and Miss Qi, I haven't said a word yet."

"Seriously, Aotian." Premier Qi mysteriously pulled Yu Aotian aside: "How far have you been with my girl? I asked her, and she didn't answer me. Tell me about it."

Yu Aotian smiled helplessly: "Premier Qi, Miss Qi and I have only met a few times alone."

"Ah? Aotian, you tell the truth, are you satisfied with my girl ?!" Premier Qi's question was very straightforward, which also undoubtedly showed his love for Yu aotian.

But ...

He said he was satisfied, shouldn't Prime Minister Qi tell him to marry Qi Xiner immediately?

To say dissatisfaction, this is undoubtedly not to face Premier Qi, but also depreciates the excellent Qi Xiner.

Helpless, Yu Aotian turned his eyes and smiled: "If I were a friend, of course I was very satisfied with Miss Qi."

"Your boy! It's really cunning. Okay, I don't care about your young people's affairs. But ... my girlfriend's friends are really few and not very active. You have to ask her more, you know?"

"Well. Certainly, certain ..."

"Okay, I will go to accompany the Prime Minister Yu."

"Ok."

Watching Premier Qi's back, Yu Aotian secretly breathed a sigh of relief.

He was only 28 years old, and he was forced to marry every day. It is estimated that in the next few years, his personal problems must be promoted to one of the necessary projects.

Walked towards the edge of the deck.

He leaned half on the armrest and stared blankly at the sea under the night.

"Drip ..." With the buzz of the ship, the luxurious cruise ship gradually sailed away from the shore.

"Well." At this moment, a woman not far away groaned painfully.

"Damn it!" She looked at the broken high heels and limped to the front of Yu Aotian: "Help me get it!"

Has no politeness at all, the woman seems to know Yu aotian for a long time, and squeezes the wine glass into the hands of Yu aotian.

Then he bent over and broke the high heel of the other shoe.

"Hey. This time it's done." The woman was quite satisfied with her masterpiece, raised her head, and patted Yu Aotian's shoulder with pride: "Thank you."

The moment I saw a woman's appearance, Yu Aotian's eyes could not help flashing a surprising luster!

To tell the truth, this woman is not a beautiful woman.

It can be said that, compared with the woman he saw, this woman is at best even a middle-class figure.

However, the fresh aura between her eyebrows made Yuaotian extremely familiar and nostalgic.

And the character of this woman is also similar to her ...

However ...

This 'she' is exactly the second girlfriend of Yu Aotian and the only woman who has been sentimental.

"What's your name?" The bottomless eyes looked at the woman up and down, and Yu Aotian said coldly.

"I? Hey, don't you think you should report your name before asking someone's name?" The woman's tone was very sharp.

Faced with this, Yu Aotian did not have any anger, but instead concealed the coldness of his body: "Yu Aotian.

"

"Uh ... you are the President Yu? My name is Lei Lei."

"Lei Lei?" At the moment when he heard the name, Yu Aotian's expression clearly crossed the incredible.

He didn't expect that not only the woman's character and appearance are like her ex-girlfriend, but even the name ... the same!?

"Why do you look so surprised? Do you know me?" Lei Lei asked tentatively.

Yu Aotian smiled helplessly: "My former girlfriend has the same name as you."

"Cut! It's an old-fashioned way of talking up. I said, President Yu, the senior officials of your government, do you use this method to pick up girls?"

"Oh." Yu Aotian smiled helplessly again and returned the wine glass in his hand to Lei Lei.

"I still have something to do. Let's go first." Turned around and left.

"Aotian, the banquet will start immediately, let's go in."

"Well." Yu Aotian followed the Prime Minister Yu into the cabin.

The banquet hall of this cabin is 100 meters high and has an area of 22 several thousand square meters. It can be said to be one of the most luxurious cruise ships in China.

Holding a wine glass, everyone stood quietly in the middle of the hall, waiting for today's birthday star Zeng Kairui to appear.

All of the lights in the hall were dimmed at once.

A spotlight slammed into the entrance ...

"This old man, the birthday party is like a wedding, it really has him!" Premier Qi standing at the end of the red carpet shook his head helplessly.

Episode 715

With the melodious music, the door at the entrance slowly opened, Zeng Kairui slowly walked in wearing an extremely formal black suit, he was still holding beside him ...

Yaoyao!

"That girl ..." Premier Qi immediately recognized the female companion brought by Zeng Kairui: "Isn't it the daughter of Lao Feng's daughter? How can I be with Lao Zeng?"

"Hi ... Aotian, was that girl the lawyer who was running for you as a member of the Politburo?" Yu Prime Minister turned his gaze to Yuaotian beside him.

He narrowed his eyes squinted coldly, barely squeezing a smile: "Well. Yes."

"Yo, this girl is quite capable. She is also a lawyer and a daughter-in-law of the Feng Xiao family. She also has friendship with the deputy prime minister. It is really young and promising. Shouldn't you look at the girl's age?"

Yu Aotian didn't hear what the Prime Minister Yu was saying, and the pair of piercing eyes looked at Yaoyao who was slowly walking in.

His big hand holding a wine glass was exposed, and the green bars on his forehead were also suddenly jumping.

Suddenly, the opening music was banned by a symphony.

Walking to the middle of the banquet hall, Zeng Kairui and Yao Yao jumped to the elegant waltz with the sound of music.

"Miss Luo's martial arts are really good." Zeng Kairui murmured in a low voice.

Yaoyao frowned slightly: "Deputy Prime Minister Zeng. According to your request, I have come and your female companion has also been taken. I don't know, when can you answer my question?"

2 hours ago ...

Zeng Kairui personally sent a car to Fengjia to pick Yaoyao away.

She didn't intend to come over at all, but ... Gong Xiaoman fell into Xie Zhiqing's hands. If Zeng Kairui's permission was not allowed, how could Xie Zhiqing dare to act?

When you arrive at the birthday banquet hall.

Yaoyao saw Zeng Kairui went straight in and said: "Deputy Prime Minister Zeng, my friend ... caught by your people, you should know about this matter?"

"Miss Luo, let 's talk back about this issue.

Since you are here, be my female partner now.

,

When the banquet had not officially started, Yao Yao wanted to talk to Zeng Kairui several times about this issue. Unfortunately, there were too many people who gave Zeng Kairui He Shou.

And this time, it seems to be the best time!

"This is the case. Deputy Prime Minister Zeng, I have already started to deploy the chip that was stolen from Yu Aotian. I will only ask you one thing to tell Xie Zhiqing not to hurt my friend, can it?"

"Miss Luo ..." Zeng Kairui smiled with difficulty. "Some things are not to say, I can control it. You should understand this sentence that will make some difference in foreign military orders. But, I believe,

As long as you get things done, everything will be as you wish. "

Yaoyao really admired Zeng Kairui's language ability and could not find any loopholes at all.

The outsider could not hear what he said, but the person who knew the matter could immediately hear the threat in his words.

That is to say, if she can't handle this matter, Xiaoman will die, right?!

The eyes with implied anger gradually hung down, Yu Guang inadvertently leaned towards the Aotian standing in the crowd!

Heart, twitched abruptly.

How did Aotian come?

I thought he would not attend Zeng Kairui's birthday party.

Quickly recover Yu Guang.

At this moment, Yaoyao didn't dare to look at Yuaotian more, because she had already felt how terrible the anger he covered him ...

The melodious symphony finally ended.

With warm applause in the hall, the light gradually recovered.

Yaoyao barely squeezed out a smiley face, holding Zeng Kairui's arm in his hand, and walked slowly towards the rest of the heads of the red carpet.

Of course, there is also a figure of Yu aotian.

"Deputy Prime Minister Zeng, Happy Birthday." Under the leadership of Prime Minister Yu, everyone raised the wine glass in their hands and sipped it out.

Zeng Kairui Ruya smiled: "Thank you all. I would also like to especially thank Prime Minister Yu, Prime Minister Qi, and of course, President Yu for coming."

Among the more than 100 people who came to the birthday party, Deputy Prime Minister Zeng and Deputy Prime Minister Yu have basically the same rank, followed by Premier Qi and Yu Aotian.

Zeng Kairui can especially thank these people, enough to witness the extraordinary status of these people.

"Lao Zeng, when did you know Mrs. Feng?" Premier Qi asked confusedly.

"Your birthday." Zeng Kairui lightly hugged Xia Yaoyao's shoulder: "This girl is very powerful. At a young age, she is an international lawyer, so I think of bringing her today, with a special introduction

Let everyone know and know. "His eyes gradually turned to Yu Aotian:" Miss Luo, take this opportunity to pat the director's ass quickly. Now the State Council is handling everything big and small, if you want to enter the State Council,

You have to rely on him! "

"Yu, President Yu, hello." The lowered eyes gradually lifted, Yao Yao stretched out her hand, barely squeezing a smiley face.

Kei Aotian was extremely indifferent: "Miss Luo, are you so polite with me?" One hand inserted into your pocket.

Yaoyao withdrew her raised hand embarrassingly. She knew that although Yuaotian's tone sounded peaceful, the act of not shaking hands was enough ironic.

"Lao Zeng, don't you know that Mrs. Feng and Mr. Yu have known each other for a long time? Are you still referring you?"

"How could I not know?" Zeng Kairui sighed helplessly: "But the question is, President Yu, you have such a powerful lawyer by your side. They don't bring us in politics, are you planning to hide it?"

"Oh, that's how I hid it, didn't you ... was it dug out by Deputy Prime Minister Zeng ?!" When Yu Aotian said this, he glanced subconsciously at the end of his eyes without saying a word.

Yaoyao.

"Of course, the talents must be excavated.

" Zeng Kairui smiled and took Yao Yao's shoulder: "Miss Luo, you hurry up to communicate with Chairman Yu, please beg him and call him

Take you into the State Council. "

"Yeah. Aotian, you know, we really don't have talents like international lawyers in the State Council. In fact, it's nice that you consider and consider recruiting Miss Luo." Prime Minister Yu's tone is very sincere.

Count the whole world, and there are only a few world-class senior lawyers.

Therefore, the country will certainly do everything possible to bring talents like Yaoyao into politics.

"Yu"

"Prime Minister Yu, I will talk to Miss Luo slowly about this matter."

Yaoyao wanted to reject everyone's good intentions, who knows, Yu Aotian took the lead in opening his mouth.

"Well. Then you negotiate slowly with Miss Luo." Prime Minister Yu smiled at Zeng Kairui: "Deputy Prime Minister Zeng, how did you arrange the visit to Japan that you told me earlier?"

"Oh, this matter, I'm thinking about candidates." Zeng Kairui and Yu Shoufei chatted and walked away.

Suddenly gave Yaoyao and Yuaotian the chance to be alone.

Noisy banquet, the atmosphere is fiery, but the realm of Yuaotian and Yaoyao is very cold.

The two stood face-to-face for a while, or did Yuaotian break the deadlock first: "Do you want to participate in politics?"

"No." He slowly lifted his eyes, and when he met Yuaotian's eyes, he realized that the gloss in his eyes was such that there was no temperature.

Episode 716

"Since I have no interest in politics, why should I be so close to Zeng Kairui?"

Yaoyao was asked some confusion, but he could n't say that he was so close to Zeng Kairui because he was kidnapped?

"You know, Deputy Prime Minister Zeng can help me."

"Oh, can he help you?" Yu Aotian smiled dismissively, raised the wine glass in his hand, and took a sip of the wine: "Stay away from him!" The words with orders fell.

"No!" Yaoyao gave no negative answer without any retreat.

At this moment, Yuaotian's hand in his pocket clenched into a fist.

"Small thing, now someone is going to kill Zeng Kairui, you stay by his side, be careful and get involved!"

Looking at Yuaotian's dreadful eyes, Yaoyao was puzzled. How did Yuaotian know about this?

Could he kill Zeng Kairui?

Impossible, he has already made a clear stand, and will pull down Zeng Kairui by means of fairness!

That would be ... who wants to kill Zeng Kairui?!

Could it be ...

Will be related to Feng Chenrui's death?

Undoubtedly, the moment Yao Yao received Feng Chenrui's death, he was sure that this matter was done by Yuao Tian!

"Thank you for your reminder, I will pay attention to myself!" Turn around, just about to leave.

Yu Aotian took her by the arm: "You ..."

"Yu Director, your girlfriend?" At this moment, Lei Lei walked beside them with a smile.

Yuaotian had to let go of Yaoyao's arm and said coldly, "No."

"Oh." Lei Lei nodded politely to Yaoyao: "Miss, don't you mind if I dance with the long director Yu?"

Glanced at Yuaotian beside his eyes.

"do not mind."

"Hehe, President Yu, please ..."

"Miss Lei, she doesn't mind, don't you ask me if I mind?" Yu Aotian asked blankly.

Lei Lei patted his chest without shyness: "Hey, hello, I am a girl asking you to dance with a big man, what do you mind?"

"Oh." For this woman vaguely similar to her ex-girlfriend, Yu Aotian was obviously unable to parry.

His eyes turned to Yao Yao beside him: "Miss Luo, get involved." After the cup in his hand was delivered to her, he walked with Lei Lei into the dance floor of the banquet center.

In an instant, many eyes in the banquet were cast on Yuotian as if he was the protagonist of this banquet.

His beautiful appearance is matched with elegant dance steps, just like a prince from a fairy tale. It is difficult for people to not look at him.

"Oh, oh, look at the ladies at the scene, it is estimated that they are drooling?" A man standing on the edge of the dance floor joked.

"Oh, who doesn't know that Chairman Yu is a big fan of our politics? It's almost all young and old killing, and it's no wonder that he is not married now, and I will not be planted in the hands of a woman if I are asked.

"Yes.

" The man nodded in agreement, and then took out his phone from his pocket.

"what are you doing?"

"Video recording."

"What's the video?"

"Ah, don't mention it. The little girls in our department know that I am coming to the birthday dinner of Deputy Prime Minister Zeng. They keep asking me if President Yu will come over. Say, if you come, you must ask me to shoot

A few pictures. You see, the director Yu Chang dances so well, if the group of girls sees them, they must not be greedy to death? "

"You are really bad enough. I guess you have finished reading them, and they will not be able to get into the State Council to" abduct "the chairman of the Royal Commission? Hahaha."

Listening to the whispers of the two men in front of him, Yaoyao smiled faintly.

Yuaotian was already well received before.

Now adding the status of the top three, it will definitely be the object of all women who are scrambling to marry.

'S eyes gradually turned to the center of the dance floor, think about it, she never seemed to dance with Yu Aotian.

However, at her height, dancing with Yu Aotian will be laughed at?

Ah.....

Suddenly, Yuaotian, who was dancing with Lei Lei, suddenly turned to Yaoyao.

The moment they stared at each other, she snapped a cold.

Yu Aotian's eyes ...

It's terrible!

Should he be angry?

Angry that he attended this birthday party with Zeng Kairui?

Angry No matter how he persuaded himself, he insisted on staying with Deputy Prime Minister Zeng?

Whether he should explain to him, actually he did n't want to come to participate at all.

However, Yaoyao thought about it, or forget it.

Even after explaining the matter clearly, when she stole the chip, Yu Aotian would still be violently thunderous.

It's better to move towards the relationship of true enemies a little bit, just like now ...

When the birthday party reached its climax, the lights of the banquet hall dimmed again.

At the same time, the melodious birthday song also rang.

I saw that a waiter slowly pushed a 10-layer cake to Zeng Kairui.

"Deputy Prime Minister Zeng, make a wish." The crowd did not know who came up with a word.

Zeng Kairui Ruya smiled and said: "I am at this age, so I wouldn't engage in this kind of play." Then, he beckoned to Yaoyao not far away: "Come, little girl."

"Me?" She exaggerated her mouth widened.

"Yes. Come and cut the cake with me."

"Oh, deputy prime minister Zeng took you so seriously, you are not hurrying past?" A man standing beside Yaoyao nudged her.

Small body stumbled from the crowd.

Suddenly, everyone's eyes gathered on Yaoyao.

Seeing her as embarrassing, it was as if she had patted Zeng Kairui behind her.

It's really strange. Zeng Kairui called himself as his female companion, and invited himself to accompany him to cut the cake.

What the hell is going on?

Can't always, really want to bring her into politics?

Couldn't have ...

Yu Guang subconsciously glanced at Yuotian not far away. Although the lights in the banquet hall were dark, she still saw a more cold look on his face.

Zeng Kairui originally wanted to provoke alienation?!

He was so accurate that he did n't dare to tell Yu Aotian about Xiaoman 's kidnapping anyway, right?

So you can call Yuaotian unscrupulously mistakenly thinking that you intend to turn to Zeng Kairui?

High, really smart tricks!

Sitting on the hill to watch the tiger fight.

However, she really is an enemy with Yuaotian!

With a bitter smile in his heart, Yaoyao walked slowly to Zeng Kairui's side and picked up the knife beside the cake with him.

Go down with a knife.

She and Zeng Kairui together noticed what seemed to be in the cake.

Zeng Kairui quickly grabbed the knife and fiddled with the obstructing cake. I saw ...

A bomb is counting down!

"Deputy Prime Minister Zeng ?!" Everyone seemed to have sensed something wrong, and they all showed doubtful eyes.

"There is a bomb!" With Zeng Kairui's words dropped.

All security personnel in the banquet hall responded sensitively to the division of labor to protect important political leaders.

A dozen security personnel quickly rushed to Zeng Kairui.

However, the countdown of the bomb was only 10 seconds.

Yao Yao subconsciously wanted to escape, but the security personnel who came to protect Zeng Kairui squeezed her to the ground.

.

Episode 717

At this time, everyone must be the first to protect a few leaders, who will control her life and death?!

However, while the crowd evacuated outward, Yu Aotian hurried towards the cake position ...

"Chairman Yu, dangerous!" Several security personnel responsible for protecting him took his arm firmly.

Yu Aotian's face sank, and he threw away the man's hand, and sensitively pulled Yao Yao who fell to the ground.

At this moment, time seems to freeze ...

When everyone chooses to protect themselves and be protected, Yuotian, who is an important leader, completely ignores life and death. The first reaction is to protect Yaoyao, which is ignored by everyone.

Couldn't describe her heart at this time, her heart seemed to be stabbed like something stung.

This is not the first time Aotian has protected her at a critical moment.

He was so angry, obviously he was so concerned about being with Zeng Kairui, but ... At this moment, he still got rid of all his anger and ran over ...

Is guilt?

Still moved, unable to speak.

Because ...

In the future, she had to hurt Yuao Tian once, inevitably, and she couldn't look back!

"Yu Director!" A number of security personnel rushed towards Yu Aotian nervously.

Yu Guang glanced at the bomb counter hidden in the cake, and his pupil dilated instantly.

The next second, he threw Yaoyao to the ground and wrapped her small body firmly.

"Yu ... proud ... God ?!" A small face crossed the pale look ...

Next ...

A bang of a huge explosion completely cut through the quiet sea ...

The strong flame permeated the entire cabin.

The rescue fleet arrived within three minutes, quickly transporting the injured and important leaders.

Since this matter has been implicated in the image of the country, the rescue fleet still stays on the sea and dare not call the shore.

"How is it ?!" In the cabin, Prime Minister Qi, slightly injured, seriously questioned several colonels in military uniforms.

"Prime Minister Qi.

The statistics have been completed. A total of 28 injured people."

"How are the feelings of Prime Minister Yu, Chairman Yu and Deputy Prime Minister Zeng ?!" Before the explosion, Yu Aotian and Zeng Kairui were the closest to the explosion.

"Prime Minister Yu is slightly injured, and the military doctor is dealing with the wound of the Prime Minister's lord; Deputy Prime Minister Zeng is in a coma, and the military doctor has checked it, and it seems to be no problem. As for the royal director ..." The colonel showed a dilemma.

"How is Chairman Yu?"

"Because the long-distance director is the closest to the explosives, he is seriously injured and needs to be transfused immediately."

Prince Qi heard this, and fisted furiously: "That's not a hurry to give blood to the president."

"The ship carrying the blood bank is coming, and the military doctor has begun to solicit the same blood from everyone for fear of delaying the time of the rescue director."

"Well!" Premier Qi nodded slightly and sat on his chair solemnly: "This time, Deputy Prime Minister Zeng's birthday banquet was very tightly secured. How could this happen?"

"Prime Minister Qi, we initially suspected that it was due to the acquisition of our own people."

"Huh! It's ridiculous! If this matter is known to the outside world, we still have to laugh at our Chinese side? The leaders of a ship are almost killed?" Premier Qi became more and more annoyed: "In any case, this matter must be given

I am completely clear! "

"Yes."

"Also ... notify everyone on board that this matter must be kept secret."

There is no doubt that this explosion symbolized a security breach in China.

Oneself can be bought easily, and the bomb is not detected by the metal detector.

Apart from negligence, there seems to be no other words.

"Got it, Premier Qi."

In the lounge of the cabin, Yaoyao lay pale on the bed.

The brain seemed to stay at the moment before the explosion.

The man's warm body wrapped her tightly. At that moment she was really at ease, not afraid of the bomb exploding at all, not even thinking about death.

Because she knows that Yu Aotian is here, she will not die.

Even if it really died, it seems to have become less terrible.

This may be an invisible sense of dependence.

I don't know when she will start. She has gradually changed from a fear of Yu aotian to a reliant dependence .

..

"Yu Aotian!" Suddenly opened his eyes, Yaoyao sat up quickly, staring panicly at the small bedroom.

"Miss Luo, do you feel uncomfortable when you wake up?"

Looked at the military doctor in a white coat beside her.

"Yu, President Yu? What about President Yu?"

"The director-in-chief is seriously injured and needs blood transfusion, but a suitable blood source has been found."

Drooped his eyes and looked at the bandage wrapped around his body, except for the few burning and painful feelings in those wounds.

All of this is because of Aotian.

Because of his protection, she suffered such minor injuries, but he ...

"Oh, Miss Luo, I heard everyone say that the director-in-chief is hurt to protect you, is this the case?"
The military doctor asked curiously.

Yaoyao nodded in embarrassment.

"Well, the director-general is really great. This is the first time I have seen the leader lay down to protect ordinary people." The military doctor's words are quite normal.

For important leaders, they must put their first personal safety first.

This is not selfishness, but the country needs them, so they can't be lost.

Therefore, like the scene just now, even if Yaoyao is in distress, several leaders will not say anything if they don't help each other.

"Yeah ... heh, hehe, it's great ..." Yao Yao reluctantly smiled.

"Miss Luo, are you going to visit Chairman Xiayu?"

"I ..." An urgent light flashed in his eyes, but in a moment, it dimmed.

"I .

.. I still don't go."

"Huh?" The military doctor did not expect Yao Yao to have such an attitude.

She could even feel the military doctor's contempt for herself, but ... even if she went, what could she do?

Small hands, tightly held the corner.

At this moment, Yaoyao's heart is being tortured and torn by pain.

"Excuse me, when can I leave?"

"The ship should be docked within a few hours, you can leave after docking."

"Thank you ... Thank you ..." Barely thank you with a normal voice. Yaoyao quickly lay on the bed and pulled her quilt over her head.

The salty tears instantly flooded her eyes ...

In the superior bedroom of the warship, more than 20 midfielders dressed in navy guarded outside the room.

In the room, three generals and two generals sat in the hall with serious faces.

"Report! Leaders, President Yu has regained consciousness!" A military doctor saluted a military salute.

Five leaders in the living room rushed into the bedroom.

"Chairman Yu!"

"Yu Director, you finally woke up !?"

Yu Aotian had bandages on his body, legs and head, and his handsome face looked pale at the moment.

"Oh, why are you here?" As he said, he was about to get up..

Episode 718

"I'm fine." Yu Aotian sat up strenuously, and twisted his neck together: "Look, I can move."

"Haha, Director Yu, your physical fitness is really good. If you change someone else, you may have to lie in bed for a few days." The general spoke to the general commander of the army.

"Oh. Unexpectedly, how many of you were shocked by this explosion?" Yu Aotian smiled and glanced at the leaders of the Chinese military who stood in front of him.

There is no doubt that the biggest leaders in the whole country are the prime minister and the deputy prime minister.

Below, it is divided into two lines of political and military circles.

The leaders of the political circles are Premier Qi and Yu Aotian; the leaders of the military are the three admirals standing in front of him, the sea, the land and the air, followed by the two lieutenants.

"It wasn't this explosion that alarmed us, it was the imperial director that you were injured and alarmed us. We came here to visit you deliberately." Air Force Commander Cixiang smiled.

It can be seen how good the personality of Yuotian is. Even the three military commanders came to visit him personally.

"Oh, then I was really flattered."

"Chairman Yu, don't say that. Our command has submitted many proposals to the State Council, and every time you give your personal opinions, all the military strategies are carried out quickly and safely. Your accident, How can we just take a look? "

"Oh, thank you for your record." Aotian and the military commanders briefly exchanged a few words, and the people left.

"Little Sun." Just after the forefoot of the military leaders left, Yu Aotian called out the guard at the door.

"Yu Director, what do you instruct?"

"what time is it now?"

"9 am the next day."

In other words, did he faint all night? "How is Miss Luo's injury?"

"Miss Luo?" The guard pondered: "Oh, the lady you are protecting, isn't she? She was only slightly injured, no big deal."

Yu Aotian heard this, a little relieved: "Where is she now arranged to live?" He got up, picked up the clothes hanging on the hanger, and put it on with effort.

"Chairman Yu, that lady ... After the warship docked, she ... has left."

"left?"

"Yeah." The guard whispered helplessly and muttered softly: "To protect her from such a serious injury, she should come and see you even if she didn't say thank you, but ... she came Haven't been here ...

"

Hearing this, Yu Aotian glared at Xiao Sun fiercely. But under his eyes, a faint luster appeared looming ...

"Yes, President Yu, when you were in a coma, Prime Minister Qi came, he told me to tell you that he has returned to the State Council first, so you can take a good rest, you can temporarily not worry about work.

"Hmm." Nodded blankly, Yuotian just got back on the bed, but immediately got up and took the door.

"Oh? President Yu, where are you going?"

"I just go home and go to rest."

"Yes, then I will send a car to take you back immediately." Then, Xiaosun hurriedly contacted several officers and sent Yuao directly to the warship.

The car that drove him away was docked at the pier, and Yu Aotian got on the bus accompanied by four officers and guarding Sun.

The military jeep had just left the dock, and the driver quickly applied the brakes.

"What's the matter? Don't you know that Director Yu is hurting now ?!" Xiao Sun angered the driver who was driving.

The driver turned back innocently: "Sorry, President Yu, a girl suddenly fell in front of our car, and I ... couldn't help it."

"It's okay. Xiaosun, you get off to see what's going on."

"Yes, President Yu." The guard Xiaosun quickly walked off the car and ran back with a girl holding her breathlessly. "Yu, President Yu, this is the girl who saved you!"

Looking at the little sun standing outside the car, Yu Aotian's deep eyes gradually cast on the girl in his arms ...

is her!

"Little Sun, what did you say saved my girl?"

"This is the case. After you are injured, you need blood urgently, and the vessel responsible for transporting the blood bank has not arrived.

So the girl's blood type is the same as yours, and she volunteered blood for you. Listening to the military doctor, she has already donated It's almost the basic amount of blood donation. It is estimated that she will draw a lot of blood before she will be dizzy. "

"Such ..." Yuao Tian nodded thoughtfully.

"Director Yu, what should I do now?"

'S bottomless glance glanced at the woman's pale face. He waved his hand: "Send her to my house too."

"Yes!" As he said, Xiao Sun held Lei Lei and returned to the jeep ...

Three days later, Feng's Group ...

"The inspection of Nissan Enterprises will start from the day after tomorrow. We have sent the Assistant Director of Nissan Enterprises to conduct the inspection. President Luo, this is the inspection process." In the conference room, the department manager finished the brief description and submitted a report. In front of Yaoyao.

She lowered her head and kept refreshing her mobile phone, not paying attention to the doubtful eyes of everyone.

Heiyan Dragon sitting on the right hand frowned: "Cough! Cough!" Coughed hard twice.

Yaoyao recovered, and looked up to the department manager standing in front of him: "Ah?" The blank eyes looked around.

"Mr. Luo, this is the check-up process, please trouble you for the moment!" Hei Yanlong aggravated his tone.

She hurriedly received the plan letter from the department manager: "Oh, okay, okay, I will look back." A smile smiled reluctantly: "Everyone, is there anything else to report? If it's ok, then ... Let's break up. "

Everyone glanced at each other one by one, and in Yaoyao's current state, they could not report even if something happened.

Everyone left the meeting room one by one.

Yaoyao was still sitting in his position and kept looking at his mobile phone. Hey, it's been almost three days. How come there is no news? I wonder if you missed calls and text messages?

"Luo Yaoyao!" Heiyan Dragon was really intolerable. After everyone left, he patted the table angrily.

Yaoyao was so scared that he kicked his whole body: "Black, Vice President You, are you okay?"

"I see, it's you who has something to do now!" Get up, and quickly rushed to her: "What are you doing to me these days? Wandering? Looking at the phone every day in meetings and in the office? If you don't want to work, Just ask for leave, don't run here to waste everyone's time! "Hei Yanlong has always been a man who doesn't rub sand in his eyes, how can he see Yaoyao who is doing such a half-hearted job in his eyes?"

"Hug, sorry, Vice President Hei. I have these days ... I really have something to do these days." Since she received the message that Gong Xiaoman was kidnapped, where else would she think about handling the company's affairs? Every day I was thinking about how to save Xiaoman, or how to steal the chip from Yuaotian.

"Listen, Luo Yaoyao, Yu Gong, if you are in trouble, you can ask for leave; Yu Private, if you really encounter any problems in life, you can ask me for help. But you can't bring private emotions to the company, okay? ?! "

Episode 719

Looking at Heiyan Longtieqing's face, Yaoyao guiltily pursed her mouth and said: "I'm sorry. Then I ... please leave."

"Wait." Black Flame Dragon grabbed her arm, and the serious face gradually softened: "What happened?"

"A very serious matter. But ... I can't tell you."

Yaoyao said this to this part, it can be seen that Hei Yanlong has been regarded as an intimate friend. Otherwise, she can say nothing, rather than saying that things are serious and can't tell you.

"I get it. I will deal with the company's affairs. As for your private affairs, if you need my help, tell me."

"Black ..." stopped talking, she nodded gratefully: "Well." It would be nice if he could really help Heiyan Dragon, but this matter, no one can help! However, the fact that he could temporarily take over the company has helped her a lot. "Thank you, Vice President Black ..."

The phrase "Py, Py" waiting for Yaoyao just fell. The information on her mobile phone was passed on.

Less to open the message ...

☑ Things have progressed. See you at 22 Changping Street half an hour later. '

"Ha!" The moment I saw the text message, Yaoyao's small face full of sadness suddenly turned a trace of cloud fog: "Vice Vice President, the company's affairs will trouble you next. I'm gone!"

Not waiting for the Black Flame Dragon to reply, she ran straight to the underground garage like a ray of wind.

Took the car, opened the storage box of the car in front, took out the inside and grabbed it in the handbag. Straight to the location on the information and speeding away.

About half an hour later, Yaoyao arrived at the appointment place on time.

No.

22 Changping Street is an abandoned courtyard house. She looked around the quiet street, and after confirming that no one was there, she parked her car slowly at the door.

Pushed open two worn wooden doors. In the courtyard, three men stood. And standing between these three men is ...

Lei Lei who appeared at Zeng Kairui's birthday party!

Yao Yao glanced blankly at the three men: "Who are they ?!"

"My buddy!" Lei Lei took out a cigarette, lit it handsomely, and took a deep breath.

Seeing this, Yaoyao rushed forward with one arrow, grabbed the burning smoke from Lei Lei's hand, and the heavy ones were still on the ground: "Are you crazy? Still smoking ?! You and Yuaotian When they were together, they also stolen cigarettes? "

"No. I haven't smoked when I lived in his house these days." Lei Lei shrugged unconsciously, staring blankly at the angry Yaoyao.

"Isn't Yuaotian suspicious of you these days?"

"It shouldn't be." Lei Lei put his hands in his pockets and smiled like a fool: "However, Director Yu is really a perfect man who can't be seen. Basically there is nothing he can't. And ... very, very Gentleman. I'm almost in love with him! "

Since Lei Lei collapsed on the roadside and was taken away by Yu Aotian, he has been living in his villa.

On one side, she healed her body; on the other side, Yuaotian also healed her body. The two can be said to be basically opposite each other.

Lei Lei naturally couldn't resist the charm of this perfect male god. When she told Yao Yao about all this, her saliva was almost running down.

However, Yaoyao always has a stern face: "You better not forget it for me, what is the purpose of sending you to Yuaotian!"

Yes!

This girl named Lei Lei, no, or should be called her real name, Yang Zhaoxi. It was Yaoyao's special arrangement next to Yuotian!

Five nights ago, she received a message that Gong Xiaoman was abducted, like an ant on a hot pot.

Throughout the night, I was thinking about how to approach Yu Aotian as quickly as possible, and gain his trust, and set out the whereabouts of the chip.

Finally, she remembered what Miyako had said when she returned from Japan!

☑Yu Aotian liked a girl when she was 18 years old. The girl was not very beautiful, but her character was extremely brilliant, lively, cheerful, and very capable. '

☑At the first meeting, Yu Aotian was obviously attracted by the girl 's fearlessness and fearlessness. Unfortunately, in the end, the girl disappeared because of gang rape ... '

Yaoyao is not sure whether Yuotian still has feelings for this girl, but she can be sure that this girl will be a pity for Yuotian in this life!

So, on the morning of that day, she immediately contacted the Japanese detective to find out the girl's information at a high price.

That afternoon, the girl 's information was sent to Yaoyao 's mailbox.

From the photos, the girl did not have the beauty of the country, but the spirituality of the eyebrows was so fresh.

The data shows that the girl is 26 years old, 2 years younger than Yuaotian.

If it is estimated that she and Yu Aotian know the age, but only 16 years old, it seems to be in the flower season.

However, Yuaotian was also at the time. Yaoyao believed that the love at that time must be the most innocent, the most beautiful, and the most memorable for Yuaotian. I did not expect the girl to fall into that end.

Can also be seen from this, Yu Aotian is different from some superficial men who only look at their appearance. What seems to move him seems to be more of a woman's character.

Yu Yaoya's overwhelming emotion Yuyutian passed. She compared Lei Lei's photos and sneaked into the population resource library. According to the similarity of the photos, she found a total of 10 girls close to Lei Lei's appearance.

After choosing from these 10, Yao Yao chose Yang Zhaoxi in the end.

The reason is that Yang Zhaoxi 's age is consistent with Lei Lei 's, and she was born in a humble beginning. He has a complicated past, and his temperament seems to be more in line with Xiaotaimei. And, I also learned acting.

This is more favorable for Yang Zhaoxi to grasp the role of Lei Lei.

So, Yaoyao quickly contacted Yang Zhaoxi and offered 1 million to ask her to play Lei Lei, the ex-girlfriend of Yuotian.

Lively, cheerful, capable, not afraid of the sky, not afraid of the ground, became her character requirements for Yang Zhaoxi.

After all, Lei Lei attracted Yu Aotian's personality factors, then as long as Yang Zhaoxi grasped the personality characteristics, he could give Yu Aotian the illusion of acquaintance at first sight. It's time.

To ensure that everything is lost, Yaoyao also temporarily modified Yang Zhaoxi's personal file in the intelligence bureau.

But the characters are there, and Yaoyao's headache is to arrange the place where they meet.

It happened that Zeng Kairui sent a car to take her to the birthday party that night, and she pushed Yang Zhaoxi into the birthday party.

So ... there was a scene where Yang Zhaoxi and Yu Aotian met!

"Relax, I will not forget what is the purpose of arranging me next to Chairman Yu. But ..." Yang Zhaoxi turned around and smiled strangely: "If I were with Chairman Yu, it would not be one. A million questions? "

Oh, she knew that Yang Zhaoxi would have thoughts! "What do you mean? Yang Zhaoxi, I tell you, I'm busy now, and I don't have time to waste time with you, don't you say things have progressed? Give me information!"

"Ah, there is no progress. Actually, there is no progress. It's just that I got along well with Director Yu these days. He respected me as a guest. Oh, yes, he fed me water." At that time, don't mention the happy smile on the face.

Episode 720

Questionable ...

"I don't want information about your relationship with Yu Aotian! Yang Zhaoxi, what kind of tricks are you doing?! Don't you want money?!" Yaoyao growled angrily.

Yang Zhaoxi smiled with a smile: "Money? What is your one million yuan? I have checked how many assets President Yu has. If I coax him well, he sleeps with me once, and it is estimated that he has more money than you gave!" "

This Yang Zhaoxi is shameless! "Don't forget, I know you deliberately pretend to be Lei Lei. If Yu Aotian knows this, do you think you can get a dime from him? Yang Zhaoxi, don't think about eating inside!"

"Yeah, don't you know my true identity? You even modified my files. If you die ... no one in this world knows my secret ... isn't it?" When falling, Yang Zhaoxi glanced strangely at the three men beside him.

The three men slowly approached Yaoyao.

it is good! well! Yaoyao clenched his fists angrily, quickly pulled out the prepared pistol from the bag, grabbed Yang Zhaoxi's collar, and held her chin with the gun!

"Gun?" In an instant, everyone was stupid, and the three men stood still on the ground without moving. For these ordinary people, how could they ever see the gun. "Luo ... Miss Luo, why do you have a gun?"

Oh, she was afraid that Yang Zhaoxi was a woman who played with yin, so she put the gun in her bag before coming, in case she only needs it from time to time, who knows it comes in handy!

"Zhaoxi, will it ... be fake?" One of the men shivered.

Yaoyao's cold eyes glanced at the man: "Fake?" Raised the muzzle in his hand and rushed to the sky, banging, pulling the trigger.

Everyone was scared and slumped on the ground, shaking all over the body.

"This time, do you think that the guy in my hand is really ... or is it fake?" A dark smile flickered to the corner of his mouth.

The few people sitting on the ground nodded innocently.

Yaoyao stepped forward, and the gun in his hand pressed Yang Zhaoxi's head hard: "I tell you. The game in my hand should be borrowed from Yuotian! His real character is not what you think The one I saw. Also ... "

The small body bent slightly, and she lay murmured coldly next to Zhan Zhaoxi's ear: "I want to tell you one thing in particular. I only modified your personal file for 7 days. After 7 days, it automatically restores its original appearance. Yu Aotian If we find out, we will die together! "Xiao Luo, she quickly withdrew the gun in her bag:" There are 2 days left, what should you do, you should know? "

"I know ... I know."

"Very good." Yaoyao smiled with satisfaction, and turned to leave ...

"Luo ... Miss Luo. Actually ... in fact, you know the director Yu so much, and the director Yu is still exploding, saving herself to save you, why don't you ...

go ... to investigate the whereabouts of that chip. "

Heard Yang Zhaoxi's question, Yaoyao's footsteps stopped suddenly.

Because ... she was afraid she would be exposed ...

Because ... Yuaotian knows her too well ...

Because ... she can't stay with Yu Aotian for so long ...

Because ... she doesn't want to increase any relationship with Yuaotian, in the end ... only a more painful ending!

The impatient luster moved between the eyes. Yaoyao clenched his fists and said coldly: "It has nothing to do with you!" Quickly, he walked out of the abandoned courtyard and suddenly started the car.

On the way, Yaoyao kept pointing the steering wheel with his fingers, and there were 2 days left! 2 days left! What if Yang Zhaoxi is unsuccessful? !

No way! No way! No way!

Can't put all the bets on Yang Zhaoxi.

Quickly took out the phone, she bit her lower lip hard, took a deep breath, and slowly dialed Yuaotian's mobile phone ...

"What's the matter?" There was a condensed voice from Yuaotian on the phone.

Can feel that either he is in a bad mood now; or he is mad at her! "where are you?"

"Where you lived before."

Where have you lived before? Yaoyao seemed to think of where it was and quickly turned the steering wheel ..

. "I ... want to see you."

"is there anything?"

The gloss of her eyes gradually darkened, and she swallowed with a choked spit: "Is your injury better?"

"Much better. If there is nothing important, don't come."

"Here ..." quickly applied the brake. Yaoyao looked at the villa not far away ...

There was the place where she had lived before; it was also where she lived as a lover for Yuaotian.

"Oh ..." Hanged up the phone without expression. Her car parked quietly by the roadside, her eyes never moving away from the villa full of painful memories.

However, there is also a starting point for her and Yuaotian to know each other.

"Hoo ..." A long breath, Yaoyao leaned on the seat weakly.

After a long time, she started the car again and ran away all the way ...

After a while, the speeding sports car was parked in front of the apartment where Aotian and others lived. Yaoyao took the elevator to the floor where Long Ye lived.

Knocked on the door with "knockknock".

"Squeak", the door opened: "Yes, sister, why are you?"

"Brother. I'm here to get something. Do you have the key to the Royal Family?"

"Yes. Why don't you find Aotian to ask for it?" Long Ye hugged her hands in front of her and leaned against the door frame, squeezing her eyebrows with a smirk: "Aren't you ... um?"

Hehe, it seems that Long Ye's brother did not know that there was a change between them.

Probably, in the memory of Long Ye's brother, everything still stays on the day when she and Yu Aotian wear a couple.

"I didn't tell Yu Aotian when I came. You know, he was injured, so I'm not embarrassed to trouble him."

"Yes, he has been living in the place where you have lived before. What do you come to get, do you want me to help?"

"No more, no more. I just couldn't find a piece of clothing. I wondered if I would fall here." Yao Yao scratched her head pretending to be embarrassed.

"Oh. Come on, you wait for me." Long Ye turned and entered the room, and gave Yaoyao the key to the door of Yuao Tianfang in a little while.

"Brother, trouble you, then I'll go get something. Come over a while and return the key to you."

"Well, okay."

Bid farewell to Long Ye, Yaoyao anxiously opened the door of Yuaotian's apartment with the key.

Although vaguely feels that Aotian should not put the chip here, but after all, it has not been searched, and can't prepare for any unexpected gains?

Looking through every corner of the room.

Actually Yao Yao is going to see Yuaotian today just to find the key he wants here.

of course.....

Also wanted to see his injury.

Searched for about half an hour in the room. "Alas ..." Yaoyao let out a breath. Undoubtedly, the chip is still not found.

There are still two days left. I do n't know if Yang Zhaoxi can break through the Aotian in these two days and cover the whereabouts of the chip? !

"Brother, give you the key ..." Yao Yao returned to Long Ye's room with an unhappy face..
