

Pure Girl 731

Episode 731

"However, brother tells you." Raising his eyes, Long Ye slowly took Yao Yao's shoulder: "Your child was not killed by Aotian!"

Yao Yao, who heard Long Ye talking about all this, had been crying for a long time, but when he talked about it, she was stunned in wonder.

"Isn't ... Yuaotian ... did it?"

"Yes! At the critical moment, Aotian chose to close. But, perhaps this is God's will, you and Aotian's children ... there was a spontaneous abortion, and finally ... still could not keep it!"

Nature ... Abortion?!

If it was n't Long Ye, she always thought that the child was killed by Yuaotian; she also 'ridiculed' him and killed her own child.

It turns out ... is it a spontaneous abortion?

God willing!

It seems that everything is really God's will!

They are destined to twists and turns, so the children who are most likely to connect them together are unfortunately passed away ...

"It's good to say that it's God's will, it's just a coincidence. Because of this, Aotian thoroughly accepted your marriage with Feng Chenyi, and I can see that he is gradually getting out of the haze.

So fool, when Aotian completely let go of his hands to give you freedom, it came out ... "

"But what happened to Feng Chenyi's derailment?" Yaoyao took Long Ye's unfinished words.

He nodded hard: "Sister, brother feels very narrow. When I knew that Feng Chenyi was derailed, I was angry and happy on the one hand. Because I know that this way, you and Aotian can finally

I saw a glimmer of light. Moreover, the Aotian side ... also clearly expressed his attitude. When you were still dealing with the authorization of the villa, he called me and asked me to help him buy the ring for you ..."

"Ring?" Yao Yao didn't know about it at all.

Could it be that the purpose of Ms. Aotian to ask her to eat at the restaurant?

She will never forget that day, Yuaotian packed the entire restaurant with flowers and violins.

Romantic and cozy.

She seemed to anticipate something, so the attitude was very bad!

It seems that her hunch is correct ...

"Oh, hehehe ..." Yaoyao's nose gave a few mocking smiles, which sounded so sad.

"Yao Yao?" Long Ye did not understand the meaning of her smile.

But Yao Yao's next words made him completely understand .

..

"I, I haven't received Yu Aotian's ring. I only know that he has invited me to dinner, and I went too. Perhaps, that day was when he wanted to give me the ring. But ... that day, I ...

... Got it ... Chen Yi got the truth of terminal illness. "

For a moment, Long Ye's expression on his face froze.

He finally understood that Yu Aotian took the ring that day, why did the ending end without illness.

Is this a godsend?

Or ... God is destined not to combine them?

Yua Tianming clearly hated everyone involved in the Huamei Villa case, but he gave up the idea of revenge with Deng Huihong for Yaoyao.

However, Deng Huihong was still dead;

Yuaotian gave up the idea of killing the child in Yaoyao's stomach.

However, the child still had a miscarriage;

Feng Chenyi derailed after marriage, which has given Yaoyao the opportunity to be together with Yuaotian.

However, Feng Chenyi played the image of a bad man because he was terminally ill, so as not to drag Yao Yao down.

Time and time again and again and again and again, the final result always makes the difference between Yaoyao and Yuaotian a little bit, a little bit of opportunity, a little bit of opportunity.

At this moment, Long Ye really doesn't know what to say, but just feels ... just feels that the two are too bumpy, too bumpy ...

Looking at Long Ye's embarrassed look, Yao Yao smiled lightly. It seems that Long Ye's brother should be the same as he thought at the moment?

However, although there are really too many tortures and tribulations between her and Yuaotian, she has no later or no regrets about everything she has experienced, including .

.. marrying Feng Chenyi.

I just think that all this is really a matter of heaven.

"Brother, thank you for telling me so much truth. After listening to your words, I am really relaxed a lot, a lot."

"Relax?" Long Ye didn't quite understand the word Yao Yao used.

"Yes. Because Yuaotian was so nice and nice to me during this time. It was so good that I didn't know how to avenge him. But ... the truth is too white now, and I don't have to struggle with how to avenge him

But ... "The footsteps, stepping back, the faint smile on Yaoyao's face gradually disappeared, and his eyes glanced at the chip in his hand.

"This chip ... I, still can't give it to you." She fell into her car without looking back.

"Yaoyao! Yaoyao!" When Long Ye responded, her car had been started.

"Damn it!" Looking at the dusty sports car, there was a deep confusion on his face.

He told Yaoyao these facts, he really did not want her to give the chip to Zeng Kairui, but more hope that she and Yu Aotian can restore the old.

But now ...

Yao Yao's move really made Long Ye very at a loss, and could not guess what the younger sister was thinking?!

The fast sports car continued to move forward, until Long Ye's figure disappeared into the rearview mirror, Yao Yao relieved with relief.

Oh, I vaguely remember that she once asked Long Ye's brother if he had a head-on conflict with Yu Aotian, what would he do?

At that time, Long Ye's brother's answer was very positive. He said ... he must not watch him confronting Yu Aotian directly, even if there is really a conflict, he can also stop it.

It turned out that this 'solution' was .

.. Brother Long Ye always knew the truth, so was he so sure that he would not have a head-on conflict with Yuaotian?

Smart eyes gradually looked at the endless road ahead, Yao Yao's memory gradually pulled to a few months ago, the night of suicide soon after he married Feng Chenyi ...

'As long as you remember, you 've said those words once, live well, and for the hatred, slowly waiting for the enemy to die in your hands, it 's enough ...'

'You are my enemy! '

'I know.

So ... let me die slowly in your hands, Yao ... Yao ... '

☞Yaoyao, before that, I have something to ask you.

Could it be ... three years later came to avenge me.

Or is it necessary now? '

That night, Aotian said a lot, and almost all of her attention was on the past between her and Aotian.

But completely ignored ...

The ☞can it be said in his mouth, coming to avenge me three years later? '

Now, in combination with Long Ye's brother, I found out that three years after Yu Aotian's mouth was referring to ... three years later, after removing Zeng Kairui, was he telling himself the truth?

Can she narcissistically think that the three-year lover's appointment is also a foreshadowing that Yu Aotian left a long time ago?

Oh, how big a game did Yuaotian play?

Has always thought that Feng Chenyi concealed the news of terminal illness. During this period, she arranged her future life, clothing, food, housing, and travel. It was already a big game of chess.

Episode 732

Now, Aotian's game is almost several times bigger than Feng Chenyi. From the moment they met three years later, he has arranged a lot of things, right?

Is really a terrible man!

It's inexplicable and impossible to grasp.

However, she really wanted to call Yu Aotian or Feng Chenyi in heaven to know ...

Luo Yaoyao is not as weak as they think; nor as protective as they think!

In fact, she really wants to fight with them, together with Yuaotian, to face those unpredictable future together!

The fast-moving car was parked in front of the villa that Feng Chenyi bought for her.

Push the door open, run straight to the study on the second floor, open the computer, take out the chip and insert it into the USB interface, Yaoyao is skilled in operating the computer.

Chenyi, did you already know that Yuaotian did not kill my mother?

On the boat where you died, what you want to tell me is that Yuaotian didn't kill my mother, right?

Oh, I already knew that I will tell you to go on.

In this way, I will not be so hard, so tired.

In fact, hating a person is harder than loving a person; and loving a person is harder than hating a person.

However, I will be relieved soon.

There is no need to feel any sadness or exhaustion.

I believe that there is Yuao Tian, even if I do n't avenge my mother, he will not let Zeng Kairui go.

And you ...

Waiting for me in the distant heaven, I should come over to accompany you soon ...

The sound of 'ding' made the computer a loud sound, Yaoyao took out the chip in the USB, and took out a brand-new chip and inserted it into the USB port. After a while, everything was done.

She took out the phone and called Xie Zhiqing directly ...

"I have already got the chip, where is the transaction?"

"Where I live!"

"Wait for me." Shui Ling's eyes flashed a ray of light, Yao Yao hung up the phone, and quickly left the villa.

Half an hour later, Xie Zhiqing's residence

Arrived at the appointed place, Yao Yao walked slowly into the living room under the leadership of two men in black.

On the sofa in the living room, Xie Zhiqing held the red wine and waved to her with a smile: "I haven't seen you for a long time."

"How about Xiaoman?" The cold voice dropped.

Xie Zhiqing smiled cunningly: "Give me the chip, I will naturally release your friend."

"Put Xiaoman first, and I will give you something!"

"Oh, Luo Yaoyao, are you bargaining with me?" Xie Zhiqing put down the red wine in his hand, hugged his hands in front of him, and walked slowly to her.

!"

"Is it?" Yaoyao's eyes flashed, took out the grab in the handbag, and pointed coldly at Xie Zhiqing's head.

"Miss Zeng ?!" The two men in black were about to take action when they saw this, but they were stopped by Xie Zhiqing.

"Xie Zhiqing. No, maybe, I should call you Zeng Qing! Listen now, the decision is indeed in your hands, but everything is not up to you. Is what you want is a chip? I give it

You, in case, if you get the chip and don't let my friend, what should I do? "Yao Yao had to keep a hand for Xie Zhiqing, a cunning woman.

"Oh, Luo Yaoyao, if you move your hands and feet on the chip, what should I do?"

She knew that Xie Zhiqing would not believe in herself.

"Zeng Qing, what are you afraid of? I will stay here to accompany you to verify it! If you find that I really moved, leaving me, it seems more meaningful than leaving my friend?"

Yao Yao's words undoubtedly have great temptation.

Xie Zhiqing hates her only, leaving Gong Xiaoman really does not have much effect.

"Okay!" She waved her hand with a smile.

"Bring the girl down."

"Yes! Miss Zeng." After a while, a man in black pulled Gong Xiaoman down from the second floor.

"Xiaoman!" Yaoyao ran past excitedly, looking at Gong Xiaoman up and down.

I saw that her face was covered with bruises, and her naked skin was covered with scars.

Needless to say, Xie Zhiqing must have been ill-treatment of Xiaoman in this period of time.

"Yao ...

Yao ..." Gong Xiaoman barely squeezed out a smile. The pale face could not see any blood, and now it was a little difficult for her to stand.

"Asshole!" The little hand clenched a fist, and she looked at Xie Zhiqing sitting on the sofa angry: "Isn't your purpose just the chip? Why hurt my friend?"

"Yeah, my purpose is chip. But I didn't hurt your friend?" Xie Zhiqing smiled and crooked his head.

"Where did the injury come from Xiaoman?"

"Oh ... you said those injuries." Xie Zhiqing got up and walked slowly in front of them: "This is what she deserves. Wasn't she very happy that she beat me last time? I just repaid it twice.

. Right? "Starting, he grabbed Gong Xiaoman's hair.

"Hmm." Xiao Man groaned painfully, staring at Xie Zhiqing's phoenix eyes full of anger.

"Zeng Qing, you let go! Let go! Don't you want the chip ?!" Yaoyao stepped forward and tore with Xie Zhiqing.

She was found out, Xie Zhiqing is simply a woman with hatred.

When he heard the word "Chip", Xie Zhiqing finally let go of Gong Xiaoman's hair and ordered to his subordinates, "Send this girl out."

"Yes!"

"Yao Yao?" Gong Xiaoman frowned puzzled: "What about Yao Yao?"

"Oh, if I can tell you to survive, you should be thankful.

Even Kung Fu controls Luo Yaoyao? It seems that your sins have suffered in the past few days."

Looking at Xie Zhiqing's arrogant look, Gong Xiaoman roared angrily: "Xie Zhiqing, one day sooner or later, you will be more than my end ..."

"Xiaoman!" Yaoyao quickly stopped Gong Xiaoman's unfinished words. At this time, if Xie Zhiqing was irritated again, neither of them would want to leave.

She shook her head slightly to Gong Xiaoman.

"Don't worry about me, I will be fine, you leave first."

"Yaoyao!"

"Let's go first!" Only when Gong Xiaoman left without incident, she can let her mind down!

Helpless, Gong Xiaoman had to leave the villa under the leadership of two men in black.

"Okay, your friend is gone, can you give me a chip?" Xie Zhiqing extended her hand with a smile.

Yaoyao slowly took out the chip from her pocket and handed it to her.

One person puts a laptop on the coffee table.

Xie Zhiqing inserted the chip into it, verifying the authenticity of the chip.

Yaoyao, who was not far away, clenched her fists nervously, and a drop of cold sweat slowly flowed down her forehead.

"Is it alright? If it's alright, can I go?"

Xie Zhiqing glanced at her and waved her hand with a smile.

Her subconscious subdued breath, she will leave when she turns around.

At this moment, Xie Zhiqing staring at the computer screen narrowed her eyes: "You can't tell her to leave!"

Hearing this, Yaoyao was about to run when she pulled her legs.

But he was stopped by two men in black.

"Also, is there anything else?" Turning his head, he looked at Xie Zhiqing in the living room puzzledly.

She narrowed her eyes coldly, an arrow struck in front of Yaoyao, and stretched her hand to grab her long hair: "You actually copied this chip ?!".

Episode 733

Yes!

Yaoyao ran back to the villa after getting the chip to copy this chip!

In this way, she can save Gong Xiaoman without burying the hard work of Yu Aotian.

Had a hunch that Xie Zhiqing would surely find out that the chip had been copied, she just wanted to gamble, in case Xie Zhiqing was negligent?

Did not expect that she was still found.

But no matter what, as long as Xiaoman rescued Yaoyao, the goal was achieved.

"I do not know what you're talking about."

"Luo Yaoyao, don't pretend to be stupid! I know you have first-rate computer operation skills. However, you shouldn't think of others as idiots!" Xie Zhiqing's hand was just one

hand.

Yaoyao stumbled back a few steps, in fact, she had tried to cover up the traces of replication, but in the face of Xie Zhiqing, who also had an IQ of 200 or more, any of her masking seemed to be useless.

"Luo Yaoyao, where is the copy? Submit it immediately!"

in silence.

She touched her clothes slowly and slowly.

The moment I just pulled out the gun ...

Xie Zhiqing kicked her foot and kicked out the gun she held in her hand: "You only have the marksmanship and no kung fu. In my eyes, it is still a waste! Luo Yaoyao, you think you can kill it with a gun

Me? "

indeed.....

She is indeed not Xie Zhiqing's opponent, but ... "Zeng Qing, where is the copy, I will never tell you. You ... you can kill me!" A strange smile floated to the corner of her mouth, she was not afraid of death,

See what tricks Xie Zhiqing can play?

"Ha, interesting. Feelings you came here today to break with my dead net ?!" Xie Zhiqing stepped forward and strangled her neck with one hand: "I'm asking you again, where are the copies?"

Silence.

Yaoyao looked at Xie Zhiqing coldly without any trace on her face.

"Don't you say it, right? Very good!" She waved her hand: "Bring that thing over."

"Yes. Miss Zeng." One of the men quickly took a box.

Another man firmly controlled Yaoyao.

Xie Zhiqing opened the box and took out a syringe.

"This is ... what?" The potion in the syringe is green and looks terrifying.

Yaoyao's eyes widened incredulously, his body shook inexplicably .

..

"Oh. Luo Yaoyao, what is death? If I wanted to kill you, all ten Luo Yaoyao died in my hands. I won't tell you to die so easily. I want you

This generation is a joke, and you should slowly and slowly die in the ridicule of everyone! "Xie Zhiqing slammed the needle in his hand into Yaoyao's arm, and then the green

The liquid hit her.

"Hmm ..." The moment when the green liquid slowly poured into the blood, a burst of pain like a scraping bone hit.

Until all the fluid enters the body, the pain suddenly fades away.

What is this?

What medicine did Zeng Qing give her?

!

This unknown liquid is really tormenting for Yaoyao than death.

Because she does not know what will happen to her in the future, and what will be done.

"Okay, you can go!" Zeng Qing pulled out the syringe with a smile, and the black man who controlled Yaoyao quickly let go.

"Zeng ..." "Gaw" the heart shrank inexplicably, seemingly foreshadowing that the unknown drugs are slowly working.

Too late to say any nonsense, Yao Yao glared at Zeng Qing fiercely, and walked out of the villa quickly with her hand on her chest.

dizzy.....

Head dizzy.

Walked steadily to the car, Yaoyao wanted to start the car, but there was a wave of vertigo in his brain, and his heartbeat also accelerated a lot, a lot.

What should we do now?

You must give the copy immediately to Yuao Tiancai!

Because no one knows what the consequences of these potions will be. Does she remember everything?

Is she still conscious?

Whether she will lose her mind, etc. the unknown possibility ...

Looking at the looming road ahead, Yaoyao walked hard to the roadside.

Taxi, why no taxi passes by!

?

"Landuo!" Suddenly, a cold voice came from not far away.

For the master of this voice, Yaoyao was always afraid of seeing him, but at this moment, Bingye came just like that.

Of course, it can also be seen that Bing Ye has been protecting her in secret!

"Bing, Bingye ..." She covered her chest with one hand and stumbled to Bingye: "Come on, take me to Yalan Street!"

Amber ice eyes looked Yao Yao up and down, her forehead was covered with cold sweat, her face was as white as a piece of paper, but he did not find any scars on Yao Yao's body.

"Are you uncomfortable?"

"You, you take me to Yalan Street first. It may be too late. I'm talking to you in the car slowly!" Out of panic, her body shook slightly.

Seeing this, Bingye hugged her sideways, quickly stepped into the car, and drove straight to her destination.

Along the way, Yaoyao said intermittently what Xie Zhiqing did to herself.

Bing Ye had a sullen face, but just listened and didn't say anything.

But for Bing Ye, who has always been known for his rigorous work, he can't forgive this!

The reason why he can save Yaoyao in crisis every time is because Yaoyao's car and mobile phone are actually equipped with GPS positioning system and monitoring system.

What did she say and where she went.

Bingye knows everything.

This time, when he found that Yaoyao had gone to Xie Zhiqing, he had a foreboding that he had arrived at the fastest speed, but he did not want to be too late!

The car finally reached its destination.

Yaoyao stumbled into the villa and ran straight to the second floor.

No more!

The heart is so uncomfortable, and the head seems to be so painful that it has cracked.

It is estimated that the limit is almost reached?

Tremblingly found the chip hidden under the desk, she looked back at the ice night standing at the door coldly ..

.

Is it to Bingye?

!

Did Bingye bring it to Yuaotian?

Do not!

The content of this chip is about the intention of Zeng Kairui and the British Vice President to wage war against Aslan and China.

If you are heard by Bing Ye, you don't know what will cause trouble!

"What is that?" Bing Ye looked coldly at the chip in her hand.

"No, nothing." She shook her head quickly, and she quickly rushed into the bedroom.

"Um ... poo ..." When Yaoyao first came to the bedroom, a sip of blood spewed out of her mouth.

"Landuo ?!" The ice night that had always been calm and calm showed a panic look at this moment. He grabbed Yaoyao's wrist and was about to go and diagnose her pulse ...

"I, it's okay!" Shaking off Bing Ye's hand, he stumbled toward the vanity mirror.

She believes in Bingye's medical skills, but ... now I'm afraid that even Bingye can't diagnose what poison she has in the end.

Therefore, the time can not be delayed.

Necklace?!

What about necklaces?!

Anxiously rummaging through the dressing table, vaguely remembering that I bought a shell-shaped necklace and put it here.!

Where did it go?

Episode 734

When the last drawer was opened, Yaoyao's nervous face immediately raised a smile and found it!

Quickly opened the shell pendant on the necklace. The moment she put the chip in, she let out a long breath ...

The more dangerous the place is, the safer it is. Yaoyao believes that no matter what medicine she takes and what will happen, as long as he can see Yuotian, he will find this chain hanging on his neck sooner or later!

Finally ... you're done ...

Yu Aotian, no matter how I end up, I hope you can take my share to Zeng Kairui to get back ...

The murmur from the heart fell, Yao Yao gradually closed her eyes, and the body that had barely supported for a long time leaned back slowly and slowly ...

"Landuo?" Bing Ye stepped forward and hugged her tightly in her arms.

"Landuo? Blossoming ?!" Her cold hands patted her little white face like paper, and he picked up Yaoyao and rushed out of the villa anxiously ...

the other side.....

The VIP VIP entry and exit halls of the airport are guarded tightly, and more than 100 guards in military uniforms firmly sealed off both sides of the entrance.

Other registered passengers saw this kind of battle and stopped to watch, I wonder which big man is coming?

At this time, I saw Yu Aotian dressed in a dark black suit hurriedly appeared in the airport under the guard of the airport staff and bodyguards.

"Who is that person?" It seems that several passengers recognized Yu Aotian and excitedly pointed not far away: "It is the Chairman of the State Council, Yu Aotian. I heard and heard that I heard that he is going to visit today

Japan!"

"Really? I didn't expect to meet the leader at the airport." The crowd of onlookers warmly stood outside the guardrail and beckoned to Yu Aotian: "Director Yu! President Yu ..."

In order to show the image of being close to the people, Yu Aotian had to stop and wave hello to those people, although he was not used to it.

Entered the boarding gate, and Yu Aotian arrived directly at the private plane sent by China.

"Director Yu, welcome." The beautiful flight attendant greeted him politely.

Once seated, Secretary Wu put a laptop on the small table in front of the seat: "Director Yu, the plane has 15 minutes to take off and is expected to arrive in Japan in about 2 hours.

After arriving in Japan, it will be from Japan

The government personally welcomes you. May I ask what else do you want? "

"You go to communicate with the Japanese government and you don't need to greet me. Also, temporarily hide my time of arrival in Japan."

Secretary Wu heard this, and couldn't help but stunned: "This is the itinerary ordered by Deputy Prime Minister Zeng, Chairman Yu."

It was because this was the itinerary ordered by Zeng Kairui, so he had to modify it!

"Now, I am visiting Japan!" The cold words fell.

Just one sentence, Secretary Wu immediately nodded respectfully: "Yes ... It's President Yu, I, I know."

Yu Aotian has never liked to talk nonsense with people in political circles. When he meets his seniors, he nods and smiles.

But after all, he is a triad boss and a leading businessman. So, one sentence, a few words, and one look are enough to deter.

Turned on the computer and looked at the screen thoughtfully.

In the morning, Yao Yao took away the chip as if it were still vivid; in the afternoon, he received news that he would visit Japan.

Originally, Aotian could refuse this trip, but he also wanted to take this opportunity to leave the country temporarily ...

"Hello, President Yu." Suddenly, a cold voice came.

Yu Aotian suddenly showed an extremely helpless look, slowly raised his head: "Well, hello. Is there anything?" Looking at the ice night dressed in the airport ground crew, he was really curious, ice night

Didn't you work as an agent?

How can I see him everywhere?!

"I'm the ground commander at the airport. Your luggage, I have already stored it, please be your dean, please! Keep your belongings when you get off the plane. When you arrive in Japan, I will ...

contact you anytime!" Bing

When Ye was saying this, the amber eyes loomed in a subtle luster.

Yu Aotian narrowed his eyes coldly: "Okay, I know. Please ... rest assured."

"Director Na, I wish you a happy flight." Bing Ye nodded coldly, turned around and walked off the plane.

About an hour or so, the plane arrived at Tokyo Airport, Japan on time.

The staff who accompanied Miyao to Japan to visit him nervously guarded him from leaving until they left the airport for a moment.

"Okay, Secretary Wu, please take all the staff to the embassy." VIP Aotian coldly commanded the VIP underground waiting area at the airport.

"Yes." Secretary Wu nodded respectfully.

"What about you, Chairman Yu?"

"I will live in my own residence during this time, and I will contact you if I need a job."

"Okay, President Yu, the subordinate immediately retired." Secretary Wu nodded respectfully and took the 7 or 8 assistants in the RV and left.

After they completely disappeared in the sight of Yu Aotian, his bottomless eyes flashed and waved slightly.

I saw that a Bentley car parked not far away followed by several Audis parked in front of him.

In an instant, more than twenty people in black walked down the car.

They stood in front of Yu Aotian: "Mr. Yu, welcome you!"

The Japanese greeting in unison and the 90 ° bow ceremony undoubtedly foreshadowed that the status of Miyako, who has been away for three years, is still unshakable in Japan. The status of Miyakosha is always in Japan, even the most famous in Japan

The Yamaguchi group of the triad organization is beyond reach.

"Mr. Yu, welcome back .

.." A man in a suit walked in front of him with a smile.

This man's name is Chiba Shinshou, and his age is basically the same as that of Yu Aotian. He has a sunny and handsome face, and he looks very friendly when he smiles.

However, by looking at it, you can tell that Chiba really keeps the blood of the Japanese.

His height of 1,7 meters, thinner figure, standing tall and straight, has a striking appearance, all show the Japanese rigorous character and petite appearance.

Although Chiba Shinshou is Japanese, he is still very important to Miyako.

Basically, he can be regarded as an old courtier of Yulong Society. Since Yu Aotian led Han Lishu and Long Ye to China, the Japanese society of Yulong Society is under the control of Chiba Shin.

"Oh, really keep, this time is hard." Yu Aotian patted his shoulder with a smile.

Chiba Shinshou nodded slightly: "Yes. Mr. Yu, please get in the car."

When Yuaotian was about to get on the bus, the pair of bottomless eyes glanced subconsciously at the two suitcases on the ground.

One of them was brought by Yuaotian, and the other was left by Bingye ...

He knew that Bing Ye suddenly appeared in the plane and told him to take care of his luggage. It should have left a precious luggage.

,

Standing there, Chiba Shinshou seems to have seen through Aotian's mind.

"Mr. Yu, I will arrange your luggage well."

Episode 735

"Well." With this sentence, Yu Aotian slowly came to the Bentley that came to meet him.

The mighty convoy drove away from the airport. When the car of Yulong she got on the road, a shocking scene appeared.

The surrounding vehicles have evaded.

Although this is the same as when Yuaotian was traveling in China, it is important to know that Yuaotian is not in China at the moment, nor is he taking a government bus.

This is mainly because the Yamaguchi Group and the Yulong Society in Japan are legal triad organizations, and the status of the Yulong Society is even more like the Japanese emperor. Even the Japanese government must give them some face, not to mention

What about civilians?

About 20 minutes later, the car drove towards the Aotian's residence area in Tokyo.

There are hundreds of miles of Yuaotian's private territory.

The guarding bodyguards are each holding a real gun, and the magnificent posture is comparable to that of the State Council.

"Mr. Yu, welcome back." At the door of the three-story villa in the European style, a dozen beautiful maids have been waiting at the door.

The moment when Yuaotian appeared, the eyes of those maids had an inscrutable excitement and nostalgia.

After all, Yuaotian has been away from Japan for almost three years, and they have to clean the empty villa to look forward to his return one day.

Walked into the villa without expression.

The maids walked behind him quickly, looking obsessively at the background of Yuaotian. Nevertheless, it was already a kind of happiness for them.

"Mr. Yu, how long do you want to stay here this time?" As soon as Yu Aotian was seated, Chiba Shinshou spoke.

"It should be about a month ..."

"Really? That's great!" Chiba really could not hide the excitement on his face. The maids who eavesdropped on their conversations were all smiling with joy.

"Right, really keep, this time ..."

☹Boom!

Boom!

Boom!

Suddenly, a strange sound blocked Yu Aotian's words, like something struck.

"What's the voice ?!" Chiba really watched the villa alertly. The maids who stood by were also curious. You look at me and I look at you.

At this time, Yu Aotian's deep eyes gradually cast on the two suitcases beside him ...

Chiba Shinshou chased in his eyes and hurried to the two suitcases: "Mr. Yu? What's in this suitcase?"

Yu Aotian narrowed his eyes coldly and walked over slowly: "Open that blue!" This blue suitcase was left by Bing Ye!

"Yes!" Chiba Shinshou carefully flattened the suitcase, and the 咚!

Boom!

Boom!

The knocking sound is much louder.

He frowned and opened the lid of his suitcase with his brain.

In an instant, the people standing around saw the 'things' in the suitcase froze!

I saw that Yaoyao lay curled up in the suitcase with an oxygen mask on her face.

She looked at Yuotian and Qianye Zhenshou nervously and fearfully, and slowly sat up ...

"Mr. Yu ... Mr.

Yu?" Chiba really looked blankly at Yu Aotian.

He sullenly looked at Yao Yao who was sitting in the suitcase indifferently. Didn't expect that the valuables 'sent' from Bing Ye were Luo Yao Yao?!

Hey, but don't say, Bing Ye thought about it too. She put her into the suitcase and put on an oxygen mask, otherwise she would have to suffocate her on this flight!

Yaoyao's big watery eyes flickered and flickered, she huddled in horror, her eyes gradually met Yuotian's inexplicable cold eyes.

Big eyes blinked twice, twice, three times.

When it comes to the fourth ...

Only heard ... "Wow ..." Yao Yao burst into tears and burst into tears.

This scene was unexpected by everyone.

Yaoyao's crying and crying looked exactly like a child, even the appearance of just sitting up, and the big watery eyes also carried the child's virginity.

"Mr. Yu? Do you want it?" Chiba Zhenshou pouted.

Yu Aotian waved coldly: "Don't care about her. We continue to talk about ours." He turned and sat on the sofa.

"Yu, Mr. Yu ... Tonight, the brothers are set in ... the old place, to wash you ...

to wash the dust ..." Surrounded by Yao Yao's crying, this is called Qianye Zhenshou

The way to speak normally.

"Yes. I know, what time is it at night?" To say that Yuaotian is calm, no matter how loud Yaoyao cries, he seems to have heard nothing and communicates with Chiba Shinshou normally.

"In the evening ... 8 ..."

Waiting for Chiba Shinshou to finish talking, only listening to the crackle, Yao Yao removed the oxygen mask on her face, and the air was still on the ground: "Black! I am afraid!"

Eyes looked at Chiba Shinshou, and then at the maids standing not far away. Her eyes were obviously eager to come over and coax herself.

Unfortunately, none of them would dare to move without Yuaotian 's order.

"Is it 8 o'clock in the evening?" Yu Aotian looked at Chiba Shinshou expressionlessly.

He hurried back to God: "Yes ... yes ..."

"Black! I'm scared! Black! I'm scared! I'm scared! I'm scared! Woo ..." The howling cry came with a touch of spice.

Yaoyao wriggled in the suitcase, seemingly longing for someone to come and hug herself.

"OK, I know." Unfortunately, Yu Aotian still talked with Chiba Shingo calmly, completely neglecting her.

Not far away, Yaoyao no matter how spoiled he is, no one cares about himself. The crying is getting smaller and smaller: "Humph!" He rolled his eyes bitterly and bowed his head in grievance.

Without her crying, Chiba 's expression gradually became natural: "Mr. Yu, how did you schedule your trip in recent days? Do you need to contact the Japanese government immediately?"

"not needed for now."

"Oh, okay." Chiba Zhenshou nodded with a smile, but Yu Guang accidentally glanced at Yaoyao sitting in the suitcase.

She was upset and pulled a small face, but after discovering that Qianye Zhenshou was looking at herself, her big watery eyes turned and kept making various faces to Qianye Zhenshou.

"Poof."

The harsh laughter came, Yu Aotian narrowed his eyes and slowly looked at Chiba Shinshou ...

"Hug ... sorry, Mr. Yu." Chiba Zhenshou tried his best to bear a smile, and quickly evaded the gaze of Yaoyao.

His bottomless eyes glanced at Yaoyao.

The little thing found that Yuaotian was looking at himself, and immediately put away his naughty ...
"Huh!" Gave him a white eye fiercely.

Looking at Yuaotian's cold face, it's almost black.

"Master. Dinner is ready." At this moment, the housekeeper came to him with a smile.

Yu Aotian and Qianye Zhenshou hurried towards the restaurant. They sat face to face and chatted while eating.

Yaoyao, who was still in the living room, watched the two of them eating with great interest. They could not help swallowing their saliva, struggling to get out of the suitcase and ran to the table like a child.

Looking straight at the food on the table.

Episode 736

"Uh ..." Chiba really put down his chopsticks awkwardly and asked tentatively, "Are you hungry?"

Seeing that someone finally took care of himself, Yao Yao's eyes were all bright: "Uh huh huh!" Nodded three times in a row.

Question, Chiba Shinshou didn't know what the girl had to do with Yuaotian, and he didn't dare to give any rash reply, so he had to look at Yuaotian in doubt.

He nodded coldly, expressing his acquiescence.

Chiba Shinshou pulled out a chair with a smile: "Let's eat together."

"Hee hee ..." Yaoyao grinned, ran to the chair, and sat down strenuously.

The maid in charge of the service hurriedly took out a pair of tableware and put it in front of her eyes.

With a small hand, firmly held a pair of chopsticks, firmly inserted a piece of chicken wings, strenuously chewed up.

Chiba, who was sitting on the side, saw her awkward look and frowned in confusion. Although the girl did n't look big, she did n't even use chopsticks, right?

☒Bah, ah' Yaoyao gobbles up and eats, maybe feels that the chopsticks are too strenuous, she simply went straight to eat.

The food is full of food scraps.

After looking at the side, Yuaotian finally could n't hold back anymore, his face became darker and darker, and finally ... with a pop, he put the tableware on the table heavily: "Luo Yaoyao

! What the hell are you doing? "

This voice seemed to scare Yaoyao, she looked at his gloomy face in fear.

"Woo ..." I cried again with a grin, and grabbed the food on the plate, "Wo, Wo, Woo", and threw it towards Yuaotian.

"Mr. Yu?" Chiba Shinshou and several maids nervously want to clean up the food on Yuaotian's face and body.

He quickly raised his hand and motioned them to stay still, staring at Yaoyao resentfully.

"Qua ..." seemed to be amused by Yuaotian's embarrassed appearance. Yaoyao burst into tears and laughed badly.

At this moment, Yu Aotian's hand holding his fist was exposed, and he bit his teeth badly and got up and hurried into the bathroom.

"What the hell is she doing ?!" Standing in front of the mirror, Yu Aotian cleaned her face while asking questioningly.

Today, Yaoyao's actions are completely different from common sense, so people can't guess what she wants to do?

!

Isn't the chip ready?

Or, what new tasks did Zeng Kairui send her to complete?

!

Undoubtedly, in the face of this inexplicable situation, the always calm Yuaotian was also somewhat unable to withstand.

But he thinks Bingye should know something, but unfortunately ... he can't contact Bingye now, he can only wait for Bingye to contact him!

When walking out of the bathroom, Yaoyao and Qianye Zhenshou played together.

Seeing that Aotian appeared, Qianye Zhenshou quickly put away her smile and pushed nervously to push Yaoyao, signaling her to apologize as soon as possible.

"Hmm .

.." She pursed her mouth like a child who did something wrong, and walked up to the front of Yuaotian.

"Big Brother, I'm sorry ..." The small hand, holding the corner of his clothes, kept peeping at him.

This was the words that Chiba Shinshou handed over to her when he was going to the bathroom just now.

In an instant, the anger hanging on Yu Aotian's face seemed to disappear immediately: "Ah ..." Sighing heavily, he slowly crouched down: "Yaoyao ... What's wrong with you ?!"

"Huh?" The watery eyes glowed with doubt.

Yu Aotian feels that she can't communicate with her at all now!

"Forget it. Really. It's almost time. Let's go."

"Yes, Mr. Yu."

"Big Brother ..." Seeing Yu Aotian about to leave, Yaoyao held his clothes tightly and asked in a childish tone: "Where are you going?"

The big hand slammed a fist, and Yu Aotian's face was marked with an impatient expression!

Seeing this, Chiba Shinshou on the side quickly explained: "Mr. Yu is going out."

"Oh ..

." She nodded incomprehensibly, and Bai Nen's small face raised a sweet smile: "Then go with others, okay?"

"Uh ... do you want to go together?"

"Hmm! Yaoyao also wants to go together." She twisted her body coquettishly.

Chiba Shinshou immediately showed a look of embarrassment.

"Let's go, keep it!" Yu Aotian's face gloomily shook off Yaoyao's little hand pulling his clothes, and quickly walked out of the gate.

Helpless, Chiba Shinshou had to keep up.

This time, Yao Yao's white face gradually forced a layer of sadness, looking at their backs, she said, "Wow ...", crying, rushing towards the gate

.

"Big Brother, I'm going too! I'm going too, I'm going too! I'm going too!" Little hand, clutching the door guard.

"What are you doing with me ?!" Yu Aotian dropped with a loud roar.

Her burp stopped the tears.

But the next second, the sound of crying as loud as thunder struck.

Tormenting the eardrums of Yuaotian constantly.

"Fuck!" Yu Aotian gritted his back teeth bitterly, and could see that he was really annoying to death by Yaoyao. Now what he wants to know most is what happened to this little thing?

What the hell happened?

"Go! Go! Go!"

As soon as he said this, Yao Yao seemed to change his face, and he no longer cried. He climbed awkwardly into the back seat of the car and sat happily beside him: "Hey."

"Driving ... car ...

"Yuaotian waved his hands weakly, and his whole body was tired and paralyzed sitting in the back seat.

As the car started, Yaoyao clapped excitedly: "Hee hee, Didi moved." The childish eyes widened towards Yuaotian beside him: "Brother, you know, it's just dark

."

"Why did you put Yaoyao in such a dark place?"

"You are my brother, right? But you are so fierce ... Yaoya almost hates you."

Listening to this naive voice is very different from Yao Yao 's usual voice. It is like a few-year-old child asking 'Why 100,000 Why', which is full of innocence and emptiness.

Yu Aotian put away the tired look on his face, and the bottomless eyes gradually cast on her: "You? Don't know how you got into the box?"

"Don't you put people in?"

Big hand, snapped her wrist: "Do you know who I am?"

"Aren't you my brother?"

What exactly is going on?!

Yu Aotian stared straight at her eyes, and could not find any trace of lying.

At first, he thought Yao Yao pretended to be like that, but now it seems ...

The moment of 'pushing', Yu Aotian 's handsome face showed a sense of tension, he grabbed Yao Yao 's back brain, and his lips quickly pressed against her lips ...

Chiba, who was sitting in the co-pilot position, saw this scene and couldn't help but stunned God. I was curious what the girl had to do with Aotian!

The lingering kisses continue.

Yaoyao opened his eyes wide and allowed him to kiss himself without refusing or avoiding.

After a long time, Yuaotian gradually terminated the kiss ...

"Hee hee." Yaoyao grinned and clapped happily: "I like my brother Yaoyao, Yaoyao still wants." Little mouth grunted, waiting for him to strike again..

Episode 737

Everything that this little thing shows today is real!

Because, Yi Yaoyao's character will definitely reject his kiss, but no ... more than not, she seems to like it very much.

"Yao ... Yaoyao, do you know ... what is my name?"

"Know!" She nodded affirmatively.

"Then you say, what is my name?"

"Your name is Mr. Yu!"

This name is clearly the name that Chiba Shinsho has been calling him all the time. It can be seen that Yaoyao didn't even know what his name was.

"Then you know, where did your father and mother go?"

"Dad? Mom?" The small face with a sweet smile gradually dimmed: "Brother ... Do you know where Yaoyao's father and mother went?"

Are all the memories of this little thing gone?

!

Yu Aotian frowned deeply.

At this time, Chiba Shinshou sitting in the front seat slowly turned back: "Mr. Yu, this girl ... who are you?"

He doesn't know what Yaoyao is.

Thinking of the scene where she took the chip, his heart hurts ... "She is Long Ye's dry sister."

"Ah? It turned out to be Mr. Dalong's sister." Qianye Zhenshou glanced at Yaoyao incredulously, then frowned in embarrassment: "She ... Is it ... mentally retarded ?!"

Mentally handicapped?

!

Although this word is ugly and doesn't match Yaoyao, a symbol of genius, her current behavior is obviously like a mentally retarded behavior.

Yao Tian narrowed his eyes thoughtfully.

At this moment, Yaoyao got up and grabbed the hair of Chiba Shinshou: "You are mentally handicapped! You are mentally handicapped!"

"Sorry, sorry. Don't be angry, don't be angry ..."

Seeing this, Yaoyao let go of the hand holding his hair.

"Humph!" Little face looked out of the car window, the bustling beauty, pursed mouth, like a baby who was breastfeeding.

Sitting on the side, Yuao Tian sighed, it seems that all the answers can only wait for Bing Ye to be revealed!

The car was gradually parked at the door of a club, which belonged to the Yulong Society.

It can be said that this entire street was the site of the Yulong Society.

With the entrance of Yuao Tian, the younger brothers who had been waiting for a long time in the clubhouse bent down excitedly: "Yu Boss!"

Faced with this title, basically Yu Aotian has n't heard of it since he went to China, and the people of Yulongshe have always called him Mr. Yu.

But here is Japan, and it doesn't matter what he calls.

Yaoyao hid behind him, followed by big watery eyes around everyone in the hall: "Brother, brother ... so many people."

"Well. Ha ha." Yu Aotian turned around and smiled at her perfunctoryly.

Gradually, everyone focused their attention on Yaoyao. They looked at me and I looked at you, they were very at a loss.

Is it possible to say whether this girl may be the woman of Yu Boss? They do n't think it 's like. After all, the taste of Yu Aotian will not be interested in this little loli.

So why did she appear next to the boss?

"Chief Leader Chiba, Team Leader Chiba!" Several younger brothers were surrounded by Chiba Zhenshou curiously: "Who is that little girl who is the elder boss? Is it an illegitimate girl? Hahaha ..."

"Don't you want to die? You're kidding me?"

"Dare not dare. We are just curious."

"That girl is the younger sister recognized by Mr. Dalong." As for the relationship with the eldest boss, Chiba Shinshou is also unclear.

"Brother, brother ..." Yaoyao sat on the sofa, unhappily holding Yu Aotian's arm, shaking unceasingly.

He frowned impatiently: "What's the matter?"

"It's so interesting here, Yaoyao doesn't like to play here."

Don't say she didn't like it, Yu Aotian also felt that this kind of place was extremely boring for the first time.

Since he entered here, Yaoyao sticks to him like a dog skin plaster, even if he wants to touch a cup with someone, as long as he stands up, Yaoyao will pull him dead.

As for others, how much they take into account Yao Yao 's age, plus she has been entangled with Yuaotian, they dare not call the lady over to accompany the drink, anyway, the whole club is dead.

"If you don't like it, I will ask someone to send you away."

"That brother, are you walking with Yaoyao?" The big watery eyes blinked expectantly.

Yu Aotian shook his head coldly: "I won't go."

"That Yaoyao is not gone." The small head rested on his shoulders, tightening the hand holding his arm tightly.

At this moment, Yuaotian felt an unprecedented sense of depression and was extremely upset.

"Aotian ..." At this time, I saw a tall woman in a kimono hurriedly hurried over from the outside: "Hah, you really returned to Japan?" The woman's face was inexcitably excited, and she went straight to

In front of Yu Aotian, he smiled faintly.

This woman is Miyako 's girlfriend who had been in Japan and was named Reiko Mizuno.

It can be said that apart from Lei Lei, her relationship with Yu Aotian is the best maintained.

Even if they broke up, they all maintained a relationship with their friends.

All the people in the whole royal dragon club knew her.

"Miss Mizuno."

"Miss Mizuno." Everyone greeted her politely.

Yuao Tian originally wanted to get up and greet her. Nai Yaoyao took his arm tightly. He could only sit on the sofa and smiled at the woman: "Ling Zi, I haven't seen you for a long time."

"Are you a girlfriend?" Reiko Mizuno's pair of phoenix eyes gradually cast into Yaoyao.

After he just nodded to admit.

Chiba Shinshou aside said with a smile: "Miss Mizuno, that lady is Mr. Dalong's sister."

In fact, Yuaotian is a man who is very pure in feelings. In the face of this special relationship with his ex-girlfriend, he will not specifically explain the relationship with Yaoyao.

If Mizuno Reiko thinks Yaoyao is his girlfriend, then he will not deny it.

Who knows, was one step ahead of Chiba Shinshou.

"Yeah. It turned out to be Long Ye's sister? So cute." Reiko Mizuno sat excitedly beside Yaoyao, and her slender beautiful hand was just about to pinch Yaoyao's face.

Extended her hand with hostility and opened the woman's hand with one hand.

"Humph!" Rolled to the other side of Yuaotian, hiding behind his arm, staring at the woman bitterly.

"Uh ..." Reiko Mizuno smiled awkwardly: "Aotian, she?"

"Ling Zi, how are you doing?" Yu Aotian skillfully changed the subject, because he really didn't know how to explain Yaoyao's behavior to others.

"Very good. I would have participated in the last time the Chamber of Commerce Alliance, but I had a temporary incident, so I asked the vice president to participate. Otherwise, we will meet last time."
Reiko Mizuno is a famous Japanese company

The president, more than a thousand employees, is a high-end enterprise.

"Oh, that's how it is....."

"Aotian, how about you?"

"I? Occasionally busy with diplomacy, occasionally busy with internal affairs, and occasionally busy with company." Yu Aotian's answer was somewhat perfunctory.

Reiko Mizuno smiled helplessly: "I occasionally pay attention to your news in China. What I mean is ... Have you recently made a new girlfriend?"

"handed in."

Episode 738

"Well ..." The gloss in Reiko Mizuno's eyes was obviously darkened, but she still managed to squeeze out a smile: "Is your girlfriend here with you this time?"

"Of course." As he said, Yu Aotian smiled and hugged Yaoyao beside him.

"She? Isn't she Long Ye's sister ?!"

"Oh ... she is both Long Ye's dry sister and my girlfriend." Yu Aotian smiled charmingly, completely taking Yaoyao as a shield.

At this time, Yao Yao, who heard the clouds and fog, blinked his eyes blankly: "Brother, am I not your sister?"

Yu Aotian suddenly had the embarrassment that a lie was taken out on the spot, he completely forgot this little thing now ... is a mentally handicapped!

"Oh. Aotian, you can really be a desperate man." Reiko Mizuno smiled helplessly and vaguely put him together: "However, I just like you like this."

She met Mio Aotian eight years ago, when Mio Aotian was just 20 years old, and Reiko Mizuno was also 20 years old.

The initial relationship between the two was just a simple * night * love object, but after a long time, the two developed into a relationship of male and female friends.

When it really became a relationship between men and women, the two felt that they were not suitable for each other, and only after a week, they completely broke off all relationships and developed into pure friendship.

Who knows, when they are ordinary friends, they are especially in harmony.

Whether they treat people or things, they all have the same view.

At that time, the Yulong Society was in the ascending period. As the age grew and the things were tempered, Yuotian became more mature and full of male charm.

Reiko Mizuno was gradually attracted to him, and he had fallen in love with him unconsciously.

At that time she was 24 years old.

It is a pity that Yuao Tian was born to be a decisive and non-returning man. He rejected the suggestion of Mizuno Reiko countless times. In the end, she had to let go.

Now, they haven't seen each other for three years. At this meeting, Reiko Mizuno feels that Yu Aotian has matured a lot, a lot, and that long-suppressed emotion has also jumped again.

"Aotian, do you have time tonight? I want to talk to you about the old." Reiko Mizuno's soft little hands naturally placed on the hands of Yuaotian.

This scene was seen by Yaoyao. She angrily opened the woman 's hand on his hand and grabbed Yuaotian firmly as if defending her baby: "Brother will accompany Yaoyao tonight, no

Can accompany you! "

Yu Aotian looked at this sloppy little thing in surprise. I didn't expect this little thing to be silly just now, but it's quite smart now.

"Ling Zi, I don't have time tonight."

"Oh, this ... that proud sky ..."

"Brother!" Yaoyao cut off the words of Reiko Mizuno and looked anxiously towards Yu Aotian.

"what happened?"

"Yaoyao wants to boo ..."

Hearing this, Yu Aotian's eyes rolled back: "Ling Zi. Lost companion." He picked Yao Yao and walked out of the room ...

"Mr. Chiba." Reiko Mizuno, who was dropped, sat next to Chiba.

"What is it, Miss Mizuno?"

"That girl ... Isn't it ..

." Reiko Mizuno raised his hand and pointed in a circle around his head.

"Hehe ..." Chiba Shinshou smiled embarrassingly and nodded by default.

"Such ..." She sighed thoughtfully.

"What's wrong? Miss Mizuno?"

Mizuno Reiko frowned and smiled helplessly: "Always feel that Aotian's attitude towards that girl ... seems a bit strange."

Not to mention that Reiko Mizuno felt strange, and Chiba Shinshou also felt very wrong.

Said that Yaoyao was Long Ye's dry sister. You can control Aotian's character not to be so accommodating to Long Ye's dry sister, let this girl with intellectual disabilities play tricks.

But to say that the girl has a direct relationship with Yuaotian, Chiba Shinshou doesn't feel like it, because he vaguely saw the girl's boredom from Yuaotian's eyes.

Why is this?

"Oh, Miss Mizuno, I think Yu Bo should have nothing to do with that girl. After all, the girl is both mentally retarded and only 13 or 4 years old."

Reiko Mizuno heard this ... "Yes." Think about it, your worries seem to be really superfluous, how can it be that the girl is not a dish of Yuaotian.

"Ring Bell ... Ring ..." Chiba 's mobile phone suddenly rang: "Miss Mizuno, be out of company." He nodded politely and took the mobile phone out of the box.

"Hey?"

"True guard, I'm cold away!"

"Ah? Mr. Han! I haven't seen you for a long time, but it's okay lately." Chiba finished asking excitedly.

Han Lizhu on the other side of the phone smiled coldly: "Very good, thank you for your concern. Is Aotian by your side?"

"Yu Boss, he was just here, Mr. Han, are you looking for him?"

"Yes!"

"Okay, wait a moment ..

." As he said, Chiba took a phone and found the figure of Miyao in the club ...

the other side.

Yua Tian held Yaoyao and ran straight to the bathroom.

Tonight, he was almost annoyed by this little thing, but don't say, the little thing suddenly said that going to the toilet helped him a lot.

"Go." Arriving at the door of the bathroom, Yu Aotian slowly put her down.

The big watery eyes blinked, and she begged the corner of his clothes pleadingly: "Brother ... Accompany me ..."

"To accompany you? You told me to go in together ?!" But this is a female toilet!

"Um ... brother accompanies ..." With a tender and tender tone, she is matched with her big watery eyes.

Yu Aotian knew that maybe she had been locked in the suitcase for too long, so she had a fear and did not dare to stay alone.

But the question is, if he really enters the women's toilet like this, he is seen ... and he must not be killed?

!

If I knew it, I called Reiko Mizuno to bring her here!

"Yao"

"Yu Boss." At this moment, Chiba Shinshou ran over with the phone in hand: "Mr. Han is looking for you."

"Li Sha?" Yu Aotian answered the phone: "What's the matter?"

"Aotian, why can't you make a call?"

"Oh, I forgot to switch on when I got off the plane. What happened?"

After Yu Aotian's words came down, Han Lihan on the other side of the phone sighed quietly: "Aotian ...

this ... I don't know how to tell you ..."

In an instant, Yu Aotian felt the situation was serious: "What the hell happened, leave?"

"It's like this ... a week ago, Xiaoman told me that he would go to the field to investigate and only come back today. I didn't contact her this week. As a result, she came back this morning and told me ... this week she was kidnapped by ... Xie Zhiqing ...

"

"Is kidnapped ?!" Yu Aotian's face sank, knowing that if Gong Xiaoman was only kidnapped, Han Li could not notify himself.

The bottomless glance glanced at Yaoyao, who stood beside him and said nothing, he seemed to have foreseen ...

"Yes. Xie Zhiqing kidnapped Xiaoman and forced Luo Yaoyao to steal chips from you. The reason why Xiaoman returned safely was that Luo Yaoyao made a deal with Xie Zhiqing by chip and himself. I knew that and sent someone to Xie Zhiqing immediately.

There, but ... did not find ... Luo Yaoyao. "Han Li's tone was full of guilt, he clearly knew the importance of Yaoyao to Yuotian.

Episode 739

"Li Shi, listen to me, Yao Yao is here with me now."

"Here you are ?!" Suddenly, Han Lizhi recovered his spirit.

"Yes. Don't worry."

"That's good. Then I'll hang up first."

"Hmm ..." The phone hung up.

Yu Aotian's bottomless eyes are full of indescribable luster, are you excited?

Or ... happy?

Unable to speak.

But he knew clearly that when he heard that Yaoyao was stealing chips for the purpose of saving Gong Xiaoman, the knot in his heart opened instantly.

Actually think about it, with Yao Yao's black-and-white standpoint, how could she run blankly to help Zeng Kairui?

I don't know why, as soon as he got involved with Zeng Kairui's things, he would become particularly uncomfortable and misunderstand this little thing!

Fortunately, it's not too late.

The handsome face crossed a spoiled smile, and Yu Aotian hugged Yaoyao: "Go, baby, I will take you to boo." The attitude changed 360 ° at once.

"No more ..." Unfortunately, Yaoyao put out a small, lifeless face.

Yuaotian frowned in doubt, and said softly, "What's wrong?"

"Already ... boo finished ..." Big eyes glowed dull.

Yuaotian consciously glanced at the place where she had stood, and there were a lot of water stains on the ground.

Needless to say, he also seemed to be contaminated with her ...

"Sorry ... brother ... Yaoyao diaper pants, Yaoyao is not a good boy. Woo ..." Guilt wiped the tears around the eyes.

"Huh ..." Yuao Tian spoiled with a smile: "Baby, it's okay. Just pee on the urine. Now I'll take you home to change your clothes." Looking back, I looked at Qianye Zhenshou beside me: "Go back

Tell everyone, I 'm leaving now. "

"Uh ... good ... good .

.." Looking at the back of Yu Aotian's departure, Chiba was really dumbfounded.

Ming Ming Yu Ao's attitude towards the girl for a second was still impatient, but after taking the cold and cold call, Yu Aotian's attitude changed 360 °.

Chiba Shinshou, I do n't understand, what ... what is going on?

!

In the fast-moving car, Yu Aotian sat in the back row and hugged the little guy in his arms tightly. The spoiled expression on his face was self-evident.

The long slender hands would touch the top of her head from time to time. Yaoyao was very comfortable, lying on his legs like a kitten.

"Brother, why are you different from just now?"

"Just now?" Recalling the scene of being cold in the villa, and sometimes losing his temper, Yu Aotian laughed at himself: "Yaoyao, I was just bad, I will not treat you in the future

Lost your temper, okay? "

"Really?" The small head lifted up, and the luster gleamed in his big eyes.

Yu Aotian couldn't help but hold her small face and gently kissed her forehead: "Well. Really."

"Brother ..."

"Ok?"

"Yao Yao wants to kiss her."

This little thing is really haunting now. I do n't know if she will return to normal like this now?

Thinking, Yu aotian smiled helplessly, and her lips fell gently on her lips ...

Although Yu Aotian didn't know how Yao Yao became like this, he wanted to know that probably Xie Zhiqing made her like this after Gong Xiaoman was released?

!

I just do n't know ...

Yao Yao's appearance is caused internally or externally!

After a while, the car arrived at the villa, and Yu Aotian hurriedly walked in with her in her arms.

"Master ..." The maids welcomed them respectfully.

"Go, bring a bathrobe to my room; also call Dr. Inoue to come over immediately." Dr. Inoue is a private doctor of Miyako in Japan. They have worked together for many years, and they already have a certain degree of trust in each other.

Yu Aotian took Yao Yao into the bedroom: "Baby, I'll change your clothes first, I'll take you to take a bath for a while, okay?"

"Ok....

.."

"Knockknock" "Master. Bathrobe." A beautiful maid pushed the door into the bedroom.

Yaoyao's small white face immediately sank, staring at the maid with hostility.

It was like a cheetah about to prepare to fight, as long as the maid had any movements, she seemed to bite past.

Yu Aotian looked at Yaoyao and then at the maid, his deep eyes turned.

"Thank you, Kyoko." The cold hands touched the maid's hand seemingly.

The maid immediately blushed her cheeks and dropped her head shyly.

At this time, looking at the vicious face of Yaoyao, he was already ready to fight.

"Oh." Yuotian smiled secretly, and waved coldly to the maid: "Kyoko, you go out first."

"Yes....."

"Baby, come and change clothes."

"Don't!" The small body backed its legs and Yaoyao's tantrum bulged his mouth.

"Baby, what's wrong with you?" Yu Aotian asked puzzledly.

"Yaoyao doesn't like her brother to laugh with other girls. Yaoya hates those maids and hates that sister Mizuno!"

Looking at the little guy's vigorous look, Yu Aotian smiled secretly in his mouth, he vaguely felt that this little thing was hostile to Reiko Mizuno, thinking of trying this maid to try her, and sure enough she was close to all

His women are hostile.

Didn't expect that the little thing would become ... After being an idiot, it was not only a haunt, but a jar of vinegar.

"Okay, in the future I will not laugh with any girls, only Yaoyao, will you?"

"Really?" The gloomy face immediately turned cloudy.

"Well, really."

"Hey ..." She ran happily in front of Yu Aotian and hugged him by the waist: "Brother is so nice ..."

Children are children, they seem to be particularly coaxing, just a positive sentence, they will immediately smile.

Interesting ... "Okay, baby, I've changed my clothes."

"Ok."

Yu Aotian squatted down, slowly untied the clothes she was wearing.

When the top is completely lifted.

He glanced at the little guy.

She just smiled sweetly, and seemed to have no sense of shyness.

"Huh ..." The bottomless eyes gradually cast on her body, and a fire gradually appeared in his eyes.

"Brother? What's wrong with you?"

"Huh?" After recovering, Yuaotian hurriedly smiled, and after three and five divisions, she faded her wet pants and put on a bathrobe.

Ugh.....

Although the little guy's temperament has changed a lot, the body still hasn't changed.

It looks like a few-year-old child, or a 19-year-old look, which is a kind of torture for Yuatian.

"Master. Doctor Inoue is here."

Looked sideways, looking at the position of the door, Yu Aotian nodded coldly: "Well, call Dr. Inoue come in."

"Yes." Soon after, the maid brought in Inoue and his two nurses.

Yaoyao's view, nervously embraced Yuatian's waist: "Brother, Yaoyao don't get an injection! Yaoyao don't get an injection!"

"Hello Mr. Yu."

"Dr. Inoue, hello." Yu Aotian hurriedly greeted Dr. Inoue and touched Yaoyao's head with comfort:

"Baby, no injection. Just ask Dr. Inoue to show you the disease."

Episode 740

"Yaoyao is not sick! No illness. Yaoyao do not see a doctor." Loosing Yuaotian's waist, she hurried towards the outside of the house.

Yuaotian hugged her: "Yaoyao is good!"

"No! No! Yaoya hates his brother!" The little fist waved wildly, hitting Yu Aotian's face from time to time.

Although she looks young, she is still an adult after all, and there will still be pain in her fist hitting Yu Aotian's face.

"Yaoyao!" Yu Aotian grabbed her hands helplessly: "If you are not good, I will not want you!"

"Woo ... Brother just said that he wouldn't lose his temper. Now he loses his temper. Yaoya doesn't like her brother ..."

Didn't expect the little things to look mentally handicapped, but the memory is particularly good.

It's almost as good as she is not ill.

"In this way, Yaoyao, let's not see a doctor, shall we?"

"Really?"

"Well. Really." Yu Aotian nodded with a smile: "Yao Yao accompanies me to play games?"

"Okay, okay." She clapped her hands happily.

Mr. Aotian's eyes flicked and he quickly looked at Doctor Inoue and others.

They quickly took off their white coats.

Yu Aotian held Yaoyao on the chair, and Doctor Inoue took the opportunity to grab her small hand.

"Dead old man! What are you doing?!" Yaoyao's throat came down, frightening everyone.

Only Yuao Tianrenjun could not help laughing, he really did not find that Yaoyao's temper will be so irritable after a big change in temperament: "Yaoyao. You can't be rude to Uncle Inoue, Uncle Inoue is playing with us

Game."

"Huh?" Yaoyao glanced at Yu Aotian doubtfully. The next second, she smiled sweetly: "Uncle Inoue, let's play together."

"Okay. Miss." Doctor Inoue breathed a sigh of relief. He subconsciously and Yu Aotian looked at each other, and the diagnosis and treatment of Yaoyao began after three, five and two.

It was about 20 minutes, and the expression of Dr. Inoue became more solemn.

"Doctor Inoue, how is it?"

"Eh ... Mr. Yu ... You should know that I have been a doctor for more than 30 years. This lady's physique is the first time I met.

" Doctor Inoue said with difficulty, his face was both incredible and hesitant.

"what is the problem?!"

"This is the case. The young lady should be about 18 years old from the bones, but her physical functions and brain development are only about 3 years old and 4 years old. They are severely mentally handicapped. But ...

"

Don't wait for Dr. Inoue to finish talking, Yao Yao stared at him fiercely: "Dead old man, you are mentally retarded!"

"Poof." Yu Aotian pursed his lips and hurriedly put Yaoyao's head on his chest: "Doctor Inoue, you continue."

"However, this lady's IQ has reached 205 points, which is simply a conflict. I have never seen such a physique!"

That is to say, Yaoyao's inner function has changed, but some things remain the same?

Yuaotian's eyes turned: "Doctor Inoue, this girl was originally a genius girl. It just became like this morning. Can you figure out what caused it?"

"It's only today ?!" Dr. Inoue's eyes widened incredulously: "External force is impossible because she has no signs of injury; the only possibility is that someone has given her a certain drug!"

"Then can you make an antidote?"

Doctor Inoue shook his head somberly: "Sorry. Mr. Yu, if you give me the formula of the drug itself, I can make an antidote. But without the original formula, I can't do it."

The original formula of the drug should be with Xie Zhiqing, that is to say, he could only get it from Zeng Kairui?

The big hand slowly took a fist, he nodded coldly to Doctor Inoue: "Trouble you."

"Yes, Mr. Yu, if this lady has any variables, please feel free to call me over."

"Ok."

The maids sent Doctor Inoue and others to leave the villa of Miyao.

Inside the room.

Yao Tian hugged Yaoyao's thoughtful gaze.

With the character of Zeng Kairui's old fox, if he went to get an antidote, the old guy would definitely not give it.

If you send someone to steal, it should not be that simple.

'S eyes glanced at Yaoyao's white and tender face ..

.

Forget it, let's wait for the news over Bingye.

"Brother, do we still play games?"

"No longer playing, I will take you to take a bath." He got up and took Yaoyao to the bathroom.

The big bath was already filled with warm water. Yu Aotian faded her bathrobe and slowly put her in.

Yao Yao was so happy once she entered the water: "Oh, oh, oh ... water water ... water water ..." Little hands kept playing with the water splash.

Standing on the side, Aotian had no choice but to retreat to the side: "Baby, don't make trouble. I'm going to bathe you."

"Hee hee." She grinned and stopped her hand peacefully.

Will wait for Aotian to just squat down by the bath, this little guy turned his big eyes and quickly splashed the water with his hands on the face of Aotian.

"Yaoyao! Yaoyao!"

Water, hit him constantly on the body and face, no matter what Yu Aotian said, it would not help.

"Enough!" Suddenly, a low growl fell.

Is only a few hours away, and the gentle brother's image of Yu Aotian disappeared.

Man

.. Always a man.

What's more, to him, a man who is inherently impatient with women?

Tell him to coax children?

It seems harder than killing him.

"Brother ..." The little head grieved and murmured: "Yaoyao just wanted to play with you."

"Damn!" Looking at her pitiful look, Yu Aotian held his fists resentfully, barely pulling a smile: "I'm not good, I shouldn't be angry with Yaoyao. Yaoyao don't be sad

"" What's wrong with him, even Dr. Inoue said that she only had a 3-year-old child's behavior. Think about it for 3-year-old children?

Why should I lose my temper with her?

"Yaoyao forgave his brother, he came to bath Yaoyao ..."

"Well, good." Yu Aotian squatted again by the bath, just took a towel to wipe her ...

I saw that Yaoyao's big eyes turned and picked up a small pot beside his hand to scoop a pot of water, and gave Yu Aotian a cover!

This time, he completely turned into a soup chicken.

The bottomless eyes looked at the little girl in front of me unbelievably.

She pursed her lips and grinned.

Anger immediately stared at the top of his head: "Grass!" You know, Yu Aotian is a man who rarely speaks swearing. It can be seen how angry he is now that he was cheated by a three-year-old child?

!

He should not believe that this little thing will come down honestly.

Endure!

endure!

Yu Aotian took a big mouth, breathing heavily, taking off his clothes quickly.

Is he going to take a bath with her?

"Brother?" Yaoyao stared blankly at the Yuaotian standing outside the bath..
