

Pure Girl 763

Episode 763

Yu Aotian's complexion gradually sank.

Yao Yao was arrested, indeed one of his plans.

He envisioned a total of two plans, one, Leo appeared, they won on the spot.

If Leo does not show up, he will directly change to Plan B.

Tell them to take Yaoyao, so as to reach Leo's nest.

But for Plan A, he did not want to execute it at all.

Although Yu Aotian understands Leo's character, he knows that he can't use any dirty tricks.

But Yaoyao was called by the group of little idiots in the RV, and her murmured voice, all of them were heard by Yu Aotian.

At that time, his impulsive thought was to stop the RV immediately and save Yaoyao away.

But reason again told him that he had come to this step. If he did not lead Leo to appear, it would mean that he had given up his previous achievements.

Therefore, he can only endure and endure.

Finally, he no longer listened to the sound from the tracker.

However...

"Even if we find Leo, we may not be able to get the antidote." Yu Aotian smiled helplessly.

didn't know what to say, was he good enough to know Leo, or should Leo really be too simple.

As for Leo's character, he could not ask for any reward as long as he wanted to give the antidote; but as long as he didn't want to give the antidote, it was useless.

As for how to get Leo to give an antidote, huh...

The trouble should end it!

Thinking of this, Yu Aotian took Chiba Shinshou and walked out of the back door of the wooden house.

The back of the wooden house is still surrounded by a beautiful sea of 玫瑰roses.

Every time he took a step, there was an indescribable expression of pain on his face, because here... for Yuaotian... has extraordinary significance!

walked for about 5 minutes or so, and a wooden church came into view.

At this moment, his heart glared, a slight tingling sensation.

"Yu Boss." Everyone at Yulongshe stood at the door of the church.

"Why don't you guys go in?" Chiba Zhenshou asked curiously.

Every younger brother of Yulongshe pointed to the inside of the church in embarrassment: "Leo said, only let Yubo come in alone, otherwise she will kill Miss Luo."

"What?!" Is this not a threat?

Qianye Zhenshou frowned gloomily.

"Boss, you must not go in, maybe Leo..."

"It's okay. Leo won't hurt me." Yu Aotian patted the chest of Chiba's chest confidently and stepped open the door of the church.

Inside, rows of seats are neat and orderly.

A red carpet reached the oath of the priest.

Solemn and sacred.

The surrounding of the church is full of various flowers, which is very dreamy.

Leo sat expressionlessly in the first row of guests, and turned back to Yu aotian coldly: "Do you feel familiar here?"

Yu Aotian closed the two wooden doors, stepped on the red carpet, and walked slowly to the oath.

When his footsteps reached Leo, he suddenly stopped.

"Leo, this matter has been 11 years old, do you still refuse to let go?"

"Huh..." Lei Ou sneered and stood up, facing Yu Aotian: "How easy is your tone. Yeah, Lei Lei is one of the many women in your Aotian after all. But... she is me

My sister is everything to me, it is my life!!!"

"Here! I guess you have forgotten it?!!!" Leo pointed at the whole church and quickly walked to the oath: "That year, Lei Lei took you to the church with me, she said, be sure to follow

You are having a wedding in the church, and you must be surrounded by all kinds of flowers. And I, sitting in the rightmost position in the first row, so that I will be the one who has witnessed her happiness in the shortest distance!"

"She also said..

."

☒Aotian.

Let's go to live in Hokkaido in the future.

The environment there is really beautiful.

I hope to build a manor there myself.

Planted with blue roses.

OK?'

☒In addition, in addition, Leo will also live with us.

Otherwise, if he leaves me, he will not survive.'

Leo kept repeating what Lei Lei said that year, he thought that Yu Aotian had forgotten everything.

But...

He did not forget, and never forgot.

When he stepped into the manor, he knew that this is the manor that Leo built to fulfill Lei Lei's dream.

However, no matter what Lei Ou said, Yu Aotian remained silent throughout the whole process, did not excuse himself, let alone say... everything in the past, he did not forget.

And Lei Lei is not just one of his many women!

"Yu Aotian, I ask you, if Lei Lei didn't meet that thing, would you marry her?!" Lei O asked without expression.

He was silent for a while, and shook his head slightly.

"No if."

"Okay, let's talk about it back then! When Lei Lei told you that, you didn't respond at all, so would you ever want to marry her?"

"No." Yu Aotian's answer was very straightforward. He really never thought of marrying Lei Lei, though, he knew that he liked Lei Lei.

"Oh, I knew it would be so..." Leo smiled ironically, his big hands clenched a fist: "At first Lei Lei told me that when I was with you, I strongly objected.

You know, from small to big, no matter what I say, Lei Lei will obey. Only this time, she chose you instead of me!"

Lei Lei is actually a very personal girl, but only to Leo, she is very obedient.

Because she is an emotional girl, Leo is really good to her, so she always chooses to obey Leo.

"Yu Aotian, you and I are from the triad. Although, I know that you are different, you have a different temperament than our group of people. But then, you are also a triad. About our end, you know

, I know. Lei Lei is more clear!!!"

The man who stepped into the underworld is equivalent to stepping into the coffin. Everyone who walks in the black zone knows it.

They are not equipped with a family, they cannot have a family, although no one dares to provoke outside, and the actual heart is lonely than anyone else.

This point, Lei Lei has seen through everything long ago, and also expressed strongly when he was not with Yu Aotian. He would never find a triad man as a boyfriend.

However, she eventually broke the oath...

"Lei Lei changed his original intention for you, and even changed his character for you. No longer willful, no more arrogant, only you exist in her world. And you? When Lei Lei happened

After that incident, how did you treat her?!!!" Leo rushed to him in excitement: "God knows you, I know, Lei Lei's disappearance, what is it?!!".
