

Pure Girl 764

Episode 764

Silence.

Yu Aotian choked with a gulp and slowly lowered his head...

At that time, was a hostile gang of Yulong Society. In order to avenge Yuaotian, he kidnapped Lei Lei and raped her.

After Lei Lei was rescued, Yu Aotian swept away the opponent's entire gang in anger.

He promised that Lei Lei would never disdain her for this matter, Lei Lei was greatly moved.

All of this seems to be so affectionate and meaningful, and Yu Aotian shoulders the responsibility of a man.

But...

It seems that Lei Lei did not change much because of that injury. Actually, she became sensitive, nervous, and her personality became dark.

From time to time, there will be quarrels with Yu Aotian, and he always suspects that Yu Aotian simply abandons himself, has other women outside, and occasionally commits suicide to threaten Yu Aotian.

Where can there be such a neurotic woman that men endure?

Not to mention the 17-year-old Yuaotian?

!

Finally, during an argument, Yu Aotian proposed to break up.

Lei Lei again committed suicide on the grounds that he despised himself.

This time, Yu Aotian did not dissuade her, nor did she give any explanation.

Lei Lei also understood that he had completely lost this man, so he disappeared silently in his world...

"Yes. Lei Lei's disappearance was caused by me." Yu Aotian looked up blankly and looked at Leo's face:
"You hate me, so you turned to Zeng Kairui and wanted to vent Lei Lei, right?"

?"

"Correct!!!"

"Okay. At first, it was because of me that Lei Lei met that thing; also because of me, Lei Lei will disappear. I am willing to bear the price for everything I did." Yu Aotian said quietly.

Leo smiled disdainfully: "Next? Should you want to say more than that?"

"Give me Yaoyao's antidote!"

"Hah, I knew it would be so. You deliberately led me out, just to get that little idiot's antidote, right? Say so much, in fact, you have no confession to Lei Lei, you just want to solve it

Medicine?!!!" Leo's emotion suddenly became extremely excited, he could not bear it, his sister disappeared for so many years for Yuaotian, and Yuaotian lived in the sun without any guilt about the matter.

"As you think. Still, your purpose is me, let go of irrelevant people!" Yu Aotian's tone was commanded.

Leo's eyes were instantly filled with bad breath: "Impossible!!!" He waved his hand.

"Aotian! Aotian!!!" I saw that Yaoyao was tied to the highest point of the church with his hands tied with rope.

As the rope slowly descended, she kicked her feet in fear: "Woo...I'm so afraid...Aotian...save me..."

Raising his head, Yuaotian looked at Yaoyao suspended in the air tightly, barely squeezing a soothing smile: "Don't be afraid, baby, I will save you right away." Sharp eyes quickly shot at Leo

: "Are you this kind of person? Will you use such a small weak person to threaten others??"

Leo, although of ordinary background, has a sense of justice and courage. He disdains those dirty methods and even more disdains to bully the weak.

But..."I did not like it before.

But it is different now! At that time, my dearest person was taken away by you. You can ignore her life and death. Until now, you may forget what she said and forget her.

Look. And now! I'm also asking you to feel the pain!!! Feel the pain of the closest person being taken away!!!"

"Leo!!!" Yu Aotian groaned and grabbed his collar: "Do you really think that Lei Lei's leaving, I don't mind at all?!!! Do you really think, Lei Lei said before

Have I ever forgotten anything?? I just don't want to think about it, don't want to mention it!"

"Then did you find Lei Lei after she left?!" Leiou opened Yu Aotian's hands grasping his collar.

"Do you think I haven't found it?!!!"

"Oh. How long have you been looking for? Half a year? One year?! I think you still keep the women around you?" Leo smiled sarcastically. This is where he hated Yuotian most.

Heaven has sacrificed so much, but Yuotian can continue his life as if nothing else.

"That's because, I thought, Lei Lei was always with you!!"

"Stay with me? What's the use with me? Lei Lei needs you!!!" Leo clenched his fists in anger and hit him in the face with a punch: "What the hell are you talking about?"

"Are you talking?"

Yu Aotian stumbled back two steps and stroked her cheek: "Lei Lei doesn't need me anymore. Even if I really get Lei Lei back, do you think it makes any sense? She

It will only be more painful!"

Yu Aotian is a man who sees everything very thoroughly. For feelings, he is more clear about what he wants and does not want, and he will never drag on.

At first, he liked Lei Lei, and liked her personality.

However, Lei Lei gradually lost himself for him.

He knew that this was Lei Lei's love for himself, but the more Lei Lei got lost, the less he liked Lei Lei.

Until that happened, Yu Aotian shouldered the responsibility of a man and took responsibility for Lei Lei.

but....

..

Lei Lei's personality has undergone a 360° transformation. At that moment, Yu Aotian knew that he was only with her for responsibility, and no longer had the original feeling.

If Lei Lei really stays around, it is actually not fair to Lei Lei.

"Leo, I have always known that you love Lei Lei. Your love has exceeded the emotions of brothers and sisters. When Lei Lei disappears, the next is your disappearance. At that time, I was thinking, if Lei Lei and you

Together, at least she can be happy. However, I still have not forgotten everything I owe her!!!"

Yes!

Leo's love for Lei Lei is not a brother-sister relationship at all, but simply a relationship between men and women.

Yu Aotian said this not because he wanted to get rid of his responsibilities, but because he saw everything too thoroughly. He knew clearly that Lei Lei stayed with Leiou's side is definitely happier than staying with him.

This is a kind of letting go.

One of the greatest respect for the woman I once loved!

Lei Lei really sacrificed too much for him and changed too much.

But Lei Lei can always keep himself in front of Leo.

Yu Aotian knew that in fact, when they were in contact, Lei Lei was very tired and very tired. She had to constantly adapt to his preferences to change.

There is absolutely no need for this!
