

Pure Girl 766

Episode 766

"Because you are my sister, as long as you are happy. You like Yuaotian, Yuaotian must be with you!!"
Leo's personality is unusually persistent.

He will not consider too many things, as long as his sister is happy, even if Yu Aotian does not like his sister, Yu Aotian must also be with his sister.

Unless, Lei Lei likes others!

"Brother, listen to me, it's not like this, feelings shouldn't be like this, but..."

'boom!

☞During the entanglement between the three, Leo's gun suddenly went off...

The bullet instantly penetrated the rope hanging Yaoyao's hands.

"Woo..." The moment of falling makes Yaoyao's small face white and white.

"Yao Yao?!!!" Yu Aotian did not hesitate for a moment, and subconsciously ran towards where Yao Yao fell.

however.....

is still a step late!

'boom!

With a loud noise, Yaoyao's petite body fell heavily on the red carpet, and his head hit the ground fiercely. In an instant...the harsh blood dyed the red carpet even more...

"His Royal Highness, my name is Bing Ye, and will be your escort in the future.

,

☞Landuo, you will visit China for a year, by the way...'

“Big Brother, what's your name?”

Why are you locked here?

,

“His Royal Highness, do you live here for the time being?”

When the limelight passes, I will send you back to Aslan.

The locked door of memory seems to be gradually rupturing, and sporadic images flash vaguely before Yaoyao's eyes.

It's just that those pictures flash too fast, and it's too late to piece together these plots.

She only felt that her body was so painful and sore at the moment. She looked at Yuotian, which was only a step away, with her eyes open and dry. The little hands that had become weak lifted up effortlessly: "Ao..."

“” The faint voice spit out from between the lips, at that moment, Yao Yao's eyes were all reluctant and longing for him.

Unfortunately.....

Next second.

..

The eyes full of longing disappeared, she closed her eyes tightly, and her raised hands fell down weakly...

"Yaoyao!!!" The proud roar of Yuaotian filled the whole church instantly. He picked up Yaoyao, who was already soft all over, and hurried out of the church.

"Brother!!! You are so extreme this time!!!" Lei Lei looked at Leiou in reproach, his face full of helplessness.

"As long as you can be happy. No matter how many people die, I will not hesitate. I will kill whoever Aotian falls in love with in the future! Until he is with you!!!"

"Brother!!!" Lei Lei waved his hand, which was a slap, and hit Leo's face heavily: "I admit, I really want to be with Aotian. But, after hearing

After his remarks just now, I was sad and happy. Sad, he is not loving me anymore; happy is his kindness to me."

"Benevolence?!" Leo narrowed his eyes in puzzlement.

"Yeah! Aotian is a man after all, I am a woman, he will not care much about me as a woman, but just because he wants me to be happy, he has not been reluctant to be with me. You think, I and Aotian

Can you be happy by being together? He doesn't love me, what happiness can I have? Aotian also knows that he can't give me happiness.

my love!!!"

Once, when Lei Lei ran away from home, she hated Yu Aotian.

But slowly, slowly, with the passage of time, she slowly found out how wrong she was and how tortured Yu Aotian.

Relying on being a victim, he began to become unreasonable, making Yuaotian owe himself and kept going crazy and losing his temper.

Recall that no man can stand such a woman?

So, Lei Lei relieved everything, and that hatred returned to love again.

Unfortunately, she is not sure whether Yuaotian still has feelings for herself, or whether she still likes Yuyaotian, so she has been hiding for more than ten years.

Until...She just heard the words of Yu Aotian, she realized that what had really become has once...

"Brother! It seems that you still don't understand it. Aotian is answering your question, saying that save me but accompanied Miss Luo to die. This is exactly my current mood. If Aotian doesn't love me anymore

, I would rather not be with him; the same is true for Aotian. I would rather go to Huangquan with someone I like, not with someone I don't like!"

Leo is silent.

His silence is exactly what he has gradually understood the true meaning of love.

I was gradually feeling the mood of Yuao Tian and Lei Lei.

"You mean, have I always been wrong? Lei Lei."

"You... that's right." Lei Lei bowed his head expressionlessly and exhaled in embarrassment: "At least, from your standpoint...yeah. Brother...Thank you...love me so much

For many years... I'm sorry, these years, I'm calling you... sad." She clenched her fists and slammed into Leo's arms.

"I'm not sad. As long as you are happy, I will be happy." Leo hugged Lei Lei tightly.

She smiled helplessly and suddenly felt that her brother was really slow in feelings!

For so many years, how could Lei Lei not know that Lei Ou loved herself with men and women?

This point, Leo also knows, but unfortunately he is born looking at Lei Lei for happiness. Therefore, Lei Lei likes Yuao Tian. Although he is sad, he is more happy.

The meaning of Lei Lei's sentence was just telling Leo that she had loved Yuaotian for so many years, and now she finally let go of him, and she should look back at others.

Unfortunately, it seems that Leo, who has a slow relationship...

But, whether he understands it or not, Lei Lei knows that Leo will always be by his side. This is enough.

"Brother..." Suddenly, Lei Lei pushed away Leo's arms: "If Miss Luo has three long and two short..."

"I know Aotian's temper. If Luo Yaoyao is really dead, I will return my life!!"

"Brother!! I...I don't want to see you have anything to do with either side of Aotian. It used to be this way, now... it's still that way!!!" Lei Lei shook his fist anxiously: "No! Brother, hurry up

Let's go. If Miss Luo really has something to do this time, then I will..."

"What are you talking about? Silly girl. Aotian won't hurt you. Moreover, even if I really left, I can still find me with Aotian's ability." Leo hated Yu Aotian because of his sister, but he

It has been, and has always been very recognized by the ability of the Royal Proud Sky.

Whether ever, or now.
