"Welcome, Mr. Yu, the usual seat?" one of the waiters of five star restaurant welcoming Yu Ao Tian.

In front of Yu Ao Tian all of them are bowing to his direction.

"Woah, Woah, husband, husband, is he, Berson Group CEO, Yu Ao Tian?"

"Stsst, you better eat your meal."

"Didn't you ever have business partnership with him before? Why don't you greet him?"

"Shut up. He does not recognize me, the person who dealing with me always their General Manager."

"Oh, regretful, but real Yu Ao Tian and the rumor spread really similar, well describe. Oh yeah, who is the little girl that next to him?"

After the man heard, his eyes glanced at Yao Yao who walking beside Yu Ao Tian: "Never seen before, I don't know. Faster finish your meal!"

"Oh!"

"Mr. Yu, please." One of the waiters lead the way, both of they are entering VIP area and private room of that restaurant.

Finally Yao Yao can avoid all those people who secretly or boldly looked at her, while the waiter who is serving them also gazed to her.

This is kind of terrible feeling. all because the man who beside her, the outstanding man, either his aura or his good looking appearance, everyone curious to look at him even for seconds.

If her relationship just upright, perhaps she can feel so honorable standing side by side with this man. But...both of their relationship is something that cannot be known by other people.

"All of you leave."

"Ah? Mr. Yu, what do you mean?"

Pair of eyes gleamed coldly, at least he able to see Yao Yao discomfort, coldly said: "All leave. I don't need all of you in here."

"Yes, yes." The waiter who served inside the private room is leaving.

Yao Yao who head look-down since she got inside to the restaurant until the private room, finally able to lift her head up, looking at Yu Ao Tian's eyes that has excitement trace...

Not long after that, the food have served all, Yao Yao does not think too much about eating manner, at moment she swept all the food, Yu Ao Tian dumbstruck to look at her.

"Bao Bei, you...eat too much, won't you feel sick later?"

"I won't." after she said, shyly she smiled: "I, can I order another portion of the beef steak?"

"....."

..."

A big man like him only ate half of beef steak, but this little thing?after all she even wanted to eat another more after done with two beef steak, actually how big her stomach size?

" waiter, get me another portion of beef steak."

"Yes. Mr. Yu." Another portion of beef steak served.

Again Yao Yao finished her food, but suddenly... "Yu, Yu Ao Tian, I, my stomach ache. I want to...go to toilet."

"Bao Bei, do you mean...asking me to bring you there?"

"No need, I can...go by myself."

"Then you go faster."

"Oh." After said, Yao Yao leave the private room as fast as wind.

"Huff." Yu Ao Tian took long breathe: he shook his head with cried-laugh. This little thing really good in eating and sleeping, after eat and then excreted, simply to say..

..

"Haha" it seems that he really put live treasure beside him.

"CEO Yu."

Hearing there is someone called his name, Yu Ao Tian hurried back to his usual self, looking at door direction: "General Manager Feng."

Seeing Feng Chen Yi who is slowly walking inside the private room: "I heard from the waiter that, you are having your meal in here so I just drop by to say hello. If there nothing then I take my leave."

"There is no rush, have you eaten?"

"I have eaten, just in time to leave."

"Oh. It hard we get to meet each other, if there's a time, we should have good chat."

Feng Chen Yi stretched out one of his hand from his pocket, pointed at the seat facing Yu Ao Tian: "Have I disturb you?"

"HaHa, she is going to toilet, perhaps she will take sometimes."

"En, well."

Waiting until Feng Chen Yi to take the empty seat, Yu Ao Tian clapped his hand asked the waiter to close the private room door.

"Regarding to our business contract, what is your father opinion?" after said, Yu Ao Tian black eyes flashed.

"HaHa, CEO Yu, you must know that my father have already gave Feng Group to my older brother and me, so what do you want to know?"

It is the brain of Feng Chen Yi that Yu Ao Tian value most, he is only to make superficial contact¹], Feng Chen Yi even easier to get the main topic. This is better, also save much time. Smiled, he agreed by shrug his shoulder.

"My older brother is trying to stop our partnership."

"If I was your older brother, I would also do the same thing to stop you. But..." thread of discussion, his eyes flashed: "The decision still in your hand, am I right? You know better than me about the advantage."

"HaHa, CEO Yu, I always believe that the enemy of the enemy actually is best friend. So that, today I really "willing" to come and say hello to you!" Feng Chen Yi purposely emphasized "willing" this word in order to express himself.

After all, their business collaboration is having and involving very sensitive legal spots. In order to avoid future troublesome, both of them only can rely on hint, sign and code to talk about the collaboration agreement.

"Hah, the enemy of the enemy is best friend, I like this statement." Said Yu Ao Tian with cold smiled: "Well, I hope we become best friend and faster to breakdown the enemy.

" After said, he stood up elegantly and stretched out his hand.

Feng Chen Yi also showed his smile, politely shaking hand with Yu Ao Tian's hand. "CEO Yu, still one word, I really expecting to have "collaboration" with you."

"Same here with me."

After they exchange politeness, suddenly the door opened...

"Ao Tian."

Seeing Li Mei Yun coming inside, Feng Chen Yi elegantly nodding his head to Yu Ao Tian: "Not to disturb both of you, CEO Yu, I take my leave."

Li Mei Yun sees that Feng Chen Yi also there, awkwardly asked: "General Manager Feng you are also here? Am I... disturbing both of you?"

"No, I have done talking with CEO Yu. Miss Li, you continuing." After said, Feng Chen Yi faster his steps and left the private room.

"Ao Tian, did I disturb both of you?" Li Mei Yun swept her gaze to the empty seat and then she directly sit down.

"Mei Yun, that seat belong to someone."

"Ugh, didn't this seat belong...to General Manager Feng?" Li Mei Yun even thought that Yu Ao Tian was having dinner with Feng Chen Yi, at this moment she hurried stood up, go to another empty seat.

"Mei Yun, are you and Feng Chen Yi know each other?"

"HaHa, I can't say I know him. Two years ago I met him in party, he said, his Ex-girl really like me so we had little bit chat, just that one time."

"Oh? Seeing how Feng Chen Yi in person, I don't think he is someone that able to take an initiative to chat with other." This was based on what Long Ye said when he met Feng Chen Yi to talk about their collaboration. He more belong to spectators types than active person, other than about business, he might speak less to the stranger.

"He really is someone quiet and not really like to speak with stranger, but once talk about his Ex-girl friend, he can speak about her unstoppable. This based on the six sense of woman, he must love her, he must really love his Ex-girlfriend."

Episode 82

"Huh, never thought that Feng Chen Yi is someone value love most, really hard to believe." All of them are mingle in same social circle, Yu Ao Tian ever heard about Feng Chen Yi who are not less than Casanova compare to himself, but never thought he has kind of very focus "heart" man!

"Aiya, I really want to see his Ex-girlfriend, what kind of girl she is? Since she is able to hold Feng Chen Yi's heart."

Li Mei Yun who sat beside him showed her expectation expression, while he enjoying his food, he rolled his eyes: "How can be? Are you curious with others Ex?"

"Haha, speak less nonsense. Mei Yun, didn't you know my standard for woman?" After he said, Yu Ao Tian curled up his lips.

"Hard to say, perhaps Feng Chen Yi never touched his Ex-girlfriend?"

"How the hell it could be? Feng Chen Yi is normal man."

"Humph, there is time, because so in love, have deep love, even not dare to touch!" Said Li Mei Yun, she moved her seat closer to him, pair of her hand enveloped his neck, slowly closer to his nose: "This kind of feeling you will not understand, okay?"

Indeed, Yu Ao Tian indeed never understood this kind of feeling because he never loved someone deeply!

"Ah, even I understood, you little bitch **like it?"

"You hatred, Ao Tian." Li Mei Yun said, she kissed his lips...

**

"Argh, very comfortable." After she done with her "problem", Yao Yao face showed relax, prepared walking out from toilet.

"Hey, Hey, you guys made guessing, guessing, who was the little girl that brought by Mr. Yu just now?"

Since she heard some of the waiters chatting about herself, Yao Yao paused for moment and suddenly her eyes stung when the topic brought up.

"At one glance she is absolutely his younger sister."

Huh...good.

"How, did all of you see Mr. Yu and that little girl look different? My opinion, that little girl might his lover?"

"Lover? Impossible, how can Mr. Yu interested with little girl?"

"That's why I said their relationship must be lover, he just toying with her after that he will dump her, no need responsible and also able to "taste" something new and refresh, why can't he?"

"Ugh, it seems the possibility both of they are lover is...."

Finally the relationship is still guessable by other, right? It is also strange, she and Yu Ao Tian aren't living at same roof but she only out with him this first time in front of many people. Yao Yao lower her head because the lover matter, when she sensed few of the waiters are screening her appearance she purposely faster her steps. Unknown... "Aiya." She bumped into someone who is walking closer to her front. "I am sorry, sorry, so.

.."

"Yao Yao."

This voice is? Hurried she lift up her head... the first thing that she spotted is the man's left ear diamond earring. Impossible, how can be such coincidence!

"Coming to have dinner?" pairs of eyes from left and right are looking at that cold eyes who straightly looked at her, Feng Chen Yi smiled: "Just in right time, I haven't had my dinner, how about we dine together."

"I, I came with my friend!" lower her head, she stammered answered him.

"Oh? Well, are you coming with your fiancÃ©?" when he said, Feng Chen Yi eyes gleaming: "Ah, perfect time, I always want to know who is my "replacement", I want to say hello. Bring me to meet him."

Did Feng Chen Yi purposely saying this? Why every time I meet him, he must be talking in this way with me? "He does not know you! I am in hurry, I take my leave!" she took two steps but blocked by Feng Chen Yi who did not have any intention to let her go, she spoke with lower voice: "Scram away!"

Feng Chen Yi clenched, stiffen for while, he just compromise her, move to side, let her way to walk.

But when he is still in screening Yao Yao's body, that moment...

He spotted the hickey in her neck, it make him feel as if there is knife that stabbed into his eyes.

Before it was pregnancy test kit, later he spotted her to use VIP Gold Card and now he even sees hickey!

When he saw it, his expression changed gloomy, suddenly he stretched out his hand and pulled her to get into the restaurant inner corridor.

Yao Yao dumbfounded when seeing him pulled herself: "You, what do you want to do, Feng Chen Yi?"

"Feng Chen Yi, you hurt me!"

She looked at him who extremely pissed off, pair of his eyes gleamed coldly: "Are you hurt? I even hurt than you!" after he said, he pinched both of her hands, with domineering attitude he crazily kissed her as if storm, pressed into her lips!

"Ah." Their face is so close, her heart beating so fast. She only can feel his rough kiss, Yao Yao feels herself difficult to breathe, his kissing as if piercing to her wounds.

She really not understood what happen to Feng Chen Yi, in the past when they were still boy and girlfriend, Feng Chen Yi never used to force her. But now.

..what his reason!

The hickey that left by Yu Ao Tian? Did Feng Chen Yi objection with that? Why must he? How can he? But, both of them... already broke up!

"Ah! Ah!" The lips feel numb, she kept on rejecting him. But she is not match for Feng Chen Yi strength!

"Hu... Hu..." finally... this harsh and rough kissed ended. Yao Yao angrily glared at him: "You..." when she spoke one word, he put strength to press into her lips again. And then.

..

This kissed changed little bit gentler, and gentler...

At the same time, he slowly loosen up the pressure that pressed into Yao Yao's wrist, tightly hug her to his embrace, his lips suck the sweetness of hers, he looks as if drunk, helplessly.

This is the first time for Yao Yao to have such close distance with this good looking face, no matter how long time passed, she lost control of herself, looking at him because this is the first time for her be so intimate with him, so close, but...

This happen right after both of them broke up.

Now she does not have right to have feeling for this man!

No one knew time passed, Yao Yao used all her strength to push him away and free herself from his embrace: "You are overly, Feng Chen Yi, let me go...let me go!"

"What do you think...and want?" her vision blurred looked at him, she really not understand this man who standing in front of her, she not allowed this man to touch her.

"Yao Yao." After some time, Feng Chen Yi finally spoke, his voice is low and coarse: "Is this the present that you said would be given when you turned 18?"

Episode 83

His question as if Pandora Box that opened her heart.

She never thought that he still remembered the promise she ever made for him. It true that this kiss was saved for Feng Chen Yi as birthday present, but now this present has been forgotten by her as time passed...

Her body frozen and stiff, it only her heart that still beat, but every beat of her heart only gives her pain, it hurt...

She cannot see his face, but she can feel the tightly embraced to herself by him and also the voices of broken heart.

"The present that you promised me for the 18th birthday I have take it, and also I want to take the 19th too. Now!" he loosens his embrace and looked at her: "I don't care with who you are, I also not bother what have you did with him. Just immediately! Now! You...back to my side!" This kind of order make other cannot refuse, it sound alike command. But somehow his eyes showed pleading to her.

Ha, so that the bossy Feng Chen Yi also able to show this kind of expression? Suddenly she feels so ridicule, why he never told her like this during the time both of them just broke up? Why must now? Why must wait until there is no turning back? Why must wait until she had made lover contract and then he came to her and said these things, didn't he know...everything just too late?

"Feng Chen Yi, I asked you... why are you asking me to come back to your side? Do you wish me to see you continue to sleep with another woman? Or do you want to hurt me more? You know what I want! I just want to have man that only love me, a man that only belong to me, but... not a man like you!"

Reason, reason, all only reasons, Yao Yao is trying to make up reason to put all the responsible into him, although the current Feng Chen Yi might become the sincere man, would she still able together with him?

Why don't you tell him that you have been already someone lover? Because... you are afraid he will look down at you, right? Ha, this is really absurd!

All the past memories had gone, the past pure and innocent love also gone, the current her is not match for Feng Chen Yi!

Coldly sway his hand, she steady walking out from the corridor and left. Don't cry, don't cry, she cannot cry now. Her small hand made a fist, it still few steps before she leaving this place...

"Luo Yao Yao, do you really confident that your current boyfriend really loves you? Or don't he also rotten man as me?"

She stopped, listened to Feng Chen Yi cold voice, she not dare to turn her back, moreover she not even dare to answer his question.

The important thing is she not really understand what kind of man Yu Ao Tian and she also does not want to know about him, also perhaps Yu Ao Tian is more rotten compare to Feng Chen Yi, hundred and thousand times, again what can she do and what guarantee she has?

Feng Chen Yi just did not know, she never cares with that rotten Yu Ao Tian because...

She not loves him.

Because...

She is only his lover.

So why should she bother with all women at his sides?

She reached the door at the corridor edge, the light from outside pierce her eyes. Another seconds...

"Pa" she got hard slap. Yao Yao can feel her face burn hot and pain. When she able to react, the person who stood in front of the door is Li Ruo Ting.

"Ruo Ting! What did you do?" Feng Chen Yi is rushing to the door.

"I have seen all! I have seen what both of you did in here. Luo Yao Yao you don't have right to say me before because you just same as me!" after said, Li Ruo Ting raised her hand again prepare to give Yao Yao another slap.

But just in time her hand is stopped by Feng Chen Yi, when Li Ruo Ting gained herself, Feng Chen Yi has already slapped Li Ruo Ting.

"Chen Yi, you..." looking at Feng Chen Yi cold expression, Li Ruo Ting swallow back her words, she hurt and crying.

Does not want to hear, does not want to see, Yao Yao feels her world has changed to be grey, she just wanted to leave this place, leaving this noisy world...

She turned her back and leaving the restaurant as fast as she can. Finally tears that she held dropping and wet her cheek.

Why every time she has determined to give up, Feng Chen Yi heartlessly came into her world, messing with her life?

Why giving up a man that had hurt her can be such difficult? Even now, even now when he has already had new girlfriend, when heard him brought up to reunite why she must be so flatter? And also hurt?

When she wanted to remember all the beautiful memories suddenly all the bad came out, she almost forget all the beautiful memory and remember all the bad ones.

Why...why...

why...

At this moment, Yao Yao had too much, she had too much why, too much that she not understood, and also the most important that she wanted to ask...

If time really can turn back, could both of them back to the most beautiful moment they had before....

"Ruo Ting, you better know clearly what is our relationship!" inside the restaurant, Feng Chen Yi coldly said and then he left.

"Chen Yi..." Seeing at his figure that almost disappeared in front of her eyes Li Ruo Ting crying alone by herself.

After both of them got caught by Yao Yao, indeed they never had clear broke up, but she forcibly herself silently to stay at his side.

But...she really, she really loves Feng Chen Yi, so that even she does not have any status with him, she willingly crawling to his bed as his bed-mate.

"Have you seen my big sister?" Li Ruo Ting came back to the private room, today she is coming with her big sister. But unknown she even caught Yao Yao and Feng Chen Yi kissing in the corridor not far from toilet.

"Miss Li, your big sister is in next private room."

"Next private room?" she wiped dried her tear, she knocking the door of the private room: "Sis..."

When she opened the door that moment: "Uh, I am sorry.

"

She saw Yu Ao Tian and Li Mei Yun is kissing, this scenery is piercing for Li Ruo Ting.

"Ruo Ting." Li Mei Yun hurried loosens up her hand that wrapped into Yu Ao Tian's waist: "What happen to you?"

I... I...

Seeing her little sister eyes that wet with tear, she helplessly smiled at Yu Ao Tian: "Today I asked my little sister to accompany me for relieving my boredom, but now...it seems that I must comfort her."

"En, go busy on your thing."

"Well, I take my leave, Ao Tian."

When both of Li's sister left, Yu Ao Tian looked at his watch, Little thing only went to toilet, half hour must be too long even only going to toilet? Why haven't she back? He picks up his mobile phone and phoned her: "Hey, where are you?"

"I am feeling unwell. I want to be alone. You go back first, can you?"

Yao Yao trying to act as if she is alright, but Yu Ao Tian able to sense the loophole of Yao Yao, her crying voice: "Where are you?"

"You now..."

"I don't want to repeat three times!" suddenly his voice stern, his expression extremely scary.

Helplessly, Yao Yao better to tell the truth: "I am at the park near the restaurant."

After he hung the phone call, Yu Ao Tian is rushing to leave; he quickly paid the bill and leaving the restaurant....

"I understand very well the types of woman who with Yu Ao Tian, he will never interested with little girl!" everyone who mingle in this society, whether the woman beside Yu Ao Tian or even his bed-mate, more or less he has ever heard before, all of them are mature women or sexy ones while Yao Yao is far from this criteria. "Start the engine."

"Yes, Second Young Master." The car is slowly moving.

Feng Chen Yi leaned his head to the car's window, the glass surface touch his cold good looking face. And then, it reflects his grieved and heart broken through his eyes.

Suddenly, the petit figure in the dark night caught his eyes: "Lao Zhang stop the car!"

The car stopped at the road side.

"Big Sis, why don't you leave?" at the parking lot, Li Mei Yun footsteps stopped, from far away when she just drove her car: "Just now it was... seems like Yu Ao Tian's car."

"It's so normal."

"But beside him seems... there was little girl."

Looking further, the office room seems to be battlefield for undoubtedly.

Yu Ao Tian wore black suit and sat on the Zhao Zhi Cheng's seat in his office, while behind Yu Ao Tian is Han Li Shang, Mo Xue Tong and Long Qi, three of them standing. While outside the office room there still few men in black suit guarding. It could say that, all of them have prepared for today occasion. As long as someone go inside alone that person might feel the petrified atmosphere which can make the person faint immediately.

"Yu..."

CEO Yu, Vice CEO Han, all of you are coming?" Zhao Zhi Cheng footsteps weaken when he stepped inside his room.

Fortunately beside him is Long Ye who quickly helped to hold, if not perhaps he might be kneeling on the ground.

"President Director Zhao, looking at your age, you don't need to be helped when walking, right? Why today..." Long Ye laughing voice piercing.

He wiped his cold sweat in his forehead: "Ha, Ha Ha, just not balance, a moment not balance."

"Oh... so that. How if I free my hand?"

"En En, Thank you, thank you." Zhao Zhi Cheng said thank you but his eyes adversely looking at Yu Ao Tian: "That, CEO Yu... I hope we have great collaboration."

"Very good, great collaboration." Yu Ao Tian used pair of his hand to support his cheek on the desk. He smiled deviously: "If the collaboration not happy, how can I come here by myself? The most important is...President Director Zhao, as long as you happy it will do."

"

"Ha, He He."

Seeing that Zhao Zhi Cheng treachery expression, Yu Ao Tian narrowed his eyes, showing his sinister smiling while stroking the chair handle: "To be honest, President Director Zhao your office room really comfortable. I love to sit in this position and unwilling to get up, what do you think?"

"Yu, CEO Yu, you stop joking with me, in this business environment who does not know that your CEO office room in Berson Group is one of the most glamour and splendid in this entire China, about my office room, how can it be compared?"

"Aiya, there is time when get used to eat abalone, sometimes need to eat vegetarian also not bad, am I right?" his pair of eyes flashed coldness.

At this moment suddenly two of his men grab hold of Zhao Zhi Cheng's hand.

"Yu...CEO Yu, You...what do you intending to?" Zhao Zhi Cheng is shocked with sudden attack, his face white pale.

"What I intend to do? Ha, I am Yu Ao Tian from the start like to eat by myself, 60/40 business, how can I do that kind of business? So that...if you vanish from this world, that, Ao Mei will be mine, what do you think?"

Looking at Yu Ao Tian facial expression, no one dares to say he is joking, he is genuine to do so.

But, inside the room with that strange atmosphere cannot perjure oneself, even Zhao Zhi Cheng not dares to doubt: "Yu...CEO Yu, if I die, this company also not belongs to you! After all based on your 40% stocks it is impossible. Besides, it's impossible that you don't know who is my backup? He is Deputy Prime Minister, Zeng Kai Rui."

"You are right.

Aiya, so what if yours backup is that old thing, current Deputy Prime Minister, Zeng Kai Rui?" Yu Ao Tian intentionally showed his deep thought expression: "Ha, if he knew that the working collaboration that we had signed something feign business contract, would he understanding, my reason...why I must kill you?" After he said, his face showed merciless expression and as cold as ice.

Zhao Zhi Cheng only can feel his sweat streaming down more and more, he never thought that Yu Ao Tian who not even in his thirties could be such scary and frightening. "Since you have known there was problem in the business contract, why do you still want to sign it?"

"Why?" He smiled sneaky, slowly he walking in front of Zhao Zhi Cheng, suddenly his hand pulled Zhi Cheng's hair, his ghastly face gradually approaching him: "It's because you are Zeng Kai Rui's confidant!"

Looking closely Yu Ao Tian's pair of eyes that flashed with hatred, finally Zhao Zhi Cheng understood what going on: "so it's between you and Deputy Prime Minister! Yu Ao Tian, since it is your personal grudges, you also don't need to go against the money, right? You are so immature."

"Ckckckck, Zhao Zhi Cheng, do you really think yourself that high, cih." He said with pity sight.

One of the black men hit Zhao Zhi Cheng until unconscious.

"Put him in sack and bring him out from back door." Long Ye gave command.

After all the Xiao Di leaving the office room, Han Li Shang who walking side by side with Yu Ao Tian: "Ao Tian, finally we have settled one of them, why are you still not so unhappy?"

The expressionless Yu Ao Tian gazing outside scenery from the high floor through the glass window, he forced himself to smile, helplessly took long breathe: "I have spent two years but yet I just settled only one person."

"Ao Tian, there is no such rush, do it slowly." Mo Xue Tong patting his shoulder.

At other side is Long Ye who joined patting his shoulder: "That's right, don't rush, do it slowly. All of us still so young, although it takes time and energy we will be able to bring down that Zeng Kai Rui and takes his dog life."

"Ha, let's go." After said, all of them are leaving Ao Mei group....

Episode 88

When night comes, Yao Yao who sat in front of television, not even realizing the presence of Yu Ao Tian.

"Bao Bei, in this way you can be in dangerous, if the person who entering is not me but bad person, what would you do?" Yu Ao Tian giggles, sitting beside her and pulled her into his embrace.

Yao Yao wanted to avoid him, make a move and coldly stood up in front of him: "Today afternoon, when I watched the news I saw Berson Group and Ao Mei Group signing the business contract."

"Oh, and then?" Yu Ao Tian crossed his leg, calmly asking her.

"I also watched other afternoon news, it was about..." she lowered her head: "The Chairman of Ao Mei group was suicide by jumping from building."

"En, and then?"

Her head slowly lift up, she clenched and clear her throat: "Zhang Zhi Yuan... did you kill him, didn't you?"

"I killed him."

Thump! Her heart pounding hard, she never thought that Yu Ao Tian could be this calm when answered her question. "Why? Why did you do it? At the beginning I was curious, you have already known the contained of the work contract is feigned but still you signed it. But after I watched the news about Zhang Zhi Yuan suicide, finally I understood why you still signed that contract even it is feigned!"

"Ha, so what do you think my reason is?"

"When you signed that business contract, you will have 40% of Ao Mei's stock, while 60% belong to Zhang Zhi Yuan. And then, if you showed the fraud of the business contract, not only you are free from the accusation about Zhang Zhi Yuan's suicide but the stock of Ao Mei would drop. During the time you can freely to buy all the stock of Ao Mei with the cheapest price, beside that, the Berson Group won't get any bad effect moreover it able to raise the stock of Berson Group. Only one person death, you may earn at least hundred thousand millions. Am I right?!"

After listened to every each sentences of Yao Yao. Yu Ao Tian really did not know whether to say Zhang Zhi Yuan was too stupid or Yao Yao who is so smart!

"So it's between you and Deputy Prime Minister! Yu Ao Tian, since it is your personal grudges, you also don't need to go against the money, right? You are so immature."

That's right! He indeed have deep grudge with Deputy Prime Minister, he even dares to gamble and ruin his own business. Perhaps because of the death of Zhang Zhi Yuan everyone might think that Yu Ao Tian could be sacrificed anything because of his grudge, but no one even knows that his motive had seen through by little girl!

Hah, only this time he really hopes that this little thing can give him stupid smile, maybe...it would be better if she able to have same thought as Zhang Zhi Yuan.

"Bao Bei, you even thought that by one person death, I could earn thousand of million, it so worth, isn't it?"

"You are too over! Yu Ao Tian, how can you have this kind of thought? Life is priceless don't you understand? You are cold blood beast how can...."

"Pa" suddenly her face got slapped very hard. She hasn't reacted while her long hair is merciless grabbed by the man.

Yu Ao Tian slowly closer his face to her small face, sternly said: "Little Thing, although these few days I have spoiled you so much, thinking that you are so smart. But, it better for you to use your smart brain in right place, don't forget about your status!" after said, he swayed her away...

Yao Yao fell to floor, her corner of mouth bleeding with fresh blood.

Her small hand touched her face, dumbstruck looking at the man who sat in sofa, her body is trembling! At this moment, she finally remembered..

.

This man who surrounded with domineering aura has another status; he is the underworld emperor, isn't he?

"Yu...Yu Ao Tian, I asked you, if... I never told you...about fraud of the business contract, would you...kill him?"

His eyes flashed looked at her, smiled: "Aiya, that's right, I almost forget you are also one of the person who has gave big contribution, if not because you who said that business contract had problem, perhaps...I didn't have reason to kill him!"

Her crystal bright eyes cannot hold her tears anymore; she never thought her good intention could kill other person! She used her effort to climb up, she "Woah..." she crying so miserably, the entire villa echoing her voice....

After she left, the cold expression in Yu Ao Tian face changed to be helpless, he inhale deep breath and raised his head to look the surrounding.

He really does not know his lies could give such big hit for Yao Yao.

Perhaps, for little girl who only nineteen year old, facing with this sudden strike indeed quite hard to deal with.

But, God has given her premature reality but also wisdom, if she stills keep her innocent and naively seeing this world, living in this world, soon or later one day...she might get killed by this society!

"Little Thing, slowly you will understand about this world's cruelest things..."

Half hour later, he slowly took up his phone: "Mei Yun, where are you?"

"Why? Ao Tian, your tone...little bit different, do you have bad mood?"

"I asked where you are."

"At home."

"Wait for me.' After said he hung the phone and he left...

Boom bum. Da da

At other quiet corner of street, one of the luxurious cars turned on a deafening sound of music. The good looking man is drinking glass by glass wine while beside him there are two sexy women sitting beside him and tightly embraced by him.

"Young Master Feng, you are drinking wine by yourself, why you drink such exasperating." One of the women took his wine from his hand, while her finger caress his chest.

"That's right. As I said Chen Yi, inside car there are women and also me, your best buddy who accompany you, it is so meaningless to play by myself alone." One of the good looking man who sat at other side said, he has black eyes and also good looking trait in his face. He is trying to joke while holding a glass of red wine.

Feng Chen Yi said nothing, he took the wine and gulped it.

"Young Master Feng..."before one of the women opened her mouth, Feng Chen Yi eyes flashed warned her, she immediately shut her mouth up.

"Chen Yi, you looked little bit weird since last night, what was happened?" one of the red hair man patted him, he waved her hand to the women who sat beside Feng Chen Yi to leave them from car.

"Nothing." He said coldly.

"I don't...have any meaning." The red hair man helplessly looked outside through the window. At this moment, not far from their car there is little girl who crying at the other side road.

"Uh, looked quite beautiful but seems little bit idiot."

"Zi Xuan, you said whom?"

"You see by yourself." Ou Yang Zi Xuan pointed to outside the window.

When Feng Chen Yi raised his head: "Yao Yao!"

"Uh, do you know that girl?"

His eyes flashed, his cold eyes and expression suddenly showed faint smile: "Zi Xuan, I want you to help me!"

"Let me go, who are you, let me go." Yao Yao is dragged by Ou Yang Zi Xuan to the car. Once she got into the car, she saw inside the car was Feng Chen Yi: "Is you who asked this red hair to drag me here?"

"Chen Yi, I guard the door."

"En, thank you, Zi Xuan."

Just pretend she is not asking anything, after she heard the short conversation between Feng Chen Yi and the red hair, she understood this man is asked by Feng Chen Yi. Just now she thought she met scoundrel..

Episode 89

After Ou Yang Zi Xuan left, Feng Chen Yi looked at Yao Yao, smiled: "My beloved Yao Yao, why are you walking alone in the street in this late of night time, don't you know it so dangerous? Are you crying while walking? Impossible... yesterday when I said about your "fiancÃ©" perhaps he is more bastard than me, did you find the evidence about him?"

Why must he act like this? Why Feng Chen Yi must hurt her in such way? "Have you done? If done I will take my leave."

"Come here."

Again and again she is commanding by this kind of attitude, either Yu Ao Tian or Feng Chen Yi. She has felt enough for them! Turned her back, when she wanted to open the car's door...

"Didn't you hear I asked you to come here!" His voice tone higher, Feng Chen Yi pulled her back.

"Aw." Cold sweat dripping, she felt pain in her leg so that she groaned.

Feng Chen Yi realized something wrong with her: "You sprained your leg?"

"None of your business!"

"When were you sprained your leg?" He looked so anxious in front of Yao Yao, his hand gently stroke her injured leg.

"I have said, it none of your business!"

"Luo Yao..." he tried to control his trembling body, Feng Chen Yi helplessly furrowed his brow, carefully to examine her injured leg.

"You, what are you doing?"

"How could you sprain your leg?" He gently touched her leg.

"Aww, it hurt, hurt."

"Since it hurt why don't you have rest at home?" Feng Chen Yi took first aid box from the car dashboard: "Fortunately inside the car there is first aid." He lifts her leg, put into his lap and gently applied the medicine.

The scenery, it took back the past years memory, that time when she injured her leg, he would nag her about her ignorance and carefully applied the medicine. She never thought after years, he still like the olden him, haha.

"Thank..thank you." Her eyes showed pitiful and hurt, she took closer look to that good looking face that showed faint smile.

"Well. Next time..." at the moment he raise his head, Feng Chen Yi spotted Yao Yao's left face there is five finger imprinted on her cheek. "Brush" at the moment his expression changed coldly: "Your face injured..."

did he do it?"

Her heart feel tighten, Yao Yao touched her own face: "No! Thank...thank you. You have applied medicine, I...I take my leave."

"Luo Yao Yao!" He embedded his finger nails to her wrist: "Tell me! Did he hit you or not?"

"No, No, really no."

"Perhaps, you can lie to anybody but not me. From the first time we together, we have spent about three years together, do you think I will believe on your lies?" He pulled her...

At the moment she has entered the familiar warm and gentleness, just realizing, within these two years actually she really, she really depended too much toward him, too much.

Her tears falling down, at this moment she really cannot refuse his embrace. Perhaps she got too much pressure from Yu Ao Tian, she cannot denial. At the time she signed that lover contract, she should prepare herself to face Yu Ao Tian. After all, a person who can sit on Mafia's emperor throne must be someone not good, facing either men or women, but now he also have businessman status, seeing how merciless Yu Ao Tian towards other. She hurt.

And then...

That man is really hard to read for her, actually she really helpless. Moreover she does not have any reason to understand him, he used mafia method to settle this kind of matter.

Of course! This kind of method is not acceptable for her, because of her one moment of her intelligent, she made others...get killed!

"Yao Yao." Looking at her wet face, he gently said: "He, who is he?"

Cannot say.. cannot say... this path was her choice, she should alone walking in this path! "Don't ask, please?"

How could he not ask! His cold-iced hand gently caress her red burn face, his eyes flashed unspoken bitter, he knew, she must be bullied, but his heart is even hurt!

When that good looking face come closer and wanted to kissed her suddenly she remember...

"Little Thing, although these few days I have spoiled you so much, thinking that you are so smart. But, it better for you to use your smart brain in right place, don't forget about your status!"

"Don't forget your status!"

Yu Ao Tian's words as if cursed that burned her ears, when both of their lips touched, suddenly Yao Yao opened her eyes, pushed him away.

At the moment the warm atmosphere inside the car turned be cold, Feng Chen Yi said: "Yao Yao, at this time you even thought about him!"

In front of Feng Chen Yi, she as if the transparent glass, only at one glanced, only at one movement, he could know what she thinking of. She really does not know how to answer his question.

Even her relationship with Yu Ao Tian only as contract lover, which not involve love but she really cannot betray him. If not because of him, her grandpa perhaps won't live until today. If not because of him, perhaps she had sold and dirty by stranger. If not because of him...when working in night club, perhaps her condition.

..unimaginable.

"I...will never betray him." She looked down, she not dares to look at Feng Chen Yi because she afraid to see herself-pity in his eyes, why? Why she felt as if she really sorry to Feng Chen Yi, what happen actually?

"Yao Yao, tell me, do you really like this kind of man treatment, don't you?"

She raised her head, in front of her there is familiar face but yet it so stranger for her, there is such fear feeling toward him.

"If you say nothing it means you are admitting? Since this is the case..." he curled his lips up, he laughing so scary while pressed on her wrist.

"No...No... don't!"

One of his hand is trying to strip her, while her eyes glared him as if throwing a dagger. That white skin of body unstopped moving, she panic, put all her strength to fight with him but her strength isn't match to him.

"Feng Chen Yi, you let me go! Let me go!"

Episode 90

Feng Chen Yi intended to violate Yao Yao inside the car because he envied and jealous with the man who is protected by Yao Yao.

No matter how Feng Chen Yi asked about the man, Yao Yao mouth close so tight. She not even says any words referring to Yu Ao Tian's identity. She only can cry, begging Feng Chen Yi to let her go, after while, Feng Chen Yi heart soften.

"Luo Yao Yao, I asked you once again, are you willing or not to come back to my side?" Feng Chen Yi asked.

The atmosphere in the car is still strange.

At this moment she really afraid to hear this question, she afraid not to think the consequence and said...I am willing!

Endure! Endure!

Still same answered; this path is the path that decided by her so she must walk until the end!

"I am sorry, I can't...do it." After she said, she left the car.

"Damn!" Feng Chen Yi hit the car's window. He never thought she could be that persistent toward that man, at least he did not see her hesitation when answered his question.

Running faster to the car...

"Chen Yi, what is going on?" Ou Yang Zi Xuan alarmed his face confused.

He not cares with his buddy question, Feng Chen Yi eyes followed that petit figure that has left...

"Luo Yao Yao!"

The familiar voice broke the silent night, Yao Yao stopped and has cried as if human's river.

At other seconds...

"Since this moment... I, Feng Chen Yi if see you cry, I will make you crying louder; if I see people bullied you, I will be the first person who bullied you; if you are happy, I will be the person who stole your happiness; as long as you unhappy, I will make your life miserable; forever I will be the most wicked and bad man in your life, being your daily nightmares!" since I cannot hold on your love, so...I rather become the most hatred person in your life!

Turned back, Feng Chen Yi, words by words as if turned be a snowy winter that gives chill to her heart. But... for Yao Yao perhaps this is the best ending.

She wiped dry her tears, slowly turned: "If is so, you must prove it to me." She gave him faint smile.

Chen Yi, perhaps you will never know, hate you are more difficult compare to love you, remember you are easier compare to forget you. Really, If you really able to make me hate you, perhaps this is for me... actually is kind of ending (give up)!

The melancholic tears are floating in the air and slowly dropped on the ground as if another blooming flower withered in such way, one by one. One's wish it better that the flowers never bloom again, forever dying...

Under the bright sky of silent night, the man and woman who loving each other denied their love, this kind of love which cannot together, a painful love, how many people ever experienced this kind pain in their heart?

Three days later, Berson Group, Finance Department..

"Everyone, let me introduce new colleague, Luo Yao Yao, let's welcome her." Said the vice manager of Finance Department, Wilson who passionately introduced Yao Yao to others colleagues.

It was yesterday, Yao Yao suddenly got phone called from Berson's Human Resources Department, today in the early of morning she coming to report. No need to ask, this all must be Yu Ao Tian "Reward".

"Hello everyone!" She smiled sweetly to her new colleagues.

"Little Luo (Xiao Luo), you are teamed with supervisor Sun." Wilson said. He is waved his hand to the woman in her thirties slowly walking closer to her, "Sun Li, later Yao Yao will be teamed with you."

"Yes, Manager Wilson." Sun Li nodding, she turned to look at Yao Yao: "Hello, Little Luo, if you have something that you not understand feel free to ask me."

From all the time since the morning until go home there are lots of colleagues that greeted her, she has dreamt this kind of feeling long time ago, so long, this just too dreamy for her.

"Bai Ling! Bai Ling! Here, here." During lunch time, she asked Bai Ling to have lunch with her in cafeteria on the second day.

Bai Ling happily seeing Yao Yao who is standing in front of her: "Yao Yao, you tell me, how can you go to Financial Department after leaving Service Department?"

Ugh...

"Actually because..." what kind of reason should she give her.

"Oh, I know! It must Manager Long who recommended you, isn't he?"

"Yeah! That's right! It was him."

"See, just like what I said, both of you having something amiss? Why do you still lying at me? Humph!"

Sweating, whatsoever, since Bai Ling thought on that way just let her to keep her thinking that way? Yao Yao smiled, she eating while reading some documents.

"Yao Yao, what are you doing? Why are you working such hard to this point? You are having lunch but still working?"

"Well, I just think this document content really interesting, I think I can read it while eating." This few documents all are described several information concerning about the domestic financiers, this information are so important for Yao Yao who just back to China.

"Oh." Whatsoever, Bai Ling is not understood what kind of world that Yao Yao said, helplessly she rolled her eyes, she tilted her head to one side: "Uh..

"Yao Yao! Yao Yao! That was the elevator handsome man, hurried take a look."

Following the Bai Ling's finger that pointed...

She saw Yu Ao Tian who smiled slowly walking to the cafeteria.

It could be say, since that day happen, Yu Ao Tian never came to her place, so that she seems as concubine that put into cold palace and slowly would be forgotten and put in the corner.

But now suddenly she meets Yu Ao Tian, she felt little bit strange, she also did not know whether it because Feng Chen Yi's matter last time or... she felt as if doing wrong. She panic and using the document to cover her face, she afraid to be seen by Yu Ao Tian.

"Yao Yao, there is also Long Qi, let's we call him to come here and have lunch together."

"Ah? No...need..." Before Yao Yao can't stop, Bai Ling has rushed, Oh my God...she really does not want to die this early.

"Hi." Bai Ling smiled in front of Yu Ao Tian.

Paused for moment, all the people who are eating in cafeteria looked at her. Perhaps because not many people who know the real status of Yu Ao Tian, most of the people just looked at them.

"All of you are having lunch in here? Do you want to have lunch together?"

Facing with the sudden "appearance" of Bai Ling, Yu Ao Tian just furrowed his brows, his good looking face flashed cold expression.

"CEO Yu? This place?" Beside Yu Ao Tian there is a man who in forties called him.

Yao Yao who sat not far is glancing, that middle age man is...

She quickly opened one of the folder, carefully examined the photo inside the document, Xia Yu, The Chairman of Lan Du group, it is him! Since Yu Ao Tian is coming together with him, it means that..

. both of them are talking about business? What would happen with Bai Ling appearance? What a bad luck!

"He He, CEO Xia, this is one of the most capable employee in my company." He introduced some men that surrounded them. After said, Yu Ao Tian eyes are gleaming coldly.

Long Ye who stood beside hurried to take Bai Ling far away. But who knows...

"Handsome man, is he your friend? Well, let's we have lunch together. Come, come." Bai Ling excited looked at Xia Yu hastily her food bumped into Xia Yu.

Everyone still looked at her while she is apologizing, "I am so sorry, sorry..."

Xia Yu looked at her closely after heard what she said, suddenly his mood changed, from angry to happy, he laughed: "Really? I never thought little girl like you are interested with Financial Analysis, haha, did the book sold in England too?".
