

QUADRUPLETS UNITE: MOTHER'S WORDS ARE LAW!

Chapter 27

"Yes," Abel scowled as he continued, "I have the same disease as Hesperus."

"H-How can it be?" Emmeline gasped and said, "Her father is Adrien!"

"I've thought about this before, Adrien is not allergic to kiwi." Abel replied.

Emmeline was stunned and she asked, "Is the paternity test real?"

"Of course it's real, Ryker family's hospital ran the test. And..."Abel said.

"Yes?" Emmeline frowned, her heart pounding hard.

"And I had sex with Alana, not with you." Abel said

hoarsely.

"O-Oh... let's get to the hospital, your ears are red!"
Emmeline suggested.

After Abel got an injection in the hospital emergency room, it was already ten in the night.

The triplets were being fetched home by the nanny.
Emmeline was left to accompany Abel.

Abel's phone rang when they were about to depart from the hospital.

Rosaline was calling him.

Abel immediately answered the call.

"A-Abel, something bad happened... Please come back now!" Rosaline's voice was shaking.

"Mom, what's wrong? Please calm down." Abel asked composedly.

"T-Timothy... Timothy was kidnapped!" Rosaline shouted.

"How did it happen?" Abel's heart skipped a beat upon hearing it.

"The surveillance showed that Timmy walked out of the mansion alone. He was being taken away by a black car.

"Do you know who did it?" Abel asked with a frown.

"Do you know who did it?" Abel asked with a frown.

"I've called the police. We are clueless at the moment."

"I'll be back now." Abel hung up the phone.

"Did something happen to Timothy?" Emmeline panicked. She liked Timothy; he looked so much like her sons.

"Yes. I'll drop you off before I go." Abel said.

"I'll take a taxi. Please return for Timothy."

"Alright, take care of yourself."

Emmeline nodded before going down from the car. Abel drove his Rolls-Royce swiftly.

"Please look into what's happening to the Ryker family now, and also send someone to get me."
Emmeline called Benjamin.

"Yes, Ms. Louise. Please send me your location; the driver will be there shortly." Benjamin answered.

Emmeline sent Benjamin her current location. The driver arrived in ten minutes to drop her off at the coffee shop.

Benjamin phoned her after a while and he said, "Ms. Louise, Abel's son, was being kidnapped. The rescue mission is at eight o'clock tonight."

"Send help to them!"

"Yes, Ms. Louise."

"Abel, our child is in trouble, please save him!"

Abel empathized with Alana as a parent, he held her to comfort her.

Alana was surprised.

Auntie Alondra was right, Abel hugs me out of empathy!

"Do you know who did it?" Abal asked with a frown.

"I've called the police. We are clueless at the moment."

"I'll be back now." Abal hung up the phone.

Abel frowned while padding her back, and he said,

"Nothing bad will happen to him; I promised to rescue him safely."

"Timmy is our precious son; I can't live if anything happens to him!" Alana was tearing up as she spoke.

"No, I will never let anyone harm him. Please rest assured."

"O-Okay..." Alana smiled smugly when Abel did not notice.

Auntie Alondra, you're the best! Abel seriously falls for it.

My next plan is to have sex with him!

The landline on the table suddenly rang; the caller was unknown.

Rosaline rushed over and instantly answered the call, and she screamed, "What do you want with my grandson? I'll give you anything, including money; just don't hurt him!"

"Madame Ryker, we won't harm him. We only want money."

"Tell me! How much do you want? Return my grandson to me!" Rosaline was losing her composure.

"Give me three more days; we will tell you how much we want from you after discussing it." The kidnappers answered.

Abel took over the phone call; he yelled, "Who are you guys? Who gave you the audacity to kidnap my son?"
