I am a quadrillionaire chapter 1912-“You scoundrel, this is for your own good! Once we start, the result will be unpredictable.”

David voluntarily acted first on this rare occasion.

He casually waved his Evil-Splitting Sword and a shocking red light pierced through the air and shot toward Sahar.

“How presumptuous! David, do you want to die? If that’s the case, then I will grant you your wish.”

David’s attack made Sahar furious again.

A kid dared to take the lead in attacking him.

If he did not teach him a lesson today, how would he show his face in public?

Sahar then swung his executioner’s sword vigorously.

A white glow shot out from the blade and collided with the red glow that came from the sky.

Boom!

A loud noise resounded through the void like a clap of thunder from heaven.

The sound carried over the Simmons Continent.

Everyone on the mainland was taken aback and looked up at the sky at the same time.

Their faces were filled with shock.

They could only see two colors in the sky as far as the eye could see.

One side was red while one side was white.

The two colors were evenly matched.

The intersection in the middle seemed to divide the sky into two halves.

There was a huge pressure coming down from the sky and everyone felt like there was a mountain on their backs.

This apocalyptic scene scared some of the weaker people so much that their legs became weak and they fell to the ground.

“The fight has started! A Battle of True Saints is so terrifying. If they didn’t go to the void but decided to fight on the continent, I’m afraid the whole continent would have been torn apart by the shockwaves of their battle.”

“The battle between True Saints is indeed terrifying. It’s not something that mere mortals can understand. Master David looks so young. It’s unbelievable that he would be Grandmaster Sahar’s match.”

“Master David can defeat Tai, the True Saint of the Palmore family. So, it is not surprising that he can stand shoulder-to-shoulder with Grandmaster Sahar. However, I heard that Master David also has a twin brother who is also a True Saint. Why is he not here?”

“Yeah! Where is Master David’s twin brother? Is he hiding in the dark and preparing to attack Grandmaster Sahar?”

“I think it’s very possible!”

“I think so too, otherwise, why would he not be here?”

Such comments reached the ears of the Simmons family, and this immediately aroused their attention.

It was no secret that David had a True Saint twin brother.

Everyone knew this.

However, they had neglected this fact.

Since David Two had still not appeared, the possibility that the latter was preparing for sneak attack was very high.

When the news reached the elders of the Simmons family, it instantly made them nervous.

There were only two Saints in the Simmons family.

Nek had been killed by David on the spot and if something unexpected happened to Sahar again, the Simmons family would collapse.

Without the protection of Saints, they might even lose the Simmons Continent.

Plus, the grandmaster’s injuries were not yet healed.

If another True Saint attacked him while he was fighting with David, the consequences would be dire.
