I am a quadrillionaire chapter 1993-Nova pushed the door open and entered.

“Master!” Selena took the lead in greeting Nova respectfully.

“Master!” The other women also greeted Nova one after another.

“There’s no need to be so polite. I’m here to meet you for the last time. As your master, I don’t have much time to teach you, and I’m ashamed of that, but I had no choice. It’s not my fault that I’m the head of the Iridescent Sect. I needed to coordinate the affairs of the entire sect, so I hope you don’t mind,” Nova said apologetically.

She knew that David would definitely come here to take these girls away.

Hence, she came over and said goodbye.

After this separation, she had no idea when their next meeting would be.

Nova was pretty fond of these women.

“Master, don’t say that. You have treated us very well.”

“Yes! We will never forget your kindness in this life.”

“You will always be our master!”

At this time David also came forward to thank and said, “Nova, on behalf of Celia and the others, thank you for taking care of them during this time.”

“David, these girls are all my disciples, so I should do everything I should. Plus, I like them very much too,” Nova replied.

“No matter what! You lend a helping hand in my most difficult time. I, David Li del I, am not an ungrateful person, so I will never forget you. If you need anything in the future, just ask and I will do my best to help you,” David promised.

“Thanks!”

Nova was elated on the inside.

David was not who he was back then.

At that time, he was just a young man who had just entered Eternal Realm.

Now, he was a Sacred Saint, a man standing at the top of Star Kingdom.

It would be very beneficial to Nova if she could gain the promise of such a strong person.

Especially when she wanted to look into the secrets of the Iridescent Sect.

With this goal in mind, it would be even more necessary to have the help of David, the Sacred Saint.

“Lady Dream, I didn’t lie to you, right? I said at the beginning that as long as you accept them, you won’t regret it,” Celeste said with a smile.

“Indeed! Elder Red, it’s a good thing I promised you this, otherwise, I would regret it now.” Nova also responded with a smile.

“Of course! If Eira hadn’t sent me to the ice cavern, I would have taken them and taught them myself. You would not have gotten a chance if that had happened.”

“Well then, I would like to thank you for giving me this opportunity.”

“You don’t have to thank me. We have such a good relationship.”

“Smart girl.”

The relationship between the two had always been good.

In the past, they would always crack jokes when they were alone.

Even now that Celeste had announced her departure from the Iridescent Continent, it still had not affected their relationship.

While everyone was chatting happily...

Eira and her sisters came to the cave under the forbidden area of the Iridescent Sect.

As soon as they entered the place, the four of them sat cross-legged at the same time and began to recuperate from their injuries.

When David showed his Sacred Saint energy, the four of them almost touched David.

At such a close distance, it was a bit overwhelming even for a peak True Saint to face the eruptive energy of a Sacred Saint.

The internal organs of the four were injured to varying degrees. After a while, the two peak True Saints, Marin and Ursa, woke up first.
