I am a quadrillionaire chapter 2153-After hearing Beanie's words, Nas seemed to have lost his strength and almost fell off the Foal Beast.

'It's over!

'It's all over!

'With Beanie's status in the Nacht family, it's not impossible for her to propose a change in heir.'

Moreover, Nas also knew that most of the seniors of the family were very dissatisfied with him.

As long as someone took the lead, those guys were bound to agree.

Once he lost his position as the first-in-line heir of the Nacht family, Nas would be reduced to becoming an ordinary person.

Everything he had now would be a thing of the past.

Nas could not bear such a blow.

"No! Aunt Beanie, you can't do this! I am the first-in-line heir of the Nacht family, and no one can replace me. I will be the head of the Nacht family in the future." Nas was a little confused.

"If we hand the family to you, it will be the biggest failure of the Nacht family. The family will soon perish too. You should just give up," Beanie gave him a huge blow.

"Pffti"

Furious, Nas spat out a mouthful of blood.

He was quite depressed.

"Impossible! Impossible!" Nas muttered.

Beanie did not care about Nas' situation.

She was completely disappointed in his nephew.

When the seniors said that Nas was not suitable to be the first-in-line heir of the Nacht family, she was still helping this kid.

However, this came back and bit her in the bottom.

“Keep going!” Beanie ordered.

The team began to move forward slowly.

The Foal Beast under Nas was startled and moved sideways.

It was not until the team disappeared that Nas came back to his senses.

Seeing the direction in which the team disappeared, Nas’s eyes flashed with hatred.

He could not lose his position as the heir.

Otherwise, he would have nothing.

Originally, Nas came to question Beanie about why he was not included in the team to go to Sole, but in the end, he humiliated himself and even lost his position as the heir.

One could only imagine how aggrieved he felt.

However, it was too late for him to regret it now.

Sitting in the carriage, David naturally heard the conversation between Beanie and Nas.

He also understood the reason why the other party did this.

She was just doing this to please David.

Of course, David’s impression of Nas was already not very good.

Nas lacked the modesty and low-keyness that youth should have.

On the contrary, he only learned arrogance and was full of himself.

How could such a person take on the heavy responsibility of being the head of the family?

They should teach him a lesson.

However, those were the Nacht family’s affairs, and they had nothing to do with David.

Time passed day by day.

In the blink of an eye, the Nacht family’s team had traveled for ten days.

In another five or six days, they would almost reach the second-tier city of Sole.

There were no accidents along the way.

Of course, this was only for the time being.

The team was about to go through the most dangerous part of the road from Nightingale City to Sole-The Demon Ridge.

According to their current speed, it would take about two days to cross this.

The Demon Ridge was built in the middle of the forest and the dense forest would block all sunlight.
