I am a quadrillionaire chapter 2158-Beanie frowned watching the powerful arrows rain down.

If David did not make a move, she might be the only one left in the Nacht family's entire team after this attack.

Plus, she might not be able to resist all of them and might be seriously injured.

The densely packed arrows were fast approaching, and they arrived in front of the group in the blink of an eye.

Just when everyone was preparing to go all out and Beanie was about to make a move, the space seemed to freeze.

The arrows shot from the dense forest all stayed in the air without moving.

Such a weird scene frightened everyone there, including the robbers in the dense forest and the guards of the Nacht family.

They had never seen such a thing before.

Everyone stared dumbfounded at the arrows hovering in the air.

Beanie finally breathed a sigh of relief.

The strong man protecting David in the dark finally made a move.

Such a heaven-defying method was indeed incredible.

With their level of strength, they could never understand this.

"Scram!"

The word contained endless power. It centered on the carriage where David was and spread in all directions before returning all the arrows that were floating in the air back to where they came from.

'Um...'

As the robbers in the dense forest watched the arrows flying back at them, they were frightened out of their wits and some of them even urinated in fright before falling onto the ground limply.

Woosh!

“Ah!”

Countless screams came from the dense forest.

The guards of the Nacht family stared blankly.

Nivia was the same. However, she knew that Aunt Beanie’s savior may be Master David.

She also knew that Master David was amazing.

However, she did not expect him to be so powerful.

He still enjoyed a one-sided victory even with so many robbers.

‘How could one word from him be so powerful?’

‘Where did Master David come from?’

‘Even a second-tier city doesn’t have such a strong person, let alone a third-tier city like Nightingale City.’

“M-May I know who’s there? I-I’ve offended you, p-please don’t be mad, my Lord. Please spare us!” Someone stammered.

Obviously, he was quite frightened by the scene just now.

“Please... Please spare us!” The surviving robbers shouted in unison.

They all knew that if they wanted to live, they could only beg this person for mercy.

Otherwise, they would surely die.

“Ms. Beanie, I will leave the rest to you. Finish it as soon as possible and let’s continue on our way.” David’s voice came from the carriage he was in.

Only then did everyone realize that the arrows aimed at two particular carriages were never touched them as they were blocked by an invisible force.

Meanwhile, the other carriages were filled with arrows.

“Yes, Master David!” Beanie bowed to David.

Then, she turned to face the dense forest and asked, ‘You’re lucky to be able to survive. Answer me a question and you can leave.’

“Ms. Beanie, we’re all ears.”

“Where did you get this news that my family would pass by here with treasures?”

“A young man came to the Demon Ridge and told us three days ago.”

‘A young man?’ Beanie thought for a moment.

‘So it’s not Linus?’

‘Why did the Chez family send a young man over?’

“What does this young man look like? How tall was he? Was he fat or thin? What clothes was he wearing?”

“Ms. Beanie, this young man is...”

After listening to the other party’s narrative, Beanie took a deep breath as a killing intent filled her eyes.

The rest of the Nacht family also looked at each other with confusion.

None of them could believe their ears.

It was because the description was clearly Nas, the son and the first-in-line heir of the Nacht family, who had stopped them outside Nightingale City.
