I am a quadrillionaire chapter 2242-If David could find that person, he would find Pebbles' home.

"I don't know! I only know that she is a very beautiful and mighty lady who beats up many villains to pieces with her sword," Pebbles thought for a while and said.

"Are those bad guys male and female? Can you remember her appearance clearly?" David changed the question.

'Those bad guys look weird. They are different from us and they can change their shape at will. After being smashed by the lady, they don't bleed. They just explode with a bang.'

David had no idea what the little girl was talking about.

'They don't bleed after they are smashed? They can even change their shape at will?

'What are they?

'Robots?

'Or mecha?

'Only metals have no blood.'

"Where did they fight? Do you remember?"

"I don't know! It's pitch black and I can't see anything. There is only one lady but countless monsters and villains." The little girl shook her head again.

"Pebbles, try to remember and see if you can think of anything else! Besides that lady, was there anyone else?" The little girl closed her eyes and began to recall the scene she saw in her dream.

In her mind, a light appeared.

Then, it spread rapidly.

Everything that her eyes could see was dazzling white.

She could not see anything.

“Ah!”

The little girl suddenly screamed and held her head. She had a conflicted look on her face and she said in pain, “Davey, I don’t want to remember anymore. My head hurts!”

David was shocked and he quickly pulled Pebbles into his arms. He felt extremely sorry.

“Stop thinking, Pebbles. I won’t ask anymore. I’ll stop asking.”

The little girl held David tightly and buried her head into his chest to take in his scent hungrily.

It was as if David’s scent could minimize her pain.

Soon, the little girl recovered.

After she lifted her head, a tear-stained face appeared in front of David.

“Davey, don’t worry. I am not in pain anymore. Davey smells so good. I want to stay with Davey forever.”

“Alright, Pebbles. I will stay with you forever. I won’t ask anymore. If you can dream it, that’s fine. It doesn’t matter even if you can’t. Don’t think about it anymore, okay?” David said softly.

After the past few months, he had already regarded this adorable little girl as his family.

David blamed himself when he saw how much pain Pebbles was in just now.

This happened because he wanted to send her home and forced her to think of her past.

‘Whatever. I’ll stop thinking about this.

‘I’ll only think about this in the future.’

David decided to stop asking Pebbles about her past and her family.

He would just go with the flow.

“Okay, thank you, Davey!” The little girl chirped.

Then, she looked miserable again.

“What’s wrong? Do you feel unwell?” David asked anxiously.

“Davey, I’m hungry.”

“You foodie! Here, I’ll get you something to eat.”

David then took out a pile of treasure for the little girl to dig in.

Soon, the little girl held David and fell asleep in his arms after she finished eating.
